"The Council expresses concern at the tight deadline set for the end of the school modernisation consultation process and recognises the concerns of many parents, teachers and pupils who feel that it is inappropriate for such an important process to be undertaken during the school summer break. We call upon the County Council to halt the current consultation process and bring forward detailed options, inclusive of costings and future pupil admission projections to a future Executive Committee, with a view to restarting a more meaningful and informative consultation process".

Councillor Aaron Shotton
Councillor Bernie Attridge
Councillor Ron Davies
Councillor Peter Curtis
Councillor David Wisinger

Note:- As the motion relates to an Executive function any decision by the Council will be a recommendation for the Executive.
