4. ATTENDANCE AT MEMBER TRAINING

The Democracy and Governance Manager introduced a report to provide feedback on the results of the Member questionnaire on attendance at Member development events. He advised that following the concerns expressed at the previous meeting of the Committee on the low attendance level at some Member development events, a questionnaire had been sent to all Members to seek the reasons for this. A copy of the questionnaire and the responses to it were appended to the report. He explained that the responses had been mixed, however, the points detailed in paragraph 3.03 of the report were put forward for consideration to improve Member attendance at development events.

During discussion the Democracy and Governance Manager responded to the comments and queries raised by Members around whether more training should be made mandatory. In answer to the further questions raised concerning failure to attend the training the Democracy and Governance Manager advised that it was only through Group Leaders removing a Member from a committee that any mandatory training could be enforced.

The Democracy and Governance Manager advised that at a meeting of the Group Leaders held on 3 July 2014, a further two suggestions had been

made which were to provide shorter training sessions immediately before a scheduled meeting, and to explore the provision of training by electronic means.

National Member Development Strategy 2014-17

The WLGA aims to work with all the Authorities in Wales to enable councillors in all positions to understand and perform their roles to the best of their abilities.

In support of this aim, the WLGA is working with authorities to develop a nationally co-ordinated approach to and programme for councillor support and development which recognises the individual and collective needs of members in Wales and seeks to develop the knowledge skills and behaviours required by members to be effective.

This strategy covers the period from 2014 until the anticipated local elections in 2017 and includes on-going support and development work with existing members and plans for support for newly elected members in 2017.

During this period, the WLGA, working with officers and members of all the Unitary and National Park and Fire and Rescue Authorities in Wales will concentrate its efforts on refreshing and clarifying its current offer to authorities in support of members and planning for the induction and development of new members post election.

The anticipated activities for the next three years will be delivered within the following themes which will also be used as descriptors to clarify the support available.
