To Democratic Services Manager

We, the undersigned, wish to call in the following decision of the Cabinet:

Date of Cabinet meeting: 25TH September 2018

Report title: Single Access Route to Housing (SARH)

Record of Decision number: 3560

Reason(s) for call in:

1 There's a clear disadvantage to couple singles with only one child, there are currently not enough 2 bedroom homes to support this within the allocations policy.

2 There was a data cleanse of our homes. How many properties were identified as being classed incorrectly in size. Where is this recorded and how does this effect the waiting list and business plan.

3 The allocations policy is inconsistent and requires further review.

I would like further scrutiny into rent arrears, could I please have further information on the Band 3 and 4 data.

In initiating this call in, we recognise that it will be regarded as a gross discourtesy to the committee if Members who have requested the call in do not attend the meeting of the committee without contacting the Democratic Services Manager to explain their reasons.

We understand that the call in meeting will be held within 7 working days of this call in notice being received and accepted.
