REPORT DETAILS

1.00	ADMINISTRATION AND COMMUNICATIONS RELATED MATTERS
	Business Plan 2016/17 Update
1.01	Appendix 1 provides a summary of progress against the administration and communications section of the Business Plan up to the end of quarter 3 (October to December 2016). The majority of items are as originally planned but the Committee is asked to note the following:
	 The GMP Reconciliation (A10) tender document has been sent and submissions received on the 3rd February. To enable the project to commence, the Committee is asked to delegate the decision regarding the appointment of the provider to the Clwyd Pension Fund Manager and Corporate Finance Manager. I-connect (A12) implementation for Denbighshire County Council was delayed slightly until January. Backlog to 31 March 2013 (Mercers) (A4) – This continues to run behind schedule and will continue into Q4 of 2016/17. Further information is provided later in this report.
1.02	The Committee is asked to note the contents of the business plan update and agree the recommendation to delegate responsibility for appointing the successful provider for the GMP Reconciliation project.
	Current Developments and News
1.03	The Employer Liaison Team (ELT) has been set up since 1 st December 2016 and will provide assistance to Fund Employers by providing accurate and complete notifications to the Fund (and other Employer duties) in a timely manner. The progress made by the ELT will be monitored and reported on a regular basis.
	The employer on-line data transmission tool, I-connect, has now been successfully implemented for Bodelwyddan Castle Trust, Prestatyn Town Council and Denbighshire County Council. Work is now underway to progress with other employers as per the business plan.
	It was announced on Monday 16 th January that the London Central Employment Tribunal has upheld a claim by 210 judges that they suffered age, race or sex discrimination as a result of the protections given to older judges when changes were made to the judiciary's pension arrangements for post 2015 accrual. The outcome of this case may have implications for public service schemes including the LGPS. There is no immediate action to take but it is worth being aware of a longer-term risk to scheme finances (and potential benefit for certain members) if this judgment is ultimately
