Clare Homard, Chief Officer, Education and Youth, Flintshire County Council
Rosalind Williams, Director of Education and Lifelong Learning, Diocese of St Asaph

Dear Clare / Roz,

Following our recent meetings with yourselves and representatives from Ysgol Yr Esgob, we have met with parents and have had a positive response.

As such, I write on behalf of Ysgol Licswm governing body to formally request the following.

1. That process is put in place to enable Ysgol Licswm to transition for being a County Primary School to a Voluntary Aided School.
2. That process is put in place to enable the forming of a federation between Ysgol Yr Esgob and Ysgol Licswm. Whilst we understand that this is a governor led process, we will be needing support from County and the Diocese.

Best Regards

Mark Cockburn
Chair of Governors, Ysgol Licswm
