The draft minutes of the meeting held on 6 September 2017 were submitted.

Accuracy

Page 7: Councillor Patrick Heesom – referred to application 056694 and said there had been four reasons given for refusal of the application. He asked that the minutes be amended to include the additional reasons that the proposal represented significant harm, undermining local and national policies designed to safeguard open countryside and communities with rural aspects and the impact on the approach to the settlement. The proposal would also erode the rural character and appearance of the site and the locality with the resulting harm to the character and appearance of this part of the settlement.

RESOLVED:

That subject to the amendment proposed by Councillor Patrick Heesom, the minutes be approved as a true and accurate record and signed by the Chairman.

The Chief Officer (Planning and Environment) recommended that agenda item number 6.8 – Outline Application – for the Erection of 10 No. Dwellings at Siglen Uchaf, Ruthin Road, Gwernymynydd, be deferred.
