This 5 year contract ran until August 2018 where a year extension was approved to run up to August 2019. This variation is to extend the contract further by 7 months and possible up to 19 months (in total) if required. Supporting People asked for the original 1 year extension (31/08/18 – 31/09/19) before it was decided to do a Floating Support Consortium tender. This contract fits into the Floating Support Consortium so Supporting People are requesting to bring it in line with all other extensions agreed.
