CABINET RECORD OF DECISION

DATE OF MEETING: 17 DECEMBER 2019 AGENDA ITEM NO. 4

REPORT OF:

SUBJECT: PROVISIONAL LOCAL GOVERNMENT

SETTLEMENT (VERBAL)

RECOMMENDATIONS OF REPORT: To note the verbal report on the outcome

of the Provisional Local Government Settlement announced on 16th December and the implications for Flintshire County

Council.

DECISION: To receive the report.

REASON FOR DECISION: As reported.

CONSULTATIONS N/A.

CABINET RECORD OF DECISION

DATE OF MEETING: 17 DECEMBER 2019 AGENDA ITEM NO. 5

REPORT OF: Chief Officer (Planning, Environment and Economy)

SUBJECT: THE COUNCIL'S RESPONSE TO THE CHALLENGE

OF CLIMATE CHANGE AND THE ACHIEVEMENT OF

CARBON NEUTRALITY BY 2030

RECOMMENDATIONS OF REPORT:

 To support the establishment of a Response to Climate Change Strategy Board;

(2) To support the recruitment of a Programme Manager to coordinate the Council's response to Climate Change;

(3) To support the progress undertaken so far to reduce the Council's carbon footprint; and

(4) To issue a public statement of commitment and intent on our position, activities to date and intended actions e.g. carbon reduction, plastics reduction, renewable energy, greening.

DECISION: As detailed in the recommendations.

REASON FOR DECISION: As in the report.

CONSULTATIONS REQUIRED/CARRIED OUT:The Academi session with senior County Council officers on 6th November

identified carbon reduction work undertaken so far, potential future projects and partners who we need to work with to deliver those projects.

We need to work with the wider County Councillor group to undertake a similar exercise and embed the move to carbon neutrality in their thinking and actions. **RESOURCE IMPLICATIONS:** Business cases will be developed as

appropriate to support investment in decarbonisation and / or carbon

sequestration activities.

There is a recognition that project

management support will be necessary to drive our move towards carbon neutrality.

Chief Officer (Streetscene and Transportation) REPORT OF:

OUTCOME OF THE WASTE STRATEGY REVIEW SUBJECT:

CONSULTATION PROCESS

RECOMMENDATIONS OF REPORT: (1) That Cabinet notes the responses

to the public consultation exercise on the Council's Waste Strategy;

and

(2) That Cabinet approves the

recommendations on the future of the recycling and waste collection

service.

As detailed in the recommendations. **DECISION:**

REASON FOR DECISION: As in the report.

CONSULTATIONS Member workshops were held in June REQUIRED/CARRIED OUT:

2019 to seek views on the future provision

of the collection service.

Cabinet Member for Streetscene and

Countryside.

Town and Community Council's -

invitation for written response / comment.

Elected Members – invitation for written

response / comment.

Assembly Members – invitation for written

response / comment.

Members of Parliament – invitation for

written response / comment.

Flintshire residents.

Streetscene workforce.

Environment Overview and Scrutiny Committee provided a response to the consultation process which has been taken into account during the review process.

Environment Overview and Scrutiny Committee also reviewed the outcome of the consultation exercise at their meeting in December 2019. The Committee recommended accepting the proposals detailed in the report.

RESOURCE IMPLICATIONS:

Two additional Enforcement Officers to resource the additional waste inspections - £70k. The cost of these posts will be funded from the benefit achieved from recycling diversion.

These costs include staff costs plus overheads and provision of the necessary transport arrangements for the staff.

Additional vehicles to provide AHP collections - £350k from Welsh Government funding.

DATE OF MEETING: 17 DECEMBER 2019 AGENDA ITEM NO. 8

REPORT OF: Chief Officer (Streetscene and Transportation)

SUBJECT: PROPOSALS FOR INFRASTRUCTURE

IMPROVEMENTS AT STANDARD YARD WASTE

TRANSFER STATION

RECOMMENDATIONS OF REPORT:

(1) That Cabinet notes the proposals for developing the Standard Yard Waste Transfer Station; and

(2) That Cabinet approves the proposed funding bids and investment required for the improvements to Standard Yard Waste Transfer Station.

DECISION: As detailed in the recommendations.

REASON FOR DECISION: As in the report.

CONSULTATIONSConsultation with Cabinet Member required.

Consultation with workforce and Trade Unions required. Operational staff were involved in the formulation of the idea and development of proposals to ensure that they meet the identified needs and are fit for purpose; the impact is intended to be positive, as it would lead to improved welfare facilities, a more efficient layout for the site and increase the reliability of plan and equipment.

The new facility will require planning permission, so the impact on neighbouring businesses will need to be considered along with the main freeholder for the industrial estate, Spencer's Industrial Estates.

Initial discussions have already taken

place with the Spencer family, who were receptive to the proposals and welcomed the move to a single separate site under cover and a new access road for the industrial estate. More detailed and formal discussions will be required as the project progresses.

Natural Resources Wales (NRW) will also need to be consulted in relation to changes to the environmental permit; however, initial discussions regarding the proposals have been met favourably by NRW officers.

Consultation with contractors required. The impact on haulage companies collecting from site will need to be considered; the plans are being developed and proposed with a view to improving access to the site to enable hauliers to manoeuvre more easily and separate haulage from the processing operations.

Environment Overview and Scrutiny Committee considered the matter at their meeting in December 2019 and recommended Cabinet approve the investment detailed in the report.

The local Members whose ward the site is located have been consulted and their comments will be considered during the detailed design work.

RESOURCE IMPLICATIONS:

There are no implications for the approved revenue budget for this service for the current financial year. The funding sought through the Invest to Save Funding Grant is intended to be repaid to Welsh Government over a 10 year period commencing in 2021-2022, which will be funded through revenue savings generated from the improvements made to the site. Increased productivity and efficiency and a reduction in downtime.

The approved capital programme for

2020-2021 includes £1.2m funding for the proposed improvements to Standard Yard Waste Transfer Station.

There are no implications for additional capacity or for any change to current workforce structures or roles.

REPORT OF: Chief Officer (Education and Youth)

SUBJECT: ESTYN POST INSPECTION ACTION PLAN

RECOMMENDATIONS OF REPORT: To receive the draft post inspection action

plan and provide any further commentary

to officers prior to finalisation and

agreement by Cabinet.

DECISION: As detailed in the recommendation.

REASON FOR DECISION: As in the report.

CONSULTATIONS Consultation with headteachers,

REQUIRED/CARRIED OUT: governors and key partners was integral

to the full inspection process undertaken

in June 2019.

RESOURCE IMPLICATIONS: The implementation of the action plan will

be resourced mostly through the existing resources of the Education and Youth Portfolio but in the current economic climate the ongoing resilience of these core education services and of school budgets is increasingly threatened and

could undermine its success.

The addressing of the recommendation in relation to school deficit budgets has been escalated to a corporate level as it is beyond the resource of the Education Portfolio alone and is now the subject of a specific task group including the Chief Executive and the Leader of the Council.

REPORT OF: Chief Officer (Governance), Chief Officer (Social

Services)

SUBJECT: COUNCIL TAX DISCOUNT SCHEME FOR FOSTER

CARERS

RECOMMENDATIONS OF REPORT: (1) Approve the introduction of the

Council Tax Discretionary Discount scheme for Local Authority Foster Carers, to take effect from April

2020; and

(2) Approve the Policy Framework, as contained in the appendix to the

report, which sets out the Council's

approach to the award of

discretionary Council Tax discounts for Local Authority Foster Carers.

DECISION: As detailed in the recommendations.

REASON FOR DECISION: As in the report.

CONSULTATIONSThe introduction, in principle, of the Council Tax Discount scheme for Fo

Council Tax Discount scheme for Foster Carers was discussed and approved at

the Cabinet meeting in July 2019.

RESOURCE IMPLICATIONS: The introduction of the Council Tax

Discretionary Discount scheme for Local Authority Foster Carers from April 2020 is not incorporated into the Tax Base since locally-funded discrertionary discounts or

exemptions made by billing authorities

under section 13a of the Local Government Finance Act 1992 are specifically excluded from the Tax Base made as a result of such discounts or exemptions would lead to an increase in entitlement to Revenue Support Grant (RSG) and hence to the discounts being funded by central rather than local government.

The initial cost of introducing this scheme from 2020/21 will be £92k per annum but the cost of awarding Discretionary Discounts will be cost neutral if only three children are placed with in-house carers for a 12 month period rather than external fostering agencies.

Budget provision has been set aside for 2020/21 in order to offer this scheme.

SUBJECT: SHORT STAY CAR PARKING IN BUCKLEY

RECOMMENDATIONS OF REPORT: That Cabinet approves increasing the free

short stay parking time limit from half an hour to an hour in Brunswick Road Car Park, Buckley with financial support from

Buckley Town Council for the lost

revenue.

DECISION: As detailed in the recommendation.

REASON FOR DECISION: As in the report.

CONSULTATIONS With Town Council on the proposed

REQUIRED/CARRIED OUT: changes to car parking tariffs in

Brunswick Road car park.

Consultation has already taken place with

the Cabinet Member.

RESOURCE IMPLICATIONS: The cost of advertising and reconfiguring

the signage and ticket machines in Brunswick Road car park would be £5k

and will be funded from existing

maintenance budgets. The lost income for providing free parking for the first 30 minute period will result in a financial pressure detailed in the October Cabinet

report.

The cost of the additional half an hour has been addressed at £9-11k (although some of this saving may be included in the initial reduction in income levels detailed in the October Cabinet report), which will allow the Town Council to budget for the new arrangements. The final recharge will be dependent on the number of tickets issued by the machines,

which will allow the share of the financial loss to be calculated for both the County Council and Town Council.

REPORT OF: Chief Officer (Education and Youth)

SUBJECT: SCHOOL MODERNISATION – SCHOOL

STANDARDS AND ORGANISATION ACT 2018 -

LIXWM SCHOOL RE-DESIGNATION

(1)

RECOMMENDATIONS OF REPORT:

Cabinet is requested to carefully consider the responses received during the statutory consultation period and the evidence and analysis provided by officers contained within the consultation report; and

report, and

(2) Cabinet is requested to determine whether to proceed to the next stage of the statutory proposals to re-designate Lixwm County

Primary School.

DECISION: As detailed in the recommendations.

REASON FOR DECISION: As in the report.

CONSULTATIONS Consultation has taken place in

REQUIRED/CARRIED OUT: accordance with the statutory Schools

Organisation Code 2018.

RESOURCE IMPLICATIONS: Should Cabinet agree to proceed the

onward process would be managed by

the school modernisation team.

The proposed change of designation of Lixwm CP school to a VA school would result in the school being eligible for consideration of funding through the Diocesan Authorities Capital Repairs and Maintenance Programme. In addition, external grants specifically have been made available to the VA sector through

Welsh Government VA grants

programme. Such grants are currently funded on an 85% intervention rate from WG.

Should the proposals proceed, there is a specific statutory requirement to transfer to the Diocese the land and buildings (except for the playing fields) would transfer the land and buildings back to Flintshire County Council should the Diocese stop using buildings as a faith school. This would result in a modest legal cost for the Council and the Diocesan Authority to action this through appropriate agreement.

CONSULTATIONS

REQUIRED/CARRIED OUT:

A number of key stakeholders were consulted during the Feasibility Study. In addition a number of organisations will be engaged with throughout the life of the programme including, but not limited to:

- Care Inspectorate Wales
- Social Care Wales
- Wales Co-operative Centre

Since the commencement of the pilot at the start of September the Micro-care officers have engaged with citizens, Councillors and enterprises in the following events:

- Care Week
- Flintshire County Forum
- Flintshire Social Enterprise Network

As the pilot progresses there will be further opportunities to engage with citizens in both developing and evaluating the pilot.

RESOURCE IMPLICATIONS: Invest to Save funding has been secured

for one two year development post and

match funding secured from Cadwyn Clwyd to fund a second post and project development costs. The total funding from Cadwyn Clwyd amounts to £106,429 over the 2 years of the project.

Welsh Government's Foundational Economy Fund have also agreed to contribute £100,000 over two years to support the project. This is a mix of revenue for Social Firms Wales and the Council, Seed Funding for new enterprises and project development costs. A breakdown is given in the table in the report.

DECISION: As detailed in the recommendations.

REASON FOR DECISION: As in the report.

CONSULTATIONSInternal consultations with officers in Finance, Planning, Contaminated Land,

Legal, Procurement, Valuation and Estates and Ecology have been

completed as part of the business case

development.

Previous Cabinet reports in July 2017, January 2018 and July 2018 detailing progress made on identifying and prioritising sites for renewable energy.

On 28th November 2017 initial business cases were presented to the Chief Officer (Planning, Environment and Economy), Chief Officer (Housing and Assets), Chief Officer (Streetscene and Transportation), where it was decided to progress with

Crumps Yard and Flint Landfill only.

Consultations with County Councillors, Town Councillors, statutory consultees and local communities has taken place through the pre-application consultation process. Public exhibitions were held at Flint and Connah's Quay Library and the local community was invited to provide feedback on the proposed developments. Press releases were issued providing details of the consultation and site notices were put up at each site. The Project Manager has attended Flint and Connah's Quay Town Council meetings to provide an overview of the developments. The majority of feedback from both consultations has been positive.
