

FLINTSHIRE COUNTY COUNCIL

REPORT TO: **STANDARDS COMMITTEE**

DATE: **MONDAY, 3 SEPTEMBER 2012**

REPORT BY: **HEAD OF LEGAL & DEMOCRATIC SERVICES**

SUBJECT: **COUNCILLOR NEWSLETTERS**

1.00 PURPOSE OF REPORT

1.01 To approve a policy on the use of Council resources for the production of Councillor newsletters

2.00 BACKGROUND

2.01 Paragraph 7 (b) of the Members' code provides that Members must not use, or authorise others to use, Council resources as follows:-

- i. Imprudently
- ii. In breach of the authority's requirements
- iii. Unlawfully
- iv. Other than in a manner which is calculated to facilitate, or to be conducive to, the discharge of the functions of the authority or of the office to which the Member has been elected or appointed.
- v. Improperly for political purposes, or
- vi. Improperly for private purposes.

2.02 The guidance from the Public Services Ombudsman for Wales issued in March 2012 gives guidance on this paragraph and this is attached as appendix 1 to this report.

2.03 At present the Council does not have any policy or guidance that it has issued in relation to paragraph 7 (b) of the Members' code. Whilst to a large extent the code and the written guidance are clear. One area that would benefit from further clarity is in relation to the use of Council resources for the production and distribution of Councillor newsletters.

3.00 CONSIDERATIONS

3.01 It is a grey area as to whether or not Members issuing newsletters to their constituents using Council resources in the production and distribution of such newsletters would be construed as improperly using Council resources for political purposes.

- 3.02 The Council makes available for use by Members the facilities in the group rooms and in Member Services. These include computers, photocopying and postal arrangements. There is no current practice of these facilities being used for Councillor newsletters.
- 3.03 It is believed that there should be a consistent approach to the use of such facilities by the 70 Members which should take account of the possible cost implications to the Council tax payer.
- 3.04 It should also be recognised that where a Member chooses to spend time producing a newsletter using equipment supplied by the Council, this could be viewed as a legitimate part of the Members role rather than improper use for political purposes.
- 3.05 The above considerations have been taken into account in preparing a draft protocol which is attached as appendix 2 for consideration by the Committee.

4.00 RECOMMENDATIONS

- 4.01 For the Committee to consider the draft protocol attached as appendix 2 to this report.

5.00 FINANCIAL IMPLICATIONS

- 5.01 There would be significant financial implications if the cost of Members newsletters being printed or posted was to be met by the Council and there is no budget provision for this. Approval of the draft protocol would avoid any future printing/postage costs relating to Councillor newsletters.
