72. **URGENT MATTERS**

None.

73. **PRESENTATION BY CHIEF CONSTABLE CARL FOULKES (NORTH WALES POLICE)**

The North Wales Police and Crime Panel received a presentation from the Chief Constable (Mr. Carl Foulkes), North Wales Police (NWP), which covered the following areas:

- Vision
  - 'Make North Wales the Safest Place in the UK'
  - Putting the vision into practice by preventing crime, protecting communities and pursuing offenders, with the focus on people (staff wellbeing, recruit and retain a diverse and representative workforce); problem solving (deliver problem solving plans and embed a culture of problem solving at all levels); and digital (implement a digital programme to support operational policing).
- Finance
  - £31.104m achieved in savings since 2011 to 2019.
  - With support, continued to maintain a front line service as in 2010.
  - North Wales Police was in a slightly better position than other Forces, particularly with the implementation of the Operational Improvement Plan.
  - Officer Numbers/Recruitment - by March 2020 the actual number of Officers was estimated to be at 1459 (target 1444). The Chief Constable advised that the plan was to frontload recruitment, in order to be able to recruit under the old qualifications framework. Whilst the new qualifications

framework was live, it was not without its problems, therefore the Force would not implement until June 2020.

- PCSOs – due to the success of many PCSOs in becoming Police Officers, the numbers had fallen, but the intention was to hold 2 intakes of PCSOs this financial year.
- Additionality (Staffing and Investment)
  - The PCP supported an increase in the police precept, in order support the implementation of the Operational Improvement Programme, which would see investment in an additional 30 Police Officers and 10 Police Staff; 10 Police Staff were in post, with the 30 Police Officers due to be in post by the end of the financial year.
- Collaboration
  - Emergency Services
  - Joint Intelligence Hub;
  - On an all Wales basis (digital Public Contact/Single Online Home and E-Recruitment); and
  - Intelligence sharing with the North West
- Estate Strategy
  - Official opening of Llay Police Station
  - Refurbishment of Pwllheli Police Station to commence October 2019
  - Vehicle Commissioning Centre to be vacated by 2022
  - Future of Holyhead – opportunity to work with Ynys Mon
  - Reviewing opportunities for Tier 3 sites.
- Dolgellau Custody Unit
  - The Custody Unit had closed in April 2017 as the safety of detainees and officers was paramount. To bring the unit up to date would cost £¾ m, however detained numbers had seen a consistent decline, with less than one detainee per day. However, the Chief Constable acknowledged the challenges and was working with staff and Dyfed Powys Police to provide a more workable solution.
- Operational Improvement Programme
  - 12 hour shift pattern had been rolled out, with a positive response.
  - Custody review to be implemented over next few months.
  - To review neighbourhood policing to meet community expectations.
- Police Community Support Investigators (PCSI)
  - 10 PCSIs to be recruited to gather evidence for Detectives; granted powers by NPCC and professionalise workforce with an 8 week training course.
- Assaults on Police Officers
  - Changing national picture – increase in serious and violent crime.
  - Increase nationally in the number of assaults on police officers.
  - 'Eight Point Plan' driven by Police Federation to support colleagues.
- Knife Crime
  - Knife crime remained a growing national concern and was prominent in national and local media.

- Whilst North Wales did not see levels as other places in the UK, there had been 121 incidents involving knives between 01/12/18 and 28/02/19; 39% were domestic related.
- Links to Organised Crime Groups
- Serious Violence Coordinator appointed by the Police and Crime Commissioner.
- “Knives Take Lives” initiative launching June 2019.
- County Lines
  - 26 County Lines gangs active in North Wales area, with Manchester/Merseyside links.
  - Early intervention and prevention was key.
  - Multi-agency approach – Joint working
  - Operation Bypassed – County Line identified and targeted, with 4 offenders convicted.
- Western Area Summer Increase
  - Whilst there was an increase in the number people in the Western Area during the summer months, this didn’t necessarily result in a significant increase in crime; however it was likely that there was an increase in anti-social behaviour.
  - The minimum strength deployed to the area was increased during these months.
- Roads Policing
  - Fatal casualties had seen a 77.78% decrease between January to May 2019 (18 to 4).
  - Serious casualties had seen a 6.48% decrease (108 to 101).
  - Identification of priority routes and working with partners to seek alternative solutions to reduce the number of injury collisions.
  - Number of drug and driving arrests had increased with the use of drug testing kits, which required investment.

The PCP thanked the Chief Constable for his informative presentation and went on to discuss the following:

- The use of drug kits and working with Public Protection.
  - Whilst investment was necessary to provide the kits, the majority of drivers who were stopped would be tested for drugs.
  - The Chief Constable confirmed that the Police and Local Authorities did work together, which was particularly important in the licensing of taxi drivers.
- The use of body worn cameras
  - The Chief Constable advised that the intention was to roll out body worn cameras to all front line staff. However further investment was required, as some of the equipment was coming to the end of its life, so would need replacing shortly.
- Estates Strategy for Prestatyn - concerns were expressed at that the lack of a visible police presence in Prestatyn and reference was made to the possibility of resources being lost to deal with more serious crime.
  - The PCP was informed that the Chief Constable was looking at the Estates Strategy and the possibility of sharing/utilising buildings (Fire Stations/Libraries) to provide a presence in towns and villages.

- The Chief Constable reiterated that the Force would focus on all crime and issues that affected communities, however matters may be dealt with differently.
- Concerns were raised as to whether the Force had enough resources to deal with drivers without tax, MOT and insurance.
  - The Chief Constable advised that prioritisation was key and that such incidents would be dealt with on a case by case basis. However, further discussions would be undertaken in relation to the matter.
- The impact of Brexit on policing
  - Whilst a huge amount of work had been undertaken with partners to address the short term issues, the longer term impact was not yet known.
- The number of assaults on Police Officers
  - The Chief Constable advised that work was being undertaken to understand the issues and if training, safety and deployment policies could be improved.
  - Whilst North Wales had seen an increase in the statistics, the Chief Constable felt that this could be as a result in better recording of such incidents.
- Recruitment of a more diverse and representative Police Force
  - The PCP was advised that an All Wales approach was being undertaken to recruiting a Force which was representative of the communities it served.
- County Lines and sharing intelligence with the North West

The Chief Constable welcomed the opportunity to come back home and work in North Wales and was keen to get on with the job at hand.

**RESOLVED-**

**That the presentation be noted and that the Scrutiny and Committee Services Officer circulates the Chief Constable's presentation to members of the Police and Crime Panel.**

**74. ANNOUNCEMENTS BY THE CHAIR**

The Chair congratulated the Office of the Police and Crime Commissioner on their recent Transparency Quality Mark, which had been achieved for the third year running.

**75. MINUTES**

The minutes of the Police and Crime Panel held on 28 January 2019 were submitted for approval.

**RESVOLED-**

**That the minutes of the North Wales Police and Crime Panel held on 28 January 2019 be approved.**

76. **UPDATE ON ACTIONS FROM THE PREVIOUS MEETING**

Feedback on actions from the previous meeting held on 28 January 2019 was provided as follows:

Minute 60 – Update on actions from the previous meeting:

In relation to proposals to provide delegated powers to PCSOs, the Police and Crime Commissioner (PCC) would circulate a response to the Police and Crime Panel (PCP) as to when this would happen.

Minute 61 – Questions to the Police and Crime Commissioner: Whilst North Wales Police did have specially trained officers in fraud and financial investigation, Councillor Chris Bithell questioned whether the Force was doing enough to tackle this crime.

The PCC advised that the HMIC had recently published a report in relation to this and that there was a need to understand how to improve and provide an appropriate response in North Wales in line with the recommendations within the report. The PCC was also looking at increasing resources in the Victim Help Centre to deal with victims of fraud.

Minute 64 – Precept and Council Tax 2019/20: The PCC advised that the issues relating to the Apprenticeship Levy were being taken up with the HM Treasury; the Chief Constable also informed the PCP that favourable conversations were being undertaken, however no formal response had been received.

77. **QUESTIONS TO THE POLICE AND CRIME COMMISSIONER**

In line with the Protocol for Questions to the Police and Crime Commissioner (PCC), Panel Members had submitted the following questions, which the PCC had responded as follows:

**Question 1 – John Williams**

*The new Policing Educational Qualification Framework (PEQF) entry requirements from 1st January 2020 for Police Constable recruits will be one of the following:*

- *Police Constable Degree Apprenticeship.*
- *Degree holder entry programme.*
- *A pre-join degree in policing.*

*(College of Policing website)*

*The Direct Entry Inspector Programme for North Wales Police opened on the 7th January 2019, and in the eligibility criteria the minimum qualifications are one Level 3 qualification.*

*I believe that a level 3 qualification is the equivalent of one “A” level.*

*A Direct Entry Superintendent is required to have a level 6/7 qualification, viz a degree or higher degree.*

*Given that Police Constables are to be required to be trained to degree level it would appear that the entry level for Direct Entry Inspectors is set too low especially as it is presumed that in the fullness of time, they are likely to become Superintendents.*

*Is the Commissioner satisfied that the entry requirements for Direct Entry Inspector in North Wales Police are set at the required level?*

#### **Answer 1**

*The PEQF for Police Constables will be implemented by North Wales Police (NWP) in 2020 with the Police Constable Apprenticeship and Degree Holder Entry routes.*

*The PEQF for Sergeant to Chief Officer rank has been reviewed and revised by the College of Policing in 2018 and currently remains under consultation with National Police Chiefs Council (NPCC) and other stakeholders. The timeframe for implementation of higher level PEQF has been deferred until NPCC have considered the revised proposals.*

*To provide context for the Direct Entry scheme, the eligibility requirements for the Direct Entry Inspector scheme was reviewed in 2018 by the College of Policing in light of previous campaigns that harvested low number of applicants from under represented groups, specifically BAME.*

*The guidance from the College of Policing for the 2019 Direct Entry Inspector campaign was issued as follows;*

*“Last year’s process had a national requirement for Direct Entry applicants to hold a degree or level 7 qualification prior to application. This has been removed following a review of the process. Forces may apply their own standards (which could still include degree if desired) but must meet police regulations concerning general appointment as a police officer”.*

*To ensure parity with the guidance and with other Forces, NWP applied the general eligibility requirements for a police officer, that is a minimum level 3 qualification and all other regulatory requirements for entry into the Police Service.*

*All Direct Entry Inspectors who successfully graduated from the College of Policing Direct Entry programme will have achieved a level 7 Leadership in Policing qualification, thus will align to the proposed PEQF requirements for Inspector rank.*

*The current NWP internal promotion process aligns with the National Police Promotions Framework (NPPF) and does not currently require any qualification to enter into the promoted process. During the promotion process NWP Sergeants achieve a level 4 Certificate in Management and Leadership and Inspectors achieve a level 5 Certificate in Management and Leadership – awarded by the Chartered Management Institute (CMI).*

*We are currently scoping Senior Leadership Programmes with University of Central Lancaster, Liverpool John Moores University and Bangor*

*University, to identify leadership development programmes that will align with the future PEQF requirements.*

The Chief Constable also provided an overview to the PCP of the three entry routes for the new qualifications framework, which North Wales Police would need to implement from June 2020.

#### *Question 2 – Councillors Chris Bithell/Dylan Rees*

*‘Andrew Gilligan in the Sunday Times on the 5th May, 2019, wrote an article under the headline “Police let suspects go free to avoid 60 mile drive to cells.” This it is claimed may help to explain why the number of arrests have halved at a time when crime has risen.*

*Whilst concerns were raised about the impact of the reduced number of custody suites and cells nationally, two particular forces were highlighted in the article, namely Northumberland and North Wales.*

*The gist of the article was that police officers are letting offenders go free because of the distances involved in taking them to the remaining custody suites which in the case of North Wales have been reduced to three - Caernarfon, St Asaph and Wrexham (now Llay).*

*Che Donald Vice Chair of the Police Federation was quoted as saying “This has become a particular problem in some areas, especially rural areas, where officers may be forced to drive for long distances to take offenders into custody. This can take the Officer off the streets for a considerable period of time and in the case of drink drivers, it may mean offenders ultimately escaping conviction entirely”.*

*The article quotes the position of places like Tywyn which is 64 miles away from Caernarfon with Wrexham being a similar distance away. It also quotes Mark Jones ,General Secretary of the North Wales branch of the Police Federation, who says” It is a huge consideration for an officer when they are weighing up in their mind whether to arrest someone or not. It could be that someone warrants arrest but due to the distance they have to go (to a custody suite) officers are having to reconsider.”*

*I find this article very disturbing and I am reminded of my grave concerns which I raised at the time when I was a member of the North Wales Police Authority when the proposal to close down the Mold custody suite was discussed and taken. I was concerned that officers would be taken away from their area for at least an hour and a half to two hours in order to convey offenders to Wrexham and present them and the details at the custody suite. Given the few officers on duty, especially at night, and the large areas they were covering it would mean virtually no cover at all whilst they were off the scene. That had to be a major consideration for the officers themselves in making a decision. I was concerned then when we had more officers locally and nationally to fight crime, how much more is this a major concern now? Again I was concerned as a Mold member about a round of 22 miles or thereabouts to and from Wrexham. I can well sympathise with the concerns of those living in Tywyn which would require a round trip of of 128 miles along some pretty challenging roads in all sorts of conditions particularly during the winter months.*

*I would request that you investigate this matter of concern and report back to the Panel on your findings.'*

## **Answer 2**

See attached Appendix to the minutes for the PCC's response.

Councillors Chris Bithell and Dylan Rees welcomed the detailed response from the Chief Constable in his presentations and acknowledged the safety and financial reasons.

However, Councillor Bithell made reference to the distances involved to take an offender into custody and the impact on Police Officers.

The PCC advised that as a consequence of the closure, there had been an increase in staff and that only three towns were affected by the closure. The PCP was also informed of discussions with Dyfed Powys in relation to the use of Aberystwyth Custody Suite.

## **78. LIST OF DECISIONS TAKEN BY THE POLICE AND CRIME COMMISSIONER**

Members were presented with a list of decisions taken by the Police and Crime Commissioner (PCC) from 10 November 2018 to 17 May 2019.

In relation to the decision to award funding to Dangerpoint, the Chair questioned how many children attended the facility and whether it could be moved around North Wales to make it more accessible.

The PCP was advised that quite a few schools attended the facility and as the Chief Constable was on the Board of Dangerpoint he would discuss this matter further.

It was suggested that the PCP could write to the Board asking whether a roadshow type event could be devised to promote the dangers of knife crime.

### **RESOLVED-**

**That the information be noted.**

## **79. FEEDBACK FROM MEMBER CHAMPIONS**

The Police and Crime Panel (PCP) received feedback from Member Champions as follows:

### Domestic Abuse Champion

Councillor Chris Bithell acknowledged the reduction in repeat offenders within 12 months of 30.8% (as detailed within the Police and Crime Commissioner's (PCC) periodic update), however Councillor Bithell questioned why the number of repeat victims within 12 months showed an increase of 7.7%.

The Chief Constable suggested that there could be some correlation between the number of Domestic Violence Protections Notices (DVPN), which had seen a 16.6% increase and the decrease in repeat offenders. The PCP was advised that some research was being undertaken in relation to this and the PCC would report back accordingly.

Councillor Bithell acknowledged that the use of Body Worn Video had gathered a lot of early evidence, which could be used for prosecutions, when the victim has withdrawn support.

At a recent meeting Councillor Bithell had also questioned whether Domestic Abuse Cases were being investigated in a timely manner and raised some anecdotal concerns with the Office of the Police and Crime Commissioner, which were referred to within the Police and Crime Commissioner's Periodic Update.

Reference was made to the Domestic Abuse Victim Confidence and Satisfaction surveys and the satisfaction levels of 69.6% for Follow Up and a Panel Member questioned whether this was a resource/training issue; the PCC would follow this up further and report back his findings.

#### Modern Slavery Champion

The Chair advised the PCP that she had recently met with the Scrutiny and Policy Officer (Liz Ward) and discussed the National Referral Mechanism (NRM) and the timescales for those people who have progressed through the NRM process.

The PCC made reference to the NRM process within his periodic update and advised that the support/protection offered should be extended to at least 60 days or longer. The PCC also advised that he was to undertake a piece of work that would allow him to review the detail about specific cases, in order to understand whether processes for dealing with victims of modern slavery were effective in both the short and long term.

The Chair highlighted the importance of a multi-agency approach to tackling modern day slavery and the PCC advised Members of a conference for the Hospitality Industry and suggested that perhaps Local Authorities could contribute £300 each to facilitate the conference.

In relation to Child Sexual Exploitation, the Chair also raised the issue of the return home interview service (which used to be provided by Barnardo's) stating that Flintshire and Wrexham Councils were providing a return home interview service and that Conwy, Denbighshire and Gwynedd Councils were not. The Chair asked that Members to go back to their appropriate Councils and ask Officers why they were not providing this service.

In response, the PCC provided some context around the matter stating the previous Chief Executive of Denbighshire County Council had tried to get all 6 Local Authorities to fund the service, but was not successful and that Local Authorities were 'doing nothing'.

However, the PCC informed Members that he was meeting with Jane Hutt AM shortly to look at a national/regional solution to this.

80. **PERIODIC UPDATE BY THE NORTH WALES POLICE AND CRIME COMMISSIONER**

Members were presented with the Police and Crime Commissioner (PCC) periodic update from 1 November 2018 to 1 May 2019.

The report provided details of performance against the 2017-2020 Police and Crime Plan and provided the Police and Crime Panel (PCP) with the information, which the PCP reasonably requires of the PCC for carrying out its functions.

Whilst the majority of issues had been dealt with in the minutes above, the PCC highlighted the following to the PCP:

- Priority 1 – Domestic Abuse
  - As at March 2018, 81.3% of Domestic Abuse court cases were successful compared to 77.3% the previous year to date.
- Priority 2 – Modern Slavery
  - The PCC had concerns about the proposed changes to the Independent Child Trafficking Advocates (ICTA) pilot scheme introduced by the Home Office and Welsh Government; the PCC was awaiting the evaluation of the project with the changed model of support and would make representation on this in the future.
- Priority 3 – Sexual Abuse
  - The latest data set for the 12 months to January 2019 showed that amongst the 43 police forces, North Wales was the 10<sup>th</sup> highest in relation to reported rape offences. The PCC felt it was probable that it was a case of better reporting, rather than an increase in incidents of rape.
  - The latest data set for the 12 months to September 2018 showed that amongst the 43 police forces, North Wales Police was the 3<sup>rd</sup> highest in relation to positive outcomes rape offences.
  - Since 1 April 2019 there had been 34 referrals to North Wales Police's Paedophile and Online Investigation Team (POLIT); one victim had been identified from the referrals, with 75 individuals having being safeguarded.
- Core Policing Issues – Knife Crime
  - There were six homicides recorded between December 2017 and December 2018, with two of these offences involving a knife.

The PCP thanked the PCC for his informative update and raised the following issues:

- Support for staff dealing with CSE

- The Chief Constable informed the PCP that all staff had a mandatory referral to counselling sessions and there was a significant wrap around support service for staff.
- The use of volunteers to work with offenders
- Tackling gang culture
- The use of stop and search as a deterrent to carry weapons
  - The Chief Constable advised that this deterrent was probably underused and it was likely to be a confidence issue and that a change in culture was required.
  - A fully warranted Officer could carry out a stop and search, however the PCC would clarify if these powers would be delegated to PCSOs.

**RESOLVED-**

**That the Police and Crime Commissioner's periodic update be noted.**

**81. FINANCE REPORT - OUTTURN 2018/19**

The Police and Crime Panel (PCP) was presented with the Financial Outturn for 2018/19.

The net budget of £146.467m was approved by the PCP on 22 January 2018, with the overall position at the end of March 2019 resulting in an underspend of £0.689m; the details of the variances were detailed within the report.

**RESOLVED-**

**That the report be noted.**

**82. MEMBER EXPENSES AND ALLOWANCES 2018/19**

The Lead Officer and Legal Advisor to the Police and Crime Panel presented a report on the North Wales Police and Crime Panel (PCP) expenses for 2018/19, which included administration costs, translation costs and individual Panel Member claims for expenses and allowances, as required by the Home Office Agreement.

The Home Office provides the Host Authority with a grant allocation of £70,975 for the maintenance of the PCP. PCP expenditure in 2017/18 was in the region of £82k and any overspend, was absorbed by the Host Authority, in this case it was officer time. The PCP and Officers had been keen to reduce this overspend and had successfully managed to reduce expenditure further in 2018/19 to circa £73k.

At the time of writing the report, the PCP had not received its grant allocation for 2019/20, however if the allocation was at the same level as 2018/19 and if the PCP agreed to dispense with the March meeting, then Officers were hopeful that the Host Authority would not have to absorb any overspend at the levels seen in previous years.

It was agreed that if there was no statutory business that the March meeting could be cancelled. **Page 16**

**RESOLVED-**

**(a) That the Police and Crime Panel's administration costs, translation costs and individual Panel Member claims for expenses and allowances be noted and published as required.**

**(b) That the March meeting be cancelled if there is no statutory business.**

83. **REVIEW OF MEMBERSHIP MARCH 2019**

The Lead Officer and Legal Advisor presented a report following a review of the membership of the Police and Crime Panel (PCP).

As Host Authority, Conwy County Borough Council (CCBC) had a requirement to review the membership of the PCP on an annual basis and implement any necessary changes.

As a result of changes in political balance in North Wales, the political makeup of the PCP had changed. Therefore, after applying the Host Authority's political balance procedures, the following changes have been made:

- CCBC entitlement
  - Before review: 2 Independents
  - After review: 1 Independent and 1 Conservative
- Flintshire County Council entitlement
  - Before review: 1 Labour and 1 Liberal Democrat
  - After review: 1 Labour and 1 Independent.

Therefore, the PCP welcomed Councillor Greg Robbins (who had replaced Councillor Julie Fallon) and Councillor Arnold Woolley (who had replaced Councillor Neville Phillips).

Due to the changes, the PCP now had to appoint a new Delivering Safer Neighbourhoods Champion.

It was proposed and seconded that Councillor Hugh Irving be appointed to this position.

**RESOLVED-**

**(a) That the changes to the membership of the Police and Crime Panel be noted.**

**(b) That Councillor Hugh Irving to be appointed as the Delivering Safer Neighbourhoods Champion.**

84. **TO CONSIDER THE FORWARD WORK PROGRAMME FOR THE NORTH WALES POLICE AND CRIME PANEL**

Members were presented with the Forward Work Programme for the North Wales Police and Crime Panel.

The Chief Executive of the Office of the Police and Crime Commissioner requested the following amendments:

- That the Annual Report be presented to the December meeting (rather than the September meeting)
- That the PCP receives a presentation from Leaders Unlocked on developing a North Wales Youth Commission – December 2019

The Lead Officer and Legal Advisor raised the new Complaints Regime as a future topic and whether a report or presentation could be submitted to the PCP advising of the changes. In response, the Chief Executive advised that he was hopeful that an update could be provided in December 2019.

**RESOLVED-**

**That the Forward Work Programme for the Police and Crime Panel be approved, subject to the amendments above.**

85. **TO CONFIRM THE MEETING SCHEDULE FOR 2019/20**

**RESOLVED-**

**That the meeting schedule for 2019/20 be approved as follows:**

- **Monday, 17/06/19 @ 2.00 pm**
- **Monday, 30/09/19 @ 2.00 pm**
- **Monday, 09/12/19 @ 2.00 pm**
- **Monday, 27/01/20 @ 2.00 pm (precept meeting)**
- **Tuesday, 04/02/20 @ 10.00 am (in case of veto of the precept)**
- **Monday, 23/03/20 @ 2.00 pm (only if there is statutory business to be considered)**

(The meeting ended at 4.15 pm)

## AGENDA ITEM 7c

	<p><b>POLICE AND CRIME PANEL</b></p> <p><b>30 September 2019</b></p> <p><b>DECISIONS</b></p> <p><b>Report of the Chief Executive</b></p>
---	--

### **1. INTRODUCTION**

- 1.1 The Police and Crime Commissioner (“the Commissioner”) is responsible for making a number of decisions throughout the year. These can include issues such as the budget and precept, appointments, policing priorities and legal transactions.

### **2. HOW ARE DECISIONS MADE**

**5. DECISIONS LOG**

5.1 The table below sets out the key decisions made from 18 May 2019 to 9 September 2019.

Date	Title and Links to the full decision	Summary
23/05/2019	Movement in Reserves	<p>The Commissioner holds all of the usable reserves for the policing service. He must decide each year how these reserves are to be utilised. Reserves are a non-recurring source of funds, and should therefore not be used to fund recurring revenue expenditure. The Commissioner, taking into account advice from his Chief Finance Officer, decided to allocate the reserves as per the schedule below.</p> <p>It is a legal requirement for the Commissioner to hold reserves, and the usable reserves must not become “overdrawn”.</p> <p>As reserves are a non-recurring source of funds, they are used to: meet budgetary risks, facilitate change programmes, help fund the PFI contract, and for capital investment.</p>

13/06/2019	National Anti-trafficking and Modern Slavery Network	<p>All Police and Crime Commissioners have been asked to contribute to the National Anti-Trafficking and Modern Slavery Network, to provide financial support for the Modern Slavery Helpline. Each police force area has been asked to contribute £10,000.</p> <p>Given that North Wales is a small force, representing a little over 1% of the UK population, the Police and Crime Commissioner has decided to contribute £2,500, to be funded from the Crime and Disorder Fund.</p> <p>Modern Slavery is one of the Commissioner's policing priorities and providing funding to this Helpline will assist in addressing this.</p>
03/07/2019	Firearms Range	<p>North Wales Police's Firearms Range has not had any significant improvements since it opened in 1999. As well as previously agreed works to de-conflict the site(costing £62,650) it is proposed to spend an additional £390,900 to make improvements, which will enable North Wales Police to continue and extend the provision of training facilities for other police forces in England and Wales.</p> <p>The project is to be funded from capital resources. It is anticipated that additional annual income of approximately £30,000 can be achieved as a result of improving this facility.</p> <p>It should be noted also that some of the facilities at the firing range are nearing the ends of their operational lives, and would need to be replaced within the next few years in order to continue training at this site.</p>
03/07/2019	Digital mapping	<p>The current digital mapping system will no longer be supported after July 2019.</p> <p>Servers already owned will be repurposed to accommodate a new digital mapping system. The cost is estimated to be £78,420.20 in year one, with ongoing revenue costs of £5,299 per annum.</p> <p>Digital mapping is integral to policing operations, as it is used for so many purposes: everything from the control room being able to provide accurate address locations, to understanding demand, which feeds into</p>

		<p>resource planning.</p> <p>The potential cost of this has been mitigated by using servers we already own, rather than needing to purchase digital storage capacity.</p> <p>Funding has been provided from the Capital Fund.</p>
03/07/2019	Youth Project	<p>The Commissioner has established a Youth Commission for young people in North Wales aged between 14 and 25.</p> <p>The services of Leaders Unlocked, who are a not-for-profit social enterprise with Council for Wales of Voluntary Services will deliver a youth participation, engagement and consultation project to set up a Youth Commission in North Wales.</p> <p>This is a nine month project, the purpose of which is to engage and train a core group of young people who will then carry out peer to peer engagement with around 1,500 people across North Wales. The project will be carried out in the medium of Welsh and English.</p>
03/07/2019	Theatre Company Arad Goch	<p>The Commissioner has approved a contribution of £3,000 to Theatre Company Arad Goch.</p> <p>This will support the pilot delivery of the Hudo/Tempted production to 4 secondary schools across North Wales.</p> <p>The production focuses on Child Sexual Exploitation and supports the delivery of the Commissioner's priorities.</p> <p>The pilot will be evaluated before any further funding is committed.</p> <p>The funding has been provided from the Commissioner's office budget.</p>
16/07/2019	Brake, The Road Safety Charity	<p>The Commissioner has approved a contribution of £2,500 to Brake, The Road Safety Charity.</p> <p>This will support the Charity in providing specialist support services for road crash victims in North Wales. This service is used regularly by North Wales Police who provide positive feedback and place great value on the services offered by Brake.</p>

		<p>Road crash bereavement packs are produced and distributed to Family Liaison Officers to support victims of road crashes. Support, awareness training and guidance to Family Liaison Officers is also offered by Brake.</p> <p>The funding has been provided from the Commissioner's office budget.</p>
07/08/2019	Letters underwriting APCC staff pension fund bond guarantee	<p>The Underwriting of the Association of Police and Crime Commissioners (APCC) staff pension fund bond guarantee.</p> <p>In consultation with the Chief Finance Officer the Commissioner; and all PCCs in England and Wales, have approved the underwriting of APCC staff pensions fund bond guarantee.</p> <p>The background to this matter is that the Merseyside Pension Fund have recently required the APCC to provide a bond, to cover the unlikely eventuality that the APCC will leave the Merseyside Pension Fund and, at that point, will need to make a contribution to Merseyside to cover future staff pension costs. The amount held on reserve is around £917,000 which is disproportionate to an organisation of the size of APCC. The APCC Board has been working closely with Merseyside Pension Fund and with Police and Crime Commissioners Treasurers' Society (PACCTS) to identify the best way to address this.</p> <p>The matter has been discussed with Police Treasurers and they are content with the approach.</p>

**Update for the Police and Crime Panel**  
**30<sup>th</sup> September 2019**  
*Arfon Jones, Police and Crime Commissioner, North Wales*

## **Introduction**

This is my report to the Panel for the period from 1<sup>st</sup> May 2019 to 1<sup>st</sup> August 2019.

This report deals with performance against the 2017-2021 Police and Crime Plan. The report is not concerned with the specific statutory reporting requirements. It is concerned primarily with the Panel's broader function under section 28 (6) of the Police Reform and Social Responsibility Act 2011 (the Act) to review or scrutinise decisions made or other actions taken by the Police and Crime Commissioner (the Commissioner) for North Wales and to make reports and recommendations to me as Commissioner in that regard. Also, pursuant to section 13 (1) of the Act, it provides the Panel with the information which the Panel reasonably requires of the Commissioner for carrying out its functions (the specific requests).

## **Section One: My scrutiny of North Wales Police**

Panel members will be aware that in 2017-2021 I have decided to prioritise those areas identified as the main areas of threat, risk and harm. Namely:

- **Domestic Abuse**
- **Modern Slavery**
- **Sexual Abuse (including Child Sexual Exploitation)**
- **Organised Crime**

In addition to these priorities, a visible and accessible police service continues to be of importance to the public. The Plan reflects what the public and the Police and Crime Panel have told me and **Delivering Safer Neighbourhoods** remains a priority for me.

I reviewed my Plan in March 2019 and whilst the above priorities remained, I also introduced an overarching priority of **reducing the criminal exploitation of vulnerable people**.

Accordingly I scrutinise North Wales Police by measuring its performance against these five priorities. The principal medium through which I carry out that scrutiny function continues to be the Strategic Executive Board (SEB) which I Chair and on which the Chief Constable and his senior officers sit. A performance report is presented by the Force at each SEB meeting which sets out the current position and challenges in respect of each priority.

Whilst I monitor the Force's performance against these five priorities at my SEB meetings, it is of course a requirement that other aspects of policing continue to be delivered effectively and efficiently. In that respect, some information regarding core policing is also scrutinised at SEB.

### **Priority 1: Domestic Abuse**

**Repeat Victims within 12 months** – YTD Week 14 shows an increase of 2.3%, and the number of repeat Victims is stable over time.

**Repeat Offenders within 12 months** – Year to date there has been a reduction of 9.2% in repeat offenders. Offenders remain predominantly in the 25-34 years age group.

**Domestic Abuse Victim Confidence and Satisfaction** – Between 28<sup>th</sup> November 2018 and the end of May 2019 254 DA victim surveys were carried out. Satisfaction rates for domestic victims are encouragingly high including for high risk victims. Results show satisfaction levels at 91.2% for Contact; 90.0% for Action Taken; 96.1% for DAO Support; 70.3% for Follow Up and 86.6% for Whole Experience.

A Panel Member questioned at the last meeting why Follow Up Satisfaction in respect of DV cases was low and asked whether this was a resource/training issue; We are still looking into this issue and discussed the matter with the Force at the most recent Strategic Executive Board. We have suggested that the Victim Help Centre and the IDVAs could possibly assist with this issue and address the dissatisfaction.

**Domestic Violence Protection Notices** – As at Week 14 there had been a 15.0% decrease on DA occurrences where at least one DVPN has been issued. DVPN usage and application is still very strong in North Wales, we are seeing considerable applications made to the courts which are being supported. Academic research is currently being carried out to examine the effectiveness and impact of the use of DVPN. This research has been discussed with and is supported by the College of Policing.

During the last Panel meeting Cllr Chris Bithell questioned why the number of repeat victims within 12 months showed an increase and the Chief Constable suggested that there could be some correlation between the number of repeat victims and the use of DVPNs. The correlation between repeat victimisation and the use of DVPNs will be explored in the research referred to above

As at Week 14, evidential footage from **Body Worn Video** was obtained in 3.4% of DA occurrences. This rises to 16.5% where a DVPN has been issued.

Work is still ongoing to establish a SEEDS (Survivors Empowering and Educating Services) group that will utilise the experience of victims/survivors of DA in improving policy, training and working practices.

Domestic Abuse Officers (DAOs) from all three areas have been booked on to the ‘Mankind Initiative’ training, which has been funded by the Home Office. This training has also been extended to all Independent Domestic Violence Advisors.

It was recently identified at the North Wales Violence Against Women, Domestic Abuse, and Sexual Violence Board, which is chaired by my Chief Executive, that specialist Domestic Abuse Officer training is lacking in the region and plans are currently underway to design a specific training input for DAOs. This work is ongoing.

In addition to the DAO specialist training, domestic abuse training for all front line staff is currently going through procurement. I have been pushing the Force to move swiftly with the introduction of the “Domestic Abuse Matters” training (the College of Policing’s Domestic Abuse training pack) and am asking for frequent updates regarding the procurement process. In light of the IOPC report into

the Force's dealings with Ms Laura Stuart prior to her murder, and accompanying recommendations, it's imperative that this training includes the most up to date training regarding 'coercive and controlling behaviour' and stalking and harassment.

North Wales Police's Protecting Vulnerable People Unit (PVPV) are piloting a new initiative called Agencies Domestic Abuse Perpetrator Tasking (ADAPT) in the Central area which will be live at the end of September.

The ADAPT pilot will work with repeat perpetrators of Domestic Abuse in order to enrol them with partnership agency support to reduce the risk they pose to victims. This is a very similar approach to the MARAC process which works with victims.

The aims of the pilot are to

- protect victims and their children;
- identifying assessment needs in relation to the perpetrator;
- identifying any proposed increased risk of harm to others;
- identifying any proposed risk of further offending by the perpetrator;
- to support, prevent and detect crime and the apprehension and prosecution of offenders.

The ADAPT multi-agency conference meetings will take place every 4 weeks. The team will be based within PVPV St Asaph and will be using analytical data from police information to identify perpetrators to enrol.

In respect of every crime where a victim has been identified it is mandatory to undertake an assessment of their vulnerability. The options for undergoing and recording that assessment are by using either a CID 16 or the Vulnerability Assessment Template. A CID 16 should only be submitted to the Force's Central Referral Unit in respect of those where the perceived risk is high. The definition of high risk was changed a few months ago in direct response to a HMIC recommendation and this has led to a significant increase in referrals to IDVAs and to MARAC. The volume of cases referred to MARAC is part of the current MARAC review. The MARAC Review is supported by the Regional VAWDASV team.

I recently asked PVPV how do they ensure that appropriate bail conditions are applied in DV cases and that suspects aren't Released Under Investigation without any conditions attached. I have been assured that DA cases are monitored monthly in terms of numbers going through custody and the application of conditional bail to ensure that these numbers are improving.

I was told at my July Strategic Executive Board meeting that the proportion of Domestic Abuse related arrests resulting in conditional bail disposals has seen a continuing increasing trend. As at Week 14 16.2% of domestic abuse related attendance at custody resulted in a conditional bail being issued.

A member of my team sits on an Investigation Standards Task and Finish Group (chaired monthly by the ACC) where the quality of those conditions is monitored.

**The North Wales Violence Against Women, Domestic Abuse and Sexual Violence Board (The VAWDASV Board):**

Members of the Panel will recall that my Office is the banker for the Welsh Government's VAWDASV grant and we have, via the North Wales VAWDASV Board, amalgamated this grant with our own

VAWDASV monies, in order to commission services in a more streamlined way during 2018/19. During 2018/19 the services delivered in the region, utilising the OPCC and VAWDASV (Welsh Government) grant, were:

- A Regional VAWDASV Team, made up of Regional Advisor, two Development Officers and a Business Support Officer.
- Full IDVA provision within all six local authorities.
- ISVA provision to cover all six local authorities, based at the SARC. The ISVAs are employed directly by the SARC.
- Choose2Change (perpetrator programme) in Wrexham and Flintshire.
- Caring Dads (Family Support programme) in Conwy and Denbighshire and Gwynedd and Anglesey.

**Priority 2: Modern Slavery**

Victims: Of the victims safeguarded over the last 12 months 51 (71%) of reported offences have been in relation to domestic servitude, 6 (8%) to facilitate travel and 15 (21%) forced labour. The overwhelming majority of victims are white British, and the majority of victims are under 20 years old.

MDS Offences types reported over last 12 months

Intelligence submissions over last 12 months

The above graph demonstrates that Modern Day Slavery Intelligence has seen an uplift in recent months.

## **Protect**

Op Blue Steel was conducted recently in the Deeside area. This operation involved conducting searches in public areas where information indicates that controlled drug related activity is taking place. Local and regional trends indicate that those involved in County Lines drug related activity will conceal weapons in public areas to protect themselves and to minimise the chance of being caught by police with weapons, while still having them close at hand for protection should they think they need them. These searches are intended to locate and seize such weapons.

Modern Slavery staff took part in a professional development day at Ysbyty Gwynedd for seventy health visitors and school nurses. This involved presentations followed by question and answer sessions. The topics covered included:-

- The global picture
- Modern Slavery Act
- Forms of Slavery
- Smuggling/Trafficking
- MS indicators
- Risk factors
- Barriers to disclosure
- National Referral Mechanism
- Safety online

## **Prepare**

Twenty officers have now attended the Police Transformation Unit Specialist Investigators Course. This is a significant increase from the number of trained officers in January 2018 which was three. Four more places have been obtained on additional courses during the remainder of 2019.

All Roads Policing Officers and Armed Alliance officers are due to attend MDS awareness sessions, with the intention of increasing their knowledge around Modern Slavery should they come into contact with vehicles on the main arterial roads being used to traffic victims to, from or through North Wales.

Work continues to improve the scope of the reception centre provision for MS victims within North Wales. North Wales Police is temporarily using a Salvation Army building for this purpose. The Modern Slavery Team is currently scoping more permanent solutions with the local authorities.

## **Prevent**

My Office has been successful in securing small grant funding through the Modern Slavery Transformation Fund. My team intends to use the funding to hold a Modern Slavery conference in December 2019 which will aim to raise awareness of modern slavery within workplaces and key business areas within the private sector of North Wales. The intention of this awareness raising is to minimise the opportunity for exploiters to find employment for victims in North Wales. The conference will be jointly arranged by members of the North Wales Regional Modern Slavery Group. Each of the 6 local authorities and other criminal justice partners have agreed to fund a nominal amount towards the conference.

## Pursue

In line with the recommendations from a recent review, all Modern Slavery investigations are overseen by a dedicated Detective Inspector. The aim of this is to quality assure investigations and to ensure all investigative opportunities are pursued.

Certain business sectors are far more likely to be exposed to modern slavery. The tourism industry (hotels etc), construction, agriculture, employment agencies etc are all areas of private industry that court short term working and are more likely to come into contact with aspects of modern slavery, either directly or indirectly. Through our work with partners in recent years, it has become evident that although these businesses are vulnerable to modern slavery, there is little knowledge and understanding of the issue and what it looks like in their areas of trade.

Two years ago the PCC hosted a conference for public sector workers to raise awareness of the legal and moral duties of the public sector. This conference aims the message at the private sector to educate and inform how modern slavery can emerge in business models, how to spot the signs and most importantly what to do to protect potential victims.

A working group of key partners including the North Wales Police Modern Slavery Unit will carry out the work to put this event on.

### Priority 3: Sexual Abuse (including Child Sexual Exploitation CSE)

Rape offences reported per 1000 of Population 12 Months to April 2019:

All Forces in England & Wales (excludes city of London) current 12 months recorded crime

The latest data set for the twelve months to April 2019 shows that amongst forty two police forces, North Wales Police remain the 10th highest in relation to reported rape offences and 11<sup>th</sup> highest in relation to positive outcomes for rape offences, second in our most similar group. However, the Rape Conviction Rate for North Wales remains slightly below the national average at 57.7% (Nat Av. 63.5%). I have asked the Force to explain the discrepancy between the positive outcomes data and the conviction rate.

The Sexual offences conviction rate is above the national average at 85% (Nat Av. 82.2%).

There has been an increase in NFA (No Further Action) cases. A Rape and Serious Sexual Offences Meeting has been arranged with CPS to review and understand this increase.

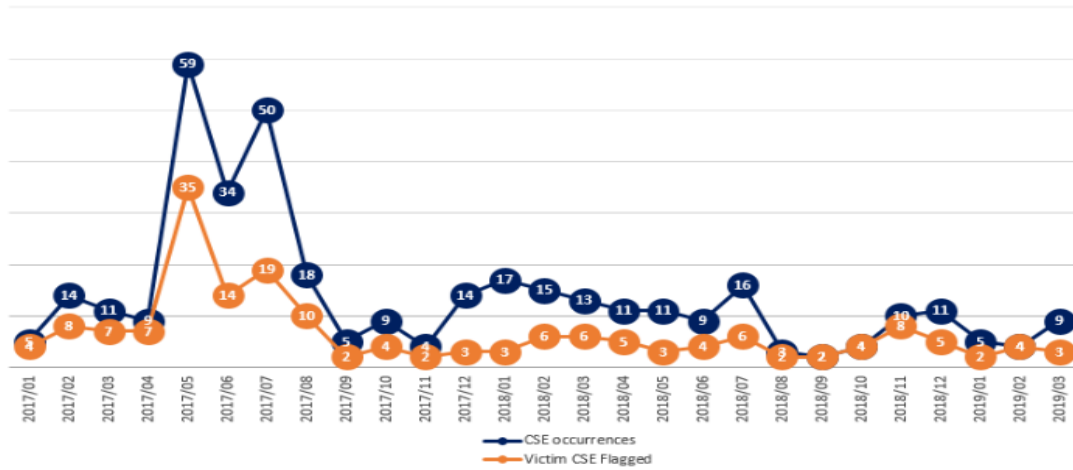

The Sexual Violence Strategic Group continues to meet and reports to the VAWDASV Board. Work is ongoing as to how to approach colleges and universities to build the confidence of those from BAME communities to report incidents of rape and serious sexual offences.

Over the last four years we have seen a 123% in reported rapes. However staff within the specialist rape team has only growing by four. I have asked the Force to explain how, if at all, this increase in figures has impacted on the staff. In 18/19 each officer in Amethyst were dealing with 11 crimes per officer at any one time.

**CSE:**

I am informed by the Force that the of CSE occurrences has reduced year on year largely due to the elevated levels seen in the first half of 2017/18. CSE related intelligence is on a stable trend, with December 2018 levels being unusually low. Current figures for June 2019 show 78 submissions.

### Child sexual exploitation occurrences reported

### Monthly CSE intelligence submissions

Multiagency ACSEP (Advanced CSE Practitioners) training has now been delivered by PACE (Parents Against Child Exploitation) to staff from North Wales Police, Conwy and Anglesey Local Authority. The training covered both Child Sexual Exploitation and Child Criminal Exploitation. I am assured that the joint training should ensure more joined up working and a better shared understanding of child exploitation.

The completion of return home interviews continues to be inconsistent across the six Local Authority areas with children in some Local authorities not receiving return home interviews following missing episodes even when they are open to social services. Completion rate for LA's for the first quarter of 2019 is approximately 16%. However I am confident that we're moving towards agreeing a regional Return Home policy via the Safeguarding Adults Board, and that this move will help improve the current position.

I have had several meetings with the National Youth Advocacy Service who have researched the benefits of return home interviews and will soon be establishing an All Wales Steering Group around Return Home interviews. I will be represented on this group with the first meeting taking place at the end of September.

North Wales Police’s CSE Unit is linking in with national fast food outlets to raise awareness of CSE and general safeguarding for missing children.

**Online CSE:**

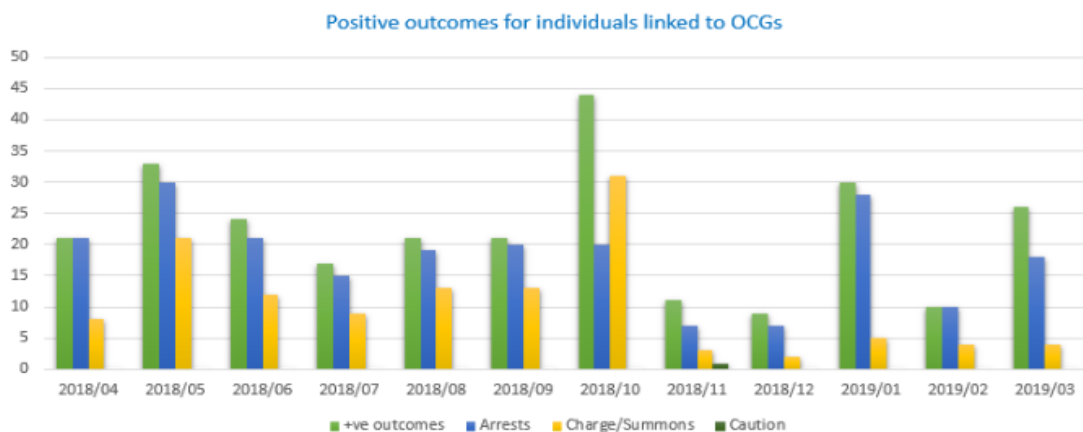

Since 1st April 2019 there have been 34 referrals to POLIT (the Paedophile Online Investigation Team):

Key points for the last quarter:

- 32 Warrants have resulted in 19 suspects being arrested, 3 of whom are repeat offenders;
- One victim was identified from the 109 referrals (in 18/19) to POLIT, however 29 individuals were safeguarded;
- Since 1<sup>st</sup> April 19 NWP have disseminated 7 Intelligence packages to other Law Enforcement Agencies where potential offenders have been identified as a result of NWP investigations;

**Priority 4: Organised Crime**

There are currently 29 active Organised Crime Groups (OCGs) which are mapped and managed by NWP. There are currently 28 County Lines impacting on North Wales with heroin and crack cocaine continuing to be the main commodities. Merseyside are predominantly the exporting region.

A number of OCG nominals have recently been convicted at court and given lengthy prison sentences.

**Operation Loot** - A group of four subjects involved in the conspiracy to supply Class A drugs were sentenced to a total of just over 15 years.

**Operation Bardot** - A principal member and other significant key members of an OCG supplying drugs were sentenced to 10 years, 4 months, and 56 months respectively. Seizures included £600,000 of drugs and 5 shotguns.

**Early Intervention Youth Fund:**

The EIYF aims to tackle serious violence affecting young people in Wales. Funding has been provided to Crimestoppers, St Giles' Trust and StreetGames in relation to this Project.

**Crimestoppers** - A 'Fearless' caseworker has built partnerships in North Wales and delivered Fearless sessions to schools, youth clubs and training professionals. Crimestoppers Wales also launched a County Lines film on the 19th June.

**StreetGames** - Across North Wales, StreetGames are supporting 22 Doorstep Sport Clubs (DSC). DSCs are open-access, community sport based interventions which are designed to improve the confidence and motivation of disadvantaged young people, increase the sense of well-being within communities and positively contribute to wider social issues through the design and delivery of their provisions. They have been working with NWP intelligence analysts who have provided ASB hotspot mapping to allow them to cross-reference existing DSCs against areas of high levels of youth crime/ASB. Where DSCs are not in these locations, StreetGames explores with partners how they can develop new provisions. StreetGames will develop 'Sport & Youth Crime' plans across each region and measure impact moving forwards.

**St Giles' Trust** - St Giles' Trust aims to work with 15 young people to support those that are risk of serious violence, county lines and knife crime. The 1:1 work is bespoke and tailored to the needs of the young person.

Three speakers from North Wales including 2 from NWP delivered a workshop on the West Rhyl Young People's Project at the Building Safer Communities Conference in Newport on 2nd July 2019.

### **Community Profiles:**

The Force is currently producing Serious Violence and Organised Crime (SVOC) local profiles annually. The profiles aim to capture the collective issues of each agency contributing toward the wider SVOC threat. Traditionally SVOC is seen as a policing issue but negative drivers leading to SVOC such as poor access to services, persistent absence from schools and substance misuse are partnership issues. This work will be in line with the new Home Office Serious Organised Crime Strategy and Serious Violence Strategy.

### **Priority 5: Delivering Safer Neighbourhoods**

For **Police Understanding Community Issues**, North Wales is 6th nationally with 73.7% for the 12 months to December 2018, up 0.3 pp on the 12 months to September 2018. We rise to 2<sup>nd</sup> in our Most Similar Group and 1st in Wales.

For **Police Responding to Community Issues**, North Wales remain 2nd nationally with 63.1% for the 12 months to December 2018, down 1.1 pp on the 12 months to September 2018. This raises us to 1st in our Most Similar Group and 1st in Wales.

**Confidence** in the police is improving strongly and NWP is amongst the best forces in England and Wales.

North Wales Police set up a Problem Solving Hub in November 2018, consisting of an Inspector and 2 Crime Prevention Co-ordinators, supported by a network of 54 tactical advisors. Since the launch of the Hub on the 30th January 2019 there has been a steady increase in the number and quality of Problem Oriented Policing (POPS) plans. Currently there have been 35 plans submitted to support my delivering Safer Neighbourhoods priority.

One excellent example of the problem solving initiatives being undertaken is the Stand Against Violence Initiative (SAVI) in Rhyl which has strong partnership and community involvement. SAVI will deliver a varied range of services to support and prevent young people from getting involved in crime and disorder and increase the availability of positive activities.

Here are a few of examples of North Wales Police working with its partners over the reporting period to 'deliver safer neighbourhoods':

**Op Labour** – theft of plant machinery in Wrexham rural. Four persons arrested and appeared in court on 17/06/19.

**Op Blue Oak** – Theft of trailers in Wrexham Rural. Two proactive days carried out and two trailers recovered, offences have significantly diminished.

**Op Lawin** - farm theft crime in Wrexham rural, Flintshire rural and Cheshire. Joint operation between Eastern CID and Cheshire constabulary being conducted.

**ASB and Graffiti in Colwyn Bay** - emerging trend across Colwyn bay with pockets of graffiti appearing across the town, with a number of "tags" being used. The local policing team and Conwy Council have utilised a Problem Orientated approach to try and understand why this has developed and who may be responsible. As a result they have utilised the services of a local graffiti artist who is providing expert and local perspective as to why this may be developing.

**Begging, Rhyl Town Centre** - continued partnership work with "Working Denbighshire" has disrupted those begging in the streets. Whilst we still don't fully understand the causes of the begging (since it varies hugely), bespoke intervention and engagement packages have been created to divert these individuals away from this activity. Those who choose not to engage find themselves subject to more traditional enforcement using the Public Spaces Protection Order.

**Op Chowder** - ASB and Crime linked to homeless population in Bangor. The main focus is to provide services to homeless and vulnerable individuals in and around the Bangor area, with the ultimate aim to reduce crime and disorder, and relieve the pressure on a whole host of services through targeted partnership work. It is anticipated that a one stop "Hub" for support services will be functional within 12-18 months.

**Op Clouder** – This initiative builds on our close working relationships with Bangor University and Coleg Menai. The scheme intends to identify volunteers (students) to support the police and local community. A buddy scheme is already in place where students support fellow students on busy nights, ensuring their safe passage home, thus preventing crime, disorder and potentially more

serious offences. The opportunities for this scheme are endless and provide the participants with valuable experience transferable into their chosen future career.

### Core Policing Issues:

As of Week 14 (15<sup>th</sup> July 2019) there had been a 4.6% increase in recorded crime year to date (from 15,912 last year to 16,647 this year). Increases overall continue to be driven by violence without injury. Violence with injury is however showing a 13% reduction.

The **average immediate response time** is 12.3 minutes, which remains stable. This ranges from 8.9 mins in Wrexham Town to 17.8 mins in Gwynedd South.

The number of those **Killed or Seriously Injured on our roads** in North Wales has decreased by 17.5% year to date (down from 57 to 47). There has also been a long term reduction in slight casualties, which sees NWP become the lowest rate nationally. Panel members might recall that there was an escalation in serious casualties in 2018, but this has now returned to average levels.

### Knife Crime:

In total there were 268 offences involving a knife between March 2018 and March 2019, two of these offences were homicides. There were 190 assaults with injury and five robberies (which involved a knife). There was an overall increase of 3% in offences involving a knife, which is a similar increase to the previous year.

### Satisfaction generally

It is important to note that there has been a sizeable reduction in the number of user satisfaction surveys completed for general crime victims since April 2018. In the period July 2017 to June 2018 approximately 1700 surveys were completed compared to approximately 500 in the same period between 2018 and 2019. The reduction in sample size means that the margin of error in the results is wider in the last twelve months of surveys. It also means that the results can really only be used to show a force wide picture as the sample sizes for individual divisions are quite small. The reason for this reduction in user satisfactions surveys was to allow the force to resource the mandatory domestic abuse victim surveys which commenced at the end of 2018.

Below are the satisfaction levels across all service areas for the periods July 2017 – June 2018 and July 2018-June 2019.

### User Satisfaction Surveys (general crime)

Area	2017-18	2018-19	Difference
Ease of Contact	91.0%	88.9%	- 2.1%
Initial Police Actions	73.2%	69.4%	- 3.9%
Follow Up	72.4%	65.2%	- 7.2%
Treatment	90.1%	87.7%	- 2.5%
Whole Experience	79.3%	74.6%	- 4.7%

## Hate Related Incidents

Area	2017-18	2018-19	Difference
Ease of Contact	86.1%	88.7%	+ 2.7%
Initial Police Actions	73.3%	65.6%	- 7.7%
Follow Up	72.1%	69.8%	- 2.3%
Treatment	87.9%	89.7%	+ 1.8%
Whole Experience	78.5%	71.4%	- 7.1%

\* The sample size for Hate Related Incidents is small (approximately 100 surveys per year).

The comments made by dissatisfied users relating to Follow Up for General Crime in the latest twelve months have also been reviewed:

71.1% report concerns around communication – lack of updates, no follow up contact, having to chase for information, not being aware of the outcome, having to deal with multiple people.

11.1% reported being unhappy with the investigation itself – unhappy with the outcome, unhappy with investigative actions.

7.7% reported being unhappy about delays – delay in being seen, delay in the case being allocated to an officer, the length of time the investigation took.

2.6% were unhappy with the attitude of NWP – felt let down, did not feel the case was taken seriously.

2.6% reported issues around inconsistent advice / information being provided by NWP staff.

4.3% gave responses that had no relevance to their own investigation and follow up, generally unhappy with NWP.

The Investigative Standards Task Group and the work which my office is progressing regarding compliance with the Victims Code of Practice will seek to get to the bottom of these issues, in particular in relation to the Follow Up provided to victims.

## Commissioning

During this period the Women's Pathfinder specification was advertised. This service has been expanded to encompass all three custody suites across North Wales (previously this was a pilot project in the St Asaph custody suite only). The contract has been awarded to the North Wales Women's Centre and they will provide support to women referred as a result of the Checkpoint Cymru service which will be launched on the 1<sup>st</sup> October 2019.

Further work has taken place between HMPPS and my office to develop the new specification for the criminal justice integrated services contract. The previous contract was known as the Drug Intervention Programme (DIP). However, since the DIP was introduced there have been many changes and the new specification will meet current needs more effectively. The new contract will be referred to as the *Dechrau Newydd-New Start* project and the contract will be managed by my office. The successful contractor will be required to work alongside the 'Checkpoint Cymru' scheme which will be embedded prior to commencement of the contract. This project will seek to engage substance misuse offenders and support them to reduce offending, improve health and social functioning, engage with multi-agency support and make sustainable lifestyle changes. The overall aim is to provide seamless integrated support to drug and alcohol using offenders which supports my views that the vulnerable should be treated as patients rather than criminals.

We are currently looking for expressions of interests from interested services and the closing date for submission is the 30th September 2019.

Youth Justice Services have once again been commissioned across the six local authorities.

The current provider of the Denbighshire Independent Domestic Violence Advisor Service recently notified us of their intention to terminate their contract with us on the 31st August 2019. We therefore asked for expressions of interests from interested services to provide 2 full time trained

IDVAs to ensure a smooth transition until 31st March 2020. The deadline for submissions from interested parties was the 9th August. The result of this process will be shared with the Panel at the next meeting.

Once again, I will be holding a third sector engagement event this year to inform my consultation on any proposed changes to the Police and Crime Plan. This year's event will take place on 21<sup>st</sup> November at the Conwy Business Centre and invites will be sent out during the next few weeks.

## **Victims**

All services have been commissioned and they are performing according to timescales.

The Ministry of Justice recently announced that PCCs would oversee a new monitoring process, measuring criminal justice partners' compliance with the entitlements in the Victims' Code. Such monitoring will be done via the Local Criminal Justice Board (LCJB), which I Chair. This approach is meant to improve data and transparency on whether victims are receiving their entitlements in the Code and whether criminal justice agencies are meeting their obligations under the Code.

The MOJ has come up with a series of questions to which they expect LCJBs to provide data against. As a result, my office is currently working with our partners to agree a standing data return process, which would enable me to report annually to the Officials' Group of the National Criminal Justice Board on compliance locally.

A representative from my office will be attending a workshop hosted by the MOJ in October which will look specifically at the end of year data return form and Victims' Code Compliance.

## **Recruitment**

Under the Police Reform Act 2002 and Police Reform and Social Responsibility Act 2011 all Police and Crime Commissioners have a statutory duty to establish and maintain an Independent Custody Visiting Scheme.

Currently there are 22 custody visitors in North Wales, who visit 3 designated custody suites; these are Eastern (Llay), Central (St Asaph), and Western (Caernarfon). Visits are only carried out at Mold, Holyhead and Dolgellau when the Custody Suites are in use.

Between April 2018 and March 2019 custody visitors made 132 unannounced visits to custody and spoke to 344 detainees and observed a further 72. No serious issues were reported on their detention.

The annual report for 2018-19 can be seen [here](#).

Feedback that officers and my office receive from these unannounced visits are vital, custody visitors provide reassurance to the public that people held in police custody are safe and their rights are provided.

The Scheme in North Wales work closely with other Schemes in the North West, to encourage networking and to share good practices a conference for all Custody Visitors from the North West and North Wales will be held at Haydock Park on 12<sup>th</sup> October. The speakers are:-

Stephen Hughes, Chief Executive North Wales, Jane Kennedy, Police and Crime Commissioner, Merseyside, Miranda Bevan PhD who will talk about her research into the effect custody has on children and vulnerable detainees, Kirsty Simpson and Kim Ratcliffe will talk about Mental Health Awareness, Benjamin Rychwalski-Lindley will talk about transgender awareness and Gamal Turawa on Unconscious Bias.

### **North Wales Youth Commission**

The North Wales Youth Commission was established in August 2019. Their first meeting was held on 16 August 2019.

25 young people from across North Wales have been recruited to be on the Youth Commission. The young people are between 14 and 25 years old. They have been recruited from across North Wales and are from a wide variety of backgrounds and demographics including rural and urban backgrounds, those with experience of the police and criminal justice system, looked after children, those from an ethnic minority background, disabled young people, those with Welsh as a first language. A great deal of effort was made to ensure that a variety of backgrounds and experiences were present in the young people who make up the Youth Commission.

At the August meeting they discussed what they considered to be priorities in relation to crime and policing in North Wales. The group will meet again to establish questions for a consultation that they will then carry out on other young people. The project aims to capture the views of 1,500 young people from across North Wales.

Members of the Youth Commission will be attending the Police and Crime Panel meeting on Monday 9<sup>th</sup> December 2019 to update the Panel directly about the work they have been carrying out.

### **Participatory Budget and Early Intervention Fund**

I have visited a number of the successful projects which were awarded the funding.

The Early Intervention Fund is now in its second year and all projects are delivering to profile.

### **HMICFRS update**

In July 2019 HMICFRS released the inspection report "the poor relation: the police and CPS response to crimes against older people". My response to the inspection report is attached.

2019.08.29 Priti  
Patel - Older People's

### **Checkpoint**

Anna and Inspector Iwan Jones will give a presentation to the Panel at the meeting on the progress made to date and the next steps ahead of the implementation date of 1<sup>st</sup> October 2019.

## AGENDA ITEM 8b

### Report from the Office of the Police and Crime Commissioner

<b>Title:</b>	<b>Update on the 2019/20 Budget (as at 31 July 2019)</b>
<b>Meeting:</b>	<b>North Wales Police and Crime Panel, 30 September 2019</b>
<b>Author:</b>	<b>Kate Jackson, Chief Finance Officer</b>

#### 1. Introduction

- 1.1 The purpose of this paper is provide members of the panel with:
- confirmation of the completion of the Statement of Accounts for the financial year ended 31 March 2019;
  - an update on the policing budget for North Wales as at 31 July 2019 (month 4).

#### 2. Recommendations

- 2.1 To note the report.

#### 3. Update on the 2018/19 accounts and audit

- 3.1 Following the completion of the audit, the outturn and usable reserves positions remain as reported to Police and Crime Panel on 17 June 2019.
- 3.2 There was one material amendment to the audited accounts, due to the McCloud judgement<sup>1</sup>. This resulted in an increase of £75m in the liability related to the North Wales Police Pension Fund. However, since this liability is underwritten by the Home Office, this change has no impact on the usable reserves or financial position of the Police and Crime Commissioner or Force.
- 3.3 The Auditor General issued an unqualified audit report on the financial statements of both the Commissioner and Chief Constable.
- 3.4 Further information can be found in the [Statement of Accounts](#) and [Auditor's Report](#).

#### 4. 2019/20 Budget Update

- 4.1 The net budget of £154.264m was approved at Police and Crime Panel on 28 January 2019. This includes £0.826m for the OPCC and £1.624m for the Community Safety Fund. Further information can be found on the Police and Crime Commissioner's [website](#).

---

<sup>1</sup> In December 2018, the Court of Appeal ruled against the Government, holding the changes made to pension schemes discriminated against a group of public officers on the grounds of age. The changes surrounded a move from a final salary to a career average basis. On 27 June 2019, the Supreme Court denied the Government's application to appeal the decision. This series of events is referred to as the McCloud judgement.

4.2 The budget included growth of £1.939m, and involved the creation of 40 new posts. Progress to date comprises:

- Planned officer recruitment has been increased from 54 in this financial year to 85, with 18 additional probationers recruited in April 2019 (who will be independent in January 2020). This includes 10 *Detective Now* recruits and three transferees;
- Additional recruitment and training staff have been employed to facilitate the increase in the number of officers recruited;
- Of 10 additional staff posts, eight have been recruited and one is in progress. The remaining post is now aligned to officer growth;
- New Tasers have been received, and an additional 100 officers will be trained to use them by March 2020.

4.2 There have been two announcements which have been made since the budget was set, which have an impact on the current and future years' expenditure:

- The 2019/20 pay award for officer will be 2.5%. Although the staff pay award has not yet been finalised, this is likely to be the same. The additional cost of £0.336m is included in the projections.
- In July, the Prime Minister announced plans to recruit an additional 20,000 police officers across England and Wales. The original announcement stated that this would be funded within existing resources; however, since then it has been indicated that funding will be available going forward. In order to begin making progress with this, an additional 18 officers will be recruited in October 2019, and additional POD (HR) and training resources are being put in place, at a cost of £0.335m in the current financial year.

4.3 Other virements that have been carried out include:

- +£0.225m for 10 Evidence Gatherers
- +£0.342m for planned maintenance
- -£0.127m for Air Support (NPAS)

The Evidence Gatherers are to be recruited in order to progress investigations in the period while we are training additional detectives, both in-house and via the *Detective Now* programme.

A condition survey of the Commissioner's estate showed that works valued at an estimated £1.968m is required over the next 10 years, of which £0.343m is high priority and needs to be carried out this financial year.

The NPAS charge for 2019/20 was confirmed in February 2019, and the budget reduced accordingly. However, this will need to be re-assessed for 2020/21, as the charging mechanism may change.

4.4 There are ongoing issues with forensics contracts, which will likely result in an increase in charges of 30% (compared with the previous estimate of 25%). The

budget is being tightly managed and was underspent last year; however, the headroom was left in the budget to fund this projected increase; the current projection is at budget.

4.5 At the current time, capital charges, contingencies and the community safety fund are projected at budget.

4.6 A summary of the budgets and projections is given below. Any underspend will be transferred to reserves at the end of the financial year; it is proposed to use this to fund the additional officers recruited in October 2019.

As at 31 July, expenditure was £285,948 and the projected outturn was £835,097, which is in line with the budget, but is subject to change.

<b>REPORT TO:</b>	North Wales Police and Crime Panel
<b>DATE:</b>	30 September 2019
<b>CONTACT OFFICERS:</b>	Richard Jarvis – Lead Officer and Legal Advisor to the Police and Crime Panel  Dawn Hughes – Senior Support Officer to the Police and Crime Panel
<b>SUBJECT:</b>	Summary of Complaints Received – September 2018 – September 2019

**1. PURPOSE OF THE REPORT**

1.1 To provide the North Wales Police and Crime Panel (PCP) with a summary of complaints received against the Police and Crime Commissioner (PCC), Mr. Arfon Jones and the Deputy PCC (Ann Griffith).

**2. EXECUTIVE SUMMARY**

2.1 The PCP has received a total of 7 recordable complaints against the PCC and 1 recordable complaint against the Deputy PCC during their term of office.

2.2 Of the 8 complaints received, all complaints are now closed and the outcomes previously reported to the PCP.

2.3 The PCP has received 2 complaints during this reporting period (September 2018 – September 2019), however, the Lead Officer is of the opinion that these are not recordable and are an abuse of the complaints procedures set out in the Regulations.

2.5 Whilst the PCP only has the remit to deal with complaints made against the PCC and DPCC, the PCP has received 10 complaints regarding North Wales Police in this reporting period (September 2018 – September 2019). The complainants have been advised of the correct procedure to follow in respect of their complaints.

### **3. RECOMMENDATION(S)**

- 3.1 That the North Wales Police and Crime Panel notes the report and action taken in relation to the complaints received.

### **4. BACKGROUND INFORMATION**

- 4.1 The North Wales Police and Crime Panel has statutory responsibility as to the handling and determination of certain complaints made against the Police and Crime Commissioner (PCC) and Deputy Police and Crime Commissioner (DPCC).
- 4.2 Following consultation with Panel Members, the PCP revised its Complaints Procedure on 12 April 2018 and delegated the Panel's statutory responsibilities as to the handling of certain complaints made against the PCC and DPCC to a Complaints Sub Committee as permitted by legislation; the membership of the Complaints Sub Committee includes the Chair, Vice Chair and one Elected Member of the PCP.
- 4.5 Whilst the PCP is explicitly prohibited from investigating complaints by virtue of the statutory provisions, the PCP is permitted to encourage, facilitate and assist in the informal resolution of the complaint.
- 4.7 The OPCC is responsible for dealing with complaints regarding the Chief Constable. Complaints are recorded in accordance with the Police Reform Act 2002 and Police Reform and Social Responsibility Act 2011. Statistics are published on an annual and quarterly basis by the [Independent Office for Police Conduct](#) - the statistics provide details of the total number of complaints received by each police force.

### **5. CONSULTATION**

- 5.1 Consultation has been undertaken with the OPCC in relation to the 2 complaints received during the reporting period. As the complaints received were not recordable then no further consultation was required with the Complaints Sub Committee.

### **6. RESOURCES**

- 6.1 Whilst the Home Office does provide a grant to the Host Authority for administration costs, the requirement to resolve non-criminal conduct complaints against the PCC and the DPCC can take up a disproportionate amount of Officer time.

**7. RISK**

- 7.1 In order to comply with the Complaints Procedure, there is a requirement to report a summary of each complaint (such as can be reported in public) for monitoring purposes.

**8. REASON FOR RECOMMENDATION**

- 8.1 To inform the PCP of the number of complaints received on a regular basis as required by legislation.

**Penodi John Williams yn Is-gadeirydd Panel Heddlu a Throsedd Gogledd Cymru ar gyfer 2019/20.**

71. **DATGAN CYSYLLTIAD: COD YMDDYGIAD LLYWODRAETH LEOL**

72. **MATERION BRYS**

Dim.

73. **DIWEDDARIAD GAN Y PRIF GWNSTABL, CARL FOULKES (HEDDLU GOGLEDD CYMRU)**

Derbyniodd Panel Heddlu a Throsedd Gogledd Cymru gyflwyniad gan y Prif Gwnstabl (Mr Carl Foulkes), Heddlu Gogledd Cymru (HGC), a oedd yn trafod y meysydd canlynol:

- Y weledigaeth
  - 'Gwneud Gogledd Cymru y lle mwyaf diogel yn y DU'
  - Gweithredu ar y weledigaeth trwy atal trosedd, gwarchod cymunedau ac erlyn troseddswyr, gan ganolbwyntio ar bobl (lles staff, recriwtio a chynnal gweithlu amrywiol a chynrychioladol); datrys problemau (cyflawni cynlluniau datrys problemau a sefydlu arfer o ddatrys problemau ar bob lefel); a digidol (gweithredu rhaglen ddigidol i gefnogi plismona gweithredol).
- Cyllid
  - £31.104 miliwn o arbedion rhwng 2011 a 2019.
  - Gyda chymorth, parhau i gynnal gwasanaeth rheng flaen fel yn 2010.
  - Roedd Heddlu Gogledd Cymru mewn safle ychydig yn well na Heddluoedd eraill, yn enwedig o ran cyflwyno'r Cynllun Gwelliant Gweithredol.
  - Niferoedd y Swyddogion/Recriwtio – erbyn Mawrth 2020, amcangyfrifwyd mai nifer gwirioneddol y Swyddogion oedd 1459 (targed 1444). Dywedodd y Prif Gwnstabl mai'r cynllun oedd recriwtio mwy i ddechrau, er mwyn gallu recriwtio dan yr hen fframwaith cymwysterau. Er bod y fframwaith cymwysterau

newydd yn weithredol, roedd rhai problemau ag o, felly ni fyddai'r Heddlu'n ei weithredu tan fis Mehefin 2020.

- Swyddogion Cymorth Cymunedol yr Heddlu – oherwydd llwyddiant nifer o Swyddogion Cymorth Cymunedol i fod yn Heddweision, roedd y niferoedd wedi gostwng, ond y bwriad oedd recriwtio dwy don o Swyddogion Cymorth Cymunedol yn y flwyddyn ariannol hon.
- Ychwanegedd (Staffio a Buddsoddi)
  - Roedd y Panel yn cefnogi cynnydd i braesept yr Heddlu, er mwyn gweithredu'r Rhaglen Gwelliant Gweithredol, a fyddai'n golygu buddsoddiad mewn 30 o Heddweision eraill a 10 o Staff yr Heddlu; roedd 10 o Staff yr Heddlu ar hyn o bryd, ac roedd disgwyl i'r 30 o Heddweision fod wedi'u penodi erbyn diwedd y flwyddyn ariannol.
- Cydweithio
  - Gwasanaethau Brys
  - Canolbwynt Cudd-wybodaeth ar y Cyd;
  - Ar sail Cymru gyfan (Cyswllt Cyhoeddus Digidol/E-recriwtio a Recriwtio Sengl Gartref Ar-lein); a
  - Rhannu cudd-wybodaeth â Gogledd-orllewin Lloegr
- Strategaeth Ystadau
  - Agor Gorsaf Heddlu Llai yn swyddogol
  - Gwaith adnewyddu Gorsaf Heddlu Pwllheli i gychwyn fis Hydref 2019
  - Canolfan Comisiynu Cerbydau i fod yn wag erbyn 2022
  - Dyfodol Caergybi – cyfle i weithio gyda Chyngor Sir Ynys Môn
  - Adolygu cyfleoedd ar gyfer safleoedd Haen 3.
- Dalfa Dolgellau
  - Caeodd y Ddalfa ym mis Ebrill 2017 gan fod diogelwch carcharorion a swyddogion yn bwysicach na dim. Byddai gwneud yr uned yn addas yn costio £750,000, ond roedd niferoedd a oedd yn cael eu cadw yn y ddalfa wedi gostwng yn gyson, gyda llai nag un y dydd. Fodd bynnag, cydnabyddai'r Prif Gwnstabl yr heriau ac roedd yn gweithio gyda staff a Heddlu Dyfed Powys i ddarparu datrysiad mwy ymarferol.
- Rhaglen Gwelliant Gweithredol
  - Patrwm sifftiau 12 awr wedi'i weithredu, gydag ymateb cadarnhaol.
  - Adolygiad o ddalfeydd i ddigwydd dros y misoedd nesaf.
  - Adolygu plismona cymunedol i fodloni disgwyliadau cymunedol.
- Ymchwilydd Cefnogaeth Gymunedol yr Heddlu
  - 10 Ymchwilydd Cefnogaeth Gymunedol i gael ei recriwtio i gasglu tystiolaeth ar gyfer Ditectifs; pwerau wedi'u rhoi gan Gyngor Cenedlaethol Penaethiaid yr Heddlu a phroffesiynoli'r gweithlu gyda chwrs hyfforddi 8 wythnos.
- Ymosodiadau ar Swyddogion yr Heddlu
  - Darlun cenedlaethol yn newid – cynnydd mewn troseddau difrifol a threisgar.
  - Cynnydd yn genedlaethol yn nifer yr ymosodiadau ar Swyddogion yr Heddlu.

- 'Cynllun Wyth Pwynt' wedi'i weithredu gan Ffederasiwn yr Heddlu i gefnogi cydweithwyr.
- Troseddau â chyllyll
  - Roedd troseddau â chyllyll yn parhau'n bryder cenedlaethol cynyddol ac roedd yn amlwg yn y cyfryngau cenedlaethol a lleol.
  - Er nad oedd yr un lefelau yng Ngogledd Cymru â lleoedd eraill yn y DU, bu 121 o achosion yn ymwneud â chyllyll rhwng 01/12/18 a 28/02/19; roedd 39% yn rhai domestig.
  - Cysylltiadau â Grwpiau Troseddau Cyfundrefnol
  - Cydlynnydd Trais Difrifol wedi'i benodi gan Gomisiynydd yr Heddlu a Throsedd.
  - Menter "Mae Cyllyll yn Lladd" yn lansio ym mis Mehefin 2019.
- Llinellau Sirol
  - 26 o gangiau Llinellau Sirol yn gweithredu yn ardal Gogledd Cymru, gyda chysylltiadau â Manceinion/Glannau Merswy.
  - Roedd ymyrraeth gynnar ac atal yn allweddol.
  - Dull amlasiantaeth – Gweithio ar y cyd.
  - Ymgyrch Bypass – Llinell Sirol wedi'i chanfod a'i thargedu, a 4 troseddwr wedi'u cael yn euog.
- Cynnydd yr haf yn ardal y Gorllewin
  - Er bod cynnydd yn nifer y bobl yn ardal y Gorllewin dros fisoedd yr haf, nid oedd hyn o reidrwydd yn arwain at gynnydd sylweddol o ran troseddau; ond roedd yn debygol bod cynnydd o ran ymddygiad gwrthgymdeithasol.
  - Roedd isafswm y swyddogion a oedd yn yr ardal yn cael ei gynyddu yn ystod y misoedd hyn.
- Plismona ffyrdd
  - Bu gostyngiad o 77.78% yn nifer y damweiniau angheuol rhwng Ionawr a Mai 2019 (18 i 4).
  - Bu gostyngiad o 6.48% yn nifer y damweiniau difrifol (108 i 101).
  - Nodi llwybrau blaenoriaeth a gweithio gyda phartneriaid i geisio datrysiaid eraill i leihau nifer y gwrthdrawiadau sy'n achosi anafiadau.
  - Roedd mwy wedi'u harestio am yrru ar gyffuriau gan ddefnyddio pecynnau profi cyffuriau yr oedd angen buddsoddi ynddynt.

Diolchodd y Panel i'r Prif Gwnstabl am gyflwyniad llawn gwybodaeth ac aeth ymlaen i drafod y materion canlynol:

- Defnyddio pecynnau cyffuriau a gweithio gyda Gwarchod y Cyhoedd.
  - Er bod angen buddsoddi i ddarparu'r pecynnau, byddai'r rhan fwyaf o yrwyr a oedd yn cael eu stopio'n cael prawf cyffuriau.
  - Cadarnhaodd y Prif Gwnstabl bod yr Heddlu a'r Awdurdodau Lleol yn cydweithio, a oedd yn benodol bwysig wrth drwyddedu gyrwyr tacsis.
- Defnyddio camerâu corff
  - Dywedodd y Prif Gwnstabl mai'r bwriad oedd cyflwyno camerâu corff i'r holl staff rheng flaen. Fodd bynnag, roedd angen buddsoddi mwy, gan fod peth o'r cyfarpar yn dod at ddiwedd ei oes, felly byddai angen ei newid yn fuan.

- Y Strategaeth Ystadau ar gyfer Prestatyn – mynegwyd pryderon ynghylch diffyg presenoldeb gweledol Swyddogion yr Heddlu ym Mhrestatyn a chyfeiriwyd at y posibilrwydd o golli adnoddau i ddelio â throeddau mwy difrifol.
  - Dywedwyd wrth y Panel bod y Prif Gwnstabl yn edrych ar y Strategaeth Ystadau a'r posibilrwydd o rannu/defnyddio adeiladau (gorsafoedd tân/llyfrgelloedd) i gael presenoldeb mewn trefi a phentrefi.
  - Dywedodd y Prif Gwnstabl eto y byddai'r Heddlu'n canolbwyntio ar yr holl droseddau a materion a oedd yn effeithio ar gymunedau, ond y gallai materion gael eu trin yn wahanol.
- Mynegwyd pryderon ynghylch a oedd gan yr Heddlu ddigon o adnoddau i ddelio â gyrwyr heb dalu treth, prawf MOT ac yswiriant.
  - Dywedodd y Prif Gwnstabl bod blaenoriaethu'n allweddol ac y byddai digwyddiadau o'r fath yn cael eu trin fesul achos. Fodd bynnag, roedd trafodaethau pellach ar fynd ynglŷn â'r mater.
- Effaith Brexit ar blismona
  - Er bod llwyth o waith wedi'i wneud gyda phartneriaid i fynd i'r afael â phroblemau byrdymor, ni ellid dweud beth fyddai'r effaith yn y tymor hwy ar hyn o bryd.
- Nifer yr ymosodiadau ar Swyddogion yr Heddlu.
  - Dywedodd y Prif Gwnstabl bod gwaith ar fynd i ddeall y problemau ac a ellid gwella hyfforddiant, diogelwch a pholisïau gweithredu.
  - Er bod cynnydd wedi bod yn ystadegau Gogledd Cymru, teimlai'r Prif Gwnstabl y gallai hyn fod o ganlyniad i drefniadau cofnodi gwell ar gyfer achosion o'r fath.
- Recriwtio llw mwy amrywiol sy'n cynrychioli'r boblogaeth yn well
  - Dywedodd y Panel bod dull Cymru Gyfan yn cael ei ddefnyddio i recriwtio llw a oedd yn gynrychioladol i'r cymunedau roeddent yn eu gwasanaethu.
- Llinellau Sirol a rhannu gwybodaeth gyda Gogledd-orllewin Lloegr.

Croesawai'r Prif Gwnstabl y cyfle i ddod yn ôl adref i weithio yng Ngogledd Cymru ac roedd yn awyddus i fynd i'r afael â'r gwaith.

#### **PENDERFYNWYD-**

**Nodi'r cyflwyniad a bod y Swyddog Craffu a Gwasanaethau Pwyllgorau'n anfon cyflwyniad y Prif Gwnstabl at aelodau'r Panel Heddlu a Throsedd.**

#### **74. CYHOEDDIADAU GAN Y CADEIRYDD**

Bu i'r Cadeirydd longyfarch Swyddfa Comisiynydd yr Heddlu a Throsedd am ennill Marc Ansawdd am Dryloywder yn ddiweddar am y drydedd flwyddyn yn olynol.

#### **75. COFNODION**

Cyflwynwyd cofnodion cyfarfod Panel Heddlu a Throsedd Gogledd Cymru a gynhaliwyd ar 28 Ionawr 2019 i'w cymeradwyo.

## **PENDERFYNWYD-**

**Cymeradwyo cofnodion cyfarfod Panel Heddlu a Throsedd Gogledd Cymru a gynhaliwyd ar 28 Ionawr 2019.**

### **76. DIWEDDARIAD AR GAMAU GWEITHREDU O'R CYFARFOD BLAENOROL**

Darparwyd adborth ar y camau gweithredu o'r cyfarfod blaenorol a gynhaliwyd ar 28 Ionawr 2019 fel a ganlyn:

Cofnod 60 - Diweddariad ar gamau gweithredu o'r cyfarfod blaenorol: Mewn perthynas â chynigion i roi pwerau dirprwyedig i Swyddogion Cymorth Cymunedol yr Heddlu, byddai Comisiynydd yr Heddlu a Throsedd yn anfon ymateb at Banel yr Heddlu a Throsedd ynghylch pryd y byddai hyn yn digwydd.

Cofnod 61 - Cwestiynau i Gomisiynydd yr Heddlu a Throsedd: Er bod gan Heddlu Gogledd Cymru swyddogion wedi'u hyfforddi'n benodol mewn twyll ac ymchwilio ariannol, holodd y Cyngorydd Chris Bithell a oedd yr Heddlu'n gwneud digon i fynd i'r afael â hyn.

Dywedodd y Comisiynydd bod yr Arolygiaeth Cwnstabliaeth yn ddiweddar wedi cyhoeddi adroddiad mewn perthynas â hyn a bod angen deall sut i wella ac ymateb yn briodol yng Ngogledd Cymru yn unol ag argymhellion yr adroddiad. Roedd y Comisiynydd hefyd yn awyddus i gynyddu adnoddau yn y Ganolfan Gymorth i Ddiodefwyr i ddelio â diodefwyr twyll.

Cofnod 64 - Praesept a Threth y Cyngor 2019/20: Dywedodd y Comisiynydd bod y materion a oedd yn ymwneud â'r Ardoll Brentisiaethau yn cael eu trafod gyda'r Trysorlys; dywedodd y Prif Gwnstabl wrth y Panel hefyd bod sgysiau'n ffafriol, ond nad oedd ymateb ffurfiol wedi cyrraedd.

### **77. CWESTIYNAU I'R COMISIYNYDD HEDDLU A THROSEDD**

Yn unol â'r Protocol ar gyfer Cwestiynau i Gomisiynydd yr Heddlu a Throsedd, roedd Aelodau'r Panel wedi cyflwyno'r cwestiynau canlynol, ac fe ymatebodd y Comisiynydd iddynt fel a ganlyn:

#### **Cwestiwn 1 – John Williams**

*Y gofynion mynediad newydd ar gyfer Fframwaith Cymwysterau Addysgol Plismona o 1 Ionawr 2020 ar gyfer recriwtiaid Cwnstabliaid yr Heddlu fydd un o'r canlynol:*

- *Prentisiaeth Gradd Cwnstabl yr Heddlu.*
- *Rhaglen fynediad graddedigion.*
- *Gradd mewn plismona cyn ymuno.*

*(Gwefan y Coleg Plismona)*

*Agorodd y Rhaglen Mynediad Uniongyrchol i Arolygwyr ar gyfer Heddlu Gogledd Cymru ar 7 Ionawr 2019 ac yn y meini prawf, yr isafswm cymwysterau yw un cymhwyster Lefel 3.*

*Rwy'n credu bod cymhwyster lefel 3 gyfwerth ag un "Lefel A".*

*Mae Uwch-arolygydd Mynediad Uniongyrchol angen cymhwyster lefel 6/7, sef gradd neu gymhwyster uwch.*

*O ystyried y bydd angen i Gwnstabiaid yr Heddlu fod wedi'u hyfforddi at lefel gradd, mae'n debyg bod y lefel mynediad ar gyfer Arolygwyr Mynediad Uniongyrchol yn rhy isel, yn enwedig gan ei bod yn debygol y byddant yn dod yn Uwch-arolygwyr ymhen amser.*

*A yw'r Comisiynydd yn fodlon bod y gofynion mynediad ar gyfer Arolygydd Mynediad Uniongyrchol yn Heddlu Gogledd Cymru wedi'u gosod ar y lefel angenrheidiol?*

### **Ateb 1**

*Bydd Fframwaith Cymwysterau Addysgol Plismona ar gyfer Cwnstabiaid yr Heddlu'n cael ei weithredu gan Heddlu Gogledd Cymru (HGC) yn 2020 gyda llwybrau Prentisiaeth Cwnstabl yr Heddlu a Mynediad i Ddeiliaid Gradd.*

*Mae'r Fframwaith ar gyfer swyddi Sarsiant i Brif Swyddog wedi'i adolygu a'i ddiwygio gan y Coleg Plismona yn 2018 ac mae ymgynghoriad yn parhau arno gyda Chyngor Cenedlaethol Penaethiaid yr Heddlu a budd-ddeiliaid eraill ar hyn o bryd. Mae'r amserlen i weithredu Fframwaith Cymwysterau Addysgol Plismona lefel uwch wedi'i ohirio nes bydd y Cyngor Cenedlaethol wedi ystyried y cynigion diwygiedig.*

*I roi cyd-destun i'r cynllun Mynediad Uniongyrchol, adolygwyd y gofynion cymhwystra ar gyfer y cynllun Mynediad Uniongyrchol i Arolygwyr yn 2018 gan y Coleg Plismona yn sgil ymgyrchoedd blaenorol a oedd yn denu nifer isel o ymgeiswyr o grwpiau sydd heb gynrychiolaeth ddigonol, yn enwedig pobl Ddu, Asiaidd ac o Leiafrifoedd Ethnig.*

*Cyhoeddwyd y canllawiau canlynol gan y Coleg Plismona ar gyfer ymgyrch Mynediad Uniongyrchol Arolygwyr 2019;*

*"Roedd y broses y llynedd yn ei gwneud yn ofynnol yn genedlaethol i ymgeiswyr Mynediad Uniongyrchol fod â gradd neu gymhwyster lefel 7 cyn ymgeisio. Mae hyn wedi newid ar ôl adolygu'r broses. Gall Heddluoedd osod eu safonau eu hunain (a allai gynnwys gradd, os dymunir) ond mae'n rhaid bodloni rheoliadau'r Heddlu ynghylch penodiadau cyffredinol fel Swyddog yr Heddlu".*

*I sicrhau bod gofynion yn cyd-fynd â'r canllawiau a rhai Heddluoedd eraill, defnyddiodd HGC y gofynion cymhwystra cyffredinol ar gyfer swyddog yr Heddlu, sef isafswm o gymhwyster lefel 3 a'r holl ofynion rheoliadol eraill i weithio i Wasanaeth yr Heddlu.*

*Bydd yr holl Arolygwyr Mynediad Uniongyrchol sydd wedi llwyddo i raddio o raglen Mynediad Uniongyrchol y Coleg Plismona wedi ennill cymhwyster lefel 7 mewn Arweinyddiaeth Blismona, a bydd hynny'n cyd-fynd â'r gofynion arfaethedig ar gyfer y Fframwaith Cymwysterau Addysgol Plismona ar gyfer Arolygydd.*

*Mae proses ddirchafiadau fewnol gyfredol HGC yn cyd-fynd â Fframwaith Dyrchafiadau Cenedlaethol yr Heddlu ac nid oes angen unrhyw gymhwyster ar hyn o bryd i gychwyn ar y broses ddirchafiadau. Yn ystod y broses ddirchafiadau, mae Sarsiantiaid HGC yn cyflawni Tystysgrif lefel 4 mewn Rheoli ac Arweinyddiaeth ac mae Arolygwyr yn cyflawni Tystysgrif lefel 5 mewn Rheoli ac Arweinyddiaeth – wedi'u rhoi gan y Sefydliad Rheolaeth Siartredig.*

*Rydym ar hyn o bryd yn edrych ar Raglenni Uwch-arweinyddiaeth gyda Phrifysgol Canol Swydd Gaerhirfryn, Prifysgol Lerpwl John Moores a Phrifysgol Bangor, i ganfod rhaglenni datblygu arweinyddiaeth sy'n cyd-fynd â gofynion Fframwaith Cymwysterau Addysgol Plismona yn y dyfodol.*

Rhoddodd y Prif Gwnstabl hefyd drosolwg i'r Panel o'r tri llwybr mynediad ar gyfer y fframwaith cymwysterau newydd y byddai angen i Heddlu Gogledd Cymru ei weithredu o fis Mehefin 2020 ymlaen.

## **Cwestiwn 2 – y Cyngorwyr Chris Bithell/Dylan Rees**

*'Ysgrifennodd Andrew Gilligan erthygl ym mhapur y Sunday Times ar 5 Mai, 2019, dan y pennawd "Police let suspects go free to avoid 60 mile drive to cells." Honnir y gall hyn helpu i egluro pam bod nifer yr arestiadau wedi haneru ar adeg pan mae nifer y troseddau wedi cynyddu.*

*Er y mynegwyd pryderon am effaith y nifer llai o leoedd a chelloedd mewn dalfeydd yn genedlaethol, tynnwyd sylw at heddluoedd penodol yn yr erthygl, sef Northumberland a Gogledd Cymru.*

*Yn gryno, roedd yr erthygl yn dweud bod swyddogion yr Heddlu'n gadael i droseddwyr fynd oherwydd y pellter i fynd â nhw i'r dalfeydd a oedd ar ôl; yn achos Gogledd Cymru, roedd y rhain wedi gostwng i dair – Caernarfon, Llanelwy a Wrecsam (yn Llai bellach).*

*Dyfynnwyd Che Donald, Is-gadeirydd Ffederasiwn yr Heddlu yn dweud "This has become a particular problem in some areas, especially rural areas, where officers may be forced to drive for long distances to take offenders into custody. This can take the Officer off the streets for a considerable period of time and in the case of drink drivers, it may mean offenders ultimately escaping conviction entirely".*

*Mae'r erthygl yn dyfynnu sefyllfa ardaloedd megis Tywyn sydd 64 milltir o Gaernarfon ac oddeutu'r un pellter o Wrecsam. Mae hefyd yn dyfynnu, Mark Jones, Ysgrifennydd Cyffredinol Cangen Gogledd Cymru o Ffederasiwn yr Heddlu, sy'n dweud "It is a huge consideration for an officer when they are weighing up in their mind whether to arrest someone or not. It could be that someone warrants arrest but due to the distance they have to go (to a custody suite) officers are having to reconsider."*

*Mae'r erthygl hon yn peri pryder i mi ac rwyf yn cael fy atgoffa o'r pryderon difrifol a fynegais pan oeddwn yn aelod o Awdurdod Heddlu Gogledd Cymru pan gafwyd trafodaeth a gwnaethpwyd y penderfyniad i gau'r ddalfa yn yr Wyddgrug. Roeddwn yn poeni y byddai swyddogion yn cael eu tynnu o'u hardaloedd am o leiaf awr a hanner i ddwy awr er mwyn danfon troseddwr i Wrecsam, eu cyflwyno nhw a'r manylion cysylltiedig yn y ddalfa. O ystyried y nifer fechan o swyddogion ar ddyletswydd, yn enwedig yn y nos, a'r ardaloedd mawr y mae'n rhaid iddynt ofalu amdanynt, byddai hyn yn golygu na fyddai bron yr un swyddog arall yn bresennol tra bod eraill yn danfon y troseddwr i'r ddalfa. Mae'n rhaid bod hynny'n ystyriaeth fawr i'r swyddogion wrth wneud penderfyniad. Roeddwn yn pryderu'r adeg honno, pan oedd gennym fwy o swyddogion yn lleol a chenedlaethol i fynd i'r afael â throsteddu, felly a yw hyn yn cael ei ystyried yn fwy o bryder mawr bellach? Eto, fel aelod yr Wyddgrug, roeddwn yn pryderu am y daith o oddeutu 22 milltir i Wrecsam ac yn ôl. Gallaf gydymdeimlo â phryderon y rhai sy'n byw yn Nhywyn a fyddai'n gorfod teithio 128 o filltiroedd ar hyd ffyrdd heriol ym mhob tywydd yn enwedig yn ystod misoedd y gaeaf.*

*Gofynnaf i chi ymchwilio i'r pryder hwn ac adrodd eich canfyddiadau yn ôl i'r Panel.'*

## **Ateb 2**

Gweler ymateb y Comisiynydd yn Atodiad y cofnodion.

Croesawai'r Cynghorydd Chris Bithell a Dylan Rees yr ymateb manwl gan y Prif Gwnstabl yn ei gyflwyniadau gan gydnabod y rhesymau er diogelwch a rhesymau ariannol.

Fodd bynnag, cyfeiriodd y Cynghorydd Bithell at y pellterau a oedd ynghlwm â mynd â throsteddwr i'r ddalfa a'r effaith ar Swyddogion yr Heddlu.

Dywedodd y Comisiynydd, o ganlyniad i'r cau, fod cynnydd wedi bod yn nifer y staff ac mai ond tair tref a oedd wedi'i heffeithio gan y cau. Dywedwyd wrth y Panel hefyd bod trafodaethau ar fynd gyda Heddlu Dyfed Powys ynghylch defnyddio Dalfa Aberystwyth.

## **78. RHESTR O BENDERFYNIADAU A WNAED GAN GOMISIYNYDD YR HEDDLU A THROSEDD**

Cyflwynwyd rhestr o benderfyniadau gan Gomisiynydd yr Heddlu a Throsedd o 10 Tachwedd 2018 tan 17 Mai 2019 i'r Aelodau.

Mewn perthynas â'r penderfyniad i ddyrannu cyllid i Bentre Peryglon, gofynnodd y Cadeirydd faint o blant a oedd yn mynd i'r cyfleuster ac a ellid ei symud o amgylch Gogledd Cymru i'w wneud yn fwy hygyrch.

Dywedwyd wrth y Panel bod tipyn o ysgolion yn mynd i'r cyfleuster a gan fod y Prif Gwnstabl ar Fwrdd Pentre Peryglon, byddai'n trafod y mater ymhellach.

Awgrymwyd y gallai'r Panel ysgrifennu at y Bwrdd yn gofyn a ellid creu math o sioe deithiol i hyrwyddo peryglon troseddau cyllyll.

#### **79. ADBORTH GAN AELODAU SY'N GEFNOGWYR**

Derbyniodd Panel Heddlu a Throsedd Gogledd Cymru adborth gan Aelodau sy'n Gefnogwyr fel a ganlyn:

#### Cefnogwr yn erbyn Cam-Drin Domestig

Cydnabu'r Cynghorydd Chris Bithell y gostyngiad o 30.8% yn y nifer a oedd yn aildroseddu o fewn 12 mis (fel mae diweddariad rheolaidd Comisiynydd yr Heddlu a Throsedd yn ei nodi), fodd bynnag, cwestiynodd y Cynghorydd Bithell pam roedd nifer y dioddefwyr a oedd yn dioddef trosedd arall o fewn 12 mis wedi cynyddu 7.7%.

Awgrymodd y Prif Gwnstabl y gallai fod rhyw berthynas rhwng nifer yr Hysbysiadau Amddiffyn rhag Trais Domestig, a oedd wedi cynyddu 16.6% a'r gostyngiad yn y nifer o droseddwyr a oedd yn troseddu eto. Dywedwyd wrth y Panel bod ymchwil yn cael ei wneud mewn perthynas â hyn ac y byddai'r Comisiynydd yn adrodd yn ôl arno fel y bo'n berthnasol.

Cydnabu'r Cynghorydd Bithell bod defnyddio camerâu corff wedi casglu llawer o dystiolaeth gynnar, a allai gael ei defnyddio ar gyfer erlyn, pan mae'r dioddefwr wedi rhoi'r gorau i weithio gyda'r achos.

Mewn cyfarfod diweddar, bu i'r Cynghorydd Bithell hefyd gwestiynu a oedd ymchwiliadau amserol i Achosion Cam-drin Domestig a mynegodd rai pryderon anecdotaidd gyda Swyddfa Comisiynydd yr Heddlu a Throsedd, a oedd wedi'u cynnwys yn Niweddariad Rheolaidd Comisiynydd yr Heddlu a Throsedd.

Cyfeiriwyd at arolygon Hyder a Bodlonrwydd Dioddefwyr Cam-drin Domestig a lefelau bodlonrwydd o 69.6% ar gyfer arolygon dilynol a gofynnodd Aelod o'r Panel a oedd hwn yn fater adnoddau/hyfforddiant; byddai'r Comisiynydd yn mynd ar ôl y mater yma ymhellach ac yn adrodd ar ei ganfyddiadau.

#### Cefnogwr yn erbyn Caethwasiaeth Fodern

Cynghorodd y Cadeirydd y Panel ei bod yn ddiweddar wedi cyfarfod â'r Swyddog Craffu a Pholisi (Liz Ward) ac wedi trafod y Mekanwaith Atgyfeirio Cenedlaethol a'r amserlenni ar gyfer y rhai hynny a oedd wedi mynd drwy broses y Mekanwaith.

Cyfeiriodd y Comisiynydd at y broses yn ei ddiweddariad rheolaidd a dywedodd y dylai'r gefnogaeth/gwarchodaeth a oedd yn cael ei chynnig gael ei hymestyn i o leiaf 60 diwrnod neu fwy. Dywedodd y Comisiynydd hefyd ei fod am wneud gwaith a fyddai'n caniatáu iddo adolygu'r manylion ynghylch achosion penodol, er mwyn deall a oedd prosesau i ymdrin â dioddefwyr caethwasiaeth fodern yn effeithiol yn y tymor byr a'r tymor hir.

Pwysleisiodd y Cadeirydd bwysigrwydd dull amlasiantaeth i drechu caethwasiaeth fodern a chynghorodd y Comisiynydd yr Aelodau am gynhadledd y diwydiant croeso ac awgrymodd y gallai awdurdodau lleol efallai gyfrannu £300 yr un i hwyluso'r gynhadledd.

Mewn perthynas â Chamfanteisio'n Rhywiol ar Blant, tynnodd y Cadeirydd sylw hefyd at y gwasanaeth cyfweliadau dychwelyd adref (a oedd yn arfer cael ei ddarparu gan Barnardo's) gan ddweud bod Cynghorau Sir y Fflint a Wrecsam yn darparu gwasanaeth cyfweliadau dychwelyd adref ac nad oedd Conwy, Sir Ddinbych a Gwynedd yn gwneud hynny. Gofynnodd y Cadeirydd i'r Aelodau fynd yn ôl at eu Cynghorau a gofyn i Swyddogion pam nad oeddent yn darparu'r gwasanaeth hwn.

Mewn ymateb, rhoddodd y Comisiynydd rywfaint o gyd-destun ynghylch y mater gan ddweud bod Prif Weithredwr blaenorol Cyngor Sir Ddinbych wedi ceisio cael pob un o'r 6 awdurdod lleol i ariannu'r gwasanaeth, ond nad oedd yn llwyddiannus ac roedd pob awdurdod lleol yn 'gwneud eu peth eu hunain'.

Fodd bynnag, dywedodd y Comisiynydd wrth yr Aelodau ei fod yn cyfarfod â Jane Hutt AC yn fuan i feddwl am ateb genedlaethol/lleol i hyn.

## 80. **DIWEDDARIAD CYFNODOL GAN GOMISIYNYDD HEDDLU A THROSEDD GOGLEDD CYMRU**

Cyflwynwyd diweddariad rheolaidd Comisiynydd yr Heddlu a Throsedd o 1 Tachwedd 2018 tan 1 Mai 2019 i'r Aelodau.

Roedd yr adroddiad yn dangos manylion perfformiad mewn perthynas â Chynllun yr Heddlu a Throsedd 2017-2021 ac yn darparu gwybodaeth yr oedd yn rhesymol ofynnol i'r Comisiynydd ei darparu i Banel yr Heddlu a Throsedd ynglŷn â chyflawni ei swyddogaethau.

Er bod y rhan fwyaf o faterion wedi'u trafod yn y cofnodion uchod, tynnodd y Comisiynydd sylw'r Panel at y canlynol:

- Blaenoriaeth 1 – Camdriniaeth Ddomestig
  - Ym mis Mawrth 2018, roedd 81.3% o achosion llys Cam-drin Ddomestig yn llwyddiannus o'u cymharu â 77.3% y flwyddyn flaenorol hyd yma.
- Blaenoriaeth 2 – Caethwasiaeth Fodern
  - Roedd gan y Comisiynydd bryderon ynghylch y newidiadau arfaethedig i'r cynllun peilot Eiriolwyr Annibynnol yn erbyn Masnachu mewn Plant a gyflwynwyd gan y Swyddfa Gartref a Llywodraeth Cymru; roedd y Comisiynydd yn disgwyl am y

gwerthusiad o'r prosiect gyda'r model cymorth a oedd wedi'i newid a byddai'n rhoi sylwadau am hyn yn y dyfodol.

- Blaenoriaeth 3 – Cam-drin Rhywiol
  - Roedd y set ddata ddiweddaraf ar gyfer y 12 mis tan fis Ionawr 2019 yn dangos bod Gogledd Cymru yn y 10fed safle uchaf o'r 43 llu mewn perthynas â throseddau treisio sy'n cael eu riportio. Roedd y Comisiynydd yn teimlo ei bod yn debygol bod hyn oherwydd prosesau riportio gwell, yn hytrach na chynnydd yn y troseddau treisio.
  - Roedd y set ddata ddiweddaraf ar gyfer y 12 mis tan fis Medi 2018 yn dangos bod Heddlu Gogledd Cymru yn y 3ydd safle uchaf o'r 43 llu mewn perthynas â chanlyniadau positif i achosion troseddau treisio .
  - Ers 1 Ebrill 2019, bu 34 o atgyfeiriadau at Dîm Ymchwiliadau Pedoffilyddion ac Ar-lein Heddlu Gogledd Cymru (POLIT); roedd un dioddefwr wedi'i nodi o'r atgyfeiriadau, ac roedd 75 o unigolion wedi'u diogelu.
- Materion Craidd Plismona – Troseddau Cyllyll
  - Cofnodwyd chwe dynladdiad rhwng Rhagfyr 2017 a Rhagfyr 2018, ac roedd dau o'r troseddau hyn yn cynnwys cylllell.

Diolchodd y Panel i'r Comisiynydd am y wybodaeth ddiweddaraf gan godi'r materion canlynol:

- Cefnogaeth i staff sy'n ymdrin â chamfanteisio rhywiol ar blant
  - Dywedodd y Prif Gwnstabl wrth y Panel bod yr holl staff yn cael atgyfeiriad gorfodol i sesiynau cwnsela ac roedd gwasanaeth cymorth sylweddol i staff.
- Defnyddio gwirfoddolwyr i weithio gyda throseddwyr
- Mynd i'r afael â diwylliant gangiau
- Stopio a chwilio pobl i'w hannog i beidio â chario cyllyll
  - Dywedodd y Prif Gwnstabl nad oedd y dull yma'n cael ei ddefnyddio'n ddigon aml a hynny mae'n debyg oherwydd hyder a bod angen newid arferion.
  - Gallai Swyddog wedi'i warantu'n llawn stopio a chwilio pobl, ond byddai'r Comisiynydd yn egluro a fyddai'r pŵerau hyn yn cael eu dirprwyo i Swyddogion Cymorth Cymunedol yr Heddlu.

#### **PENDERFYNWYD-**

**Nodi gwybodaeth ddiweddaraf Comisiynydd yr Heddlu a Throsedd.**

#### **81. ADRODDIAD CYLLID – SEFYLLFA DERFYNOL 2018/19**

Cyflwynwyd Sefyllfa Ariannol Derfynol 2018/19 i'r Panel.

Cymeradwywyd y gyllideb net o £146.467 miliwn gan y Panel ar 22 Ionawr 2018, gyda'r sefyllfa gyffredinol ddiwedd Mawrth 2019 yn arwain at danwariant o £0.689 miliwn; nodwyd manylion yr amrywiadau yn yr adroddiad.

#### **PENDERFYNWYD-**

## **Nodi'r adroddiad.**

### **82. TREULIAU PANEL HEDDLU A THROSEDD GOGLEDD CYMRU 2018/19**

Cyflwynodd Swyddog Arweiniol a Chynghorydd Cyfreithiol Panel Heddlu a Throsedd Gogledd Cymru adroddiad ar dreuliau ar gyfer 2018/19, a oedd yn cynnwys costau gweinyddu, costau cyfieithu, a hawliadau unigol Aelodau o'r Panel ar gyfer costau a threuliau, fel sy'n ofynnol o dan Gytundeb y Swyddfa Gartref.

Mae'r Swyddfa Gartref yn darparu grant i'r Awdurdod Cynnal o £70,975 i gynnal Panel yr Heddlu a Throsedd. Gwariodd y Panel oddeutu £82,000 yn 2017/18 ac roedd unrhyw orwariant yn cael ei dalu gan yr Awdurdod Cynnal; amser swyddogion yn yr achos hwn. Mae'r Panel a Swyddogion wedi bod yn awyddus i leihau'r gorwariant hwn ac wedi llwyddo i leihau gwariant ymhellach yn 2018/19 i oddeutu £73,000.

Wrth ysgrifennu'r adroddiad hwn, nid oedd y Panel wedi derbyn ei ddyraniad grant ar gyfer 2019/20, ond pe bai'r dyraniad yr un fath ag yn 2018/19 a phe bai'r Panel yn cytuno gohirio cyfarfod mis Mawrth, roedd y Swyddogion yn obeithiol na fyddai rhaid i'r Awdurdod Cynnal dalu am unrhyw orwariant fel yn y blynyddoedd blaenorol.

Cytunwyd, os nad oedd unrhyw fusnes statudol, y byddai cyfarfod mis Mawrth yn cael ei ganslo.

#### **PENDERFYNWYD-**

**(a) Bod Panel yr Heddlu a Throsedd yn nodi ac yn cyhoeddi costau gweinyddol, costau cyfieithu a hawliadau Aelodau unigol o'r Panel am dreuliau a lwfansau yn ôl y gofyn.**

**(b) Canslo cyfarfod mis Mawrth os nad oedd unrhyw fusnes statudol.**

### **83. ADOLYGIAD O AELODAETH PANEL YR HEDDLU A THROSEDD**

Cyflwynodd y Swyddog Arweiniol a'r Cynghorydd Cyfreithiol adroddiad yn dilyn adolygiad o aelodaeth Panel yr Heddlu a Throsedd.

Fel yr Awdurdod Cynnal, roedd yn ofynnol i Gyngor Bwrdeistref Sirol Conwy adolygu aelodaeth Panel yr Heddlu a Throsedd yn flynyddol a gweithredu unrhyw newidiadau angenrheidiol.

O ganlyniad i newidiadau yng nghydbwysedd gwleidyddol Gogledd Cymru, roedd cyfansoddiad gwleidyddol y Panel wedi newid. Felly, ar ôl gweithredu gweithdrefnau cydbwysedd gwleidyddol yr Awdurdod Cynnal, mae'r newidiadau canlynol wedi'u gwneud:

- Hawl CBSC
  - Cyn yr adolygiad: 2 Annibynnol
  - Ar ôl yr adolygiad: 1 Annibynnol ac 1 Ceidwadwr

- Hawl Cyngor Sir y Fflint
  - Cyn yr adolygiad: 1 Llafur ac 1 Democrat Rhyddfrydol
  - Ar ôl yr adolygiad: 1 Llafur ac 1 Annibynnol.

Felly, croesawodd y Panel y Cyngorydd Greg Robbins (yn lle'r Cyngorydd Julie Fallon) a'r Cyngorydd Arnold Woolley (yn lle'r Cyngorydd Neville Phillips).

Oherwydd y newidiadau, roedd bellach yn rhaid i'r Panel benodi Cefnogwr Darparu Cymdogaethau Mwy Diogel newydd.

Cynigiwyd ac eiliwyd y dylid penodi'r Cyngorydd Hugh Irving i'r swydd.

**PENDERFYNWYD-**

**(a) Nodi'r newidiadau i Banel yr Heddlu a Throsedd.**

**(b) Penodi'r Cyngorydd Hugh Irving yn Gefnogwr Darparu Cymdogaethau Mwy Diogel.**

**84. YSTYRIED RHAGLEN GWAITH I'R DYFODOL PANEL HEDDLU A THROSEDD GOGLEDD CYMRU**

Cyflwynwyd Rhaglen Gwaith i'r Dyfodol Panel Heddlu a Throsedd Gogledd Cymru i'r Aelodau.

Gofynnodd Prif Weithredwr Swyddfa Comisiynydd yr Heddlu a Throsedd am y diwygiadau canlynol:

- Cyflwyno'r Adroddiad Blynyddol yn y cyfarfod fis Rhagfyr (yn hytrach na chyfarfod mis Medi)
- Bod y Panel yn derbyn cyflwyniad gan Leaders Unlocked ar ddatblygu Comisiwn Ieuentid Gogledd Cymru – Rhagfyr 2019

Cododd y Swyddog Arweiniol a'r Cyngorydd Cyfreithiol y Gyfundrefn Gwynion newydd fel pwnc at y dyfodol gan ofyn a ellid cyflwyno adroddiad neu roi cyflwyniad i'r Panel ynghylch y newidiadau. Atebodd y Prif Weithredwr gan ddweud ei fod yn obeithiol y gellid darparu'r wybodaeth ddiweddaraf fis Rhagfyr 2019.

**PENDERFYNWYD-**

**Cymeradwyo Rhaglen Gwaith i'r Dyfodol Panel yr Heddlu a Throsedd, yn amodol ar y newidiadau uchod.**

- **Dydd Llun, 23/03/20 am 2.00pm (dim ond os oes busnes statudol i'w ystyried)**

(Daeth y cyfarfod i ben am 4.15 pm)

Dyddiad	Teitl a dolenni i'r penderfyniad llawn	Crynodeb
23/05/2019	Symudiadau yn y Cronfeydd Wrth Gefn	<p>Y Comisiynydd sy'n dal yr holl gronfeydd wrth gefn y gellir eu defnyddio ar gyfer y gwasanaeth heddlu. Rhaid iddo benderfynu bob blwyddyn sut y caiff y cronfeydd wrth gefn hyn eu defnyddio. Mae cronfeydd wrth gefn yn ffynhonnell cyllid anghylchol, ac ni ddylid eu defnyddio felly i ariannu gwariant refeniw cylchol. ## **Rhagarweiniad**

Dyma fy adroddiad i'r Panel o'r cyfnod 1 Mai tan 1 Awst 2018.

Mae'r adroddiad hwn yn delio â pherfformiad yn erbyn Cynllun Heddlu a Throsedd 2017-2021. Nid yw'r adroddiad yn ymwneud â'r gofynion adrodd statudol penodol. Mae'n ymwneud yn bennaf â swyddogaeth ehangach y panel o dan adran 28 (6) o Ddeddf Diwygio'r Heddlu a Chyfrifoldeb Cymdeithasol 2011 (y Ddeddf) i adolygu neu graffu ar benderfyniadau a wnaed neu gamau eraill a gymerwyd gennyf fel Comisiynydd yr Heddlu a Throsedd (y Comisiynydd) ar gyfer gogledd Cymru, ac i lunio adroddiadau a gwneud argymhellion i mi fel Comisiynydd yn hynny o beth. Hefyd, yn unol ag adran 13 (1) y Ddeddf, mae'n darparu gwybodaeth i'r Panel lle mae'r Panel yn gofyn amdano yn rhesymol gan y Comisiynydd ar gyfer cyflawni ei swyddogaethau (y gofynion penodol).

## **Adran Un: Fy ngwaith craffu ar Heddlu Gogledd Cymru**

Bydd aelodau'r panel yn ymwybodol, yn 2017-2021, fy mod i wedi penderfynu blaenoriaethu'r meysydd hynny a nodwyd fel prif feysydd bygythiad, risg a niwed. Sef:

- **Cam-drin domestig**
- **Caethwasiaeth Fodern**
- **Cam-drin Rhywiol (gan gynnwys Cam-fanteisio'n Rhywiol ar Bant)**
- **Trosedd Gyfundrefnol**

Yn ychwanegol at y blaenoriaethau hyn, mae gwasanaeth heddlu gweladwy a hygyrch yn parhau i fod yn bwysig i'r cyhoedd. Mae'r Cynllun yn adlewyrchu'r hyn mae'r cyhoedd a'r Panel Heddlu a Throsedd wedi dweud wrthyf ac mae **Darparu Cymdogaethau Diogel** yn parhau i fod yn flaenoriaeth i mi.

Adolygais fy Nghynllun ym mis Mawrth 2019 ac er bod y blaenoriaethau uchod yn dal wedi eu cynnwys, cyflwynais hefyd flaenoriaeth drosfwaol o **leihau cam-fanteisio troseddol ar bobl ddiamddiffyn**.

Yn unol â hynny, rwyf nawr yn craffu ar Heddlu Gogledd Cymru trwy fesur ei berfformiad yn erbyn y pum blaenoriaeth hyn. Y prif gyfrwng rwyf yn ei ddefnyddio i gyflawni'r swyddogaeth graffu honno yw'r Bwrdd Gweithredol Strategol sy'n cael ei gadeirio gennyf, ac y mae'r prif gwnstabl a'i uwch swyddogion yn eistedd arno. Cyflwynir adroddiad perfformiad gan yr Heddlu ym mhob cyfarfod SEB sy'n nodi'r sefyllfa a'r heriau presennol mewn perthynas â phob blaenoriaeth.

Er byddaf yn monitro perfformiad yr Heddlu yn erbyn y pum blaenoriaeth hyn yn fy nghyfarfodydd SEB, mae'n ofynnol wrth gwrs bod agweddau eraill ar blismona yn parhau i gael eu cyflwyno'n effeithiol ac yn effeithlon. Yn hynny o beth, craffir ar rywfaint o wybodaeth am blismona craidd yn yr SEB hefyd.

## **Blaenoriaeth 1: Cam-drin Domestig**

**Dioddefwyr sy'n Dioddef Trosedd eto o fewn 12 mis** – mae YTD Wythnos 14 yn dangos cynnydd o 2.3%, a nifer y Dioddefwyr eildro yn sefydlog dros amser.

**Troseddwy'r sy'n Aildroeddu o fewn 12 mis** – Gwelwyd gostyngiad o 9.2% mewn troseddwy'r sy'n aildroeddu yn ystod y flwyddyn hyd yma. Mae troseddwy'r yn parhau i fod yn y grŵp oedran 25-34 oed yn bennaf.

**Hyder a Bodlonwydd Dioddefwy'r Cam-drin Domestig** - Rhwng 28 Tachwedd 2018 ar ddiwedd mis Mai 2019, cynhaliwyd 254 o arolygon dioddefwy'r Cam-drin Domestig. Roedd yn galonogol pa mor uchel oedd cyfraddau bodlonwydd ar gyfer dioddefwy'r domestig gan gynnwys dioddefwy'r risg uchel. Mae canlyniadau'n dangos lefelau bodlonwydd o 91.2% ar gyfer Cyswllt; 90.0% ar gyfer Camau a Gymerwyd; 96.1% ar gyfer Cymorth DAO; 70.3% ar gyfer Dilyniant ac 86.6% ar gyfer y Profiad Cyfan.

Cwestiynodd Aelod o'r Panel yn y cyfarfod diwethaf pam fod Bodlonwydd Dilyniant mewn perthynas ag achosion Trais Domestig yn isel a holwyd a oedd hwn yn fater o ran adnoddau / hyfforddiant; Rydym yn dal i edrych i mewn i'r mater hwn a thrafodwyd y mater gyda'r Llu yn y Bwrdd Gweithredol Strategol diweddaraf. Rydym wedi awgrymu y gallai'r Ganolfan Gymorth i Ddioddefwy'r a'r Eiriolwy'r Annibynnol Trais Domestig efallai gynorthwyo gyda'r mater hwn a mynd i'r afael â'r anfonlonwydd.

**Hysbysiadau Diogelu Trais Domestig** – Fel ar Wythnos 14, bu gostyngiad o 15.0% yn yr achosion Cam-drin Domestig lle'r oedd o leiaf un Hysbysiad Diogelu Trais Domestig wedi'i roi. Mae defnydd a gweithrediad yr Hysbysiadau Diogelu yn dal yn gryf iawn yng Ngogledd Cymru, rydym yn gweld nifer sylweddol o geisiadau yn cael eu gwneud i'r llysoedd sy'n cael eu cefnogi. Mae ymchwil academiaidd yn cael ei wneud ar hyn o bryd i archwilio effeithiolrwydd ac effaith y defnydd o Hysbysiadau Diogelu. Mae'r ymchwil hwn wedi'i drafod gyda, ac yn cael ei gefnogi gan y Coleg Polismona.

Yn ystod cyfarfod diwethaf y Panel, cwestiynodd y Cyng Chris Bithell pam fod cynnydd yn nifer y rhai oedd yn dioddef eilwaith o fewn 12 mis, ac awgrymodd y Prif Gwnstabl y gallai fod rhywfaint o gydberthyniad rhwng nifer y dioddefwy'r oedd yn dioddef trosedd fwy nac unwaith a'r defnydd o Hysbysiadau Diogelu Trais Domestig. Bydd y gydberthyniad rhwng erlid fwy nag unwaith a'r defnydd o Hysbysiadau Diogelu yn cael ei archwilio yn yr ymchwil a gyfeirir ato uchod

Ar Wythnos 14, cafwyd delweddau tystiolaeth o **Fideo a Wisgir ar y Corff** mewn 3.4% o achosion o Gam-drin Domestig. Coda hyn i 16.5% lle mae Hysbysiadau Diogelu wedi eu rhoi.

Mae gwaith yn dal ar y gweill i sefydlu grŵp SEEDS (Gwasanaethau Grymuso ac Addysgu Goroewy'r) a fydd yn defnyddio profiad dioddefwy'r/ goroewy'r DA i wella polisi, hyfforddiant ac arferion gwaith.

Mae lleoedd wedi eu harchebu ar gyfer Swyddogion Cam-drin Domestig o bob un o'r tair ardal ar yr hyfforddiant 'Menter Mankind', a ariannwyd gan y Swyddfa Gartref. Bydd yr hyfforddiant hwn hefyd yn cael ei estyn i bob Ymgynghorydd Trais Domestig Annibynnol.

Nodwyd yn ddiweddar ar y Bwrdd Trais yn Erbyn Merched, Cam-drin Domestig, a Thrais Rhywiol Gogledd Cymru, sy'n cael ei gadeirio gan fy Mhrif Weithredwr, fod hyfforddiant i Swyddogion Cam-drin Domestig yn ddiffygiol yn y rhanbarth ac mae cynlluniau ar droed ar hyn o bryd i ddylunio mewnbyn hyfforddiant arbenigol ar gyfer Swyddogion Cam-drin Domestig. Mae'r gwaith hwn yn barhaus.

Yn ogystal â'r hyfforddiant arbenigol i Swyddogion Cam-drin Domestig, mae hyfforddiant cam-drin domestig yn cael ei gaffael ar hyn o bryd ar gyfer yr holl staff rheng flaen. Rwyf wedi bod yn rhoi pwysau ar y Llu i symud yn sydyn i gyflwyno hyfforddiant "Domestic Abuse Matters" (pecyn hyfforddiant Cam-drin Domestig y Coleg Plismona) ac rwy'n gofyn am y wybodaeth ddiweddaraf yn rheolaidd ynghylch y broses gaffael. Yn sgil yr adroddiad IOPC i ymwneud y Llu â Ms Laura Stuart cyn ei llofruddiaeth, a'r argymhellion ategol, mae'n hollbwysig fod yr hyfforddiant hwn yn cynnwys yr hyfforddiant mwyaf cyfredol ynghylch 'ymddygiad cymhellol a rheolaethol' a stelcian ac aflonyddu.

Mae Uned Diogelu Pobl Ddiamddiffyn Heddlu Gogledd Cymru (PVPU) yn peilota cynllun newydd o'r enw Tasgu Cyflawnwyr Cam-drin Domestig Asiantaethau (ADAPT) yn yr ardal Ganolog a fydd yn fyw erbyn diwedd mis Medi.

Bydd y cynllun peilot ADAPT yn gweithio gyda throseddwy'r Cam-drin Domestig sy'n troseddu eto er mwyn eu hymrestru gyda chymorth yr asiantaeth bartneriaeth i leihau'r perygl maent yn peri i ddiodefwr. Mae hwn yn ddull tebyg i broses MARAC sy'n gweithio gyda diodefwr.

Amcanion y cynllun peilot yw

- amddiffyn diodefwr a'u plant;
- nodi anghenion asesu mewn perthynas â'r cyflawnwr;
- nodi unrhyw berygl o niwed cynyddol arfaethedig i eraill;
- nodi unrhyw risg arfaethedig o droseddu pellach gan y cyflawnwr;
- cefnogi, atal a chanfod trosedd a dal ac erlyn troseddwy'r.

Cynhelir cyfarfodydd cynhadledd amlasiantaeth ADAPT bob 4 wythnos. Bydd y tîm wedi eu lleoli o fewn PVPU Llanellwyr a bydd yn defnyddio data dadansoddol o wybodaeth yr heddlu i nodi cyflawnwyr i'w hymrestru.

Mewn perthynas â phob trosedd lle mae diodefwr wedi ei ganfod, mae'n orfodol i gynnal asesiad o ba mor agored ydynt i drosedd. Y dewisiadau ar gyfer cynnal a chofnodi'r asesiad hwnnw drwy naill ai ddefnyddio CID 16 neu'r Templed Asesiad Pobl sy'n Agored i Niwed. Dylai CID 16 ond cael ei gyflwyno i Uned Atgyfeirio Ganolog y Llu mewn perthynas â rhai lle mae'r canfyddiad o risg yn uchel. Newidiwyd y diffiniad o risg uchel ychydig fisoedd yn ôl mewn ymateb uniongyrchol i argymhelliad yr HMIC ac mae hyn wedi arwain at gynnydd sylweddol yn yr atgyfeiriadau i Eiriolwyr Annibynnol Trais Domestig ac i Gynadleddau Amlasiantaeth Asesu Risg (MARAC). Mae llif yr achosion a gyfeiriwyd i MARAC yn rhan o'r adolygiad MARAC cyfredol. Cefnogir yr Adolygiad MARAC gan y tîm VAWDASV Rhanbarthol.

Holais y PVPU yn ddiweddar sut maent yn sicrhau y gweithredir amodau mechniaeth priodol mewn achosion trais domestig ac nad yw unigolion dan amheuaeth yn cael eu Rhyddhau yn ystod Ymchwiliad heb i unrhyw amodau gael eu hatodi. Rwyf wedi cael fy sicrhau fod achosion Cam-drin Domestig yn cael eu monitro'n fisol o ran y niferoedd sy'n mynd drwy'r ddalfa a gweithrediad mechniaeth amodol i sicrhau fod y niferoedd hyn yn gwella.

Dywedwyd wrthyf yn fy nghyfarfod Bwrdd Gweithredol Strategol ym mis Gorffennaf fod hyrwyddo arestiaid yn ymwneud â Cham-drin Domestig a oedd yn arwain at ryddhau ar fechniaeth amodol yn duedd sy'n parhau i fod ar gynnydd. Ar Wythnos 14 arweiniodd 16.2% o bresenoldeb yn ymwneud â cham-drin domestig mewn dalfeydd at roi mechniaeth amodol.

Mae aelod o'r tîm yn eistedd ar Grŵp Tasg a Gorffen Ymchwilio Safonau (a gadeirir bob mis gan yr ACV) lle mae ansawdd yr amodau hynny'n cael ei fonitro.

## Bwrdd Trais yn erbyn Merched, Cam-drin Domestig a Thrais Rhywiol Gogledd Cymru (Bwrdd VAWDASV):

Bydd Aelodau'r Panel yn cofio mai fy Swyddfa yw cefnogwr grant VAWDASV Llywodraeth Cymru a'n bod, drwy Fwrdd VAWDASV Gogledd Cymru, wedi cyfuno'r grant hwn gyda'n harian VAWDASV ein hunain, er mwyn comisiynu gwasanaethau mewn modd mwy llyfn yn ystod 2018/19. Yn ystod 2018/19, y gwasanaethau a ddarparwyd yn y rhanbarth, gan ddefnyddio grant OPCC a VAWDASV (Llywodraeth Cymru) oedd:

- Tîm VAWDASV Rhanbarthol, yn cynnwys Ymgynghorydd Rhanbarthol, dau Swyddog Datblygu a Swyddog Cymorth Busnes.
- Darpariaeth IDVA llawn ym mhob un o'r chwe awdurdod lleol.
- Darpariaeth ISVA i gynnwys chwe awdurdod lleol, wedi eu lleoli yn yr SARC. Cyflogir ISVAs yn uniongyrchol gan y SARC.
- Choose2Change (rhaglen cyflawnwyr) yn Wrecsam a Sir y Fflint.
- Tadau Gofalgar (rhaglen Cefnogi Teuluoedd) yng Nghonwy a Sir Ddinbych a Gwynedd ac Ynys Môn.

## Blaenoriaeth 2: Caethwasiaeth Fodern

Dioddefwyr: O'r dioddefwyr a ddiogelir dros y 12 mis diwethaf, mae 51 (71%) o'r troseddau a adroddwyd wedi bod mewn perthynas â chaethwasanaeth domestig, 6 (8%) i hwyluso teithio a 15 (21%) o lafur dan orfodaeth. Mae mwyafrif llethol y dioddefwyr yn wyn a Phrydeinig, ac mae mwyafrif y dioddefwyr dan 20 oed.

Mae'r graff uchod yn dangos bod cynnydd wedi bod yn y misoedd diwethaf yn y Wybodaeth am Gaethwasiaeth Fodern.

### Diogelu

Cynhaliwyd Ymgyrch Blue Steel yn ardal Glannau Dyfrdwy'n ddiweddar. Roedd yr ymgyrch hon yn cynnwys cynnal chwiliadau mewn mannau cyhoeddus lle mae gwybodaeth yn nodi fod gweithgaredd wedi'i reoli yn ymwneud â chyffuriau'n digwydd. Mae tueddiadau lleol a rhanbarthol yn nodi bod y rhai hynny sy'n gysylltiedig â gweithgaredd Llinellau Sirol yn y maes cyffuriau yn cuddio arfau mewn mannau cyhoeddus i ddiogelu eu hunain a lleihau'r siawns o gael eu dal gan yr heddlu gydag arfau, a'u cadw'n agos wrth law os ydynt yn credu bod arnynt eu hangen. Bwriad y chwiliadau hyn yw canfod ac atafaelu arfau o'r fath.

Cymerodd staff Caethwasiaeth Fodern ran mewn diwrnod datblygiad proffesiynol yn Ysbyty Gwynedd ar gyfer saith deg o ymwelwyr iechyd a nyrsys ysgol. Roedd hyn yn cynnwys paratodau wedi eu dilyn gan sesiynau holi ac ateb. Dyma rai o'r testunau a drafodwyd:-

- Y darlun byd-eang
- Deddf Caethwasiaeth Fodern
- Mathau o Gaethwasiaeth
- Smyglo / Masnachu
- Cyfeirwyr Caethwasiaeth Fodern
- Ffactorau risg
- Rhwystrau i ddatgelu
- Mekanweithiau Cyfeirio Cenedlaethol

### Paratoi

Mae ugain o swyddogion bellach wedi cwblhau Cwrs Ymchwilwyr Arbenigol Uned Drawsnewid yr Heddlu. Mae hwn yn gynydd sylweddol o'r nifer o swyddogion a hyfforddwyd ym mis Ionawr 2018, sef tri. Mae pedwar lle arall wedi eu sicrhau ar gyrsiau ychwanegol yn ystod gweddill 2019.

Mae disgwyl i Swyddogion Plismona Ffyrdd a swyddogion y Gynghrair Arfog fynychu sesiynau ymwybyddiaeth MDS, gyda'r nod o gynyddu eu gwybodaeth ynghylch Caethwasiaeth Fodern os

byddant yn dod i gyswllt â cherbydau ar y prif ffyrdd sy'n cael eu defnyddio i symud dioddefwyr i, o neu drwy Ogledd Cymru.

Mae gwaith yn parhau i wella cwmpas darpariaeth canolfannau derbyn ar gyfer dioddefwyr Cam-drin Domestig o fewn Gogledd Cymru. Mae Heddlu Gogledd Cymru yn defnyddio adeilad Byddin yr Iachawdwriaeth dros dro at y diben hwn. Mae'r Tîm Caethwasiaeth Fodern ar hyn o bryd yn cwmpasu datrysiadau mwy parhaol gyda'r awdurdodau lleol.

### **Atal**

Mae fy Swyddfa wedi llwyddo sicrhau ychydig o gyllid grant drwy Gronfa Trawsnewid Caethwasiaeth Fodern. Bwriad fy nhîm yw defnyddio'r cyllid i gynnal cynhadledd Caethwasiaeth Fodern ym mis Rhagfyr 2019 a fydd yn ceisio codi ymwybyddiaeth am gaethwasiaeth fodern mewn gweithleoedd ac ardaloedd busnes allweddol yn y sector preifat yng Ngogledd Cymru. Bwriad y codi ymwybyddiaeth yw lleihau'r cyfle i rai sy'n ymelwa i ddod o hyd i swyddi ar gyfer dioddefwyr yng Ngogledd Cymru. Bydd y gynhadledd yn cael ei threfnu ar y cyd gan aelodau o Grŵp Caethwasiaeth Fodern Rhanbarthol Gogledd Cymru. Mae pob un o'r 6 awdurdod lleol a phartneriaid cyfiawnder troseddol wedi cytuno i ariannu swm enwol tuag at y gynhadledd.

### **Erlid**

Yn unol ag argymhellion adolygiad diweddar, caiff pob ymchwiliad Caethwasiaeth Fodern eu goruchwyllo gan Dditectif Arolygydd. Nod hyn yw sicrhau ansawdd ymchwiliadau a sicrhau bod pob cyfle ymchwiliol wedi eu cyflawni.

Mae busnesau penodol yn llawer mwy tebyg o fod yn agored i gaethwasiaeth fodern. Mae'r diwydiant twristiaeth (gwestai ac ati), adeiladu, amaeth, asiantaethau cyflogaeth ac ati i gyd yn feysydd diwydiant preifat sy'n ceisio sicrhau gweithio byrdymor ac yn fwy tebygol i ddod i gyswllt ag agweddau caethwasiaeth fodern, naill ai'n uniongyrchol neu'n anuniongyrchol. Drwy ein gwaith gyda phartneriaid yn y blynyddoedd diwethaf, daeth yn amlwg, er fod y busnesau hyn yn agored i gaethwasiaeth fodern, ychydig wybodaeth a dealltwriaeth sy'n dal i fod am y mater a sut mae'n edrych yn eu maes masnachu nhw.

Ddwy flynedd yn ôl, cynhaliodd Comisiynydd yr Heddlu gynhadledd ar gyfer gweithwyr y sector cyhoeddus i godi ymwybyddiaeth am ddyletswyddau cyfreithiol a moesol y sector cyhoeddus. Nod y gynhadledd hon yw anfon neges i'r sector preifat i addysgu a hysbysu sut y gall caethwasiaeth fodern amlygu ei hun mewn modelau busnes, sut i sylwi ar yr arwyddion ac, yn bwysicaf oll, beth i'w wneud i amddiffyn dioddefwyr posibl.

Bydd gweithgor o bartneriaid allweddol gan gynnwys Uned Gaethwasiaeth Fodern Heddlu Gogledd Cymru yn gwneud y gwaith i gynnal y digwyddiad hwn.

### **Blaenoriaeth 3: Cam-drin Rhywiol (gan gynnwys Cam-fanteisio'n Rhywiol ar Bant)**

Troseddau o dreisio a adroddwyd fesul 1000 o'r Boblogaeth yn y 12 Mis hyd at fis Ebrill 2019:

All Forces in England & Wales (excludes city of London) current 12 months recorded crime

Rape Outcomes 1-8 - 12 months to April 2019

Mae'r set ddata ar gyfer y deuddeg mis hyd at fis Ebrill 2019 yn dangos, o blith pedwar deg dau o luoedd yr heddlu, mai Gogledd Cymru yw'r 10fed llu uchaf o ran y troseddau o dreisio a adroddwyd a'r 11fed uchaf o ran y canlyniadau positif ar gyfer troseddau o dreisio, yr ail yn ein grŵp o luoedd mwyaf tebyg. Fodd bynnag, mae Cyfradd Eryln Treisio ar gyfer Gogledd Cymru'n parhau i fod ychydig is na'r cyfartaledd cenedlaethol ar 57.7% (Cyfartaledd Cenedlaethol 63.5%). Rwyf wedi gofyn i'r Llu egluro'r gwahaniaeth rhwng y data canlyniadau cadarnhaol a'r gyfradd o gollfarnau.

Mae'r gyfradd gollfarnau troseddau Rhyw yn uwch na'r cyfartaledd cenedlaethol ar 85% (Cyfartaledd Cenedlaethol o 82.2%).

Bu cynnydd mewn achosion lle chafwyd Dim Camau Pellach. Trefnwyd Cyfarfod Treisio â Throseddau Rhywiol Difrifol gyda'r CPS i adolygu a deall y cynnydd hwn.

Mae'r Grŵp Strategol Trais Rhywiol yn dal i gwrdd ac yn adrodd i'r Bwrdd VAWDASV. Mae gwaith ar y gweill ar sut i gysylltu â cholegau a phrifysgolion i fagu hyder unigolion o gymunedau Du a Lleiafrifoedd Ethnig i roi gwybod am achosion o dreisio a throseddau rhyw difrifol.

Dros y pedair blynedd ddiwethaf, gwelwyd cynnydd o 123% yn yr adroddiadau o dreisio. Fodd bynnag, mae'r tîm ymateb i drais ond wedi tyfu o bedwar aelod. Rwyf wedi gofyn i'r Llu egluro sut, os o gwbl, mae'r cynnydd yn y ffigyrau wedi effeithio ar y staff. Yn 18/19, roedd pob swyddog yn Amethyst yn delio ag 11 trosedd fesul swyddog ar unrhyw adeg benodol.

**CSE:**

Mae'r Llu wedi rhoi gwybod i mi fod gostyngiad o un flwyddyn i'r llall wedi bod mewn achosion o CSE (cam-fanteisio'n rhywiol ar blant) i raddau helaeth oherwydd y lefelau uwch a welwyd yn hanner cyntaf 2017/18. Mae'r duedd o ran gwybodaeth yn ymwneud â CSE yn sefydlog, ac roedd lefelau mis Rhagfyr 2018 yn anarferol o isel. Mae'r ffigyrau presennol ar gyfer mis Mehefin 2019 yn dangos 78 cynnig.

**Child sexual exploitation occurrences reported**

**Monthly CSE intelligence submissions**

Mae hyfforddiant amlasiantaeth ACSEP (Ymarferwyr CSE Uwch) wedi ei ddarparu gan PACE (Rhieni yn Erbyn Camfanteisio ar Blant) i staff o Heddlu Gogledd Cymru, Conwy ac Awdurdod Lleol Ynys Môn. Roedd yr hyfforddiant yn trafod Camfanteisio'n Rhywiol ar Blant a Chamfanteisio'n Droseddol ar Blant.

Rwy'n sicr y dylai hyfforddiant ar y cyd sicrhau mwy o waith wedi'i gydgyssylltu a dealltwriaeth wedi'i rannu'n well o gamfanteisio ar blant.

Mae cwblhau cyfweiliadau dychwelyd adref yn parhau i fod yn anghyson ar draws y chwe ardal Awdurdod Lleol, ac nid yw plant mewn rhai Awdurdodau Lleol yn derbyn cyfweiliadau dychwelyd adref ar ôl achosion o fod ar goll hyd yn oed os yw eu hachos yn agored i'r gwasanaethau cymdeithasol. Oddeutu 16% yw'r gyfradd gwblhau ar gyfer ALL yn chwarter cyntaf 2019. Fodd bynnag, rwy'n hyderus ein bod yn symud tuag at gytuno ar bolisi Dychwelyd Adref drwy'r Bwrdd Diogelu Oedolion, ac y bydd y symudiad hwn yn helpu gwella'r sefyllfa bresennol.

Rwyf wedi cael sawl cyfarfod gyda'r Gwasanaeth Eiriolaeth Ieuenctid Cenedlaethol sydd wedi ymchwilio i fendithion cyfweiliadau dychwelyd adref a bydd yn sefydlu Grŵp Llywio Cymru Gyfan o amgylch cyfweiliadau Dychwelyd Adref. Byddaf yn cael fy nghynrychioli ar y grŵp hwn gyda'r cyfarfod cyntaf yn cael ei gynnal ddiwedd mis Medi.

Mae Uned CSE Heddlu Gogledd Cymru yn cysylltu gyda busnesau bwyd cyflym cenedlaethol i godi ymwybyddiaeth o CSE a diogelu cyffredinol ar gyfer plant coll.

#### CSE ar-lein:

Ers 1 Ebrill 2019, bu 34 atgyfeiriad i POLIT (Tîm Ymchwilio Ar-lein Pedoffiliaid):

Pwyntiau allweddol ar gyfer y chwarter diwethaf:

- Mae 32 warant wedi arwain at arestio 19 oedd dan amheuaeth, 3 ohonynt wedi troseddu o'r blaen;
- Cafodd un dioddefwr ei ganfod o'r 109 o atgyfeiriadau (yn 18/19) i POLIT, fodd bynnag cafodd 29 o unigolion eu diogelu;
- Ers 1 Ebrill 19, mae HGC wedi rhannu 7 pecyn Gwybodaeth i Asiantaethau Gorfodi'r Gyfraith eraill lle mae troseddwr posibl wedi eu nodi yn sgil ymchwiliadau HGC;

#### Blaenoriaeth 4: Troseddau Cyfundrefnol

Ar hyn o bryd mae 29 Grŵp Troseddu Cyfundrefnol sydd wedi eu mapio a'u rheoli gan HGC. Ar hyn o bryd mae 28 o Linellau Sirol yn effeithio ar Ogledd Cymru a herion a crac cocên sy'n parhau i fod yn nwyddau sylfaenol. Glannau Mersi yw'r ardal sy'n allforio'n bennaf.

Mae nifer o unigolion o Grwpiau Troseddu Cyfundrefnol wedi eu herlyn yn y llys yn ddiweddar ac wedi derbyn dedfrydau hir o garchar.

**Ymgyrch Loot** – Cafodd grŵp o bedwar unigolyn a oedd yn rhan o gynllwyn i gyflenwi cyffuriau Dosbarth A eu dedfrydu i gyfanswm o ychydig mwy na 15 mlynedd.

**Ymgyrch Bardot** – Cafod un o'r prif aelodau ac aelodau eraill arwyddocaol o OCG a oedd yn cyflenwi cyffuriau eu dedfrydu i 10 mlynedd, 4 mis, a 56 mis yn y drefn honno. Roedd yr eitemau a atafaelwyd yn cynnwys £600,000 o gyffuriau a 5 o ynnau.

### **Cronfa Ieuentid Ymyrraeth Gynnar:**

Nod y gronfa hon yw mynd i'r afael â thrais difrifol sy'n effeithio ar bobl ifanc yng Nghymru. Mae cyllid wedi'i ddarparu i Crimestoppers, Ymddiriedolaeth St Giles a GemauStryd mewn perthynas â'r Prosiect hwn.

**Crimestoppers** - Mae gweithiwr achosion 'Di-ofn' wedi ffurfio perthnasau yng Ngogledd Cymru ac wedi darparu sesiynau Di-ofn i ysgolion, clybiau ieuentid a hyfforddi gweithwyr proffesiynol. Lansiodd Crimestoppers Cymru ffilm Llinellau Sirol ar 19 Mehefin.

**GemauStryd** – Ar draws Gogledd Cymru, mae GemauStryd yn cefnogi 22 o Glybiau Chwaraeon Stepen Drws (DSC). Mae DSC yn ymyriadau mynediad agored yn seiliedig ar chwaraeon cymunedol sydd wedi eu cynllunio i wella hyder a chymhelliant pobl ifanc dan anfantias, cynyddu'r hapusrwydd o fewn cymunedau a chyfrannu'n gadarnhaol at faterion cymdeithasol ehangach drwy ddylunio a darparu eu darpariaethau. Maen nhw wedi bod yn gweithio gyda dadansoddwyr gwybodaeth HGC sydd wedi darparu mapio mannau lle mae llawer o ASB i'w caniatáu i groesgyfeirio'r DSC presennol yn erbyn lefelau uchel o droseddau ieuentid / ASB. Lle nad yw DSC yn y lleoliadau hyn, mae GemauStryd yn archwilio gyda phartneriaid sut y gallant ddatblygu darpariaethau newydd. Bydd GemauStryd yn datblygu cynlluniau 'Chwaraeon a Throseddau Ieuentid' ar draws pob rhanbarth ac yn mesur effaith wrth symud ymlaen.

**Ymddiriedolaeth St Giles** – Nod Ymddiriedolaeth St Giles yw gweithio gyda 15 o bobl ifanc i gefnogi'r rhai hynny sydd mewn perygl o drais difrifol, llinellau sirol a throseddau â chyllyll Mae'r gwaith 1:1 yn bwrpasol ac wedi'i deilwra i anghenion y person ifanc.

Darparodd tri siaradwr o Gogledd Cymru gan gynnwys 2 o HGC weithdy ar Brosiect Pobl Ifanc Gorllewin y Rhyl yn y Gynhadledd Creu Cymunedau Mwy Diogel yng Nghasnewydd ar 2 Gorffennaf 2019.

### **Prosiectau Cymunedol:**

Mae'r Llu ar hyn o bryd yn cynhyrchu proffiliau lleol Trais Difrifol a Throseddau Cyfundrefnol (SVOC) yn lleol. Nod y proffiliau yw canfod materion ar y cyd o bob asiantaeth sy'n cyfrannu tuag at y bygythiad ehangach o SVOC. Yn draddodiadol, ystyrir SVOC yn fater plismona ond mae ysgogwyr negyddol yn arwain at SVOC fel mynediad gwael i wasanaethau, absenoldeb cyson o ysgolion a

chamdddefnyddio sylweddau yn faterion partneriaeth. Bydd y gwaith hwn yn unol â'r Strategaeth Troseddau Cyfundrefnol Difrifol a Strategaeth Trais Difrifol y Swyddfa Gartref.

### **Blaenoriaeth 5: Darparu Cymdogaethau Mwy Diogel**

O ran **Heddlu'n Deall Materion Cymunedol**, mae Gogledd Cymru'n 6ed yn genedlaethol gyda 73.7% ar gyfer y 12 mis hyd at fis Rhagfyr 2018, cynnydd o 0.3 y pen ar y 12 mis hyd at fis Medi 2018. Rydym hefyd yn codi i 2il yn ein Grŵp Mwyaf Tebyg a 1af yng Nghymru.

O ran **Heddlu'n Ymateb i Faterion Cymunedol**, mae Gogledd Cymru'n parhau yn 2il yn genedlaethol gyda 63.1% ar gyfer y 12 mis hyd at fis Rhagfyr 2018, gostyngiad o 1.1 y pen ar y 12 mis hyd at fis Medi 2018. Mae hyn yn ein codi i'r safle cyntaf yn ein Grŵp Mwyaf Tebyg a'r 1af yng Nghymru.

Mae gwelliant pendant o ran **Hyder** yn yr heddlu ac mae HGC ymhlith y lluoedd gorau yng Nghymru a Lloegr.

Sefydlodd Heddlu Gogledd Cymru Ganolbwynt Datrys Problemau ym mis Tachwedd 2018, yn cynnwys Arolygydd a 2 Gydlynedd Atal Troseddu, a gefnogir gan rwydwaith o 54 o ymgynghorwyr tactegol. Ers lansio'r Canolbwynt ar 30 Ionawr 2019, bu cynnydd cyson yn nifer ac ansawdd cynlluniau Plismona yn ôl Problemau (POPS). Ar hyn o bryd, mae 35 o gynlluniau wedi eu cyflwyno i fy nghefnogi i ddarparu blaenoriaeth Cymdogaethau Mwy Diogel.

Un enghraifft ardderchog o'r mentrau datrys problemau sy'n cael eu cyflawni yw'r Fenter Gwrthsefyll Trais (SAVI) yn y Rhyl sydd â phartneriaeth gref ac ymgysylltiad â'r gymuned. Bydd SAVI yn darparu ystod amrywiol o wasanaethau i gefnogi ac atal pobl ifanc rhag cymryd rhan mewn trosedd ac anhrefn a chynyddu argaeledd gweithgareddau cadarnhaol.

Dyma rai enghreifftiau o Heddlu Gogledd Cymru yn gweithio gyda'i bartneriaid dros y cyfnod adrodd i 'ddarparu cymdogaethau mwy diogel':

**Ymgyrch Labour** – dwyn offer yn ardal wledig Wrecsam. Arestiwyd pedwar person a ymddangosodd yn y llys ar 17/06/19.

**Ymgyrch Blue Oak** – Dwyn trelars yn Ardal Wledig Wrecsam. Cwblhawyd dau ddiwrnod rhagweithiol a daethpwyd o hyd i ddau drelar, mae'r troseddau wedi gostwng yn sylweddol.

**Ymgyrch Lawin** – troseddau dwyn o ffermydd yn ardal wledig Wrecsam, cefn gwlad Sir y Fflint a Swydd Gaer. Ymgyrch ar y cyd yn cael ei chynnal rhwng CID y Dwyrain a heddlu Swydd Gaer.

**ASB a Graffiti ym Mae Colwyn** - tuedd sy'n dod i'r amlwg ledled Bae Colwyn gyda phocedi o graffiti'n ymddangos ar draws y dref, gyda sawl "tag" yn cael eu defnyddio. Mae'r tîm plismona lleol a Chyngor Conwy wedi defnyddio dull Ymateb i Broblemau i geisio deall pam fod hyn wedi datblygu a phwy allai fod yn gyfrifol. O ganlyniad, maent wedi defnyddio gwasanaethau artist graffiti lleol sy'n cynnig persbectif arbenigol a lleol o ran pam y gallai hyn fod yn datblygu.

**Begera, Canol Tref y Rhyl** – mae gwaith partneriaeth parhaus gyda “Sir Ddinbych yn Gweithio” wedi amharu ar y rhai hynny sy’n begera ar y strydoedd. Er nad ydym yn dal i fod yn deall achosion begera yn llawn (gan ei fod yn amrywio’n helaeth), mae pecynnau ymyrraeth ac ymgysylltu pwrpasol wedi eu creu i fynd â’r unigolion hyn i ffwrdd o’r gweithgaredd hwn. Mae’r rhai hynny sy’n dewis peidio ag ymgysylltu yn cael eu hun yn destun gorfodi mwy traddodiadol gan ddefnyddio Gorchymyn Gwarchod Mannau Cyhoeddus.

**Ymgyrch Chowder** – ASB a Throseddau yn gysylltiedig â phoblogaeth ddigartref ym Mangor. Y prif ffocws yw cynnig gwasanaethau i unigolion digartref a diamddiffyn yn ardal Bangor a’r cyffiniau, gyda’r nod yn y pendraw o leihau trosedd ac anrhefn, a lleddfu pwysau ar lu o wasanaethau drwy waith partneriaeth wedi’i dargedu. Rhagwelir y bydd “Canolbwynt” un stop ar gyfer gwasanaethau cefnogi yn weithredol o fewn 12-18 mis.

**Ymgyrch Clouder** – Mae’r fenter hon yn adeiladu ar ein perthnasau gwaith agos gyda Phrifysgol Bangor a Choleg Menai. Bwriad y cynllun yw canfod gwirfoddolwyr (myfyrwyr) i gefnogi’r heddlu a’r gymuned leol. Mae cynllun cyfeillio eisoes ar waith lle mae myfyrwyr yn cefnogi cyd-fyfyrwyr ar nosweithiau prysur, gan sicrhau taith ddiogel iddynt gartref, gan felly atal trosedd, anhwylder a throseddau a allai fod yn fwy difrifol. Mae’r posibiladau ar gyfer y cynllun hwn yn ddiidwedd ac yn cynnig profiad gwerthfawr i’r cyfranogwyr y gellir ei drosglwyddo i’r yrfa o’u dewis yn y dyfodol.

#### **Materion Plismona Craidd:**

**Ar Wythnos 114** (15 Gorffennaf 2019) bu cynnydd o 4.6% yn y troseddau a gofnodwyd yn y flwyddyn hyd yma (o 15,912 y llynedd i 16,647 eleni). Trais heb anaf sy’n parhau i gymell y cynnydd cyffredinol. Mae fodd bynnag gostyngiad o 13% mewn achosion o drais heb anaf.

Yr amser ymateb cyfartalog ar unwaith yw 12.3 munud, sy’n parhau i fod yn sefydlog. Mae hyn yn amrywio o 8.9 munud yn Nhref Wrecsam i 17.8 munud yn Ne Gwynedd.

Mae’r nifer a **Laddwyd neu a Anafwyd yn Ddifrifol** ar ein ffyrdd yng Ngogledd Cymru wedi gostwng o 17.5% yn ystod y flwyddyn hyd yma (i lawr o 57 i 47). Bu hefyd gostyngiad hirdymor mewn mân anafiadau, sy’n golygu mai HGC sydd â’r gyfradd isaf yn genedlaethol. Efallai bod aelodau’r panel yn cofio bod cynnydd mewn anafiadau difrifol yn 2018, ond mae hyn bellach wedi dychwelyd i lefelau cyfartalog.

#### **Troseddau â Chyllyll:**

At ei gilydd, roedd 268 o droseddau yn ymwneud â chyllell rhwng mis Mawrth 2018 a mis Mawrth 2019, roedd dau o’r troseddau hyn yn llofruddiaethau. Roedd 190 o ymasiadau gydag anaf a phum lladrad (a oedd yn cynnwys cyllell). Roedd cynnydd cyffredinol o 3% mewn troseddau’n cynnwys cyllell, sy’n gynydd tebyg i’r flwyddyn flaenorol.

#### **Bodlonrwydd yn gyffredinol**

Mae’n bwysig nodi y bu gostyngiad sylweddol yn nifer yr arolygon bodlonrwydd defnyddwyr ar gyfer dioddefwyr troseddau cyffredinol ers mis Ebrill 2018. Yn y cyfnod Gorffennaf 2017 i fis Mehefin 2018,

cwblhawyd oddeutu 1700 o arolygon o’u cymharu ag oddeutu 500 yn yr un cyfnod rhwng 2018 a 2019. Mae’r gostyngiad yn y sampl yn golygu fod y lle ar gyfer gwall yn y canlyniadau yn ehangach yn y deuddeg mis diwethaf o arolygon. Mae hefyd yn golygu y gellir ond defnyddio’r canlyniadau i ddangos darlun ar draws y llu gan fod meintiau’r samplau ar gyfer adrannau unigol yn eithaf bychan. Y rheswm dros y gostyngiad hwn mewn arolygon bodlonrwydd oedd caniatáu’r llu i ariannu’r arolygon dioddefwyr cam-drin domestig gorfodol a ddechreuodd ar ddiwedd 2018.

Isod mae’r lefelau bodlonrwydd ar draws pob maes gwasanaeth ar gyfer y cyfnodau Gorffennaf 2017 – Mehefin 2018 a mis Gorffennaf 2018 – Mehefin 2019.

#### Arolygon Bodlonrwydd Defnyddwyr (trosedd gyffredinol)

\* Mae maint y sampl ar gyfer Digwyddiadau yn Ymwneud â Chasineb yn fychan (tua 100 arolwg y flwyddyn).

Mae’r sylwadau a wnaed gan ddefnyddwyr anfodlon yn ymwneud â Dilyniant ar gyfer Troseddau Cyffredinol yn y deuddeg mis diwethaf wedi eu hadolygu hefyd:

Mae 71.1% yn adrodd cwynion ynghylch cyfathrebu – diffyg diweddariadau, dim cyswllt dilynol, gorfod mynd ar ôl gwybodaeth, ddim yn ymwybodol o’r canlyniad, gorfod delio â nifer o bobl.

Nododd 11.1% eu bod yn anfodlon gyda’r ymchwiliad ei hun – anfodlon gyda’r canlyniad, anfodlon gyda’r camau ymchwilio.

Dywedodd 7.7% eu bod yn anfodlon ynglŷn ag oedi – oedi cyn cael eu gweld, oedi cyn i’r achos gael ei neilltuo i swyddog, yr amser y cymerodd yr ymchwiliad.

Roedd 2.6% yn anfodlon gydag agwedd HGC – yn teimlo eu bod wedi eu methu, nid oeddent yn teimlo fod yr achos yn cael ei gymryd o ddfiri.

Cyfeiriodd 2.6% at faterion ynghylch cyngor / gwybodaeth anghyson yn cael ei ddarparu gan staff HGC.

Rhoddodd 4.3% ymatebion a oedd yn amherthnasol i'w hymchwiliad eu hunain a'r dilyniant, ac yn anfodlon yn gyffredinol gyda HGC.

Bydd y Grŵp Tasg Safonau Ymchwilio a'r gwaith mae fy swyddfa yn ei wneud ynghylch cydymffurfriad gyda'r Cod Ymarfer Dioddefwyr yn ceisio dod i waelod y materion hyn, yn arbennig mewn perthynas â Dilyniant a ddarparwyd i ddioddefwyr.

### **Adran Dau: Diweddariadau Cyffredinol**

Yn yr adran hon rwy'n darparu crynodeb byr i'r Panel ynglŷn â'r prif bethau y mae fy Nirprwy a finnau wedi'u gwneud ers cyfarfod diwethaf y Panel.

### **Ymgysylltu a Chyfathrebu**

Rhan o fy rôl yw darparu gwybodaeth a galluogi'r gymuned i ymgysylltu â phlisma.

**1. Cyflwyniad**

1.1 Pwrpas y papur hwn yw darparu aelodau'r panel gyda:

- Chadarnhad fod y Datganiad Cyfrifon wedi'i gwblhau ar gyfer y flwyddyn ariannol a ddaeth i ben 31 Mawrth 2019;
- diweddariad ar y gyllideb blismona ar gyfer Gogledd Cymru ar 31 Gorffennaf 2019 (mis 4).

**2. Argymhellion**

2.1 Nodi'r adroddiad.

**3. Diweddariad ar gyfrifon ac archwiliad 2018/19**

3.1 Ar ôl cwblhau'r archwiliad, mae'r alldro a'r sefyllfa o ran arian wrth gefn y gellir ei ddefnyddio yr un fath â adroddwyd i'r Panel Heddlu a Throsedd ar 17 Mehefin 2019.

3.2 Roedd un newid i'r cyfrifon wedi'u harchwilio o ganlyniad i feirniadaeth McCloud<sup>1</sup>. Roedd hynny'n golygu cynnydd o £75m yn yr atebolrwydd yn berthnasol i Gronfa Pensiynau Heddlu Gogledd Cymru. Fodd bynnag, ers i'r atebolrwydd fod dan warant y Swyddfa Gartref, tydi'r newid heb gael unrhyw effaith ar yr arian wrth gefn y gellir ei ddefnyddio neu sefyllfa ariannol Comisiynydd yr Heddlu a Throsedd neu'r Heddlu.

3.3 Mae'r Archwilydd Cyffredinol wedi cyflwyno adroddiad archwilio diamod ar ddatganiadau ariannol y Comisiynydd a'r Prif Gwnstabl.

3.4 Gellir dod o hyd i wybodaeth bellach ar [Statement of Accounts](#) a [Auditor's Report](#).

**4. Diweddariad ar Gyllideb 2019/20**

4.1 Cymeradwywyd y gyllideb net o £154.264m ym Mhanel yr Heddlu a Throsedd ar 28 Ionawr 2019. Mae'n cynnwys £0.826m i Swyddfa Comisiynydd yr Heddlu a Throsedd a £1.624m i'r Gronfa Diogelwch Cymunedol. Mae rhagor o wybodaeth i'w gael ar wefan Comisiynydd yr Heddlu a Throsedd [website](#).

4.2 Mae'r gyllideb yn cynnwys twf o £1.939m gan greu 40 o swyddi newydd. Cynnydd hyd yma yn cynnwys:

- Recriwtio swyddogion wedi cynyddu o 54 yn y flwyddyn ariannol hon i 85, gyda 18 o swyddogion prawf ychwanegol wedi'u penodi yn Ebrill 2019 (a fydd yn

annibynnol yn Ionawr 2020). Mae'n cynnwys 10 o recriwtiaid *Ditectif Nawr* a thri swyddog wedi trosglwyddo;

- Mae recriwtio ychwanegol a hyfforddiant i staff er mwyn cynyddu'r nifer o swyddogion sy'n cael eu recriwtio;
- O 10 swydd ychwanegol mae wyth wedi'u llenwi a un yn y broses o'i llenwi. Mae'r swydd arall yn gydnaws â thwf swyddog;
- Wedi derbyn gynnu taser newydd, a bydd 100 o swyddogion ychwanegol yn cael eu hyfforddi i'w defnyddio erbyn Mawrth 2020.

#### 4.2 Wedi gwneud dau gyhoeddiad ers gosod y gyllideb ddiwethaf sydd wedi cael effaith ar wariant ar hyn o bryd ac yn y dyfodol:

- Dyfarniad cyflog i swyddog yn 2019/20 fydd 2.5%. Er bod y dyfarniad cyflog staff angen ei benderfynu arno'n derfynol mae'n debyg o fod yr un fath. Mae'r gost ychwanegol o £0.336m wedi'i gynnwys yn yr amcanestyniad.
- Ym mis Gorffennaf fe gyhoeddodd y Prif Weinidog gynlluniau i recriwtio 20,000 o swyddogion yr heddlu ychwanegol ledled Cymru a Lloegr. Nododd y cyhoeddiad gwreiddiol y byddai'n cael ei ariannu o fewn adnoddau presennol; fodd bynnag, ers hynny mynegwyd y bydd cyllid ar gael wrth symud ymlaen. Er mwyn dechrau gwneud cynnydd gyda hyn, mae 18 o swyddogion ychwanegol yn cael eu recriwtio yn Hydref 2019, a POD (AD) a hyfforddiant ar gael ar gost o £0.335m yn y flwyddyn ariannol bresennol.

#### 4.3 Trosglwyddiadau eraill a gyflawnwyd yn cynnwys:

- +£0.225m ar gyfer 10 Casglwyr Tystiolaeth
- +£0.342m ar gyfer gwaith cynnal a chadw wedi'i gynllunio
- -£0.127m ar gyfer Cefnogaeth Awyr (NPAS)

Bydd y Casglwyr Tystiolaeth yn cael eu recriwtio er mwyn symud ymlaen gydag archwiliadau yn ystod y cyfnod y byddwn yn hyfforddi ditectifs ychwanegol, yn fewnol a thrwy'r rhaglen *Ditectif Nawr*.

Mae arolwg cyflwr o ystâd y Comisiynydd yn dangos fod gwaith hyd at oddeutu £1.968m angen ei wneud dros y 10 mlynedd nesaf lle bydd £0.343m o flaenoriaeth uchel sydd angen ei wneud yn y flwyddyn ariannol hon.

Cadarnhawyd ffi NPAS ar gyfer 2019/20 yn Chwefror 2019, a chafodd y gyllideb ei lleihau yn unol â hynny. Fodd bynnag, bydd angen ei ail-asesu ar gyfer 2020/21, gan fod posibilrwydd y bydd y mecanwaith codi ffi yn newid.

#### 4.4 Mae problemau parhaus gyda chytundebau ffrensig a fydd o bosib yn golygu cynnydd mewn costau o 30% (o'i gymharu â'r amcangyfrif blaenorol o 25%). Mae'r gyllideb yn cael ei reoli'n agos gyda thanwariant llynedd; fodd bynnag gadawyd yr arian ar ôl yn y gyllideb i ariannu'r cynnydd hwn a ragwelwyd; mae'r amcanestyniad presennol o fewn y gyllideb.

#### 4.5 Ar yr amser y lluniwyd yr adroddiad hwn roedd y costau cyfalaf, arian wrth gefn a chronfa diogelwch cymunedol wedi'u hamcanestyn i fod o fewn y gyllideb.

4.6 Mae crynodeb o'r cyllidebau a'r amcanestyniadau yn y tabl isod. Bydd unrhyw danwariant yn cael ei drosglwyddo i'r cronfeydd wrth gefn ar ddiwedd y flwyddyn ariannol; a'r cynnig yw defnyddio'r arian i recriwtio swyddogion ychwanegol yn Hydref 2019.

<b>ADRODDIAD I'R:</b>	Panel Heddlu a Throsedd Gogledd Cymru
<b>DYDDIAD:</b>	30 Medi 2019
<b>SWYDDOG CYSWLLT:</b>	Richard Jarvis - Swyddog Arweiniol ac Ymgynghorydd Cyfreithiol Panel Heddlu a Throsedd Gogledd Cymru  Dawn Hughes – Uwch Swyddog Cefnogi'r Panel Heddlu a Throsedd
<b>TESTUN:</b>	Crynodeb o'r Cwynion a Gafwyd Medi 2018 – Medi 2019

## 1. PWRPAS YR ADRODDIAD

- 1.1 Pwrpas yr adroddiad yw darparu crynodeb o'r cwynion sydd wedi eu derbyn yn ymwneud â'r Comisiynydd Heddlu a Throsedd, Mr. Arfon Jones a'r Dirprwy Gomisiynydd (Ann Griffith) ers y cyfnod adrodd diwethaf.

## 2. CRYNODEB GWEITHREDOL

- 2.1 Mae'r Panel Heddlu a Throsedd wedi derbyn 7 cwyn cofnodadwy yn erbyn y Comisiynydd Heddlu a Throsedd ac 1 yn erbyn y Dirprwy Gomisiynydd yn ystod eu cyfnod yn y swydd.
- 2.2 O'r 8 cwyn a gafwyd, mae pob cwyn wedi'i ddatrys a rhoddwyd gwybod am y canlyniadau yn flaenorol i'r Panel Heddlu a Throsedd.
- 2.3 Mae'r Panel Heddlu a Throsedd wedi derbyn 2 gŵyn ers y cyfnod adrodd diwethaf, serch hynny, barn y Swyddog Arweiniol yw nad ydynt yn gofnodadwy a'u bod yn camddefnyddio'r gweithdrefnau cwynion a nodir yn y Rheoliadau.
- 2.4 Er bod gan Banel yr Heddlu a Throsedd y cylch gwaith i ddelio â chwynion yn erbyn y Comisiynydd Heddlu a Throsedd a'r Dirprwy Gomisiynydd Heddlu a Throsedd yn unig, mae Panel yr Heddlu a Throsedd wedi derbyn 10 cwyn ynghylch Heddlu Gogledd Cymru yn y cyfnod adrodd hwn (Medi 2018 – Medi 2019). Mae'r achwynwyr wedi cael gwybod am y weithdrefn gywir i'w dilyn mewn cysylltiad â'u cwynion.

### **3. ARGYMHELLIAD(ION)**

- 3.1 Bod Panel Heddlu a Throsedd Gogledd Cymru yn nodi'r adroddiad a'r camau gweithredu a gymerwyd mewn perthynas â'r cwynion a gafwyd.

### **4. GWYBODAETH GEFNDIROL**

- 4.1 Mae gan Banel Heddlu a Throsedd Gogledd Cymru gyfrifoldeb statudol o ran trin a phenderfynu ar gwynion penodol a wnaed yn erbyn y Comisiynydd Heddlu a Throsedd a Dirprwy Gomisiynydd yr Heddlu a Throsedd.
- 4.2 Yn dilyn ymgynghoriad gydag Aelodau'r Panel, adolygodd y Panel Heddlu a Throsedd ei Drefn Gwyno ar 12 Ebrill 2018 a dirprwyo cyfrifoldebau statudol y Panel ynglŷn ag ymdrin â rhai cwynion a wnaed yn erbyn y Comisiynydd Heddlu a Throsedd a'r Dirprwy Gomisiynydd Heddlu a Throsedd i Is-bwyllgor Cwynion fel y caniateir gan y ddeddfwriaeth; mae aelodaeth yr Is-bwyllgor Cwynion yn cynnwys y Cadeirydd, Is-gadeirydd ac un Aelod Etholedig y Panel Heddlu a Throsedd.
- 4.5 Er bod y Panel wedi ei wahardd yn benodol rhag ymchwilio i'r cwynion yn rhinwedd y darpariaethau statudol, caniateir i'r Panel annog, hwyluso a chynorthwyo i ddatrys cwynion yn anffurfiol. Fel rhan o'r broses hon, gofynnodd y Swyddog Arweiniol am ragor o wybodaeth ac eglurhad gan y Comisiynydd a'i Swyddfa ynghylch y cwynion a dderbyniwyd.
- 4.7 Mae Swyddfa Comisiynydd yr Heddlu a Throsedd yn gyfrifol am ddelio â chwynion ynglŷn â'r Prif Gwnstabl. Caiff cwynion eu cofnodi yn unol â Deddf Diwygio'r Heddlu 2002 a Deddf Diwygio'r Heddlu a Chyfrifoldeb Cymdeithasol 2011. Bydd ystadegau yn cael eu cyhoeddi yn flynyddol ac yn chwarterol gan Gomisiwn Cwynion Annibynnol yr Heddlu – mae'r ystadegau yn darparu manylion am gyfanswm y cwynion a gafwyd gan bob llu heddlu.

### **5. YMGYNGHORI**

- 5.1 Ymgynghorwyd â Swyddfa Comisiynydd yr Heddlu a Throsedd mewn perthynas â'r cwynion a ddaeth i law yn ystod y cyfnod adrodd. Am nad oedd y cwynion a ddaeth i law yn gofnodadwy yna nid oes angen rhagor o ymgynghori gyda'r Is-bwyllgor Cwynion.

## **6. ADNODDAU**

- 6.1 Er bod y Swyddfa Gartref yn darparu grant i'r Awdurdod Lletyol ar gyfer costau gweinyddol, mae'r gofyniad i ddatrys cwynion nad ydynt yn droseddol yn erbyn Comisiynydd yr Heddlu a Throsedd a'r Dirprwy Gomisiynydd yn cymryd swm anghymesur o amser swyddog.

## **7. RISG**

- 7.1 Er mwyn cydymffurfio â'r Weithdrefn Gwyno, mae angen crynhoi bob cwyn mewn adroddiad (fel y gellir rhoi gwybod amdanynt yn gyhoeddus) at ddibenion monitro.

## **8. RHESWM DROS YR ARGYMHELLIAD**

- 8.1 Hysbysu'r Panel Heddlu a Throsedd o nifer y cwynion a ddaw i law yn rheolaidd, fel sy'n ofynnol gan ddeddfwriaeth.
