	 disagrees with a preference expressed and the additional wording makes it clear that in cases of shared parental responsibility, it is up to the parents rather than the admissions authority to agree on the preferences listed in an application. In addition, examples of acceptable documentation to support a change of address is stated. 10.2 Distance – the definition of how distance is calculated has been updated to reflect current practice.
	 13 Waiting lists – the following has been clarified: that the allocation of places from a waiting list must be done in accordance with the oversubscription criteria, as required under the School Admissions Code, not the date when the application was received; that, in the main admissions round (Year 7 for Secondary and Reception for primary), waiting lists will be prepared and any secondary places which become available after 1 March (offer date) will be allocated after 1 April. The waiting lists will then be updated and any further places which become available will be allocated after 1 May. The respective dates for primary admissions are 16 May and 16 June; that in respect of applications to transfer schools during the school year, a pupil's name will remain on the waiting list until the end of the school term when the application was made, unless a parent specifically requests longer. This will make the administration of waiting lists more efficient. Schools support this arrangement.
1.07	The opportunity has also been taken to amend admission numbers in respect of two schools to reflect changes in accommodation. These are Ysgol Glanrafon, Mold and Broughton Primary School. In both cases the admission numbers have been increased following an increase in capacity at the schools and have been agreed with the respective Headteachers.
1.08	Applications for places are made using the Council's on line system and this is working well. Assistance is provided by Council staff for any parents experiencing difficulties completing or submitting the online form. Access to computers is also available at Flintshire Connects offices and staff there are trained to assist customers complete the form if necessary.100% of applications are now received online. However, hard copies of application forms will continue to be made available on request to any parent who cannot gain access to an on line facility.

2.00	RESOURCE IMPLICATIONS
2.01	Numbers of appeals will continue to be monitored to ensure sufficient capacity to present and clerk appeals in a timely manner.

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	All statutory consultees have been consulted in accordance with the School Admissions Code.

4.00	RISK MANAGEMENT
4.01	The annual determination of admission arrangements must be carried out in accordance with the framework and timetable in the School Admissions Code. Consultation has been completed and approval is being sought within the deadlines set out in the Code. Adherence to the Code minimises the risk of challenge to the Public Services Ombudsman or by judicial review.
