Report Subject	Public Sector Internal Audit Standards
Cabinet Member	Not Applicable
Report Author	Interim Internal Audit Manager
Type of Report	Assurance

EXECUTIVE SUMMARY

Internal Audit must conform to the Public Sector Internal Audit Standards (PSIAS). There must be an assessment every year which must be reported to the Audit Committee. These assessments are normally carried out internally as self-assessments, but there must be an external assessment every five years.

Internal assessment have been carried out every year since the standards were introduced. This report shows the results of the current internal self-assessment, the progress against actions arising from last year's assessment, and further actions being undertaken on an ongoing basis to maintain compliance with the components of the standards. Appendices A to C.

The requirement for external assessments can be met by an external assessor validating an internal assessment. They can be carried out as peer reviews, providing that the reviews are not reciprocal and the reviewer is sufficiently independent. In order to minimise costs, within the Wales Chief Auditors Group the Chief Auditors for 18 Councils in Wales have agreed to follow this route, each one reviewing the other Council. The Chief Internal Auditor from Ceredigion will review Flintshire Internal Audit on 27th March 2017.

RECOMMENDATIONS

REPORT DETAILS

1.00	EXPLAINING THE INTERNAL AUDIT PROGRESS REPORT
1.01	In December 2012 the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Chartered Institute of Internal Auditors (CIIA) published new Public Sector Internal Audit Standards (PSIAS) for internal audit across the public sector. The Standards apply to Central Government departments including Scotland, Wales and Northern Ireland, Local Authorities across the UK, the NHS, Police and Fire Authorities and National Parks. These Standards replaced the CIPFA Code of Practice for Internal Audit in Local Government published in 2006. The standards are based on the CIIA standards and came into force on 1 st April 2013 and updated in 2016.
1.02	Internal Audit departments must report their level of conformance with the PSIAS to the Audit Committee. It should then be reported in the Internal Audit Annual Report and stated in every audit report.
1.03	PSIAS includes the Definition of Internal Audit, a Code of Ethics, four Attribute Standards and seven Performance Standards, leading to the overall level of conformance. Internal Audit departments should achieve General Conformance (definition given in Appendix A) overall with the PSIAS.
1.04	There is a requirement within the PSIAS for a Quality Assurance and Improvement Programme (QAIP). The requirement is for the Internal Audit Manager to develop and maintain a QAIP to enable the audit activity to be assessed against the PSIAS. External assessments should be carried out at least once every five years, with annual internal assessment. Flintshire's external assessment will be undertaken in March 2017.
1.05	Internal assessments must include: <ul style="list-style-type: none">• Ongoing monitoring of the performance of the internal audit activity; and• Periodic self-assessment, or assessment by other persons within the organisation with sufficient knowledge of internal audit practices.
1.06	Results of the assessments and progress against the identified actions must be reported to the Audit Committee.
