Question 1 - Uplift of remuneration using the Annual Survey of Hours and Earnings (ASHE)

The Panel is fully aware of the current constraints on public funding and the impact its decisions will have on the budgets of Principal Authorities. The Panel is also mindful of our Aims and Objectives to provide a fair and reasonable remuneration package to support elected members and to encourage diversity of representation. We therefore propose to uplift their remuneration based on the average earnings of their constituents.

Do you think that the Panel has struck the right balance between affordability and adequate remuneration for representatives? If not, do you have other suggestions?

Question 2 - Local flexibility for payments to co-opted individuals

The Panel has received evidence that it would be more cost effective and fairer to provide for flexibility in paying those who are co-opted to serve on committees of Principal Councils, National Park Authorities and Fire and Rescue Authorities.

The Panel has therefore proposed there should be local flexibility for the relevant officer to decide when it will be appropriate to apply a day or half day rate or to use an hourly rate where it is sensible to aggregate a few short meetings.

Do you agree with this proposal? If not, do you have any suggested alternatives?

Yes

No

Question 3 - Encouraging sustainable travel

The Panel would like to ensure that we support environmental sustainability in our decisions about remuneration. We are aware that there are schemes in many bodies in Wales which encourage sustainable travel and we have advised that, if possible, elected members should be encouraged to participate in these schemes.

Do you have any examples of good practice or other ideas of ways in which we might use our powers to encourage more sustainable travel among members?

Yes

No

Question 4 - Awareness of the entitlements of representatives

The Panel has seen evidence of a lack of awareness amongst local elected members of the payments to which they are entitled. We would like to find out if this is a significant issue, and if so, we will aim to raise awareness further, targeted at areas where this may be a problem.

Question 5 - Publication of consolidated sums for Community and Town Councils

Community and Town Councils are required to submit an annual statement of payments to the Panel by 30 September each year, and also publish this on their website. The Panel have provided a template return for clerks to use. The Panel have discussed and considered changing the requirements for Community and Town Councils when submitting their statement of payment returns. The Panel's aim is to simplify administration and encourage Councils to ensure all mandatory payments are made to individual members.

The Panel proposes that from September 2024, the returns need only show the total amounts paid in respect of the mandatory payments mentioned above. That is the £156 contribution to the costs of working from home, the £52 set rate consumables allowance and the travel and subsistence expenses paid.

This brings these in line with the reporting of the costs of care and personal assistance allowances.

Do you agree that these figures may be published as a global total rather than individually?

Yes
