27. MINUTES

The minutes of the meeting held on 22 January 2020 were submitted.

RESOLVED:

That the minutes be approved as a correct record and signed by the Chairman.

28. CODE OF CORPORATE GOVERNANCE

The Internal Audit Manager presented a report on the revised Code of Corporate Governance for inclusion within the Council's Constitution. She provided background information and explained that the updating and formatting review of the Code was initially carried out by the Corporate Governance Working Group followed by consultation with the Chief Executive, Monitoring Officer, and Section 151 Officer. The Code was endorsed by the Audit Committee at a meeting held on 29 January 2020. Whilst the format of the Code had been simplified for 2019/20 only a small number of updates had been made to bring the document up to date. The revised Code was appended to the report.

The Internal Audit Manager drew attention to the seven principles for the Code as outlined in the report. The principles were to be used by the Corporate Governance Working Group, Chief Officers, and Chairs of Overview & Scrutiny Committees to help inform the preparation of the Annual Governance Statement.

Councillor Mike Peers asked if the Cabinet member was included in the draft documentation which was prepared by the Corporate Governance Working Group for consideration by the Chief Executive, Monitoring Officer and Section 151 Officer. He also referred to page 21 of the report and suggested that a link be added between the Standards Committee and the Public Services Ombudsman for Wales (PSO).

The recommendation in the report was moved by Councillor Jean Davies and seconded by Councillor David Wisinger.

RESOLVED:

That the updated Code of Corporate Governance for adoption as part of the Council's Constitution be endorsed.

29. FINANCIAL PROCEDURE RULES

The Strategic Finance Manager presented the report on the proposed updated Financial Procedure Rules (FPRs) for consideration prior to approval at County Council on 5 May 2020. She advised that the FPRs had been endorsed by the Audit Committee at a meeting held on 29 January 2020, and feedback was detailed in the report. The updated FPRs, which included the minor amendments recommended by the Audit Committee, were appended to the report.

The Strategic Finance Manager reported on the main considerations. She explained that when approved the new arrangements to ensure corporate oversight would be put in place. Adherence to the FPRs would be monitored by the Finance Teams and any breaches or concerns reported to Chief Officers on a quarterly basis.

Councillor Mike Peers referred to page 48, paragraph 1.3.1, and commented on the annual Declaration of Interests which were completed by Members as part of the Statement of Accounts process and asked if this should also be referred to. The Strategic Finance Manager explained that this was a specific requirement with regards to the Statement of Accounts process. The Chief Officer said this would be considered.

In response to a question from Councillor Peers on information provided on page 51 around unlawful entry in the Council's accounts the Chief Officer provided clarification around reference to unlawful expenditure and unlawful entry in the Council's accounts.

Referring to paragraph 1.3.1, page 48, Councillor Clive Carver commented on the reference to Members and officers in the first sentence and asked whether a reference to Members should also be included in paragraph 1.4.4, page 49. The Strategic Finance Manager explained that Members had not been included as they were deemed to have an 'oversight' role. During discussion it was agreed that paragraph 1.4.4 would be amended to read: "Where any Officer or Member considers that complying with Financial Procedures in a particular situation".

Councillor Clive Carver commented on the requirement of the S151 Officer to report unlawful entry in the accounts and asked if this should include if an error was made. The Strategic Finance Manager responded that any significant error would be identified and reported as part of the Statement of Accounts process by the Wales Audit Office.

Councillor Paul Johnson referred to information on the maintenance of reserves on page 61 of the report and asked how an unexpected event would be funded if the cost was greater than the reserves available. The Strategic Finance Manager explained the Council had a base level of reserve which was the last line of defence and when setting the budget a balance had to be achieved between protecting services, keeping council tax rises as low as possible, and maintaining a sufficient level of reserves for such instances. The Chief Officer advised that if cost was greater than available reserves the Welsh Government may be asked to provide assistance from the Financial Assistance Fund. The Strategic Finance Manager drew attention to page 57 of the report, paragraph (m), and said that the Chief Executive/Chief Officer must consult with the Chief Finance Officer prior to incurring expenditure and that this should be reported to Cabinet as soon as possible. During discussion it was suggested that the final sentence in the paragraph be amended to read: "and agreement for the funding of such expenditure and how it should be treated must be agreed as soon as possible".

The recommendation in the report was moved by Councillor David Wisinger and seconded by Councillor Mike Peers.

RESOLVED:

That the updated Financial Procedure Rules be endorsed and recommended to Council for approval.

CONSTITUTION & DEMOCRATIC SERVICES COMMITTEE

Date of Meeting	Wednesday, 14 October 2020
Report Subject	Independent Remuneration Panel for Wales (IRPW) Annual Report for 2021/22
Report Author	Head of Democratic Services
Type of Report	Operational

EXECUTIVE SUMMARY

Each year, the Independent Remuneration Panel for Wales (IRPW) determines the rates of payment which are to be made to elected and co-opted members of Welsh Local Authorities for the following year.

The IRPW is required to send the draft Annual Report to County Councils which this year it did on the 28th September, requesting comments to be made by no later than the 23rd November 2020.

The IRPW is required to take into account the representations which it receives on the draft before issuing its final version of the report in February. For 2021/22 the following changes are proposed:

'The Basic salary in 2021/22 for elected members of principal councils shall be £14,368 with effect from 1 April 2021.' This is an increase of £150 on the 2020/21 level. An increase of 1.06% is also proposed for senior and civic salaries.

RECOMMENDATIONS

1	That the Committee considers and comments on the Determinations made by the Independent Remuneration Panel for Wales in their draft Annual Report for 2021/22.
2	That the Head of Democratic Services be authorised to make a response on behalf of the Council, reflecting the decision made at the meeting, to the Independent Remuneration Panel for Wales.

REPORT DETAILS

1.00	DETAILING THE DRAFT ANNUAL REPORT OF THE INDEPENDENT REMUNERATION PANEL FOR WALES 2021/22
1.01	Members will be aware that the IRPW produces a report on an annual basis, which sets out what it has decided (these are called Determinations) should be the rates of payment to Members and co-optees of Local Authorities in Wales for the following year.
1.02	For 2021/22, the IRPW has made 48 Determinations, 24 of which are directly relevant to Flintshire County Council (the other determinations relate to Community and Town Councils , Fire & Rescue and National Park Authorities) The Panel's Determinations for 2021/22 are listed in Annex 1 on page 51 of the attached IRPW report.
1.03	There is a slight change proposed to the basic salary of 1.06% which means £150 on each basic salary: a rise from £14,218 to £14368. (Determination 1) To set this determination in context, the IRPW have produced analyses of basic members' salaries and alternative comparators between 2010 and 2020 and made the point 'that backbench (council) members' salaries have fallen significantly behind by any reasonable measure of inflation'.
1.04	An increase of 1.06% is also proposed for each senior or civic salary which the Council has. Senior salaries are paid to Cabinet members, the leader of the largest opposition group and most committee chairs. Civic salaries are payable to the Chair and Vice-chair of Council.
1.05	The IRPW have reaffirmed their previous determinations that recipients of Bands 1 or 2 salaries cannot receive a salary from a Fire & Rescue Authority to which they are appointed or from a community or town council of which they are a member. However, they can claim for travel, subsistence and reimbursement of costs of care.
1.06	Determinations 9 and 10 deal with necessary support, including 'adequate telephone, email and internet facilities giving electronic access to appropriate information' should be made, without cost to the individual member. A separate report on Member IT provision is to be considered at this meeting.
1.07	The previous entitlement to retain salaries during family absence is reaffirmed(determinations 13 -18)
1.08	The IRPW have previously expressed their concerns at the low take up of contributions towards costs of care and personal assistance. Flintshire supported the principle of such provision in the response to the 20/21 report. The IRPW published a supplementary report on this issue last summer. Flintshire have previously agreed that any payments made under this provision would not identify the individual who had claimed them. Instead, we would show a combined figure for all claims.

1.09	The entitlement for eligible elected members to join the Local Government Pension Scheme is reaffirmed (Determination 12)
2.00	RESOURCE IMPLICATIONS
2.01	Budget provision for Members' salaries will need to be increased by £150 per councillor, plus any on-costs which apply (national insurance). An increase of 1.06% will also be sought for each senior and civic salary. A pressure bid for has already been made.

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	This report is in response to external consultation.

4.01	No risk management issues have been identified during the preparation of this report.

ANNUAL REPORT 2021

FOREWORD

As with very many organisations the coronavirus pandemic has impacted on the work of the Panel. However, we have continued to meet regularly to carry out our statutory function via Microsoft Teams.

We completely understand the implications that the pandemic has had and continues to have on all local authorities in Wales, so we have limited the extent of the changes to our Remuneration Framework this year. It is important that the payments to elected members of principal councils should not fall further behind average earnings so this draft report proposes modest increases in the basic salary with appropriate adjustments for members of other organisations.

The membership of the Panel has changed. Roger Symonds' term of office ended on 31 May and two new members, Claire Sharp and Joe Stockley who were appointed from 1 January and 1 June respectively. Sadly, long standing member, Stephen Mulholland passed away earlier this year after a short illness. His contribution to the work of the Panel over many years was significant and he will be missed.

Introduction

This is the thirteenth Annual Report of the Independent Remuneration Panel for Wales (the Panel), and the tenth published under the requirements of the Local Government (Wales) Measure 2011 (as amended).

1. Although this draft Report is in respect of the Panel's determinations for 2021/2022 our consideration has inevitably been influenced by the impact of the coronavirus pandemic. The ongoing issues affect the operation of all local authorities and will continue to do so for the foreseeable future.
2. As with all the Panel's Annual Reports the determinations on member remuneration are underpinned by the principles set out in Section 1. In May 2020 we published a [Supplementary Report](#) that set out specific principles relating to the provision of financial support for care needs. These are incorporated in Section 10 and will be included in future Annual Reports.
3. The Panel has consistently expressed its view that maintaining the democratic values of local governance cannot be cost free. Members of local authorities (including co-opted and appointed members) are there to represent the interests of local people, undertake the governance of local communities, and secure appropriate value for money public services for local tax-payers through effective scrutiny for which they are accountable to their community. These are significant and important tasks for members of the relevant authorities within the Panel's remit. Payments to members are made available to encourage a diversity of willing and able people to undertake local governance through their elected, appointed or co-opted roles.
4. In determining the level of payments to members of local authorities, the Panel seeks to meet the principle of 'acceptability' by ensuring that these are not 'so great as to require a significant diversion of resources from key council priorities'. But Section 142(8) of the Measure is more explicit on 'affordability' when it states that "when setting an amount¹, the Panel must take into account what it considers will be the likely financial impact of doing so on relevant authorities". The Panel acknowledges that the issue of affordability – in relation both to relevant authorities' service budgets and to the electorate's disposable incomes – is likely to impact on the public perception of any increases to members' payments. It is therefore a matter of balancing issues of affordability and public perception with fairness to members for their time, worth and responsibility.
5. The Panel originally set the basic salary of elected members of principal councils at three-fifths of the All Wales Median Salary and senior salaries were set at multiples of this annual median salary. In setting these salaries the Panel recognised that there was an unpaid public service contribution.
6. The financial constraints on the public sector and particularly on local authorities over many years have meant that the link with average Welsh earnings has not been maintained. The Panel considers that this has undervalued the worth of elected members. To minimise further erosion in relation to average earnings the Panel proposes to increase the basic annual salary by £150. Other payments that are based on the basic salary will be adjusted accordingly.

7. Payments for members of National Park Authorities and Fire and Rescue Authorities will increase as a result of the uplift proposed for principal councils. One other change proposed for these authorities is to remove the limitation on the number of senior salaries that can be paid.
8. The payment information provided by relevant authorities show that still very few members are utilising the provision in the framework to reimburse the costs of care. We reiterate the importance that Democratic Services Committees encourages and facilitates greater use of this element of our framework so that members concerned are not financially disadvantaged. We are proposing significant changes regarding the costs of care which are set out in Section 10.
9. The Panel has continued to contribute wherever possible to enhancing diversity in local government in Wales through its determinations. The Panel produces leaflets for prospective candidates on the remuneration of members of councils. We are pleased that several councils include this leaflet on their websites. In addition we have produced a short film [Ever thought about being a Welsh councillor?](#) This can be viewed on our website.
10. We continue to engage with community and town councils and have met with numerous representative groups. Unfortunately the extent of engagement has been curtailed as a consequence of COVID 19. For 2021/2022 we are not proposing any specific changes to payments in respect of community and town councils.
11. The Panel's Regulations have been updated to reflect changes to the remit (see Annex 2).
12. One issue that has arisen again, particularly in the context of the pandemic lockdown is the action of the Council in respect of the Reports of the Panel which it receives. When the Panel's Annual Report is issued, principal councils must comply with the statutory requirements and apply all the relevant determinations. The proper officer of the council must put in place mechanisms for all eligible council members to receive payments as determined by the Panel. There are currently no options relating to levels of remuneration by principal councils that require a decision by full council. Levels of payments to which members are entitled cannot be varied by a vote of a principal council.
13. Only an individual member may communicate in writing to the proper officer if, as *an individual*, they wish to decline all or part of the payment to which they are entitled.

14. How the IRPW Annual Report is formally received or noted by full council is not a matter that is within the Panel's statutory remit. Individual constitutions or standing orders of councils may vary as to matters that may be submitted to full council for consideration. It is for each council to decide how they wish to manage receipt of the IRPW statutory Annual Report and if appropriate seek the advice of their legal officers. However, all council members and officers should take care that no misleading statements are made or reported in media, in particular, an indication that a council has taken a decision to reduce or vary levels of payments. There are no powers that permit a principal council to take such action.

1. The Panel's Framework: Principles of Members' Remuneration

Upholding trust and confidence

- 1.1 Citizens rightly expect that all those who choose to serve in local authorities uphold the public trust by embracing the values and ethics implicit in such public service. These principles underpin the contribution that the work of the Panel and its Framework make towards upholding public trust and confidence.

Simplicity

- 1.2 The Framework is clear and understandable. This is essential for the Panel to be able to communicate its determinations effectively to all those who are affected by, or who have an interest in its work.

Remuneration

- 1.3 The Framework provides for payment to members of local authorities who carry a responsibility for serving their communities. The level of payment should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the payment. The Framework provides additional payments for those who are given greater levels of responsibility.

Diversity

- 1.4 Democracy is strengthened when the membership of local authorities adequately reflects the demographic and cultural make-up of the communities such authorities serve. The Panel will always take in to account the contribution its Framework can make in encouraging the participation of those who are significantly under-represented at local authority level.

Accountability

- 1.5 Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Panel expects all authorities to make information readily and appropriately available about the activities and remuneration of their members.

Fairness

- 1.6 The Framework will be capable of being applied consistently to members of all authorities within the Panel's remit as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

Quality

- 1.7 The Panel recognises that the complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. The Panel expects members to undertake such training and personal development opportunities as required to properly discharge the duties for which they are remunerated.

Transparency

- 1.8 Transparency of members' remuneration is in the public interest. Some members receive additional levels of remuneration by virtue of being elected or appointed to more than one public body. The Framework serves to ensure that knowledge of all members' remuneration is made easily available to the public.

Remuneration of Officers

- 1.9 The Panel applies these principles of fairness, accountability and transparency in all its determinations in relation to remuneration of members of all the authorities that fall within its remit. The same principles also apply when the Panel is required to make recommendations in relation to the remuneration of the heads of paid service of these authorities.

3. Payments to Elected Members of Principal Councils: Basic, Senior and Civic Salaries

Basic salary for elected members of principal councils

- 3.1 In 2009 the Panel set the maximum basic salary at £13,868, representing three fifths of the then median gross earnings of all full-time employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE) published by the Office of National Statistics. The Panel assessed it appropriate to use a figure comparable with constituents' pay, adjusted for the part-time nature of the work of a member with no senior responsibilities. This identical figure of £13,868 was determined as the basic salary in the IRPW 2019 annual report, ten years on. A detailed explanatory paper setting out the historical context and analysis is available on the IRPW website at this [link](#). The key issues are outlined below.
- 3.1.1 Over this last decade, taking account of affordability and acceptability, the Panel has determined figures for basic salary which have varied but have not kept pace with measures of inflation or other possible comparators. These include: Retail Prices Index, Consumer Prices Index, Wales Median Salary (ASHE), NJC (public sector employees), National Living Wage, Members of Senedd, and MPs. Table 1, illustrated by Graph 1, shows the percentage increases to the basic salary and these alternatives from 2012 to 2021.
- 3.1.2 To set this in the context of other Welsh elected members, from 2013 to 2020 the basic salary increased by 7.9% (£13,175 to £14,218) whilst a Senedd Cymru member's salary increased by 31.1% (£53,852 to £70,625 - now indexed to Average Salaries in Wales ASHE for the previous year) and an MP's salary increased by 23.4% (£66,396 to £81,932).
- 3.1.3 Thus, backbench members' salaries have fallen significantly behind by any reasonable measure of inflation.

- 3.2 The Panel remains aware that the key activities required of an elected member of a principal council vary. Duties undertaken should enable all members to discharge their core non-executive responsibilities in the governance of their council and in representing those living in their ward. As an elected role, such posts are not readily treated in the same manner as employment with precisely quantified hours. The work that arises in representing ward residents is particularly varied because it is influenced by the very diverse socio-economic conditions, demographics, levels of urbanisation and different ratios of residents to councillors. These variations occur within individual authorities as well as in comparisons of local authorities throughout Wales. Elected positions carry an expectation of a level of personal commitment to the community that goes beyond defined remunerated hours. Many elected members report that their time spent is well in excess of the notional three days (extra time worked and previously defined by the Panel as a 'public service discount').
- 3.3 Despite the pandemic, Panel members continue meeting with the Chairs of Democratic Services Committees, their officers and councillors. The Panel has also, through varied correspondence with councils and individual council members and others, maintained its ongoing dialogue. The position generally expressed by councillors and officers remains that the basic workload discharged by all elected members is substantial and exceeds 3 days per week.
- 3.4 When making financial determinations for this draft Annual Report, the Panel has considered the progression of the variety of benchmark figures outlined above for the period from 2012 to 2020. Any adjustments in recent years have been in keeping with the Panel's principle that its determinations should be affordable and acceptable. This principle is maintained in the proposed increase for 2021/2022 an increase in the basic salary of elected members of £150.
- 3.5 This salary shall be paid by each principal authority in Wales from 1 April 2021 to each of its elected members unless any individual member opts personally and in writing to receive a lower amount.

Determination 1: The Basic Salary in 2021/22 for elected members of principal councils shall be £14,368 with effect from 1 April 2021.

Senior Salaries

Payments to members of the executive, chairs of committees and the leader of the opposition.

- 3.6 In 2021 senior salaries will be increased at the same rate (1.06%) as basic salaries.

Graph 2: Senior salaries 2012 to 2021

3.7 The limit on the number of senior salaries payable ('the cap') will remain in place. In 2021/22 the maximum number of senior salaries payable within each council will not be altered and will be as set out in Table 2 below.

The Executive

- 3.8 The Panel continues to take the view that Executive members should be considered as working the equivalent of full time (around 40 hours per week) but not necessarily nine to five. Continued discussions with members and officers in recent years have reinforced this conclusion.
- 3.9 Senior salaries are set out in Determination 2.

Chairs of Committees

- 3.10 There is a significant difference in the responsibilities and functions of chairing different committees. Councils are reminded that they do not have to pay chairs of committees. It is a matter for each council to decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- 3.11 Where chairs of committees are paid, the remuneration is: £23,161.

The Senior Salary Bands

Determination 2: Senior salary levels in 2021/22 for members of principal councils shall be as set out in Table 3 with effect from 1 April 2021.

Table 3: Basic salary and senior salaries payable to members of principal councils

Basic salary (payable to all elected members) £14,368			
	Group A Cardiff, Rhondda Cynon Taf, Swansea	Group B Bridgend, Caerphilly, Carmarthenshire, Conwy, Flintshire, Gwynedd, Newport, Neath Port Talbot, Pembrokeshire, Powys, Vale of Glamorgan, Wrexham	Group C Blaenau Gwent, Ceredigion, Denbighshire, Merthyr Tydfil, Monmouthshire, Torfaen, Isle of Anglesey
Senior salaries (inclusive of basic salary)			
Band 1 Leader	£55,027	£49,974	£44,921
Deputy leader	£38,858	£35,320	£31,783
Band 2 Executive members	£33,805	£30,773	£27,741
Band 3 Committee chairs (if remunerated):		£23,161	
Band 4 Leader of largest opposition group ³		£23,161	
Band 5 Leader of other political groups		£18,108	

³ Leader of largest opposition group. See IRPW Regulations, Annex 2, Part 1(2) for a definition of “largest opposition group” and “other political group”.

Table 3 notes:

- a. The Panel considers that leadership and executive roles (Band 1 and 2 salaries respectively) carry the greatest individual accountability and that 'size of population' remains a major factor in influencing levels of responsibility and the use of the three population groups (A, B and C) has therefore been retained. For information: Group A Population 200,000 and above; Group B Population 100,001 to 199,999; Group C Population up to 100,000.
- b. Committee chairs will be paid at Band 3. It is a matter for each council to decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- c. The stipulation that an opposition group leader or any other group leader must represent at least 10% of the council membership before qualifying for a senior salary remains unchanged.
- d. The Panel has determined that a council must make a senior salary available to the leader of the largest opposition group.
- e. The Panel has determined that, if remunerated, a Band 5 senior salary must be paid to leaders of other political groups.

Payments to Civic Heads and Deputies (Civic Salaries)

- 3.12 The Panel had previously allowed councils to vary salaries of civic heads and deputy civic heads to reflect the specific responsibilities attached to the roles. However, councils strongly expressed to the Panel that elected members do not wish to make decisions that require Councils themselves such choices and options were removed in 2019. In the case of civic salaries, if paid, the payment for Band 3 is set at £23,161 for a civic head and at the Band 5 salary of £18,108 for a deputy civic head (Determination 3). A council may decide not to apply any civic salary to the posts of civic head and or deputy civic head.
- 3.13 The posts of civic head and deputy civic head are not included in the cap (with the exception of Isle of Anglesey and Merthyr Tydfil Councils).

Determination 3: Where paid, a Civic Head must be paid a Band 3 salary of £23,161 and, where paid, a Deputy Civic Head must be paid a Band 5 salary of £18,108 with effect from 1 April 2021.

- 3.14 Civic heads are senior posts within councils which are distinct from political or executive leadership. In addition to chairing major meetings the civic head is the authorities' 'first citizen' and 'ambassador' representing the council to a wide variety of institutions and organisations. The Panel's requirement that members should not have to pay for the cost of the support (see **determination 10**) needed to carry out their duties applies also in respect of deputy civic heads.
- 3.15 In many instances civic heads receive secretarial support and are provided with transport for official duties and can access a separate hospitality budget which is managed and controlled by council officers.
- 3.16 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a decision for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 3.17 The Local Government (Democracy) (Wales) Act 2013 allows councils to appoint a presiding member whose role is to chair meetings of the whole council. Where appointed, there would be a consequential reduction in the responsibilities of the respective civic head.

Payments to Presiding Members

- 3.18 Councils are reminded that, if a presiding member is appointed, they do not have to be remunerated. If they are remunerated the post will count towards the cap and be paid at a Band 3 senior salary of £23,161.

Determination 4: Where appointed and if remunerated, a Presiding Member must be paid a Band 3 senior salary of £23,161.

Determination 5: The post of Deputy Presiding Member will not be remunerated.

Key factors underpinning the Panel's determinations:

- 3.19 The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance for the time equivalent of three days a week. Any time commitment beyond three days is an unpaid public service contribution.
- 3.20 The prescribed salary and expenses must be paid in full to each member unless an individual has independently and voluntarily opted in writing to the authority's proper officer to forego all or any element of the payment. It is

fundamental there is transparency in this process so any possible suggestion that members are put under pressure to forego some of the salaries is avoided.

The following must be applied:

Determination 6:

- a) An elected member must not be remunerated for more than one senior post within their authority.**
- b) An elected member must not be paid a senior salary and a civic salary.**
- c) All senior and civic salaries are paid inclusive of basic salary.**
- d) If a council chooses to have more than one remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.**

Determination 7: Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the NPA or FRA.

Determination 8: Members in receipt of a Band 1 or Band 2 salary cannot receive any payment from a Community or Town Council of which they are a member. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the Community or Town Council.

Supporting the work of local authority elected members

- 3.21 The Panel expects the support provided should take account of the specific needs of individual members. The functions of Democratic Services Committees include a requirement to review periodically the level of support provided to members to carry out their duties and the Panel would expect these committees to carry this out and bring forward proposals to the full council as to what is considered to be reasonable. Any proposals should be made with due regard to Determinations 9 and 10 below. For example, the Panel does not consider it appropriate that elected members should be required to pay for any telephone usage to enable them to discharge their council duties as a ward member, committee member or cabinet member.
- 3.22 The Panel considers it is necessary for each elected member to have ready use of e-mail services, and electronic access to appropriate information via an internet connection. The Panel does not consider it appropriate that elected

members should be required to pay for internet related services to enable them to discharge their council duties as a ward member, committee member or cabinet member. This comprises the necessary provision for a member to be in proper contact with council services and to maintain contact with those they represent. Councils are committed to 'paperless working' and without electronic access members would be significantly limited in their ability to discharge their duties. It is not appropriate for facilities required by members to be available only within council offices within office hours.

- 3.23 The responsibility of each council, through its Democratic Services Committee, to provide support should be based on an assessment of the needs of its members. When members' additional needs or matters of disability apply, or there are specific training requirements indicated, each authority will need to assess any particular requirements of individual members.
- 3.24 As a result of their legitimate actions as a councillor an elected member's personal security may become significantly, adversely affected. In keeping with their existing responsibilities, it is the duty of Democratic Services Committees to fund or provide support necessary to enable a councillor to discharge their role reasonably and safely. This may require the funding of appropriate security measures to protect councillors from personal risk or significant threat. Risk assessment and liaison with relevant bodies such as the police and security services would normally inform the selection of required provision.
- 3.25 For co-opted members the support requirements are set out in section 9 and determination 38.

Determination 9: Each authority, through its Democratic Services Committee, must ensure that all its elected members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information.

Determination 10: Such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members.

Specific or additional senior salaries

- 3.26 The Panel has allowed for greater flexibility through the provision for authorities to apply for specific or additional senior salaries that do not fall within the current remuneration framework, or which could not be accommodated within the maximum number of senior salaries relating to the authority. If the proposed addition is approved and results in the council exceeding its cap, this will be included in the approval (with exception of Merthyr Tydfil and the Isle of Anglesey Councils – see footnote 4). Some councils have raised the possibility

of operating some senior salary posts on a “job share” arrangement. The Panel is supportive of this principle and the process is set out in Paragraph 3.28.

Determination 11: Principal Councils can apply for specific or additional senior salaries that do not fall within the current Remuneration Framework.

- 3.27 Guidance to local authorities on the application process was issued in April 2014 and incorporated the following principles:
- a. The total number of senior salaries cannot exceed fifty percent⁴ of the membership.
 - b. Applications will have to be approved by the authority as a whole (unless this has been delegated within Standing Orders) prior to submission to the Panel.
 - c. There must be clear evidence that the post or posts have additional responsibility demonstrated by a description of the role, function and duration.
 - d. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

⁴Local Government (Wales) Measure 2011 Section 142 (5) The proportion fixed by the Panel in accordance with subsection (4) may not exceed fifty percent unless the consent of the Welsh Ministers has been obtained.

3.28 Job Sharing Arrangements

For members of an executive: Each “sharer” will be paid an appropriate proportion of the salary group as set out in Table 3.

The statutory maximum for cabinets cannot be exceeded so each job sharer will count toward the maximum.

Under the Measure, it is the number of persons in receipt of a senior salary, not the number of senior salary posts that count towards the cap. Therefore, for all job share arrangements the senior salary cap will be increased subject to the statutory maximum of 50% of the council’s membership.

The Panel must be informed of the details of any job share arrangements.

4. Joint Overview and Scrutiny Committees (JOSC)

- 4.1 Little use has been made of the arrangements for JOSCs. Therefore, the Panel has decided to delete the payment from the framework. If, in future, a JOSC is formed by an individual council and it wishes to remunerate, it can apply using the arrangements contained in paragraphs 3.26 and 3.27. The current JOSCs in operation will continue without need for further confirmation.

5. Pension Provision for Elected Members of Principal Councils

- 5.1 The Local Government (Wales) Measure 2011 provides a power to the Panel to make determinations on pension entitlement for elected members of principal councils.

Determination 12: The entitlement to join the Local Government Pension Scheme (LGPS) shall apply to all eligible elected members of principal councils.

6. Entitlement to Family Absence

This section applies to elected members of principal authorities.

- 6.1 The Regulations relating to Family Absence for elected members of principal councils were approved by the National Assembly for Wales in November 2013⁵ and cover maternity, new born, adoption and parental absences from official business.
- 6.2 The Panel considered the implications for the remuneration of such members who are given absence under the terms of the Welsh Government Regulations and the Panel's determinations are set out below.

Determination 13: An elected member is entitled to retain a basic salary when taking family absence under the regulations irrespective of the attendance record immediately preceding the commencement of the family absence.

Determination 14: When a senior salary holder is eligible for family absence, they will continue to receive the salary for the duration of the absence.

Determination 15: It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Determination 16: If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the Panel's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to the Isle of Anglesey or Merthyr Tydfil Councils if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances.

Determination 17: When a Council agrees a paid substitution for family absence the Panel must be informed within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution.

Determination 18: The Council's schedule of remuneration must be amended to reflect the implication of the family absence.

⁵[The Family Absence for Members of Local Authorities \(Wales\) Regulations 2013](#)

7. Payments to Members of National Park Authorities (NPAs)

Structure of National Park Authorities

7.1 The three National Parks in Wales - Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of the three corresponding National Park Authorities (NPAs). These have two main statutory purposes, to:

- protect and improve the natural beauty, wildlife and cultural heritage;
- promote opportunities for the public to understand and enjoy the National Park's special features.

In addition to fulfilling the National Park's purposes, it is the duty of the National Park Authority to foster the economic and social wellbeing of local communities within the Park.

7.2 National Park Authorities comprise Members who are either elected members nominated by the Principal Councils within the National Park area or are members appointed by the Welsh Government through the Public Appointments process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.

7.3 The structure of the Members' Committee at each of the three national parks is set out in Table 4.

Table 4: Membership of Welsh National Park Authorities

National Park Authority	Total Membership	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	18	12: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 1 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 1 Powys County Council – 6 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council – 1	6
Pembrokeshire Coast	18	12: Pembrokeshire County Council – 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd Council – 9	6

- 7.4 In addition, Standards Committees of NPAs have independent co-opted members whose remuneration is included in the Framework as set out in Section 9.
- 7.5 In considering remuneration of members of NPAs, the Panel has based its determinations on the following key points:
- NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development, Management and or Planning Committee, and other committees include Performance and Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection Panels.
 - There is an expectation that members will participate in training and development.
 - The Chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and MSs with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 In the time commitment on which the remuneration of members is based is 44 days. The salary for members of NPAs will increase to £4,053.
- 7.7 The Panel has determined that the remuneration of a NPA Chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £12,845.
- 7.8 The Panel has previously determined that up to two other committee Chairs can be remunerated. If the NPA considered this was restrictive, there was an option to apply for additional Senior Salary. It is proposed that this restriction is removed and that NPAs determine the number of Senior posts it requires as appropriate to its governance arrangements. The determination relating to the application for additional senior salaries is removed.
- 7.9 The Panel has made the following determinations:

Determination 19: The basic salary for NPA ordinary members shall be £4,053 with effect from 1 April 2021.

Determination 20: The senior salary of the Chair of a NPA shall be £12,845 with effect from 1 April 2021.

Determination 21: A NPA senior salary of £7,792 must be paid to a Deputy Chair where appointed.

Determination 22: Committee chairs or other senior posts must be paid a salary of £7,792.

Determination 23: Members must not receive more than one NPA senior salary.

Determination 24: A NPA senior salary is paid inclusive of the NPA basic salary.

Determination 25: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed.

Note: Family absence does not apply to Welsh Government appointed members and local authority nominees are covered by their principal council so NPAs are not required to make any arrangements in this respect.

8. Payments to Members of Welsh Fire and Rescue Authorities (FRAs)

Structure of Fire and Rescue Authorities

- 8.1 The three Fire and Rescue Services (FRAs) in Wales: Mid and West Wales, North Wales and South Wales were formed as part of Local Government re-organisation in 1996.
- 8.2 FRAs comprise elected members who are nominated by the Principal Councils within each Fire and Rescue Service area.
- 8.3 The structure of the each of the three FRAs is set out in Table 5.

Table 5: Membership of Fire and Rescue Authorities

Name of Fire and Rescue Authority	Number of Local Authority Members
Mid and West Wales	25: Carmarthenshire County Council – 5 Ceredigion County Council – 2 Neath Port Talbot County Borough Council – 4 Pembrokeshire County Council – 3 Powys County Council – 4 Swansea City and County Council – 7
North Wales	28: Conwy County Borough Council – 5 Denbighshire County Council – 4 Flintshire County Council – 6 Gwynedd Council – 5 Isle of Anglesey County Council – 3 Wrexham County Borough Council – 5
South Wales	24: Bridgend County Borough Council – 2 Blaenau Gwent County Borough Council – 1 Caerphilly County Borough Council – 3 Cardiff City Council – 5 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Newport City Council - 2 Rhondda Cynon Taf County Borough Council - 4 Torfaen County Borough Council – 2 Vale of Glamorgan Council -2

- 8.4 In addition, Standards Committees of FRAs have independent co-opted members whose remuneration is included in the Framework as set out in Section 9.

- 8.5 In considering remuneration of members of FRAs, the Panel has based its determinations on the following key points:
- The Chair has a leadership and influencing role in the authority, and a high level of accountability especially when controversial issues relating to the emergency service arise. In addition to fire authority meetings, all FRAs have committees that include in different combinations: audit, performance management, scrutiny, human resources, resource management as well as task and finish groups and disciplinary Panels. As well as attending formal meetings of the authority and committees, members are encouraged to take on a community engagement role, including visiting fire stations.
 - There is a strong training ethos in FRAs. Members are expected to participate in training and development. Induction programmes are available as well as specialist training for appeals and disciplinary hearings.
 - Training sessions often follow on from authority meetings to make the training accessible.

Basic and Senior Salaries

- 8.6 The time commitment on which the remuneration is based is 22 days. The salary for members of FRAs will increase to £2,026.
- 8.7 The Panel determined that the remuneration of a FRA Chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £10,818.
- 8.8 The Panel determined that the remuneration of a FRA Deputy Chair will be aligned with the Band 5 senior salary for principal councils. This will increase to £5,765 and must be paid if the authority appoints a deputy chair.
- 8.9 The Panel has previously determined that up to two other committee Chairs can be remunerated. If the FRA considered this was restrictive, there was an option to apply for additional Senior Salary. It is proposed that this restriction is removed and that FRAs determine the number of Senior posts it requires as appropriate to its governance arrangements. The determination relating to the application for additional senior salaries is removed. Committee Chairs and any other senior post if remunerated will be aligned with Band 5. This will increase to £5,865.

Local Pension Boards

8.10 The Panel has considered requests from FRAs to allow them to pay salaries to Chairs of local pension boards established under the Firefighters' Pension Scheme (Wales) Regulations 2015. Those Regulations already give FRAs the power to decide how local pension boards are to work and to pay the Chair and members if they wish. Therefore, it is not appropriate for the Panel to make a determination empowering FRAs to pay salaries to local pension board Chairs. The senior salaries in Determination 26 or 27 cannot be used exclusively for this role.

8.11 The Panel has made the following determinations:

Determination 26: The basic salary for FRA ordinary members shall be £2,026 with effect from 1 April 2021.

Determination 27: The senior salary of the Chair of an FRA shall be £10,818 with effect from 1 April 2021.

Determination 28: An FRA senior salary of £5,765 must be paid to the Deputy Chair where appointed.

Determination 29: Chairs of committees or other senior posts can be paid. This shall be paid at £5,765.

Determination 30: Members must not receive more than one FRA senior salary.

Determination 31: A FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility.

Determination 32: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated.

9. Payments to Co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities⁶

- 9.1 The Panel has determined that a daily or half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights.
- 9.2 The number of days in any one year for which co-opted members may be paid varies and reflects the specific work discharged by the relevant committee. This context for payment therefore differs from that for elected members of principal councils which provides a monthly payment. Many elected members of principal councils report that they rely on this as part of a core income without which they would be unable to continue in the role.
- 9.3 In dialogue with the Panel, co-opted members acknowledge the importance of fees they receive but do not identify these payments as an income for living upon which they depend. Panel determinations in relation to co-opted member fees occur in this context and any uplifts are therefore not comparable with the changes to salaries of elected members.
- 9.4 The Panel proposes an increase of £12 to £210 daily rate for ordinary co-opted members and for those with additional responsibility.
- 9.5 Recognising the important role that co-opted members discharge, payment must be made for travel and preparation time; committee and other types of meetings as well as other activities, including training, as set out in Determinations 34 to 37.
- 9.6 The determinations are set out below and principal councils, NPAs and FRAs must tell co-opted members the name of the appropriate officer who will provide them with the information required for their claims; and make the appropriate officer aware of the range of payments that should be made.

Determination 33: Principal councils, NPAs and FRAs must pay the following fees to co-opted members who have voting rights (Table 6).

Table 6: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£268 (4 hours and over) £134 (up to 4 hours)
Ordinary members of standards committees who also chair standards committees for community and town councils	£238 daily fee (4 hours and over) £119 (up to 4 hours)
Ordinary members of standards committees; education scrutiny committee; crime and disorder scrutiny committee and audit committee	£210 (4 hours and over) £105 (up to 4 hours)

Community and town councillors sitting on principal council standards committees	£210 (4 hours and over) £105 (up to 4 hours)
--	--

Determination 34: Reasonable time for pre-meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 35: Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 36: The appropriate officer within the authority must determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 37: Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Support for co-opted members

Determination 38: Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting co-opted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member.

⁶This section does not apply to co-opted members to community and town councils.

10. Contribution towards costs of care and personal assistance

- 10.1 This section applies to all members of principal councils, National Park Authorities, Fire and Rescue Authorities and to Co-opted members of these authorities. The same provision applies to Community and Town Councils.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role. The Panel has adopted specific principles related to support for the costs of care which were the subject of a Supplementary Report published in February 2020. These principles are replicated in the [supplementary report](#).
- 10.3 The Panel has reviewed the arrangements for this financial support and proposes the following changes:
- a) As payments are taxable under the current HMRC rules, full reimbursement is not possible so for clarity this will be retitled to “Contribution towards the costs of care and personal assistance”. It will still require receipts to accompany claims.
 - b) Claims can be made in respect of a dependant under 16 years of age, or a minor or adult who normally lives with the member as part of their family and who cannot be left unsupervised.
 - c) Clarification in respect of a member’s own care or support needs: Reimbursement may be claimed where the support and or cost of any additional needs are not available or are not met directly by the authority such as Access to work, Personal Payments, Insurance. These could arise when the needs are recent and or temporary.
- 10.4 Members, including co-opted members are entitled to claim towards the costs of care and personal assistance, for activities that the individual council has designated official business or an approved duty which might include appropriate and reasonable preparation and travelling time. It is a matter for individual authorities to determine specific arrangements to implement this; each authority must ensure that any payments made are appropriately linked to official business or approved duty.
- 10.5 The Panel has reviewed the maximum monthly payment in recognition that this has not changed for several years. Information indicates that monthly costs and claims vary considerably. These can depend on the number of dependants, their ages and other factors. Therefore the monthly cap will be replaced with the following arrangements:
- Formal (registered with Care Inspectorate Wales) care costs to be

reimbursed in full.

- Informal (unregistered) care costs to be reimbursed up to a maximum rate equivalent to the Real Living Wage at the time the costs are incurred.

For clarification, care costs cannot be paid to someone who is a part of a member's household

10.6 The Panel continues to recognise the issues relating to the publication of this legitimate expense and has retained the requirements for publication set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the contribution towards costs of care and personal assistance.

Table 7

The Panel's principles relating to care and personal assistance

The Minimum Authorities should do		How this could be done
Be clear who it is for	<p>Members with primary caring responsibilities for a child or adult and or personal support needs where these are not covered by statutory or other provision.</p> <p>For personal support. This might also include a short term or recent condition not covered by the Equality Act 2010, access to work, Personal Payments, insurance or other provision.</p>	A Confidential review of the needs of individual members annually and when circumstances change
Raise Awareness	Ensure potential candidates, candidates and current members are aware that financial support is available to them should their current or future circumstances require.	Ensure clear and easily found information is available on website and in election and appointment materials, at Shadowing and at induction and in the members' "handbook". Remind serving members via e-mail and or training. Signpost to IRPW Payments to Councillors leaflets.
Promote a Positive Culture	Ensure all members understand the reason for RoCoC and support and encourage others to claim where needed.	Encouragement within and across all parties of Relevant Authorities to support members to claim.

The Minimum Authorities should do		How this could be done
		Agree not to advertise or make public individual decisions not to claim.
Set out the approved duties for which CCCPA can be claimed	<p>Meetings – formal (those called by the Authority) and those necessary to members’ work (to deal with constituency but not party issues) and personal development (training, and appraisals.)</p> <p>Travel – in connection with meetings.</p> <p>Preparation – reading and administration are part of a member’s role. Some meetings and committees require large amounts of reading, analysis or drafting before or after a meeting.</p> <p>Senior salary holders with additional duties may have higher costs.</p>	<p>Approved duties are usually a matter of fact. Interpretation of the IRPW Regulations are set out in the Annual Report.</p> <p>“Any other duty approved by the authority, or any duty of class so approved, undertaken for the purpose of, or in connection with, the discharge of the functions of the authority or any of its committees.”</p>
Be as enabling as possible about the types of care that can be claimed	<p>Members should not be “out of pocket” subject to the limit set in the Annual Report.</p> <p>Models of care and needs vary. Members may use a combination of several care options.</p> <p>Patterns of care may alter over the civic and academic year.</p> <p>Not all care is based on hourly (or part hourly) rates.</p> <p>Where a whole session must be paid for, this must be reimbursed even where the care need is only for part of a session.</p> <p>Members may need to:</p> <ul style="list-style-type: none"> • book and pay for sessions in advance • commit to a block contract: week, month or term • pay for sessions cancelled at short notice <p>Where care need straddles two sessions both should be reimbursed.</p>	

The Minimum Authorities should do		How this could be done
Have a simple and effective claim process	Members should know how to claim. The claim process should be clear, proportionate and auditable.	Check members understand how to claim and that it is easy to do so. Flexibility to accept paperless invoices Online form Same or similar form to travel costs claim
Comply with IRPW Publication rules	The IRPW Framework states: “In respect of the publication of the reimbursement of the costs of care, the Panel has decided that relevant authorities should only publish the total amount reimbursed during the year. It is a matter for each authority to determine its response to any Freedom of Information requests it receives. However, it is not intended that details of individual claims should be disclosed.”	

Determination 39: All relevant authorities must provide for the reimbursement of the contribution towards necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs as follows:

- **Formal (registered with Care Inspectorate Wales) care costs to be reimbursed in full.**
- **Informal (unregistered) care costs to be reimbursed up to a maximum rate equivalent to the Real Living Wage at the time the costs are incurred.**

Reimbursement must be for the additional costs incurred by members to enable them to carry out official business or approved duties. Each authority must ensure that any payments made are appropriately linked to official business or approved duty. Reimbursement shall only be made on production of receipts from the carer.

11. Sickness Absence for Senior Salary Holders

- 11.1 The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.
- 11.2 Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:
- Operating without the individual member but still paying them the senior salary.
 - Replacing the member who therefore loses the senior salary (but retains the basic salary).
- 11.3 The Panel's Framework provides specific arrangements for long term sickness as set out below:
- a) Long term sickness is defined as certified absences in excess of 4 weeks.
 - b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
 - c) Within these parameters a senior salary holder on long term sickness can, if the authority decides, continue to receive remuneration for the post held.
 - d) It is a decision of the authority whether to make a substitute appointment, but the substitute will be eligible to be paid the senior salary appropriate to the post.
 - e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority, as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However, this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts - the statutory maximum).
 - f) When an authority agrees a paid substitution, the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
 - g) It does not apply to elected members of principal councils who are not

senior post holders as they continue to receive basic salary for at least six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

- 11.4 This arrangement applies to members of principal councils, National Park Authorities and Fire and Rescue Authorities who are senior salary holders, including Welsh Government appointed members, but does not apply to co-opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members of National Park Authorities.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. (Similar provision for Community and Town Councils is contained in section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official business or approved duties.
- 12.3 Expenses reimbursed to members of principal councils, by their principal council are exempt from Income Tax and employee NICs. Members of National Park Authorities and Fire and Rescue Authorities may be subject to other arrangements as determined by HMRC.
- 12.4 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.5 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motor cycles
20p per mile	Bicycles

- 12.6 Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.7 All other claims for travel, including travel by taxi if this is the only, or most

appropriate, method of transport, must only be reimbursed on production of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost-effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and or family

- 12.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.
- 12.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.11 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24-hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Car Parking for Members

Several councils have specific arrangements for their members in respect of car parking. The Panel considers that it is a matter for individual councils to determine arrangements including payments to and from members providing that it is a decision made formally by the council.

13. Payments to Members of Community and Town Councils

- 13.1 The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities.
- 13.2 The Panel has met with over 304 Councillors and Clerks representing 302 community and town councils in 17 meetings it held across Wales. The discussions re-confirmed the widely held view that the roles individual councils undertake varied significantly and in accordance with this wide variation, the responsibilities and accountabilities of councillors must also vary. Councillors managing income or expenditure of £1million and those delivering significant services, including some that might have been delegated from principal councils, are operating in a much more complex environment than a council with an annual budget of less than £30,000.
- 13.3 In the 2018 Annual Report the Panel formed 3 groups of community and town councils to reflect these differences based on the level of income *or* expenditure, whichever is the highest, in the previous financial year. These remain unchanged as set out in Table 7.

Table 8: Community and Town Council Groupings

Community and Town Council Group	Income or Expenditure in 2020-2021 of:
A	£200,000 and above
B	£30,000 - £199,999
C	Below £30,000

- 13.4 In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure. It is important to note that a person who follows this path is in a different position to those in other forms of activity, for example such as volunteering or charitable work, typically governed by the Charity Commission for England and Wales.
- 13.5 Under the Local Government (Wales) Measure 2011, community and town councils are relevant authorities for the purpose of remuneration.
- 13.6 Consequently, individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales. It is the duty of the proper officer of a council (usually the Council Clerk) to arrange for correct payments to be made to all individuals entitled to receive them.

- 13.7 Members should receive monies to which they are properly entitled as a matter of course. There must be no requirement for individuals to 'opt in' to receive payments.
- 13.8 An individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so.
- 13.9 The Panel considers that any member who has personal support needs or caring responsibilities should be enabled to fulfil their role. Therefore, the Panel is mandating contribution towards costs of care and personal allowance for all members of community and town councils as set out in Determination 39.
- 13.10 Each community and town council must ensure that it does not create a climate which prevents persons accessing any monies to which they are entitled that may support them to participate in local democracy. Payments should be made efficiently and promptly.
- 13.11 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance. However, this does not preclude them from holding a senior role (Leader, Deputy Leader) without payment.
- 13.12 Table 9 sets out the actions that community and town councils must take annually in respect of each determination that follows.

Payments towards costs and expenses

- 13.13 The Panel continues to mandate a payment of £150 as a contribution to costs and expenses for members of all community and town councils.
- 13.14 For the avoidance of doubt this determination now includes all councils. Receipts are not required for these payments.

Determination 40: All community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses.

Senior roles

- 13.15 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that larger councils will have a greater

number of committees, reflecting its level of activity. The Panel has therefore determined that councils in Group A must make available a payment for a minimum of one senior role and a maximum of five senior roles of £500 each. Councils in Groups B and C can pay up to five responsibility payments (of up to £500) for specified roles.

- 13.16 In all cases, a Councillor can only have one payment of £500 regardless of how many senior roles they hold within their Council.

Determination 41: Community and town councils in Group A must make available an annual payment of £500 each to a minimum of 1 and a maximum of 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

Determination 42: Community and town councils in Groups B or C can make an annual payment of up to £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

- 13.17 Where a person is a member of more than one community or town council, they are eligible to receive the £150 and, if appropriate, £500 from each council of which they are a member.

Contribution towards costs of care and personal assistance

- 13.18 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel's determinations in section 10 apply to Community and Town Councils.

Reimbursement of travel costs and subsistence costs

- 13.19 The Panel recognises there can be significant travel and subsistence costs associated with the work of community and town council members, especially where the council area is geographically large and/or when engaging in duties outside this area. Each council has an option to pay travel and subsistence costs including travel by taxi if this is the only, or most appropriate, method of transport. Where a council does opt to pay travel and subsistence costs, the following determinations apply.

Determination 43: Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties. ⁷ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- 45p per mile up to 10,000 miles in the year.
- 25p per mile over 10,000 miles.
- 5p per mile per passenger carried on authority business.
- 24p per mile for private motor cycles.
- 20p per mile for bicycles.

Determination 44: If a community or town council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where not provided.
- £200 – London overnight.
- £95 – elsewhere overnight.
- £30 – staying with friends and/or family overnight.

Compensation for financial loss

13.20 The Panel has retained the facility which councils may pay as compensation to their members where they suffer financial loss when attending approved duties. Members must be able to demonstrate that the financial loss has been incurred. Each council has an option to pay compensation for financial loss and where it does the following determination applies.

⁷ Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Determination 45: Community and town councils can pay financial loss compensation to each of their members, where such loss has occurred, for attending approved duties as follows:

- Up to £55.50 for each period not exceeding 4 hours
- Up to £110.00 for each period exceeding 4 hours but not exceeding 24 hours

Civic Head and Deputy Civic Head

- 13.21 Civic heads are senior posts within community and town councils. In addition to chairing major meetings the civic head is the ‘ambassador’ representing the council to a variety of institutions and organisations. The Panel requires that members should not have to pay themselves for any cost associated with carrying out these duties. This requirement also applies in respect of deputy civic heads.
- 13.22 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing – we consider these to be the council’s civic budgets.
- 13.23 Funding decisions in relation to these civic budgets are not matters of personal remuneration for the post holder but relate to the funding required for the tasks and duties to be carried out. Councils remain free to set civic budgets at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 13.24 For the avoidance of doubt, costs in respect of, for example, transport (physical transport or mileage costs), secretarial support, charitable giving (purchasing tickets, making donations or buying raffle tickets) and clothing are not matters of personal remuneration for the individual holding the senior post. These should be covered by the civic budget.
- 13.25 Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils can make a payment to the individuals holding these roles.
- 13.26 This is a personal payment to the individual and is entirely separate from covering the costs set out above.
- 13.27 The Panel has determined that the maximum payment to a chair or mayor of a community or town council is £1,500. The maximum payment to a deputy mayor or chair is £500.

Determination 46: Community and town councils can provide a payment to the mayor or chair of the council up to a maximum of £1,500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 47: Community and town councils can provide a payment to the deputy mayor or deputy chair of the council up to a maximum of £500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Making Payments to members

- 13.28 Table 9 sets out each of the above determinations and if a decision is required by the council in respect of each one.
- 13.29 In respect of the mandated payments where no decision is required by a council, members should receive monies to which they are properly entitled as a matter of course.
- 13.30 Where a decision is required by the council, this should be done at the first meeting following receipt of the Annual Report.
- 13.31 A council can adopt any, or all, of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.32 When payments take effect from is set out in paragraphs 13.36 to 13.38 below.
- 13.33 On receipt of the draft Annual Report the previous autumn, councils should consider the determinations for the next financial year and use this to inform budget plans.

Table 9

Determination Number	Is a decision required by council?
40 All community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses.	No - the payment of £150 is mandated for every member unless they advise the appropriate officer that they do not want to take it in writing.
41 Community and town councils in Group A must make available an annual payment of £500 each to a minimum of 1 and a maximum of 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.	Yes – a council must decide how many payments of £500 it will make – to between 1 and 5 members.
42 Community and town councils in Groups B or C can make an annual payment of up to £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.	Yes – it is optional to pay it for up to 5 members and, if it is paid, the amount (up to £500) must be decided.
43 Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.	Yes – the payment of travel costs is optional.

Determination Number	Is a decision required by council?
44 If a community or town council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members.	Yes – the payment of overnight subsistence expenses is optional.
45 Community and town councils can pay financial loss compensation to each of their members, where such loss has actually occurred, for attending approved duties.	Yes – the payment of financial loss allowance is optional.

48 Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance.	No - Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) can only receive travel and subsistence expenses and contribution towards costs of care and personal assistance; if they are eligible to claim, and wish to do so.

13.34 All members are eligible to be paid the £150 as set out in Determination 40 from the start of the financial year; unless they are elected later in the financial year, in which case they are eligible for a proportionate payment from that date.

13.35 Other amounts payable to members in recognition of specific responsibilities or as a civic head or deputy civic head as set out in Determinations 41,42, 46 and 47 are payable from the date when the member takes up the role during the financial year.

13.36 It is a matter for each council to make, and record, a policy decision in respect of:

- when the payment is actually made to the member;
- how many payments the total amount payable is broken down into;
- and whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

13.37 Payments in respect of Determinations 41, 42, 43 and 44 are payable when the activity they relate to has taken place.

13.38 As stated in paragraph 13.8 any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.

Determination 48: Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance.

Publicity requirements

13.39 There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments for each financial year. This information must be published on council noticeboards and or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the previous financial year. The Panel draws attention to the requirements stipulated at Annex 4. The Panel is concerned that a significant number of councils are still in breach of this requirement.

14. Compliance with Panel Requirements

The Panel's remit under the Measure

- 14.1 Section 153 of the Measure empowers the Panel to require a relevant authority⁸ to comply with the requirements imposed on it by an Annual Report of the Panel and further enables the Panel to monitor the compliance of relevant authorities with the Panel's determinations.
- 14.2 A relevant authority must implement the Panel's determinations in this report from the date of its annual meeting or a date specified within the Annual Report.

Monitoring compliance

- 14.3 The Panel will monitor the compliance with the determinations in this Annual Report by relevant authorities against the following requirements:
- (i) A relevant authority must maintain an annual **Schedule of Member Remuneration** (IRPW Regulations 4 and 5). Guidance at Annex 3 sets out the content which must be included in the Schedule.
 - (ii) A relevant authority must make arrangements for the Schedule's publication within the authority area (IRPW Regulation 46) and send the Schedule to the Panel as soon as practicable and not later than 31 July in the year to which it applies. Annex 4 provides further details of the publicity requirements.
 - (iii) Any amendments to the Schedule made during the year must be notified to the Panel as soon as possible after the amendment is made.

Note: The above requirements do not apply to Community and Town Councils at this time.

The following applies to all authorities including Community and Town Councils.

- (iv) A relevant authority must make arrangements for publication within the authority area of the total sum paid by it in the previous financial year to each member and co-opted member in respect of salary (basic, senior and civic), allowances, fees and reimbursements in a Statement of Payments (in accordance with Annex 4 that sets out the content that must be included in the Publicity Requirements). This must be published as soon as practicable and no later than 30 September following the end of the previous financial year- **and must also be submitted to the Panel no later than that date.**

⁸ Interpretation of "Relevant Authority" provided in the Independent Remuneration Panel for Wales (IRPW) Regulations, Part 1, 'Interpretation'.

15. Salaries of Heads of Paid Service of Principal Councils and Fire and Rescue Authorities and Chief Officers of Principal Councils

- 15.1 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting section 143A. This enables the Panel to take a view on anything in the Pay Policy Statements of these authorities that relates to the salary of the head of paid service (normally the Head of Paid Service or chief fire officer). Section 39 of the Local Government (Wales) Act 2015 further amended the Measure extending this function to include Chief Officers of Principal Councils. However, this function ceased on 31 March 2020.
- 15.2 The Welsh Government issued amended guidance to the Panel which can be found at [Amended Guidance to the Independent Remuneration Panel for Wales Under Section 143A of the Local Government \(Wales\) Measure 2011 and Section 39 of the Local Government \(Wales\) Act 2015](#). This sets the basis on which the Panel will carry out the function contained in the legislation.
- 15.3 The functions of the Panel and the requirements on authorities established by the legislation and the subsequent guidance are:
- a) If a principal council intends to change the salary of the head of paid service, or if a fire and rescue authority intends to change the salary of its head of paid service it must consult the Panel unless the change is in keeping with changes applied to other officers of that authority (whether the change is an increase or decrease). 'Salary' includes payments under a contract for services as well as payments of salary under an employment contract.
 - b) The authority must have regard to the recommendation(s) of the Panel when reaching its decision.
 - c) The Panel may seek any information that it considers necessary to reach a conclusion and produce a recommendation. The authority is obliged to provide the information sought by the Panel.
 - d) The Panel may publish any recommendation that it makes. It is the intention that, in the interests of transparency, it will normally do so.
 - e) The Panel's recommendation(s) could indicate:
 - approval of the authority's proposal
 - express concerns about the proposal
 - recommend variations to the proposal

As long as these comply with any guidance issued by the Welsh Government.

- 15.4 The Panel also has a general power to review the Pay Policy Statements of

authorities so far as they relate to the heads of paid service.

15.5 It is important to note the Panel will not decide the amount an individual head of paid service will receive.

15.6 The Panel is very aware that this function is significantly different from its statutory responsibilities in relation to members' remuneration. However, it undertakes this role with clarity and openness, taking into account all the relevant factors in respect of specific individual cases. Authorities are encouraged to consult the Panel at an early stage in their decision making on such matters. This will enable the Panel to respond in a timely manner.

Pay Policy Statements

Paragraph 3.7 of the guidance to the Panel from the Welsh Government states that "The legislation does not restrict the Panel to a reactive role". It allows the Panel to use its power to make recommendations relating to provisions within local authorities Pay Policy Statements.

6. An authority must provide for the payment of a basic salary, as determined by the Panel in its Annual or Supplementary Reports, to each of its members. The amount of the salary must be the same for each member. For principal councils only, this salary remains payable during a period of family absence.
7. A member may not receive more than one basic salary from a relevant authority, but a member of one relevant authority may receive a further basic salary by being appointed as a member of another relevant authority (except in the case as indicated in paragraph 16).

Where a member is suspended or partially suspended from being a member of an authority (Part 3 of the 2000 Act refers) the part of the basic salary payable to that member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority. Payment must also be withheld if directed by the Welsh Ministers (Section 155(1) of the Measure).

For principal councils only, a senior salary will remain payable during the family absence of the office holder.
12. The Panel will prescribe in its Annual or Supplementary Reports the following:

which may not be the same for all authorities or categories of authorities.

- The amount that a relevant authority must pay to a member of the authority.
 - The maximum amount that a relevant authority may pay to a member of the authority.
14. The Senior Salary will comprise an amalgam of the basic salary and an additional amount for the relevant specific responsibility determined by the Panel in its Annual or Supplementary Reports. This may not be the same for all authorities or categories of authorities.
15. The Panel in its Annual or Supplementary Reports will determine either the maximum proportion of its membership or the total number of members that an authority can pay as senior salaries. The percentage may not exceed fifty percent without the express approval of Welsh Ministers (Section 142(5) of the Measure). For principal councils only, the maximum proportion or number may be exceeded to include payment of a senior salary to an additional member who is appointed to provide temporary cover for the family absence of a senior salary office holder (subject to the 50% limit).
- 15(a). For, Fire and Rescue Authorities and National Park Authorities the maximum proportion or number may be exceeded to include the payment of a senior salary to an additional member who is appointed to provide temporary cover for the sickness absence of a senior salary holder as determined in the Annual Report or a Supplementary Report.

Payments to chairs of Joint Overview and Scrutiny Committees or Sub Committees are additional to the maximum proportion of its membership that an authority can pay as senior salaries subject to the overall maximum of fifty percent as contained in Section 142(5) of the Measure. The Panel will determine the amounts of such payments in an Annual or Supplementary Report.
16. An authority must not pay more than one senior salary to any member. A principal council member in receipt of a senior salary as leader or executive member of an authority (determined as full-time by the Panel) may not receive a second salary as a member appointed to serve on a national park authority or a Welsh fire and rescue authority.
- 16(a). Paragraph 16 does not apply to payments made to a chair of a Joint Overview and Scrutiny Committee or Sub Committee who is in receipt of a senior salary for a role that is not classified as full time equivalent. It continues to apply to leaders or members of the executive.

17. Where a member does not have, throughout the year specific responsibilities that allow entitlement to a senior salary, that member's payment is to be such proportion of the salary as the number of days during which that member has such special responsibility bears to the number of days in that year.
18. Where a member is suspended or partially suspended from being a member of the authority (Part 3 of the 2000 Act refers) the authority must not make payments of the member's senior salary for the duration of the suspension (Section 155(1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the basic salary. Payment must also be withheld if directed by the Welsh Ministers.

 - To more than one member or co-opted member of the authority in relation to the care of the same child or dependant for the same episode of care.

This does not apply in respect of co-opted members of a council who live outside that authority.
27. A principal council may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence payments payable to that member or co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority. CONSTITUTION & DEMOCRATIC SERVICES COMMITTEE

Date of Meeting	Wednesday, 14 October 2020
Report Subject	Member IT Support
Report Author	Chief Officer (Governance)
Type of Report	Operational

EXECUTIVE SUMMARY

The ongoing pandemic resulted in our having to cancel Member meetings from March to May. Resumption of democratic governance was only possible by remote attendance, using Webex software, which has been operating since June. This has been very successful, with positive Member feedback.

We recognise that our current IT provision for Members (based on providing iPads) is now inadequate for the circumstances. In addition, we are incurring increasing costs of printing and postage. This has also resulted in an increase to the Council's carbon foot print.

To alleviate these concerns, and enable Members who are currently without their own IT equipment, we have investigated the provision of lap tops.

Webex needs a strong broadband connection to function well and bandwidth in all parts of the county is insufficient for the task. This report therefore also details the creation of a 'broadband allowance' which could be claimed by Members, should they so wish.

RECOMMENDATIONS	
1	That the Committee approves the provision of a council laptop to each Member who requires one.
2	That the Committee approves the introduction of broadband allowance of up to £30 per month to each Member of the Council who requires it.
3	That the Committee recognises that any Member is free not to accept either offer of a laptop or Broadband allowance.

REPORT DETAILS

1.00	EXPLAINING THE PROVISION OF MEMBER IT SUPPORT
1.01	During the initial stage of emergency, we ceased physical Member meetings. However, the use of IT solutions, most notably Webex software, enabled us to resume Member meetings by remote attendance from mid-June. All Members are now supplied with a Council iPad.
1.02	It quickly became apparent that it was difficult for Members to contribute effectively to meetings on their iPads without a separate copy of the agenda. The printing and postage of paper copies is a practice which had ceased some time ago, with a resultant cost saving. However, resumption of this was recognised as a necessary expedient to enable the democratic process to resume.
1.03	During August, we carried out a review of Member's own IT: around 25 have their own equipment which enables them to use Webex at the same time as reading the agenda on another device. That means that 45 member would need another device to enable them to contribute effectively to Remote Attendance Webex meetings.
1.04	We had previously decided that remote attendance meetings would continue for the rest of the calendar year. This decision has been brought into sharper focus by the announcement of a local health protection area covering Flintshire, alongside 3 other counties, from 1 st October.
1.05	The Independent Remuneration Panel for Wales Determinations 9 and 10 on Member support, include councils making provision for their members to have 'adequate telephone, email and internet facilities giving electronic access to appropriate information' being made, without cost to the individual Member.

1.06	We are seeking to provide a council lap top to each member who requests it. These costs would be offset against the mounting costs of printing and postage for agendas. Members would be able to refuse such provision.
1.07	We also recognise that Flintshire has not previously observed the requirements of the IT and telephone provisions. (In July 2015, the former Democratic Services Committee, the predecessor to this Committee decided that Members were then satisfied that they were not provided with phones or a greater level of support. We are now five years on, and operating in much changed circumstances. For this reason, it is reasonable for the committee to consider offering Members a 'broadband allowance' of up to £30 per month. Individual Members would then be able to decline the offer if they were satisfied with their current provision.
1.08	We acknowledge that we have a small number of Members who, despite having the maximum broadband provision in their area, still do not get sufficient bandwidth. This has caused connectivity problems and resultant frustration for those Members. In such circumstances, 'a MiFi' device would be provided. This would have a cost of around £30 per month, but this could then be offset against a Member's £30 broadband allowance.

2.00	RESOURCE IMPLICATIONS
-------------	------------------------------

2.01	The provision of up to 45 laptops would cost up to £600 each, depending on specification - a maximum cost of £27,000. The provision of broadband allowance of up to £30 per month to each Member of the Council would be up to £25,200 p.a. Both of these figures are based on maximum acceptance.

CONSTITUTION AND DEMOCRATIC SERVICES COMMITTEE

Date of Meeting	Wednesday 14 th October 2020
Report Subject	Review of Member/Officer Protocol
Report Author	Chief Officer, Governance

EXECUTIVE SUMMARY

The Protocol on Member/Officer Relations (informally called the Member/Officer Protocol) explains how the nature of the relationship between elected Councillors and employed officials should work and describes their different but complementary roles within the Council. It also sets out the behaviours and treatment that each can expect from the other and thereby expands upon the Councillors Code of Conduct.

The Protocol has been reviewed as part of the Standards Committee's rolling programme of looking at each of the codes and protocols in the Constitution. Also, towards the end of 2019 and in early 2020 the Council had undertaken work around specific aspects of the working relationship such as case handling for Councillors and the Flintshire Standard. It is appropriate that the protocol should be amended to incorporate the results of that work. Lastly, it is appropriate to update the protocol to strengthen the guidance on relationships between employees and Councillors in light of the recent Case Tribunal.

RECOMMENDATIONS

1	That the Committee approves the amended protocol.
---	---

REPORT DETAILS

1.00	ROLE AND STATUS OF THE MEMBER/OFFICER PROTOCOL
1.01	<p>The Member/Officer protocol is an adjunct to the Councillors' Code of Conduct and is an important contributor to the working culture within the Council. It sets out:</p> <ul style="list-style-type: none"> • the differing roles of members and officers and what they can expect from each other; • further explanation and guidance on appropriate behaviours; • mechanisms for handling concerns or problems within the relationship. <p>An alleged breach of the Protocol cannot be directly enforced in the same way as an alleged breach of the Code of Conduct. However, the document will inform any investigation by the Public Services Ombudsman for Wales.</p>
1.02	<p>The Protocol was considered as part of the Standards Committee's rolling programme of reviewing the codes and protocols in the Constitution. As such the Committee considered whether:</p> <ol style="list-style-type: none"> i. the document is still pertinent; ii. changes in other parts of the Constitution impact upon the Protocol; iii. it is up to date generally (i.e. does it reflect current working practices and arrangements within the Council); iv. any other circumstances that might indicate a change is required. <p>The rolling view was timely and took into account:</p> <ol style="list-style-type: none"> a) recent work undertaken by the Council to amend the Flintshire Standard; b) the recent review of handling member queries and correspondence c) changes in working practices within the Council; d) the outcome of the Case Tribunal reported to the Committee last time.
	<u>Explaining the Proposed Amendments</u>
1.03	<p>The Protocol is attached as Appendix A to the report showing proposed amendments in tracked changes. Some of the changes are extensive due to the need to modernise language and approach so a clean version is attached at Appendix B. The amendments fall broadly into the four categories outlined above, but I have also tried to simplify the document and update its terminology where appropriate (e.g. the paragraphs on Members' access to buildings). Of course, this work was undertaken prior to the current closure of buildings for health reasons and the rules need to be read as a restatement of what might be in the event that buildings re-open.</p>
1.04	<p>The amendments to the Flintshire Standard expanded upon the meaning of the provision within the code on respect. It sets out behaviours and practical examples of what is meant by treating officers and other Councillors with respect. Without repeating the provisions of the Flintshire</p>

	Standard in full amendments to the Protocol amendments are suggested on matters such as attendance at public meetings.
1.05	<p>The Protocol describes members' rights of access to officers, officer support, Council premises etc. These sections need updating to reflect changes with how the Council works and they need simplifying. For example:</p> <ol style="list-style-type: none"> 1) as the Council moves to open plan offices the arrangements for where and how members and officers meet also need to change. Conversations that once might have taken place between 2 people in a private office will now be audible to other people which could potentially breach confidences and/or distract co-workers whilst they are trying to concentrate; and 2) the Council's opening hours have changed.
1.06	<p>The Protocol deals with personal relationships between Councillors and employees. Councillors must have a geographical tie (residence, land, employment etc.) to the area of the Council in order to be eligible to stand for election. It is common that the majority of employees will also live within the county that they serve. It is inevitable, therefore, that employees and Councillors will have familial, social or even emotional relationships. Provided the relationship is declared by both officer and Councillor through the relevant system for recording interests, it is possible for the Council to put in place arrangements to ensure that Council functions, procedures and safeguards are not affected. The recent Case Tribunal decision showed the potential impact and consequences of covert relationships between Councillors and employees. Amendments have been suggested to reinforce the requirements on declaring interests for this reason.</p>
<u>Consideration by the Standards Committee</u>	
1.07	<p>The Standards Committee considered the protocol at its meeting on 2 March 2020. The Committee proposed a number of changes</p> <ol style="list-style-type: none"> a. in paragraph 7.3 wording to make clear that support is, and will be, provided to Chairs of Committee as well as Cabinet Members; b. in paragraph 9.2 the Committee wanted to refer to consulting members on "key decisions". The phrase has a technical meaning based on the scale of the decision which would not only serve to confuse understanding with our own local interpretation but might be seen as limiting existing consultations. I have therefore put broader wording that encompasses the current practice of consulting members <ol style="list-style-type: none"> i. as required by a resolution of committee or the Constitution; and ii. based on judgement as to the sensitivity of the issue c. grammatical changes
2.00	RESOURCE IMPLICATIONS
2.01	There are no extra resource requirements as a result of the proposed amendments to the protocol.

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	Chief Officers and HR have been consulted on proposed amendments to the Protocol.
3.02	The amendments were considered by the Standards Committee on 2 March and will be reported to Full Council for adoption on 17 th November.

4.00	RISK MANAGEMENT
4.01	There are minimal risks associated with the issues in this report.

SECTION 25

25. PROTOCOL ON MEMBER/OFFICER RELATIONS

1.0 Introduction

1.1 Effective local governance and community leadership depends on good working relationships between Members and Officers.

1.2 This Protocol provides guidance for Members (which includes co-opted members) and ~~officer~~Officers in their working relations with each other. The Protocol covers the more common working situations, but is not comprehensive. The principles underlying it may be applicable to other situations.

1.3 This Protocol applies only to working relations between Members in their role as Members and Officers in their capacity as Officers.

2.0 Working Relations

2.1 Members and Officers shall establish sound and effective working relations that engender mutual respect and put aside any personal differences.

2.2 Members will comply with the Members' Code of Conduct and ~~officer~~Officers with the Officers' Code of Conduct.

2.3 The National Conditions of Service for Staff in Local Government provide:
"The public is entitled to demand, of a local government Officer, conduct of the highest standard".

2.4 Members and Officers must recognise their different roles, needs and objectives. They must be ready to discuss positively how working relations between each other can most effectively be developed ([which is normally undertaken by discussion following elections and periodically thereafter](#)). Members and Officers must set aside any personal differences in the interests of maintaining effective working relations.

2.5 It is important that Officers develop political awareness of issues that are sensitive to the individual political groups represented on the Council.

3.0 Roles of Members and Officers

3.1 The respective roles of Members and ~~officer~~Officers can be summarised as follows:- Members and ~~officer~~Officers are servants to the public and they are indispensable to one another. Their responsibilities are distinct. Members are responsible to the electorate and set policy and direction. [They can help to guide implementation of policy \(especially Cabinet Members\) but typically do not get involved in decisions on specific cases.](#) Officers are responsible to the Council. An ~~officer~~Officer's job is to give advice to the Council and to carry-out the Council's work under the direction and control of the Council, the Cabinet and relevant committees. [Senior Officers will help Members to develop policy.](#)

3.2 Members have four main areas of responsibility:-

- ~~___~~ Contributing to determining the policy of the Council and giving it leadership;

- ~~□~~ Monitoring and reviewing the performance of the Council in implementing that policy and delivering services;
- ~~□~~ Representing the Council in their local areas and externally;

- In all advice, including reports, it is the responsibility of the ~~officer~~Officer to express his/her own ~~objective-professional~~ advice in an ~~objective-professional~~ manner and make recommendations based on this.

3.4 Through performance appraisal, target setting and day to day management, ~~officer~~Officers receive ~~guidance and direction their instructions~~ from their Line Managers. Members are not authorised to ~~ask-instruct-officer~~Officers to undertake specific tasks other than:-

- Through the formal decision-making process (~~Council, Cabinet, Committees etc~~);
- To request the provision of consumable resources provided by the Council for the use of Members;
- Where staff have been specifically allocated to give support to a Member, a group of Members, or all Members.

5.0 Courtesy

5.1 Mutual respect between Members and Officers is essential, it is important that any dealings between the parties should observe the highest standards of behaviour and courtesy towards each other and will not take or attempt to take unfair advantage of their position.

5.2 Members and Officers should have regard to the formality of the occasion as to the mode of address they choose to adopt. In particular, in formally convened meetings and/or meetings open to the public a formal mode of address should be adopted. In all other cases Members and Officers will respect preferred modes of address.

[5.3 The behaviours expected are set out in more detail within the Flintshire Standard which also includes a mechanism for informally resolving disputes between Members and Officers.](#)

6 Officers Giving Advice and Information to Political Groups

6.1 There is ~~now~~ statutory recognition for political groups, ~~and it~~ [It](#) is common practice for such groups to give preliminary consideration to matters of Council business in advance of ~~such matters~~[them](#) being considered ~~by the relevant Council decision-making body~~[at Council, Cabinet or Committee, though for some committees \(such as Planning Committee and Overview and Scrutiny Committees\) it is not appropriate to apply a "political whip"](#). Officers may properly be called upon to support and contribute to such deliberations by political groups.

6.2 The support provided by Officers can take many forms, ranging from a briefing meeting with a Chairperson or Spokesperson prior to a Committee meeting, to a presentation to a full political group meeting. Whilst in practice such Officer support is likely to be in most demand from whichever political group is for the time being in control of the Council, such support is available to all political groups.

6.3 Certain points must, however, be clearly understood by all those participating in this type of process, ~~M~~members and ~~O~~officers alike. In particular:

(a) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of political group business. The observance of this distinction will be assisted if Officers are not expected to be present at meetings, or parts of meetings, when matters of political group business are to be discussed;

(b) Political group meetings, whilst they form part of the preliminaries to Council decision making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not, therefore, rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and

(c) Similarly, where Officers provide information and advice to a political group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the County Council or the relevant Committee or Sub-Committee when the matter in question is considered.

6.4 Special care needs to be exercised whenever Officers are involved in providing information and advice to a political group meeting which includes persons who are not ~~member~~Members of the Council. Such persons will not be bound by the National Code of Local Government Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Members only meeting.

6.5 Officers must respect the confidentiality of any political group discussions at which they are present in the sense that they should not relay the content of any such discussions to another political group.

6.6 Any particular cases of difficulty or uncertainty in this area of Officer advice to political groups should be raised with the Chief Executive who will discuss them with the relevant Group Leader(s).

7.0 Support Services to Members

7.1 Members will use support services and resources provided by the Council only for Council business. Support services shall not be used for political or campaigning activity, or for private purposes.

7.2 The Council provides support services to ~~member~~Members ~~only in designated areas~~ (including stationery, IT facilities, printing, photo-copying, travel, transport and parking arrangement, etc.) to assist ~~member~~Members in discharging their role as Members of the Council.

7.3 Support services are provided ~~to the Political Group Leaders~~ by the Members' Services Section of the ~~Democracy and Governance~~ ~~Manager Department~~Portfolio. Individual ~~Departments services~~ may, in addition, provide support ~~services to an~~ Cabinet Member ~~with Portfolio, Lead Members~~, Chairs of ~~Scrutiny~~Committees and Panel Chairs.

8.0 Communications and Meetings

8.1 Members and Officers will not, without the agreement of the author, copy a communication, whether physical or electronic, from a member of the public (including MPs,

AMs or MEPs) or Member to another Member or to any other third party. This is not intended to restrict the normal sharing of correspondence by Officers with each other and their managers in order to respond to and handle that communication.

8.2 Most correspondence between ~~officer~~Officers or from ~~officer~~Officers to Members will be open and may be copied as a part of the normal arrangements for dealing with the matter within it. Members and Officers may from time to time raise matters confidentially with each other and such confidences shall be respected.

8.3 It may be necessary or appropriate for an Officer to discuss the content of a confidential communication with ~~another~~ Member, particularly where political consultation is required before action is taken under Officer delegated powers. In these circumstances, the communication should not be copied or shown to another Member or the identity of the author revealed without the express permission of that author.

8.4 Official communications on behalf of the Council should ~~normally~~ be sent ~~out over~~in the name of the appropriate Officer, rather than ~~ever in~~ the name of a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister or Assembly Secretary) for a communication to appear ~~ever in~~ the name of a Member, but this should be the exception rather than the norm. Communications which, for example, create obligations or give instructions on behalf of the Council should never be sent out ~~ever in~~ the name of a Member.

8.5 Members and Officers need to meet or speak to discuss Council business. Officers will often keep a written note of such meetings as an aide memoire. Sometimes a more formal note of the discussion will be prepared such as a confirmatory email or minutes. Such record keeping is to be expected, and is normally taken to be agreed. Covert recording of meetings or conversations should not take place.

9.0 Specific Member/Officer Working Relations

9.1 Members and Officers will not allow a working relationship to become so close or appear to be so close as to bring into question the Officer's ability to deal impartially with other ~~member~~Members, political groups and other Officers. Where a Member and an Officer have a close relationship (whether familial, social, business, emotional etc) its existence must be declared, through the relevant process for declaring interests, so that appropriate steps can be taken to ensure that the relationship does not

- impinge upon the functioning of the Council or the exercise of council functions
- undermine or circumvent procedural safeguards
- impact upon the Council's reputation

9.2 Cabinet ~~member~~Members with Portfolios, ~~Lead Members~~ and other appropriate members will are routinely ~~be~~ consulted by Officers, prior to making decisions under delegated powers, as required by specific requirements within the Constitution or based on the Officer's assessment of the significance of the decision.

9.3 The Cabinet Member and/or the Chair and/or the Vice-Chair of the Committee or Panel will be consulted as a part of the agenda preparation for meetings.

9.4 Officers having delegated decision-making Authority are entitled, where considered expedient, to refer a matter to the Cabinet Committee or appropriate Sub-Committee for decision. Officers of Cabinet Management are responsible for the contents of all reports submitted in their name.

9.5 Members must acknowledge that Officers within a department are accountable to their Chief Officer. Officers should always be prepared to assist Members, but they cannot go beyond the bounds of the Authority given to them by their Chief Officer and they must not be asked to do so. Members must also recognise that Officers are bound by professional standards, codes of conduct or professional ethics and they should not be asked to go outside of the bounds set in such codes.

10.0 Involvement of Ward Councillors

10.1 Ward Members will be invited to attend any public meeting organised by the Council which relates to issues affecting their ward.

10.2 Ward Members must be appraised of local issues affecting their ward and involved in any public meeting or consultation exercise. They must be notified, at the outset, of any consultation on a local issue affecting their ward.

10.3 It is the responsibility of a Member who invites an Officer to a public meeting, or who is present at a public meeting to which an Officer has been invited by others, to ensure that the Officer is treated with appropriate levels of courtesy and respect by those at the meeting.

11.0 Members' Access to Information and to Council Documents

11.1 Members have legal rights to access ~~to~~ information and ~~to~~ Council documents that go beyond the rights enjoyed by members of the public. The law relating to Member's rights to information is complex and includes common law and statutory rights. The law also changes from time to time with new legislation or new case law. The Council has agreed procedures for what information will be shared with Members. If at any time a Member believes access to information or Council documents is being denied contrary to the Member's legal rights the issue should be raised with the Monitoring Officer or a member of the Legal Service~~a Senior Officer in the Legal & Democratic Services Department.~~

12.0 Confidentiality of Reports and Correspondence

12.1 All Chief Officers have a duty to satisfy themselves that Committee reports to which they are signatories are only classified as 'exempt information' when the statutory criteria for confidentiality are met. The Chief Executive and the Chief Officer, Governance have an overriding responsibility to determine this compliance.

12.2 Once a report has been issued within Part II of the agenda for a meeting and until a Committee decides that it should ~~not~~ be discussed in ~~the absence of the press and~~ public, Members and Officers must respect the confidentiality of the report and not disclose it to a third party.

12.3 It does not, however, follow that all the contents of the report must be regarded as secret. It may only be certain items of information or terms of negotiations that justify the inclusion of that report within Part II; other aspects may already be within the public domain or otherwise outside the definition of 'exempt'. A Member may accordingly refer to these aspects in discussions with third parties but must exercise proper care and judgement not to

reveal those elements of the paper which are protected but it will always be prudent for that Member to consult the Chief Officer, Governance before doing so.

123.0 Access to Council Premises

123.1 All Members of the Council shall be entitled to use, and have access to, any Council building or premises, when that building or the premises are open, as follows:

- a) anywhere which is open to the public;
- b) the Council Chamber and Committee Rooms for the purposes of attending and/or observing scheduled meetings of the Council, its Committees and Sub-Committees, Fora and the Cabinet (subject to any restrictions set out in the Access to Information Procedure Rules) or any public meeting held in those rooms by any other agency or body.
- c) areas set aside for the use of Members as a whole (such as the Members' Services Suite), as a group (such as group rooms), or as an individual (such as the Leader's office, Chair's parlour etc)
- d) any room to which the Member has been invited for a meeting by an Officer,
- e) the canteen

~~12.2 Subject to the provisions set out below, Members shall also be entitled to have access to any other part of any Council building or premises open to members of the public between 8.00 am and 6.00 pm.~~

~~12.3 In addition, subject to the provisions set out below, Members shall have access to the Chimney Entrance, the Canteen, the Bridge Link and the areas outside the Council Chamber and Committees Rooms between 8.00 am and 6.00 pm.~~

~~123.042 Such access is to be used for Council purposes and fulfilling the Member's role and responsibilities within the Council only.~~ Members, when they are not acting in pursuit of their roles and duties as a Member, shall have no greater rights of access to Council buildings and premises than members of the public.

~~12.5 All Members shall also be entitled to access and use the facilities provided for in the Members' Services Suite between the hours of 8.00 am and 6.00 pm during weekdays (excluding bank holidays).~~

~~13.32-6~~ There is a general presumption that Members will not require access to Council buildings ~~before 8.00 am or after 6.00 pm~~ outside of the hours 7.30 am to 7.00 pm except for scheduled or public meetings referred to in 143.1 above. In exceptional circumstances where a Member remains in the building beyond ~~6~~7.00 pm, he/she must inform security of his/her presence and location and give an indication as to how long he/she intends to stay.

~~13.42-7~~ Where individual Groups have been allotted rooms for their sole use ("group rooms"), Members of that group shall be entitled to have access to the group room ~~set aside for the use of the Group to which he or she belongs~~ subject to any reasonable restrictions which that Group may wish to place upon access from time to time.

~~12.8 Any Committee Chair or Cabinet Member who has been allocated a room shall also be entitled to access to the room so allocated for the purposes of the consultation responsibilities arising under the Delegation Scheme or for any other business arising from their roles and responsibilities~~

~~12.9 All Members who have been invited to attend meetings elsewhere in County Hall shall be entitled to have access to all corridors, stairwells and other reception areas through~~

~~which it is necessary to pass to enable them to attend. The same limitation shall apply to Committee Chairs and Cabinet Members under 121.8 above.~~

~~12.10~~**13.05** Members shall not be entitled to enter certain restricted sensitive areas including the central computer suite, ~~unified~~ benefits service (including the corridor on that part of the ground floor on Phase 2), payroll, and child protection unless by invitation of the Chief Officer or a duly authorised Officer in exceptional circumstances.

~~12.11~~**13.06** Subject to 13.01 and 13.05 above, ~~there is a presumption that~~ Members will not be entitled to enter other ~~staff only~~ areas in Council buildings so as to preserve the physical security of personal data under GDPR and so as to respect the fact that they are workplaces where Officers are expected to be concentrating on their duties. ~~Members may enter such areas following express invitation to attend a meeting with an Officer, or to arrange a meeting with an Officer, authorisation by the relevant Chief Officer or someone duly authorised to give such authorisation. When seeking meetings,~~ Members will endeavour to make appointments with Officers in advance giving them sufficient time to research the matter to be discussed. A suitable venue for the proposed meeting will be arranged at that time.

~~Staff only areas include individual rooms, open plan areas, management suites, internal reception areas not open to the public.~~

~~12.12~~**13.07** In situations where Members and Officers inadvertently meet in the course of their business there should be no expectation on the part of the Member that the Officer will deal with any issue that the Member wishes to raise, unless both agree that it is an urgent issue which cannot wait for a formal appointment to be arranged.

~~12.13 Any contravention of the above provisions shall be reported to the Council's Monitoring Officer who will in the first instance attempt to resolve the issue appropriately. If he is unable to resolve the issue he will report the matter to the Standards Committee. He will also make an annual report to the Standards Committee on the operation of this part of the Protocol.~~

134.0 Criticism of Members and Officers

~~131~~**14.1** As employer, the Council has a duty to provide and maintain a working environment which is reasonably tolerable to all employees and to protect them from unacceptable treatment and behaviour and unauthorised interference in work duties. All Members must ensure they discharge their duties as employer fairly and impartially and not do anything to undermine the relationship of mutual trust and confidence which must exist between the Council and its employees.

~~134~~**14.2** No public comment will be made on ongoing disciplinary proceedings as it could prejudice their outcome or breach the confidentiality that employees are entitled to expect in relation to such matters.

145.0 Political Group Leaders and the Chief Executive

~~145~~**145.1** The Political Group Leaders and the Chief Executive will develop and conduct appropriate working relations.

~~154~~**145.2** Regular Briefing arrangements between the Political Group Leaders and the Chief Executive are an essential part of the democratic machinery of the Council. It is important

that the Chief Executive, as Head of the Paid Service, is accessible by all political groups represented on the Council through their respective Leaders.

156.0 Issues regarding Working Relations between Members and Officers

156.1 Members and Officers will seek to resolve any issues arising within their working relations. In the first instance this will be done by the relevant Member and Officer.

156.2 ~~Chief Officers will, in the first instance, endeavour~~Where a Member and an Officer are unable to resolve any such issue then the:

- Member's Group Leader; and/or
- Officer's line manager and/or Chief Officer

may be involved.

156.3 The relevant Political Group Leader and the Chief Executive will seek to resolve by mediation and conciliation any unresolved problem or breakdown in working relationships between Members and Officers.

176.0 Review

167.1 This Protocol will be reviewed from time to time ~~and/or in the light of subsequent~~ legislation.

SECTION 25

25. PROTOCOL ON MEMBER/OFFICER RELATIONS

1.0 Introduction

1.1 Effective local governance and community leadership depends on good working relationships between Members and Officers.

1.2 This Protocol provides guidance for Members (which includes co-opted members) and Officers in their working relations with each other. The Protocol covers the more common working situations, but is not comprehensive. The principles underlying it may be applicable to other situations.

1.3 This Protocol applies only to working relations between Members in their role as Members and Officers in their capacity as Officers.

2.0 Working Relations

2.1 Members and Officers shall establish sound and effective working relations that engender mutual respect and put aside any personal differences.

2.2 Members will comply with the Members' Code of Conduct and Officers with the Officers' Code of Conduct.

2.3 The National Conditions of Service for Staff in Local Government provide:
"The public is entitled to demand, of a local government Officer, conduct of the highest standard".

2.4 Members and Officers must recognise their different roles, needs and objectives. They must be ready to discuss positively how working relations between each other can most effectively be developed (which is normally undertaken by discussion following elections and periodically thereafter). Members and Officers must set aside any personal differences in the interests of maintaining effective working relations.

2.5 It is important that Officers develop political awareness of issues that are sensitive to the individual political groups represented on the Council.

3.0 Roles of Members and Officers

3.1 The respective roles of Members and Officers can be summarised as follows:-
Members and Officers are servants to the public and they are indispensable to one another. Their responsibilities are distinct. Members are responsible to the electorate and set policy and direction. They can help to guide implementation of policy (especially Cabinet Members) but typically do not get involved in decisions on specific cases. Officers are responsible to the Council. An Officer's job is to give advice to the Council and to carry out the Council's work under the direction and control of the Council, the Cabinet and relevant committees. Senior Officers will help Members to develop policy.

3.2 Members have four main areas of responsibility:-

- Contributing to determining the policy of the Council and giving it leadership;

- Monitoring and reviewing the performance of the Council in implementing that policy and delivering services;
- Representing the Council in their local areas and externally;
- Acting as advocates on behalf of their constituents.

3.3 An Officer's role is:-

- To give advice and information to all Members on an impartial basis;
- To help Members formulate policies; and
- To implement policies determined by the authority, provided the policies are within the law.
- In all advice, including reports, it is the responsibility of the Officer to express his/her own professional advice in an objective manner and make recommendations based on this.

3.4 Through performance appraisal, target setting and day to day management, Officers receive guidance and direction from their Line Managers. Members are not authorised to ask Officers to undertake specific tasks other than:-

- Through the formal decision-making process (Council, Cabinet, Committees etc);
- To request the provision of consumable resources provided by the Council for the use of Members;
- Where staff have been specifically allocated to give support to a Member, a group of Members, or all Members.

4.0 Expectations

4.1 Members can expect from Officers:-

- a) A commitment to the Council as a whole and not to any political group.
- b) A working partnership.
- c) An understanding of and support for respective roles, workloads and the differing pressures.
- d) Timely response to enquiries and complaints in accordance with the agreed procedure for handling Member queries.
- e) Clear, objective advice, not influenced by political views or preference, which does not compromise the political neutrality of Officers.
- f) Regular, up-to-date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold.
- g) Awareness of and sensitivity to the political environment.
- h) Respect, courtesy and dignified behaviour appropriate to the occasion.
- i) Training and development in order to carry out their role effectively.
- j) A high level of integrity and confidentiality, appropriate to the situation.
- k) Not to have Officers' personal issues raised with them outside the agreed procedures.
- l) That they will not attempt to influence improperly any Member to advance Officers' personal interests or influence improperly a decision
- m) At all times compliance with the Code of Conduct for Officers
- n) Support for the role of Members as the local representatives of the Council, within any scheme of support for Members` , which may be approved by the authority.

4.2 Officers can expect from Members:

- a) A working partnership.
- b) An understanding of and support for respective roles, workloads and differing pressures.
- c) Leadership and direction.
- d) Respect for their advice and as a person, courtesy and dignified behaviour appropriate to the occasion as set out within the Flintshire Standard.
- e) A high level of integrity and confidentiality appropriate to the situation.
- f) Not to be subject to bullying or to be put under undue pressure to accord with a Member's wishes.
- g) Not to use their position or relationship with Officers improperly to advance their personal interests, or those of others, or to improperly influence decisions.
- h) That Members will at all times comply with the Council's Code of Conduct.
- i) Appropriate scrutiny of decisions that focuses on objective measures of performance and outcomes
- j) Respect for differing working hours and working patterns with appropriate time being allowed for responding to queries and concerns as set out in the agreed procedure

5.0 Courtesy

5.1 Mutual respect between Members and Officers is essential, it is important that any dealings between the parties should observe the highest standards of behaviour and courtesy towards each other and will not take or attempt to take unfair advantage of their position.

5.2 Members and Officers should have regard to the formality of the occasion as to the mode of address they choose to adopt. In particular, in formally convened meetings and/or meetings open to the public a formal mode of address should be adopted. In all other cases Members and Officers will respect preferred modes of address.

5.3 The behaviours expected are set out in more detail within the Flintshire Standard which also includes a mechanism for informally resolving disputes between Members and Officers.

6 Officers Giving Advice and Information to Political Groups

6.1 There is statutory recognition for political groups. It is common practice for such groups to give preliminary consideration to matters of Council business in advance of them being considered at Council, Cabinet or Committee, though for some committees (such as Planning Committee and Overview and Scrutiny Committees) it is not appropriate to apply a "political whip". Officers may properly be called upon to support and contribute to such deliberations by political groups.

Conclusions reached at such meetings do not, therefore, rank as Council decisions and it is essential that they are not interpreted or acted upon as such; and
- (c) Similarly, where Officers provide information and advice to a political group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the County Council or the relevant Committee or Sub-Committee when the matter in question is considered.

6.4 Special care needs to be exercised whenever Officers are involved in providing information and advice to a political group meeting which includes persons who are not Members of the Council. Such persons will not be bound by the National Code of Local Government Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons Officers may not be able to provide the same level of information and advice as they would to a Members only meeting.

6.5 Officers must respect the confidentiality of any political group discussions at which they are present in the sense that they should not relay the content of any such discussions to another political group.

6.6 Any particular cases of difficulty or uncertainty in this area of Officer advice to political groups should be raised with the Chief Executive who will discuss them with the relevant Group Leader(s).

7.0 Support Services to Members

7.1 Members will use support services and resources provided by the Council only for Council business. Support services shall not be used for political or campaigning activity, or for private purposes.

7.2 The Council provides support services to Members (including stationery, IT facilities, printing, photo-copying, travel, transport and parking arrangement, etc.) to assist Members in discharging their role as Members of the Council.

7.3 Support services are provided by the Members' Services Section of the Governance Portfolio. Individual services may, in addition, provide support to a Cabinet Member, Chairs of Committee and Panel Chairs.

8.0 Communications and Meetings

8.1 Members and Officers will not, without the agreement of the author, copy a communication, whether physical or electronic, from a member of the public (including MPs, AMs or MEPs) or Member to another Member or to any other third party. This is not intended to restrict the normal sharing of correspondence by Officers with each other and their managers in order to respond to and handle that communication.

8.2 Most correspondence between Officers or from Officers to Members will be open and may be copied as a part of the normal arrangements for dealing with the matter within it. Members and Officers may from time to time raise matters confidentially with each other and such confidences shall be respected.

8.3 It may be necessary or appropriate for an Officer to discuss the content of a confidential communication with a Member, particularly where political consultation is required before action is taken under Officer delegated powers. In these circumstances, the communication should not be copied or shown to another Member or the identity of the author revealed without the express permission of that author.

8.4 Official communications on behalf of the Council should be sent in the name of the appropriate Officer, rather than in the name of a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister or Assembly Secretary) for a communication to appear in the name of a Member, but this should be the exception rather than the norm. Communications which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

Sometimes a more formal note of the discussion will be prepared such as a confirmatory email or minutes. Such record keeping is to be expected, and is normally taken to be agreed. Covert recording of meetings or conversations should not take place.

9.0 Specific Member/Officer Working Relations

9.1 Members and Officers will not allow a working relationship to become so close or appear to be so close as to bring into question the Officer's ability to deal impartially with other Members, political groups and other Officers. Where a Member and an Officer have a close relationship (whether familial, social, business, emotional etc) its existence must be declared, through the relevant process for declaring interests, so that appropriate steps can be taken to ensure that the relationship does not

- impinge upon the functioning of the Council or the exercise of council functions
- undermine or circumvent procedural safeguards
- impact upon the Council's reputation

9.2 Cabinet Members with Portfolios, and other appropriate members are routinely consulted by Officers, prior to making decisions under delegated powers, as required by specific requirements within the Constitution or based on the Officer's assessment of the significance of the decision.

9.3 The Cabinet Member and/or the Chair and/or the Vice-Chair of the Committee or Panel will be consulted as a part of the agenda preparation for meetings.

9.4 Officers having delegated decision-making Authority are entitled, where considered expedient, to refer a matter to the Cabinet Committee or appropriate Sub-Committee for decision. Officers of Cabinet Management are responsible for the contents of all reports submitted in their name.

9.5 Members must acknowledge that Officers within a department are accountable to their Chief Officer. Officers should always be prepared to assist Members, but they cannot go beyond the bounds of the Authority given to them by their Chief Officer and they must not be asked to do so. Members must also recognise that Officers are bound by professional standards, codes of conduct or professional ethics and they should not be asked to go outside of the bounds set in such codes.

10.0 Involvement of Ward Councillors

10.1 Ward Members will be invited to attend any public meeting organised by the Council which relates to issues affecting their ward.

10.2 Ward Members must be appraised of local issues affecting their ward and involved in any public meeting or consultation exercise. They must be notified, at the outset, of any consultation on a local issue affecting their ward.

10.3 It is the responsibility of a Member who invites an Officer to a public meeting, or who is present at a public meeting to which an Officer has been invited by others, to ensure that the Officer is treated with appropriate levels of courtesy and respect by those at the meeting.

11.0 Members' Access to Information and to Council Documents

11.1 Members have legal rights to access information and Council documents that go beyond the rights enjoyed by members of the public. The law relating to Member's rights to information is complex and includes common law and statutory rights. The Council has agreed procedures for what information will be shared with Members. If at any time a Member believes access to information or Council documents is being denied contrary to the Member's legal rights the issue should be raised with the Monitoring Officer or a member of the Legal Service.

12.0 Confidentiality of Reports and Correspondence

12.1 All Chief Officers have a duty to satisfy themselves that Committee reports to which they are signatories are only classified as 'exempt information' when the statutory criteria for confidentiality are met. The Chief Executive and the Chief Officer, Governance have an overriding responsibility to determine this compliance.

12.2 Once a report has been issued within Part II of the agenda for a meeting and until a Committee decides that it should be discussed in public, Members and Officers must respect the confidentiality of the report and not disclose it to a third party.

12.3 It does not, however, follow that all the contents of the report must be regarded as secret. It may only be certain items of information or terms of negotiations that justify the inclusion of that report within Part II; other aspects may already be within the public domain or otherwise outside the definition of 'exempt'. A Member may accordingly refer to these aspects in discussions with third parties but must exercise proper care and judgement not to reveal those elements of the paper which are protected but it will always be prudent for that Member to consult the Chief Officer, Governance before doing so.

13.0 Access to Council Premises

13.1 All Members of the Council shall be entitled to use, and have access to, any Council building or premises, when that building or the premises are open, as follows:

- a) anywhere which is open to the public;

- b) the Council Chamber and Committee Rooms for the purposes of attending and/or observing scheduled meetings of the Council, its Committees and Sub-Committees, Fora and the Cabinet (subject to any restrictions set out in the Access to Information Procedure Rules) or any public meeting held in those rooms by any other agency or body.
- c) areas set aside for the use of Members as a whole (such as the Members' Services Suite), as a group (such as group rooms), or as an individual (such as the Leader's office, Chair's parlour etc)
- d) any room to which the Member has been invited for a meeting by an Officer.
- e) the canteen

13.02 Such access is to be used for Council purposes and fulfilling the Member's role and responsibilities within the Council only. Members, when they are not acting in pursuit of their roles and duties as a Member, have no greater rights of access to Council buildings and premises than members of the public.

13.3 There is a general presumption that Members will not require access to Council buildings outside of the hours 7.30 am to 7.00 pm except for scheduled or public meetings referred to in 13.1 above. In exceptional circumstances where a Member remains in the building beyond 7.00 pm, he/she must inform security of his/her presence and location and give an indication as to how long he/she intends to stay.

13.4 Where individual Groups have been allotted rooms for their sole use ("group rooms"), Members of that group shall be entitled to have access to the group room subject to any reasonable restrictions which that Group may wish to place upon access from time to time.

13.05 Members shall not be entitled to enter certain restricted sensitive areas including the central computer suite, benefits service (including the corridor on that part of the ground floor on Phase 2), payroll, and child protection unless by invitation of the Chief Officer or a duly authorised Officer in exceptional circumstances.

13.06 Subject to 13.01 and 13.05 above, Members will not be entitled to enter other areas in Council buildings so as to preserve the physical security of personal data under GDPR and so as to respect the fact that they are workplaces where Officers are expected to be concentrating on their duties. Members may enter such areas following express invitation to attend a meeting with an Officer, or to arrange a meeting with an Officer. When seeking meetings, Members will endeavour to make appointments with Officers in advance giving them sufficient time to research the matter to be discussed. A suitable venue for the proposed meeting will be arranged at that time.

13.07 In situations where Members and Officers inadvertently meet in the course of their business there should be no expectation on the part of the Member that the Officer will deal with any issue that the Member wishes to raise, unless both agree that it is an urgent issue which cannot wait for a formal appointment to be arranged.

14.0 Criticism of Members and Officers

14.1 As employer, the Council has a duty to provide and maintain a working environment which is reasonably tolerable to all employees and to protect them from unacceptable treatment and behaviour and unauthorised interference in work duties. All Members must

ensure they discharge their duties as employer fairly and impartially and not do anything to undermine the relationship of mutual trust and confidence which must exist between the Council and its employees.

14.2 No public comment will be made on ongoing disciplinary proceedings as it could prejudice their outcome or breach the confidentiality that employees are entitled to expect in relation to such matters.

15.0 Political Group Leaders and the Chief Executive

15.1 The Political Group Leaders and the Chief Executive will develop and conduct appropriate working relations.

15.2 Regular Briefing arrangements between the Political Group Leaders and the Chief Executive are an essential part of the democratic machinery of the Council. It is important that the Chief Executive, as Head of the Paid Service, is accessible by all political groups represented on the Council through their respective Leaders.

16.0 Issues regarding Working Relations between Members and Officers

16.1 Members and Officers will seek to resolve any issues arising within their working relations. In the first instance this will be done by the relevant Member and Officer.

16.2 Where a Member and an Officer are unable to resolve any such issue then the:

- Member's Group Leader; and/or
- Officer's line manager and/or Chief Officer

may be involved.

16.3 The relevant Political Group Leader and the Chief Executive will seek to resolve by mediation and conciliation any unresolved problem or breakdown in working relationships between Members and Officers.

17.0 Review

17.1 This Protocol will be reviewed from time to time.
