

## Estyn Improvement Assessment Letter 2013

### A: Formal Recommendations

There were no new statutory formal recommendations made in the letter.

### B: Estyn's Monitoring Visit Judgement Recommendations and Council response.

Overall, the team judged that the local authority had made good progress towards addressing the recommendations in the 2011 inspection report.

Ref	Recommendation and Judgement	Response
R1	<p>Improve standards and performance to reduce the percentage of schools that are in the bottom 25% when compared to similar schools across Wales and reduce the gap in performance between boys and girls.</p> <p><b>This recommendation has been partly addressed.</b></p>	<p>Estyn recognise that the Local Authority has improved its arrangements to support and challenge schools. The Authority needs to continue to monitor these arrangements to ensure improved outcomes for learners.</p> <p>The gap in performance between boys and girls is less than the average for Wales in most indicators although it is larger at key Stage 2.</p>
R2	<p>Improve the standard and quality of provision in primary schools by addressing a trend of declining attendance; reducing fixed term exclusions; and reducing school balances and deficits in line with national guidelines.</p> <p><b>This recommendation has been largely addressed.</b></p>	<p>Estyn acknowledge that attendance in primary schools has improved and is good in comparison to similar areas on the free schools meals benchmark.</p> <p>Estyn also acknowledges that there has been a downward trend in the number of days lost through exclusions since 2010.</p> <p>Estyn also confirmed that the Authority has put in place good systems to reduce school balances and deficits in line with legislative limits.</p> <p>The Authority needs to continue to monitor progress on attendance and exclusions, together with assessing the impact of the changes to funding system.</p>
R3	<p>R3 Improve how senior officers and all elected members work together to improve standards for all learners; improve self-evaluation and reporting to members; and reorganise secondary schools, reduce surplus places and make better use of resources.</p> <p><b>This recommendation has been largely addressed.</b></p>	<p>Estyn concluded that key elected members understand well the priorities for improvement in the Council and support officers in addressing the recommendations from the previous inspection. In recent months elected members and senior officers are recognised as having been willing to take difficult decisions in order to address these priorities.</p>

		<p>There is further work to extend the School Performance Monitoring Group's work into the secondary sector. We also recognise the need to simplify arrangements for self-evaluation, performance planning and reporting.</p> <p>Whilst more rapid progress in School Modernisation is recognised by Estyn, the Council recognises that there is much more work ahead to complete the programme. This remains a priority for the Council.</p>
R4	<p>Reduce the number of days' education that learners in Flintshire miss due to fixed term exclusions of six days or more in all of its secondary schools.</p> <p><b>This recommendation has been largely addressed.</b></p>	<p>Estyn recognise that the Local Authority has improved its processes for dealing with poor behaviour by pupils. The rate of fixed term exclusions of six days or more has improved and unverified data indicates that it has nearly halved over the last two years.</p> <p>The Authority needs to continue to monitor impact of its strategy and challenge individual schools where appropriate.</p>
R5	<p>Improve the monitoring arrangements for the Children and Young People's Partnership to effectively track the progress of children and young people</p> <p><b>This recommendation has been partly addressed.</b></p>	<p>Estyn recognise that the Children and Young People's Partnership has a consistent approach to self-evaluation enabling there to be valuable information about impact of the range of interventions supporting children, young people and their families.</p> <p>There is a need to more fully capture and disseminate the progress of children and young people beyond priorities and projects. This includes sharing the analysis more regularly with schools and the Local Service Board.</p>
R6	<p>Prioritise areas for improvement identified in its self-evaluation of education services.</p> <p><b>This recommendation has been fully addressed.</b></p>	<p>Estyn recognises that this has been fully addressed through appropriate plans. Progress is reviewed regularly and is reported in the authority's annual self-evaluation.</p>
