1.04	<p>Overall, the Audit Wales report found that <i>the Council's arrangements do not provide assurance that it can identify strategic transformation in the short and medium-term of the scale required by its financial position. This, combined with its low level of reserves and spiralling costs in some service areas, puts the Council's financial sustainability at serious risk.</i></p> <p>Audit Wales will be in attendance at the meeting to present their findings in more detail.</p>
1.05	<p>The report includes one recommendation as detailed below:</p> <p>There are weaknesses in how the Council identifies savings. To change this, the Council should:</p> <ol style="list-style-type: none"> 1) work with officers and members to develop arrangements for identifying savings of a scale that can impact on its identified budget gap from a range of sources; and 2) develop and implement arrangements to identify and evaluate the impact of these savings on services and service users. <p>The organisational response to the recommendation is included as Appendix 2 to the report and there is a separate report on this agenda which details the Council's latest financial position and its approach to budget setting for the 2025/26 financial year.</p>

3.00	IMPACT ASSESSMENT AND RISK MANAGEMENT	
3.01	Ways of Working (Sustainable Development) Principles Impact	
	Long-term	Negative – the absence of longer-term funding settlements from Welsh Government means that sustainable support for service delivery is challenging for the longer term. Sustainable funding from Welsh Government that provides additional funding for Indexation, Service demands and new legislation will provide a positive and sustainable position for the Council in the longer term.
	Prevention	As above
	Integration	Neutral Impact
	Collaboration	Services continue to explore opportunities for collaboration with other services and external partners to support positive impacts.
	Involvement	Communication with Members, residents, and other stakeholders throughout the budget process.
	Well-Being Goals Impact	
	Prosperous Wales	Longer term funding settlements from Welsh Government that provide additional funding for indexation, service demands, and new legislation will aid sustainability and support a strong economy that encourage business investment in the region. The opposite will be true if settlements are inadequate.
	Resilient Wales	Continuation of services to support communities and social cohesion will have

		a positive impact. The opposite will be true if settlements are inadequate.
	Healthier Wales	An appropriate level of funding will ensure that communities are supported and will have a positive impact. The opposite will be true if settlements are inadequate.
	More equal Wales	A positive impact with greater parity of funding from Welsh Government for all Welsh Local Authorities. The opposite will be true if settlements are inadequate.
	Cohesive Wales	Appropriate level of funding will support services working alongside partners. The opposite will be true if settlements are inadequate.
	Vibrant Wales	As Healthier and Cohesive Wales above
	Globally responsible Wales	Neutral impact.
