## **REPORT DETAILS**

<b>1.00</b>	<b>EXPLAINING THE STRATEGIC EQUALITY PLAN 2024-28</b>
1.01	<p>All public bodies are required to publish equality objectives and a Strategic Equality Plan to comply with the Public Sector Equality Duties (PSED) of the Equality Act 2010.</p> <p>The Council's equality objectives need to be reviewed and republished with a new Strategic Equality Plan (SEP) for the period 2024-28 by 1<sup>st</sup> April 2024.</p> <p>The purpose of the Plan is to address inequalities experienced by people with protected characteristics.</p>
1.02	<p>The equality objectives have been reviewed and developed by working in partnership with other public bodies in North Wales and through consultation with stakeholders.</p> <p>Cyngor Gwynedd was also commissioned to review equality data from across the six North Wales local authority areas to identify potential inequalities.</p>
1.03	<p>Engagement has taken place with local groups and stakeholders, representing people with protected characteristics, to seek their views on the Council's current equality objectives.</p>
1.04	<p>The outcome of the research and engagement activity has shown that the current equality objectives are still important. This is not surprising, given that these cover areas where there are deeply entrenched and persistent inequalities. Therefore, the proposed new equality objectives are the same as those agreed for 2020-24, with the exception of the last equality objective which relates to the Socio-economic Duty which did not come into force until 2021.</p>
1.05	<p>The draft SEP 2024-28, which can be found at Appendix 1, has been developed with the Corporate Equalities Review Board and incorporates actions from Welsh Government's Anti-racist Wales Action Plan and the Lesbian, Gay, Bisexual, Trans, Questioning/Queer + (LGBTQ+) Action Plan for Wales. The measures and actions have also been developed to ensure consistency with the Council Plan 2023-28.</p>
1.06	<p>The proposed equality objectives for 2024-28 are:</p> <ul style="list-style-type: none"><li>• Improve health, well-being and social care outcomes including outcomes for older people and disabled people.</li><li>• Reduce gaps in educational attainment between protected groups and implement strategies to improve well-being.</li><li>• Ensure equal pay within the workplace by having fair, open and transparent grading and salary strategies in place.</li></ul>

	<ul style="list-style-type: none"> <li>• Improve personal safety for all protected groups.</li> <li>• Increase access to services and decision making for all protected groups.</li> <li>• Improve living standards of people with different protected characteristics.</li> <li>• Reduce the impact of poverty and embed the Socio-economic Duty within the organisation.</li> </ul>
1.07	Consultation on the draft SEP 2024-28 with members of the public, employees and other stakeholders will take place during December 2023 and January 2024.
1.08	Following the consultation period, a revised final draft of the SEP 2024-28 will be presented to Cabinet for endorsement before being published on the Council website in March 2024.
1.09	Schools are required to produce their own equality objectives and Strategic Equality Plans.
