## Budget Monitoring Report Council Fund Variances

## **MONTH 10 - SUMMARY**

| Service                                     | Movement between<br>Periods<br>(£m) | Narrative for Movement between Periods greater than £0.025m  |
|---|-------------------------------------|--|
| Social Services                             |                                     |  |
| Older People                                |                                     |  |
| Localities                                  |                                     | There has been an increase in the number of service users who are eligible for a charge to be placed against their property, the estimated increase in property income is £0.044m. Some surplus Direct Payment balances amounting to £0.020m have been returned to the service. Care costs over the Christmas period were lower than expected by £0.020m. Minor variances £0.005m. |
| Minor Variances                             | -0.021                              |  |
| Adults of Working Age                       |                                     |  |
| Resources & Regulated Services              |                                     | There has been some increases in care packages and one particular package has increased by £0.035m due to a provider previously undercharging for additional agreed services, this has now charged for at the correct rate and a backdated amount has been paid.   |
| Administrative Support                      | -0.046                              | Variance due to decrease in staff projections conected with vacancy management   |
| Residential Placements                      | 0.029                               |  |
| Minor Variances                             | 0.013                               |  |
| Children's Services                         |                                     |  |
| Minor Variances                             | -0.038                              |  |
| Safeguarding & Commissioning                |                                     |  |
| Minor Variances                             | -0.033                              |  |
| Total Social Services (excl Out of County)  | -0.124                              |  |
| Out of County                               |                                     |  |
| Children's Services                         | -0.007                              |  |
| Education & Youth                           | 0.008                               |  |
| Total Out of County                         | 0.001                               |  |
|   |                                     |  |
| Education & Youth                           |                                     |  |
| Minor Variances                             | -0.013                              |  |
| Total Education & Youth                     | -0.013                              |  |
| Schools                                     | 0.000                               |  |
| Streetscene & Transportation                |                                     |  |
| Service Delivery                            | 0.027                               | Increase in staffing costs due to continuing sickness absence levels.  |
| Highways Network                            | 0.033                               | Accumulation of minor variances across the service.  |
| Regulatory Services                         | -0.036                              | Reduced staffing costs in Business and Strategy and minor movements across the service.  |
| Other Minor Variances                       | -0.003                              |  |
