The Chair welcomed Councillor Edgar Owen (Gwynedd Council) to his first meeting.

106. **MINUTES**

The minutes of the North Wales Police and Crime Panel held on 30 September 2019 were submitted for approval.

**RESOLVED-**

**That the minutes of the North Wales Police and Crime Panel held on 30 September 2019 be approved.**

107. **UPDATE ON ACTIONS FROM THE PREVIOUS MEETING**

Feedback on actions/points made at the previous meeting were provided as follows:

Minute 92 – Feedback from Member Champions: In respect of the data, which showed that there had been an increase in the number of domestic abuse repeat victims within 12 months, the Police and Crime Commissioner (PCC) advised that he would follow this up with the Strategic Executive Board and report back accordingly.

Minute 96 – Periodic Update by the North Wales PCC – User Satisfaction Survey: Reference was made at the last meeting to the reduction in satisfaction levels, particularly in relation to the ‘follow up’ service. Detective Chief Inspector Simon Williams advised the Police and Crime Panel (PCP) that further work was required to understand the types of questions being asked in relation to the ‘follow up’ service, as it was likely that user satisfaction related to the court action and not police action.

Deputy Chief Constable Richard Debicki advised the PCP that national data confirmed that public confidence in North Wales Police was high, with the Force amongst the top Forces in England and Wales.

The PCC confirmed that whilst the surveys were available on line, easy to read and paper copies were also available, in order to try and reach as many people as possible. The Chair made reference to how the homeless would access the surveys; the PCC would look at this further.

Minute 98 – Summary of Complaints Received: September 2018 – September 2019: The Lead Officer and Legal Advisor to the PCC confirmed that the Chair and Vice Chair were consulted in the process for the determination of complaints received and therefore no further action was required.

**RESOLVED:**

**That the Police and Crime Commissioner (PCC) reports back in respect of the data which showed that there had been an increase in the number of domestic abuse repeat victims within 12 months, following discussions at the Strategic Executive Board.**

108. **QUESTIONS TO THE POLICE AND CRIME COMMISSIONER**

Councillor Dylan Rees had submitted the following question to the Police and Crime Commissioner (PCC), the PCC had responded as follows:

*Question:*

*In his draft annual report the PCC provides a progress report on his five strategic priorities contained within the "Police and Crime Plan". In the section relating to the priority "Delivering Safer Neighbourhoods" the following paragraph appears:*

*"In order to ensure officers and staff spend as much time as possible out on the streets and not in police stations, during this reporting period new mobile devices were deployed to 600 additional users. These new devices provide users with the ability to be out and about more in the communities they serve rather than being tethered to the station."*

*Key to the aim of providing a visible policing presence is the role of Police Community Support Officers (PCSOs). However, I have received concerns of late from the local community of a reduction in patrols by PCSOs. I am given to understand that the reasons for this are two-fold. Firstly a reduction in the overall numbers of PCSOs and secondly that their work is now more concentrated on what is referred to as "desk based problem solving".*

*Could the PCC therefore answer the following:*

- 1. What are the figures for the numbers of PCSOs for the last two years?*
- 2. Has there been a policy change in respect of their deployment?*

*PCC's Response:*

*On the 18<sup>th</sup> December 2018, Chief Superintendent Alex Goss presented to this Police and Crime Panel, that presentation consisted of the proposed staffing structure (which included reduction and redeployment of PCSOs) within Local Policing Services in North Wales and this follows an Operational Improvement Plan. The Police and Crime Panel at the time were supportive of the structure, function and priorities of the Force.*

*As part of our Digital Transformation we are currently implementing a "Connected Officer" project and rolling technology on an individual basis allowing our staff to work away from the stations and in any location that has Wi Fi or 4G, this will save time and money and result in our staff being visible. The Connected Officer project was piloted in Wrexham and will be rolled out across the force.*

*The feedback from the officer's in Wrexham has been very positive and they use a variety of public and private locations from which to work with Tesco's being a firm favourite.*

*"Connected Officer" will now be rolled out in South Flintshire and Gwynedd South.*

*PCSO's from Ynys Mon have been re-deployed short term to Caernarfon which has high abstraction rates and which has had a specific problem recently on the Maes which required an 'operational decision' to redeploy, but this still leave Ynys Mon with 2.3 PCSO's above establishment.*

*Deployment of staff is an operational decision for the Chief Constable and his senior team, but the flexible deployment model does allow for PCSOs to be re deployed not only from Ynys Mon to Caernarfon but also Caernarfon to Ynys Mon if there was a pressing operational issue.*

*Retaining PCSOs has always been difficult as they aspire to join the force as Police Constables and this will be exasperated as we recruit 60 additional officers under the Operation Uplift recruitment campaign, and the numbers are a constant moving feast and difficult to make comparisons and our best efforts are around workforce data which we submit to the ONS biannually, but even with the small reduction in PCSOs the totality of policing has and will increase but the increase will be in Police Officer numbers which we must welcome after 10 years of austerity and cuts.*

*PCSO's will be deployed according to the demands of the policing district which I reiterate is an operational issue but they are deployed in accordance with the Neighbourhood Policing Strategy which focuses on problem solving, engagement and visibility.*

*In concluding it is worthy of note that a team of PCSOs from Holyhead won the North Wales Problem Orientated Policing award for resolving long standing anti-social and nuisance both inside and outside McDonald's in Holyhead. In fact our Problem Orientated Policing hub have 70 problem orientated plans currently being implemented across the Force.*

Councillor Rees thanked the PCC for his comprehensive response and questioned whether a breakdown of the number of PCSOs deployed in the Force area could be circulated to the PCP.

In response, the PCC acknowledged the concerns raised, but stressed the importance of looking at policing in its totality (including non-warranted staff) who deal with all crime types; there was a need to look at smarter ways of working, particularly as crime was becoming more complex.

The Deputy Chief Constable also acknowledged the concerns raised by the public, but the Force had to balance tackling the 'hidden' crime, such as child sexual exploitation and cyber- crime with neighbourhood policing. Whilst other Forces had depleted their neighbourhood policing team, North Wales Police had one of the highest number of neighbourhood teams.

Whilst a key role of the PCSO was visibility and engaging with the public, the focus had to be on problem solving, which meant that the teams were not always visible. The Detective Chief Inspector also advised that there had to be a focus on being more digitally agile.

The Deputy Chief Constable confirmed that whilst there were a number of PCSOs now training to become Police Constables, the Force continued to recruit PCSOs and would be over the establishment for the number of PCSOs.

The PCC advised that the issues caused by low level crime on the general public was acknowledged by the Force and some Safer Neighbourhood Teams were taking proactive measures to address anti-social behaviour, which had recently won awards for tackling this problem.

109. **LIST OF DECISIONS TAKEN BY THE POLICE AND CRIME COMMISSIONER**

Members were presented with a list of decisions taken by the Police and Crime Commissioner (PCC) from 16 August 2019 to 16 January 2020.

Members raised questions in relation to the following decisions:

Youth Offending Teams: The PCC confirmed that the Crime and Disorder Reduction Grant was allocated according to population figures. Reference was made to the effectiveness of the YOTs; in response, the PCC advised that the general consensus was that the YOTs did help reduce crime by young people.

Authorisation to Borrow: The Chief Finance Officer confirmed that the £10m loan from the Public Works Loan Board was taken prior to the increase in interest rates.

Detective Now: The Deputy Chief Constable advised the PCP that North Wales Police was piloting the national Direct Entry Detective Scheme to ascertain if the Scheme provided the necessary skills required; these skills were usually honed over a number of years in police uniform.

Children affected by Parental Imprisonment (CAPI): The CAPI was a multi-agency project, which included 3 out of the 6 Local Authorities, HMP Berwyn and BCUHB. The PCC confirmed that discussions had taken place with the Leaders of 2 Local Authorities who had decided not take part in the Project.

Caring Dads: The PCC confirmed that this programme was a holistic approach to working with fathers who had abused and neglected their children or exposed them to abuse of their mother.

CheckPoint Cymru: The Chief Executive of the Office of the Police and Crime Commissioner advised that as the project only started on 1 December 2019 it was too early to report on outcomes, as the offender had to complete a four month programme; however early indications were positive, particularly in identifying vulnerable people.

Handheld Weapon Detector Wands: The PCC advised that the purchase of the handheld weapons would support and assist Operation Sceptre, which was a week-long initiative forming part of a larger knife crime national initiative. One of the aims was to assist with the night time economy and provide door/security staff with the detector wands to manage customers who may be suspected of carrying knives.

The Finance Champion questioned whether the PCP could receive information on the outcomes achieved by those projects/initiatives who had received funding from the PCC's Commissioning Budget. The PCC suggested that information on the success of the Victim's Help Centre could be shared in the first instance. The Chief Executive (OPCC) advised that information was collated for the Ministry of Justice, which could be shared with the PCP.

**RESOLVED-**

**That the Police and Crime Commissioner provides a report on the outcomes achieved by those projects/initiatives who have received funding from the Commissioning Budget.**

110. **FEEDBACK FROM MEMBER CHAMPIONS**

The North Wales Police and Crime Panel (PCP) received feedback from Member Champions as follows:

Modern Day Slavery Champion

Pat Astbury (Chair) advised the PCP that the Modern Day Slavery Conference, which raised awareness of modern slavery within the workplace, particularly in the Construction, Agriculture and Tourism sectors had been an excellent event, with high profile speakers.

Thanks were extended to the Office of the Police and Crime Commissioner (OPCC) for their hard work in facilitating the event.

The Chair also advised the PCP that she had recently attended a meeting with other Welsh PCPs and the Deputy Minister, Jane Hutt AM; it was envisaged that these would be regular meetings.

Delivering Safer Neighbourhoods Champion

Councillor Hugh Irving advised the PCP that he had met with the Chief Executive of the OPCC to discuss the role of the Member Champion and would provide feedback on the work he had undertaken to future meetings.

111. **PRECEPT AND COUNCIL TAX 2020/21**

The North Wales Police and Crime Panel (PCP) was presented with a report and addendum (following the Home Office funding announcement on 22 January 2020), which reviewed the financial situation of the Police and Crime Commissioner (PCC) for North Wales and made recommendations for the 2020/21 precept and Council Tax.

The PCP was requested to approve a precept of £84,990,106 for 2020/21, which meant an increase in Council Tax by 4.50% (this was equivalent to £290.61 per annum, an increase of £12.51 per annum, or 24p per week for a Band D property) and an increase in precept of 4.89% from 2019/20.

In setting the precept, the PCC had considered all the options within the resources available. The PCP was advised that extensive work had been carried out during the budget planning cycle, which included Priority Resource Planning (PRP). This was a structured approach to identify savings and allocate resources in line with priorities within the organisation; the PRP process also enabled the intelligent allocation of 62 Operation Uplift Officers, based on the priorities.

Whilst there had been an increase in the Home Office Settlement from the assumptions made in the Medium Term Financial Plan (MTFP), the proposals within the report to increase the precept by 4.89% (which would increase Council Tax by 4.5%) remained the same. This was due to the requirement to fund Phases 1 and 2 of the Officer Uplift and associated infrastructure, and the uncertainty around funding from 2021/2022 onwards. In addition, the Capital Grant allocation had been reduced by £0.339m, which was used to fund the vehicle replacement programme; in order to maintain this level of investment, the annual revenue contribution would need to be increased from 2020/21, this reduction reflected the intention that the increase in core grant could be used flexibly, including funding capital.

The PCP also received a presentation from the Office of the Police and Crime Commissioner's Chief Finance Officer, which highlighted the following:

- Budget Update for 2019/2020:
  - Positive Annual Audit Letter from the Wales Audit Office, with a special mention of the Operational Improvement Programme.
  - Revenue Monitoring – projected underspend of £0.115m.
  - Capital Monitoring – expenditure to 30 November 2019 was £4.156m.
- Update on the additional investment agreed in 2019/2020 to deliver the Operational Improvement Programme; as requested by the PCP when they agreed the precept in 2019/20:
  - Majority of the investment initiatives had been completed, with the remainder, due to be completed by the end of March 2020.
- Budget Planning Cycle and Priority Resource Planning (PRP):
  - A structured approach whereby Managers set out various service levels and the resources required to deliver them.
  - The PRP Process allowed estimated available resources to be applied to priorities and informed the allocation of 62 additional Operation Uplift Officers.
  - The Deputy Chief Constable confirmed that it was a robust process, with a triangulated approach, using the responses from the survey and the Force's Management Statement. The PRP also identified areas for disinvestment.

- Total savings and total growth:
  - Based on the assumptions and savings identified, a total reinvestment of £2.358m would be made in 2020/21.
- Survey Responses:
  - A total of 489 responses were received from the public consultation of which  $\frac{3}{4}$  of respondents supported an increase in the Council Tax of 4.5% or more.
- Operation Uplift and the planned deployment of the 62 Officers:
  - The Spending Round 2019 announced an increase of 20,000 Officers in England and Wales.
  - Subsequently, North Wales Police had been informed that it would receive an allocation of 62 Officers in the first phase.
- Funding Allocations.
- Changes in funding between 2019/2020 and 2020/2021
  - Whilst there had been variances in the funding streams, in cash terms, the settlement was the same as in 2019/20.
- Central Allocations (top slicing).
- Risks:
  - Uncertainty around funding for Phase 2 of Operation Uplift.
  - Late announcement of settlement.
  - Inflation and new responsibilities.
  - Wider economic uncertainty.
  - 2020 Spending Review.
  - 2021/22 Review of Funding Formula.
  - Delivery of saving in future years.

In scrutinising the proposed precept and addendum, the PCP raised a number of questions and concerns including the following:

- The PCP felt the nationally agreed pay increases (including pension contributions) should be funded by the UK Government and not by local taxation.
- Impact of Operation Uplift and the uncertainty around Phase 2 funding.
  - The Chief Finance Officer informed the PCP that the PCC had written to the Home Office to query whether unused uplift funding would be available for redistribution; no response had been received as yet.
  - The Deputy Chief Constable confirmed that recruitment of the 62 Officers was planned over 12 months, with 18 recruits already recruited, with another 44 due to be recruited in June/July 2020; this recruitment was over and above the normal annual recruitment process.
  - A revised Estates Strategy would be consulted upon once the Force was in a position to identify the impact of Operation Uplift; it was envisaged that this would be in February 2020.
- The amount held in reserves, which was approaching the lower end of the acceptable range and the impact this could have on the Capital Programme and the Estates Strategy going forward.
  - The Chief Finance Officer confirmed that there was no specific policy for the amount to be kept in reserves; the general rule was between 3% and 5%.

- The PCP was informed that the reserves were used in accordance with the guidelines announced by the Policing Minister and included reserves for capital investment, major investment and management of change. The MTFP identified the reserves in more detail.
- In relation to the PFI reserve, the Head of Finance (North Wales Police) advised that the Force had managed to negotiate reduced revenue costs and that this contract was kept under review.
- Whilst the reserves had reduced in recent years, this was due to planned capital schemes (Llay and Llandudno Police Stations). Any unplanned expenditure would require the reserves to be replenished in order to mitigate future risks.
- Overspend in the OPCC budget.
  - The Chief Executive confirmed that this was a controlled overspend and due to the investment in the Leader's Unlocked Programme.

The PCP acknowledged that the PCC had considered all the options within the resources available and the extensive work carried out by the PRP process, which would enable the intelligent allocation of the 62 Operation Uplift Officers based on the priorities. The PCP also acknowledged that the full cost of the additional Officers, including support and infrastructure was unknown and therefore, taking these factors into account, the PCP felt they could support the proposed increase, in order to provide a sufficient budget to enable the operational delivery of the policing service in North Wales for 2020/2021.

#### **RECOMMENDATIONS:**

- (a) That the precept be increased for 2020/2021 to £84,990,106.**
  - This will increase Council Tax by 4.50% - this is equivalent to £290.61 per annum, an increase of £12.51 per annum, or 24p per week for a Band D property.
  - This is an increase in precept of 4.89% from 2019/2020.
  - That it be noted that £2.358m of savings have been identified for 2020/2021.
- (b) That it be noted that £2.358m of the savings will be reinvested in front line activities.**
- (c) That it be noted that a further 62 Police Officers will be funded by the Government (Operation Uplift).**
- (d) That the Medium Term Financial Plan be noted, which includes the following assumptions:**
  - That Council Tax will increase by an estimated 4.50% in 2020/2021, 4.13% in 2021/2022, 3.97% in 2022/2023, 3.81% in 2023/24 and 3.67% in 2024/25.
  - That policing grants will be frozen at current levels in 2020/21 onwards.
  - That annual pay awards will be 2.5% from September of each year.

112. **POLICE AND CRIME COMMISSIONER AND CHIEF CONSTABLE FOR NORTH WALES POLICE FORCE: MEDIUM TERM FINANCIAL PLAN**

This item was considered as part of Minute 111 above – Precept and Council Tax 2019/20.

113. **UPDATE ON THE 2019/20 BUDGET (AS AT 30 NOVEMBER 2019)**

The North Wales Police and Crime Panel (PCP) was presented with an update on the 2019/20 Budget as at 30 November 2019.

The purpose of the paper was to provide the PCP with confirmation of the Annual Audit Letter and an update on the policing budget for North Wales.

This report was considered as part of Minute 111 above – Precept and Council Tax 2019/20 when the PCP:

**RESOLVED:**

**That the report be noted.**

114. **TO RATIFY THE POLICE AND CRIME COMMISSIONER FOR NORTH WALES - ANNUAL REPORT 2018/19**

The North Wales Police and Crime Panel (PCP) was presented with the final version of the Police and Crime Commissioner for North Wales – Annual Report for 2018/19.

The Chief Executive of the Office of the Police and Crime Commissioner thanked the PCP for their comments and suggested amendments, with the majority of the amendments incorporated within the Annual Report.

The PCP welcomed the engagement undertaken by the PCC during the year, particularly in the communities of North Wales.

**RESOLVED-**

**That the North Wales Police and Crime Panel accepts the Police and Crime Commissioner’s Annual Report for 2018/19.**

115. **NORTH WALES PCP - BUDGET MONITORING REPORT FROM 1 APRIL 2019 TO 30 SEPTEMBER 2019**

The Lead Officer and Legal Advisor presented the North Wales Police and Crime Panel (PCP) with a six monthly budget report on the expenses of the PCP for the period 1 April 2019 to 30 September 2019.

As part of in-year monitoring information requirements for 2019/20, the PCP was now required to report progress against critical success factors (CSFs) in achieving outcomes and targets, and highlight how value for money (e.g. benefits, savings, efficiencies, etc) were being achieved.

Progress against the CSFs to be reported upon was highlighted as follows:

- The number of meetings held:
  - 2 meetings of the PCP were held during the reporting period.
- Scrutiny documents and publications produced, including the Panel's Annual Report:
  - The PCP had produced 3 reports during the reporting period.
  - The PCP had established the 6 Member Champion roles, which had proved an effective tool in scrutinising the PCC's decisions, with Panel Members reporting back verbally at each PCP meeting on the work they had undertaken.
- Engagement with the work of the PCP by members of the public and the PCC for North Wales.
  - The PCP had developed a protocol for Questions to the PCC and accepted questions from members of the public or Panel Members, which could be put to the PCC at public meetings.
  - PCP meetings were also webcast, which was a useful public engagement tool and promoted the work of the PCP and PCC.
- In respect of efficiencies, the PCP had evaluated the need to attend meetings and training events; wherever possible, meetings were held via Skype or teleconferences. In addition, the PCP had agreed to cancel the March meeting, unless there was a need to hold the meeting for statutory business.

The Finance Champion extended her thanks to the Lead Officer and Legal Advisor and the Scrutiny and Committee Services Officer for the work they undertook to service the PCP and hopefully keep the PCP budget within the grant allocations, without the need for the Host Authority to absorb any overspend in Officer time.

**RESOLVED-**

**(a) That the six monthly monitoring report and progress against the critical success factors be noted.**

**(b) That the Police and Crime Panel acknowledged that Officers monitor and track spend against agreed budgets and to ensure value for money.**

**116. TO CONSIDER THE FORWARD WORK PROGRAMME FOR THE NORTH WALES POLICE AND CRIME PANEL**

Members were presented with the Forward Work Programme for the North Wales Police and Crime Panel (PCP).

The Scrutiny and Committee Services Officer advised that once the meeting schedule for 2020/21 had been agreed (see Minute 117 below), then she would invite the Chief Constable to a future meeting to provide his annual update to the PCP.

**RESOLVED-**

**That the Forward Work Programme for the North Wales Police and Crime Panel be approved.**

117. **MEETING SCHEDULE 2020/21**

**RESOLVED-**

That the meeting schedule for 2020/21 be approved as follows:

- **Monday, 15 June 2020 @ 2.00 pm**
- **Monday, 28 September 2020 @ 2.00 pm**
- **Monday, 14 December 2020 @ 2.00 pm**
- **Monday, 25 January 2021 @ 2.00 pm**
- **Tuesday, 2 February 2021 @ 2.00pm (in case of veto of the precept)**
- **Monday, 22 March 2021 @ 2.00 pm (only for statutory business)**

## AGENDA ITEM 9a

### **Update for the Police and Crime Panel Arfon Jones, Police and Crime Commissioner, North Wales**

This is my report to the Panel for the period from 1st June 2020 to 1st September 2020.

As is usually the case my update report deals with performance against the 2017-2021 Police and Crime Plan, but members of the Panel will appreciate that the report has had to evolve to reflect the unprecedented situation which we have found ourselves in over the past 5 months, and therefore the format is slightly different to the one which you have become accustomed with.

The purpose of this Report is to provide members with an overview of the decisions which I have made and other scrutiny activity and actions taken by me by over the term of the report.

I hope that this report reassures the Panel that my team and I have continued to effectively carry out our statutory functions, and hold the Chief Constable to account, during this difficult period.

Panel members will be aware that in 2017-2021 I have decided to prioritise those areas identified as the main areas of threat, risk and harm. Namely:

- Domestic Abuse
- Modern Slavery
- Sexual Abuse (including Child Sexual Exploitation)
- Organised Crime

In addition to these priorities, a visible and accessible police service continues to be of importance to the public. The Plan reflects what the public and the Police and Crime Panel have told me and Delivering Safer Neighbourhoods remains a priority for me.

Panel members will recall that I reviewed my Plan in March 2019 and whilst the above priorities remained, I also introduced an overarching priority of reducing the criminal exploitation of vulnerable people.

I scrutinise North Wales Police by measuring its performance against these five priorities and you will be aware that the principal medium through which I carry out that scrutiny function continues to be the Strategic Executive Board (SEB) which I Chair and on which the Chief Constable and his senior officers sit.

The Strategic Executive Board has continued to meet throughout the current pandemic, albeit virtually, and the next SEB meeting will be held on the 14th October.

Whilst I monitor the Force's performance against these five priorities at my SEB meetings, it is of course a requirement that other aspects of policing continue to be delivered effectively and efficiently. In that respect, some information regarding core policing is also scrutinised at SEB. Members will appreciate that a large proportion of the most recent SEB meetings has involved looking at North Wales Police's Response to COVID-19 and its recovery plans going forwards.

In addition to scrutinising performance against the Police and Crime Plan, in order to respond to the emergency and fulfil my statutory responsibilities, my focus as PCC has, over the last 3 months, been on:

1. Ensuring the Chief Constable has sufficient resources to respond to the emergency;
2. Ensuring, on behalf of our communities, that the police respond in ways that are necessary, sufficient, proportionate and ethical (holding to account);
3. Facilitating effective partnership working among agencies and groups working in community safety and criminal justice;
4. Commissioning services, particularly for victims of crime, and providing grants for policing and harm reduction purposes;
5. Ensuring that the long term health of North Wales Police is protected by monitoring the organisation's recovery planning and activity beyond the Covid-19 emergency.

The Panel has already received a copy of my COVID-19 Response Plan. Therefore, I do not intend to go into detail in this report about the structures which exist locally and nationally to ensure that the Police and its partners are able to respond effectively to the emergency.

As stated in my June 2020 report to the Panel my senior team and I continue to receive regular briefings from the Chief Officers regarding the COVID-19 situation and policing matters generally. These briefings cover the daily demands on the Force, staffing abstraction levels and other matters of concern. The briefings also provide an opportunity to input issues from the OPCC which require consideration by the Force – e.g. information from the public, partners, PCC-commissioned service providers, 'business as usual' performance monitoring; issues relating to the OPCC's staffing resilience and business continuity arrangements, etc.

All of my team at the OPCC continue to work from home and each one has the support and equipment they need to work effectively from home. Every team member is clear about how we will work together remotely, and my senior team have a virtual open door policy.

### **Impact of COVID 19 on demand & performance**

#### ***Contact Handling:***

- Volume of 999 calls now back in line with pre-lockdown levels, following a 20% reduction on commencement of lockdown
- Non-emergency contacts were 40% higher on commencement of lockdown. This increase was predominantly driven by an increase in webchats and emails, but 101 calls also rose.
- Webchats and email contact are now back in line with pre-lockdown levels.

- 101 calls remain stable at the “new normal”.

**Incidents:**

- “Crime” and “transport” incidents saw the biggest falls during lockdown, and although they have started to rise to pre-lockdown levels, numbers are still below seasonal averages.
- ASB incidents rose from April onwards, although this would be expected seasonally.
- Public safety/welfare incidents have not shown any significant change throughout the lockdown period.

*Recorded Crime:*

A drop in demand during lockdown was particularly noticeable with respect to the following crimes:

- Violence with Injury was 40% lower than seasonal averages throughout. However, assault with injury spiked significantly for a week in the middle of July (high number of domestics, which returned to expected levels the following week).
- Violence without injury (excluding stalking and harassment) saw a significant drop at the end of March but has returned to pre-lockdown levels during July.
- Burglary offences maintained very low levels throughout lockdown. Both types of burglary appear to be returning to pre-lockdown levels in recent weeks. Burglary residential was falling prior to lockdown and reduced further thereafter and burglary business/community fell on commencement of lockdown. North Wales Police anticipate that acquisitive crime types will begin to rise as a recession takes hold.
- Robbery offences showed a large reduction, now returning to previous levels.
- Vehicle Crime and Criminal Damage/Arson offences have seen sustained reductions after lockdown started, and remain lower than the seasonal average for the time of year.
- Theft & Handling offences have been 28% lower than the seasonal average, and are not yet returning to pre-lockdown levels.

In contrast, rises in crime during lockdown occurred in:

- Non victim based crime, which rose throughout lockdown, and which has been 30% higher than the seasonal average (driven by drugs offences and public order).
- Stalking and harassment, which has been rising since restrictions came into place, and is 30% higher than the same period last year. It is worth noting here that one of the drivers for this significant increase is a recording change which came into effect in April 2020 and which resulted in coercive/controlling behaviour shifting from being classed as assault without injury to its own category under stalking & harassment. I understand that this change in recording accounts for some of the additional stalking/harassment crimes per week (and an equivalent reduction since April in violence without injury crimes). However, it only explains some of the increase and does not explain the unusually high weeks in June & July (there is an overlap between stalking and harassment and domestic crime which could explain some of the increases at this time).

Also of note:

- Following a relatively low winter, recorded hate crime continued to rise steadily from December, and has been comparably high since May.
- Domestic crime saw an increase in June, and a significant spike in the middle of July. This coincided with the lifting of lockdown restrictions, and a larger number of additional crimes were recorded including historical offences which may have been suppressed by lockdown.

### Priority 1- Domestic Abuse:

When I scrutinise the Force's performance where Domestic Abuse is concerned my officers and I concentrate on the following questions:

- Do we understand domestic abuse reporting levels and crime outcomes?
- Are investigating domestic abuse effectively?
- Does the service offered to DA victims meet their needs?

Annually, DA occurrences have fallen in the past twelve months (up to the end of July 2020) compared with the previous year. Overall DA occurrences fell by 4.1%, whilst DA crimes saw a reduction of 3.5%.

The volume of domestic crime recorded was higher than average in June, and unusually high for a week in mid July. A qualitative review of Domestic Abuse has been commissioned by the Force to look at these figures, the results of which will be shared with me in due course.

The recent monthly uplift in DA crime coincides with the period since the introduction of the COVID19 restrictions and lockdown. Recent audit work has also been completed around DA Crime recording. Daily dip sampling of DA occurrences is currently being undertaken to review whether occurrences are being accurately recorded.

The number of repeat domestic victims has been falling steadily since commencement of lockdown. In fact, the number of repeat victims of domestic abuse has been falling since the beginning of the year, despite the increase in recorded domestics in June. In the 12 months to August 2020 there were 2,355 repeat victims of Domestic Abuse, compared to 2,494 during the same period last year.

The number of repeat offenders of domestic crime has been largely stable throughout.

Officers from the Force's Protecting Vulnerable People Unit (PVP) have daily contact with the DA Helpline to discuss the capacity of refuges across North Wales and the availability of support. They also hold weekly discussions with Gorwel and DASU to review the capacity and capability of support services across North Wales.

The Regional approach to Domestic Abuse is discussed in detail at the North Wales Safeguarding Adults Board dial-in meetings.

Detective Inspectors from all three areas in the region meet frequently with probation managers to discuss nominals of highest risk of harm, including DA perpetrators, who they are visiting in their normal duties. Joint visits are still conducted where this is seen as adding value in an effort to prevent further offending.

Satisfaction rates for domestic victims compares favourably compared to non-domestic victims. The following Domestic Abuse Victim Survey data shows that (of the 474 people that responded to the survey) that:

- 89.8% were satisfied with the initial contact
- 90.2% were satisfied with the initial police action
- 92.3% were satisfied with the DAO contact
- 66.9% were satisfied with follow up

- 84.8% were satisfied overall

Also,

- 93.2% were satisfied officers listened carefully to what they had to say
- 95.9% were satisfied officers believed what they said
- 91.2% were satisfied officers understood the situation
- 95.6% were satisfied officers treated them with respect
- 89.7% felt reassured
- 88.7% were satisfied with the way officers treated them
- 87.0% felt confident in calling the police again
- 83.1% felt safer as a result of the police response received

The DA victim surveys were suspended in April (as a result of COVID19 restrictions) and re-commenced in August.

### **Modern Slavery:**

The number of Modern Slavery occurrences have decreased, year on year, but the number of NRMs (the National Referral Mechanism- a framework for identifying victims of human trafficking) have increased. I very much acknowledge that recorded MDS crime is not necessarily reflective of the volume of individuals identified as being victims or perpetrators of MDS offences.

During the current 12 months, 75 crimes have been classified as Modern Slavery offences, displaying a 10.3% increase on the previous 12 months.

#### *Modern Slavery Offences recorded*

HO Description	Current 12 Months	Previous 12 Months	% Change
Arrange or facilitate the travel of another person with a view to exploitation	0	6	-100.0%
Hold person in slavery or servitude	65	48	35.4%
Require person to perform forced or compulsory labour	10	14	-28.6%
<b>Total</b>	<b>75</b>	<b>68</b>	<b>10.3%</b>

For the current year-to-date, 35 occurrences of Modern Slavery have been recorded.

The Occurrences recorded are spread across the Force area, with a slightly higher concentration in Flintshire North. Victims and Suspects of MDS tend to be of White Ethnicity, Male and Adult.

The use of Slavery and Trafficking Orders is gaining traction, and 3 Slavery and Trafficking Risk Orders have been carried out during the current 12-month period.

I continue to monitor the national, regional and local picture with regard to modern slavery.

Nationally, I am sighted on the work of the Home Office, Modern Slavery Transformation Unit, National Crime Agency, Independent Anti-Slavery Commissioner and others with a national portfolio

through the National Anti-Slavery and Human Trafficking Meetings which are held on a quarterly basis.

The North Wales Regional Modern Slavery Group is due to be reformed following the recent regional strategic review carried out by the Chief Executives of the six local authorities. Following the review the Regional Modern Slavery Group is to be merged with the Violence Against Women Domestic Abuse and Sexual Violence (VAWDASV) regional group and will be known as the “Vulnerability and Exploitation Board”. I currently have reservations about the review and the feasibility of dealing with both modern slavery and domestic abuse within a single setting. The subjects to be dealt with by this new Board are extensive and disparate and will be challenging to manage as one group. However, my Chief Executive, Stephen Hughes will be the Chair for the new board which gives me assurance that both agendas will be considered and serviced and any problems or barriers will be identified and dealt with where required.

I continue to work with the Force in regard to their performance in tackling modern slavery. I have recently agreed to amend some performance measures for Modern Slavery (as you will see in due course from future performance reports). We need a performance model suitable to monitor how the crime manifests itself and is then dealt with in North Wales – this may be very different from other parts of the country. Counting NRM referrals is not the most accurate way in which to determine if victims are getting the service they need and are protected from re-victimisation. For me the victim should always be at the centre of our work.

Our work in this field is constantly evolving as we understand more about the crime and its impact on victims.

### **Organised Crime**

When I scrutinise performance against this priority I ask:

- Do we understand the profile of organised crime groups in North Wales?
- How are we using targeted interventions to stop people being drawn into different types of organised crime?
- Are we disrupting existing organised crime groups?
- Are we bringing offenders to justice?

Community Profiles have now been completed by the analytical department and have been presented to the Safer Communities Board. The four Community Safety Partnerships have identified key priorities that will assist in making communities more resilient to the threats posed by Serious and Organised Crime and will report back to the North Wales Safer Partnership Board with progress.

The County Lines Needs Assessment and the Pathways into Serious and Organised Crime have been completed. The recommendations have been reviewed and prioritised. Hugh Jones, Lead Member for Communities, Partnerships, Public Protection and Community Safety, will chair the Task and Finish Group which will report into the North Wales Safer Partnership Board.

The Force and Area Tactical Tasking and Coordination Groups use the Force Priorities and Threats Overview Document to identify the highest risks and assess the risk posed across North Wales. This

method allows for appropriate resources to be allocated and for requests to be submitted to the Regional Organised Crime Unit when required.

The numbers of OCGs and County Lines Gangs fluctuate through operational activity and reviews of intelligence.

- There are currently 15 active Organised Crime Groups (OCGs) which are mapped and managed by NWP. These OCGs are responsible for drug supply, criminal exploitation, acquisitive crime and fraud offences. In addition, archived OCGs are reviewed every 12 months to ascertain whether an operational response is required. Organised drug supply continues to be the main threat which encompasses the violence used by OCG members.
- There are currently 14 County Lines impacting on North Wales with heroin and crack cocaine continuing to be the main commodities. This is a reduction from the 20 seen during the last quarterly update. Merseyside are predominantly the exporting region. Factors which have led to the reduction are believed to be the impact of an ongoing operation, the travel restrictions associated with COVID19 and local disruption tactics in North Wales. The newly formed Intercept Team have been highly proactive and are contributing well to tackling the criminal use of the road network.

*Governance:*

Monthly scrutiny meetings are now chaired by the Head of Crime to ensure OCG management continues to receive the appropriate focus.

All OCG Plans are now owned by the County Chief Inspectors following a recent review and implementation of recommendations. These Plans are subject to rigorous quality assurance and best practice is shared across the organisation.

**Sexual Abuse**

- Do we understand reporting levels and crime outcomes?
- Are we effectively safeguarding victims?
- Are we effectively targeting perpetrators and bringing them to justice?

The measures for this objective indicate stability over the short and long term.

Strategic Objective: Deal with Sexual Abuse including CSE							
Measure	Source	12 mths to wk 2020/17	12 mths to wk 2019/17	Year on year change	6 month trend	Short term assessment	Long term assessment
O8: Repeat victims of sexual offences	RMS via BI Launchpad	290	355	-18.3%		Within expected range	Stable
O9: Repeat offenders of sexual offences	RMS via BI Launchpad	38	38	0.0%		Within expected range	Stable

Weekly All Sexual Offences Chart:

Sexual Offences are displaying reductions at a higher rate than all crime. As at Week 18, Sexual Offences have reduced by 20.2%, compared to an all crime decrease of 15.4%. The number of Sexual Offences is below that forecasted.

For the current 12-month period, Sexual Grooming offences comprise 4.9% of all Sexual Offences, which is slightly higher than the composition for the previous 12-month period, where it stood at 4.3%. The vast proportion of Sexual Grooming offences are classified as “Engage in sexual communication with a child”, which has experienced a fall of 1.9%, year-on-year.

North Wales Police records the highest number of Sexual Offences per 1000 population, among the Forces of England & Wales. In spite of this, NWP ranks 9th of all Forces in terms of year-on-year reduction. The data below refers to the year to May 2020.

*Sexual Offences – 12 months to May 2020, by Police Force\**

*\*Key – Green = NWP, Red = Welsh Forces, Amber = MSG, Blue = All Other E & W Forces*

*Sexual Offences Year-on-year change – 12 months to May 2020, by Police Force*

‘Recorded Other Sexual Offences’ are the main contributors to this position; for Rape offences, NWP is 27th in terms of per 1000 population, and 6th in terms of year-on-year reductions. For Other Sexual Offences, NWP ranks 42nd for recorded offences per 1000 population, and 14th for year-on-year reductions. My officers work closely with staff at the Force’s PVPU to try and understand why NWP records the highest number of ‘other Sexual Offences’ per 1000 population, compared to the other Forces of England & Wales. The Force has undertaken extensive analysis and research to

understand the high levels and have not identified any areas of concern that would lead to a change in the operational response.

*Are we effectively targeting perpetrators and bringing them to justice?*

NWP currently (as at May 2020) lies 10th in the England & Wales Forces rankings, in terms of positive outcomes for Sexual Offences.

*All Forces' Outcome 1-8 Rate – Sexual Offences*

NWP’s outcome rate is currently 1.4 percentage points above the England and Wales average, and has been consistently so, since December 2018.

**Child Sexual Exploitation:**

There has been a small year-on-year fall in the numbers of CSE Intel submissions. For this year-to-date (April to July 2020), 389 submissions have been made, compared to 411 last year (a 5.4% reduction). The monthly number of submissions has been steady during the last few months.

### Monthly CSE Intel Submissions

The number of CSE Occurrences has also fallen, from 26 for the last year-to-date (Apr-Jul), to 20 this year-to-date (a 23.1% reduction).

We are continuing to work with our partners to try and ensure that there is a consistent and effective Missing From Home Interview service established across the region.

### Safer Neighbourhoods:

When I scrutinise performance against this priority I ask:

- Are staff delivering problem solving approaches to community problems?
- Are the local community problems being resolved?
- Are local communities engaged with policing?
- Are local communities satisfied with their local community policing services?

In order to ensure safer neighbourhoods over the last couple of years North Wales Police has adopted a Problem Oriented approach to community policing. Such an approach ensures that police management concentrates on proactive problem solving, thus preventing crime and disorder from occurring in the first place, rather than purely reactive crime fighting.

One of the ways in which local policing teams identify and resolve community concerns is by creating Problem Oriented Policing (POP) Plans. The number of open POP plans increased significantly in June due to a high number created in both Central and Eastern. Half of those created since June are related to ASB and neighbour disputes. A fair proportion of POP plans also relate to mental health (10%).

Number of open POP plans by month

Number of POP plans created and closed by month

With the exception of West Conwy (where 15 were created in June, taking the total number of open POP plans to 36) and Ynys Mon (which has had a consistently high number of open POP plans as none have been closed in the past 12 months), the number of POP plans is relatively evenly distributed across the other areas.

Nearly 60% of the public believe police are dealing with local concerns and 72.4% of the public agree that the police understand community issues.

Latest data from the Crime Survey for England and Wales shows that 59.5% of those surveyed agreed that police in their area are dealing with the things that matter to people in their community. This measure shows a slow, deteriorating trend over the last 2 years, and a year on year reduction of 4.0 percentage points.

However, since a declining trend has also been seen in the national average, North Wales retains the 5th highest result nationally, well above the national average of 53.0%.

### Early Intervention:

In addition to diverting offenders away from the Criminal Justice System via Checkpoint, over recent years my colleagues and I have been keen to expand the support available to victims and offenders, in order to reduce the risk of further offending and victimisation.

One of the ways in which North Wales Police attempts to reduce future demand is by using an early intervention and trauma informed approach. I regularly scrutinise whether the Force is effectively using an early intervention and trauma informed approach.

Since the 1<sup>st</sup> April 2020, 746 Early Help support needs have been identified by officers, with almost a third of those being identified between West Conwy and Denbighshire Coastal.

In total, almost half (46.6%) of those identified with Early Help Support needs are individuals with previous engagement with Health/Social Care, and just over half (54.7%) consented to share information with support services.

Since April 2020 advice and signposting was given to 46.4% of those identified individuals, and an Early Help email referral was completed for 19.8%.

Although this profile is relatively similar across districts, of those Early Help support needs identified in Flintshire South and Wrexham Rural, fewer had previous engagement with Health/Social Care and fewer have consent to share, were given advice and signposting or had an email referral completed.

## **Part 2: General Update:**

Usually, in this section I provide the Panel with a brief summary of the main things I have been doing since the last meeting of the Panel. However, Panel members will appreciate that since mid March there have been limited face to face meetings and community visits. Members should however rest assured that I have continued to engage with numerous individuals/ organisations/ communities/ politicians/ and other commissioners throughout the lockdown and my diary is as busy as ever.

As a team we have had to be innovative in order to enable the community to engage with policing.

From 1st June 2020 until September I attended the following events/meetings (the majority of these meetings were conducted online):

### June

- North Wales Regional Leadership Board
- North Wales Criminal Justice Board
- Eight Corporate Soles meeting
- North West PCCs Meeting
- Bluelight Commercial Board Meeting
- Policing in Wales meeting
- Policing Partnership Board Meeting
- Policing Vision Refresh Meeting

### July

- Briefing Meeting with the Local MPs/AMs
- North Wales Safer Communities Board
- APCC Board and General Meeting
- North Wales Regional Leadership Board Meeting
- PACT Meeting
- Modern Slavery Catch up
- Drone Demonstration

### August

- Welsh Language Meeting with North Wales Police
- Quarterly Finance Update
- APCC meeting regarding the PCC Review
- Met with Chief Executive of South Wales OPCC regarding Welsh Language issues
- Met with the Cannabis Trade Association
- Met with Martin Blakeborough
- Meeting with representative from Arts and Business Cymru

Since the last meeting of the Panel, in addition to meeting with community representatives, partners and members of the public, I have undertaken several key media activities. They include:

[Fears more vulnerable victims will be exploited by vicious slavers because of recession](#)

[Inspirational Sam gets life back on track after battling booze](#)

[Ex-carer Caroline speaks movingly about how her life was ripped apart by fatal crash](#)

[Police boss launches trial of life-saving spray for drug overdoses](#)

[Farmers urged to be vigilant as thieves emerge from lockdown](#)

[High tech crime crackdown](#)

[Child abuse victim speaks movingly about how charity saved her life](#)

[MP who blocked police boss blasted for 'dehumanizing' comments](#)

### **Commissioning**

The below paragraphs detail what commissioning activity has taken place with regards to my Funds during the pandemic, provide an overview of how commissioned services across North Wales have adapted during this period and how we've sought to support those services.

Panel Members will be aware that I have a responsibility to manage the delivery and performance of the Crime and Disorder Fund, funding from the Ministry of Justice, the Rape Support Fund and more recently emergency COVID-19 funding. This is in addition to being the certifying authority for the Regional VAWDASV funding which is provided through Welsh Government.

The funding allocations for 2020-21 are detailed below:

<b>Source of Funding</b>	<b>Allocation</b>	<b>Additional</b>
<b>Crime &amp; Disorder OPCC</b>	<b>£1,557.938.00</b>	
<b>MOJ Victims</b>	<b>£816,354.00</b>	
<b>MOJ COV 19 Emergency</b>		<b>£238,000.00</b>
<b>RAPE SUPPORT FUNDING</b>		<b>£33,296.00</b>
<b>VAWDASV</b>	<b>£419,200.00</b>	<b>£46,489.28</b>
<b>Supporting People</b>	<b>£60,000.00</b>	
<b>VAWDASV Capital –Covid19</b>		<b>£308,000.00</b>
<b>VAWDASV Additional Funding</b>		<b>£295,000.00*Awaiting Approval</b>
<b>SAFER STREETS- Wrexham/Rhyl</b>		<b>£1,067.000.00</b>

<b>HMPPS</b>	<b>£478,140.00</b>	
<b>TOTAL</b>	<b>£1,773,694.00</b>	<b>£1,987,785.28</b>

All services for 2020 have been fully commissioned and budgets are being delivered on time, within budget and to profile. However it is important to highlight that there has been a significant increase in the commissioning budget from the UK Central Government and the Welsh Government to provide additional support to services across the region. The commissioning team has been working collaboratively with partners across North Wales to ensure all services are fully supported during this period and have had to work within very tight timescales. This has resulted in increased reporting to both governments from the team to ensure that business continuity plans from services with their key risks are reported on a weekly/monthly basis.

The Regional IDVA contract which was successfully awarded to Gorwel and DASU has been performing well and performance contract meetings have been held with both services. These contracts are in place for 2-5 years which will enable both organisations to effectively plan and give them stability in terms of future staffing.

Two of our commissioned services have been given national awards. These are, the SARC for their Sharing Stories Film and Podcast Project and DASU has been awarded the Best Service Micro and Small Business (Third Sector Organisation) Award at the UK National GO Awards. I am immensely proud of both organisations for their achievements in this regard.

I will be hosting a virtual third sector event on the 19<sup>th</sup> November. A save the date has been circulated to third sector organisations for the virtual event and further information will be circulated in September.

During this reporting period all projects have been performing to budget. However it is important to note that there will be increased emphasis on performance and performance monitoring until December due to the very tight timescales imposed on us as a result of the COVID-19 additional funding.

Continuous scrutiny, performance management and ensuring that risk registers are monitored ensure that we are fully equipped to support our communities during this pandemic. I am assured that the Commissioning team have kept in regular contact with all services to ensure that they are fully supported during this difficult time.

## **HMICFRS**

### **State of Policing 2019 Report**

There are three parts to the report, the first being the overview, the second focusses on the inspections and the third on the reports. The information provided in the second and third part of the report covers areas which are known to each of the forces following their inspections in 2019. North Wales Police are not highlighted within the body of the report and are only mentioned as part of the inspection results table in part 2 of the report.

The first part of the report however follows the overall theme of the need to reform policing.

The areas covered within this theme include:

- Making good use of an additional 20,000 officers;
- Funding the service;
- Selecting and developing chief officers;
- Collaboration and integration between police forces and other public services; and
- Designing and using evidence-based, sustainable approaches to solve policing problems.

### **Roads Policing: Not Optional**

The HMICFRS Roads Policing National Inspection examined how effectively the road network in England and Wales is policed. The report considered four areas:

1. Are national and local roads policing strategies effective?
2. Does capability and capacity match demand?
3. Do the police engage effectively with public and partners?
4. How well are police officers trained to deal with roads policing matters?

The report identified eight recommendations for Chief Constables to complete. My response to this report and its recommendations will be shared with the panel at the next meeting.

### **Consultation**

The Welsh Government announced last month that they plan to make changes to the current road legislation in Wales with the expectation that police forces will enforce these changes. This would place additional demand and cost on police forces which are already at capacity. The proposed changes are:

1. Change all 30mph areas to 20mph
2. Areas with high emissions to be reduced to 50mph
3. Decriminalise parking on footpaths - which would provide Local Authorities the power to take enforcement action against motorists parked on pavements.

As a result of this proposal the Police and Crime Commissioner consulted with the public of North Wales to understand their views on the Welsh Government's proposal. The consultation was in the form of an online survey which was also available in paper format if requested. The survey was open between the 15<sup>th</sup> July and the 14<sup>th</sup> August 2020 with a total of 1371 responses, 24 in Welsh and 1347 in English.

The full report will be shared with the panel at the next meeting.

## **Drugs**

### **Lost Voices Lost Lives Conference**

My “Lost Voices Lost Lives” conference has been organised for the 2<sup>nd</sup> November 2020. The aim of the conference is to raise awareness and gain support for the implementation of a Heroin Assisted Treatment pilot in North Wales.

The speakers at the conference will provide a vast overview of the benefits of Heroin Assisted Treatment, personal experiences and the science behind the programme. The speakers include:

- Professor Sir John Strang –Director of the National Addiction Centre and Head of the Addictions Department at King’s College London
- Daniel Ahmed – Clinical Partner, Foundations a specialist GP practice providing support for drug users.
- George Charlton – Founder of the George Charlton Training and Consultancy – specialising in delivering innovative and dynamic drug and alcohol harm prevention programmes.

I will also launch my North Wales Drugs Policy at the event which will outline my future and current plans of reform and support.

Due to the continued uncertainty surrounding Covid-19 it has been decided that the conference will now take place online to ensure the safety of the speakers and participants.

An invitation will be shared with the Panel once details have been confirmed.

### **Safer Streets Fund**

The Safer Streets Fund is a £25m fund, available to PCCs in England and Wales in 2020/21. PCCs were asked to work with partners to design and deliver local crime prevention plans, with the view to reducing acquisitive crimes through situational crime prevention. The objectives of the fund are to:

- Reduce acquisitive crime in areas that receive funding – making residents safer and reducing demand on the police to focus on more complex crimes
- Build evidence about the impact of targeted investment in situational prevention in high crime areas to strengthen the case for future investment, both at a local and national level
- Grow local capability to undertake data driven problem solving and capture evidence and practical learning about how best to implement situational interventions to prevent crime

PCCs were able to submit up to three prioritised bids, each for a defined local area within their PCC geography that is persistently and disproportionately affected by acquisitive crime, with up to £550k grant funding being available per successful bid.

In selecting a local target area, PCCs needed to ensure that the area met the eligibility criteria for funding. The key criteria was (i) that areas have a defined geography, (ii) that these areas have a suitable population size, (iii) that the areas are persistently and disproportionately affected by acquisitive crimes, and (iv) that these areas are predominantly residential.

Within the submissions PCCs also needed to prove a population size that is sufficiently targeted to enable them to make a significant impact on acquisitive crime within their selected area, whilst still being a sufficient size to justify the amount of funding to be bid for. To achieve this, areas had to generally be between 500 and 3,500 households (or 1,000 to 9,000 residents).

North Wales Police analysts thoroughly considered the data for all areas within North Wales and only two specific areas, Rhyl West and Caia Park in Wrexham met the criteria. Even then, the crime prevention measures on offer were very specific and it took a huge amount of hard work for the partnership teams to translate that in to solutions which would be achievable and meaningful for both communities and meet the Home Office criteria.

North Wales were successful in obtaining the funding for the primary and secondary bids submitted:

#### **Queensway Bid – Awarded £550,000**

The following partners have been involved in the bid:

PCC, North Wales Police, Wrexham Borough Council, and Caia Park Partnership.

The funding will be used to include the following:

- An environmental fund administered by the PCC and Project Board will be established to address issues such as graffiti, bush cutting, tree removal and garden landscaping in communal areas.
- Increase CCTV coverage, providing safety and security for all residents.
- Use ANPR technology to target travelling offenders and organised crime groups.
- Improve natural surveillance within the area through the provision of new lighting and upgrade of existing lighting.
- Provide alley gating to control access to seven alleys, as well as replacing two old gates which are inadequate.
- Demolition of three garage blocks, and replacing with car parking area (subject to planning permission).
- Provide 200 metres of additional fencing outside of the streets currently being funded by the Borough council.
- Delivery and installation of 1,000 burglary crime prevention packs to those residents whose property is vulnerable to rear entry.
- Training for community wardens and volunteer community watch to allow the residents to take action themselves to prevent crime.

#### **Rhyl West Bid – Awarded £517,000**

The following partners have been involved in the bid

PCC, North Wales Police, Denbighshire County Council, West Rhyl Neighbourhood Management Project and Clwyd Alyn Housing.

The funding will be used to include the following:

- An environmental community uplift fund administered by the PCC and Project Board will be established. It will allow streets to be subject to a deep clean, have renewed signage, freshly painted communal walls, removal of graffiti, placing of new bins as well as the creation of a community space.
- Increase CCTV coverage within the area, providing safety and security for all residents.
- Use ANPR technology on the main arterial route into Rhyl West to target travelling offenders and organised groups which are key factors relating to acquisitive crime.
- Improve natural surveillance within the area through the provision of new lighting in two alley ways that have not had any lighting historically.
- Delivery and installation of 626 burglary crime prevention packs, targeting those properties within the identified zones that have either been a victim of crime or are very close to a property that has (figure calculated from last 3 years data).
- Community Champions training to allow the community to take action themselves to prevent crime.

We are delighted by the success of both partnership bids and I remain committed to providing safer neighbourhoods for all our North Wales communities.

### **North Wales Youth Commission**

Following on from the completion and publication of the Youth Commission's report (see links below) I have brought the report to the attention of statutory partners who sit on the Safer Communities Board.

Welsh: <https://www.northwales-pcc.gov.uk/Document-Library/Working-in-Partnership/North-Wales-Youth-Commission-Final-Report-to-the-Police-and-Crime-Commissioner-for-North-Wales-CY-April-2020.pdf>

English: <https://www.northwales-pcc.gov.uk/Document-Library/Working-in-Partnership/North-Wales-Youth-Commission-Final-Report-to-the-Police-and-Crime-Commissioner-for-North-Wales-ENGLISH-April-2020.pdf>

Following my previous update, the Police and Crime Panel have now had the opportunity to read and consider the recommendations made by the Youth Commission. You will note that many of the recommendations have much broader implications than policing alone. The recommendations around crime and policing matters are often very much contingent on other services. For example the police often come into contact with young people experiencing mental health crisis. As with adults, such episodes are actually a health issue rather than one of criminality. We need the active

participation of health services in supporting young people to reduce the likelihood of crisis occurring in the first place.

I appreciate that the matters raised by the Youth Commission are not always easy to tackle, however the police and our partners should be working together to try to improve services for young people and I will continue to champion the interests and safety of young people to colleagues in other statutory services.

North Wales Police have begun to look at the actions they can take forward (and a number of them are already taking place). An important part of this work is to establish a permanent mechanism for youth engagement and consultation. My office is working with the Force on this, as well as monitoring and supporting further action to meet and/or contribute towards the recommendations made.

I will continue to update the Panel on progress going forward.

### Checkpoint

Programme went live 9<sup>th</sup> December 2019 and the figures since then up until the 30<sup>th</sup> June are 303 referrals to Checkpoint.

- 135 successful completions up to 30<sup>th</sup> June
- 21 unsuccessful completions
- Remaining 147 still on the programme working towards their contract/care plan and addressing their underlying issues.

28 occurrences have been assigned to NWP Checkpoint Cymru since 1<sup>st</sup> April.

An average of 3 occurrences per week are being assigned to the Checkpoint Cymru pot, with more than half coming from the Central area, and 60% associated with drugs related crimes.

#### *Weekly Checkpoint Cymru linked occurrences*

As a result of the COVID-19 restrictions the Drug Education Programme was adapted for delivery over the phone in 3 sessions along with a specific cannabis workbook.

All 9 Navigators worked from home up until the end of July whereby a phased return to stations was implemented to allow for some face to face delivery, specifically for new assessments and those most vulnerable.

Work is now underway to source meeting / conference rooms assessed as Covid friendly to hold a small group of people for delivery of the original classroom based Drug Education Programme.

**Decisions:**

I have a Decisions Policy in place that requires officers and staff to submit business cases of projects and planned expenditure to me for my consideration and approval, these business cases are summarised in a Decision Notice which are published on my website. Please see below key decisions made by me from 1 April to 31 July 2020.

Summary of Decisions
<p><b>Contribution to National Anti-Trafficking and Modern Slavery Network</b></p> <p>All Police and Crime Commissioners were asked to contribute to the National Anti-Trafficking and Modern Slavery Network, to provide financial support for the Modern Slavery Helpline. Each police force area has been asked to contribute £10,000.</p> <p>Given that North Wales is a small force, representing a little over 1% of the UK population, I decided to contribute £2,500, to be funded from the Crime and Disorder Fund. I have approved a contribution for 2020/21 only.</p>
<p><b>Delegation of Authority</b></p> <p>I am the Appropriate Authority to consider complaints about the Chief Constable and also the Relevant Review Body to consider some complaints which have been dealt with by the Force's Professional Standards Department. There are certain cases where the Independent Office for Police Conduct is the relevant review body.</p> <p>To ensure resilience in dealing with these cases, I have given authority to my Chief Executive/Monitoring Officer to assist as necessary with these complaints and reviews.</p>
<p><b>Incorporation of the Code of Corporate Governance within the Manual of Governance</b></p> <p>A review of corporate governance of my office and North Wales Police was carried out last year.</p> <p>One of the outcomes of this review was the addition of the Code of Corporate Governance to the Manual of Governance.</p> <p>This has been completed and met my approval; the complete Manual Governance is available on my <a href="#">website</a>.</p>
<p><b>Ministry of Justice Victims Grant 2020/21</b></p> <p>Every year I am provided with funding from the Ministry of Justice to commission local services that will help victims, or witnesses of or other persons affected by, criminal offences and anti-social behaviour.</p>

Based on the business cases put to me I have distributed **£802,260.25** of funding as detailed below:-

<b>Recipient</b>	<b>Total Amount £</b>	<b>Service and Purpose</b>
Victim Support	361,602.00	To commission a Victim Help Centre to provide a support service for victims of crime.
Grŵp Cynefin	84,886.00	To provide funding to support the Regional Independent Domestic Violence Service in Gwynedd and Anglesey.
Domestic Abuse Safety Unit	196,772.25	To provide funding to support the Regional Independent Domestic Violence Service in Denbighshire, Conwy, Flintshire and Wrexham.
Sexual Assault Centre, BCUHB	120,000.00	To provide funding for 2 full time Independent Sexual Violence Advisors (ISVAs). This contribution will support the provision of an enhanced Children and Young People's Sexual Violence Advisor.
Sexual Assault Referral Centre	39,000.00	To provide funding for support and counselling to young victims of sexual violence and child sexual abuse.

**Children affected by Parental Imprisonment (CAPI)**

I have decided to continue contributing financially to the Children Affected by Parental Imprisonment Project. £9,500.00 has been made available from the Crime and Disorder Grant 20/21 to support this innovative work. This contribution supports two positions, a Regional Programme Manager and a Programme Officer.

The purpose of this multi-agency project is to improve understanding of the current situation faced by children and families affected by imprisonment in North Wales, identify those children and increase access to support.

**Crimestoppers anti-crime initiatives project in North Wales**

A contribution of £15,000 has been approved from my Crime and Disorder Fund to support the role of the Crimestoppers Regional Manager for the North West region.

The purpose of this project is to increase awareness and community intelligence in line with the priorities in my Police and Crime Plan. It aims to empower vulnerable individuals, children and the community by encouraging trust in them to report/give information to the charity anonymously. This increase in community reporting of crimes at an early stage can make a difference in reducing crime in their local area.

**North Wales Violence Against Women, Domestic Abuse and Sexual Violence (VAWDASV) Accountable Body**

Following a proposal at the North Wales VAWDASV Board it was decided that my office should be the accountable body (Regional Banker) for the provision of IDVA services across the area. The joint funding for 2020/21 includes the current funding I provide and the VAWDASV grant (previously paid directly to the Local Authorities) to be amalgamated into one pot to protect the current IDVA, ISVA, CSA and perpetrators programmes in all six local authorities.

There is no financial implication to this arrangement; the work will be carried out by my finance and commissioning staff.

### **Victim Help Centre - Fraud Case Worker**

A contribution of £15,479 has been made available from the Crime and Disorder Fund 2019/20 and further contribution of £27,862 from the Crime and Disorder Fund 2020/21 in order to support the Fraud Case Worker role based at the Victim Help Centre.

The purpose of the role is to deliver frontline service to victims of fraud within North Wales providing high quality, accessible and relevant telephone and Livechat support for victims of fraud. The role will also enable users of the services to access further support and information, according to their needs and preferences. The fraud caseworker will also work closely with the fraud and economic team within North Wales Police in order to provide efficient and timely updates and act as the link between support services and the investigation.

This role is the first of its kind within victim services across the UK and it will be giving fraud victims independent support, providing them with a specific point of contact together with case management from start to finish.

### **Checkpoint Cymru**

CheckPoint Cymru is a voluntary adult offender diversion scheme. It targets low level offenders entering the criminal justice system by providing them an alternative to a criminal prosecution. This alternative is a four month programme which identifies and treats the underlying causes of their offending behaviour. If the offender fails to complete or comply with the four month programme they will return to the criminal justice system and face prosecution.

CheckPoint Cymru is a multi-agency programme which will improve awareness of and access to health based services for all persons presenting at police custody or through voluntary attendance with an overall aim of improving public health, life chances, and individual and community wellbeing. It will also provide access to services which offer practical support. The programme has the potential to reduce demand on A&E admissions by increasing awareness of, and access to, health based provisions.

I have approved funding of £343,086.50 from the 2020/21 Crime and Disorder Fund to support this innovative work.

This work will be monitored through the Checkpoint Scrutiny Board where performance updates will be tabled.

### **Victim Help Centre - Modern Day Slavery Case Worker**

I have approved an application for funding amounting to £38,376.00 from the Crime and Disorder Grant 2020/21 to support the post of Modern Day Slavery Case Worker based within the Victim Help Centre. The purpose of this role is to manage contact with victims of Modern Day Slavery (MDS) in North Wales. The Case Worker will be working in liaison with North Wales Police and Non-Governmental Organisation (NGO) BAWSO. The post will identify and manage the victims' immediate service needs and contribute towards risk assessment processes.

This role is the first of its kind within victim services across the UK and it will be giving MDS victims independent support, providing them with a specific point of contact together with case management from start to finish.

The role and its impact will be monitored through quarterly performance data, service user satisfaction surveys, case studies and management information and monitored by the Victim Help Centre contract review meeting.

**Brake the road safety charity**

A payment of £2,500 has been approved to Brake, The Road Safety Charity for 2020/21. This will support the Charity in providing specialist support services for those who have been bereaved by road crashes in North Wales. This service is used regularly by North Wales Police who provide positive feedback and place great value on the services offered by Brake.

Road crash bereavement packs are produced and distributed to Family Liaison Officers to support victims of road crashes. Support, awareness training and guidance to Family Liaison Officers is also offered by Brake.

**Women's Pathfinder 2020/21**

The Women's Pathfinder is a diversion scheme commissioned to help and support women reduce reoffending. By understanding the underlying causes of their offending behaviours, pathfinder will steer women away from crime by providing opportunities to reform and rehabilitate.

The Women's Pathfinder project will provide interventions to women who have been diverted via the Custody based Checkpoint Cymru service as an alternative to being charged for low level offence. The service also accepts women who are at risk of entering the Criminal Justice system and women can be referred through agencies or self-refer in some circumstances.

A payment of £178,249.50 has been approved from the Crime and Disorder Grant 20/21 to support this innovative work.

**Relate - Choose 2 Change Perpetrator Programme**

I have approved a contribution of £6,150.00 to the Choose 2 Change Perpetrator Programme. The Programme delivers a RESPECT accredited intervention to address domestic abuse. The project delivers both a group work perpetrator programme to offer men who have been abusive in intimate relationship/s an opportunity to change and a support service for the ex/partners of the men engaging with the service.

The aims of the service are to increase the safety of women and children by reducing the level/s of domestic abuse they are experiencing, reduce the number of domestic abuse incidents and repeat/new victims.

Both elements of the service work together to gain a full understanding of risk in each case and put in place a robust risk management plan. The service plays an active part on the multi-agency response to domestic abuse providing information about perpetrator risk and engagement at MARAC, ADAPT, VAWDASV and Safeguarding arenas.

**Regional Independent Domestic Violence Advisory Service**

Approval of £60,037.25 from the Crime and Disorder fund to DASU North Wales Ltd to deliver Regional Independent Domestic Violence Advisory (IDVA) Service across Conwy, Denbighshire, Flintshire and Wrexham.

IDVAs work to address the safety of all people at high risk of domestic violence and abuse from intimate partners, ex-partners and family members to secure their safety and the safety of their children. The service will be available for all clients affected by domestic abuse, regardless of gender, sexuality, ethnicity or disability.

DASU North Wales Ltd will work in close partnership with other relevant services to support overall delivery in order to shape the future direction of addressing VAWDASV in North Wales.

**MOJ Covid Funding 2020/21**

The Ministry of Justice have made an additional allocation of £238,000.00 to be made available to support services during the COVID 19 pandemic. This funding will meet the additional costs registered charities or social enterprises have incurred or will incur during the pandemic and to cope with demand increases resulting from it.

I have approved the following allocation of funding:-

Recipient	Amount	Service and Purpose
<b>Domestic Abuse Services previously commissioned</b>		
Grwp Cynefin	£47,600.00	To continue to support victims of Domestic Abuse during COVID 19.
Domestic Abuse Safety Unit North Wales	£71,400.00	
<b>Sexual Violence Services that are already commissioned and those that are not currently funded by this office</b>		
Rape and Sexual Abuse Support Centre	£29,750.00	To continue to support victims of Sexual Abuse during COVID 19.

<b>Domestic Abuse Services that are not currently commissioned by PCC's</b>		
Aberconwy Domestic Abuse Service	£15,960.60	To continue to provide/ source emergency refuge accommodation, support and counselling information to victims of Domestic Abuse during COVID 19.
Clwyd Alyn Housing Association Women's Aid	£28,697.40	
North Wales Women's Centre	£14,842.00	To continue to provide specialist interventions, guidance, and advice for women who have suffered abuse or sexual violence during COVID 19.

**Refund the sum of £201,219.63 to North Wales Fire and Rescue Service**

North Wales Police and North Wales Fire and Rescue Service (NWFRS) had an agreement to collaborate on the implementation of the Integrated Communications Control System (ICCS), and NWFRS paid £244,444.65 to the Police and Crime Commissioner for this purpose.

North Wales Fire and Rescue Service then decided to make its own arrangements for the implementation of a system, and requested the return of the deposit.

After deducting expenditure incurred by North Wales Police for costs directly attributable to North Wales Fire and Rescue Service, I am to refund £201,219.63.

**Sexual Assault Referral Centre**

Additional funding of £76,824.00 has been secured from the Victims Support Grant provided by the Ministry of Justice to support an additional full time Independent Sexual Violence Advisor (ISVA) based within the Sexual Assault Referral Centre (SARC) for a period of 2 years. The SARC provides support to adult and child victims of sexual violence, and their families and significant others. The ISVA service has established pathways for inter-referral with many agencies and works consistently to provide effective services to individuals and their families.

More information on the decisions made and the policy that supports this process is available on my [website](#).

## **LEGAL TRANSACTION**

In addition to the above listed decisions I have also approved Contracts, Property Transactions and Waivers to Standing Orders. This information was put to the Joint Audit Committee at their last meeting on 30 July 2020.

The latest report for the period ending 30 June 2020 can be found [here](#)

## **COMPLAINTS AND REVIEWS**

I am the appropriate authority for complaints about the chief constable and since 1 February 2020 the relevant review body of some complaints dealt with by North Wales Police. The Independent Office for Police Conduct has oversight of all these statutory duties. No concerns have been raised.

I continue to scrutinise the Professional Standards Department to ensure that the Force has an efficient and effective complaints structure in place, this scrutiny is carried out at the Professional Standards Scrutiny Board which is chaired by my Chief Executive.

## **CUSTODY VISITING**

I have a statutory duty to have a scheme in place for independent members of the community to check on the welfare of detainees in police custody.

During the last performance year from 1 April to 30 March 2020 a total of 121 unannounced independent visits were made and 305 detainees were spoken to.

During this reporting period all physical visits to custody suites were suspended due to Covid-19, welfare checks were carried out by telephone only. There were no issues of concern raised during this period. Since 1 August, physical visits have resumed and custody visitors are again visiting people held in police custody. The relevant risk assessments and checks have been carried out to ensure the safe return to custody visits.

# Introduction

Welcome to my 2019-20 Annual Report, covering the period April 2019 to March 2020<sup>1</sup>.

This was to be my final annual report before the Police and Crime Commissioner (PCC) elections in May 2020. These elections were postponed by 12 months due to the coronavirus pandemic.

The UK entered lockdown on 23rd March 2020. For further detail on my, and the Office of the Police and Crime Commissioner (OPCC) and the North Wales Police response to coronavirus, please read my response plan [here](#).

Such is the scale of the challenge presented by the pandemic, at the outset of this annual report I want to express my sincere thanks and pay tribute to all officers, staff, specials and volunteers of North Wales Police who have responded so positively to these extraordinary circumstances. I also wish to extend my thanks to the communities of North Wales for adhering to the regulations put in place and their support for the Force's response to the crisis.

This annual report once again provides an update on overall progress against delivery of my Police and Crime Plan strategic priorities. My Plan was informed by a broad range of information that is reflected in five key priority areas:

- **Domestic Abuse**
- **Modern Slavery**
- **Sexual Offences**
- **Serious and Organised Crime**
- **Delivering Safer Neighbourhoods**

While I give equal weight to all five strategic priorities, the overarching theme of **'reducing the criminal exploitation of vulnerable people'** is once again highlighted throughout this report. These priorities will remain for the year ahead before the rescheduled elections in May 2021.

**Arfon Jones, Police and Crime Commissioner for North Wales**

2019/20 was another successful year for North Wales Police who continue to deliver an excellent policing service to our communities during challenging times. There are many examples of its success included within this report, including Operation Tide. Operation Tide was the name given to a Serious Organised Crime operation which in September 2019 saw 24 warrants being executed across North Wales, Merseyside and Police Scotland. This operation involved over 300 officers and staff and was the culmination of nearly 12 months' worth of work. The Organised Crime Group dismantled through this operation were responsible for the supply of Heroin and Cocaine in the Deeside area of the force via a County Line. Op Tide was the largest operation of its kind ever undertaken by North Wales Police and I applaud all officers and staff involved.

2019/20 was also a particularly successful year for the Office of the Police and Crime Commissioner with the launch of our diversionary scheme Checkpoint Cymru, reform of the Independent Domestic Violence Advisor service across North Wales, commissioning a new drug and alcohol support service and the establishment of the first North Wales Youth Commission are just some of the outstanding achievements this year.

<sup>1</sup>Events of note that have occurred between 1st April 2020 and the time of writing may also be included in this report.

In last year's annual report I wrote "The financial climate continues to be extremely challenging of course, although at the time of writing I am cautiously optimistic that the tide is turning and the Government recognise that the financial cuts to policing for over a decade have gone too far and too deep". In October 2019, the UK Government announced Operation Uplift, a pledge to recruit 20,000 extra officers nationally for the front line over the next 3 years. As part of this drive, North Wales Police will see up to 250 additional officers recruited over this period in addition to the projected numbers required to replace officer leavers (actual figure still to be confirmed at time of writing). In the first wave of the national uplift, North Wales Police received funding for an additional 62 police officers. North Wales Police had a planned window of recruitment already scheduled for October 2019 which has enabled the recruitment of these additional officers quickly, with all officers expected in post by the end of June 2020.

During this reporting period, changes were seen in the chief officer team of North Wales Police. Sacha Hatchett was appointed as North Wales Police's new Assistant Chief Constable on 23rd April 2019. Sacha is the first female Chief Officer to be appointed in North Wales and returned to her home force of over 20 years' service the following week, after temporarily working as ACC in Cheshire since December 2017. Sacha has been in post for one year now and is in charge of crime and operations. Seb Phillips was appointed as North Wales Police's new Director of Finance and Resources in November 2019.

My Deputy, Ann Griffith also recently left the role after her fixed term contract came to an end. I would like to thank Ann for her work and support since being appointed in 2016 and wish her well for the future.

I would also like to thank the Police and Crime Panel for their continued contribution in the governance of policing in North Wales. Openness, transparency and accountability continue to be very important to me. At the time of writing I am awaiting confirmation that I have once again been recognised by CoPaCC with their Transparency Award for 2019. Should our submission be successful, which I fully expect it to be, this will be the 4th year in a row, a tremendous achievement my office and I will be very proud of. It is my intention to continue to sustain this high level of accountability and this report reflects that commitment.

The forthcoming year (2020/21) will be my final year during this term of office before the rescheduled elections in May 2021. My achievements to date are set out in this report, but this is in no small part due to the outstanding support from all officers, staff and volunteers of North Wales Police and the small team working within my office.

**Arfon Jones,**  
Police and Crime Commissioner for North Wales

## Working in effective partnership

Many of the challenges I face as PCC are ones that the police cannot tackle in isolation and require innovative and effective partnership working to truly make a difference.

I have a **small team of dedicated staff** that work alongside me and the Force to ensure that the Police and Crime Plan is delivered and that all my statutory duties are met. The team consists of two statutory officers, namely the Chief Executive Officer and Chief Finance Officer, and support staff specialising in research, policy, governance, finance, commissioning and communication. Many duties that are carried out are not routinely reported on, for example responding to HMIC reports, Freedom of Information Requests, arranging police appeal tribunals, facilitating conferences, recruiting and maintaining an Audit Committee as well as recruiting Independent Assessors and Custody Visitors. Full details of the staffing structure can be found on my [website](#).

Domestic Violence and Sexual Abuse remain key priorities within my Plan. The work of the Independent Sexual Violence Advisors (ISVA) and Independent Domestic Violence Advisors (IDVA) remains key to ensuring the victims of these abhorrent crimes receive the support they deserve throughout the criminal justice system.

That service, and our approach to tackling Domestic Violence and Sexual Abuse more widely, is managed through the **Violence Against Women, Domestic Abuse and Sexual Violence Strategic Board** which is chaired by my Chief Executive. In addition to the funding I make available for these vital services, funding is also received from Welsh Government. In order to ensure the grant was not spent on commissioning costs and was spent on the front line where needed most, I continue to be the accountable body for the grant and its expenditure.

Prior to April 2020, the IDVA<sup>2</sup> service in North Wales was provided by a number of different specialist service providers and this led to

inconsistencies of provision, including operating processes and times within which the service could be accessed. In 2019 the North Wales VAWDASV Strategic Board commissioned a more consistent and cohesive service whilst still maintaining local expertise. This led to a commissioning process, with the region split into three separate sub regions and providers were invited to apply for one, two or all three sub regions.

The new service commenced on 1st April 2020 is offered across six local authority areas, provided by Gorwel in Gwynedd and Ynys Môn and Domestic Abuse Safety Unit (DASU) North Wales in Wrexham, Flintshire, Denbighshire and Conwy. The service operates on a 24/7 basis, with the IDVAs working on a regional rota basis to cover evenings and weekends. This rota has been developed with North Wales Police to ensure that all Domestic Abuse Officers are aware of which IDVA is operating when. This enables a smooth and consistent service for the victim, regardless of their geographical location.

In my 2018/19 annual report I highlighted the exceptional work undertaken across Wales in tackling **Adverse Childhood Experiences (ACE's)**. The North Wales Early Action Together Programme (EATP) transformed the way in which vulnerability is policed.

<sup>2</sup>EIDVAs work to address the safety of all people at high risk of domestic violence and abuse from intimate partners, expartners and family members to secure their safety and the safety of their children. The service works with men and women.

Using a public health approach, the Programme worked with a number of third and public sector agencies to give police and partners a better understanding of the generational cycle of crime and address the lack of early intervention. Some of the positive outcomes delivered included

- **Reduction in inappropriate safeguarding referrals**
- **Improvement in the quality of safeguarding referrals**
- **Increase in Early Help Hub referrals**
- **Improvement in Early Help problem solving by police officers**
- **Improvement in communication and collaboration among police and partners**
- **Importance and relevance of improving knowledge about ACEs, trauma and**
- **Resilience among the public established**

It was therefore of great disappointment to learn of the Home Office decision to end the funding in March 2020. The Chief Constable and I remain committed to this programme and ensuring North Wales Police will continue to have a better informed and skilled police workforce, empowered to respond using an ACE lens.

The **Joint Audit Committee** is a committee made up of four independent members and a key component of the corporate governance of the Police and Crime Commissioner (PCC) and Chief Constable (CC) for North Wales. The purpose of the Joint Audit Committee is to provide independent advice and assurance to me and the Chief Constable on the adequacy of the governance and risk management frameworks, the internal control environment, and financial reporting, thereby helping to ensure efficient and effective assurance arrangements are in place. To this end the Committee is enabled and required to have oversight of, and to provide independent review of, the effectiveness of the Office of the Police and Crime Commissioner's (OPCC) and Force's governance, ethics, risk management and control frameworks, the financial reporting and annual governance process, and internal and external audit. I am grateful for the continued work and support of the Committee and the assurances given. Where the Committee have not been able to give assurance, I am satisfied

that the Force and my office have plans in place so that the Committee will be in a position to give that assurance in the year ahead.

The **Professional Standards Scrutiny Board (PSSB)** monitor and scrutinise the manner in which complaints and misconduct allegations are dealt with by North Wales Police in order that I can be satisfied that the arrangements and processes in place are appropriate and effective. During 2019/20 the PSSB was chaired by my Deputy, Ann Griffith with professional advice provided by my Chief Executive, the Deputy Chief Constable and the Head of the Professional Standards Department. The PSSB will now be chaired by my Chief Executive.

In last year's Annual Report I informed you of the impending **reforms to police complaints** and how I was working with North Wales Police to ensure a smooth and effective implementation of these changes. Following extensive consultation, a package of reforms to the police complaints and misconduct system has been developed by the Home Office and the Independent Office for Police Conduct. As part of this work, since 1st February 2020, I have a new enhanced role in the police complaints system.

I am now responsible for reviews of police complaints (previously known as appeals) where the previous appeal body would have been the Force itself. Along with the Police and Crime Commissioners in Dyfed Powys and Gwent, I have appointed a firm of consultants, Sancus, who are experts in dealing with police complaints to consider the reviews on my behalf but the final sign off will be made by myself or my Chief Executive. The new complaints reform allows me to make formal recommendations to the Force's Professional Standards Department on their handling of complaints.

The reforms have introduced a less bureaucratic method and a more reflective practice, focusing on learning outcomes for both individual police officers and staff, and the Force. The new system is more flexible and of course far more independent with me as the Relevant Review Body.

Another criticism of the old system was that the threshold for misconduct was too low creating a system where significant amounts of time was spent investigating officers for low level breaches of professional standards. Some investigations previously took several months, sometimes years, to complete. This could lead to stress for both the complainant and the officers concerned, adverse impact on the operational effectiveness of the Force, reduced public confidence in the Force, as well as increased expenditure to the public purse.

I also have a responsibility of providing independence in the more serious cases of breaches of police standards. I provide a Legally Qualified Chair and an Independent Member to sit on Police Misconduct Hearings and Police Appeals Tribunals. These reforms ensure that there is independence in the whole police complaints system from the less serious dissatisfactions to cases of gross misconduct.

I have a statutory duty to ensure that the policing area provides an efficient and effective criminal justice system. One of my key mechanisms to achieve this is to Chair the **North Wales Criminal Justice Board (NWCJB)**. Membership of the board includes the Chief Constable, Crown Prosecution Service, Her Majesty's Court & Tribunal Service, National Probation Service, Wales Community Rehabilitation Company, Her Majesty's Prison Service and Youth Justice Services. The Board's overarching vision is "To provide a multiagency forum for the exchange of information, to provide leadership and governance, and to identify and overcome obstacles and blockages in order to deliver a more efficient and effective Criminal Justice Service in North Wales that puts the needs of victims and vulnerable people (including drug users) at its centre".

At the time of writing, the Criminal Justice System has been significantly impacted by the COVID-19 crisis and there is currently a significant backlog of cases waiting to be heard at the criminal courts in North Wales.

Accordingly representatives from my office have been meeting frequently with the Association of Police and Crime Commissioners, the Ministry of Justice, and the National Criminal Justice Board in order to discuss issues such as reopening the courts and the challenge of keeping Victims & Witnesses engaged as court times continue to be extended. Commissioners have called for an impact assessment of what that means to victims and witnesses nationally and for comprehensive data which would enable us to assess the extent of the backlog issue.

I am working with partners, both in North Wales and on an all Wales basis to develop plans to ensure that the Criminal Justice System both locally and nationally is able to recover from the impact of the COVID-19 crisis. It was agreed early on that steps should be taken to focus on recovery planning for the local criminal justice system as a way of mitigating some of the emerging strategic risks.

I am also engaging with partners to ensure that new protocols such as the new Charging Protocol, the new Police Custody Interview protocol, the Early Prisoner Release Scheme and the new Custody Time Limit protocol, is effective in North Wales and nationally.

I am a member and sit on the Board of the **Association of Police and Crime Commissioners (APCC)**. The **APCC** is a national body which helps PCCs make the most of their ability to influence at a national level and deliver on their statutory duties and policing priorities. By sharing best practice and identifying opportunities to work together, of paying for services jointly, the **APCC** helps PCCs be more efficient and effective.

2019/20 saw the seventh year of 'Your Community Your Choice' which continues to attract high quality grant applications from across North Wales. 'Your Community Your Choice' is managed by **PACT (Police and Community Trust)**, and is funded with £30,000 from the Commissioners Fund and £20,000 from Proceeds of Crime Act monies. Additionally, in 2019/20 I provided an additional £5,126 from the Commissioners Fund to support additional worthy grass-roots projects. This year the over-arching theme for applicants to consider was 'Building Resilient Communities', including proposals that address issues such as County Lines.

A total of 20 community groups were successful last year with grant applications totalling £45,126. This included Digartref in Holyhead working with disaffected young people; Llanfairfechan Foodbank and their support for vulnerable families which has become even more important in these times; Youth Shedz Cymru to set up a new venture in Blaenau Ffestiniog; road safety workshops for young drivers through the Denbigh Workshop; support for adults and young people living with autism in Gwynedd/Anglesey and Wrexham; and working with disaffected young people in Rhyl with the All Afloat project.

Additionally PACT also manages the Police Property Act Fund which has the on-going involvement of the Board of Trustees, of which I am a member. This fund continues to support many other community groups across the six counties of North Wales through the Main Grant Fund and the Neighbourhood Policing Team Small Grant Fund - full details of these projects will be published in the PACT Annual Report and Accounts. The management of these funds has also meant that PACT have been able to leverage other external monies to support their work, together with the headline schools education programme 'Justice in a Day' which is now in its tenth successful year of delivery with our partners at Theatr Clwyd. 2019/20 has also seen the appointment of our new chair of trustees, Ashley Rogers, Commercial Director of the North Wales Business Council. We are very much looking forward to working with Ashley and utilising his skills, knowledge and experience to develop our work.

Under the Police Reform Act 2002 and Police Reform and Social Responsibility Act 2011 all Police and Crime Commissioners have a statutory duty to establish and maintain an Independent Custody Visiting Scheme. The Independent Custody Visiting Scheme in North Wales enables appointed representatives of the local community to observe, comment and report on the conditions under which persons are detained at custody suites. In addition, it offers an extra level of mutual protection to detained persons and police officers by providing independent scrutiny of the treatment of detained persons and the conditions in which they are held.

The day-to-day management of the scheme, including recruitment and organising training for custody visitors, is undertaken by my Chief Executive and his team. The induction and refresher training is provided by North Wales Police. Custody visitors are all volunteers and work as part of a team to meet the targets of the visiting programme. Currently there are 21 custody visitors in North Wales, who visit 3 designated custody suites; these are Eastern (Llay), Central (St Asaph), and Western (Caernarfon). Visits are only carried out at Dolgellau, Mold and Holyhead when the Custody Suites are in use. A total of 121 visits were made by Independent Custody Visitors across north Wales during the reporting period.

Co-ordinators and Visitors are asked to vary their visits as much as possible. During the year, visits were carried out on various days of the week and at various times. The charts below demonstrate that visits are held on each day of the week and at various times. All visits are unannounced.

Graph 1 - Times of visit in each area

Graph 2 - visits in each area

During the reporting period a total of 10,784 detainees were held in Custody in North Wales and 467 held during the visits. Of the 467 detainees that were held in custody during the visiting times 332 were available to be seen and 135 were unavailable. Of the 332 detainees who were available to be seen, 305 consented to a visit (92%) and 27 declined a visit (8%). The high number of detainees requesting a visit from the custody visitors proves the effectiveness of the scheme. Matters raised by custody visitors during their visits are resolved by the custody sergeant immediately, occasionally some issues cannot be resolved but will be referred to the custody inspector for his/her action.

In addition to these independent visits made to people held in police custody the Commissioner's office, Custody Inspectors and Custody Policy Inspector dip sample and scrutinise the custody records. I am grateful for the continued hard work and support of our volunteers.

## Youth Engagement North Wales Youth Commission

The North Wales Youth Commission was a project I commissioned in August 2019 and led by the Deputy PCC to undertake consultation and engagement with young people in North Wales on crime and policing matters.

25 young people aged between 14 and 25 were recruited to be on the Youth Commission. They were from across North Wales and from various backgrounds and demographics including rural and urban communities and those with Welsh as their first language. Some had experience of the police and criminal justice system, others were looked after children. Some were from an ethnic minority background and some were disabled young people. A great deal of effort was made to ensure that a wide variety of backgrounds and experiences were represented by those on the Youth Commission.

The Youth Commission met a number of times between August 2019 and February 2020. In their initial meeting they discussed what they considered to be priorities in relation to crime and policing in North Wales. Over the following 6 months the group then carried out extensive consultation and engagement with their peers. The project captured the views of over **1,200** young people living in North Wales.

In February 2020, the Youth Commission presented their findings to a conference of key delegates including senior members of the police service, elected members of local authorities and organisations who support and represent young people. The conference was also followed up by a report detailing key findings and recommended actions.

A link to the report can be found [here](#). Both North Wales Police and the Office of the Police and Crime Commissioner have undertaken to look at the issues raised by the project and how these can be effectively tackled by the police and partners. We will also investigate how to continue with an effective model of youth engagement going forward from this project.

## Making a difference

I am extremely proud of the work and achievements of my office, North Wales Police and our partners during 2019/20. I have listed below examples of just a few achievements with the overall aim of making North Wales the safest place in the UK.

### Changes to Chief Officer Team

Sacha Hatchett was appointed as North Wales Police's new Assistant Chief Constable on 23rd April 2019. Sacha is the first female Chief Officer to be appointed in North Wales after temporarily working as ACC in Cheshire since December 2017. Sacha has been in post for one year now and is in charge of crime and operations. Seb Phillips was appointed as North Wales Police's new Director of Finance and Resources in November 2019.

### Checkpoint Cymru

CheckpointCymru, my adult offender diversionary scheme, was introduced in December 2019.

Checkpoint Cymru is a voluntary adult offender diversion scheme based on the successful model that has operated in Durham since 2015. The programme seeks to support low level offenders entering the criminal justice system by providing them with an alternative to a criminal prosecution. Further detail regarding the programme can be found in this report.

### Priority Resource Planning (PRP) – First year

In June 2019, North Wales Police commenced its planning cycle for the 2020/21 financial year. To ensure that resources supported the Chief Constables vision and the delivery of my strategic

priorities, business plans were developed using Priority Resource Planning to allocate resources to the highest areas of harm and to improve the services that are most important to the communities of North Wales. This is the first year that North Wales Police has allocated its budget with this recognised technique.

There were various panels held throughout the process to determine which levels of service would best fit the organisation moving forward. This was led by the Deputy Chief Constable with support from the staff associations and my Chief Finance Officer and included making decisions to move resources from lower to higher areas of priority to contribute in improving the efficiency and effectiveness of the organisation.

### Launch of FCC Mental Health Triage

On 20th December 2019, North Wales Police launched its Mental Health Triage Facility based in the Force Control Room. The service provides mental health advice to officers attending incidents and improves the access to patient information between the police and local health board.

The facility comprises of six Mental Health Practitioners who are all members of the local health board and the team operates 16 hours a day, 7 days a week. The practitioners can provide officers with recommendations on patient care, including Section 136 advice, liaising with Mental Health Units and making referrals to other services. Access to patient information provides considerable improvement on previous processes and greatly assists in response to mental health incidents such as high risk missing persons.

Over the years the force has encountered a number of problems with mental health service provision including limited A&E resources and sites, lack of available NHS transport for people requiring mental health assessment and inconsistent availability of secure mental health assessment facilities. This new team allows officers to take appropriate safeguarding and signposting action with patients at scenes, reducing the number of patient transport jobs and uses of Section 136s, therefore freeing up police resources in a much quicker and efficient manner.

## County Lines Needs Assessment

The North Wales Safer Communities Board commissioned a partnership project to produce a regional understanding of what vulnerability, the criminal exploitation of children and adults and the association of drugs, gangs and violence looks like across North Wales.

Following open and transparent data sharing exercise the County Lines Needs Assessment was produced. The information gathered allows us to collectively fully understand the demand and risk of violence related incidents and create sustainable problem solving interventions to meet the needs of each community as well as proactively working with our partners who are currently engaged in the prevention of this serious harm.

I was personally fully supportive of the work and financed a partnership engagement event to allow all the partners involved to discuss the findings and co-produce meaningful recommendations. I also financed a regional county lines conference which not only delivered the final report and its resultant recommendations to more than 100 partners from North Wales and the North West but also provided an opportunity for people in our communities who have been impacted by the county lines/drugs market to have a voice and explain exactly how they, or the people they support, have been impacted by this serious crime. This pioneering work is the first of its kind in the U.K.

## County Lines Lesson

Recognising the need to support the early intervention and prevention of young people becoming involved in county lines activity I financed the development of a county lines lesson for schools through the 'Your Community Your Choice' fund and a North Wales Police grant.

The lesson has been created by the North Wales Police School Liaison Co-ordinator and the Centre for Sign, Sight and Sound in Colwyn Bay. The lesson is fully supported by the All Wales Schools Liaison Core Programme known as Schoolbeat.

The 'Tricked and Trapped' Do you know its happening?' lesson is aimed at year 8 pupils and

will be delivered across Wales by Schools Liaison Police Officers from September 2020.

Learning outcomes for all pupils after the input will ensure that every pupil will:

- Know what child exploitation is
- Be able to recognise the signs of criminal exploitation
- Know about the impact on the child
- Know that the Law protects children and no child can consent to exploitation and it's never their fault
- Understand and resist child exploitation
- Know where to get help and support

The Rights of the Child are highlighted throughout the lesson with the pupils completing their 'Pupil Pledge' to keep themselves safe and pupils are also reminded about trusted adults and specialist agencies that are always available to help them.

This lesson is of particular interest to the National County Lines Co-ordination Centre who disseminates and promotes innovation and best practice throughout the UK.

## Operation Encompass

Encompass is a Home Office approved project that runs jointly between schools and North Wales Police. The project went live in Wrexham and Flintshire on 20th January 2020. Whilst outside of the reporting period for this report, I am pleased to confirm that Anglesey, Gwynedd and Denbighshire went live on 27th April 2020 and in Conwy on 4th May 2020. Encompass is a national initiative to enable information sharing between police and education in an effort to support children who have witnessed domestic abuse. Primarily, its aim is for a school to be alerted of a child's exposure to domestic abuse as early as possible so to enable immediate support. The partnership recognises that all incidents of domestic abuse can be harmful to children and young people.

Trained Key Adults are placed in all schools to allow them to liaise with the police and to use the information that has been shared, in confidence, to ensure that the school makes provision for possible difficulties experienced by children or their families.

## Serious Violence Prevention Project

The OPCC obtained £60,000 in funding from the Early Intervention Youth Fund during 2019/20. This money supported St Giles Trust working in a local high school to provide direct intervention work with young people on the cusp of becoming involved in serious violence.

The money also allowed the continuation of 'Justice in a Day' a unique award-winning project (now in its tenth year) that uses professional actors to examine, in a hard-hitting and realistic drama, key issues about the criminal justice system and young people.

The money also supported the Stand Against Violence Initiative (SAVI). This collaborative pilot project identifies and reaches young people at risk of being affected by violent crime in Rhyl; recognising the duality of experience whereby young people may be vulnerable to becoming potential victims and perpetrators. SAVI brings together 3rd sector organisations and community groups with statutory services - including the police, youth justice and schools,

to share knowledge, ideas and resources in the development and delivery of imaginative local solutions with a holistic approach to tackling the drivers of serious violence.

## Force Awards

Chief Constable Carl Foulkes held his first Force Awards ceremony on 5th March 2020. The awards recognised police officers, staff and volunteers for their exceptional contribution to policing with a total of sixteen awards presented to recipients in the company of distinguished guests, senior officers, family and friends.

Amongst the winners were officers being recognised for their bravery, investigations relating to trafficking and serious sexual offences, an innovation award and volunteers being recognised for their commitment and duty to the force.

## Launch of the Gender Equality Network

North Wales Police officially launched the Gender Equality Network on 11th November 2019. This was a transition from the Women's Association with the aim to provide a more inclusive network focusing on issues which affect all members of the organisation. Both a male officer and staff member have been appointed as vice chair positions.

## Joint Strategic Equality Plan – 2019/2023

The Force and PCC Joint Strategic Equality Plan was published in April 2019 and can be accessed on my [website](#). In accordance with requirements under the Equality Act 2010, we consulted with stakeholders, partners and staff to establish the new priorities for the 2019/2023 Equality Plan. As always some of our priorities continued from the previous plan such as tackling hate crime and ensuring effective and fair use of powers (e.g. stop & search). However, in the new plan there has been a dramatic increase in activity to ensure appropriate workforce representation across Welsh language, gender, race and other protected characteristics.

The Force is not currently reflective of the communities of North Wales. Operation Uplift, referred to in this report, presents a good opportunity to improve representation across the protected characteristics. Therefore significant resources have now been dedicated to Operation Uplift and increasing applications from minority communities. Several initiatives have been launched to encourage and improve applications and to promote North Wales Police as an employer of choice for everyone. Both the Force and the OPCC continue to work together on delivering the Equality Plan which is monitored and scrutinised on a quarterly basis through the Equality and Diversity Committee which is now chaired by the Deputy Chief Constable.

## Launch of Internal Ethics Committee

North Wales Police launched its Ethics Committee in April 2019. The committee was created to enable an appropriate forum outside of the Professional Standards Department, for ethical dilemmas to be discussed with a group of officers and staff, of varying ranks across the organisation as well as external members. The ranking structure of the group is of an equal standing in that seniority is not distinguished; all members are of a fair and equal stature. The implementation of this committee enables the force to maintain its ethical approach to a decision-making problem between two possible moral imperatives, neither of which is

unambiguously acceptable or preferable. My office is represented at this Committee.

Employees are invited to submit any ethical dilemmas they have or may come across; this can be submitted anonymously. This could be policy, practices, moral or 'grey' areas. Once a dilemma has been submitted and discussed at the committee any advice or decision will be submitted to the Chief Officer team and outcomes will be published via the forces internal intranet and feedback is provided to the staff member submitting the dilemma.

## Results of Op Tide

Operation Tide was the name given to a Serious Organised Crime operation which in September 2019 saw 24 warrants being executed across North Wales, Merseyside and Police Scotland. This operation involved over 300 officers and staff and was well publicised by both the local and national media.

Operation Tide is the culmination of nearly 12 months' worth of work. The organised Crime Group dismantled through this operation were responsible for the supply of Heroin and Cocaine in the Deeside area of the force via a County Line known as the 'Echo line'. This group did not just pose a threat in relation to the supply of harmful drugs, it was responsible for serious violence, rape, threats to kill and intimidation of vulnerable people.

The operation was led by the Serious Organised Crime Unit with many of North Wales Polices' covert assets having to spend a vast amount of time in the Merseyside area. The operation required a huge amount of analytical support, the biggest operation of its type experienced in relation to data analytics, to enable the team to link the criminal activity.

The executive action which involved a full command structure in both North Wales and Merseyside was a success and resulted in 16 arrests and 15 remands in custody for supply offences and conspiracy to commit Grievous Bodily Harm. The majority of the police remands then resulted in court remands which is always rewarding and whilst recognising there is a long way to go with obtaining convictions, we are confident some of those individuals will be spending significant time in prison.

## Results of Op Blue Fulgent

On 19th April 2019, Gerald Corrigan was fatally shot with a cross bow bolt outside of his home in Anglesey. A five week-long trial was held over January and February 2020 which delivered unanimous guilty verdicts and Terence Michael Whall was found guilty of murder and conspiracy to pervert the course of justice. He was sentenced to thirty-one years imprisonment. Co-defendant Gavin Jones was convicted of conspiracy to pervert the course of justice and was jailed for five years. Darren Jones was sentenced to two years and 10 months for arson, and Martin Roberts, 35, was jailed for two years and four months for arson.

The outcome is the culmination of many months of hard work by a dedicated investigation team and the complexity of the enquiry cannot be understated. There was no forensic evidence, no direct eye witness evidence to the shooting and he was not seen going to or from the scene. This was a case based on circumstantial evidence. The investigation was supported with over 300 further officers and staff as well as partner agencies.

## Police Cadets

The Police Cadets have been involved in a number of events force wide over the last year and have assisted in the following areas of policing;

- Remembrance Sunday, assisting local NPT representing North Wales Police at local events
- Offering Crime Reduction advice as part of the #BigEasy campaign into local neighbourhoods
- Assisted with 'Wales in Bloom' with planting and caring for flower beds
- Tested Purchasing restrictions working with our partner agency Trading Standards, resulting in
- premises receiving formal warning for breach of age sales
- Operation Sceptre, a national campaign aimed at reducing knife-related crime, where Cadets have been assisting with proactive deployments

## Op Uplift

Operation Uplift is the UK Government pledge to recruit 20,000 extra officers nationally for the front line over the next 3 years. This was announced in October 2019. As part of this drive, North Wales Police will see up to 250 officers recruited over this period in addition to the projected numbers required to replace officer leavers (still to be confirmed at time of writing). In the first wave of the national uplift, North Wales Police received funding for an additional 62 police officers. North Wales Police had a planned window of recruitment already scheduled for October 2019 which has enabled the recruitment of these additional officers quickly, with all officers expected in post by the end of June 2020.

## Official launch of Chief Constable's new vision

The Chief Constable launched his new vision for the organisation in May 2019; the aspiration of making North Wales the Safest Place in the UK. This vision has been communicated well internally and externally to the public, informing them that the key areas of focus are the proactive prevention of crime, protecting communities and pursuing offenders. I fully support this ambitious vision.

## Christmas Drink Drive Campaign

Disposable breath test kits were distributed to hotels across the region as part of the Christmas campaign 2019/2020 to reduce the number of drink-drive related incidents. A number of hotels agreed to distribute the 'indication only' kits to guests who wanted to check for alcohol levels the 'morning after' after a night of drinking. The new initiative caught the attention of ITV Wales with interviews being conducted with RPU and one of the hotels involved in the scheme. Key locations were identified as part of this process to target 'hot spot' areas for drink driver arrests.

The breath test kits were received well, with a number of the hoteliers wishing to continue with the scheme. A total of 2600 breath test kits were distributed to 12 hotels identified within hot spot areas for drink drive offences. In addition a number of kits distributed to key police stations, Wrexham, Rhyl, Llandudno, Bangor, Caernarfon and Holyhead.

# Delivering the role of the Police and Crime Commissioner

My core responsibilities as Police and Crime Commissioner are to:

1. **Secure the maintenance of an efficient and effective police force for North Wales**
2. **Hold the Chief Constable to account for the exercise of his functions**
3. **Bring together community safety and criminal justice partners**
4. **Co-operate with the other police and crime commissioners and to formulate and implement strategies across police force areas**

## 1. Efficient and effective police force

Since being elected Police and Crime Commissioner for North Wales in 2016, I have endeavoured to secure an efficient and effective police force through the strategy laid down in the Police and Crime Plan 2017 – 2021 and, in particular, through my five police and crime strategic priorities:

- Domestic Abuse
- Modern Slavery
- Organised Crime
- Sexual abuse (including child sexual exploitation)
- Delivering Safer Neighbourhoods

Although an assessment of whether I have fulfilled this function can only be accurately made at the end of my term, the effectiveness and efficiency of the Force is inspected annually by **HMICFRS** in the PEEL assessment.

## PEEL Inspection

Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) conducted North Wales Police's integrated PEEL (Police Effectiveness, Efficiency and Legitimacy) inspection in April and May of 2019.

This was a two week inspection covering all aspects of North Wales policing. The report was published on 6th February 2020 and resulted in a grading of 'Good' in each category and overall.

North Wales Police continues to be recognised as good at reducing crime and keeping people safe. The inspection found that the force overall has a good understanding of the nature and scale of vulnerability in the area and that its officers and staff are good at protecting vulnerable people from initial contact to when cases reach the courts. North Wales Police were commended for the issuing of Domestic Violence Protection Notices (DVPNs) to prevent domestic abuse offenders from committing further offences. This was the highest amount issued per head of population in 2018/19 out of all 43 forces in England and Wales. Since the findings of the inspection were presented to the force, a significant amount of work to improve those areas identified for improvement has commenced, including the management of registered sex offenders.

The Firearms Alliance Collaboration between North Wales and Cheshire constabularies was identified as an effective joint working arrangement to provide armed policing with assured deployments, training and command of armed operations in both forces.

North Wales Polices' new approach to budgeting (PRP) was recognised in enabling the force to better meet demand and the priorities set for policing, but the need for additional data to enhance the assessment for future demand was recommended from the inspectorate for accurate forecasting.

## HMICFRS North Wales Child Protection Inspection

HMICFRS conducted North Wales Police's Child Protection inspection in July 2019. This was part of the rolling programme of inspections that HMICFRS carry out of all police forces in England and Wales. The inspection took place over a two week period and inspected how the force protects children and investigates reports of child abuse. HMICFRS found that the force is performing to a generally good standard with respect to child protection and safeguarding.

North Wales Police proved it had positive practice and effective working arrangements with partner agencies.

Our control room staff are thorough at sharing information with frontline response officers to help them make better decisions about the best way to protect children. North Wales Police also proved that investigations led by specialist officers were good, with joint decisions and clearly recorded investigative activity.

The areas of concern identified by the inspectorate have been accepted and work has been completed and remains ongoing to rectify those which required improvement. HMICFRS were due to re-visit the force's in April 2020 to inspect progress against these recommendations but due to COVID19, this has been delayed. I am confident that progress has been made in areas identified and look forward to HMICFRS returning to review its progress once their inspection regime re-starts.

I write to the Home Secretary following all inspections specific to North Wales Police. All letters to HMICFRS inspections can be found on my website [here](#).

## 2. Holding the Chief Constable to account

The principal method by which I hold the Chief Constable to account continues to be through the Strategic Executive Board which I Chair and of which the Chief Constable and his senior officers are members.

This Board meets regularly and I receive reports on several aspects of the Chief Constable's functions including crime statistics for the

period immediately preceding the meeting, the monthly performance summary (containing local performance information), finance reports, results of surveys of officers and staff, and public satisfaction. I have also asked for regular updates on the Use of Force, Care not Custody, Human Resources and sustainable development to be considered at this Board.

Further scrutiny of the Force is made at my Professional Standards Scrutiny Board, Multi-Agency Scrutiny Panel, Joint Governance Board, Independent Custody Visitors Panel and dip sampling exercises of Professional Standards complaint investigations and calls to the 101 system. I have provided more information on my scrutiny role and the support I have in place on my [website](#).

## Control Room Scrutiny - 101 Dip Sampling

The 101 dip sampling is carried out on a quarterly basis with 20 calls being reviewed on a randomly picked day within the previous quarter. This system has now been in place for a year and is working well. We have identified areas of improvement such as the use of a bilingual greeting at the start of any calls. Following feedback the Force has provided additional guidance and there has been an improvement.

There have also been excellent examples of good public service identified during the dip samples with individuals going above and beyond their roles and demonstrating compassion and patience during difficult calls. All feedback is given to the call handlers and their supervisors.

There are many discussions, visits and challenges that take place every day to ensure that the Force and other partners are focussed on the key policing objectives identified in the Police and Crime Plan.

### 3. Bringing together community safety and criminal justice partners

It is clear to me that in order to deliver the strategic priorities set out in my Plan, the support of our partners is imperative – the police cannot deal with vulnerability and exploitation in isolation.

I am a member of the following regional and All Wales committees and boards:

- All Wales Criminal Justice Board
- North Wales Safer Communities Board
- Area Planning Board
- Regional Leadership Board
- Violence Against Women and Girls Domestic Abuse & Sexual Assault (VAWDASV) Regional Board
- Early Action Together (Adverse Childhood Experiences) National Board
- All Wales Policing Group
- Policing Partnership Board for Wales
- North West Joint Oversight Committee
- 

I have a duty to ensure that the “criminal justice bodies which exercise functions as criminal justice bodies in that police area”, provide an efficient and effective criminal justice system. In order to fulfil these duties I Chair the **North Wales Criminal Justice Board** (NWCJB). The NWCJB meets every quarter and is administered by my office.

Membership of the NWCJB includes the Chief Constable, Head of the Justice Services Department, and representatives from the Crown Prosecution Service, Her Majesty’s Court & Tribunal Service, HM Prison and Probation Service, HMP Berwyn, Wales Community Rehabilitation Company and Youth Justice Services.

The Board’s overarching vision is “To provide a multi-agency forum for the exchange of information, to provide leadership and

governance, and to identify and overcome obstacles and blockages in order to deliver a more efficient and effective Criminal Justice Service in North Wales that puts the needs of victims and vulnerable people (including drug users) at its centre”.

### Checkpoint Cymru

Checkpoint Cymru, my adult offender diversionary scheme, was introduced in December 2019.

Checkpoint Cymru is a voluntary adult offender diversion scheme based on the successful model that has operated in Durham since 2015. The programme seeks to support low level offenders entering the criminal justice system by providing them with an alternative to a criminal prosecution.

This alternative is a four month programme (typically, but can be tailored to individual circumstances) which identifies and treats the underlying causes of their offending behaviour. If the offender fails to complete or comply with the programme they will return to the criminal justice system and face prosecution.

In this report, I refer to my views on drugs policy and that drug users should be treated as a health issue rather than a criminal matter. Checkpoint Cymru builds upon that ethos and a desire for a greater focus on the underlying causes of offending behaviour.

Tremendous progress has been made during 2019/20 to bring my vision into reality. A Checkpoint Cymru Manager was appointed in July 2019 and the interviewing process began for the team of nine Navigators who work closely with the clients.

Whilst I fund the programme in its entirety, the Navigators are employed by North Wales Police. When appointed they underwent an intensive package of training including:

- **Mental Health**
- **Professional Boundaries**
- **Substance Misuse Awareness**
- **Train the Trainer Drug Education Programme**
- **Women in Justice “POWER” training**
- **ACEs Recovery Toolkit training**
- **Restorative Justice**
- **GDPR**

Since the programme went live in December 2019 we have had a steady and increased number of referrals per month. At the time of writing, referrals are at 40-60 per month which has included offences such as shoplifting, public order and drug possession. Through the Drug Education Programme we have successfully diverted nearly **200** people away from the CJS who had personal possession of drugs. It remains early days for Checkpoint Cymru but the signs to date are encouraging with many positive outcomes being delivered and I am extremely proud to see this programme come to fruition and look forward to its development over the coming months.

#### 4. Co-operate with the other Police and Crime Commissioners

Co-operating with the other Police and Crime Commissioners to formulate and implement strategies across police force areas is an important function and contributes towards delivering the Strategic Policing Requirement. I have endeavoured to fulfil this function by regular meetings with my fellow Commissioners and their Chief Constables in Wales and the North West of England.

The collaboration work between North Wales Police and the police forces of the North West of England is of particular importance to the policing of North Wales as the geographical

proximity means that we have shared priorities for tackling serious and organised crime, as well as providing operational cooperation for the police service. I continue to be impressed by the results delivered by the Regional Organised Crime Unit (NW ROCU). It is an outstanding example of collaborative working delivering tangible outcomes that keeps the communities of North Wales safe.

Significant progress has been made during this reporting period on numerous **collaboration projects** taking place between the four Welsh forces, the North West and national projects. Particular progress to note includes:

#### eRecruitment (OLEEO) launched July 2019

- All four Welsh police forces are now live with E-recruitment on the Oleeo platform ensuring all officer
- recruitment across Wales is fully automated and consistent across the forces.
- Dyfed Powys and South Wales Police have now joined North Wales and Gwent by launching Police Staff recruitment online.

#### National Enabling Programme (NEP)

The **National Enabling Programmes** - or NEP - was created to introduce a secure platform and national standards that enable new ways of working and collaborating for the 43 police forces that make up policing across England and Wales. North Wales Police have made good progress during this period with background works. To date NWP have;

- National Sign off 50 Users for a technical pilot
- National Sign off for Acceleration to deviate from national plan to support COVID19 mitigation
- NEP ICT infrastructure in use to support home working

The force reported just under 1,000 staff working from home successfully in April as a result of COVID-19 and this has benefitted from the works already completed for the NEP.

## Single Online Home (SOH)

Single Online Home (SOH) is a national, digital front counter service offering people a high quality and consistent range of policing services (more than 40 in total), such as online crime reporting, applying for a firearm's licence or requesting information about past domestic violence cases (under Clare's Law).

NWP preparatory works for SOH has progressed during this period with the project moving into the start of the implementation stage. However, a number of issues were identified with the system, including concerns around the Welsh language, Our Area pages and the system on test.

Single Online Home presents a tremendous opportunity for policing to reduce the demand placed on the 101 telephone system, which is an issue that continues to be raised with me frequently directly by members of the public and those contacting my office to complain of poor service. With that in mind, I look forward to further progress being made in 2020/21.

## Transforming Forensics/Digital Forensics/Forensic Collision Investigation

Forensics is an integral part of policing which faces the challenges of an increasingly digital world. Our forensic service needs to modernise, to become more efficient and effective, taking advantage of leading edge technology and innovation to respond to present and future demands.

Transforming Forensics is a programme that will:

- Design and build forensic services that will offer better protection to the communities we serve and the best possible service to victims of crime;
- Envisage modern, efficient, world leading and sustainable services ensuring consistent and high-quality delivery, innovation, training and support in forensics across the UK;
- Support forensic science across law enforcement to meet future challenges and deliver enduring transformational change.

North Wales Police implemented changes immediately to ensure and maintain operational forensic capability and capacity whilst meeting the restrictions from COVID-19. Measures have included the physical distancing of teams wherever possible and providing PPE for staff and ensuring procedures for the handling of potentially infected exhibits.

## Forensic Collision Investigation

North Wales Police are recognised as the leading Force in England and Wales for forensic collision investigations. Therefore, the Forensic Collision Investigation Network (FCIN) will be hosted by North Wales Police with ACC Sacha Hatchett the NPCC lead for forensic collision investigation.

The Forensic Science Regulator has directed that all police force's Forensic Collision Investigation functions must be compliant with strict standards by October 2020 (now extended to October 2021 owing to COVID-19), and that forces who join the FCIN will have a further extension to October 2022.

The expectation is that all Forces in England and Wales will join the network and I look forward to continued progress over the next 12 months.

## Emergency Service Network (ESN)

The advent of COVID-19 has reaffirmed a cross-Government appetite to push forward with major projects which bring economic benefit, ESN is amongst them whilst the Home Office has stated, that ESN remains at the top of their priorities.

Forces in Wales have continued to progress works in readiness for ESN and this includes the mapping of current contracted systems and any contract extensions to local systems that are interactive or interdependent with the ESN programme.

I remain concerned around the continuous delays being incurred within this programme and have raised my concerns with the UK Government about the additional costs being incurred by North Wales Police as a result of the technology not being available, both in terms of the topslicing of government grants to fund the scheme, and also the increasing costs of continuing with Airwave.

## Tri-Force Collaboration

The future direction and work of the Tri-force Programme (North Wales Police, Merseyside Police and Cheshire Constabulary) is currently under review. The original intention was to build business cases for collaboration in relation to:

- **Niche RMS**

RMS is the record management system used by the 3 Forces. The Merseyside and North Wales merged platform went live on the 14th October 2018. Since that time, and specifically during this reporting period, the intended outcomes of having shared data were realised almost immediately. Since go-live, because of the richer information available to staff, many arrests and better informed decisions have been made that have undoubtedly significantly improved our ability to keep the public safe.

- **Intelligence**

Collaboration work is on-going between the three intelligence Departments.

- **Criminal Justice**

Collaboration work has been suspended in this area at the time of writing due to COVID-19.

- **Custody**

Preliminary consideration is being given to the possibility of collaboration with custody training.

# A year of engagement

I represent all of our communities across North Wales in ensuring their policing service is as efficient and effective as it can be. I therefore place great importance on getting out of the office and meeting the public at every opportunity. I cannot gather information without attending events, meetings, conferences and meeting members of North Wales' vibrant and diverse communities. I therefore provide here only a snapshot of some of the events my Deputy and I have hosted or attended during 2019/20.

## Agricultural and National Shows

The summer months give me a chance to get out and speak to my local community at the agricultural and national shows. They provide a great opportunity to hear about local issues, the public's concerns and simply getting to know people across North Wales.

## Consultation Events

In order to write or review my Police and Crime Plan and to inform my precept proposals each year, I must consult with the people of North Wales to hear their views. I held a number of joint consultation events with the Chief Constable to listen to your views on my police and crime

objectives. These meetings are very important because it allows me to understand local issues and hear the opinions of the North Wales communities.

The Precept Consultation Survey was open between 2nd December 2019 and the 17th January 2020. There were a total of 489 responses to the survey with 44 in Welsh and 445 in English. The total number of responses was considerably lower than the number received in previous years. The General Election in December 2019 prevented extensive promotion of the survey because of the restrictions within the pre-election guidance.

Following feedback from previous survey's this year I ensured that the survey was accessible in a number of formats. The survey was available online, in paper format and in an Easy Read format. There were 15 paper copies received and five Easy Read surveys received. In addition the Deputy Police and Crime Commissioner attended a number of groups for Older People to ensure that they were aware of the consultation and had the opportunity to complete it either online or in paper format.

## Third Sector

It is extremely important to me to visit third sector agencies to see their excellent contribution to our community. They provide a wide range of services to all members of our society and are a key part in partnership working.

On the 21st November 2019 I hosted my annual Third Sector Engagement Event to engage collectively with organisations from the voluntary and community services sector. The main purpose of these events is to engage with stakeholders and seek their feedback on the policing priorities. 95% of those in attendance agreed or strongly agreed with the current priorities. A full report on the 2019 event can be found on my website [here](#).

## Community Groups

In addition to third sector agencies I have had the privilege in attending a number of community groups from Anglesey to Wrexham. I feel it is essential to show my support to those groups that contribute in some way to all ages in our society.

## PCC's Community Awards Evening - 3rd October 2019 - Theatre Clwyd, Mold

The Police and Crime Commissioner's annual community awards evening was held on 3rd October 2019 at Theatr Clwyd in Mold. The event is moved across North Wales each year to a different location within the three different divisions of the Force.

Ten awards were presented at the ceremony, all of whom were extremely worthy winners. The categories for the awards reflect my policing priorities set out in the police and crime plan. This year there was a strong focus on "Early Action" initiatives with a group of awards for organisations who take preventative measures to tackle the issues that arise in relation to Adverse Childhood Experiences or community based problems which create vulnerability and need which can end in crisis.

Cobra Life CIC, Medrwn Môn and Rhwyd Arall are all organisations who have supported people who are vulnerable and who may have experienced trauma. The work carried out by these bodies is key to preventing vulnerability and further, more complex crime and community problems.

As always rehabilitation and good performance by domestic abuse services were highlighted and recognised, as were equality and diversity and good partnership working.

# Police and Crime Plan Strategic Priorities, 2019/20 Progress Report:

As Police and Crime Commissioner, I am responsible for the strategic direction of policing in North Wales. That strategic direction is set out in my Police and Crime Plan. The Chief Constable is responsible for all operational matters and the delivery of my Plan.

This section of the annual report will focus on the progress made during 2019/20 against my strategic priorities set out in my Plan.

My police and crime objectives have been developed in response to the areas of greatest threat, risk and harm facing the communities of North Wales. They have also been informed by an extensive consultation process. I do not agree with having too many priorities, by its very nature everything cannot be a priority.

I have identified five priority areas for North Wales Police.

- **Domestic Abuse**
- **Sexual Abuse (including child sexual exploitation)**
- **Modern Slavery**
- **Organised Crime**
- **Delivering Safer Neighbourhoods**

In addition, in 2018/19 I introduced an overarching aim of 'reducing the criminal exploitation of vulnerable people'. The Chief Constable's Delivery Plan sets out the specific actions North Wales Police will take in delivering these priorities. Of note is the importance of partnership working in tackling them. All priority areas present issues beyond policing and an effective response can only be delivered in partnership.

## Domestic Abuse

### Operation Encompass

Encompass is a Home Office approved project that runs jointly between schools and North Wales Police. The project went live in Wrexham and Flintshire on 20th January 2020. Whilst outside of the reporting period for this report, I am pleased to confirm that Anglesey, Gwynedd and Denbighshire went live on 27th April 2020 and in Conwy on 4th May 2020. Encompass is a national initiative to enable information sharing between police and education in an effort to support children who have witnessed domestic abuse. Primarily, its aim is for a school to be alerted of a child's exposure to domestic abuse as early as possible so to enable immediate support. The partnership recognises that all incidents of domestic abuse can be harmful to children and young people.

Trained Key Adults are placed in all schools to allow them to liaise with the police and to use the information that has been shared, in confidence, to ensure that the school makes provision for possible difficulties experienced by children or their families.

### Regional IDVA provision

Prior to April 2020, the IDVA<sup>3</sup> service in North Wales was provided by a number of different specialist service providers and this led to inconsistencies of provision, including operating processes and times within which the service could be accessed. In 2019 the North Wales VAWDASV Strategic Board commissioned a more consistent and cohesive service whilst still maintaining local expertise.

This led to a commissioning process, with the region split into three separate sub regions and providers were invited to apply for one, two or all three sub regions.

<sup>3</sup>IDVAs work to address the safety of all people at high risk of domestic violence and abuse from intimate partners, expartners and family members to secure their safety and the safety of their children. The service works with men and women.

The new service commenced on 1st April 2020 is offered across six local authority areas, provided by Gorwel in Gwynedd and Ynys Mon and Domestic Abuse Safety Unit (DASU) North Wales in Wrexham, Flintshire, Denbighshire and Conwy.

The service operates on a 24/7 basis, with the IDVAs working on a regional rota basis to cover evenings and weekends.

This rota has been developed with North Wales Police to ensure that all Domestic Abuse Officers are aware of which IDVA is operating when. This enables a smooth and consistent service for the victim, regardless of their geographical location.

## Domestic Violence Protection Orders (DVPO) and Domestic Violence Protection Notices (DVPN)

The aim of a **DVPN** and **DVPO** is to provide victims with immediate protection following an incident of domestic violence and to give them the time to consider what to do next.

### WHAT IS A DVPN?

A **Domestic Violence Protection Notice (DVPN)** is a notice served by the police against a person who is aged over 18, where the **police reasonably believe that he or she has been violent or has threatened violence and that a victim** needs to be protected from him or her.

**The law allows the police to serve a DVPN on this person even if the victim does not agree to it.**

### WHAT DOES A DVPN DO?

A DVPN places certain conditions on the person which may include:

- stopping him/her from entering, and being within a certain distance, of the victims home;
- stopping him/her from making the victim leave or excluding them from their home;
- requiring him/her to leave their home.

DVPN usage and application is still very strong in North Wales, and we continue to see considerable applications made to the courts which are being supported. Victim feedback obtained is positive and supports the DVPN approach. This tactic is considered an effective mechanism in the overall reduction in repeat offenders for Domestic Abuse.

In their PEEL inspection, published in January 2020, HMICFRS stated “The number of domestic violence protection notices (DVPNs) used in 2018/19 by the Force to prevent domestic abuse offenders from committing further offences was the highest per head of population across all forces in England and Wales.

The importance of using DVPNs to protect victims is embedded at all levels in the force.”

## Sexual Abuse

### Police Online Investigation Team (POLIT)

In 2019 POLIT investigated 100 referrals relating to online child sexual abuse, including 2 contact offences and 17 referrals which were risk assessed as Very High/High, requiring prompt action. Recent Undercover Online deployment through NW ROCU (North West Regional Organised Crime Unit) identified a high risk offender and father of five who was engaging in sexual communication and inciting the profile of a child to engage in sexual activity. A joint operation with NW ROCU and POLIT resulted in the suspect being arrested, and the children being safeguarded pending further investigation.

During this period, POLIT deployments from the National Crime Agency referrals under Operation Habitation II (Dark web) also led to the recent arrest of a Rhyl male who has been accessing the dark web and amassed a large collection of indecent images.

### Child Sexual Exploitation

#### *Return Home Interviews*

Academic research has shown that return home interviews can provide intelligence to protect a child from being exploited if they have been missing from their home. In the current climate the exploitation of children has increased with the inclusion of criminal as well as sexual exploitation due to the number of children used in county lines models.

There appeared to be a gap in the return home interview provision across North Wales so I wrote to all local authorities in North Wales requesting information on the current service provided. This information request demonstrated that there is an inconsistent provision across the region. Although there is some form of return home interviews being carried out in each area only two have a specific member of staff who carries out these interviews. We will continue to monitor the progress of return home interviews across the region in the year ahead.

## Modern Slavery

Modern Slavery continues to be a largely hidden crime but it exists across North Wales and emerges in different ways. In North Wales much of the Modern Slavery crime dealt with this year has been criminal exploitation in the form of County Lines crime – around half of crime dealt with by the Criminal Exploitation Unit has involved County Lines criminality. This year has also seen the first use of a Slavery and Trafficking Risk Order which followed a closure order on premises. The Force continue to monitor intelligence and emerging trends in modern slavery criminality and have significantly increased the number of officers who have attended the Police Transformation Unit Specialist Investigators Course.

Raising awareness is still an important factor in tackling Modern Slavery. In January 2020 with funding provided by the Modern Slavery Police Transformation Fund, I hosted a conference aimed at private sector business areas identified to be vulnerable.

Sometimes businesses are specifically established to hide or disguise crimes such as laundering money, trafficking and exploiting people. Other models use existing legitimate businesses to carry out and support criminal activity. Well established and successful businesses can be infiltrated by modern slavery without the knowledge or the consent of the business owners and managers. The purpose of the conference was to highlight how in 3 key business areas, modern slavery can be played out within legitimate businesses. The event was aimed at the construction industry, farming/agriculture and hotels and hospitality.

Ultimately the police alone cannot hope to be able to tackle the issue without the knowledge and awareness of the people and businesses of North Wales.

The event was successful in raising awareness amongst those who attended. It also inspired a further event which was hosted in Ruthin in March 2020. The OPCC continues to focus on raising awareness of modern slavery.

## Organised Crime

### Launch of the Intercept Team

County Lines gang activity is an ongoing threat and one of the biggest issues facing the North Wales community which is why I introduced the overarching strategic priority of reducing criminal exploitation of vulnerable people. In February 2020, a new high tech policing unit was set up to curb organised crime and drug gangs in North Wales. The team use Automatic Number Plate Recognition (ANPR) technology to identify the vehicles of gang members and make the region a hostile environment for crime groups to operate in. This growth was funded by the precept increase agreed by the Police and Crime Panel in January 2019.

The team is based in two locations; Llay and Llandygai. Each area team is made up of a sergeant and seven constables and focuses on individuals and locations across the North Wales road network, including Organised Crime Groups and County Lines targets that are causing significant crime-related problems for local communities.

The Intercept Team bolsters North Wales Police's capability to disrupt criminal activity even further and demonstrates the commitment to maintaining a pre-emptive approach to policing to prevent criminals causing misery across North Wales. The team works closely with the Roads Policing Unit, Firearms Alliance Team and Local Policing Team with proactive operational tactics and responses to major investigations. They also support and develop new intelligence by identifying links across Organised Crime Groups and respond to specific tasking requests from Senior Investigating Officers. The team allows North Wales Police to intercept offenders to disrupt such activity, seize their assets and then convict them to protect our local communities.

### Drugs

Class A Drug supply is inextricably linked to organised crime. My views on current drugs policy are well documented. I am an advocate of treating drug misuse as a health issue rather than a criminal matter. I continue to research

and raise awareness on the importance of drug reform and the issues associated with the illegal drug market.

Whilst I am an advocate of treating drug misuse as a health issue rather than a criminal matter, I am also clear in my support of North Wales Police in targeting those organised crime groups who exploit the most vulnerable members of our society. Some tremendously successful operations took place during this reporting period as highlighted within this report.

There have been a lot of developments within the drugs portfolio during this time period from continued research, consultation responses and the introduction of a pilot for police officers to carry Naloxone.

### National Picture

The drug related death figures have continued to increase with the 2018 ONS data showing a 16% increase from the previous year. Following this data release I wrote to the Prime Minister to ask him to consider reviewing the Misuse of Drugs Act 1971. The continuing increase in drug related deaths demonstrates that the current system isn't working and change is needed to provide such vulnerable individuals with the support that they need. The current law prevents drug consumption rooms which allow individuals to take their own drugs in a clean and sterile environment. Without changing the current laws it is believed that the drug death rate will continue to increase.

### Harm Reduction - Drug Consumption Rooms

Over the past year I continued to research and promote the benefits of drug consumption rooms and their importance to the most chaotic users. Drug consumption rooms that are in place across Europe are successful in reaching users who live chaotic lifestyles, especially those from the homeless community. Over the coming year I will be seeking to write a letter of comfort to allow a drug consumption room to be piloted in North Wales and I am hoping it will demonstrate that despite the current law it is essential in reducing the number of drug related deaths.

## Harm Reduction - Heroin Assisted Treatment

Heroin Assisted Treatment (HAT) is a public health approach to treat individuals with a long term opioid addiction who have been unresponsive to other treatments. Patients attend a specialised clinic up to twice a day to receive and take their prescription under the supervision of medically trained staff. The benefits of a HAT are reduction in drug related deaths, reduction in crime and a disruption to organised crime groups.

I will be looking at ways to introduce a HAT Pilot into North Wales over the next twelve to eighteen months and will be hosting a conference called Lost Voices - Lost Lives at Venue Cymru on the 2nd November to increase awareness and gain support.

## Naloxone

Naloxone is an emergency antidote that reverses respiratory depression from opioid overdose. It works by temporarily binding to opioid receptors in the brain and body and counteracting the effects of the opioid. Over the last year I have worked closely with North Wales Police to set up a pilot for police officers to carry Naloxone to reduce the number of drug related deaths in North Wales.

Twelve North Wales Police officers and myself have been trained by a Senior Nurse from the Substance Misuse, Harm Reduction unit of Betsi Cadwaladr University Health Board and have been allocated a provision of Nasal Naloxone for use in the Flintshire pilot. A decision was taken to put the pilot on hold as a result of COVID 19. There were several factors at play, the need to protect the workforce to maintain the resilience to deal with the unknown demands, the need to cater for internal isolation/sickness and the pressure these would place on the organisation. Medical advice was continuously changing at this time and obtaining information around the adequate PPE for officers involved in such a pilot was, at times, difficult. All these factors created a scenario that increased the level of risk for our officers to an extent that we weren't entirely confident we could comprehensively control.

At the time of writing, we are now, however, in a position where we are looking at re-instating the pilot. We have upgraded our PPE, staffing levels are in a very good place; there is no further training required and a decision is imminent on the timing of the pilot to ensure we are in a position to proceed in keeping with the Force recovery plans.

## Medicinal Cannabis

In January 2020 a court in Cumbria found it not to be in the public interest to prosecute an individual with Multiple Sclerosis for growing cannabis for medicinal purposes. Following the court case I wrote to the CPS to question whether a policy had been put in place to prevent individuals being prosecuted in similar situations. Unfortunately no official policy has been put in place and individuals who are unable to access the NHS prescription of medicinal cannabis continue to be at risk of prosecution. I will continue to demonstrate my support to prevent individuals being prosecuted for using cannabis for medicinal purposes.

## Delivering Safer Neighbourhoods

The visible presence of the police deters crimes which occur in public places, reassures the majority of the public and reinforces its links with the police. However, as I state within my Police and Crime Plan, there are now more crimes committed online than on the streets. Accordingly, our diminishing resources must be focused on the areas of greatest threat, risk and harm.

I am determined that our diminishing resources must focus on the areas of serious criminality and vulnerability, delivering visibility is therefore extremely challenging. We must differentiate between being visible and being accessible.

The increase in officer numbers through Operation Uplift will of course be of assistance, but the public should be aware that the officers to be recruited over the next 3 years will not replace the number lost over a decade of cuts and austerity.

North Wales Police, under the direction of Chief Constable Carl Foulkes, the National Police Chiefs lead for digital policing, continue to develop its digital and online presence as an effective form of engagement. I look forward to further developments in this area over the coming twelve months.

### Personal issue Body Worn Video

In September 2019 I approved the funding that enabled North Wales Police to move from a pool-issue model of Body Worn Video to a personal issue model, upgrading from 492 devices to 1,185 devices. This was a huge investment for North Wales Police at over half a million pounds, the devices purchased were of a high-specification with many improvements compared to the previous pieces of kit.

### Personal issue devices for all front line Police Officers

The Connected Officer Project was announced in September 2019 and would deliver new equipment to frontline officers to enable them to become more agile and do more complex work away from police stations. The delivery of these devices commenced in December 2019 on a rolling deployment across all districts one at a time. Allowing officers to work more remotely enables the public to see more of our officers and staff and to complete certain police tasks with victims and witnesses in their homes, rather than having to physically visit police stations.

### Special Constabulary

We can look back over the year 2019 / 2020 as having been a challenging yet hugely positive year for the North Wales Police Special Constabulary (SC).

Despite the steady decline in the number of Special Constabulary Officers across England and Wales, we have bucked the trend here in North Wales. We have not only maintained our numbers but recruited additional officers to bring our total to a peak of 219 SC Officers across North Wales. This is an average of 197 officers over the year.

Between them these officers have contributed over 48,000 hours of policing contribution, a staggering achievement. This is the equivalent of having an additional 6,000 hours of police officer time available or the equivalent of 27 additional full time police officers.

Whilst the core responsibilities remain within Local Policing and in particular Response Policing the force have actively increased the number of SC officers working in more rural areas, for example Llangollen and Gwynedd South. The Force have also added to specialist areas, for example by embedding an SC Sgt within the Modern Day Slavery Unit to best ensure that they are able to utilise the support of the SC officers as required.

## Hate Crime

Since 2016 there had been steady increases in the number of hate crimes recorded in North Wales. This has been in line with national increases and is attributable to a number of factors, including wide reaching and sustained campaigning to raise awareness of hate crime.

For the year 2019/20 there was a slight (2%) reduction in the overall number of recorded hate crime. However 2019/20 also saw a reduction in satisfaction levels for hate crime across all measures, but in particular in relation to police “follow-up” and “overall satisfaction” with how the police dealt with the matter.

North Wales Police have now introduced measures to improve the quality of service received by victims of hate crime. Tackling hate crime effectively is important and sits within police and crime plan priorities as victims are so often very vulnerable. I will continue to monitor satisfaction levels through the Strategic Executive Board.

The OPCC has carried out a number of activities within the last year to promote hate crime awareness and encourage reporting. The 2019 Hate Crime Awareness Week Campaign saw a sustained social media campaign using materials we have developed over several years of campaigns. We also shared new material aimed at perpetrators of hate crime, developed by the Home Office. In addition we shared campaign information and messages with public sector partners and the OPCC has supported and attended local events such as the Hate Crime Awareness event hosted by Community Cohesion Coordinators at Ty Pawb in Wrexham and also by NWAMI at Coleg Llandrillo, Rhos-on-Sea.

### Hate crime victim survey results

Measure	Result Sept 19	Result Sept 18
Initial contact	88.6%	87.7%
Initial Police actions	65.6%	73.3%
Follow up	63.6%	76.8%
Treatment	87.2%	92.2%
<b>Overall Satisfaction</b>	<b>68.4%</b>	<b>82.5%</b>

## Knife Crime

Fortunately in North Wales knife crime is not at the level seen in some urban areas, but that doesn't mean we are complacent about it.

North Wales Police works closely with other agencies to tackle this issue, as this cannot be solved merely through arrests. Operation Sceptre, run jointly with Trading Standards has proved successful in removing many offensive weapons from circulation. We regularly raise awareness through social media campaigns highlighting the dangers and consequences of carrying knives; our School Liaison Officers have spoken to thousands of local pupils at 'Knife Crime Assemblies', and I provided funding for night clubs to purchase wand detectors in order to reassure the public.

North Wales is one of the safest parts of the UK, and through our relationships with other statutory agencies and the public, we work together to help prevent and stop knife crime, which is a wider community safety challenge.

Dangerpoint, the award winning interactive visitor centre in Talacre recently unveiled a new feature specifically designed to teach children about the dangers of knife crime. A new display board offers youngsters the chance to discover the different outcomes that can occur when they choose to carry knives. Funded by the Office of the Police and Crime Commissioner, the board is an important addition to the fun and interactive activities where visitors journey from the home to the beach, countryside, playground, farm & highways. North Wales Police is a founder member of the organisation and Chief Constable Carl Foulkes is a member of the board of trustees.

## Summary of Outcomes

Performance is measured by comparing 2019/20 against the previous year (unless stated) in order to identify any areas of concern, which also assists me in carrying out my scrutiny of the Chief Constable and holding him to account in the delivery of my Plan.

## Domestic Abuse Outcomes

### Main points

- Overall demand during this period was stable across domestic crime and non-crime
- The positive outcome 1-8 rate shows year on year reductions
- Domestic abuse repeat offending remains at a lower level
- Domestic related crimes continue to make up a bigger proportion of crime in North Wales than in most other forces
- Satisfaction rates for domestic victims are encouragingly high including for high risk victims

## Domestic abuse repeat offending remains at a lower level

Offenders who commit crime three or more times in the previous 12 months continue to remain lower than in previous years, although this has become a new norm and is still relatively stable. There has now been a **13.0%** reduction in the number of repeat domestic abuse offenders three or more times this year.

**Domestics make up a greater proportion of crime in North Wales than most other forces** Fig.5: Proportion crimes classified as domestic abuse 2018/19

### North Wales

### England and Wales

Domestic related offences as a proportion of total crimes continue to make up a larger proportion than in many other forces, currently sitting at 19% compared with a 14% level for England and Wales.

North Wales has one of the highest rates per 1000 population for domestic abuse crimes, sitting at 16 per 1000.

51% of these crimes were allocated to Outcome 16 – victim does not support action – in the 12 months to March 2019.

### Satisfaction rates for domestic victims remain encouragingly high including for high risk victims

**Survey data as at February 2020.** Of the **473** people that have taken part in the survey so far:

- 90.9% were satisfied with the initial contact
- 90.4% were satisfied with the initial police action
- 93.2% were satisfied with the DAO contact
- 66.4% were satisfied with follow up
- 85.8% were satisfied overall

Other areas are showing similarly high responses.

- 93.4% were satisfied officers listened carefully to what they had to say
- 95.7% were satisfied officers believed what they said
- 91.0% were satisfied officers understood the situation
- 95.1% were satisfied officers treated them with respect
- 90.4% felt reassured
- 89.4% were satisfied with the way officers treated them
- 87.7% felt confident in calling the police again
- 83.7% felt safer as a result of the police response received

## Sexual Abuse Outcomes

### Main points

- Levels of reported sexual offences remained stable during this period
- Rise in recorded sexual grooming offences
- North Wales still have the highest rate of recorded sexual offences per 1000 population in England & Wales
- CSE intel submissions have recently risen but CSE occurrences maintained at lower levels
- Positive outcome rate for sexual offences is currently matching the national average

### Levels of reported sexual offences are currently stable and below the levels forecasted

The number of reported sexual offences shows no significant change over the last 12 months, but shows a 4.7% reduction on the last year.

Changes in reported volumes across areas are relatively small volume, with four areas experiencing increases, which are within expected boundaries.

### North Wales still have the highest rate of recorded sexual offences per 1000 population in England & Wales

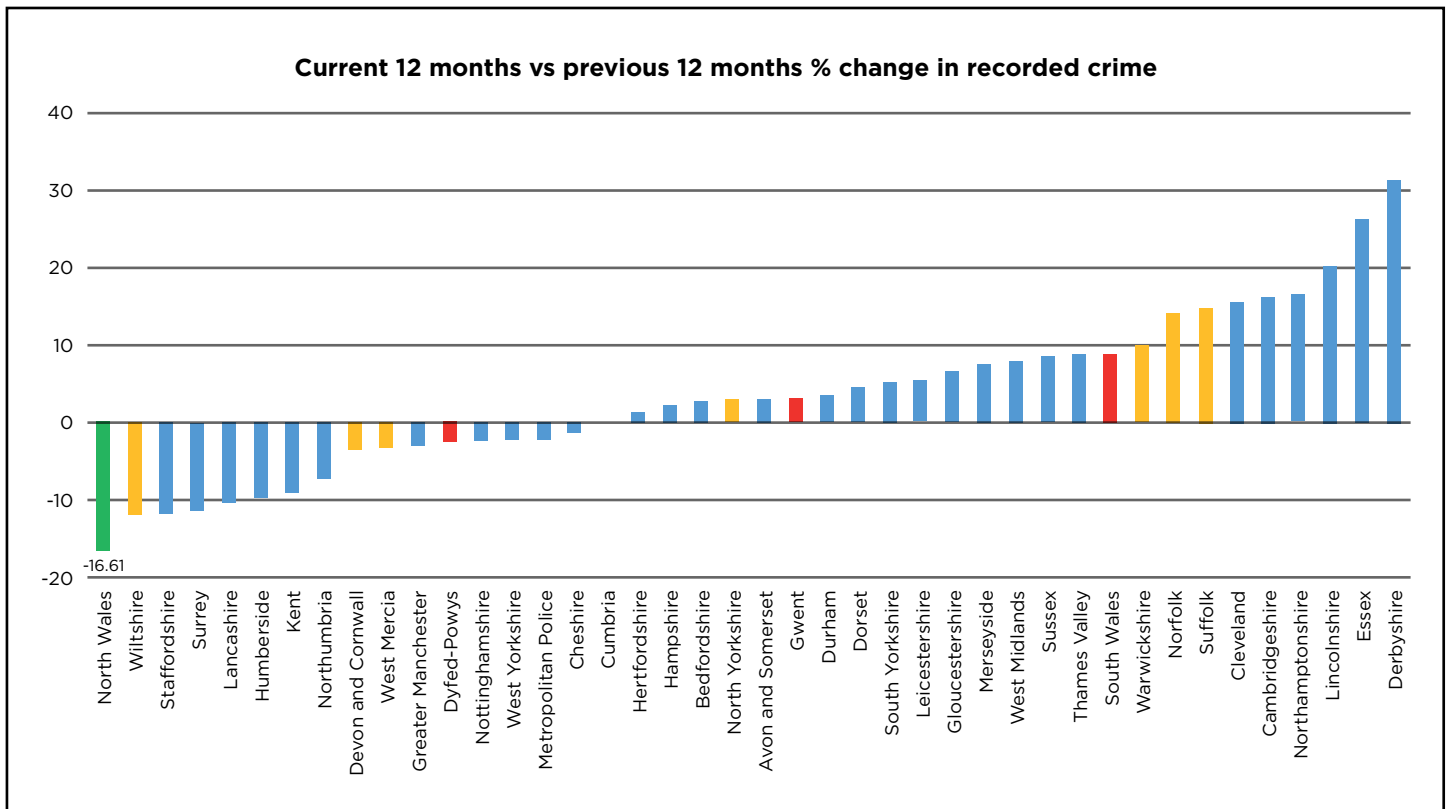

In the year to January 2020, North Wales recorded 3.79 sexual offences per 1000 population, which is the highest rate in England and Wales, despite the largest reductions in recorded offences.

### Overall Sexual Offences

- National data are currently available to January 2020, and the data showed North Wales to be the highest recording Force
- In spite of this, North Wales has the highest reduction, when compared to all Forces

National Recorded Sexual Offences Rates to January 2019  
 (Green = NWP, Orange = Group of most similar forces, Red = other Welsh forces)  
 National Recorded Sexual Offences, Year-on-Year % Change (key as above)

## Rape offences

- When considering Rape offences only, North Wales are 26th nationally, indicating that this is not the main area of sexual offence to be driving the high national levels for overall sexual offences.
- North Wales are showing reductions in rape against the trend of the majority of Forces who have increases

## Other Sexual Offences

- Other sexual offences is the group of sexual offences where North Wales Police are by some margin the highest Force in England and Wales.
- Despite this, North Wales has the largest reductions in this crime group year on year
- North Wales has been significantly higher than its Most Similar Force average for other sexual offences since June 2017. The timing of this coincides with the Force’s increased focus on crime recording, including THRIVE, 3rd party reporting and additional crimes.
- 115 sexual grooming offences were recorded

in the past 12 months, which is a 15.0% increase on the previous year. Although forming a relatively small proportion of overall sexual offences (4.7%), this area shows the most significant change within the category of sexual offences.

- The changes are not isolated to a particular area of the force, with smaller changes at an LPA level aggregating to a large increase overall.
- For the current 12 months, the offence of “Engage in sexual communication with a child” forms 96.5% of the total offences, and the previous year’s proportion stood at 96.0%. These offences have increased by 15.6%, year-on-year; this has been the driver behind the overall increase in Sexual Grooming offences. This increase is now showing real signs of abating.
- The trends beginning in April 2017 in North Wales coincide with those seen nationally, indicating this was due to a process change. However, whereas the national increase abated in 2018, North Wales’ recording of sexual grooming continued to escalate.
- The increase does, however, appear to have abated somewhat in the past 6 months, but spiking again in January 2020.

## Are we effectively safeguarding sexual abuse victims?

The number of CSE intelligence submissions has seen a 23.3% increase year on year.

The number of victims tagged with a CSE flag has been in line with recorded occurrences in the 7 months before February 2020, and coming back into line in March 2020 which is a good indication that NWP have taken an active approach to safeguard the individual identified.

## Modern Slavery Outcomes

Recorded levels of Modern Slavery remain relatively low despite a 31% increase in recorded offences during this period but that does not mean these offences do not occur in North Wales. Modern Slavery continues to be a priority area which is reflected in the growth in the North Wales Police resources tackling this particular offence type. I was also one of the first PCC's to invest in a dedicated support officer for victims of modern slavery.

## Reported Modern Slavery Crimes 2019/20 compared to 2018/19

Division	Area	Reported YTD	Reported LYTD	% Change
Western	YM	6	0	-
	GN	5	7	-28.6%

	WR	15	2	650.0%
	WX	8	9	-11.1%
<b>Total</b>		<b>76</b>	<b>58</b>	<b>31.0%</b>

As shown in the table above, there has been an increase in recorded offences during this reporting period. This offence type remains a hidden crime therefore I welcome any increase in reported offences. Of greater concern to me is that outcomes are almost exclusively outside of outcomes 1-8 with evidential difficulties being the most prevalent issue. On a more positive note, intelligence submissions continue at a steady rate.

Investigations dip sampling has commenced in order to tackle the issues of gathering suitable evidence.

**Next steps planned**

- Review of platforms North Wales Police use to engage with potential victims of all exploitation types and explore the use of Microsoft chat bots to engage with potential victims.

- Develop standard operating procedure for Central Reception Centre and train pool of staff so it can be implemented 24/7. Identify suitable locations in Eastern and Western areas of the Force for similar facility.
- Identify and implement Force wide best practise response to cuckooing.
- Modern Slavery Hydra course to be planned
- Internal specialist investigators course to ensure succession planning and increase pool of specially trained officers to be developed.
- Update Modern Slavery intelligence collection plan
- Identify and remove blockers to Crown Prosecution Service providing positive charging advice via multiagency case reviews.

**Organised Crime Outcomes**

The number of Organised Crime Groups has reduced over the last 12 months with the profile shifting from high to low classification groups.

County Lines linked intelligence continues at a steady rate

## Success during 2019/20

As with Modern Slavery, measuring performance against this strategic priority is an area when quantitative measurement is less applicable. The continued success of North Wales Police, ably supported by Titan, is demonstrated below with examples of only a few of the successful operations carried out during this period.

- Vehicle stopped on A55 by intercept team and Roads Policing Unit and over 150g Class A of drugs found
- Driver arrested for possession with intent to supply class A.
- Vehicle linked to drug supply from Merseyside area as part of an operation with Gwynedd South. Vehicle stopped on its way out of the Force area and found to have a large amount of cannabis hidden on the back seat and a burner phone was found underneath the seat. Both driver and passenger arrested for being concerned in the supply of class A.
- Hire vehicle linked to drug supply in Wrexham was stopped and a large ball of cannabis was found taped under the bonnet. Driver arrested for being concerned in the supply of class B.
- Numerous patrols carried out by Intercept and RPU AT HMP Berwyn due to intelligence to suggest more throw overs as prison closed to visitors. Vehicle identified and was stopped, passenger decamped, a police dog tracked into the woods where two large packages of drugs wrapped in insulation tape were found.
- Male not located but throw over was prevented and drugs seized.
- A Warrington based taxi was stopped in Kinmel Bay and found to have around £32,000 worth of cannabis hidden in a bin liner in the back of the vehicle. Driver charged with possession with intent to supply.
- Vehicle linked to drug supply in Wrexham was stopped after recognition by the Automatic Number Plate Recognition system. Within the vehicle officers located cannabis and a quantity of cash. The driver, also provided a positive drug swipe for cannabis. The driver was charged and following a search, £20,000 worth of cannabis was found.

- Vehicle was intercepted on the A55 at Caerwys following intelligence the vehicle was being used in OCG activity. Three males from Merseyside were found within the vehicle. The vehicle and males were searched and within the vehicle 8 phones (3 personal and 5 burner type) £2,000 cash and small bags of cannabis hidden in the centre console of the vehicle. All 3 males were arrested for being concerned in the supply of Class B drugs.
- Vehicle travelling A55 Eastbound Bangor in excess of the speed limit. Stopped and a search of vehicle locates large amount of cannabis within vehicle; 3 bin bags full of cannabis and approximately 7 kilos in cocaine.
- Stop check of motor vehicle used by known members of Organised Crime Groups resulted in seizure of 1kg cocaine. Occupants arrested.
- Operation Blue Lyuba is the overarching name for the County Lines disruption in the Central policing area. In partnership with Merseyside police, significant disruption

caused to a number of County Lines resulting in the holders of 2 lines being arrested in Merseyside and arrests and seizures of Class A drugs and cash in the North Wales area.

- Operation Tide - Large scale conspiracy involving mapped OCG from the Liverpool area utilising the County Lines model to supply heroin and crack cocaine into Flintshire. All defendants(28) have now pleaded guilty and await sentence.
- Operation Bourdon - series of knife point robberies in Rhyl at the end of 2019 - offender arrested, convicted and imprisoned in April 2020 for 70 months following lengthy investigation
- Operation Blue Mammoth - Multi-agency Safeguarding Operation involving children being exploited to supply controlled drugs. Children now subject of appropriate intervention and support from partnership with supply network disrupted. Ongoing application for a Slavery Trafficking Risk now with the Court.

## Delivering Safer Neighbourhoods Outcomes

North Wales is maintaining at a high level, perceptions that police understand community issues (CSEW = Crime Survey of England and Wales; MSG = Most Similar Group)

North Wales is bucking the national downwards trend and maintaining perceptions that police are dealing with community concerns.

Confidence in the police continues to improve and North Wales Police is amongst the best forces in England & Wales.

Risk of personal crime measure in the crime survey of England and Wales is improving and now the lowest in England & Wales.

### Gwynedd North

- Dream Scheme is a long standing project funded by ADRA, Youth Services and PACT. Twelve young people who are vulnerable and at risk of offending participate in the weekly programme from September to June. The individuals receive inputs on drugs and ASB and from Dog Handlers as well as taking part in a range of activities at Glan Llyn Urdd Camp. In turn the group work in the community including undertaking litter picks and they arranged a Christmas party for the children on the estate.

### Western Area

#### Anglesey

- Joint funding of £5,000 was obtained with Anglesey Council for 'Prison No Way' a charity from Hull to provide education and life skill training. Joint work has been undertaken with police and youth workers to identify vulnerable young people who were at risk of being drawn into criminality due to ACEs or peer pressure to take part in the training.

### Central Area

- Seventy British Red Cross staff have been trained on general crime prevention and scams. These staff cascade this information to individuals they support in the community. They also distribute our crime prevention advice and scams leaflet in their return to home from hospital pack.

- Operation Blue Chestnut is an operation to target acquisitive crime and burglaries in the central area. There has been arrests of two District Targets for a burglary at Llandudno Hospital with the investigation continuing. Four juveniles (three from Stoke-on-Trent) and one local juvenile were arrested for a series of acquisitive crime offences in the Llanddulas area. Another male was arrested for Burglary Other Than Dwelling in Colwyn Bay where quad bikes were stolen.
- Health Facilities Work has been undertaken to obtain details and gain agreement from all Doctors, Dentists and some pharmacies across North Wales to display literature and digital messages on their patient screens. YGC have also agreed to display information on current issues/initiatives on their patient screens with a reach of approx. 150,000 outpatients, 145,000 in-patients and their visitors plus the staff. This provides an excellent opportunity to engage with communities and provide key messages on a variety of priorities.

## Eastern Area

- A joint Initiative in Flintshire South between Aura Wales, Youth Justice Services and North Wales Police involves engagement days with selected individuals from schools identified as being on the periphery of needing intervention. There are various sessions throughout the day covering issues such as knife crime, CSE, County Lines, awareness training of the criminal justice system and the health service (regarding injuries). The 70 young people involved in the day were provided a 3 month aura pass giving them access to all gyms and aura activities including ice skating and swimming.
- Operation Blue Fedora took place in February 2020 where 15 individuals were arrested and charged with conspiracy to supply class A drugs. Various drugs and £15,000 were recovered during the day.

## Funding and Finance

### Police Budget

As Police and Crime Commissioner, I am responsible for setting the budget provided to the Chief Constable for the delivery of policing in North Wales. A net budget of £151.770m was allocated to the Chief Constable for 2019/20. The remaining £2.450m was used for my Commissioner's Fund (which funds initiatives such as community safety, drug intervention and youth justice) and also for the costs of my office.

Whilst central government grants, determined by the Home Office, accounted for 47% of funding, 53% was funded by local taxpayers. The Statements of Accounts are available on my website. The 2019/20 financial year was challenging, with a further £2.832m cuts delivered. Together with cuts of £2.358m to be delivered in 2020/21, and taking into account inflation and other pressures, in real terms the policing budget in North Wales is currently £36m less than in 2010/11. Despite the more positive outlook since 2015, the position remains challenging, and at the time of writing there is significant uncertainty over funding for 2021/22 and beyond.

### The Office of the Police and Crime Commissioner

The annual budget for 2019/20 was set at £826,196, with the commissioning budget an additional £1,624,126. In addition, the Office administered Victims' Services Grant of £804,262 and is the accountable body for VAWDASV grant of £419,200.

The Office is also the accountable body for the Drug Intervention Programme, receiving £478,140 from HM Prison and Probation Service annually towards the cost.

### Estates Strategy

The relocated police station in Wrexham town centre is now well established in a visible and accessible location and has been well received. The former Divisional Headquarters site in Bodhyfryd, Wrexham is being sold for redevelopment and the sale proceeds have been invested into the new Eastern Divisional Headquarters building in Llay which is an important strategic addition to the estate. The implementation of the

Estate Strategy 2018-2028 is continuing and underutilised buildings will eventually be decommissioned. The roll out of internet enabled devices to Police Officers and the increase in agile working across the Force provides further opportunities to use the estate more efficiently and in different ways. There continues to be investment in the estate. The police station in Pwllheli is undergoing significant modernisation works to ensure its suitable for modern policing. There are also proposals to provide a new police station in Holyhead to replace the aging building in the town centre.

### The Financial Outlook

Although there has been more certainty in recent years, the current political situation means it is difficult to predict funding for 2021/22 and later years. The grant received in 2019/20 to partially offset the additional cost of police pensions is to be received again in 2020/21; however, the ongoing position has still not been decided.

The Command and Control system requires a major upgrade within the next few years; in response to this, I have allocated £1.7m to the capital reserve for this purpose.

The COVID-19 pandemic is having a significant impact on our working arrangements. With the exception of the additional money which is ring-fenced for commissioned services, no further funding has so far been offered for the delivery of policing.

## Stand Against Violence Initiative (SAVI) Project

As Police and Crime Commissioner, I am During 2019/20 I provided funding towards the West Rhyl Youth Project. The innovative project identified young people in Rhyl at risk of being affected by violent crime, recognising the vulnerability of young people as potential victims and perpetrators.

The project formed a collaborative partnership approach. The stand against violence initiative (SAVI) brought together third sector organisations and community groups with statutory services including the police, youth justice and schools to share knowledge, ideas and resources in the development and delivery of imaginative local solutions with a holistic approach to tackling the drivers of serious violence. The project focused on local concerns which aligned to regional and national priorities, as identified in the Police and Crime Plan and the HM Government's 'Serious Violence Strategy'.

## Dechrau Newydd

The Office of the Police and Crime Commissioner along with Her Majesty's Prison and Probation Service have recently tendered for a new drug intervention contract, called Dechrau Newydd (New Start). The service, being delivered by Kaleidoscope, aims to engage substance using offenders and support them to reduce offending, improve health and social functioning, engage with multi agency support and make sustainable lifestyle changes.

Custody suites, courts, probation offices and prisons offer key opportunities to identify, inform and engage substance using offenders. These can be challenging environments to deliver treatment services within, especially when engaging with individuals who may be particularly anxious, mistrustful and vulnerable. The overarching aim of the service is to provide a seamless integrated support to drug and alcohol using offenders which will be achieved through the delivery of a service which encompasses the provision of:

- Tailored holistic support for those identified as voluntary service users
- Appropriate tailored support to meet the requirements of Conditional Cautions
- Provision of drug testing, tailored therapeutic and wraparound support packages, and information provision as appropriate for the delivery of Drug Rehabilitation Requirement (DRR) and Alcohol Treatment Requirement (ATR) orders.

The new contract commenced on 1st April 2020.

## Victim Help Centre Fraud Caseworker

In response to the increase in fraud, locally and nationally, I provided additional funding to the Victim Help Centre to recruit a dedicated caseworker to support victims of fraud, in line with my strategic priority of reducing criminal exploitation of vulnerable people. Each victim will now receive a response specifically tailored to their situation. The Victim Help Centre now has 5 specialist caseworkers who provide ongoing support to victims of Modern Day Slavery, Serious Violence, Hate Crime and Mental Health and Wellbeing.

I hope that by providing this dedicated funding to support victims, it will ensure that that people do not become repeat victims.

## The Victim Services Fund 2019/2020

In addition to the Community Safety Fund, I receive a grant from the Ministry of Justice each year to commission services in support of victims. During 2019/20 I have commissioned the following services;

- **Victim Help Centre**
- **Independent Domestic Violence Advisors**
- **Independent Sexual Violence Advisors**

Each of the below services have improved the care and support afforded to victims of crime across north Wales;

## Regional IDVA Service

In response to the Violence Against Women, Domestic Abuse and Sexual Violence Act (Wales) 2015, a Regional VAWDASV Strategic Board and Joint Commissioning Subgroup have been established to plan and implement the joint commissioning of VAWDASV services across North Wales. The strategy aims to bring a greater level of consistency and good practice to all provision across the region.

The first part of this strategy is to jointly commission the provision of IDVA services, in order to achieve the consistent and effective delivery of frontline services to high risk and repeat victims of domestic abuse. A

regional Needs Assessment and Strategy have been developed and the sub-regional IDVA service is an integral part of the strategy. The data and evidence of need is clearly identified through the local needs assessment as well as national data and is a recognised requirement across the region.

The North Wales VAWDASV Strategic Board, together with the Office of the Police and Crime Commissioner, Supporting People and the Area Planning Board (the Commissioners), tendered for the commissioning of a new Regional IDVA service to cover the six local authority areas in North Wales. This process was successfully concluded in December 2019 and two providers were awarded the new contract which commenced in April 2020. This will ensure that there is no duplication of services, there is consistency in terms of delivery and the region will be able to ensure effective planning for future provision of these services.

At the time of writing this report, the outturn and usable reserves positions remain as reported to Police and Crime Panel on 15 June 2020.

3.2 At the meeting on 5 October 2020, the Auditor General will issue his audit report on the financial statements of both the Commissioner and Chief Constable. When the accounts have been signed by all parties, the final audited accounts will replace the draft accounts on the Commissioner's website.

3.3 Further information can be found in the [finance section](#) of the Commissioner's website.

#### 4. 2020/21 Budget Update

4.1 The net budget of £163.705m was approved at Police and Crime Panel on 31 January 2020. This includes £0.936m for the OPCC and £1.620m for the Community Safety Fund. Further information can be found on the Police and Crime Commissioner's [website](#).

4.2 Since the budget was agreed, a number of virements have been carried out, to incorporate:

- Operation Uplift – funding was allocated to increase the number of officers by 62 (North Wales Police’s allocation of phase one of the scheme to increase police officer numbers by 20,000 in England and Wales);
- The Commissioner’s office receives various grants for the commissioning of services; the expenditure and income budgets are now shown gross.

4.3 The two areas with significant variances are employees and supplies and services:

- The full implementation of OIP and other changes implemented by service areas was already reducing pressure on overtime. The moratorium on overtime, training and leave that was introduced at the beginning of the lockdown period resulted in higher availability of officers and staff over this period, resulting in a projected underspend of £0.314m in overtime, and a further £0.100m due to delays in training.
- Reduced fuel prices and mileage for force vehicles has contributed to the underspend in transport, as have reduced travel claims. Covid-19 has required changes to some working practices (for example, more meetings are being held online). If these become the norm, this could provide some opportunities for sustainable savings.

4.4 Included in the above is income and expenditure related to commissioning activities. Information about these is presented to the Panel in a separate report from the Commissioning Manager.

4.5 Also included above is the Office of the Police and Crime Commissioner. The revised budget for the year is £934,686, including a £21,000 contribution to PACT. As at 31 August, expenditure was £349,901 and the projected outturn was £887,588, an underspend of £47,113. This is primarily a result of the Deputy Police and Crime Commissioner post being vacant from May 2020.

4.6 The Checkpoint Cymru service is funded by the Office of the Police and Crime Commissioner, and is run jointly with the force. This diversionary scheme has a gross budget of £405,134. The expenditure to the end of August is £146,800, with projected expenditure of £398,238.

4.7 While the projections at the moment predict a slight underspend at the end of the financial year, it is important to remember that it is still very early in the year, and this position may change. This year has been very unusual due to the Covid-19 pandemic, resulting in new ways of working for many staff and officers. While the initial response from government has been to fund additional costs, and new ways of working are creating opportunities for sustainable savings, the long-term financial impact of the coronavirus is still not known, and there is considerable uncertainty over funding for 2021/22 onwards.

## 5. Capital

5.1 The original capital programme for 2020/21 was £9.475m. Taking into account slippage and some minor additions and deletions, this increases to £12.277m. Further work is ongoing to confirm the expenditure profile, which will likely result in some of this budget being allocated to future years. There were no major projects partially complete at the beginning of the financial year.

## AGENDA ITEM 9d

### Report from the Office of the Police and Crime Commissioner

<b>Title:</b>	<b>Comparison of the cost of North Wales OPCC with others</b>
<b>Meeting:</b>	<b>North Wales Police and Crime Panel, 28 September 2020</b>
<b>Author:</b>	<b>Kate Jackson, Chief Finance Officer</b>

#### 1. Introduction

- 1.1 The purpose of this paper is provide members of the panel an comparison of:
- The 2019/20 budget of this Office of the Police and Crime Commissioner (OPCC)
    - With all others in England and Wales
    - With our most similar group
    - With others in Wales

#### 2. Recommendations

- 2.1 To note the report.

#### 3. Methodology

- 3.1 Each OPCC is organised in its own way, in order to best serve the needs of each PCC, and the population each serves. The information published on PCCs' websites will reflect local arrangements, and direct comparisons are not always possible. In order to be able to compare budgets between OPCCs, it is necessary to use information that has been prepared in as similar a manner as possible. Therefore, it was decided to use the CIPFA Police Objective Analysis (POA) estimates for 2019/20 (the most recent available) to prepare this paper. This may differ from information on PCCs' websites.
- 3.2 British Transport Police and City of London Police have been excluded from the analysis, as the information for these was incomplete or nil. Both of these forces are very different in many respects, so their exclusion should not impact significantly on the findings of this analysis.
- 3.3 Although the CIPFA POA returns should be completed following the same principles, on examining each set of data individually, it is clear that there are still some variations as to how the information has been presented. Therefore, this analysis combines information to compare summaries, rather than attempting to compare on a detailed level.
- 3.4 A table with a summary of the population and POA data is included at the end of this report. It is important to bear in mind that each OPCC is organised in a manner that delivers services in the way considered to be most appropriate for each area.

Therefore, although it is useful to make comparisons, these may not be like-for-like in all cases, and care must be exercised in drawing any firm conclusions.

#### **4.0 Absolute cost**

4.1 Going from smallest to largest North Wales Police has the ninth smallest population of all force areas analysed, and it therefore it would be reasonable to expect North Wales OPCC to be among the least expensive in terms of total cost. Gross OPCC expenditure budgets (excluding commissioned services) ranged between £0.812m and £68.826m in 2019/20. North Wales OPCC budget calculated on the same basis was £0.972m, which is the fifth lowest in England and Wales.

4.2 While the above is indicative of OPCC costs being comparatively low in North Wales, further analysis is required in order to form a more rounded view.

#### **5.0 Size of the OPCC**

5.1 The number of full-time equivalent staff (FTEs) in OPCCs ranges significantly, as one would expect. Including the PCC, Deputy PCC (if any), statutory officers, commissioning staff and other staff, numbers range from 8.30 to 157.00. With 11.62 FTEs budgeted in 2019/20, North Wales was the fourth smallest by FTE.

5.2 Again, this indicates that the number of people within North Wales OPCC is relatively low, taken on its own, it does not form a full picture.

#### **6.0 Relative cost and size**

6.1 In order to obtain an overall impression of how large or small North Wales OPCC is, and how much it costs, more analysis can be carried out. From the CIPFA POA and the HMIC population estimates, it is possible to calculate a cost per head of population.

6.2 While there is nothing inherently wrong with comparing North Wales to the whole of England and Wales, each OPCC is different, and some comparisons are more relevant than others. The HMIC groups forces into those which it considers similar (the Most Similar Group – MSG). In addition, there are a number of differences between England and Wales, and therefore a comparison with others in Wales may also have relevance.

6.3 The below shows North Wales compared to England and Wales, the MSG and the remainder of Wales, using 2019/20 information:

	FTE per million population	Cost per person (OPCC only – excluding commissioned services)
North Wales	16.60	£1.39
England and Wales	18.50	£2.37
MSG	27.65	£1.68
Wales	33.99	£1.89

6.4 All of the measures used indicate that North Wales OPCC is comparatively inexpensive based on 2019/20 budget and population estimates. While, on the face of it, this is a good thing for residents, it is important that the OPCC is properly resourced to provide services to those living in North Wales. In 2020/21 two additional posts were established within North Wales OPCC, which brings this office more in line with the national average.

6.5 One must also consider that each Police and Crime Commissioner is responsible for ensuring that his or her office is resourced appropriately for the work it is expected to do. Where the comparative size or cost of an OPCC can give an impression of whether it is appropriately resourced, different arrangements in each OPCC will result in differing costs. Therefore, any assessment of value for money must also incorporate an element of effectiveness.

**REPORT TO:** North Wales Police and Crime Panel

**LEAD OFFICER:** Richard Jarvis  
Lead Officer & Legal Officer to the Police and Crime Panel

**CONTACT OFFICER:** Dawn Hughes  
Scrutiny & Committee Services Officer

**SUBJECT:** North Wales Police and Crime Panel – Budget Monitoring Report from  
1 April 2019 to 31 March 2020

---

**1. SUMMARY AND KEY POINTS**

- 1.1 To provide the North Wales Police and Crime Panel (PCP) with the annual monitoring report on the use of the PCP grant and the expenses incurred during the period 01/04/19 – 31/03/20.
- 1.2 In order to allow public scrutiny of PCP spending, a transparency requirement has been attached as a condition of the single grant payment and the PCP must publish as a minimum on their website, details of all their expenditure.
- 1.3 As part of in-year monitoring information requirements for 2019/20, the PCP is now required to report progress against critical success factors (CSFs) in achieving outcomes and targets, and highlight how value for money (e.g. benefits, savings, efficiencies, etc) is being achieved. These reports need to be sent to the Home Office, together with the end of year claim request form and completed outturn statement by 31 July 2020.
- 1.4 The CSFs to be reported on are as follows:
- The number of public meetings held.
  - Scrutiny documents and publications produced, including the Panel's Annual Report.
  - Engagement with the work of the Panel by members of the public and the Police and Crime Commissioner (PCC) for North Wales.

## **2. RECOMMENDATION(S)**

- 2.1 That the annual monitoring report and progress against the critical success factors be noted.
- 2.2. That the PCP acknowledge that Officers monitor and track spend against agreed budgets and to ensure value for money.
- 2.3 That the PCP acknowledges that the Host Authority has undertaken an annual review of the purpose of the grant and is happy to continue with the PCP agreement.

## **3. REPORT DETAILS**

- 3.1 The Home Office provides the Host Authority with a grant allocation of £70,975 for the maintenance of a Police and Crime Panel to enable it to carry out the functions and responsibilities, in accordance with the Police Reform and Social Responsibility Act 2011.
- 3.2 The grant is allocated under three headings:
  - Administration Costs, which includes Officer re-charge costs, and costs associated with the general management of the PCP, training and registration.
  - Member Costs
  - Translation Costs

The Authority is free to transfer any underspend in member expenses to pay for additional administration costs as long as the total grant amount is not exceeded.

- 3.3 Claims are submitted to the Home Office on a six monthly basis, which includes actual spend against predicted expenditure. The Host Authority holds the relevant evidence to support the claims.
- 3.4 Appendix 1 provides details of the claim for the period 01/04/19 – 31/03/20.
- 3.5 Appendix 2 provides details of allowances and expenses paid to Members for 2019/20 and also includes details of other expenses incurred to carry out the functions of the PCP, such as attendance at meetings with the WLGA, training events, etc.
- 3.5 Progress in respect of the CSFs between 01/04/19 – 31/03/20 is as follows:
  - 3 meetings were held during 2019/20.

- In respect of scrutiny reports, publications and engaging with the public and the PCC:
  - The PCP has produced 4 reports during the reporting period relating to: Member Expenses & Allowances; Annual Review of the Membership; Summary of Complaints Received; and Budget Monitoring Report April 2019 – September 2019.
  - The PCP has established 6 Member Champion roles to align with the priorities within the Police and Crime Plan and to oversee the budgetary and precept process. The role of the Member Champion is to liaise with the Chief Executive or Chief Finance Officer of the Office of the Police & Crime Commissioner and not the North Wales Police and to keep the PCP up-to-date with activities within the interest, and generally promote the remit of the PCP.
  - The Member Champion role has proved an effective tool in scrutinising and supporting PCC decisions, with Panel Members reporting back verbally at each PCP meeting on the work they have undertaken; these verbal reports are minuted accordingly. The Member Champion can be an advocate of the work undertaken by the PCC, as well as providing assurance to the PCP that progress is being made on the priorities and on matters associated with the budget. It also helps to increase the Panel Members' knowledge base and develops the relationship between the PCP and the PCC.
  - The PCP has also developed a protocol for Questions to the PCC, and accepts questions from members of the public or Panel Members, which can be put to the PCC at its public Police and Crime Panel meetings. Member Champions have taken the opportunity to submit questions to the PCC on a number of occasions, as they have been in a position to identify possible vulnerabilities. This has resulted in the PCC providing in-depth comprehensive replies, which has revealed that the Force was aware of the issues and where possible had addressed them. These arrangements seem to be fulfilling the role of scrutiny of the PCC.
  - Meetings of the PCP are also webcast, which is a useful public engagement tool and a useful way of promoting the work of the PCP and PCC.

3.6 In respect of efficiencies, the PCP has evaluated the need to attend meetings and training events. Where possible, meetings are held via Skype or teleconferences negating the need to travel to Cardiff and also attending training events, which are relevant to Welsh PCPs only.

3.7 Expenditure for the reporting period 01/04/19 – 31/03/20 is outlined in Appendix 1:

- Administration Costs: Due to the impact of the Coronavirus, the PCP has only held 3 meetings during the year, therefore, this part of the grant has not been fully utilised.
  - Member Costs: Due to the impact of the Coronavirus, the PCP has only held 3 meetings during the year and Panel Members were unable to attend a training event in March 2020, therefore, this part of the grant has not been fully utilised.
  - Translation Costs: This part of the grant has been fully utilised.
- 3.8 All expenses incurred by Panel Members have to be authorised by the Lead Officer to ensure it provides value for money and benefits the PCP as a whole.
- 3.9 Any spend incurred by Support Officers has to be authorised by the Host Authority to ensure value for money.
- 3.10 As part of the conditions of the PCP grant, the Authority has to review the Purpose of the Grant annually, taking into account the PCP's achievements as measured against the CSFs. As part of the annual review the Authority will have regard to the reports produced by the PCP, and will result in the Authority making a recommendation that the:
- a. *Purpose and Agreement continue in line with existing plans; or*
  - b. *Eligible Expenditure payable for the subsequent Funding Period should be revised (up or down); or*
  - c. *CSFs should be re-defined and agreed; or*
  - d. *Agreement should be terminated.*
- 3.11 The Authority has undertaken a review and recommends continuation of the Agreement.

#### **4. OPTIONS**

- 4.1 That the PCP supports the arrangements in place to monitor spend of the grant.
- 4.2 That the PCP suggests alternative arrangements to monitor spend.

#### **5. ENGAGEMENT/CONSULTATION**

- 5.1 Consultation is undertaken with Panel Members to evaluate whether attendance at training events/conference is the best use of resources.

## **6. RESOURCE IMPLICATIONS**

- 6.1 The Home Office provides funding of £70,975 to the Host Authority for a Police and Crime Panel.
- 6.2 Appendix 1 provides details of expenditure for the period 01/04/19 – 31/03/20.

## **7. WELL-BEING OF FUTURE GENERATIONS ACT**

- 7.1 Effective scrutiny arrangements provides Members with the opportunity to apply the sustainable development principle and consider the five ways of working (long term, prevention, integration, collaboration, involvement).

**Cymeradwyo cofnodion cyfarfod Panel Heddlu a Throsedd Gogledd Cymru a gynhaliwyd 30 Medi 2019.**

107. **DIWEDDARIAD AR GAMAU GWEITHREDU O'R CYFARFOD BLAENOROL**

Darparwyd adborth am gamau gweithredu/pwyntiau a wnaed yn y cyfarfod blaenorol fel a ganlyn:

Cofnod 92 – Adborth gan Aelodau sy'n Gefnogwyr: Mewn cysylltiad â'r data a ddangosodd bod cynnydd wedi bod yn nifer y dioddefwyr cam-drin domestig ailadroddus o fewn 12 mis, cadarnhaodd y Comisiynydd Heddlu a Throsedd y byddai'n olrhain y mater yng nghyfarfod y Bwrdd Gweithredol Strategol ac y byddai'n adrodd yn ôl wedi hynny.

Cofnod 96 – Diweddariad Cyfnodol gan Gomisiynydd yr Heddlu a Throsedd – Arolwg Boddhad Defnyddwyr: Cyfeiriwyd yn y cyfarfod diweddar at y lleihad mewn lefelau boddhad, yn enwedig mewn perthynas â'r gwasanaeth 'dilynol'. Rhoddodd Ditectif Brif Arolygydd Simon Williams wybod i'r Panel Heddlu a Throsedd bod angen gwneud rhagor o waith i ddeall y mathau o gwestiynau a holir mewn perthynas â'r gwasanaeth 'dilynol', gan ei bod yn debygol bod y boddhad defnyddwyr yn ymwneud â'r achos llys ac nid yr heddlu.

Rhoddodd y Dirprwy Brif Gwnstabl Richard Debicki wybod i'r Panel bod data cenedlaethol yn cadarnhau bod hyder y cyhoedd yn Heddlu Gogledd Cymru'n uchel, gyda'r Heddlu ymhlith yr Heddluoedd uchaf yng Nghymru a Lloegr.

Cadarnhaodd y Comisiynydd Heddlu a Throsedd, er bod arolygon ar gael ar-lein, roedd copïau hawdd i'w darllen a phapur hefyd ar gael, er mwyn ceisio cyrraedd gymaint o bobl â phosibl. Cyfeiriodd y Cadeirydd at sut y byddai pobl ddigartref yn cael gafael ar yr arolygon; byddai'r Comisiynydd yn edrych ar hyn ymhellach.

Cofnod 98 – Crynodeb o'r cwynion a gafwyd: Medi 2018 – Medi 2019: Cadarnhaodd y Swyddog Arweiniol a'r Ymgynghorydd Cyfreithiol i'r Comisiynydd, bod y Cadeirydd a'r Is-Gadeirydd wedi cael eu hymgyngori yn y broses o benderfynu ar gwynion a gafwyd ac felly nid oedd angen rhagor o gamau gweithredu.

**PENDERFYNWYD:**

**Bod y Comisiynydd Heddlu a Throsedd yn adrodd yn ôl o ran y data a ddangosodd gynnydd yn nifer y dioddefwyr cam-drin domestig ailadroddus o fewn 12 mis, yn dilyn trafodaethau yn y Bwrdd Gweithredol Strategol**

108. **CWESTIYNAU I'R COMISIYNYDD HEDDLU A THROSEDD**

Roedd y Cynghorydd Dylan Rees wedi cyflwyno'r cwestiwn canlynol i'r Comisiynydd Heddlu a Throsedd, ac fe ymatebodd fel a ganlyn:

*Cwestiwn:*

*Yn ei adroddiad blynyddol drafft, mae'r Comisiynydd Heddlu a Throsedd yn rhoi adroddiad cynnydd ar ei flaenoriaethau strategol pum mlynedd a gynhwysir yn y "Cynllun Heddlu a Throsedd". Yn yr adran yn ymwneud â'r flaenoriaeth "Darparu Cymdogaethau Diogelach, ceir y paragraff canlynol:*

*"Er mwyn sicrhau bod swyddogion a staff yn treulio gymaint o amser â phosibl ar y strydoedd ac nid mewn gorsafoedd heddlu, yn ystod y cyfnod adrodd hwn, rhoddwyd dyfeisiau symudol newydd i 600 defnyddiwr ychwanegol. Mae'r dyfeisiau hyn yn rhoi'r gallu i ddefnyddwyr fod allan yn y cymunedau maent yn eu gwasanaethu yn hytrach na bod yn sownd i'r orsaf."*

*Yn allweddol i'r nod o ddarparu presenoldeb plismona gweladwy yw rôl Swyddogion Cymorth Cymunedol yr Heddlu. Fodd bynnag, rydw i wedi cael pryderon yn ddiweddar gan y gymuned leol am lai o batrolio gan Swyddogion Cymorth Cymunedol yr Heddlu. Rwyf ar ddeall bod y rhesymau dros hyn yn ddeublyg. Yn gyntaf, lleihad yn niferoedd cyffredinol Swyddogion Cymorth Cymunedol yr Heddlu ac yn ail, bod eu gwaith nawr yn canolbwyntio fwy ar yr hyn a gyfeirir ato fel "datrys problemau wrth y ddesg".*

*Felly a allai'r Comisiynydd Heddlu a Throsedd ateb y canlynol:*

- 1. Beth yw'r ffigurau ar gyfer nifer Swyddogion Cymorth Cymunedol yr Heddlu dros y ddwy flynedd diwethaf?*
- 2. A fu newid mewn polisi o ran eu lleoli?*

Ymateb Comisiynydd Heddlu a Throsedd Gogledd Cymru:

*18 Rhagfyr 2018, cyflwynodd Prif Uwch-Arolygydd Alex Goss gerbron y Panel Heddlu a Throsedd hwn. Roedd y cyflwyniad yn cynnwys strwythur staffio arfaethedig (a oedd yn cynnwys lleihau ac ad-drefnu Swyddogion Cymorth Cymunedol yr Heddlu) o fewn Gwasanaethau Plismona Lleol yng Ngogledd Cymru, ac mae hyn yn dilyn Cynllun Gwella Gweithredol. Roedd Panel yr Heddlu a Throsedd yn cefnogi strwythur, swyddogaeth a blaenoriaethau'r Heddlu ar y pryd.*

*Fel rhan o'n Trawsnewid Digidol, rydym ar hyn o bryd yn gweithredu prosiect "Swyddog Cysylltiedig" ac yn cyflwyno technoleg ar sail unigol, gan ganiatáu i'n staff weithio oddi wrth y gorsafoedd ac mewn unrhyw leoliad sydd â Wi-fi neu 4G, bydd hyn yn arbed amser ac arian ac yn golygu y bydd ein staff yn weladwy. Cafwyd peilot o'r prosiect Swyddog Cysylltiedig yn Wrecsam a bydd yn cael ei gyflwyno ar draws yr heddlu. Mae'r adborth gan swyddogion yn Wrecsam wedi bod yn gadarnhaol iawn ac maent yn defnyddio amrywiaeth o leoliadau cyhoeddus a phreifat i weithio ohonynt, gyda Tesco yn Page 119*

*Bydd "Swyddog Cysylltiedig" nawr yn cael ei gyflwyno yn Ne Sir y Fflint a De Gwynedd.*

*Mae Swyddogion Cymorth Cymunedol yr Heddlu o Ynys Môn wedi'u hadleoli yn y tymor byr i Gaernarfon, sydd â chyfraddau haniaeth uchel ac â phroblem benodol ar y Maes a oedd angen 'penderfyniad gweithredol' i adleoli, ond mae hyn yn dal i adael Ynys Môn gyda 2.3 Swyddog Cymorth Cymunedol yr Heddlu yn fwy na'r sefydliad.*

*Mae lleoli staff yn benderfyniad gweithredol i'r Prif Gwnstabl a'i uwch dîm, ond mae'r model lleoli hyblyg yn caniatáu bod Swyddogion Cymorth Cymunedol yr Heddlu yn cael eu hadleoli, nid yn unig o Ynys Môn i Gaernarfon, ond hefyd Caernarfon i Ynys Môn os oedd mater gweithredol brys.*

*Mae cadw Swyddogion Cymorth Cymunedol yr Heddlu wedi bod yn anodd bob tro, gan eu bod yn anelu at ymuno â'r Heddlu fel Cwnstabiliaid yr Heddlu, a bydd hyn yn gwaethygu wrth i ni recriwtio 60 swyddog ychwanegol o dan ymgyrch recriwtio Uplift, ac mae ein niferoedd yn parhau i symud ac mae'n anodd gwneud cymariaethau, gyda'n hymdrechion gorau o amgylch data gweithlu yn cael eu cyflwyno i'r Swyddfa Ystadegau Gwladol gennym bob chwe mis, ond hyd yn oed gyda gostyngiad bach yn nifer Swyddogion Cymorth Cymunedol yr Heddlu, mae cyfanswm plismona wedi cynyddu, a bydd yn parhau i gynyddu, ond bydd y cynnydd mewn niferoedd Swyddogion Heddlu, y mae'n rhaid i ni ei groesawu ar ôl 10 mlynedd o galedi a thoriadau.*

*Bydd Swyddogion Cymorth Cymunedol yr Heddlu yn cael eu lleoli yn unol â gofynion yr ardal blismona, y dywedaf eto sy'n fater gweithredol, ond cânt eu lleoli'n unol â'r Strategaeth Plismona Cymdogaeth, sy'n canolbwyntio ar ddatrys problemau, ymgysylltu â gweledd.*

*Wrth ddod i gasgliad, mae'n werth nodi bod tîm o Swyddogion Cymorth Cymunedol yr Heddlu o Gaergybi wedi ennill gwobr Plismona Datrys Problemau Gogledd Cymru am ddatrys niwsans ac ymddygiad gwrth-gymdeithasol sydd wedi bod ers tro, y tu mewn ac allan i McDonald's Caergybi. Yn wir, mae ein canolbwynt Plismona Datrys Problemau â 70 cynllun datrys problemau sy'n cael eu gweithredu ar hyn o bryd ar draws yr Heddlu.*

*Diolchodd y Cyngorydd Rees i'r Comisiynydd Heddlu a Throsedd am ei ymateb cynhwysfawr ac fe holodd a oedd modd cylchredeg dadansoddiad o niferoedd Swyddogion Cymorth Cymunedol yr Heddlu a leolir yn ardal yr Heddlu, i'r Panel Heddlu a Throsedd.*

*Mewn ymateb, fe wnaeth y Comisiynydd gydnabod y pryderon a godwyd, ond pwysleisiodd y pwysigrwydd o edrych ar blismona yn ei gyfanrwydd (yn cynnwys staff di-warrant) sy'n delio â phob math o droseddau; roedd angen edrych ar ffyrdd doethach o weithio, yn enwedig gan fod trosedd yn dod yn fwy cymhleth.*

Fe wnaeth y Dirprwy Brif Gwnstabl hefyd gydnabod y pryderon a godwyd gan y cyhoedd, ond roedd yr Heddlu'n gorfod cydbwysu mynd i'r afael â throseddau 'cudd', fel camfanteisio'n rhywiol ar blant a seiberdroseddu, gyda phlisma yn y gymdogaeth. Tra bod Heddluoedd eraill wedi lleihau eu tîm plisma yn y gymdogaeth, roedd gan Heddlu Gogledd Cymru un o'r niferoedd uchaf o dimau cymdogaeth.

Er mai rôl allweddol Swyddog Cymorth Cymunedol yr Heddlu oedd bod yn weladwy ac ymgysylltu â'r cyhoedd, roedd angen canolbwytio ar ddatrys problemau, a oedd yn golygu nad oedd y timau bob amser yn weladwy. Fe wnaeth y Ditectif Brif Arolygydd hefyd roi gwybod bod angen canolbwytio ar fod yn fwy ystwyth yn ddigidol.

Cadarnhaodd y Dirprwy Brif Gwnstabl, er bod nifer o Swyddogion Cymorth Cymunedol yr Heddlu bellach yn hyfforddi i ddod yn Gwnstablaid yr Heddlu, roedd yr Heddlu'n parhau i recriwtio Swyddogion Cymorth Cymunedol yr Heddlu, a byddai niferoedd yn fwy na'r sefydliad ar gyfer nifer Swyddogion Cymorth Cymunedol yr Heddlu.

Rhoddodd y Comisiynydd wybod bod y materion a achosir gan droseddau lefel isel ar y cyhoedd yn cael eu cydnabod gan yr Heddlu, a bod rhai Timau Cymdogaethau Diogelach wedi cymryd mesurau rhagweithiol i fynd i'r afael ag ymddygiad gwrth-gymdeithasol, a oedd wedi ennill gwobrau'n ddiweddar am ymdrin â'r broblem hon.

#### 109. **RHESTR O BENDERFYNIADAU A WNAED GAN GOMISIYNYDD YR HEDDLU A THROSEDD**

Cyflwynwyd rhestr o benderfyniadau gan Gomisiynydd yr Heddlu a Throsedd rhwng 16 Awst 2019 ac 16 Ionawr 2020 i'r Aelodau.

Gofynnodd aelodau gwestiynau mewn cysylltiad â'r penderfyniadau canlynol:

Y Timau Troseddu Ieuencid: Cadarnhaodd y Comisiynydd Heddlu a Throsedd bod y Grant Lleihau Trosedd ac Anhrefn wedi'i ddyrannu yn ôl ffigurau poblogaeth. Cyfeiriwyd at effeithiolrwydd Timau Troseddau Ieuencid; mewn ymateb, rhoddodd y Comisiynydd wybod mai'r consensws cyffredinol oedd bod Timau Troseddau Ieuencid yn helpu i leihau troseddau gan bobl ifanc.

Awdurdodiad i Fenthyca: Cadarnhaodd y Prif Swyddog Cyllid fod y benthyciad o £10 miliwn gan Fwrdd Bentyca Gwaith Cyhoeddus wedi'i gymryd cyn y cynnydd mewn cyfraddau llog.

Detective Now: Rhoddodd y Dirprwy Brif Gwnstabl wybod i'r Panel Heddlu a Throsedd fod Heddlu Gogledd Cymru'n peilota Cynllun Ditectif Mynediad Uniongyrchol cenedlaethol i sicrhau a oedd y Cynllun yn darparu sgiliau hanfodol a oedd eu hangen; roedd y sgiliau hyn fel arfer yn cael eu mireinio dros nifer o flynyddoedd mewn lifrai heddlu.

Plant sy'n cael eu heffeithio gan fod rhiant yn y carchar (CAPI): Roedd CAPI'n brosiect aml-asiantaeth, a oedd yn cynnwys 3 o'r 6 Awdurdod Leol, CEM Berwyn a BIPBC. Cadarnhaodd y Comisiynydd bodd trafodaethau

wedi digwydd gydag Arweinwyr 2 Awdurdod Lleol a oedd wedi penderfynu peidio â chymryd rhan yn y Prosiect.

Tadau Gofalgar: Cadarnhaodd y Comisiynydd fod y rhaglen hon yn ddull cyfannol i weithio gyda thadau sydd wedi cam-drin neu esgeuluso eu plant neu gam-drin eu mam o'u blaen.

Checkpoint Cymru: Rhoddodd Prif Weithredwr Swyddfa Comisiynydd yr Heddlu a Throsedd wybod, gan fod y prosiect ond wedi dechrau 1 Rhagfyr 2019, ei fod yn rhy fuan i adrodd ar ganlyniadau, gan fod y troseddwr wedi gorfod cwblhau rhaglen pedwar mis; fodd bynnag, roedd yr arwyddion cynnar yn gadarnhaol, yn enwedig wrth nodi pobl ddiamddiffyn.

Ffyn Synhwyro Arfau Llaw: Rhoddodd y Comisiynydd wybod y byddai prynu'r arfau llaw yn cefnogi a chynorthwyo 'Ymgyrch Sceptre', a oedd yn fenter wythnos o hyd, yn ffurfio rhan o fenter genedlaethol fwy'n ymwneud â throseddau cyllyll. Un o'r nodau oedd cynorthwyo gyda'r economi hwyr y nos a darparu ffyn synhwyro i staff diogelwch/drws i reoli cwsmeriaid yr amheuir eu bod yn cludo cyllyll.

Cwestiynodd y Cefnogwr Cyllid a allai Panel Heddlu a Throsedd Gogledd Cymru gael gwybodaeth am y canlyniadau a gyflawnwyd gan y prosiectau/mentrau hynny sydd wedi cael cyllid o Gyllideb Comisiynu'r Comisiynydd Heddlu a Throsedd. Awgrymodd y Comisiynydd y gellid rhannu gwybodaeth am lwyddiant y Ganolfan Cymorth Dioddefwyr yn y lle cyntaf. Rhoddodd y Prif Weithredwr (OPCC) wybod fod gwybodaeth yn cael ei chasglu i'r Weinyddiaeth Gyfiawnder, y gellid ei rhannu gyda'r Panel Heddlu a Throsedd.

#### **PENDERFYNWYD-**

**Bod Comisiynydd yr Heddlu a Throsedd yn rhoi adroddiad ar y canlyniadau a gyflawnwyd gan y prosiectau/mentrau hynny sydd wedi cael cyllid gan y Gyllideb Comisiynu.**

#### 110. **ADBORTH GAN AELODAU SY'N GEFNOGWYR**

Derbyniodd Panel Heddlu a Throsedd Gogledd Cymru adborth gan Aelodau sy'n Gefnogwyr fel a ganlyn:

##### Cefnogwr yn erbyn Caethwasiaeth Fodern

Rhoddodd Pat Astbury (Cadeirydd), wybod i'r Panel bod y Gynhadledd Caethwasiaeth Fodern, a gododd ymwybyddiaeth o gaethwasiaeth fodern o fewn y gweithle, yn enwedig y sectorau Adeiladu, Amaethyddiaeth a Thwristiaeth, wedi bod yn ddigwyddiad ardderchog, gyda siaradwyr adnabyddus.

Diolchwyd i Swyddfa'r Comisiynydd Heddlu a Throsedd (OPCC) am eu gwaith caled wrth hwyluso'r digwyddiad.

Rhoddodd y Cadeirydd hefyd wybod i'r Panel ei bod hi wedi bod i gyfarfod gyda Phaneli Heddlu a Throsedd Cymreig eraill a'r Dirprwy Weinidog, Jane Hutt AC; rhagwelwyd ym 12 Ionawr 2020 yn gyfarfodydd rheolaidd.

## Cefnogwr Darparu Cymdogaethau Diogelach

Rhoddodd y Cynghorydd Hugh Irving wybod i'r Panel ei fod wedi cyfarfod gyda Phrif Weithredwr yr OPCC i drafod rôl yr Aelod Sy'n Gefnogwr ac y byddai'n darparu adborth ar y gwaith roedd wedi'i wneud mewn cyfarfodydd yn y dyfodol.

### 111. **PRAESEPT A THRETH Y CYNGOR 2020/21**

Cyflwynwyd adroddiad ac adendwm i Banel Heddlu a Throsedd Gogledd Cymru (yn dilyn cyhoeddiad cyllido'r Swyddfa Gartref 22 Ionawr 2020), a oedd yn adolygu sefyllfa ariannol Comisiynydd yr Heddlu a Throsedd Gogledd Cymru ac yn gosod argymhellion ar gyfer praesept a Threth y Cyngor 2020/21.

Gofynnwyd i'r Panel gymeradwyo praesept o £84,990,106 ar gyfer 2020/21, oedd yn golygu cynnydd mewn Treth y Cyngor o 4.50% (a oedd gyfystyr â £290.61 yr wythnos, cynnydd o £12.51 y flwyddyn, neu 24c yr wythnos ar gyfer eiddo band D) a chynnydd mewn praesept o 4.89% o 2019/20.

Wrth osod y praesept, ystyriodd y Comisiynydd Heddlu a Throsedd pob opsiwn o fewn yr adnoddau a oedd ar gael. Rhoddwyd gwybod i'r Panel bod gwaith helaeth wedi'i wneud yn ystod cylch cynllunio'r gyllideb, a oedd yn cynnwys Cynllunio Adnoddau Blaenoriaethol (PRP). Roedd hwn yn ddull â strwythur i nodi arbedion a dyrannu adnoddau'n unol â blaenoriaethau yn y sefydliad; roedd proses PRP hefyd yn galluogi bod 62 Swyddog Ymgyrch Uplift yn cael eu dyrannu'n wybodus, yn seiliedig ar y blaenoriaethau.

Er bu cynnydd yn Setliad y Swyddfa Gartref o'r tybiaethau a wnaed yn y Cynllun Ariannol Tymor Canolig (MTEP), roedd y cynigion yn yr adroddiad i gynyddu'r praesept o 4.89% (a fyddai'n cynyddu Treth y Cyngor o 4.5%) yn aros yr un fath. Roedd hyn oherwydd y gofyniad i ariannu Camau 1 a 2 o'r cynnydd mewn Swyddogion a'r isadeiledd cysylltiedig, a'r ansicrwydd ynghylch cyllid o 2021/2022 ymlaen. Yn ogystal, roedd dyraniad y Grant Cyfalaf wedi'i leihau o £0.339 miliwn, a oedd yn cael ei ddefnyddio i ariannu'r rhaglen amnewid cerbydau; er mwyn cynnal y lefel hon o fuddsoddiad, byddai angen cynyddu'r cyfraniad refeniw blynyddol o 2020/21, roedd y lleihad hwn yn adlewyrchu'r bwriad y gellid defnyddio'r cynnydd mewn grant craidd yn hyblyg, yn cynnwys ariannu cyfalaf.

Cafodd y Panel hefyd gyflwyniad gan Brif Swyddog Cyllid Swyddfa'r Comisiynydd Heddlu a Throsedd, a dynnodd sylw at y canlynol:

- Diweddariad ar Gyllideb 2019/2020:
  - Llythyr Archwiliad Blynyddol Cadarnhaol gan Swyddfa Archwilio Cymru, gan roi sylw arbennig i'r Rhaglen Gwelliant Gweithredol.
  - Monitro Refeniw - tanwariant a ragwelir o £0.115 miliwn.
  - Monitro Cyfalaf – gwariant hyd at 30 Tachwedd 2019 yn £4.156 miliwn.

- Diweddariad ar y buddsoddiad ychwanegol a gytunwyd yn 2019/2020 i ddarparu'r Rhaglen Gwelliant Gweithredol; ar gais y Panel Heddlu a Throsedd pan wnaethant gytuno ar y praesept yn 2019/2020:
  - Roedd y mwyafrif o'r mentrau buddsoddi wedi'u cwblhau, gan ddisgwyl y bydd y gweddill yn cael eu cwblhau erbyn diwedd Mawrth 2020.
- Cylch Cynllunio Cyllideb a Cynllunio Adnoddau Blaenoriaethol Caffael (PRP):
  - Dull strwythuredig lle mae Rheolwyr yn nodi'r lefelau gwasanaeth amrywiol a'r adnoddau sydd eu hangen i'w cyflawni.
  - Roedd y Broses PRP yn caniatáu adnoddau yr amcangyfrifwyd eu bod ar gael, i gael eu cymhwyso i flaenoriaethau a llywio'r dyraniad o 62 Swyddog Ymgyrch Uplift ychwanegol.
  - Cadarnhaodd y Dirprwy Brif Gwnstabl ei bod yn broses gadarn, gyda dull trionglog, gan ddefnyddio'r ymatebion o'r arolwg a Datganiad Rheoli'r Heddlu. Fe nododd y PRP feysydd dadfuddsoddi hefyd.
- Cyfanswm arbedion a chyfanswm twf:
  - Yn seiliedig ar y tybiaethau a'r arbedion a nodwyd, byddai ailfuddsoddiad am gyfanswm o £2.358 miliwn yn cael ei wneud yn 2020/21.
- Ymatebion yr Arolwg:
  - Cafwyd cyfanswm o 489 ymateb o'r ymgynghoriad cyhoeddus, lle cefnogodd  $\frac{3}{4}$  o ymatebwyr gynnydd yn Nhreth y Cyngor o 4.5% neu fwy.
- Ymgyrch Uplift a'r bwriad i leoli 62 Swyddog:
  - Cyhoeddodd Rownd Wario 2019 gynnydd o 20,000 o Swyddogion yng Nghymru a Lloegr.
  - Wedi hynny, cafodd Heddlu Gogledd Cymru wybod y byddai'n cael dyraniad o 62 Swyddog yn y cam cyntaf.
- Dyraniadau Cyllid:
- Newidiadau yn y cyllid rhwng 2019/2020 a 2020/2021
  - Er bod amrywiannau yn y ffrydiau ariannu, o ran telerau arian parod, roedd y setliad yr un fath â 2019/20.
- Dyraniadau Canolog (brigdorri).
- Risgiau:
  - Ansicrwydd ynghylch cyllid Cam 2 Ymgyrch Uplift.
  - Cyhoeddi'r setliad yn hwyr.
  - Chwyddiant a chyfrifoldebau newydd.
  - Ansicrwydd economaidd ehangach.
  - Adolygiad o wariant 2020.
  - Adolygiad o Fformiwla Ariannu 2021/22.
  - Cyflawni arbedion yn y blynyddoedd i ddod.

Wrth graffu ar y praesept arfaethedig a'r adendwm, cododd y Panel nifer o gwestiynau a phryderon, yn cynnwys y canlynol:

- Teimlai'r Panel Heddlu a Throsedd y dylai'r cynnydd cyflog y cytunwyd arno'n genedlaethol (yn cynnwys cyfraniadau pensiwn), gael ei ariannu gan Lywodraeth y DU ac nid gan drethiant lleol.
- Effaith Ymgyrch Uplift a'r ansicrwydd o amgylch cyllid Cam 2.
  - Rhoddodd y Prif Swyddog Cyllid wybod i'r Panel bod y Comisiynydd wedi ysgrifennu at y Swyddfa Gartref i holi a fyddai cyllid cynnydd heb ei ddefnyddio ar gael i'w ail-ddosbarthu; nid oedd unrhyw ymateb wedi dod i law eto.
  - Cadarnhaodd y Dirprwy Brif Gwnstabl fod recriwtio'r 62 Swyddog wedi'i gynllunio dros 12 mis, gydag 18 eisoes wedi'u recriwtio, gan ddisgwyl 44 arall i gael eu recriwtio ym Mehefin/Gorffennaf 2020; roedd y cam recriwtio hwn uwchlaw'r broses recriwtio flynyddol arferol.
  - Ymgynghorir ar Strategaeth Ystadau ddiwygiedig, unwaith roedd yr Heddlu mewn sefyllfa i nodi effaith Ymgyrch Uplift; rhagwelwyd y byddai hyn yn digwydd yn Chwefror 2020.
- Y swm a gedwir wrth gefn, a oedd yn agosáu at y pen isaf o'r amrediad derbyniol ac effaith bosibl hyn ar y Rhaglen Gyfalaf a'r Strategaeth Ystadau wrth symud ymlaen.
  - Cadarnhaodd y Prif Swyddog Cyllid nad oedd unrhyw bolisi penodol am y swm i'w gadw wrth gefn; y rheol gyffredinol oedd rhwng 3% a 5%.
  - Cafodd y Panel wybod bod y cronfeydd wrth gefn yn cael eu defnyddio'n unol â'r canllawiau a gyhoeddwyd gan y Gweinidog Plismona, ac yn cynnwys cronfeydd wrth gefn ar gyfer buddsoddi cyfalaf, prif fuddsoddiad a rheoli newid. Nododd y Cynllun Ariannol Tymor Canol y cronfeydd wrth gefn mewn mwy o fanylder.
  - Mewn perthynas â chronfeydd wrth gefn PFI, rhoddodd y Pennaeth Cyllid (Heddlu Gogledd Cymru) wybod bod yr Heddlu wedi llwyddo i drafod costau refeniw gostyngol, a bod y contract hwn yn cael ei adolygu'n rheolaidd.
  - Er bod y cronfeydd wrth gefn wedi lleihau dros y blynyddoedd, roedd hyn oherwydd cynlluniau cyfalaf wedi'u cynllunio (Gorsafodd Heddlu Llai a Llandudno). Byddai unrhyw wariant sydd heb ei gynllunio yn golygu y bydd angen ailgyflenwi'r cronfeydd wrth gefn er mwyn lliniaru risgiau yn y dyfodol.
- Gorwario yng nghyllideb yr OPCC.
  - Cadarnhaodd y Prif Weithredwr bod hwn yn orwariant wedi'i reoli, ac oherwydd buddsoddiad yn Rhaglen Ddatgloir Arweinydd.

Fe wnaeth y Panel gydnabod bod y Comisiynydd wedi ystyried pob opsiwn o fewn yr adnoddau a oedd ar gael a'r gwaith helaeth a wnaed gan y broses PRP, a fyddai'n galluogi dyraniad gwybodus o'r 62 Swyddog Ymgyrch Uplift yn seiliedig ar y blaenoriaethau. Fe wnaeth y Panel hefyd gydnabod bod cost lawn y Swyddogion ychwanegol, yn cynnwys cefnogaeth ac isadeiledd, hefyd yn anhysbys ac felly, gan ystyried y ffactorau hyn, teimlai'r Panel y gallent gefnogi'r cynnydd arfaethedig, er mwyn darparu cyllideb ddigonol i alluogi darpariaeth weithredol o'r gwasanaeth plismona yng Ngogledd Cymru ar gyfer 2020/2021.

**ARGYMHELLION:**

(a) **Bod y praesept yn cael ei gynyddu i £84,990,106 ar gyfer 2020/2021.**

- **Bydd hyn yn cynyddu Treth y Cyngor o 4.50% - mae hyn yn gyfystyr â £290.61 y flwyddyn, cynnydd o £12.51 y flwyddyn, neu 24c yr wythnos ar gyfer eiddo band D.**
- **Mae hyn yn gynydd mewn praesept o 4.89% o 2019/2020.**
- **Nodi bod £2.358 miliwn o arbedion wedi eu nodi ar gyfer 2020/2021.**

- **Bydd grantiau plismona'n aros ar y lefelau presennol yn 2021/21 a thu hwnt.**
- **Bydd dyfarniadau cyflog blynyddol yn 2.5% o fis Medi bob blwyddyn.**

Rhoddodd y Swyddog Arweiniol ac Ymgynghorydd Cyfreithiol adroddiad monitro cyllideb chwe mis i Banel Heddlu a Throsedd Gogledd Cymru ar dreuliau'r Panel am y cyfnod 1 Ebrill 2019 hyd at 30 Medi 2019.

Fel rhan o'r gofynion ar gyfer gwybodaeth fonitro canol blwyddyn 2019/20, roedd gofyn i'r Panel adrodd ar gynnydd yn erbyn ffactorau llwyddiant hanfodol o ran cyflawni amcanion a thargedau, ac amlygu sut y cyflawnir gwerth am arian (e.e. buddion, arbedion, arbedion effeithlonrwydd ac ati).

Roedd y cynnydd yn erbyn y ffactorau llwyddiant hanfodol i adrodd arnynt fel a ganlyn:

- Ymgysylltiad aelodau o'r cyhoedd a Chomisiynydd Heddlu a Throsedd Gogledd Cymru â gwaith y Panel.
  - Roedd y Panel hefyd wedi datblygu protocol ar gyfer Cwestiynau i'r Comisiynydd, ac yn derbyn cwestiynau gan aelodau o'r cyhoedd neu aelodau o'r Panel, yr oedd modd eu cyflwyno i'r Comisiynydd mewn cyfarfodydd cyhoeddus.

- O ran arbedion effeithlonrwydd, gwerthusodd y Panel yr angen i fynyachu digwyddiadau hysbysu'r Comisiynydd; lle bynnag bosib,

cynhaliwyd cyfarfodydd trwy Skype neu gynadleddau teledu. Yn ogystal, roedd y Panel wedi cytuno canslo cyfarfod Mawrth, oni bai bod angen cynnal y cyfarfod ar gyfer busnes statudol.

Diolchodd y Cefnogwr Cyllid i'r Swyddog Arweiniol a'r Ymgynghorydd Cyfreithiol a'r Swyddog Craffu a Gwasanaethau Pwyllgor am eu gwaith i wasanaethu'r Panel, a gobeithio, i gadw cyllideb y Panel o fewn dyraniadau grant, heb yr angen i'r Awdurdod Cynnal amsugno unrhyw orwariant o amser Swyddogion.

### **Y wybodaeth ddiweddaraf ar gyfer y Panel Heddlu a Throsedd Arfon Jones, Comisiynydd Heddlu a Throsedd, Gogledd Cymru**

Dyma f'adroddiad i'r Panel ar gyfer y cyfnod 1 Mehefin 2020 hyd 1 Medi 2020.

Yn ôl yr arfer mae f'adroddiad yn rhoi sylw i berfformiad yn erbyn Cynllun Heddlu a Throsedd 2017-2021, ond bydd aelodau'r Panel yn gwerthfawrogi fod yr adroddiad wedi gorfod esblygu i adlewyrchu'r sefyllfa ddigysail yr ydym wedi bod ynddi dros y 5 mis diwethaf, felly mae'r fformat ychydig yn wahanol i'r hyn y byddwch wedi arfer ag o.

Pwrpas yr Adroddiad hwn yw rhoi trosolwg i'r aelodau o'r penderfyniadau yr wyf wedi eu gwneud a gweithgaredd a chamau craffu eraill yr wyf wedi ymgymryd â hwy yn ystod cyfnod yr adroddiad.

Rwy'n gobeithio y bydd yr adroddiad y tawelu meddwl y Panel fy mod i a'm tîm wedi parhau i gyflawni ein swyddogaethau statudol yn effeithiol a'n bod wedi parhau i ddal y Prif Gwnstabl yn atebol yn ystod y cyfnod anodd hwn.

Bydd aelodau'r panel yn ymwybodol fy mod, ar gyfer 2017-2021, wedi penderfynu blaenoriaethu'r meysydd hynny a nodwyd fel y prif feysydd o fygythiad, risg a niwed, sef:

- Cam-drin domestig
- Caethwasiaeth Modern
- Cam-drin Rhywiol (gan gynnwys Cam-fanteisio'n Rhywiol ar Blant)
- Troseddau Cyfundrefnol

Yn ychwanegol at y blaenoriaethau hyn, mae gwasanaeth heddlu gweladwy a hygyrch yn dal yn bwysig i'r cyhoedd. Mae'r Cynllun yn adlewyrchu'r hyn mae'r cyhoedd a'r Panel Heddlu a Throsedd wedi'i ddweud wrthyf ac mae sicrhau cymdogaethau diogel yn parhau i fod yn flaenoriaeth i mi.

Bydd aelodau'r panel yn cofio i mi adolygu fy Nghynllun ym mis Mawrth 2019 ac i mi gadw'r blaenoriaethau uchod ynddo, ond fy mod i hefyd wedi ychwanegu blaenoriaeth drosfwaol o leihau cam-fanteisio'n droseddol ar bobl ddiamddiffyn.

Rwy'n craffu ar Heddlu Gogledd Cymru drwy fesur ei berfformiad yn erbyn y pum blaenoriaeth yma, a byddwch yn gwybod fy mod yn parhau i gyflawni'r swyddogaeth graffu hon drwy'r Bwrdd

Gweithredol Strategol yr wyf yn ei Gadeirio ac y mae'r Prif Gwnstabl a'i uwch swyddogion yn aelodau ohono.

Mae'r Bwrdd Gweithredol Strategol wedi parhau i gyfarfod drwy gydol y pandemig, er yn rhithwir, a bydd cyfarfod nesaf yn cael ei gynnal ar 14 Hydref.

Tra byddaf yn monitro perfformiad yn erbyn y pum blaenoriaeth uchod yng nghyfarfodydd fy Mwrdd Gweithredol Strategol, wrth gwrs mae'n angenrheidiol hefyd bod agweddau eraill ar blismona'n parhau i gael eu cyflawni'n effeithiol ac yn effeithlon. Am y rheswm hwnnw felly caiff peth gwybodaeth berthnasol i blismona craidd hefyd ei chraffu arni yn y Bwrdd Gweithredol Strategol. Bydd aelodau'n gwerthfawrogi bod y rhan fwyaf o gyfarfodydd diweddar y Bwrdd Gweithredol wedi gorfod canolbwyntio ar ymateb Heddlu Gogledd Cymru i COVID-19 a'i gynlluniau adfer.

Yn ogystal â chraffu ar berfformiad yn erbyn y Cynllun Heddlu a Throsedd, er mwyn ymateb i'r argyfwng a chyflawni fy nyletswyddau statudol, dros y 3 mis diwethaf, fel CHTh rwyf wedi bod yn canolbwyntio ar:

1. Sicrhau bod gan y Prif Gwnstabl ddigon o adnoddau i ymateb i'r argyfwng;
2. Sicrhau, ar ran ein cymunedau, bod yr heddlu'n ymateb mewn ffyrdd sydd yn angenrheidiol, yn ddigonol, yn gymesur ac yn foesebol (dal yn atebol);
3. Hwyluso gwaith partneriaeth effeithiol ymysg asiantaethau a grwpiau sy'n gweithio ym maes diogelwch cymunedol a chyfiawnder troseddol;
4. Comisiynu gwasanaethau, yn enwedig ar gyfer dioddefwyr trosedd, a darparu grantiau i ddibenion plismona a lleihau niwed;
5. Sicrhau bod iechyd hirdymor Heddlu Gogledd Cymru yn cael ei ddiogelu drwy fonitro cynlluniau a gweithgaredd adfer y sefydliad y tu hwnt i'r argyfwng Covid-19.

Mae'r Panel eisoes wedi derbyn copi o fy Nghynllun Ymateb i COVID-19, felly nid wyf yn bwriadu mynd i fanylder yn yr adroddiad hwn ynghylch y strwythurau sy'n bodoli'n lleol ac yn genedlaethol i sicrhau y gall yr Heddlu a'i bartneriaid ymateb yn effeithiol i'r argyfwng.

Fel y dywedais yn f'adroddiad ym mis Mehefin 2020 i'r Panel, mae fy uwch dîm a minnau'n dal i dderbyn gwybodaeth frifffio reolaidd gan Brif Swyddogion yr Heddlu am y sefyllfa o ran COVID-19 ac am faterion plismona'n gyffredinol. Mae'r wybodaeth hon yn ymwneud â'r galw dyddiol ar yr Heddlu, lefelau echdynnu staff a materion eraill sy'n peri pryder. Mae'r briffio hwn hefyd yn gyfle i fewnbynnu materion o Swyddfa'r Comisiynydd y mae angen i'r heddlu eu hystyried e.e. gwybodaeth gan y cyhoedd, partneriaid, darparwyr gwasanaethau a gomisiynir gan y CHTh, monitro perfformiaf fel rhan o 'fusnes fel arfer'; materion yn ymwneud â gwydnwch staffio SCHTh a threfniadau parhad busnes ac ati.

Mae fy nhîm cyfan yn SCHTh yn dal i weithio gartref ac mae gan bob un yr offer a'r gefnogaeth angenrheidiol i weithio'n effeithiol. Mae pob aelod o'r tîm yn glir ynglŷn â sut y byddwn yn cydweithio o bell ac mae gan fy uwch dîm rheoli bolisi 'drws agored' rhithwir.

### **Effaith COVID-19 ar alw a pherfformiad**

#### ***Trin Galwadau a Chysylltiadau***

- Mae nifer y galwadau 999 yn ôl i'r un lefel â chyn y cyfnod clo, ar ôl gostyngiad o 20% ar ddechrau'r cyfnod clo.
- Roedd cyswllt heb fod yn frys 40% yn uwch ar ddechrau'r cyfnod clo. Roedd y cynnydd hwn yn bennaf o ganlyniad i we-sgyrsiau ac e-byst ond bu cynnydd hefyd mewn galwadau 999.
- Mae gwe-sgyrsiau a chyswllt e-bost yn awr yn ôl i'r lefel cyn y cyfnod clo.
- Mae galwadau 101 yn sefydlog o hyd, ar y lefel 'normal newydd'.

#### **Digwyddiadau:**

- Digwyddiadau a ddsberthir fel rhai "troseddol" a "chludiant" ostyngodd fwyaf yn ystod y cyfnod clo, ac er eu bod wedi dechrau codi eto i lefelau cyn y cyfnod clo, mae niferoedd yn is na'r cyfartaledd tymhorol o hyd.
- Cododd achosion o Ymddygiad Gwrthgymdeithasol o fis Ebrill ymlaen, er y byddai disgwyliad tymhorol i hynny ddigwydd.
- Ni welwyd unrhyw newidiadau arwyddocaol mewn digwyddiadau diogelwch/lles y cyhoedd yn ystod y cyfnod clo.

#### *Troseddau Cofnodedig:*

Roedd gostyngiad amlwg mewn galw cysylltiedig â'r troseddau canlynol yn ystod y cyfnod clo:

- Roedd trais gydag anaf 40% yn is na'r cyfartaleddau tymhorol drwy gydol y cyfnod clo. Fodd bynnag cododd ymosodiadau gydag anaf yn gyflym ac yn arwyddocaol am wythnos yng nghanol mis Gorffennaf (lefel uchel o droseddau domestig, a ddisgynnodd yn ôl i'r lefelau disgwyliedig yr wythnos wedyn).
- Gwelwyd gostyngiad arwyddocaol mewn trais heb anaf (heb gynnwys stelcian ac aflonyddu) ddiwedd mis Mawrth ond yn ystod mis Gorffennaf cododd yn ôl i lefelau cyn y cyfnod clo.
- Arhosodd lefelau byrgleriaeth yn isel iawn drwy gydol y cyfnod clo. Yn ystod yr wythnosau diwethaf mae byrgleriaethau o'r ddau fath i'w gweld yn dychwelyd i lefelau cyn y cyfnod clo. Roedd byrgleriaeth o adeiladau preswyl yn disgyn cyn y cyfnod clo a gwelwyd gostyngiad pellach wedi hynny, a gostyngodd byrgleriaethau o fusnesau/adeiladau cymunedol ar ddechrau'r cyfnod clo. Mae Heddlu Gogledd Cymru'n rhagweld y bydd troseddau meddiangar ar yn dechrau codi eto wrth i effeithiau'r dirwasgiad gynyddu.
- Gwelwyd gostyngiad mawr mewn lladradau/ysbeiliad sydd yn awr yn codi i'r lefelau blaenorol.
- Gwelwyd gostyngiad cyson mewn Troseddau Cerbyd a Difrod Troseddol/Arson ers dechrau'r cyfnod clo, ac mae nifer y troseddau hyn yn dal yn is na'r cyfartaledd tymhorol arferol.
- Mae troseddau Dwyn a Thrin Eitemau Wedi'i Dwyn wedi bod 28% yn is na'r cyfartaledd tymhorol ac nid ydynt eto wedi codi'n ôl i'r lefelau cyn y cyfnod clo.

Mewn gwrthgyferbyniad cododd y canlynol yn ystod y cyfnod clo:

- Troseddau heb fod yn seiliedig ar ddiodeffwr, sydd wedi bod 30% yn uwch na'r cyfartaledd tymhorol (yn digwydd yn sgil troseddau cyffuriau ac anhrefn gyhoeddus).
- Stelcian ac aflonyddu, sydd wedi bod yn codi ers i'r cyfyngiadau ddod i rym ac sydd yn awr 30% yn uwch na'r un cyfnod y llynedd. Mae'n werth nodi yma mai un rheswm dros y cynnydd sylweddol hwn yw newid mewn trefniadau cofnodi a ddaeth i rym yn Ebrill 2020 gan olygu fod ymddygiad cymhellol/rheoli bellach wedi cael ei symud i'w gategori ei hun o dan stelcian ac

aflonyddu yn hytrach na'i fod yn cael ei ddsbarthu fel ymosodiad heb anaf. Rwy'n deall fod y newid hwn yn y trefniadau cofnodi yn cyfrif am rai o'r troseddau stelcian/aflonyddu ychwanegol bob wythnos (a'r gostyngiad cyfatebol ers mis Ebrill mewn trais heb anaf). Serch hynny dim ond am beth o'r cynnydd y mae'r newid hwn yn cyfrif ac nid yw'n egluro'r wythnosau anarferol o uchel yn ystod Mehefin a Gorffennaf (mae gorgyffwrdd rhwng stelcian ac aflonyddu a throseddau domestig a allai egluro rhywfaint o'r cynnydd ar yr adeg hon).

Hefyd i'w nodi:

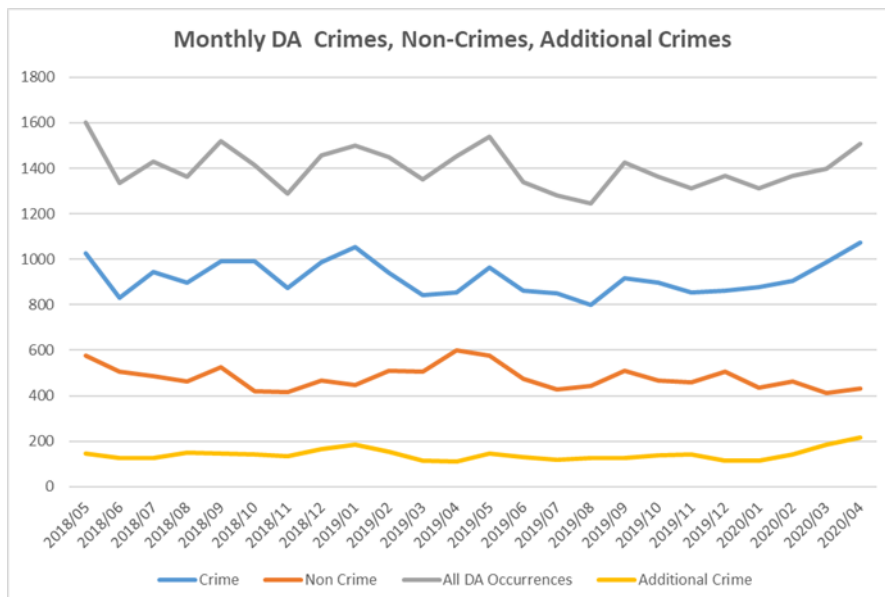

- Yn dilyn lefelau cymharol isel yn ystod y gaeaf, bu cynnydd cyson mewn troseddau casineb cofnodedig ers mis Rhagfyr ac mae wedi bod yn gymharol uchel ers mis Mai.
- Gwelwyd cynnydd mewn troseddau casineb ym mis Mehefin a sbigyn arwyddocaol yng nghanol mis Gorffennaf. Roedd hyn yn cyd-fynd â chodi cyfyngiadau'r cyfnod clo a chofnodwyd nifer uwch o droseddau ychwanegol yn cynnwys troseddau hanesyddol y gallai'r cyfnod clo fod wedi eu cuddio.

### Blaenoriaeth 1 - Cam-drin Domestig

Wrth graffu ar berfformiad yr heddlu ym maes Troseddau Casineb fe fydda' i a fy swyddogion yn canolbwyntio ar y cwestiynau canlynol:

- Ydyn ni'n deall lefelau riportio cam-drin domestig a chanlyniadau'r troseddau?
- Ydyn ni'n ymchwilio'n effeithiol i gam-drin domestig?
- A yw'r gwasanaeth a gynigir i ddiodefwrwr camdriniaeth ddomestig yn diwallu eu hanghenion?

Yn flynyddol, mae achosion o Gam-drin Domestig wedi gostwng dros y deuddeg mis diwethaf (hyd ddiwedd mis Gorffennaf 2020) o gymharu â'r flwyddyn flaenorol. Bu gostyngiad cyffredinol o 4.1% mewn digwyddiadau o gam-drin domestig a gostyngiad o 3.5% mewn troseddau cam-drin domestig.

Digwyddodd mwy o droseddau domestig na'r cyfartaledd ym mis Gorffennaf ac roedd yn anarferol o uchel am wythnos yng nghanol y mis. Mae'r Heddlu wedi comisiynu adolygiad ansoddol o Gam-drin Domestig i edrych ar y ffigyrau hyn a bydd y canlyniadau'n cael eu rhannu â mi maes o law.

Mae'r cynnydd misol diweddar mewn troseddau Cam-drin Domestig yn cyd-fynd â'r cyfnod ers cyflwyniad y cyfyngiadau COVID-19 a'r cyfnod clo. Yn ddiweddar hefyd cwblhawyd gwaith archwilio cysylltiedig â chofnodi troseddau Cam-drin Domestig. Ar hyn o bryd mae digwyddiadau Cam-drin Domestig dyddiol yn cael eu hap samplu i weld a ydynt yn cael eu cofnodi'r gywir.

Mae nifer y dioddefwyr cam-drin domestig dro ar ôl tro wedi bod yn gostwng yn raddol ers dechrau'r cyfnod clo. Yn wir, mae nifer y dioddefwyr cam-drin domestig dro ar ôl tro wedi bod yn gostwng ers dechrau'r flwyddyn er gwaethaf y cynnydd mewn achosion domestig cofnodedig ym mis Mehefin. Yn y 12 mis hyd Awst 2020 roedd 2,355 o ddioddefwyr cam-drin domestig dro ar ôl tro, o gymharu â 2,494 yn ystod yr un cyfnod y llynedd.

Mae nifer y troseddau sydd wedi cyflawni troseddau domestig dro ar ôl tro wedi bod yn cymharol sefydlog drwy gydol yr adeg.

Mae swyddogion o Uned Ddiogelu Pobl Fregus (PVPU) yr heddlu mewn cysylltiad dyddiol â'r Llinell Gymorth Cam-drin Domestig i drafod capasiti llochesi ar draws Gogledd Cymru ac argaeledd cymorth. Maent hefyd yn cynnal trafodaeth wythnosol gyda Gorwel a DASU i adolygu capasiti a gallu gwasanaethau cymorth ar draws Gogledd Cymru.

Mae ymdriniaeth ranbarthol wedi'i sefydlu ar gyfer Cam-drin Domestig a chaiff felly ei drafod yn fanwl yng nghyfarfodydd Bwrdd Diogelu Oedolion Gogledd Cymru.

Bydd Ditectif Arolygyddion o dair ardal blismona Gogledd Cymru'n cyfarfod â rheolwyr prawf yn aml i drafod y rhai sydd yn y perygl mwyaf o niwed, a'r rhai hynny sydd wedi cyflawni Camdriniaeth Ddomestig y maent yn ymweld â nhw fel rhan o'u dyletswyddau arferol. Caiff ymweliadau ar y cyd eu cynnal o hyd os bernir fod hyn yn ychwanegu gwerth at yr ymdrech i rwystro rhagor o droseddu.

Mae cyfraddau bodlonrwydd dioddefwyr camdriniaeth ddomestig yn cymharu'n ffafriol â rhai dioddefwyr mathau eraill o drosedd. Mae'r Data Arolwg Dioddefwyr Cam-drin Domestig canlynol yn dangos (o'r 474 o bobl a atebodd yr arolwg) bod:

- 89.8% yn fodlon â'r cyswllt cychwynnol
- 90.2% yn fodlon â chamau cychwynnol yr heddlu
- 92.3% yn fodlon â chyswllt y Swyddog Cam-drin Domestig.
- 66.9% yn fodlon â'r cyswllt dilynol
- 84.8% yn fodlon yn gyffredinol

Hefyd roedd...

- 93.2% yn fodlon bod swyddogion wedi gwrando'n ofalus ar yr hyn yr oedd ganddynt i'w ddweud.
- 95.9% yn fodlon bod swyddogion yn credu'r hyn y gwnaethant ei ddweud.
- 91.2% yn fodlon bod swyddogion yn deall y sefyllfa
- 95.6% yn fodlon bod swyddogion yn eu trin â pharch
- 89.7% yn teimlo'n dawlach eu meddwl
- 88.7% yn fodlon â'r modd y cawsant eu trin gan swyddogion
- 87.0% yn teimlo'n hyderus o ran galw'r heddlu eto
- 83.1% yn teimlo'n fwy diogel o ganlyniad i'r ymateb a gafwyd gan yr heddlu.

Cafodd yr arolygon dioddefwyr eu stopio ym mis Ebrill (oherwydd y cyfyngiadau COVID-19) a'u hail-ddechrau ym mis Awst.

### Caethwasiaeth Fodern:

Mae achosion o Gaethwasiaeth Fodern wedi gostwng flwyddyn ar flwyddyn ond mae niferoedd yr achosion NRM (Mecanwaith Atgyfeirio Cenedlaethol - National Referral Mechanism - fframwaith ar gyfer adnabod dioddefwyr masnachu pobl) wedi cynyddu. Rwy'n llwyr gydnabod nad yw troseddau Caethwasiaeth Fodern cofnodedig o reidrwydd yn adlewyrchu faint o bobl sy'n cael eu hadnabod fel dioddefwyr neu gyflawnwyr troseddau CF.

Yn ystod y 12 mis cyfredol dosbarthwyd 75 o droseddau yn rhai Caethwasiaeth Fodern, sydd yn 10.3% o gynnydd o gymharu â'r 12 mis blaenorol

#### Troseddau Caethwasiaeth Fodern a Gofnodwyd

Trefnu neu hwyluso teithio ar ran rhywun arall gyda'r bwriad o'u hecsbloetio	0	6	-100.0%
Dal unigolyn mewn caethwasiaeth neu gaethwasanaeth	65	48	35.4%
Mynnu bod unigolyn yn gwneud gwaith gorfodol	10	14	-28.6%
<b>Cyfanswm</b>	<b>75</b>	<b>68</b>	<b>10.3%</b>

Yn ystod y flwyddyn hyd yma cofnodwyd 35 achos o Gaethwasiaeth Fodern

Mae'r achosion a gofnodwyd wedi'u lledaenu ar draws ardal yr Heddlu, gyda chrynodiad ychydig yn uwch yng ngogledd Sir y Fflint. Mae'r rhai sy'n cyflawni neu yr amheuir eu bod yn gyfrifol am Gaethwasiaeth Fodern yn dueddol o fod yn ddynion o ethnigrwydd gwyn.

Mae'r defnydd o Orchmynion Caethwasiaeth a Masnachu yn dechrau cynyddu ac mae 3 gorchymyn o'r fath wedi'u gweithredu yn ystod y cyfnod 12 mis cyfredol.

Rwy'n parhau i fonitro'r darlun o ran caethwasiaeth fodern yn genedlaethol, yn rhanbarthol ac yn lleol.

Yn genedlaethol rwy'n cael diweddariadau ar waith y Swyddfa Gartref, yr Uned Trawsnewid Caethwasiaeth Fodern, y Comisiynydd Gwrth-Gaethwasiaeth Annibynnol a'r Cyfarfodydd Masnachu Pobl sy'n cael eu cynnal yn chwarterol.

Bydd Grŵp Caethwasiaeth Fodern Gogledd Cymru'n cael ei ailymgynnull yn dilyn yr adolygiad strategol rhanbarthol a gynhaliwyd gan Brif Weithredwyr y chwe awdurdod lleol. Yn dilyn yr adolygiad mae bwriad i gyfuno'r grŵp Caethwasiaeth Fodern Rhanbarthol â'r grŵp Trais yn Erbyn Merched, Camdriniaeth Ddomestig a Thrais Rhywiol (VAWDASV) rhanbarthol a bydd hwn yn cael ei adnabod fel y "Bwrdd Pobl Agored i Niwed ac Ecsbloetiaeth". Ar hyn o bryd mae gen i amheuan ynghylch yr adolygiad ac ymarferoldeb delio â chaethwasiaeth fodern a chamdriniaeth ddomestig gan un grŵp. Mae'r pynciau y bydd disgwyl i'r Bwrdd newydd hwn roi sylw iddynt yn eang ac yn wahanol iawn o ran natur a bydd yn her i ddim ond un grŵp ymdrin a hwy. Fodd bynnag fy Mhrif Weithredwr i, Stephen Hughes, fydd Cadeirydd y bwrdd newydd sy'n rhoi tawelwch meddwl i mi y bydd y ddau agenda'n cael eu hystyried a'u gweithredu ac y bydd unrhyw rwystrau neu anawsterau'n cael eu hadnabod ac yn cael sylw yn ôl yr angen.

Rwy'n parhau i weithio gyda'r Heddlu ar eu perfformiad i daclo caethwasiaeth fodern. Rwyf yn ddiweddar wedi cytuno i newid rhai o fesuryddion perfformiad Caethwasiaeth Fodern (fel y byddwch yn ei weld maes o law yn adroddiadau perfformiad y dyfodol). Mae arnom angen model perfformiad sy'n addas ar gyfer monitro sut y mae'r trosedd ym ymddangos ac yna'n cael ei ddelio ag o yng Ngogledd Cymru – gallai fod yn wahanol iawn i'r hyn sy'n digwydd mewn rhannau eraill o'r wlad. Nid cyfrif atgyfeiriadau NRM yw'r dull mwyaf manwl-gywir o weld a yw dioddefwyr yn cael y gwasanaeth sydd ei angen arnynt a'u bod yn cael eu diogelu rhag bod yn ddioddefwyr eto. I mi y dioddefwr ddylai fod wrth galon ein gwaith bob amser.

Mae ein gwaith yn y maes hwn yn esblygu'n gyson wrth i ni ddod i ddeall mwy am y trosedd hwn a'i effaith ar ddioddefwyr.

### **Troseddau Cyfundrefnol**

Pan fyddaf yn craffu ar berfformiad yn erbyn y flaenoriaeth hon byddaf yn gofyn:

- A ydym yn deall proffil troseddau cyfundrefnol yng Ngogledd Cymru?
- Sut ydym ni'n defnyddio ymyraethau targedig i rwystro pobl rhag cael eu tynnu i mewn i wahanol fathau o droseddau cyfundrefnol?
- Ydym ni'n tarfu ar y grwpiau troseddau cyfundrefnol sydd eisoes yn bodoli?
- Ydym ni'n dwyn troseddwr i gyfiawnder?

Mae Proffiliau Cymunedol yn awr wedi'u cwblhau gan yr adran ddadansoddol ac wedi'u cyflwyno i'r Bwrdd Cymunedau Diogelach. Mae'r pedwar Grŵp Partneriaeth Diogelwch Cymunedol wedi adnabod blaenoriaethau allweddol a fydd yn helpu i wneud cymunedau'n fwy gwydn o ran gwrthsefyll bygythiadau Troseddau Difrifol a Chyfundrefnol a byddant yn adrodd yn ôl ar gynnydd i Fwrdd Cymunedau Diogelach Gogledd Cymru.

Mae'r Asesiad o Anghenion Llinellau Sirol a'r Llwybrau i Droseddau Difrifol a Chyfundrefnol wedi'u cwblhau. Mae'r argymhellion wedi'u hadolygu a'u blaenoriaethu. Bydd Hugh Jones, Aelod Arweiniol dros Gymunedau, Partneriaethau, Diogelu'r Cyhoedd a Diogelwch Cymunedol yn cadeirio'r Grŵp Gorchwyl a Gorffen a fydd yn adrodd yn ôl i Fwrdd Cymunedau Diogelach Gogledd Cymru.

Bydd Grwpiau Tasg a Chydlyn Tactegol yr Heddlu a'r Ardal yn defnyddio Dogfen Trosolwg o Flaenoriaethau a Bygythiadau'r Heddlu i ddynodi'r risgiau pennaf ac i asesu'r risgiau ar draws Gogledd Cymru. Mae'r dull hwn yn caniatáu i adnoddau priodol gael eu clustnodi ac i geisiadau gael eu cyflwyno i'r Uned Troseddau Cyfundrefnol Rhanbarthol yn ôl yr angen.

Mae niferoedd Grwpiau Troseddau Cyfundrefnol a Gangiau Llinellau Sirol yn amrywio yn sgil gweithgaredd gweithredol ac adolygiadau o gudd-wybodaeth.

- Ar hyn o bryd mae 15 o Grwpiau Troseddau Cyfundrefnol gweithredol, sy'n cael eu mapio a'u rheoli gan Heddlu Gogledd Cymru. Mae'r grwpiau hyn yn gyfrifol am gyflenwi cyffuriau, ecsbloetiaeth droseddol, troseddau caffael a thwyll. Yn ogystal, caiff grwpiau Troseddau Cyfundrefnol wedi'u harchifo eu hadolygu bob 12 mis i weld a oes angen ymateb gweithredol. Cyflenwad cyffuriau cyfundrefnol yw'r prif fygythiad o hyd sy'n cwmpasu'r trais a ddefnyddir gan aelodau'r grwpiau hyn.
- Ar hyn o bryd mae 14 o grwpiau Llinellau Sirol sy'n dylanwadu ar Ogledd Cymru, a heroin a chocên crac yw'r sylweddau y maent yn ymwneud fwyaf â nhw. Mae hyn yn 6 grŵp yn llai nag yr adroddwyd yn eu cylch yn y diweddariad chwarterol diwethaf. Glannau Mersi yw'r ardal sy'n bennaf gysylltiedig â dosbarthiad y cyffuriau hyn. Credir mai'r ffactorau sydd wedi arwain at y gostyngiad yw ymgyrch sydd ar y gweill ar hyn o bryd, y cyfyngiadau teithio cysylltiedig â COVID-19 a'r tactegau tarfu lleol yng Ngogledd Cymru. Mae'r Tîm Tarfu newydd wedi bod yn rhagweithiol dros ben ac yn cyfrannu'n arwyddocaol tuag at darfu ar y defnydd troseddol o'r rhwydwaith ffyrdd.

#### *Llywodraethu:*

Mae cyfarfodydd craffu misol yn awr yn cael eu cadeirio gan y Pennaeth Trosedd i sicrhau fod rheolaeth troseddau cyfundrefnol yn dal i gael y sylw priodol.

Y Prif Arolygyddion Sirol yw perchnogion y cynlluniau i fynd i'r afael â grwpiau troseddau cyfundrefnol yn dilyn adolygiad diweddar a gweithrediad yr argymhellion. Mae'r cynlluniau hyn yn destun gweithdrefnau sicrhau ansawdd llym a chaiff arfer da ei rannu ar draws y sefydliad.

#### **Cam-drin Rhywiol**

- Ydyn ni'n deall y lefelau riportio a chanlyniadau'r troseddau?
- Ydyn ni'n diogelu'r dioddefwyr yn effeithiol?
- Ydyn ni'n targedu'r rhai sy'n gyfrifol yn effeithiol ac yn eu dwyn i gyfiawnder?

Mae'r mesuryddion ar gyfer yr amcan hwn yn dangos sefydlogrwydd dros y tymor byr a'r hirdymor.

*Siart Wythnosol Pob Trosedd Rhyw:*

Mae cyfradd y gostyngiad mewn Troseddau Rhyw yn uwch nag unrhyw drosedd arall. Yn Wythnos 18 mae Troseddau Rhyw wedi gostwng 20.2% o gymharu a gostyngiad o 15.4% ym mhob trosedd. Mae nifer y Troseddau Rhyw yn is na'r hyn a ragwelwyd.

Yn y cyfnod 12 mis cyfredol mae troseddau Paratoi Rhywiol yn cyfrif am 4.9% o'r holl Droseddau Rhyw, sydd ychydig yn uwch na'r cyfnod 12 mis blaenorol, pan oedd yn 4.3%. Mae'r mwyafrif helaeth o droseddau Paratoi Rhywiol yn cael eu dosbarthu fel 'Ymgymryd â chyfathrebiadau rhywiol gyda phlentyn', sydd wedi profi gostyngiad o 1.9% flwyddyn ar flwyddyn.

Heddlu Gogledd Cymru sy'n cofnodi'r nifer uchaf o Droseddau Rhyw fesul 1000 o'r boblogaeth o blith heddluoedd Cymru a Lloegr. Er hynny, mae HGC wedi'i raddio'r nawfed gorau o blith yr holl heddluoedd o ran y gostyngiad flwyddyn ar flwyddyn mewn troseddau rhyw. Mae'r data isod yn cyfeirio at y flwyddyn hyd Mai 2020.

*Troseddau Rhyw, newid flwyddyn ar flwyddyn – 12 mis hyd Mai 2020, yn ôl Heddlu*

‘‘Troseddau Rhyw Eraill cofnodedig’ yw’r cyfranwyr pennaf at y sefyllfa hon; o ran Trais, HGC yw’r 27ain o ran y cyfrif fesul 1000 o’r boblogaeth, a’r 6ed o ran gostyngiadau flwyddyn ar flwyddyn. ‘Troseddau Rhyw Eraill cofnodedig’ yw’r cyfranwyr pennaf at y sefyllfa hon; o ran Trais, HGC yw’r 42nd o ran y cyfrif fesul 1000 o’r boblogaeth, a’r 14eg o ran gostyngiadau flwyddyn ar flwyddyn. Mae fy swyddogion yn gweithio’n agos â staff Uned Diogelu Pobl Ddiamddiffyn yr Heddlu i geisio deall y rheswm pam y mae HGC yn cofnodi’r nifer uchaf o ‘droseddau rhyw eraill’ fesul 1000 o’r boblogaeth o gymharu â Heddluoedd eraill Cymru a Lloegr. Mae’r Heddlu wedi cynnal dadansoddiad ac ymchwil helaeth i geisio deall y lefelau uchel ac nid yw eto wedi nodi unrhyw feysydd o bryder a fyddai’n arwain at newid yn yr ymateb gweithredol.

*Ydyn ni’n targedu’r rhai sy’n gyfrifol yn effeithiol ac yn eu dwyn i gyfiawnder?*

Ar hyn o bryd (Mai 2020) mae HGC yn y degfed safle o blith Heddluoedd Cymru a Lloegr o ran canlyniadau cadarnhaol perthnasol i Droseddau Rhyw.

*Cyfradd Ganlyniadau 1-8 Pob Heddlu – Troseddau Rhyw*

Mae cyfradd ganlyniadau HGC ar hyn o bryd 1.4 pwynt canran yn uwch na chyfartaledd Cymru a Lloegr ac wedi bod felly'n gyson ers mis Rhagfyr 2018.

### Cam-fanteisio'n Rhywiol ar Blant

Bu gostyngiad bychan flwyddyn ar flwyddyn yn faint o adroddiadau gwybodaeth am CSE a dderbyniwyd. Ar gyfer y flwyddyn hyd yma (Ebrill – Gorffennaf 2020) derbyniwyd 398 adroddiad o gymharu â 411 y llynedd (gostyngiad o 5.4%). Mae nifer misol y cyflwyniadau wedi bod yn gyson dros yr ychydig fisoedd diwethaf.

*Gwybodaeth am CSE - Cyflwyniadau Misol*

Mae nifer y digwyddiadau CSE hefyd wedi disgyn, o 26 ar gyfer y flwyddyn ddiwethaf hyd yma (Ebrill-Gorffennaf) (gostyngiad o 23.1%)

Rydym yn dal i weithio gyda'n partneriaid i geisio sicrhau y sefydlir gwasanaeth cyfweld cyson ac effeithiol ar draws y rhanbarth cysylltiedig â Phobl ar Goll o Gartref.

#### **Cymdogaethau Diogelach:**

Pan fyddaf yn craffu ar berfformiad yn erbyn y flaenoriaeth hon byddaf yn gofyn:

- A yw'r staff yn defnyddio dulliau datrys problemau effeithiol er mwyn datrys problemau cymunedol?
- A yw problemau'r gymuned lleol yn cael eu datrys?
- A yw cymunedau lleol yn ymgysylltiedig mewn plismona?
- A yw cymunedau lleol yn fodlon â'u gwasanaethau plismona cymunedol lleol?

Er mwyn sicrhau cymunedau diogelach dros y ddwy flynedd ddiwethaf mae Heddlu Gogledd Cymru wedi mabwysiadu dull Datrys Problemau tuag at blismona cymunedau. Mae'r fath ymdriniaeth yn sicrhau fod rheolwyr yr heddlu yn canolbwyntio ar ddatrys problemau'n rhagweithiol, a thrwy hynny atal trosedd ac anhrefn rhag digwydd yn y lle cyntaf, yn hytrach na dim ond ymladd trosedd yn adweithiol.

Un dull a ddefnyddir gan dimau plismona lleol i adnabod a datrys pryderon cymunedol yw creu Cynlluniau Plismona Wedi'u Cyfeirio at Ddatrys Problemau (POP). Cynyddodd nifer y cynlluniau POP yn sylweddol yn ystod mis Gorffennaf oherwydd y nifer uchel a grëwyd yn y rhanbarthau Canolog a Dwyreiniol. Mae hanner y cynlluniau a grëwyd ers mis Mehefin yn gysylltiedig ag Ymddygiad Gwrthgymdeithasol ac anghydfodau cymdogaethol. Mae cyfran o'r cynlluniau POP hefyd yn ymwneud ag iechyd meddwl (10%).

*Nifer y cynlluniau POP sydd ar y gweill yn ôl mis*

*Nifer y cynlluniau POP a grëwyd ac a gawyd yn ôl mis.*

Ac eithrio Gorllewin Conwy (lle agorwyd 15 POP ym mis Mehefin, gan godi cyfanswm y cynlluniau sydd ar y gweill i 36) ac Ynys Môn (sydd wedi bod â niferoedd cyson uchel ar y gweill a dim un wedi'i gau dros y 12 mis diwethaf), mae nifer y cynlluniau POP wedi'u dosbarthu'n gymharol gyfartal ar draws yr ardaloedd eraill.

Mae bron 60% o'r cyhoedd yn teimlo fod yr heddlu'n delio â phryderon lleol ac mae 72.4% yn cytuno fod y cyhoedd yn deall materion/problemau cymunedol.

Mae'r data diweddaraf o Arolwg Trosedd Cymru a Lloegr yn dangos fod 59.5% o'r rhai hynny a ymatebodd yn cytuno fod yr heddlu yn eu hardal nhw yn delio â'r hyn sydd o bwys i bobl yn eu cymuned.

Yn y mesur hwn dros y 2 flynedd ddiwethaf gwelir tuedd araf o ddirywiad a gostyngiad flwyddyn ar flwyddyn o 4.0 pwynt canran.

Fodd bynnag oherwydd y gwelir tuedd o ddirywiad yn y cyfartaledd cenedlaethol hefyd, HGC sydd â'r canlyniad 5ed gorau'n genedlaethol o hyd, yn sylweddol uwch na'r cyfartaledd o 53.0%.

### **Ymyrraeth Gynnar**

Yn ychwanegol at ddargyfeirio troseddwy'r ffwrdd o'r System Cyfiawnder Troseddol drwy Checkpoint, dros y blynyddoedd diwethaf mae fy nghydweithwyr a minnau wedi bod yn awyddus i ehangu'r cymorth sydd ar gael i ddiodefwrwr a throseddwy'r er mwyn lleihau'r perygl o ragor o droseddu ac erledigaeth.

Un o'r dulliau y mae Heddlu Gogledd Cymru'n ei ddefnyddio i geisio lleihau galw'r dyfodol yw defnyddio ymdriniaeth sy'n seiliedig ar ymyrraeth gynnar a dealltwriaeth o drawma. Byddaf yn craffu'n rheolaidd ar ba mor effeithiol y mae'r Heddlu'n defnyddio ymdriniaeth seiliedig ar ymyrraeth gynnar a dealltwriaeth o drawma.

Ers 1 Ebrill 2020 mae swyddogion wedi adnabod 746 o anghenion Cymorth Cynnar, gyda bron i draean o'r rhain yng Ngorllewin Conwy a Sir Ddinbych Arfordirol.

At ei gilydd mae bron i hanner (46.6%) y rhai a ddynodwyd ag anghenion Cymorth Cynnar yn unigolion sydd wedi cael cysylltiad blaenorol ag Iechyd/Gofal Cymdeithasol, a chytunodd ychydig dros hanner (54.7%) i rannu gwybodaeth a'r gwasanaethau cymorth.

Ers Ebrill 2020 rhoddwyd cyngor i 46.4% o'r unigolion a ddynodwyd a'u cyfeirio at y gwasanaethau priodol, a chwblhawyd e-bost atgyferio am Gymorth Cynnar ar gyfer 19.8%.

## Rhan 2: Diweddariad Cyffredinol

Fel arfer yn yr adran hon rwy'n rhoi crynodeb byr i'r Panel o'r prif bethau yr wyf wedi bod yn eu gwneud ers cyfarfod diwethaf y Panel. Fodd bynnag bydd aelodau'r Panel yn gwerthfawrogi na fu bron ddim cyfarfodydd wyneb yn wyneb nac ymweliadau cymunedol. Serch hynny dylai'r aelodau fod yn dawel eu meddwl fy mod wedi parhau i ymgysylltu ag amrywiol unigolion/sefydliadau/cymunedau/gwleidyddion a chomisiynwyr drwy gydol y cyfnod clo ac mae fy nyddiadur mor llawn ag erioed.

Fel tîm rydym wedi gorfod bod yn arloesol er mwyn galluogi'r gymuned i ymgysylltu mewn plismona.

## **Comisiynu**

Mae'r paragraff isod yn nodi pa weithgareddau comisiynu sydd wedi digwydd gyda'm Cronfeydd yn ystod y pandemig, yn rhoi trosolwg o sut y mae gwasanaethau a gomisiynir ar draws Gogledd Cymru wedi'u haddasu yn ystod y cyfnod hwn a sut yr ydym wedi ceisio cefnogi'r gwasanaethau hyn.

Bydd Aelodau'r Panel yn ymwybodol fy mod yn gyfrifol am reoli darpariaeth a pherfformiad y Gronfa Trosedd ac Anhrefn, cyllid gan y Weinyddiaeth Gyfiawnder, y Gronfa Cefnogi Dioddefwyr Trais

Rhywiol ac yn fwy diweddar cyllid COVID-19 brys. Mae hyn yn ychwanegol at fod yn awdurdod ardstyio cyllid VAWDASV Rhanbarthol a ddarperir drwy Lywodraeth Cymru.

Mae dyraniadau ariannol 2020-21 wedi'u manylu isod:

<b>Ffynhonnell y Cyllid</b>	<b>Dyraniad</b>	<b>Yn ychwanegol</b>
<b>Cronfa trosedd ac Anhrefn SCHTh</b>	<b>£1,557.938.00</b>	
<b>Cronfa Ddiodefwyr y Weinyddiaeth Gyfiawnder</b>	<b>£816,354.00</b>	
<b>Cronfa Argyfwng COV-19 y Weinyddiaeth Gyfiawnder</b>		<b>£238,000.00</b>
<b>Cyllid cefnogi diodefwyr trais rhywiol</b>		<b>£33,296.00</b>
<b>VAWDASV</b>	<b>£419,200.00</b>	<b>£46,489.28</b>
<b>Cefnogi Pobl</b>	<b>£60,000.00</b>	
<b>Cyfalaf VAWDASC – Covid-19</b>		<b>£308,000.00</b>
<b>Arian ychwanegol VAWDASV</b>		<b>£295,000.00* yn disgwyl am gymeradwyaeth</b>
<b>STRYDOEDD SAFFACH – Wrecsam/Rhyl</b>		<b>£1,067.000.00</b>
<b>HMPPS</b>	<b>£478,140.00</b>	
<b>CYFANSWM</b>	<b>£1,773,694.00</b>	<b>£1,987,785.28</b>

Mae'r holl wasanaethau ar gyfer 2020 wedi'u comisiynu'n llawn ac yn cael eu darparu'n brydlon gan gadw at y gyllideb a'r proffil. Fodd bynnag mae'n bwysig amlygu y bu cynnydd sylweddol yn y gyllideb gomisiynu gan Lywodraeth Ganolog y DU a Llywodraeth Cymru er mwyn darparu cefnogaeth ychwanegol ar gyfer gwasanaethau ar draws y rhanbarth. Mae'r tîm comisiynu wedi bod yn cydweithio â phartneriaid ar draws Gogledd Cymru er mwyn sicrhau y caiff pob gwasanaeth ei gefnogi'n llawn yn ystod y cyfnod hwn ac maent wedi gorfod gweithio o fewn terfynau amser tynn dros ben. Mae hyn wedi arwain at gynnydd mewn adrodd i'r ddwy lywodraeth ar ran y tîm er mwyn sicrhau bod cynlluniau parhad busnes gan wasanaethau sy'n cynnwys y risgiau allweddol yn cael eu hadrodd ar sail wythnosol/misol.

Mae'r contract Ymgynghorydd Trais Domestig Annibynnol (IDVA) a ddyfarnwyd i Gorwel a DASU wedi bod yn perfformio'n dda a chynhaliwyd cyfarfodydd i drafod perfformiad gyda'r ddau wasanaeth. Mae'r contractau yn rhai 2 – 5 mlynedd sy'n golygu bod modd i'r ddau sefydliad gynllunio'n effeithiol a bod ganddynt sefydlogrwydd o safbwynt staffio'r dyfodol.

Mae dau o'n gwasanaethau a gomisiynwyd wedi ennill gwobrau cenedlaethol, sef y SARC (Canolfan Atgyfeirio Dioddefwyr Ymosodiadau Rhywiol) am eu prosiect Ffilm a Phodlediad Rhannu Straeon, a DASU sydd wedi ennill gwobr Gwasanaeth Gorau gan Fusnes Micro a Bychan (Sefydliad Trydydd Sector) yn y gwobrau GO cenedlaethol. Rwy'n hynod o falch o'r ddau sefydliad am eu llwyddiannau.

Byddaf yn cynnal digwyddiad trydydd sector rhithwir ar 19 Tachwedd. Mae nodyn 'neilltuwch y dyddiad' wedi'i ddsbarthu i sefydliadau trydydd sector ar gyfer y digwyddiad rhithwir a bydd rhagor o wybodaeth yn cael ei hanfon ym mis Medi.

Yn ystod y cyfnod adrodd hwn mae pob prosiect wedi bod yn gweithredu o fewn ei gyllideb. Fodd bynnag mae'n bwysig nod y bydd mwy o bwyslais yn cael ei roi ar berfformiad a monitro perfformiad tan fis Rhagfyr oherwydd yr amserlenni tynn a bennwyd o ganlyniad i gyllid ychwanegol COVID-19.

Bydd craffu cyson, rheoli perfformiad a sicrhau y caiff cofrestru risg eu monitro yn sicrhau ein bod yn gwbl barod i gefnogi ein cymunedau yn ystod y pandemig hwn. Cefais sicrwydd fod y tîm comisiynu wedi cadw mewn cyswllt rheolaiddâa phob gwasanaeth er mwyn gofalu eu bod yn cael eu cefnogi'n llawn yn ystod y cyfnod anodd hwn.

#### **HMICFRS:**

#### **Adroddiad 'State of Policing 2019'**

Mae tair rhan i'r adroddiad, y cyntaf yw'r trosolwg, mae'r ail yn canolbwyntio ar yr arolygon a'r trydydd ar yr adroddiadau. Mae'r wybodaeth a roddir yn ail a thrydydd rhan yr adroddiad yn ymwneud â meysydd sy'n hysbys i bob un o'r heddluoedd yn dilyn eu harolwg yn 2019. Nid yw Heddlu Gogledd Cymru'n cael sylw yng nghorff yr adroddiad ac yn cael ei grybwyll dim ond fel rhan o'r tabl canlyniadau yn rhan 2 o'r adroddiad.

Mae rhan gyntaf yr adroddiad fodd bynnag yn dilyn yn thema gyffredinol o'r angen i ddiwygio plismona.

Mae'r meysydd sy'n cael sylw o fewn y thema hon yn cynnwys:

- Gwneud defnydd da o 20,000 o swyddogion yn ychwanegol;
- Noddi'r gwasanaeth;
- Dethol a datblygu prif swyddogion;
- Cydweithio ac integreiddio rhwng heddluoedd a gwasanaethau cyhoeddus eraill; a
- Dylunio a defnyddio ymdriniaethau seiliedig ar dystiolaeth a chynaliadwy i ddatrys problemau plismona.

#### **Plismona'r ffyrdd: Ddim yn ddewisol**

Edrychodd Tîm Archwilio Plimona'r Ffyrdd Cenedlaethol HMICFRS ar ba mor effeithiol y mae'r rhwydwaith ffyrdd yng Nghymru a Lloegr yn cael ei phlisma. Rhoddodd yr adroddiad sylw i bedwar maes:

1. A yw strategaethau plisma'r ffyrdd cenedlaethol a lleol yn effeithiol?
2. A yw gallu a chapsiti'n cyd-fynd â'r galw?
3. A yw'r heddlu'n ymgysylltu'n effeithiol â'r cyhoedd a phartneriaid?
4. Pa mor dda mae swyddogion wedi'u hyfforddi i fynd i'r afael â materion plisma'r ffyrdd?

Roedd yr adroddiad yn gwneud wyth argymhelliad i Brif Gwnstabiliaid roi sylw iddynt. Bydd f'ymateb i i'r adroddiad a'i argymhellion yn cael ei rannu gyda'r panel yn y cyfarfod nesaf.

### **Ymgynghori**

Cyhoeddodd Llywodraeth Cymru y llynedd eu bod yn bwriadu gwneud newidiadau i'r ddeddfwriaeth ffyrdd bresennol yng Nghymru gyda'r disgwyliad y bydd heddluoedd yn gorfodi'r newidiadau hyn. Byddai hyn yn golygu galw a chostau ychwanegol i heddluoedd sydd eisoes yn gweithredu i'w llawn gapasiti. Y newidiadau arfaethedig yw:

1. Gwneud pob ardal 30mya yn 20 mya
2. Gostwng cyflymder mewn ardaloedd lle mae allyriadau uchel i 50mya
3. Dileu dosbarthiad parcio ar lwybrau troed fel trosedd – byddai hynny'n rhoi grym i Awdurdodau Lleol gymryd camau gweithredu yn erbyn gyrwyr sy'n parcio'u cerbydau ar balmentydd.

O ganlyniad i'r cynnig hwn ymgynghorydd y Comisiynydd Heddlu a Throsedd â phobl Gogledd Cymru er mwyn cael eu barn ar gynnig Llywodraeth Cymru. Roedd yr ymgynghoriad ar ffurf arolwg ar-lein a oedd hefyd ar gael ar ffurf papur ar gais. Roedd yr arolwg ar agor rhwng 15 Gorffennaf ac 14 Awst 2020 a chafwyd cyfanswm o 1371 o ymatebion, 24 yn Gymraeg a 1347 yn Saesneg.

Bydd yr adroddiad llawn yn cael ei rannu gyda'r panel yn y cyfarfod nesaf.

### **Cyffuriau**

#### **Cynhadledd Lleisiau Coll Bywydau Coll**

Mae fy nghynhadledd 'Lleisiau Coll Bywydau Coll' wedi'i threfnu ar gyfer 2 Tachwedd 2020. Nod y gynhadledd yw codi ymwybyddiaeth o, ac ennill cefnogaeth ar gyfer rhaglen beilot 'Triniaeth â Chymorth Heroin' yng Ngogledd Cymru.

Bydd y siaradwyr yn y gynhadledd yn rhoi trosolwg eang o fanteision y fath driniaeth, profiadau personol a manylion am y wyddoniaeth y tu ôl i'r rhaglen. Mae'r prif siaradwyr yn cynnwys:

- Yr Athro Sir John Strang – Cyfarwyddwr y Ganolfan Ddibyniaeth ar Gyffuriau Genedlaethol a Phennaeth yr Adran Ddibyniaeth yn King's College, Llundain.
- Daniel Ahmed – Partner Clinigol, Foundations – canolfan Meddygon Teulu arbenigol sy'n rhoi cymorth i ddefnyddwyr cyffuriau.
- George Charlton – sefydlydd George Charlton Training and Consultancy, sy'n arbenigo mewn rhaglenni atal niwed cyffuriau ac alcohol arloesol a dynamig.

Byddaf hefyd yn lansio fy Mholisi Cyffuriau ar gyfer Gogledd Cymru yn y digwyddiad a fydd yn amlinellu fy nghynlluniau presennol ac ar gyfer y dyfodol cysylltiedig â diwygio a chefnogi.

Oherwydd yr ansicrwydd parhaus cysylltiedig â Covid-19, penderfynwyd y bydd y gynhadledd yn awr yn digwydd ar-lein er mwyn sicrhau diogelwch y siaradwyr a'r cyfranogwyr.

Bydd gwahoddiad yn cael ei anfon at y Panel unwaith y bydd y manylion wedi'u cadarnhau.

### **Cronfa Strydoedd Diogelach**

Mae'r Gronfa Strydoedd Diogelach yn gronfa gwerth £25m sydd ar gael i CHTH yng Nghymru a Lloegr yn 2020/21. Gofynnwyd i CHTH weithio gyda phartneriaid i ddylunio a darparu cynlluniau atal trosedd lleol, gyda'r bwriad o leihau troseddau meddiangar drwy atal trosedd sefyllfaol. Amcanion y Gronfa yw:

- Lleihau troseddau meddiangar mewn ardaloedd sy'n derbyn y cyllid – gwneud trigolion yn fwy diogel a lleihau'r galw ar yr heddlu er mwyn canolbwyntio ar droseddau mwy cymhleth.
- Casglu tystiolaeth am effaith buddsoddiad targedig mewn ataliaeth sefyllfaol mewn ardaloedd lle mae lefelau uchel o droseddu er mwyn cryfhau'r achos dros fuddsoddiad yn y dyfodol ar lefel leol a chenedlaethol.
- Cynyddu'r gallu'n lleol i ymgymryd â datrys problemau ar sail data a chael gafael ar dystiolaeth a dysgu'n ymarferol am sut orau i weithredi ymyraethau sefyllfaol i atal trosedd.

Cafodd CHTH gyfle i gyflwyno hyd at dri chais wedi'u blaenoriaethu, pob un ar gyfer ardal leol ddiffiniedig yn eu hardal ddaeryddol sy'n cael ei heffeithio'n barhaus ac yn anghymesur gan droseddau meddiangar, gyda grant o hyd at £550k ar gael ar gyfer pob cais llwyddiannus.

Wrth ddewis ardal darged leol, roedd angen i CHTH sicrhau bod yr ardal yn diwallu'r meini prawf cymhwysedd ar gyfer y cyllid. Y meini prawf allweddol oedd (i) bod gan yr ardaloedd ddaeryddiaeth ddiffiniedig, (ii) bod main poblogaeth yr ardaloedd hyn yn addas, (iii) bod yr ardaloedd hyn wedi'u heffeithio'n barhaus ac yn anghymesur gan droseddau meddiangar a (iv) bod yr ardaloedd hyn yn rhai preswyl gan mwyaf.

Yn eu ceisiadau mae'n rhaid i CHTH hefyd brofi bod maint y boblogaeth yn galluogi targedu digonol i wneud effaith arwyddocaol ar droseddau meddiangar yn eu hardal ddethol, ar yr un pryd a bod o ddigon o faint i gyfiawnhau'r swm y gwneir cais amdano. I wireddu hyn gofynnir yn gyffredinol bod ardaloedd yn cynnwys rhwng 500 a 3,500 o aelwydydd (neu rhwng 1,000 a 9,000 o breswylwyr).

Rhoddodd dadansoddwyr Heddlu Gogledd Cymru sylw manwl i'r data ar gyfer pob ardal yng Ngogledd Cymru a dim ond dwy ardal benodol, Gorllewin y Rhyl a Pharc Cais yn Wrecsam oedd yn diwallu'r meini prawf. Hyd yn oed wedyn, roedd y mesurau atal trosedd oedd ar gael yn benodol dros ben ac roedd yn cymryd gwaith aruthrol ar ran y timau partneriaeth i'w trosi'n atebion cyraeddadwy ac ystyrlon ar gyfer cymunedau yn ogystal ag i ddiwallu meini prawf y Swyddfa Gartref.

Roedd Gogledd Cymru'n llwyddiannus mewn ennill cyllid ar gyfer y ceisiadau sylfaenol ac eilaidd a gyflwynwyd:

### **Cais Queensway - Dyfarnwyd £550,000**

- Cynyddu nifer/cwmpas CTCC er mwyn sicrhau diogelwch pob preswlydd.

Bydd yr arian yn cael ei ddefnyddio ar y canlynol :

- Bydd cronfa ar gyfer gwella'r amgylchedd yn y cymunedau a fydd yn cael ei gweinyddu gan y CHTh a Bwrdd Prosiect yn cael ei sefydlu. Gydag arian o'r gronfa bydd y strydoedd yn cael eu glanhau'n drylwyr, arwyddion newydd yn cael eu codi, waliau cymunedol yn cael eu paentio, graffiti'n cael ei lanhau, biniau newydd yn cael eu gosod a bydd manau cymunedol hefyd yn cael eu creu.
- Cynyddu nifer/cwmpas CTCC er mwyn sicrhau diogelwch pob preswlydd.

- Defnyddio technoleg ANPR ar y brif ffordd i mewn i Orllewin y Rhyl i dargeddu troseddwyd teithiol a grwpiau trosedd cyfundrefnol, sydd yn ffactorau allweddol perthnasol i droseddau meddiangar.
- Gwella gwyliadwriaeth naturiol ardaloedd drwy osod goleuadau newydd a rhoi goleuadau newydd mewn dwy ali nad ydynt erioed wedi bod â golau.
- Darparu a gosod 626 o becynnau atal byrgleriaeth ar gyfer y cartrefi hynny yn y parthau dynodedig sydd naill ai wedi dioddef trosedd neu sy'n agos iawn at eiddo sydd wedi dioddef trosedd (ffigwr wedi'i gyfrifo ar sail data'r 3 blynedd ddiwethaf).
- Hyfforddiant ar gyfer Pencampwyr Cymunedol er mwyn galluogi preswylwyr i gymryd camau drostynt eu hunain i atal trosedd.

Rydym wrth ein bodd â llwyddiant y ddau gais partneriaeth ac rwy'n ymrwymedig o hyd i ddarparu cymdogaethau diogelach ar gyfer pob un o gymunedau Gogledd Cymru

### **Comisiwn Ieuentid Gogledd Cymru**

Yn dilyn cwblhad a chyhoeddiad adroddiad y Comisiwn Ieuentid (gweler y dolenni isod), rwyf wedi dwyn yr adroddiad i sylw'r partneriaid statudol sy'n aelodau o'r Bwrdd Cymunedau Diogelach.

Cymraeg: <https://www.northwales-pcc.gov.uk/Document-Library/Working-in-Partnership/North-Wales-Youth-Commission-Final-Report-to-the-Police-and-Crime-Commissioner-for-North-Wales-CY-April-2020.pdf>

Saesneg: <https://www.northwales-pcc.gov.uk/Document-Library/Working-in-Partnership/North-Wales-Youth-Commission-Final-Report-to-the-Police-and-Crime-Commissioner-for-North-Wales-ENGLISH-April-2020.pdf>

Yn dilyn fy niweddariad blaenorol, mae'r Panel Heddlu a Throsedd wedi cael cyfle i ddarllen ac ystyried argymhellion y Comisiwn Ieuentid. Byddwch wedi nodi bod i lawer o'r argymhellion oblygiadau llawer ehangach na phlisma yn unig. Mae'r argymhellion cysylltiedig â materion troseddu a phlisma'n aml yn amodol ar wasanaethau eraill. Er enghraifft mae'r heddlu'n aml yn dod i gysylltiad â phobl ifanc sy'n profi argyfwng iechyd meddwl. Fel gydag oedolion, materion iechyd yn hytrach na throseddol yw digwyddiadau o'r fath. Mae arnom angen cyfranogiad gweithredol y gwasanaethau iechyd i gefnogi pobl ifanc er mwyn lleihau'r posibilrwydd y bydd argyfwng yn digwydd yn y lle cyntaf.

Rwy'n gwerthfawrogi nad yw'r materion a godir gan y Comisiwn Ieuentid bob amser yn hawdd mynd i'r afael â nhw, fodd bynnag dylai'r heddlu a'n partneriaid fod yn gweithio gyda'i gilydd i geisio gwella gwasanaethau ar gyfer pobl ifanc a byddaf yn parhau i godi ymwybyddiaeth cydweithwyr a gwasanaethau statudol eraill o anghenion a diogelwch pobl ifanc.

Mae Heddlu Gogledd Cymru wedi dechrau edrych ar y materion y gellir eu symud yn eu blaen (ac mae nifer ohonynt eisoes yn digwydd). Rhan bwysig o'r gwaith hwn yw sefydlu trefniant parhaol ar gyfer ymgysylltu ac ymgynghori â phobl ifanc. Mae fy swyddfa'n gweithio gyda'r Heddlu ar hyn, yn ogystal a monitro a chefnogi rhagor o weithredu er mwyn diwallu a/neu gyfrannu tuag at yr argymhellion a wnaed.

Byddaf yn parhau i roi diweddariadau ar gynnydd i'r Panel.

Cymaint yw graddfa'r her a berir gan y pandemig, ar ddechrau'r adroddiad blynyddol hwn rwyf eisiau mynegi fy niolch cywiraf a thalu teyrnged i holl swyddogion, staff, swyddogion gwirfoddol a gwirfoddolwyr Heddlu Gogledd Cymru sydd wedi ymateb mor gadarnhaol i'r amgylchiadau hynod hyn. Rwyf hefyd yn dymuno estyn fy niolch i gymunedau Gogledd Cymru am lynu at y rheoliadau a osodwyd yn eu lle ac am eu cefnogaeth i ymateb yr Heddlu i'r argyfwng.

Mae'r adroddiad blynyddol unwaith eto yn rhoi diweddariad ar gynnydd cyffredinol yn erbyn cyflawni blaenoriaethau strategol fy Nghynllun Heddlu a Throsedd. Cafodd fy nghynllun ei lunio ar ystod eang o wybodaeth sy'n cael ei adlewyrchu mewn pum maes blaenoriaeth allweddol:

- **Cam-drin Domestig**
- **Caethwasiaeth Fodern**
- **Troseddau Rhywiol**
- **Trosedd Difrifol a Threfnedig**
- **Cyflawni Cymdogaethau Diogelach**

Tra fy mod yn rhoi'r un cymaint o bwys ar y pum blaenoriaeth strategol, mae'r thema gyffredinol o **'leihau camfanteisio troseddol ar bobl fregus'** yn cael ei amlygu unwaith eto drwy gydol yr adroddiad hwn. Bydd y blaenoriaethau hyn yn

**Arfon Jones**, Comisiynydd Heddlu a Throsedd Gogledd Cymru

aros am y flwyddyn i ddod cyn yr etholiadau sydd wedi'u haildrefnu ym mis Mai 2021. Roedd 2019/20 yn flwyddyn lwyddiannus arall i Heddlu Gogledd Cymru sy'n parhau i gyflawni gwasanaeth plismona rhagorol i'n cymunedau yn ystod amseroedd heriol. Mae sawl enghraifft o'i lwyddiant wedi'u cynnwys o fewn yr adroddiad hwn, gan gynnwys Ymgyrch Tide. Ymgyrch Tide oedd yr enw a roddwyd i ymgyrch Trosedd Difrifol a Threfnedig a welodd 24 gwarant yn cael eu gweithredu ledled ardaloedd Gogledd Cymru, Glannau Mersi a'r Alban (Police Scotland) ym mis Medi 2019. Roedd yr ymgyrch hon yn cynnwys dros 300 o swyddogion a staff. Roedd yn benllanw bron i 12 mis o waith. Roedd y Grŵp Trosedd Trefnedig a gafodd ei drechu drwy'r ymgyrch hwn yn gyfrifol am gyflenwi Heroin a Chocên yn ardal Glannau Dyfrdwy o'r heddlu drwy Linell Gyffuriau. Ymgyrch Tide oedd yr ymgyrch fwyaf o'i bath a ymgymerwyd erioed gan Heddlu Gogledd Cymru. Rwyf yn cymeradwyo'r holl swyddogion a staff a oedd yn ymwneud â hi.

Roedd 2019/20 hefyd yn flwyddyn arbennig o lwyddiannus i Swyddfa'r Comisiynydd Heddlu a Throsedd. Roedd lansio ein cynllun atgyfeirio sef Checkpoint Cymru, diwygio'r gwasanaeth Ymgynghorydd Trais Domestig Annibynnol ledled Gogledd Cymru, comisiynu gwasanaeth cymorth cyffuriau ac alcohol newydd a sefydlu Comisiwn Ieuencid cyntaf Gogledd Cymru ond yn rhai o'r cyflawniadau nodedig eleni.

<sup>1</sup>Gall digwyddiadau o bwys sydd wedi digwydd rhwng 1 Ebrill 2020 a phryd yr ysgrifennwyd hwn gael eu cynnwys yn yr adroddiad hwn.

Yn adroddiad blynyddol y llynedd, fe ysgrifennais “Mae’r hinsawdd ariannol yn parhau i fod yn heriol iawn wrth gwrs, er wrth ysgrifennu hwn rwyf yn eithaf hyderus bod y llanw yn troi a bod y Llywodraeth yn cydnabod bod y toriadau ariannol i blismona ers dros ddegawd wedi mynd yn rhy bell ac yn rhy ddwfn”. Ym mis Hydref 2019, cyhoeddodd Llywodraeth y DU Ymgyrch Uplift. Addewid oedd hwn i recriwtio 20,000 o swyddogion ychwanegol yn genedlaethol ar gyfer y rheng flaen dros y 3 blynedd nesaf. Fel rhan o’r cymhelliant hwn, bydd Heddlu Gogledd Cymru yn gweld hyd at 250 o swyddogion ychwanegol yn cael eu recriwtio dros y cyfnod hwn. Mae hyn yn ychwanegol at y niferoedd rhagamcanol sydd eu hangen i gymryd lle swyddogion sy’n gadael (mae’r ffigwr presennol eto i’w gadarnhau pan ysgrifennwyd hwn). Yn nhon gyntaf y cynnydd cenedlaethol, derbyniodd Heddlu Gogledd Cymru nawdd am 62 swyddog heddlu ychwanegol. Roedd gan Heddlu Gogledd Cymru eisoes ffenest recriwtio arfaethedig ar gyfer mis Hydref 2019 sydd wedi galluogi recriwtio’r swyddogion ychwanegol hyn yn sydyn. Mae disgwyl i’r holl swyddogion fod yn eu swyddi erbyn diwedd mis Mehefin 2020.

Yn ystod y cyfnod adrodd hwn, gwelwyd newidiadau yn nhîm prif swyddogion Heddlu Gogledd Cymru. Penodwyd Sacha Hatchett fel Prif Gwnstabl Cynorthwyol newydd Heddlu Gogledd Cymru ar 23 Ebrill 2019. Sacha yw’r Prif Swyddog benywaidd cyntaf i gael ei phenodi yng Ngogledd Cymru. Dychwelodd i’w heddlu cartref lle’r oedd wedi rhoi dros 20 mlynedd o wasanaeth yr wythnos ganlynol, ar ôl gweithio dros dro fel Prif Gwnstabl Cynorthwyol yn Swydd Gaer ers mis Rhagfyr 2017. Mae Sacha wedi bod yn y swydd ers blwyddyn bellach ac mae’n gyfrifol am drosedd a’r gwaith gweithredol.

Penodwyd Seb Phillips yn Gyfarwyddwr Cyllid ac Adnoddau newydd Heddlu Gogledd Cymru ym mis Tachwedd 2019.

Fe wnaeth fy Nirprwy, Ann Griffith, adael y rôl yn ddiweddar hefyd wedi i’w chytundeb tymor penodol ddod i ben. Hoffwn ddiolch i Ann am ei gwaith a’i chefnogaeth ers cael ei phenodi yn 2016. Dymunaf yn dda iddi yn y dyfodol.

Hoffwn hefyd ddiolch i’r Panel Heddlu a Throsedd am eu cyfraniad parhaus wrth lywodraethu plismona yng Ngogledd Cymru. Mae bod yn ddiwyll, yn dryloyw ac yn atebol yn parhau i fod yn bwysig iawn i mi. Wrth i mi ysgrifennu hwn, rwyf yn dal i ddisgwyl cadarnhad fy mod unwaith eto wedi cael fy nghydnabod gan CoPACC gyda’u Gwobr Tryloywder ar gyfer 2019. Pe byddai ein cais yn llwyddiannus, ac rwyf yn llwyr ddisgwyl y bydd, hon fydd y 4edd flwyddyn yn olynol. Bydd hwn yn gyflawniad aruthrol y bydd fy swyddfa a minnau yn falch iawn ohono. Fy mwriad yw parhau i gynnal y lefel uchel hon o atebolrwydd ac mae’r adroddiad hwn yn adlewyrchu’r ymrwymiad hwnnw.

Y flwyddyn sydd i ddod (2020/21) fydd fy mlwyddyn olaf i yn y cyfnod swydd hwn cyn yr etholiadau sydd wedi’u haildrefnu ym mis Mai 2021. Mae fy llwyddiannau hyd yn hyn wedi eu gosod yn yr adroddiad hwn, ond mae hyn i raddau helaeth oherwydd cefnogaeth ardderchog holl swyddogion, staff a gwirfoddolwyr Heddlu Gogledd Cymru a’r tîm bach sy’n gweithio yn fy swyddfa.

**Arfon Jones**, Comisiynydd Heddlu a Throsedd Gogledd Cymru

## Gweithio mewn partneriaeth effeithiol

Mae llawer o'r heriau rwyf yn eu hwynebu fel CHTh yn rhai na all yr heddlu ymdrin â nhw ar ei ben ei hun ac felly mae gofyn am bartneriaeth ddyfeisgar ac effeithiol i wneud gwir wahaniaeth.

Mae gennyf **dîm bach o staff ymroddedig** sy'n gweithio gyda mi a'r Heddlu i sicrhau bod y Cynllun Heddlu a Throsedd yn cael ei gyflawni a bod fy holl ofynion statudol yn cael eu bodloni. Mae'r tîm yn cynnwys dau swyddog statudol, sef y Prif Swyddog Gweithredol a'r Prif Swyddog Cyllid, a staff cymorth sy'n arbenigo mewn ymchwil, polisi, llywodraethu, cyllido, comisiynu a chyfathrebu. Mae llawer o ddyletswyddau nad ydynt yn cael eu hadrodd amdanynt yn rheolaidd. Er enghraifft ymateb i adroddiadau AHM, Ceisiadau Rhyddid Gwybodaeth, trefnu tribiwnlysoedd apeliadau'r heddlu, hwyluso cynadleddau, recriwtio a chynnal Pwyllgor Archwilio yn ogystal â recriwtio Aseswyr Annibynnol ac Ymwelwyr y Ddalfa. Ceir manylion llawn o'r strwythur staffio ar fy [ngwefan](#).

Mae Cam-drin Domestig a Cham-drin Rhywiol yn parhau'n flaenoriaethau allweddol o fewn fy Nghynllun. Mae gwaith y Cynghorwyr Annibynnol ar Drais Rhywiol (ISVA) a Chynghorwyr Annibynnol ar Drais Domestig (IDVA) yn parhau'n allweddol. Mae hyn er mwyn sicrhau bod dioddefwyr y troseddau ffaidd hyn yn derbyn y gefnogaeth maent yn eu haeddu drwy'r system cyfiawnder troseddol.

Rheolir y gwasanaeth hwnnw, a'n dull o ymdrin â Thrais Domestig a Cham-drin Rhywiol yn ehangach, drwy'r **Bwrdd Strategol Trais yn Erbyn Menywod, Cam-drin Domestig a Thrais Rhywiol** sy'n cael ei gadeirio gan fy Mhrif Weithredwr. Yn ogystal â'r cyllid sydd ar gael gen i ar gyfer y gwasanaethau hanfodol hyn, derbynnir cyllid hefyd gan Lywodraeth Cymru. Er mwyn sicrhau nad oedd y grant yn cael ei wario ar gostau comisiynu ac yn cael ei wario ar y rheng flaen lle mae ei angen fwyaf, rwyf yn

parhau i fod y corff atebol ar gyfer y grant a'i wariant.

Cyn mis Ebrill 2020, darparwyd y gwasanaeth IDVA<sup>2</sup> yng Ngogledd Cymru gan nifer o ddarparwyr gwasanaeth arbenigol gwahanol. Arweiniodd hyn at anghysonderau o ran darpariaeth, gan gynnwys prosesau gweithredu ac amseroedd pryd y gellid cael mynediad at y gwasanaeth. Yn 2019 fe wnaeth Bwrdd Strategol VAWDASV Gogledd Cymru gomisiynu gwasanaeth mwy cyson a chydlynol wrth barhau i gynnal arbenigedd lleol. Arweiniodd hyn at broses gomisiynu, gyda'r rhanbarth wedi'i rannu i dri isranbarth ar wahân. Gwahoddwyd darparwyr i ymgeisio am un, dau neu bob un o'r tri isranbarth.

Mae'r gwasanaeth newydd a ddechreuodd ar 1 Ebrill 2020 yn cael ei gynnig ledled y chwe ardal awdurdod lleol. Mae'n cael ei ddarparu gan Gorwel yng Ngwynedd a Môn ac Uned Diogelwch Cam-drin Domestig (DASU) Gogledd Cymru yn siroedd Wrecsam, Y Fflint, Dinbych a Chonwy. Mae'r gwasanaeth yn gweithredu ddydd a nos (24/7), gyda'r IDVA yn gweithio ar rota ranbarthol i gyflenwi gyda'r nosau a phenwythnosau. Mae'r rota hon wedi'i datblygu gyda Heddlu Gogledd Cymru er mwyn sicrhau fod holl Swyddogion Cam-drin Domestig yn ymwybodol o ba IDVA sy'n gweithredu a phryd. Mae hyn yn galluogi gwasanaeth esmwyth a chyson i'r dioddefwr, waeth bynnag eu lleoliad daearyddol.

Yn fy adroddiad blynyddol 2018/19 mi wnes i amlygu'r gwaith eithriadol a ymgymerwyd ledled Cymru wrth ymdrin â **Phrofiadau Niweidiol yn Ystod Plentyndod (ACE)**. Gwnaeth Rhaglen Camau Cynnar Gyda'n Gilydd (RhCCGG) Gogledd Cymru drawsnewid y ffordd y mae bregusrwydd yn cael ei blismona.

<sup>2</sup>Mae IDVA yn gweithio i fynd i'r afael a diogelwch pobl sydd mewn perygl uchel o drais domestig gan bartneriaid agos, cyn bartneriaid ac aelodau'r teulu i sicrhau eu diogelwch a diogelwch eu plant. Mae'r gwasanaeth yn gweithio gyda dynion a merched.

Gan ddefnyddio dull iechyd cyhoeddus, gweithiodd y Rhaglen gyda nifer o asiantaethau o'r trydydd sector a'r sector cyhoeddus i roi gwell dealltwriaeth o gylch trosedd drwy'r cenedlaethau i'r heddlu a phartneriaid a mynd i'r afael â diffyg ymyrraeth gynnar. Roedd rhai o'r canlyniadau cadarnhaol a gyflawnwyd yn cynnwys

- **Gostyngiad mewn atgyfeiriadau diogelu amhriodol**
- **Gwelliant yn ansawdd atgyfeiriadau diogelu**
- **Cynnydd mewn atgyfeiriadau at Hyb Cymorth Cynnar**
- **Gwelliant mewn datrys problemau Cymorth Cynnar gan swyddogion heddlu**
- **Gwelliant mewn cyfathrebu a chydweithrediad ymysg yr heddlu a phartneriaid**
- **Pwysigrwydd a pherthnasedd gwella gwybodaeth am ACE, trawma a**
- **Sefydlu gwytnwch ymysg y cyhoedd**

Roedd felly'n siom fawr clywed am benderfyniad y Swyddfa Gartref i ddarfod y cyllid ym mis Mawrth 2020. Mae'r Prif Gwnstabl a finnau'n parhau'n ymroddedig i'r rhaglen hon a gwnawn sicrhau y bydd Heddlu Gogledd Cymru yn parhau i gael gweithlu heddlu mwy gwybodus a sgilgar, wedi grymuso i ymateb gan ddefnyddio lens ACE.

Mae'r **Cydbwyllgor Archwilio** yn bwyllgor sy'n cynnwys pedwar aelod annibynnol ac mae'n gydran allweddol o lywodraethu corfforaethol Comisiynydd Heddlu a Throsedd (CHTh) a Phrif Gwnstabl (PG) Gogledd Cymru. Diben y Cydbwyllgor Archwilio yw rhoi cyngor annibynnol a sicrwydd i mi a'r Prif Gwnstabl ar ddigonoldeb y fframweithiau llywodraethu a rheoli risgiau, yr amgylchedd rheoli mewnol, ac adrodd ariannol. Cynorthwyir felly i sicrhau bod trefniadau sicrwydd effeithlon ac effeithiol yn eu lle. I'r perwyl hwn, mae'r Cydbwyllgor wedi'i alluogi i, ac mae gofyn iddo gael trosolwg o, darparu adolygiad annibynnol ar effeithiolrwydd fframweithiau llywodraethu, moeseg, rheoli risgiau a rheolaeth Swyddfa'r Comisiynydd Heddlu a Throsedd (SCHTh) a'r Heddlu, yr adrodd ariannol a'r broses lywodraethu flynyddol, ac archwilio mewnol ac allanol. Rwyf yn ddiolchgar

am waith a chymorth parhaus y Cydbwyllgor a'r sicrwydd a roddwyd. Lle nad yw'r Cydbwyllgor wedi gallu rhoi sicrwydd, rwyf yn fodlon fod gan yr Heddlu a'm swyddfa gynlluniau yn eu lle fel bod y Cydbwyllgor mewn sefyllfa i roi'r sicrwydd hwnnw yn y flwyddyn i ddod.

Mae'r **Bwrdd Craffu Safonau Proffesiynol (PSSB)** yn monitro ac yn craffu ar y modd y mae cwynion a chyhuddiadau camymddwyn yn cael eu trin gan Heddlu Gogledd Cymru, er mwyn sicrhau y gallaf fod yn fodlon bod y trefniadau a'r prosesau yn eu lle yn briodol ac yn effeithiol. Yn ystod 2019/20 cadeiriwyd y PSSB gan fy Nirprwy, Ann Griffith gyda chingor proffesiynol gan fy Mhrif Weithredwr, y Dirprwy Brif Gwnstabl a Phennaeth yr Adran Safonau Proffesiynol. Bydd y PSSB yn awr yn cael ei gadeirio gan fy Mhrif Weithredwr.

Yn Adroddiad Blynyddol y llynedd fe wnes eich hysbysu o'r **diwygiadau i gwynion am yr heddlu** sydd ar ddod a sut oeddwn yn gweithio gyda Heddlu Gogledd Cymru i sicrhau gweithredu'r newidiadau hyn yn esmwyth ac yn effeithiol. Yn dilyn ymgynghoriad helaeth, mae pecyn o ddiwygiadau i system cwynion a chamymddwyn yr heddlu wedi'i ddatblygu gan y Swyddfa Gartref a Swyddfa Annibynnol Ymddygiad yr Heddlu. Fel rhan o'r gwaith hwn, ers 1 Chwefror 2020, mae gen i rôl newydd fwy grymus yn system cwynion yr heddlu.

Rwyf yn awr yn gyfrifol am adolygiadau o gwynion yr heddlu (a adwaenid yn flaenorol fel apeladau). Y corff apelio blaenorol oedd yr Heddlu ei hun. Ynghyd â Chomisiynwyr Heddlu a Throsedd Dyfed Powys a Gwent, rwyf wedi penodi cwmni o ymgynghorwyr sef Sancus sy'n arbenigwyr wrth ymdrin â chwynion yr heddlu i ystyried yr adolygiadau ar fy rhan. Ond bydd y penderfyniad olaf yn cael ei gwneud gennyf i neu fy Mhrif Weithredwr. Mae'r diwygiad cwynion newydd yn caniatáu i mi wneud argymhellion ffurfiol i Adran Safonau Proffesiynol yr Heddlu ar sut maent yn ymdrin â chwynion.

Mae'r diwygiadau wedi cyflwyno dull llai biwrocraidd ac yn arfer mwy myfyriol. Canolbwyntir ar ganlyniadau dysgu i swyddogion a staff heddlu unigol a'r Heddlu. Mae'r system newydd yn fwy hyblyg ac wrth gwrs yn llawer mwy annibynnol gyda mi fel y Corff Adolygu Perthnasol.

Beirniadaeth arall o'r hen system oedd bod y trothwy camymddwyn yn rhy isel gan greu system lle treuliyd cyfnodau sylweddol o amser yn ymchwilio swyddogion am doriadau lefel isel o safonau proffesiynol. Yn flaenorol, gwnaeth rhai ymchwiliadau gymryd sawl mis, ac weithiau sawl blwyddyn, i'w cwblhau. Gallai hyn arwain at straen i'r achwynydd a'r swyddogion o dan sylw, effaith andwyol ar effeithiolrwydd gweithredol yr Heddlu, y cyhoedd â llai o hyder yn yr Heddlu, ynghyd â gwariant cynyddol i'r pwrs cyhoeddus.

Mae gennyf gyfrifoldeb hefyd am roi annibyniaeth yn yr achosion mwy difrifol o dorri safonau'r heddlu. Rwyf yn darparu Cadeirydd Cymwys yn y Gyfraith ac Aelod Annibynnol i eistedd ar Wrandawiadau Camymddwyn yr Heddlu a Thriwilysoedd Apeliadau'r Heddlu. Mae'r diwygiadau hyn yn sicrhau fod annibyniaeth yn system cwynion yr heddlu i gyd, o'r anffodlonrwydd llai difrifol i achosion o gamymddwyn difrifol.

Mae gen i ddyletswydd statudol i sicrhau bod y maes plismona yn cynnig system gyfiawnder troseddol effeithiol ac effeithlon. Un o'm mecanweithiau allweddol i gyflawni hyn yw bod yn Gadeirydd **Bwrdd Cyfiawnder Troseddol Gogledd Cymru (NWCJB)**. Mae aelodau'r bwrdd yn cynnwys y Prif Gwnstabl, Gwasanaeth Eryl y Goron, Gwasanaeth Tribiwnlysoedd a Llysoedd Ei Mawrhydi, y Gwasanaeth Prawf Cenedlaethol, Cwmni Adsefydlu Cymunedol Cymru, Gwasanaeth Carchardai Ei Mawrhydi a Gwasanaethau Cyfiawnder Ieuencid. Nod cyffredinol y Bwrdd yw "Darparu fforwm amlasiantaeth ar gyfer cyfnewid gwybodaeth, rhoi arweinyddiaeth a llywodraethu, a nodi a goresgyn rhwystrau er mwyn cyflawni Gwasanaeth Cyfiawnder Troseddol mwy effeithlon ac effeithiol yng Ngogledd Cymru sy'n rhoi anghenion dioddefwyr a phobl fregus (gan gynnwys defnyddwyr cyffuriau) wrth ei galon".

Ar yr adeg yr ysgrifennwyd hwn, mae'r System Cyfiawnder Troseddol wedi cael ei effeithio'n sylweddol gan argyfwng COVID-19 ac mae llwyth sylweddol o achosion wrth gefn yn disgwyl cael eu clywed yn y llysoedd troseddol yng Ngogledd

Yn unol â hynny, mae cynrychiolwyr o'm swyddfa wedi bod yn cyfarfod yn gyson â'r Gymdeithas Comisiynwyr Heddlu a Throsedd, y Weinyddiaeth Gyfiawnder, a'r Bwrdd Cyfiawnder Troseddol Cenedlaethol. Mae hyn er mwyn trafod materion fel ailagor y llysoedd a'r her o gadw Dioddefwyr a Thystion yn ymgysylltiedig wrth i amseroedd llys barhau i gael eu hystemyn. Mae comisiynwyr wedi galw am asesiad effaith ynghylch beth mae hynny yn ei olygu i ddioddefwyr a thystion yn genedlaethol ac am ddata cynhwysfawr a fyddai'n ein galluogi i asesu maint y broblem o'r llwyth achosion wrth gefn sy'n aros.

Rwyf yn gweithio gyda phartneriaid, yng Ngogledd Cymru ac ar sail Cymru-gyfan, er mwyn datblygu cynlluniau i sicrhau bod y System Cyfiawnder Troseddol yn lleol ac yn genedlaethol yn gallu adfer o effaith argyfwng COVID-19. Cytunwyd yn gynnar y dylai camau gael eu cymryd i ganolbwyntio ar gynllunio adferiad ar gyfer y system cyfiawnder troseddol lleol fel ffordd o liniaru rhai o'r risgiau strategol sy'n dod i'r amlwg.

Rwyf hefyd yn ymgysylltu â phartneriaid i sicrhau bod protocolau newydd fel y Protocol Cyhuddo newydd, y protocol Cyfweliadau Dalfeydd Heddlu newydd, y Cynllun Rhyddhau Carcharorion yn Gynnar a'r protocol Cyfyngiad Amser Dalfeydd newydd, yn weithredol yng Ngogledd Cymru ac yn genedlaethol.

Rwyf yn aelod ac yn eistedd ar Fwrdd **Cymdeithas Comisiynwyr Heddlu a Throsedd (CCHTh)**. Mae'r CCHTh yn gorff cenedlaethol sy'n cynorthwyo'r Comisiynwyr Heddlu a Throsedd i wneud y gorau o'u gallu i ddylanwadu ar lefel genedlaethol a chyflawni eu dyletswyddau statudol a blaenoriaethau plismona. Drwy rannu arfer da a nodi cyfleoedd i gydweithio, a thalu am wasanaethau ar y cyd, mae'r CCHTh yn cynorthwyo'r Comisiynwyr Heddlu a Throsedd i fod yn fwy effeithlon ac effeithiol.

2019/20 oedd seithfed flwyddyn 'Eich Cymuned Eich Dewis' sy'n parhau i ddenu ceisiadau grant o ansawdd uchel ledled Gogledd Cymru. Rheolir 'Eich Cymuned Eich Dewis' gan **PACT (Ymddiriedolaeth yr Heddlu a'r Gymuned)** ac fe'i hariennir gyda £30,000 o Gronfa'r Comisiynydd ac £20,000 o arian Deddf Elw Troseddau. Yn ogystal, yn 2019/20 mi roddais £5,126 ychwanegol o Gronfa'r Comisiynydd er mwyn cynorthwyo prosiectau llawr gwlad teilwng ychwanegol.

Y thema gyffredinol eleni i ymgeiswyr ei hystyried oedd ‘Creu Cymunedau Gwydn’, a oedd yn cynnwys cynigion sy’n ymdrin â phroblemau fel Llinellau Cyffuriau.

Bu ugain (20) o grwpiau cymunedol yn llwyddiannus y llynedd gyda chyfanswm ceisiadau grant yn £45,126. Roedd hyn yn cynnwys Digartref yng Nghaergybi sy’n gweithio gyda phobl ifanc sydd wedi’u dadrithio; Banc Bwyd Llanfairfechan a’u cymorth i deuluoedd bregus sydd wedi dod yn bwysicach fyth yn yr amseroedd hyn; Youth Shedz Cymru i sefydlu menter newydd ym Mlaenau Ffestiniog; gweithdai diogelwch ffyrdd i yrwyr ifanc drwy Weithdy Dinbych; cymorth i oedolion a phobl ifanc sy’n byw gydag awtistiaeth yng Ngwynedd/Môn a Wrecsam; a gweithio gyda phobl ifanc sydd wedi’u dadrithio yn y Rhyl gyda’r prosiect All Afloat.

Yn ogystal mae PACT hefyd yn rheoli Cronfa Deddf Eiddo’r Heddlu sydd â chysylltiad parhaus y Bwrdd Ymddiriedolwyr rwyf i’n aelod ohono. Mae’r gronfa hon yn parhau i gynorthwyo llawer o grwpiau cymunedol eraill ledled chwe sir Gogledd Cymru drwy’r Brif Gronfa Grantiau a Chronfa Grantiau Bach Timau Cymdogaethau Diogelach. Cyhoeddir manylion llawn y prosiectau hyn yn Adroddiad a Chyfrifon Blynnyddol PACT. Mae rheoli’r cronfeydd hyn wedi golygu hefyd fod PACT wedi gallu dylanwadu ar arian allanol arall i gynorthwyo eu gwaith. Mae hyn ynghyd â’r brif raglen addysg ysgolion ‘Cyfiawnder mewn Diwrnod’ sydd bellach yn ei degfed flwyddyn lwyddiannus gyda’n partneriaid yn Theatr Clwyd. Penodwyd ein cadeirydd ymddiriedolwyr newydd yn 2019/20 sef Ashley Rogers, Cyfarwyddwr Masnachol Cyngor Busnes Gogledd Cymru. Rydym yn edrych ymlaen yn fawr iawn at weithio gydag Ashley a defnyddio ei sgiliau, ei wybodaeth a’i brofiad i ddatblygu ein gwaith.

O dan Ddeddf Diwygio’r Heddlu 2002 a Deddf Diwygio’r Heddlu a Chyfrifoldeb Cymdeithasol 2011 mae gan holl Gomisiynwyr Heddlu a Throsedd ddyletswydd statudol i sefydlu a chynnal Cynllun Ymwelwyr Dalfeydd Annibynnol. Mae’r Cynllun Ymwelwyr Dalfeydd Annibynnol yng Ngogledd Cymru yn galluogi cynrychiolwyr penodedig o’r gymuned leol i arsylwi, gwneud sylwadau ac adrodd ar amodau unigolion sy’n cael eu cadw mewn dalfeydd. Yn ogystal, mae’n cynnig lefel ychwanegol o warchodaeth gilyddol i

garcharorion a swyddogion heddlu drwy graffu’n annibynnol ar sut mae carcharorion yn cael eu trin a’r amodau y cedwir nhw ynddynt.

Fy Mhrif Weithredwr a’i dîm sy’n ymgymryd â rheoli’r cynllun o ddydd i ddydd, gan gynnwys recriwtio a threfnu hyfforddiant i ymwelwyr dalfeydd. Darperir yr hyfforddiant cynefino a diweddarau gan Heddlu Gogledd Cymru. Mae ymwelwyr y dalfeydd i gyd yn wirfoddolwyr. Maent yn gweithio fel rhan o dîm i fodloni targedau’r rhaglen ymweld. Ar hyn o bryd mae 21 o ymwelwyr dalfeydd yng Ngogledd Cymru, sy’n ymweld â 3 o ddalfeydd dynodedig. Mae’r rhain yn y Dwyrain (Llai), yr Ardal Ganolog (Llanelwy), a’r Gorllewin (Caernarfon). Mae’r ymweliadau ond yn cael eu cyflawni yn Nolgellau, yr Wyddgrug a Chaergybi pan ddefnyddir y Dalfeydd. Gwnaed cyfanswm o 121 o ymweliadau gan Ymwelwyr Dalfeydd Annibynnol ledled Gogledd Cymru yn ystod y cyfnod adrodd.

Gofynnir i Gydlynwyr ac Ymwelwyr amrywio eu hymweliadau cymaint â phosibl. Yn ystod y flwyddyn, cynhaliwyd ymweliadau ar ddyddiau amrywiol o’r wythnos ac ar adegau amrywiol. Mae’r siartiau isod yn dangos y cynhelir ymweliadau bob dydd o’r wythnos ac ar adegau amrywiol. Mae’r holl ymweliadau’n ddirybudd.

**Graff 1 – Adegau ymweliadau ym mhob ardal**

**Graff 2 – ymweliadau ym mhob ardal**

Yn ystod y cyfnod adrodd cadwyd cyfanswm o 10,784 o garcharorion yn y Ddalfa yng Ngogledd Cymru a 467 yn ystod yr ymweliadau. O'r 467 o garcharorion yn y ddalfa yn ystod yr ymweliadau roedd 332 ar gael i'w gweld ac nid oedd 135 ar gael. O'r 332 o garcharorion a oedd ar gael i'w gweld, gwnaeth 305 ganiatáu ymweliad (92%) a gwnaeth 27 wrthod (8%). Mae'r nifer uchel o garcharorion sy'n gofyn am gael ymweliad gan ymwelwyr y dalfeydd yn profi effeithiolrwydd y cynllun. Mae materion sy'n cael eu codi gan ymwelwyr dalfeydd yn ystod eu hymweliadau'n cael eu datrys gan y rhingyll dalfeydd ar unwaith. O dro i dro ni all rhai materion gael eu datrys ond cânt eu cyfeirio at yr arolygydd dalfeydd er mwyn iddynt weithredu.

Yn ychwanegol i'r ymweliadau annibynnol hyn â phobl a gedwir yn nalfeydd yr heddlu, mae Swyddfa'r Comisiynydd, Arolygyddion Dalfeydd ac Arolygydd Polisi'r Dalfeydd yn hapsamplo cofnodion dalfeydd ac yn eu craffu. Rwyf yn ddiolchgar am waith caled a chymorth parhaus ein gwirfoddolwyr.

Roedd Comisiwn Ieuentid Gogledd Cymru yn brosiect y gwnes i ei gomisiynu ym mis Awst 2019. Dan arweiniad y Dirprwy CHTh, roedd yn ymgymryd ag ymgynghoriad ac ymgysylltiad gyda phobl ifanc yng Ngogledd Cymru ar drosedd a materion plismona.

Ym mis Chwefror 2020, gwnaeth y Comisiwn Ieuentid gyflwyno eu canfyddiadau i gynhadledd o gynadleddwyr allweddol. Roedd y rhain yn cynnwys uwch aelodau o'r gwasanaeth heddlu, aelodau etholedig o awdurdodau lleol a sefydliadau sy'n cynorthwyo a chynrychioli pobl ifanc. Dilynwyd y gynhadledd hefyd gan adroddiad yn manylu'r prif ganfyddiadau a chamau a argymhellwyd.

Mae Heddlu Gogledd Cymru a Swyddfa'r Comisiynydd Heddlu a Throsedd wedi ymgymryd i edrych ar y materion a godwyd gan y prosiect a sut y gall y rhain gael eu taclo yn effeithiol gan yr heddlu a phartneriaid. Byddwn hefyd yn ymchwilio ar sut i barhau gyda model effeithiol o ymgysylltu ieuentid wrth symud ymlaen o'r prosiect hwn.

## Gwneud gwahaniaeth

Rwyf yn hynod falch o waith a chyflawniadau fy swyddfa, Heddlu Gogledd Cymru a'n partneriaid yn ystod 2019/20. Rwyf wedi rhestru isod enghreifftiau o rai o'n llwyddiannau yn ein hymdrech i wneud Gogledd Cymru'r lle mwyaf diogel yn y DU.

Ym mis Mehefin 2019, dechreuodd Heddlu Tud 54

Er mwyn sicrhau bod adnoddau'n cefnogi gweledigaeth y Prif Gwnstabl ac yn cyflawni fy mlaenoriaethau strategol, datblygwyd cynlluniau busnes gan ddefnyddio Cynllunio Adnoddau Blaenoriaethol er mwyn dyrannu adnoddau i'r meysydd o niwed mwyaf a gwella'r gwasanaethau sydd bwysicaf i gymunedau Gogledd Cymru. ### Lansio Brysbennu Iechyd Meddwl Canolfan Gyfathrebiadau'r Heddlu

Ar 20 Rhagfyr 2019, lansiodd Heddlu Gogledd Cymru ei Gyfleuster Brysbennu Iechyd Meddwl yn Ystafell Reoli'r Heddlu. Mae'r gwasanaeth yn rhoi cyngor iechyd meddwl i swyddogion sy'n ymateb i achosion ac yn gwella'r mynediad at wybodaeth am gleifion rhwng yr heddlu a'r bwrdd iechyd lleol.

Mae'r cyfleuster yn cynnwys chwe Ymarferydd Iechyd Meddwl sydd i gyd yn aelodau o'r bwrdd iechyd lleol. Mae'r tîm yn gweithredu 16 awr y diwrnod, 7 diwrnod yr wythnos. Gall yr ymarferwyr roi argymhellion i swyddogion ar ofal cleifion, gan gynnwys cyngor Adran 136, cysylltu gydag Unedau Iechyd Meddwl a gwneud atgyfeiriadau at wasanaethau eraill. Mae mynediad at wybodaeth cleifion yn gwella prosesau blaenorol yn fawr ac yn gymorth mawr wrth ymateb i ddigwyddiadau iechyd meddwl fel unigolion ar goll sy'n risg uchel.

Dros y blynyddoedd mae'r heddlu wedi dod ar draws nifer o broblemau gyda darpariaeth gwasanaeth iechyd meddwl gan gynnwys cyfyngiadau adnoddau a safleoedd Damweiniau ac Achosion Brys, diffyg cludiant GIG sydd ar gael i bobl sydd angen asesiad iechyd meddwl ac argaeledd anghyson cyfleusterau asesiad iechyd meddwl diogel. Mae'r tîm newydd hwn yn

## Asesiad Anghenion Llinellau Cyffuriau

Gwnaeth Bwrdd Cymunedau Diogelach Gogledd Cymru gomisiynu prosiect partneriaeth i greu dealltwriaeth ranbarthol o'r cysylltiad rhwng bregusrwydd, camfanteisio'n droseddol ar blant ac oedolion a'r maes gwerthu cyffuriau, gangiau a thrais ar draws Gogledd Cymru.

Yn dilyn ymarfer rhannu data agored a thryloyw, crëwyd Asesiad Anghenion Llinellau Cyffuriau. Mae'r wybodaeth a gasglwyd yn caniatáu i ni ddeall yn llawn ar y cyd y galw a'r risg o ddigwyddiadau yn ymwneud â thrais cysylltiedig, gan greu ymyriadau datrys problemau cynaliadwy er mwyn bodloni anghenion bob cymuned yn ogystal â mynd ati i weithio'n rhagweithiol gyda'n partneriaid sydd ar hyn o bryd yn gweithio i atal y niwed difrifol hwn.

Roeddwn i'n bersonol yn gwbl gefnogol o'r gwaith. Fe wnes i ariannu digwyddiad ymgysylltu partneriaethau er mwyn caniatáu i'r holl bartneriaid sydd ynghlwm drafod y canfyddiadau a chreu argymhellion ystyrlon ar y cyd. Fe wnes i hefyd ariannu cynhadledd llinellau cyffuriau rhanbarthol. Nid yn unig y gwnaeth gyflwyno'r adroddiad terfynol a'i argymhellion canlyniadol i dros 100 o bartneriaid o Gogledd Cymru a'r Gogledd Orllewin, ond rhoddodd gyfle hefyd i bobl yn ein cymunedau sydd wedi cael eu heffeithio gan y farchnad llinellau cyffuriau/cyffuriau gael llais a hefyd y cyfle i egluro'n union sut maen nhw, neu'r bobl maent yn eu cefnogi, wedi cael eu heffeithio gan y trosedd difrifol hwn. Y gwaith arloesol hwn yw'r cyntaf o'i fath yn y DU.

## Gwers Llinellau Cyffuriau

Gan gydnabod yr angen i gynorthwyo ymyrraeth gynnar ac atal pobl ifanc rhag dod i gysylltiad â llinellau cyffuriau, fe wnes i ariannu datblygu gwers llinellau cyffuriau i ysgolion drwy'r gronfa 'Eich Cymuned Eich Dewis' a grant gan Heddlu Gogledd Cymru.

Mae'r wers wedi'i chreu gan Gydlynnydd Cyswllt

Ysgolion Heddlu Gogledd Cymru a'r Centre for Sign, Sight and Sound ym Mae Colwyn. Mae'r wers yn cael ei chefnogi'n llwyr gan Raglen Graidd Cyswllt Ysgolion Cymru Gyfan a adwaenir fel Schoolbeat.

Mae'r wers 'Cwlwm Twyll - A ydych yn gwybod ei fod yn digwydd?' wedi'i hanelu at ddisgyblion blwyddyn 8. Bydd yn cael ei chyflwyno ledled Cymru gan Swyddogion Heddlu Cyswllt Ysgolion o fis Medi 2020.

Bydd canlyniadau dysgu ar gyfer bob disgybl wedi'r mewnbwn yn sicrhau y bydd bob disgybl yn:

- Gwybod beth yw camfanteisio ar blant
- Gallu adnabod arwyddion camfanteisio troseddol
- Gwybod am yr effaith ar y plentyn
- Gwybod fod y Gyfraith yn gwarchod plant ac ni all yr un plentyn gytuno â chamfanteisio ac nid yw byth yn fai arny'n nhw
- Deall a gwrthsefyll camfanteisio ar blant
- Gwybod lle i gael cymorth a chefnogaeth

Amlygir Hawliau'r Plentyn drwy gydol y wers gyda'r disgyblion yn cwblhau eu 'Haddewid Disgybl' er mwyn diogelu eu hunain. Atgoffir disgyblion hefyd am oedolion dibynadwy ac asiantaethau arbenigol sydd o hyd ar gael i'w cynorthwyo.

Mae'r wers hon o ddiddordeb arbennig i'r Ganolfan Genedlaethol Cydlynu Llinellau Cyffuriau sy'n lledaenu a hyrwyddo arloesedd ac arfer gorau drwy'r DU.

## Ymgyrch Encompass

Encompass yw prosiect sydd wedi'i gymeradwyo gan y Swyddfa Gartref sy'n cael ei gynnal ar y cyd rhwng ysgolion a Heddlu Gogledd Cymru. Aeth y prosiect yn fyw yn siroedd Wrecsam a'r Fflint ar 20 Ionawr 2020. Tra ei fod tu allan i gyfnod adrodd yr adroddiad hwn, rwyf yn falch o gadarnhau bod Môn, Gwynedd a Sir Ddinbych wedi mynd yn fyw ar 27 Ebrill 2020 a Sir Conwy ar 4 Mai 2020. Menter genedlaethol yw Encompass ar gyfer gallu rhannu gwybodaeth rhwng heddluoedd ac addysg mewn ymgais i gynorthwyo plant sydd wedi bod yn dyst i gam-drin domestig. Ei nod yn bennaf yw i ysgol gael ei rhybuddio am blentyn sydd wedi profi cam-drin domestig mor gynnar â phosibl er mwyn galluogi cymorth ar unwaith. Mae'r bartneriaeth yn cydnabod y gall holl achosion o gam-drin domestig fod yn niweidiol i blant a phobl ifanc.

Mae Oedolion Allweddol Hyfforddedig wedi'u lleoli ym mhob ysgol er mwyn caniatáu iddynt gysylltu gyda'r heddlu a defnyddio'r wybodaeth sydd wedi'i rhannu, yn gyfrinachol, i sicrhau fod yr ysgol yn darparu ar gyfer anawsterau posibl a brofir gan blant neu eu teuluoedd.

## Prosiect Atal Trais Difrifol

Cafodd SCHTh £60,000 mewn cyllid gan Gronfa Ieuenctid Ymyrraeth Gynnar yn ystod 2019/20. Gwnaeth yr arian hwn gynorthwyo Ymddiriedolaeth St Giles i weithio mewn ysgol uwchradd leol er mwyn darparu gwaith ymyrraeth uniongyrchol gyda phobl ifanc sydd ar fin dod ynghlwm â thrais difrifol.

Gwnaeth yr arian hefyd ganiatáu parhau 'Cyfiawnder mewn Diwrnod' sef prosiect arobryn unigryw (yn awr yn ei ddegfed flwyddyn) sy'n defnyddio actorion proffesiynol, i edrych ar faterion allweddol am y system cyfiawnder troseddol a phobl ifanc mewn drama drawiadol a realistig.

Gwnaeth yr arian hefyd gynorthwyo'r Fenter Gwrthsefyll Trais/The Stand Against Violence Initiative (SAVI). Mae'r prosiect peilot cydweithredol hwn yn nodi ac yn ymestyn at bobl ifanc sydd mewn perygl o gael eu heffeithio gan drosedd treisgar yn y Rhyl. Mae'n cydnabod deuliaeth profiad lle gall pobl ifanc fod mewn perygl o ddod yn ddiodefwrwr a throseddwrwr posibl. Mae SAVI yn dod â sefydliadau'r 3ydd

sector a grwpiau cymunedol gyda gwasanaethau statudol - gan gynnwys yr heddlu, cyfiawnder ieuenctid ac ysgolion - at ei gilydd. Gwneir hyn er mwyn rhannu gwybodaeth, syniadau ac adnoddau wrth ddatblygu a chyflawni datrysiadau lleol creadigol gydag ymdriniaeth hollataidd ar sut i fynd i'r afael â chymhellwyr trais difrifol.

## Gwobrau'r Heddlu

Gwnaeth y Prif Gwnstabl Carl Foulkes gynnal ei seremoni Gwobrau'r Heddlu gyntaf ar 5 Mawrth 2020. Roedd y gwobrau'n cydnabod swyddogion heddlu, staff a gwirfoddolwyr am eu cyfraniad eithriadol i blismona gyda chyfanswm o un wobwr ar bymtheg yn cael eu cyflwyno yng nghwmni gwesteion nodedig, uwch swyddogion, teulu a ffrindiau.

Ymysg yr enillwyr oedd swyddogion a oedd yn cael eu cydnabod am eu dewrder, ymchwiliadau'n gysylltiedig â masnachu pobl a throseddau rhywiol difrifol, gwobr arloesedd a gwirfoddolwyr yn cael eu cydnabod am eu hymroddiad a'u dyletswydd i'r heddlu.

## Lansio'r Rhwydwaith Cydraddoldeb Rhywedd

Gwnaeth Heddlu Gogledd Cymru lansio'r Rhwydwaith Cydraddoldeb Rhywedd yn swyddogol ar 11 Tachwedd 2019. Roedd hwn yn drosglwyddiad o'r Gymdeithas Merched gyda'r nod o ddarparu rhwydwaith mwy cynhwysol sy'n canolbwyntio ar faterion sy'n effeithio holl aelodau'r sefydliad. Mae swyddog gwrywaidd ac aelod o staff wedi cael eu penodi fel is-gadeiryddion.

## Cynllun Cydraddoldeb Strategol ar y Cyd - 2019/2023

Cyhoeddwyd Cynllun Cydraddoldeb Strategol ar y Cyd yr Heddlu a'r CHTh ym mis Ebrill 2019 ac fe ellir ei weld ar fy [ngwefan](#). Yn unol â gofynion o dan Ddeddf Cydraddoldeb 2010 buom yn ymgynghori â rhanddeiliaid, partneriaid a staff i sefydlu'r blaenoriaethau newydd ar gyfer Cynllun Cydraddoldeb 2019-2023. Fel bob amser mae rhai o'n blaenoriaethau yn parhau o'n cynllun blaenorol fel ymdrin â throstedd casineb a sicrhau defnydd effeithiol a theg o bwerau (e.e. stopio a chwilio). Serch hynny, yn y cynllun newydd mae cynnydd dramatig wedi bod mewn gweithgarwch er mwyn sicrhau cynrychiolaeth briodol yn y gweithlu yn ymwneud â'r Gymraeg, rhywedd, hil a nodweddion gwarchoddedig eraill.

Nid yw'r Heddlu ar hyn o bryd yn adlewyrchu cymunedau Gogledd Cymru. Mae Ymgyrch Uplift, a gyfeiriwyd ati yn yr adroddiad hwn, yn rhoi cyfle da i wella cynrychiolaeth ar draws y nodweddion gwarchoddedig. Felly mae adnoddau sylweddol yn awr wedi'u hymroi i Ymgyrch Uplift ac ar gyfer cynyddu ceisiadau gan gymunedau lleiafrifol. Mae sawl menter wedi'i lansio i annog a gwella ceisiadau a hyrwyddo Heddlu Gogledd Cymru fel cyflogwr o ddewis i bawb. Mae'r Heddlu a SCHTh yn parhau i weithio gyda'i gilydd ar gyflawni'r Cynllun Cydraddoldeb. Mae'n cael ei fonitro a'i graffu'n chwarterol drwy'r Pwyllgor Cydraddoldeb ac Amrywiaeth sydd bellach yn cael ei gadeirio gan y Dirprwy Brif Gwnstabl.

## Lansio Pwyllgor Moeseg Mewnol

Gwnaeth Heddlu Gogledd Cymru lansio ei Bwyllgor Moeseg ym mis Ebrill 2019. Crëwyd y pwyllgor i alluogi fforwm priodol tu allan i'r Adran Safonau Proffesiynol, er mwyn i ddilemâu moesegol gael eu trafod gyda grŵp o swyddogion a staff, o rengoedd amrywiol ledled y sefydliad ynghyd ag aelodau allanol. Mae strwythur pwysigrwydd y grŵp yn un o gyfartaledd, gan nad yw statws swydd yn cyfrif; mae'r holl aelodau â'r un statws teg a chyfartal. Mae gweithrediad y pwyllgor hwn yn galluogi'r heddlu i gynnal ei ymdriniaeth foesegol i broblem gwneud penderfyniadau rhwng dau reidrwydd moesol posibl heb i'r naill na'r llall gael eu hystyried yn fwy derbyniol nac yn well. Cynrychiolir fy swyddfa yn y Pwyllgor hwn.

Gwahoddir gweithwyr i gyflwyno unrhyw ddilemâu moesegol sydd ganddynt neu a ddônt ar eu traws; gallent eu cyflwyno'n ddiennw. Gall hyn fod yn bolisi, yn arferion, yn foisol neu'n 'ardal lwyd'. Wedi i ddilema gael ei gyflwyno a'i drafod yn y pwyllgor, bydd unrhyw gyngor neu benderfyniad yn cael ei gyflwyno i dîm y Prif Swyddogion. Bydd y canlyniadau'n cael eu cyhoeddi drwy fewnrwyd fewnol yr heddlu a rhoddir adborth i'r aelod o staff sy'n cyflwyno'r dilema.

## Canlyniadau Ymgyrch Tide

Ymgyrch Tide oedd yr enw a roddwyd i ymgyrch Trosedd Trefnedig Difrifol a welodd 24 gwarant yn cael eu gweithredu ledled ardaloedd Gogledd Cymru, Glannau Mersi a'r Alban (Police Scotland) ym mis Medi 2019. Roedd 300 o swyddogion a staff yn rhan o'r ymgyrch hon ac fe gafodd gryn sylw gan y wasg yn lleol ac yn genedlaethol.

Ymgyrch Tide yw penllanw bron i 12 mis o waith. Roedd y grŵp Trosedd Trefnedig a gafodd ei drechu gan yr ymgyrch hwn yn gyfrifol am gyflenwi Heroin a Chocên yn ardal Glannau Dyfrdwy drwy Linell Gyffuriau a elwid yn 'Echo Line'. Roedd y grŵp nid yn unig yn fgythiol o ran cyflenwi cyffuriau niweidiol, ond roedd hefyd yn gyfrifol am drais difrifol, treisio, bygythiadau i ladd a brawychu pobl fregus.

Arweiniwyd yr ymgyrch gan yr Uned Trosedd Trefnedig Difrifol gyda llawer o asedau cudd Heddlu Gogledd Cymru'n gorfod treulio amser maith yn ardal Glannau Mersi. Roedd yr ymgyrch angen cefnogaeth ddadansoddol anferth, yr ymgyrch fwyaf o'i bath yng nghyswllt dadansoddi data i alluogi i'r tîm wneud cysylltiad â'r gweithgarwch troseddol.

Roedd y cam gweithredol a oedd yn cynnwys strwythur gorchymyn llawn yng Ngogledd Cymru a Glannau Mersi yn llwyddiant. Arweiniodd at 16 arestiad a 15 remand yn y ddalfa am droseddau cyflenwi a chynllwynio i wneud Niwed Corfforol Difrifol. Arweiniodd y mwyafrif o remandiau'r heddlu at remandiau llys sy'n foddhaol iawn bob amser. Gan gydnabod bod ffordd bell i fynd i gael euogfarnau, rydym yn ffyddiog y bydd nifer o'r bobl hyn yn treulio amser sylweddol yn y carchar.

## Canlyniadau Ymgyrch Blue Fulgent

Ar 19 Ebrill 2019, saethwyd Gerald Corrigan yn farw gyda bollt bwa croes tu allan i'w gartref ar Ynys Môn. Cynhaliwyd achos pum wythnos o hyd yn ystod misoedd Ionawr a Chwefror 2020 a wnaeth gyflwyno dyfarniadau euog unfrydol. Canfuwyd Terence Michael Whall yn euog o lofruddio ac o gynllwynio i wyrddroi cwrs cyfiawnder. Cafodd ei ddedfrydu i dri deg un o flynyddoedd o garchar. Euogfarnwyd y cyd-ddiffynnydd Gavin Jones am gynllwynio i wyrddroi cwrs cyfiawnder ac fe gafodd ei garcharu am bum mlynedd. Ddedfrydwyd Darren Jones i ddwy flynedd a 10 mis am losgi bwriadol, a charcharwyd Martin Roberts, 35, am ddwy flynedd a phedwar mis am losgi bwriadol.

Y canlyniad yw penllanw misoedd o waith caled gan dîm ymchwilio ymroddedig ac ni ellir gorbwysleisio cymhlethdod yr ymchwiliad. Nid oedd tystiolaeth fforensig, dim tystiolaeth llygaid dystion uniongyrchol i'r saethu ac ni welwyd ef yn mynd na'n dod o'r fan a'r lle. Roedd hwn yn achos a oedd yn seiliedig ar dystiolaeth amgylchiadol. Cynorthwywyd yr ymchwiliad gyda dros 300 o swyddogion a staff pellach ynghyd ag asiantaethau partner.

## Cadetiadau yr Heddlu

Mae Cadetiadau yr Heddlu wedi bod yn rhan o nifer o ddigwyddiadau ledled yr heddlu dros y flwyddyn ddiwethaf ac wedi cynorthwyo yn y meysydd plismona canlynol;

- Sul y Cofio, gan roi cymorth i'r TPC Lleol yn cynrychioli Heddlu Gogledd Cymru mewn digwyddiadau lleol

- Ymgyrch Sceptre, ymgyrch genedlaethol wedi ei hanelu at leihau trosedd cyllyll, lle mae Cadetiadau wedi bod yn rhoi cymorth gyda digwyddiadau rhagweithiol

## Ymgyrch Uplift

Ymgyrch Uplift yw addewid Llywodraeth y DU i recriwtio 20,000 o swyddogion ychwanegol yn genedlaethol ar gyfer y rheng flaen dros y 3 blynedd nesaf. Cyhoeddwyd hyn ym mis Hydref 2019. Fel rhan o'r cymhelliant hwn, bydd Heddlu Gogledd Cymru yn gweld hyd at 250 o swyddogion yn cael eu recriwtio dros y cyfnod hwn yn ychwanegol at y niferoedd rhagamcanol sydd eu hangen i gymryd lle swyddogion sy'n gadael (eto i'w gadarnhau pan ysgrifennwyd hwn). Yn nhon gyntaf y recriwtio cenedlaethol, derbyniodd Heddlu Gogledd Cymru gyllid am 62 swyddog heddlu ychwanegol. Roedd gan Heddlu Gogledd Cymru eisoes ffenest recriwtio arfaethedig ar gyfer mis Hydref 2019 sydd wedi galluogi recriwtio'r swyddogion ychwanegol hyn yn sydyn. Mae disgwyl i'r holl swyddogion hyn fod yn eu swyddi erbyn diwedd mis Mehefin 2020.

## Lansiad swyddogol gweledigaeth newydd y Prif Gwnstabl

Lansiodd y Prif Gwnstabl ei weledigaeth newydd ar gyfer y sefydliad ym mis Mai 2019 sef y dyhead o wneud Gogledd Cymru'r lle mwyaf diogel yn y DU. Mae'r weledigaeth hon wedi'i chyfathrebu'n dda yn fewnol ac yn allanol i'r cyhoedd, gan eu hysbysu mai'r prif feysydd ffocws yw mynd ati i atal trosedd, yn rhagweithiol, gwarchod cymunedau ac ymlid troseddwyr. Rwyf yn gwbl gefnogol o'r weledigaeth uchelgeisiol hon.

## Ymgyrch Yfed a Gyrru'r Nadolig

Dosbarthwyd citiau prawf anadl tafladwy i westai ledled y rhanbarth fel rhan o ymgyrch Nadolig 2019/20 er mwyn lleihau'r nifer o achosion yfed a gyrru. Cytunodd nifer o westai i ddosbarthu'r citiau 'arwydd yn unig' i westeion a oedd eisiau gwirio lefelau alcohol y 'bore wedyn' ar ôl noson o yfed. Daliodd y fenter newydd sylw ITV Cymru gyda chyfweiliadau'n cael eu cynnal gyda'r Uned Plismona'r Ffyrdd ac un o'r gwestai a oedd ynghlwm â'r cynllun. Nodwyd y lleoliadau allweddol fel rhan o'r broses hon er mwyn targedu 'prif lecynnau' arestiadau yfed a gyrru.

Cafodd y citiau profi anadl groeso cynnes, gyda nifer o'r gwestywyr yn dymuno parhau gyda'r cynllun. Dosbarthwyd cyfanswm o 2600 cit prawf anadl i 12 o westai a nodwyd eu bod o fewn llecynnau troseddau yfed a gyrru. Yn ogystal fe ddosbarthwyd nifer o gitiau i orsafoedd heddlu allweddol fel Wrecsam, y Rhyl, Llandudno, Bangor, Caernarfon a Chaergybi.

# Cyflawni rôl y Comisiynydd Heddlu a Throsedd

Fy nghyfrifoldebau craidd fel y Comisiynydd Heddlu a Throsedd yw:

1. Sicrhau cynnal heddlu effeithlon ac effeithiol i Ogledd Cymru
2. Dwyn y Prif Gwnstabl i gyfrif am weithredu ei swyddogaethau
3. Dod â phartneriaid diogelwch cymunedol a chyfiawnder troseddol at ei gilydd
4. Cydweithredu gyda chomisiynwyr heddlu a throsedd eraill a ffurfio a gweithredu strategaethau ledled ardaloedd heddluoedd

## 1. Heddlu effeithlon ac effeithiol

Ers cael fy ethol yn Gomisiynydd Heddlu a Throsedd Gogledd Cymru yn 2016, rwyf wedi ceisio sicrhau heddlu effeithlon ac effeithiol drwy'r strategaeth a osodwyd yng Nghynllun Heddlu a Throsedd 2017 - 2021 ac, yn benodol, drwy fy mhwm blaenoriaeth heddlu a throsedd strategol:

- Cam-drin Domestig
- Caethwasiaeth Fodern
- Trosedd Trefnedig
- Cam-drin Rhywiol (sy'n cynnwys camfanteisio'n rhywiol ar blant)
- Cyflawni Cymdogaethau Diogelach

Er y gellir ond gwneud asesiad ynghylch a wyf wedi cyflawni'r swyddogaeth hon yn gywir ar ddiwedd fy nhymor, arolygir effeithiolrwydd ac effeithlonrwydd yr Heddlu yn flynyddol gan **HMICFRS** yn asesiad PEEL.

## Arolwg PEEL

Gwnaeth Arolygaeth Heddluoedd a Gwasanaethau Tân ac Achub (HMICFRS) Ei Mawrhydi gynnal arolwg integredig PEEL (Effeithiolrwydd, Effeithlonrwydd a Chyfreithlondeb) Heddlu Gogledd Cymru ym misoedd Ebrill a Mai 2019.

Roedd hwn yn arolwg pythefnos yn edrych ar bob agwedd o blismona Gogledd Cymru. Cyhoeddwyd yr adroddiad ar 6 Chwefror 2020 ac arweiniodd at radd 'Da' ym mhob categori ac yn gyffredinol.

Mae Heddlu Gogledd Cymru yn parhau i gael ei gydnabod fel bod yn dda ar leihau trosedd a chadw pobl yn ddiogel. Canfu'r arolwg fod gan yr heddlu ddealltwriaeth gyffredinol dda o natur a maint bregusrwydd yn yr ardal a bod ei swyddogion a'i staff yn dda am warchod pobl fregus o'r cyswllt cychwynnol hyd nes i achosion gyrraedd y llysoedd. Canmolwyd Heddlu Gogledd Cymru am gyhoeddi Hysbysiadau Gwarchod Trais Domestig (DVPN) er mwyn atal troseddwy'r cam-drin domestig rhag cyflawni troseddau pellach. Dyma'r nifer uchaf fesul pob pen o'r boblogaeth yn 2018/19 allan o 43 heddlu Cymru a Lloegr. Ers i ganfyddiadau'r arolwg gael eu cyflwyno i'r heddlu, mae llawer iawn o waith ar wella'r meysydd hynny a nodwyd wedi dechrau, gan gynnwys rheoli troseddwy'r rhyw cofrestredig.

Nodwyd y Gynghrair Drylliau Tanio rhwng Heddlu Gogledd Cymru a Heddlu Swydd Gaer fel trefniant gweithio ar y cyd effeithiol i ddarparu lleoli, hyfforddiant a rheolaeth sicr ar ymgyrchoedd arfog yn y ddau heddlu.

Cafodd agwedd newydd Heddlu Gogledd Cymru at gyllidebu (PRP) ei gydnabod fel un sy'n galluogi'r heddlu i fodloni galw a'r blaenoriaethau a osodwyd ar gyfer plismona yn well. Ond argymhellodd yr arolygaeth yr angen am ddata ychwanegol i wella'r asesiad ar gyfer galw yn y dyfodol ar gyfer rhagweld cywir.

## Arolwg Amddiffyn Plant Gogledd Cymru HMICFRS

Gwnaeth HMICFRS gynnal arolwg Amddiffyn Plant Heddlu Gogledd Cymru ym mis Gorffennaf 2019. Roedd hyn yn rhan o'r rhaglen dreiglol o arolygon y mae HMICFRS yn ei chynnal o holl heddluoedd Cymru a Lloegr. Digwyddodd yr arolwg dros gyfnod o bythefnos ac roedd yn arolygu sut mae'r heddlu'n amddiffyn plant ac yn ymchwilio i adroddiadau o gam-drin plant. Canfu HMICFRS fod yr heddlu'n cyflawni i safon dda'n gyffredinol o ran amddiffyn a diogelu plant.

Profodd Heddlu Gogledd Cymru fod ganddo arfer cadarnhaol a threfniadau gweithio effeithiol gydag asiantaethau partner.

Mae staff ein hystafell reoli yn drwyadl wrth rannu gwybodaeth gyda swyddogion ymateb rheng flaen i'w cynorthwyo i wneud gwell penderfyniadau ynghylch y ffordd orau i amddiffyn plant. Profodd Heddlu Gogledd Cymru hefyd fod ymchwiliadau a arweinir gan swyddogion arbenigol yn dda, gyda phenderfyniadau ar y cyd a gweithgarwch ymchwiliol sy'n cael ei gofnodi'n glir.

Mae'r meysydd sy'n peri pryder a nodwyd gan yr arolygaeth wedi'u derbyn. Mae gwaith wedi'i gwblhau ac mae'n parhau i fod er mwyn unioni'r rhai hynny sydd angen gwelliant. Roedd HMICFRS i fod i ailymweld â'r heddlu ym mis Ebrill 2020 er mwyn arolygu cynnydd yn erbyn yr argymhellion hyn. Ond oherwydd COVID19, mae hyn wedi'i oedi. Rwyf yn hyderus fod cynnydd wedi'i wneud mewn meysydd a nodwyd ac rwyf yn edrych ymlaen i HMICFRS ddychwelyd i adolygu ei gynnydd unwaith mae eu gwaith arolygu'n aildechrau.

Rwyf yn ysgrifennu at yr Ysgrifennydd Cartref yn dilyn holl arolygon sy'n benodol i Heddlu Gogledd Cymru. Ceir holl lythyrau at arolygon HMICFRS ar fy ngwefan [yma](#).

## 2. Dwyn y Prif Gwnstabl i gyfrif

Y prif ddull rwyf yn parhau i'w ddefnyddio i ddwyn y Prif Gwnstabl i gyfrif yw drwy'r Bwrdd Strategol Gweithredol rwyf yn ei Gadeirio ac y mae'r Prif Gwnstabl a'i uwch swyddogion yn aelodau.

Mae'r Bwrdd hwn yn cyfarfod yn rheolaidd ac rwyf yn derbyn adroddiadau ar nifer o agweddau Tud 61

o swyddogaethau'r Prif Gwnstabl. Mae'r rhain yn cynnwys ystadegau troseddau ar gyfer y cyfnod cyn y cyfarfod, crynodeb perfformiad misol (yn cynnwys gwybodaeth perfformiad lleol), adroddiadau ariannol, canlyniadau arolygon swyddogion a staff a bodlondeb y cyhoedd. Rwyf hefyd wedi gofyn am ddiweddariadau cyson ar y Defnydd o Rym, Gofal nid y Ddalfa, Adnoddau Dynol a datblygiad cynaliadwy i'w ystyried ar y Bwrdd hwn.

Mae craffu pellach ar yr Heddlu yn cael ei wneud gan fy Mwrdd Craffu Safonau Proffesiynol, fy Mhanel Craffu Amlasiantaeth, fy Mwrdd Cyd Lywodraethu, fy Mhanel Ymwelwyr Annibynnol y Ddalfa ac ymarferion hapsamplo ymchwiliadau cwynion Safonau Proffesiynol a galwadau at y system 101. Rwyf wedi rhoi mwy o wybodaeth am fy rôl craffu a'r gefnogaeth sydd gen i yn eu lle ar fy [ngwefan](#).

## Craffu'r Ystafell Reoli - Hapsamplo 101

Mae hapsamplo 101 yn cael ei gynnal bob chwarter gyda 20 o alwadau'n cael eu hadolygu ar ddiwrnod sydd wedi'i ddewis ar hap o fewn y chwarter blaenorol. Mae'r system hon bellach wedi bod yn ei le am flwyddyn ac mae'n gweithio'n dda. Rydym wedi nodi meysydd i'w gwella fel defnyddio cyfarchiad dwyieithog ar ddechrau unrhyw alwad. Yn dilyn adborth mae'r Heddlu wedi rhoi mwy o arweiniad ac mae gwelliant wedi bod.

Mae hefyd enghreifftiau ardderchog o wasanaeth cyhoeddus da wedi'u nodi yn ystod yr hapsamplo gydag unigolion wedi mynd tu hwnt i'w rolau ac wedi arddangos tosturi ac amynedd yn ystod galwadau anodd. Rhoddir holl adborth i'r trinwyr galwadau a'u goruchwylwyr.

Mae nifer o drafodaethau, ymweliadau a heriau yn digwydd bob dydd i sicrhau bod yr Heddlu a phartneriaid eraill yn canolbwyntio ar amcanion plismona allweddol ac yn cael eu nodi yn y Cynllun Heddlu a Throsedd.

### 3. Dod â phartneriaid diogelwch cymunedol a chyfiawnder troseddol at ei gilydd

Mae'n amlwg i mi er mwyn cyflwyno'r blaenoriaethau strategol sydd wedi eu hamlinellu'n fy Nghynllun, mae cefnogaeth ein partneriaid yn hanfodol - ni all yr heddlu ymdrin â bregusrwydd a chamfanteisio ar ei ben ei hunain.

Rwyf i'n aelod o'r pwyllgorau a'r byrddau rhanbarthol a Chymru Gyfan canlynol:

- Bwrdd Cyfiawnder Troseddol Cymru Gyfan
- Bwrdd Cymunedau Diogelach Gogledd Cymru
- Bwrdd Cynllunio Ardal
- Bwrdd Arweiniad Rhanbarthol
- Bwrdd Rhanbarthol Trais yn Erbyn Merched, Cam-drin Domestig a Thrais Rhywiol (VAWDASV).
- Bwrdd Cenedlaethol Camau Cynnar Gyda'n Gilydd (Profiadau Niweidiol yn Ystod Plentynod)
- Grŵp Plismona Cymru Gyfan
- Bwrdd Partneriaeth Plismona Cymru
- Cydbwyllgor Goruchwylio'r Gogledd Orllewin

Mae gen i ddyletswydd i sicrhau bod y "cyrff cyfiawnder troseddol sy'n ymarfer swyddogaethau fel cyrff cyfiawnder troseddol yn yr ardal blismona honno plismona hwnnw", yn darparu system cyfiawnder troseddol effeithlon ac effeithiol. Er mwyn cyflawni'r dyletswyddau hyn, rwyf yn Gadeirydd **Bwrdd Cyfiawnder Troseddol Gogledd Cymru** (NWCJB). Mae'r NWCJB yn cyfarfod bob chwarter ac mae'n cael ei weinyddu gan fy swyddfa.

Mae aelodau'r NWCJB yn cynnwys y Prif Gwnstabl, Pennaeth Adran Gwasanaethau Cyfiawnder, a chynrychiolwyr o Wasanaeth Erlyn y Goron, Gwasanaeth Llysoedd a Thribiwnlysoedd Ei Mawrhydi, Gwasanaeth Carchardai a Phrawf EM, CEM Berwyn, Cwmni Adsefydlu Cymunedol Cymru a Gwasanaethau Cyfiawnder Ieuenctid.

Nod cyffredinol y Bwrdd yw "Darparu fforwm amlysiantaeth ar gyfer cyfnewid gwybodaeth,

rhoi arweinyddiaeth a llywodraethu, a nodi a goresgyn rhwystrau er mwyn cyflawni Gwasanaeth Cyfiawnder Troseddol mwy effeithlon ac effeithiol yng Ngogledd Cymru sy'n rhoi anghenion dioddefwyr a phobl fregus (gan gynnwys defnyddwyr cyffuriau) wrth ei galon".

### Checkpoint Cymru

Cyflwynwyd Checkpoint Cymru, fy nghynllun dargyfeirio troseddwr sy'n oedolion, ym mis Rhagfyr 2019.

Mae Checkpoint Cymru yn brosiect dargyfeirio gwirfoddol i droseddwr sy'n oedolion ac yn seiliedig ar y model llwyddiannus sydd wedi bod ar waith yn Durham ers 2015. Mae'r rhaglen yn ceisio cynorthwyo troseddwr lefel isel sy'n dod i'r system cyfiawnder troseddol drwy roi opsiwn arall iddynt yn hytrach nag erlyniad troseddol.

Mae'r dewis hwn yn rhaglen pedwar mis (fel arfer, ond gall gael ei deilwra ar gyfer amgylchiadau unigol) sy'n nodi ac yn ymdrin ag achosion sylfaenol eu hymddygiad troseddol. Os yw'r troseddwr yn methu cwblhau neu gydymffurfio gyda'r rhaglen, byddant yn dychwelyd i'r system cyfiawnder troseddol ac yn wynebu erlyniad.

Yn yr adroddiad hwn, rwyf yn cyfeirio at fy safbwyntiau ar bolisi cyffuriau ac y dylai defnyddwyr cyffuriau gael eu trin fel problem iechyd yn hytrach na mater troseddol. Mae Checkpoint Cymru yn adeiladu ar yr ethos hwnnw ac ar ddyhead am fwy o ffocws ar achosion sylfaenol ymddygiad troseddol.

Mae cynnydd sylweddol wedi cael ei wneud yn ystod 2019/20 i ddod â'm gweledigaeth i realiti. Penodwyd Rheolwr Checkpoint Cymru ym mis Gorffennaf 2019 a dechreuodd y broses gyfnewid ar gyfer y tîm o naw Llywiwr sy'n gweithio'n agos gyda'r cleientiaid.

Tra fy mod yn ariannu'r rhaglen yn ei chyfanrwydd, cyflogir y Llywiwr gan Heddlu Gogledd Cymru. Pan gawsant eu penodi fe aethant drwy becyn hyfforddiant dwys a oedd yn cynnwys:

- **Iechyd Meddwl**
- **Ffiniau Proffesiynol**
- **Ymwybyddiaeth o Gamddefnyddio Sylweddau**
- **Rhaglen Addysg Cyffuriau Hyfforddi'r Hyfforddwr**
- **Hyfforddiant "GRYM" Merched mewn Cyfiawnder**
- **Hyfforddiant Pecyn Cymorth Adfer ACE**
- **Cyfiawnder Adferol**
- **RhDDC**

Ers i'r rhaglen fynd yn fyw ym mis Rhagfyr 2019 rydym wedi cael nifer cyson a chynyddol o atgyfeiriadau bob mis. Ar yr adeg yr ysgrifennwyd hwn, mae atgyfeiriadau'n 40-60 y mis sydd wedi cynnwystroseddau fel lladrata osiopau, troseddau yn erbyn y drefn gyhoeddus a meddu cyffuriau. Drwy'r Rhaglen Addysg Cyffuriau rydym wedi llwyddo i ddargyfeirio bron i **200** o bobl i ffwrdd o'r Gwasanaeth Cyfiawnder Troseddol a oedd â meddiant personol o gyffuriau. Mae'n parhau i fod yn ddyddiau cynnar i Checkpoint Cymru. Ond mae'r arwyddion hyd yma yn galonogol gyda llawer o ganlyniadau cadarnhaol yn cael eu cyflawni. Rwyf yn hynod falch o weld y rhaglen hon yn dwyn ffrwyth ac rwyf yn edrych ymlaen at ei datblygiad dros y misoedd nesaf.

#### 4. Cydweithredu gyda'r Comisiynwyr Heddlu a Throsedd eraill

Mae cydweithredu gyda chomisiynwyr heddlu a throsedd eraill i ffurfio a gweithredu strategaethau ar draws ardaloedd heddluoedd yn swyddogaeth bwysig ac mae'n cyfrannu tuag at gyflawni'r Gofyniad Plismona Strategol. Rwyf wedi ceisio cyflawni'r swyddogaeth hon drwy gael cyfarfodydd cyson gyda fy nghyd Gomisiynwyr a'u Prif Gwnstabiliaid yng Nghymru a Gogledd Orllewin Lloegr.

Mae'r cydweithredu rhwng Heddlu Gogledd Cymru a heddluoedd Gogledd Orllewin Lloegr o bwysigrwydd arbennig i blismona Gogledd Cymru. Mae'r ffaith ei fod yn agos yn ddaearyddol

yn golygu fod gennym flaenoriaethau a rennir ar gyfer ymdrin â throsedd trefnedig a difrifol, yn ogystal â chynnig cydweithredu gweithredol ar gyfer y gwasanaeth heddlu. Rwyf yn parhau i edmygu'r canlyniadau a gyflawnir gan yr Uned Trosedd Trefnedig Rhanbarthol (Titan). Mae'n enghraifft ardderchog o weithio ar y cyd yn cyflawni canlyniadau gwirioneddol sy'n cadw cymunedau Gogledd Cymru yn ddiogel.

Mae cynnydd sylweddol wedi cael ei wneud yn ystod y cyfnod adrodd hwn ar nifer o **brosiectau cydweithredu** rhwng pedwar heddlu Cymru, rhai'r Gogledd Orllewin a phrosiectau cenedlaethol. Mae cynnydd penodol o bwys yn cynnwys:

#### Lansio e-recriwtio (OLEEO) ym mis Gorffennaf 2019

- Mae pedwar heddlu Cymru yn awr yn fyw gyda E-recriwtio ar y llwyfan Oleeo yn sicrhau bod holl recriwtio swyddogion ledled Cymru yn gwbl awtomatig ac yn gyson ledled yr heddluoedd.
- Mae Heddluoedd Dyfed Powys a De Cymru bellach wedi ymuno â Heddluoedd Gogledd Cymru a Gwent drwy lansio recriwtio Staff yr Heddlu ar-lein.

#### Rhaglen Alluogi Genedlaethol (NEP)

Cafodd y **Rhaglenni Galluogi Cenedlaethol** neu NEP - eu creu i gyflwyno llwyfan diogel a safonau cenedlaethol sy'n galluogi ffyrdd newydd o weithio a chydweithredu ar gyfer y 43 heddlu sy'n cwmpasu plismona ledled Cymru a Lloegr. Mae Heddlu Gogledd Cymru wedi gwneud cynnydd da yn ystod y cyfnod hwn gyda gwaith yn y cefndir. Hyd yma mae HGC wedi;

- Cymeradwyo 50 o Ddefnyddwyr ar gyfer peilot technegol yn genedlaethol
- Cymeradwyo Cyflymu gwyro o'r cynllun cenedlaethol i gynllunio lliniaru COVID19 yn genedlaethol
- Seilwaith TGCh NEP ar waith i gynorthwyo gweithio o'r cartref

Gwnaeth yr heddlu adrodd bod ychydig o dan 1,000 o staff yn gweithio o'r cartref yn llwyddiannus ym mis Ebrill o ganlyniad i COVID-19. Mae hyn wedi elwa o'r gwaith a gwblhawyd eisoes ar gyfer y NEP.

## Hafan Ar-lein Unigol (SOH)

Mae Hafan Ar-lein Unigol (SOH) yn wasanaeth cownter blaen cenedlaethol a digidol sy'n cynnig ystod o wasanaethau plismona (mwy na 40 i gyd) o ansawdd uchel a chyson. Mae'r rhain yn cynnwys riportio am droseddau ar-lein, ymgeisio am drwydded dryll tanio neu ofyn am wybodaeth am achosion trais domestig o'r gorffennol (o dan Gyfraith Clare).

Mae gwaith paratoi HGC ar gyfer SOH wedi symud ymlaen yn ystod y cyfnod hwn gyda'r prosiect yn symud at ddechrau'r cyfnod gweithredu. Fodd bynnag, nodwyd nifer o broblemau gyda'r system, a oedd yn cynnwys pryderon ynghylch y Gymraeg, tudalennau Ein Hardal a'r system ar brawf.

Mae Hafan Ar-lein Unigol yn rhoi cyfle aruthrol i blismona leihau'r galw a roddir ar y system ffôn 101. Mae hon yn broblem sy'n parhau i gael ei chodi gyda mi'n aml yn uniongyrchol gan aelodau o'r cyhoedd a'r rhai hynny sy'n cysylltu â'm swyddfa i gwyno am wasanaeth gwael. Gyda hynny mewn golwg, edrychaf ymlaen at gynnydd pellach yn 2020/21.

## Trawsnewid Gwaith Fforensig/ Gwaith Fforensig Digidol/ Ymchwiliadau Gwrthdrawiadau Fforensig

Mae Gwaith Fforensig yn rhan hanfodol o blismona sy'n wynebu heriau byd sy'n mynd yn fwy a mwy digidol. Mae ein gwasanaeth fforensig angen moderneiddio, mae hefyd angen dod yn fwy effeithlon ac effeithiol, gan fanteisio ar dechnoleg ac arloesedd sydd ar flaen y gad. Gwneir hyn mewn ymateb i alwadau presennol ac yn y dyfodol.

Mae Trawsnewid Fforensig yn rhaglen a wnaiff:

- Lunio a chreu gwasanaethau fforensig a fydd yn cynnig gwell gwarchodaeth i'r cymunedau a wasanaethwn a'r gwasanaeth gorau posibl i ddioddefwyr trosedd;
- Ystyried gwasanaethau modern, effeithlon, cynaliadwy a phennaf y byd gan sicrhau cyflawniad, arloesedd, hyfforddiant a chymorth cyson ac o ansawdd uchel ledled y DU;

- Cynorthwyo gwyddorau fforensig ledled gorfodi'r gyfraith er mwyn bodloni heriau'r dyfodol a chyflawni newid trawsnewidiol parhaol.

Gwnaeth Heddlu Gogledd Cymru weithredu newidiadau ar unwaith er mwyn sicrhau a chynnal gallu a chapasiti fforensig gweithrediadol wrth fodloni cyfyngiadau COVID-19. Mae mesurau wedi cynnwys pellhau corfforol timau lle mae'n bosibl a darparu Cyfarpar Diogelu Personol i staff. Sicrheir hefyd fod gweithdrefnau ar gyfer trin arddangosion sydd o bosib wedi'u heintio.

## Ymchwiliadau Gwrthdrawiadau Fforensig

Cydnabyddir Heddlu Gogledd Cymru fel y prif Heddlu yng Nghymru a Lloegr am ymchwiliadau gwrthdrawiadau fforensig. Felly, bydd y Rhwydwaith Ymchwiliadau Gwrthdrawiadau Fforensig (FCIN) yn cael ei chynnal gan Heddlu Gogledd Cymru gyda'r PGC Sacha Hatchett yn arweinydd CCPSH ymchwiliadau gwrthdrawiadau fforensig.

Mae'r Rheoleiddiwr Gwyddorau Fforensig wedi cyfarwyddo fod rhaid i holl swyddogaethau Ymchwiliadau Gwrthdrawiadau Fforensig gydymffurfio gyda safonau llym erbyn mis Hydref 2020 (wedi'i ymestyn tan fis Hydref 2021 oherwydd COVID-19). Bydd gan heddluoedd sy'n ymuno â'r Rhwydwaith estyniad pellach tan fis Hydref 2022.

Y disgwyliad yw y bydd holl Heddluoedd yng Nghymru a Lloegr yn ymuno â'r rhwydwaith ac edrychaf ymlaen at gynnydd parhaol dros y 12 mis nesaf.

## Rhwydwaith Gwasanaethau Brys (ESN)

Mae dyfodiad COVID-19 wedi ailddatgan chwant traws-Lywodraethol i wthio ymlaen gyda phrosiectau mawr sy'n dod â budd economaidd. Mae'r ESN yn eu mysg tra mae'r Swyddfa Gartref wedi dweud fod yr ESN yn parhau ar frig eu blaenoriaethau.

Mae'r heddluoedd yng Nghymru wedi parhau i symud gwaith ymlaen yn barod ar gyfer yr ESN.

Mae hyn yn cynnwys mapio systemau sydd wedi'u cytundebu ar hyn o bryd ac unrhyw estyniadau cytundebau i systemau lleol sy'n rhyngweithiol neu'n rhyngddibynnol gyda'r rhaglen ESN.

Rwyf yn parhau i bryderu am yr oedi parhaus sy'n cael ei achosi o fewn y rhaglen hon. Rwyf wedi codi fy mhryderon gyda Llywodraeth y DU ynghylch y costau ychwanegol sy'n cael eu cronni gan Heddlu Gogledd Cymru o ganlyniad i'r ffaith nad yw'r dechnoleg ar gael. Mae hyn o ran cymryd cyfran o grantiau'r llywodraeth i ariannu'r cynllun, a hefyd y gost gynyddol o barhau gydag Airwave.

## Cydweithrediad Tri Heddlu

Mae cyfeiriad a gwaith y Rhaglen Tri Heddlu (Gogledd Cymru, Glannau Mersi a Swydd Gaer) yn y dyfodol o dan adolygiad ar hyn o bryd. Y bwriad gwreiddiol oedd creu achosion busnes ar gyfer cydweithredu o ran:

- **Niche RMS**

RMS yw'r system rheoli cofnodion a ddefnyddir gan y 3 Heddlu. Aeth llwyfan cyfunol Glannau Mersi a Gogledd Cymru yn fyw ar 14 Hydref 2018. Ers hynny, ac yn enwedig yn ystod y cyfnod adrodd hwn, gwiredwyd y canlyniadau bwriadol o gael data a rennir bron ar unwaith. Ers mynd yn fyw, oherwydd y wybodaeth gyfoethocach sydd ar gael i staff, mae llawer o arestiadau a phenderfyniadau mwy gwybodus wedi cael eu gwneud sydd yn ddiamau wedi gwella'n gallu i gadw'r cyhoedd yn ddiogel yn sylweddol.

- **Cudd-wybodaeth**

Mae gwaith cydweithredol yn parhau rhwng y tair adran cudd-wybodaeth.

- **Cyfiawnder Troseddol**

Mae gwaith cydweithredol wedi'i ohirio yn y maes hwn pan yr ysgrifennwyd hwn oherwydd COVID-19.

- **Y Dalfeydd**

Rhoddir ystyriaeth ragarweiniol i'r posibilrwydd o gydweithredu gyda hyfforddiant dalfeydd.

# Blwyddyn o ymgysylltu

Rwyf yn cynrychioli ein holl gymunedau ar draws Gogledd Cymru yn sicrhau bod eu gwasanaeth plismona mor effeithiol ac effeithlon â phosib. ## Sioeau Amaethyddol a Chenedlaethol

Rhoddodd misoedd yr haf y cyfle i mi fynd allan a siarad â'm cymuned leol yn y sioeau amaethyddol a chenedlaethol. Maent yn rhoi cyfle gwych i glywed am faterion lleol, gofidiau'r cyhoedd a dod i adnabod pobl ar draws Gogledd Cymru.

## Digwyddiadau Ymgynghori

Er mwyn ysgrifennu neu adolygu fy Nghynllun Heddlu a Throsedd ac er mwyn hysbysu cynigion fy mhraesept bob blwyddyn, rhaid

i mi ymgynghori gyda phobl Gogledd Cymru i glywed eu safbwyntiau. Mi wnes i gynnal nifer o ddigwyddiadau ymgynghori ar y cyd gyda'r Prif Gwnstabl er mwyn gwrandao ar eich safbwyntiau ar fy amcanion heddlu a throsedd. Mae'r cyfarfodydd hyn yn bwysig iawn oherwydd eu bod yn caniatáu i mi ddeall problemau a chlywed barn cymunedau Gogledd Cymru.

Roedd yr Arolwg Ymgynghorol Praeseptau yn agored rhwng 2 Rhagfyr 2019 a 17 Ionawr 2020. Roedd cyfanswm o 489 o ymatebion i'r arolwg gyda 44 yn Gymraeg a 445 yn Saesneg. Roedd cyfanswm nifer yr ymatebion yn sylweddol is na'r nifer a dderbyniwyd mewn blynyddoedd blaenorol. Gwnaeth yr Etholiad Cyffredinol ym mis Rhagfyr 2019 atal hyrwyddo'r arolwg yn helaeth oherwydd y cyfyngiadau o fewn y canllaw cyn etholiad.

Yn dilyn adborth o arolygon blaenorol, fe wnes i sicrhau eleni fod yr arolwg yn hygyrch mewn nifer o fformatau. Roedd yr arolwg ar gael ar-lein, ar bapur ac mewn fformat Darllen Hawdd. Roedd 15 o gopiau papur wedi'u derbyn a derbyniwyd pump o arolygon Darllen Hawdd. Yn ogystal, fe wnaeth y Dirprwy Gomisiynydd Heddlu a Throsedd fynychu nifer o grwpiau i Bobl Hŷn er mwyn sicrhau eu bod yn ymwybodol o'r ymgynghoriad ac yn cael y cyfle i'w gwblhau un ai ar-lein neu ar bapur.

## Y Trydydd Sector

Mae'n bwysig iawn i mi ymweld ag asiantaethau trydydd sector i weld eu cyfraniad ardderchog i'n cymunedau. Maent yn darparu ystod eang o wasanaethau i'r gymdeithas i gyd ac yn rhan allweddol o weithio mewn partneriaeth.

Ar 21 Tachwedd 2019 fe wnes i gynnal fy Nigwyddiad Ymgysylltu â'r Trydydd Sector blynyddol i ymgysylltu ar y cyd gyda sefydliadau o'r sector gwasanaethau gwirfoddol a chymunedol (a adwaenir hefyd fel y trydydd sector). Prif ddiben y digwyddiadau hyn yw ymgysylltu gyda rhanddeiliaid a cheisio eu hadborth ar y blaenoriaethau plismona. Gwnaeth 95% o'r rhai hynny a oedd yn bresennol gytuno neu gytuno'n gryf gyda'r blaenoriaethau presennol. Ceir adroddiad llawn ar ddigwyddiad 2019 ar fy ngwefan [yma](#).

## Grwpiau Cymunedol

Yn ogystal ag asiantaethau'r trydydd sector rwyf wedi cael y fraint o fynychu nifer o grwpiau cymunedol o Ynys Môn i Wrecsam. Rwyf yn teimlo ei bod hi'n hanfodol i ddangos fy nghefnogaeth i'r grwpiau hynny sy'n cyfrannu mewn rhyw ffordd at bob oed yn ein cymdeithas.

## Noson Gwobrau Cymunedol y CHTh - 3 Hydref 2019 - Theatr Clwyd, yr Wyddgrug

Cynhaliwyd noson gwobrau cymunedol blynyddol y Comisiynydd Heddlu a Throsedd ar 3 Hydref 2019 yn Theatr Clwyd yn yr Wyddgrug. Mae'r digwyddiad yn symud ledled Gogledd Cymru bob blwyddyn i wahanol leoliad o fewn tri rhanbarth gwahanol yr Heddlu.

Cyflwynwyd deg gwobr yn y seremoni. Roeddent i gyd yn enillwyr teilwng iawn. Mae'r categorïau ar gyfer y gwobrau'n adlewyrchu fy mlaenoriaethau plismona a gaiff eu hamlinellu yn y cynllun heddlu a throsedd. Eleni roedd ffocws cryf ar fentrau "Camau Cynnar". Cafwyd casgliad o wobrau i sefydliadau sy'n cymryd camau ataliol i ymdrin â'r problemau sy'n codi o ran Profiadau Niweidiol yn Ystod Plentyndod neu broblemau cymunedol eraill sy'n creu bregusrwydd ac angen a all ddarfod mewn argyfwng.

Mae Cobra Life CIC, Medrwn Môn a Rhwyd Arall i gyd yn sefydliadau sydd wedi cynorthwyo pobl sy'n fregus ac sydd efallai wedi profi trawma. Mae'r gwaith a gyflawnir gan y cyrff hyn yn allweddol i atal bregusrwydd a throseddau a phroblemau cymunedol pellach a mwy cymhleth.

Fel erioed, cafodd adsefydlu a chyflawniad da gan wasanaethau cam-drin domestig eu hamlygu a'u cydnabod, fel yr oedd cydraddoldeb ac amrywiaeth a gweithio da mewn partneriaeth.

# Blaenoriaethau Strategol y Cynllun Heddlu a Throsedd – Adroddiad Cynnydd 2019/20:

Fel Comisiynydd Heddlu a Throsedd, rwyf yn gyfrifol am gyfeiriad strategol plismona yng Ngogledd Cymru. Mae'r cyfeiriad strategol wedi ei osod allan yn fy Nghynllun Heddlu a Throsedd. Mae'r Prif Gwnstabl yn gyfrifol am bob mater gweithredol ac am gyflawni fy Nghynllun.

Bydd yr adran hon o'r adroddiad blynyddol yn canolbwyntio ar y cynnydd a wnaed yn 2019/20 yn erbyn fy mlaenoriaethau strategol a amlinellir yn fy Nghynllun.

Mae fy amcanion heddlu a throsedd wedi cael eu datblygu mewn ymateb i'r meysydd bygythiad, risg neu niwed mwyaf sy'n wynebu cymunedau Gogledd Cymru. Maent hefyd wedi elwa o broses ymgynghorol ddwys. Rwyf yn anghytuno gyda chael gormod o flaenoriaethau. Yn ôl ei natur, ni all popeth fod yn flaenoriaeth.

Rwyf wedi nodi pum maes blaenoriaeth ar gyfer Heddlu Gogledd Cymru.

- **Cam-drin Domestig**
- **Cam-drin Rhywiol (yn cynnwys camfanteisio'n rhywiol ar blant)**
- **Caethwasiaeth Fodern**
- **Trosedd Trefnedig**
- **Cyflawni Cymdogaethau Diogelach**

Yn ychwanegol, yn 2018/19 cyflwynais nod cyffredinol o 'leihau camfanteisio'n droseddol ar bobl fregus'. Mae Cynllun Cyflawni'r Prif Gwnstabl yn amlinellu gweithrediadau penodol y gwnaiff Heddlu Gogledd Cymru eu cymryd wrth gyflawni'r blaenoriaethau hyn. O bwys yw'r pwysigrwydd o weithio mewn partneriaeth i ymdrin â nhw. Mae holl feysydd blaenoriaeth yn cyflwyno problemau sydd tu hwnt i blismona

a gellir ond cyflwyno ymateb effeithiol mewn partneriaeth.

## Cam-drin Domestig

### Ymgyrch Encompass

Encompass yw prosiect sydd wedi'i gymeradwyo gan y Swyddfa Gartref sy'n cael ei gynnal ar y cyd rhwng ysgolion a Heddlu Gogledd Cymru. Aeth y prosiect yn fyw yn siroedd Wrecsam a'r Fflint ar 20 Ionawr 2020. Tra ei fod tu allan i gyfnod adrodd yr adroddiad hwn, rwyf yn falch o gadarnhau fod Môn, Gwynedd a Sir Ddinbych wedi mynd yn fyw ar 27 Ebrill 2020 a Sir Conwy ar 4 Mai 2020. Menter genedlaethol yw Encompass ar gyfer gallu rhannu gwybodaeth rhwng heddluoedd ac addysg mewn ymgais i gynorthwyo plant sydd wedi bod yn dyst i gam-drin domestig. Ei nod yn bennaf yw i ysgol gael ei rhybuddio am blentyn sydd wedi profi cam-drin domestig mor gynnar â phosibl er mwyn rhoi cymorth ar unwaith. Mae'r bartneriaeth yn cydnabod y gall holl achosion o gam-drin domestig fod yn niweidiol i blant a phobl ifanc.

Mae Oedolion Allweddol Hyfforddedig wedi'u lleoli ym mhob ysgol er mwyn caniatáu iddynt gysylltu â'r heddlu. Maent yn gallu defnyddio'r wybodaeth sydd wedi'i rhannu, yn gyfrinachol, i sicrhau fod yr ysgol yn darparu ar gyfer anawsterau posibl a brofir gan blant neu eu teuluoedd.

### Darpariaeth IDVA rhanbarthol

Cyn mis Ebrill 2020, darparwyd y gwasanaeth IDVA yng Ngogledd Cymru gan nifer o wahanol ddarparwyr gwasanaeth arbenigol gwahanol. Arweiniodd hyn at anghysonderau o ran darpariaeth, gan gynnwys prosesau gweithredu ac amseroedd pryd y gellid cael mynediad at y gwasanaeth. Yn 2019 fe wnaeth Bwrdd Strategol VAWDASV Gogledd Cymru gomisiynu gwasanaeth mwy cyson a chydlynol wrth barhau i gynnal arbenigedd lleol. Arweiniodd hyn at broses gomisiynu, gyda'r rhanbarth wedi'i rannu i dri isranbarth ar wahân. Gwahoddwyd darparwyr i ymgeisio am un, dau neu bob un o'r isranbarthau.

<sup>3</sup>Mae IDVA yn gweithio i fynd i'r afael â diogelwch pobl sydd mewn perygl uchel o drais domestig gan bartneriaid agos, cyn bartneriaid ac aelodau'r teulu i sicrhau eu diogelwch a diogelwch eu plant. Mae'r gwasanaeth yn gweithio gyda dynion a merched.

Mae'r gwasanaeth newydd a ddechreuodd ar 1 Ebrill 2020 yn cael ei gynnig ledled chwe ardal awdurdod lleol. Mae'n cael ei ddarparu gan Gorwel yng Ngwynedd a Môn ac Uned Diogelwch Cam-drin Domestig (DASU) Gogledd Cymru yn siroedd Wrecsam, y Fflint, Dinbych a Chonwy. Mae'r gwasanaeth yn gweithredu ddydd a nos (24/7), gyda'r IDVA yn gweithio ar rota ranbarthol i gyflenwi gyda'r nosau a phenwythnosau. Mae'r rota hon wedi'i datblygu gyda Heddlu Gogledd Cymru er mwyn sicrhau fod holl Swyddogion Cam-drin Domestig yn ymwybodol o ba IDVA sy'n gweithredu a phryd. Mae hyn yn galluogi gwasanaeth esmwyth a chyson i'r dioddefwr, waeth bynnag eu lleoliad daearyddol.

## Gorchmynion Gwarchod Trais Domestig (DVPO) a Hysbysiadau Gwarchod Trais Domestig (DVPN)

Nod **Hysbysiad (DVPN)** a **Gorchmyn (DVPO)** yw rhoi gwarchodaeth ar unwaith i ddioddefwyr yn dilyn achos o drais domestig a rhoi'r amser iddynt ystyried yr hyn i'w wneud nesaf.

### BETH YW DVPN?

**Hysbysiad Gwarchod Trais Domestig (DVPN)** yw hysbysiad a roddir gan yr heddlu yn erbyn rhywun sydd dros 18 oed, lle mae'r **heddlu'n credu'n rhesymol eu bod wedi bod yn dreisgar neu wedi bygwth trais a bod dioddefwr** angen cael ei warchod rhagddynt.

**Mae'r gyfraith yn caniatáu'r heddlu i roi DVPN ar yr unigolyn hwn hyd yn oed os nad yw'r dioddefwr yn cytuno.**

## BETH MAE DVPN YN EI WNEUD?

Mae Hysbysiad yn gosod amodau penodol ar yr unigolyn a all gynnwys:

- eu rhwystro rhag dod i mewn i, a'u rhwystro rhag bod o fewn pellter penodol, o gartref y dioddefwr;
- eu rhwystro rhag gwneud i'r dioddefwr adael neu eu heithrio o'u cartref;
- gofyn iddynt adael eu cartref.

Mae defnyddio a chymhwyso Hysbysiad yn parhau'n gryf iawn yng Ngogledd Cymru. Rydym yn parhau i weld ceisiadau sylweddol i'r llysoedd sy'n cael eu cefnogi. Mae adborth dioddefwyr yn gadarnhaol ac mae'n cefnogi defnyddio Hysbysiad. Ystyrir y dacteg hon fel mecanwaith yn y gostyngiad cyffredinol mewn troseddwr mynych Cam-drin Domestig.

Yn eu harolwg PEEL, a gyhoeddwyd ym mis Ionawr 2020, gwnaeth HMICFRS ddweud: "Roedd y nifer o hysbysiadau gwarchod trais domestig (DVPN) a ddefnyddiwyd yn 2018/19 gan yr Heddlu er mwyn atal troseddwr cam-drin domestig rhag troseddu ymhellach yr uchaf am bob pen o'r boblogaeth ledled bob heddlu yng Nghymru a Lloegr. Plennir pwysigrwydd defnyddio Hysbysiadau i warchod dioddefwyr ym mhob lefel o'r heddlu."

## Cam-drin Rhywiol

### Tîm Ymchwiliadau Ar-lein yr Heddlu (POLIT)

Yn 2019 fe wnaeth POLIT ymchwilio 100 o atgyfeiriadau yn berthnasol i gam-drin plant yn rhywiol. Roedd y rhain yn cynnwys 2 drosedd gyswllt a 17 o atgyfeiriadau a gafodd asesiad risg Uchel lawn/Uchel, ac a oedd angen gweithredu ar unwaith. Gwnaeth lleoli Ar-lein Cudd drwy Titan (Uned Trosedd Trefnedig y Gogledd Orllewin) nodi troseddwr risg uchel a thad i bump a oedd yn ymgysylltu mewn cyfathrebiad rhywiol ac yn annog proffil plentyn i ymgysylltu mewn gweithgarwch rhywiol. Arweiniodd ymgyrch ar y cyd gyda Titan a POLIT at yr un o dan amheuaeth yn cael eu harestio, a'r plant yn cael eu diogelu tra bod ymchwiliad pellach.

Yn ystod y cyfnod hwn, gwnaeth lleoliadau POLIT o atgyfeiriadau'r Asiantaeth Trosedd Cenedlaethol o dan Ymgyrch Habitanse II (Gwe dywyll) hefyd arwain at arestio dyn o'r Rhyl yn ddiweddar. Roedd wedi bod yn cael mynediad at y we dywyll ac roedd â chasgliad mawr o ddelweddau anwedus.

## Camfanteisio'n Rhywiol ar Blant

### Cyfweliadau Dychwelyd Adref

Mae ymchwil academiaidd wedi dangos y gall cyfweliad dychwelyd adref roi cudd-wybodaeth i warchod plentyn rhag cael ei gamfanteisio os ydynt wedi bod ar goll o'u cartref. Yn yr hinsawdd bresennol mae camfanteisio ar blant wedi cynyddu wrth gynnwys camfanteisio troseddol yn ogystal â chamfanteisio'n rhywiol oherwydd y nifer o blant a ddefnyddir yn y modelau llinellau cyffuriau.

Ymddengys fod bwlch yn y ddarpariaeth o gyfweliad dychwelyd adref ledled Gogledd Cymru. Felly ysgrifennais at holl awdurdodau lleol yng Ngogledd Cymru gan ofyn am wybodaeth ar y gwasanaeth presennol a ddarparwyd. Dangosodd y cais gwybodaeth hwn fod darpariaeth anghyson ledled y rhanbarth. Er bod rhyw fath o gyfweliadau dychwelyd adref yn cael eu cynnal ym mhob ardal, dim ond dau sydd ag aelod penodol o staff sy'n cynnal y cyfweliadau hyn. Gwnawn barhau i fonitro cynnydd y cyfweliadau dychwelyd adref ledled y rhanbarth yn y flwyddyn i ddod.

## Caethwasiaeth Fodern

Mae Caethwasiaeth Fodern yn parhau i fod yn drosedd gudd i raddau helaeth. Ond mae'n bodoli ledled Gogledd Cymru ac mae'n dod i'r golwg mewn ffyrdd gwahanol. Yng Ngogledd Cymru mae llawer o'r troseddau Caethwasiaeth Fodern a ymdriniwyd â nhw eleni wedi bod yn gamfanteisio troseddol ar ffurf troseddau Llinellau Cyffuriau. Mae oddeutu hanner y troseddau a ymdrinnir gan yr Uned Camfanteisio Troseddol wedi cynnwys troseddoldeb Llinellau Cyffuriau. Mae eleni hefyd wedi gweld y defnydd cyntaf o Orchymyn Risg Caethwasiaeth a Masnachu Pobl a ddilynodd orchymyn cau ar eiddo. Parhaodd yr Heddlu i fonitro cudd-wybodaeth a thuaddiadau sy'n dod i'r amlwg mewn troseddoldeb caethwasiaeth fodern. Maent wedi llwyddo i gynyddu'r nifer o swyddogion sydd wedi mynd ar Gwrs Ymchwilwyr Arbenigol Uned Trawsnewid yr Heddlu yn sylweddol.

Mae codi ymwybyddiaeth yn parhau i fod yn ffactor bwysig wrth ymdrin â Chaethwasiaeth Fodern. Ym mis Ionawr 2020, gyda nawdd o Gronfa Trawsnewid yr Heddlu o ran Caethwasiaeth Fodern, fe wnes i gynnal cynhadledd wedi'i hanelu at feysydd busnes y sector preifat a nodwyd i fod yn fregus.

Weithiau mae busnesau wedi'u sefydlu'n benodol ar gyfer cuddio troseddau fel gwyngalchu arian, masnachu pobl a chamfanteisio ar bobl. Mae modelau eraill yn defnyddio busnes cyfreithlon presennol i gyflawni a chynorthwyo gweithgareddau troseddol. Gall busnesau sydd wedi hen sefydlu a rhai llwyddiannus gael caethwasiaeth fodern wedi treiddio ynddynt heb i berchnogion a rheolwyr y busnes wybod neu ganiatáu hynny. Diben y gynhadledd oedd amlygu sut, mewn 3 maes busnes allweddol, y gall caethwasiaeth fodern fodoli o fewn busnesau cyfreithlon. Roedd y digwyddiad wedi'i anelu at y diwydiant adeiladu, ffermio/amaethyddiaeth a gwestai a lletygarwch.

Yn y pen draw ni all yr heddlu ei hun obeithio gallu ymdrin â'r broblem heb i bobl a busnesau Gogledd Cymru wybod amdani a bod yn ymwybodol ohoni.

Llwyddodd y digwyddiad i godi ymwybyddiaeth ymysg y rhai a oedd yn bresennol. Gwnaeth hefyd ysbrydoli digwyddiad pellach a gynhaliwyd yn Rhuthun ym mis Mawrth 2020. Mae SCHTh yn parhau i ganolbwyntio ar godi ymwybyddiaeth mewn caethwasiaeth fodern.

# Trosedd Trefnedig

## Lansio'r Tîm Rhwystro

Mae gweithgarwch gangiau Llinellau Cyffuriau yn fygythiad parhaus ac yn un o'r problemau mwyaf sy'n wynebu cymunedau Gogledd Cymru. Dyna pam y gwnes gyflwyno'r flaenoriaeth strategol gyffredinol o leihau camfanteisio'n droseddol ar bobl fregus. Ym mis Chwefror 2020, cafodd uned plismona uwch-dechnoleg newydd ei sefydlu i reoli trosedd trefnedig a gangiau cyffuriau yng Ngogledd Cymru. Mae'r tîm yn defnyddio technoleg Adnabod Rhifau Cerbydau yn Awtomatig i adnabod cerbydau aelodau gangiau a gwneud y rhanbarth yn amgylchfyd sy'n gwrthwynebu grwpiau troseddol yn gweithredu ynddi. Ariannwyd y twf hwn gan gynnydd yn y praesept a gytunwyd gan y Panel Heddlu a Throsedd ym mis Ionawr 2019.

Mae'r tîm wedi'i leoli mewn dau leoliad; Llai a Llandygai. Mae bob tîm ardal yn cynnwys rhingyll a saith cwnstabl. Maent yn canolbwyntio ar unigolion a lleoliadau ledled rhwydwaith ffyrdd Gogledd Cymru, gan gynnwys targedau Grwpiau Trosedd Trefnedig a Llinellau Cyffuriau sy'n peri problemau troseddol sylweddol i gymunedau lleol.

Mae'r Tîm Rhwystro yn cynnal gallu Heddlu Gogledd Cymru i aflonyddu ar weithgarwch troseddol ymhellach hyd yn oed. Mae'n dangos yr ymrwymiad i gynnal ymdriniaeth ragataliol i blismona er mwyn rhwystro troseddwr sy'n peri gofid ledled Gogledd Cymru. Mae'r tîm yn gweithio'n agos gyda'r Uned Plismona Ffyrdd, Tîm Cynghrair Drylliau Tanio a'r Tîm Plismona Lleol gyda thactegau gweithrediadol ac ymatebion rhagweithiol i ymchwiliadau difrifol. Maent hefyd yn cynorthwyo a datblygu cuddwybodaeth newydd drwy nodi cysylltiadau rhwng Grwpiau Trosedd Trefnedig ac yn ymateb i geisiadau gorchwyllo penodol gan Uwch Swyddogion Ymchwilio. Mae'r tîm yn caniatáu Heddlu Gogledd Cymru i rwystro troseddwr er mwyn aflonyddu ar weithgarwch o'r fath, atafaelu eu hasedau ac yna eu heuogfarnu er mwyn gwarchod ein cymunedau lleol.

## Cyffuriau

Mae cyflenwi Cyffuriau Dosbarth A wedi ei gysylltu yn anorfod gyda throsedd trefnedig. Mae

fy marn ar y polisi cyffuriau presennol yn hysbys i bawb. Rwyf yn cefnogi trin camddefnyddio cyffuriau fel mater iechyd yn hytrach na mater troseddol. Rwyf yn parhau i ymchwilio a chodi ymwybyddiaeth o bwysigrwydd diwygio cyffuriau a'r materion sy'n gysylltiedig â'r farchnad gyffuriau anghyfreithlon.

Tra fy mod yn cefnogi trin camddefnyddio cyffuriau fel mater iechyd yn hytrach na mater troseddol rwyf hefyd yn cefnogi Heddlu Gogledd Cymru yn targedu grwpiau trosedd trefnedig sy'n camfanteisio'r mwyaf bregus yn ein cymdeithas. Bu rhai ymgyrchoedd hynod lwyddiannus yn ystod y cyfnod adrodd hwn fel yr amlygir o fewn yr adroddiad hwn.

Mae llawer o ddatblygiadau wedi bod o fewn y portffolio cyffuriau yn ystod y cyfnod hwn. Mae'r rhain yn cynnwys ymchwil parhaus, ymatebion i ymgynghoriadau a chyflwyno cynllun peilot i swyddogion heddlu gario Nalocson.

## Darlun Cenedlaethol

Mae'r ffigyrau marwolaethau sy'n gysylltiedig â chyffuriau wedi parhau i gynyddu gyda data'r Swyddfa Ystadegau Gwladol yn 2018 yn dangos cynnydd o 16% o'r flwyddyn flaenorol. Yn dilyn rhyddhau'r data hwn, fe ysgrifennais at y Prif Weinidog yn gofyn iddo ystyried adolygu Deddf Camddefnyddio Cyffuriau 1971. Mae'r cynnydd parhaus mewn marwolaethau'n gysylltiedig â chyffuriau'n dangos nad yw'r system bresennol yn gweithio. Mae angen newid i ddarparu cymorth angenrheidiol i unigolion bregus. Mae'r gyfraith bresennol yn atal ystafelloedd defnyddio cyffuriau sy'n gadael i unigolion gymryd eu cyffuriau eu hunain mewn amgylchfyd glân a di-haint. Heb newid y cyfreithiau presennol, credir y bydd y gyfradd marwolaeth oherwydd cyffuriau'n parhau i gynyddu.

## Lleihau Niwed - Ystafelloedd Defnyddio Cyffuriau

Dros y flwyddyn ddiwethaf mi wnes barhau i ymchwilio a hyrwyddo manteision ystafelloedd defnyddio cyffuriau a'u pwysigrwydd i'r defnyddwyr mwyaf caotig. Mae ystafelloedd defnyddio cyffuriau, sydd yn eu lle ledled Ewrop, yn llwyddiannus wrth estyn at ddefnyddwyr sy'n byw bywydau caotig, yn enwedig y rhai hynny sy'n dod o'r gymuned ddigartref.

Yn y flwyddyn i ddod byddaf yn ceisio ysgrifennu llythyr o gysur i ganiatáu ystafell defnyddio cyffuriau i gael ei beilota yng Ngogledd Cymru. Er y gyfraith bresennol, rwyf yn gobeithio y bydd yn dangos ei bod yn hanfodol i leihau'r nifer o farwolaethau cysylltiedig â chyffuriau.

## Lleihau Niwed - Triniaeth â Chymorth Heroin

Mae Triniaeth â Chymorth Heroin (HAT) yn ymdriniaeth iechyd cyhoeddus i drin unigolion sydd â dibyniaeth tymor hir ar opioidau sydd wedi methu ymateb i driniaethau eraill. Mae cleifion yn dod i glinig arbenigol hyd at ddwywaith y diwrnod i dderbyn a chymryd eu presgripsiwn o dan oruchwyliaeth staff sydd wedi hyfforddi'n feddygol. Manteision HAT yw gostyngiad mewn marwolaethau â chysylltiad â chyffuriau, gostyngiad mewn troseddau ac aflonyddwch i grwpiau trosedd trefnedig.

Byddaf yn edrych ar ffyrdd i gyflwyno Cynllun Peilot i Ogledd Cymru dros y deuddeg i ddeunaw mis nesaf. Byddaf yn cynnal cynhadledd o'r enw Llesiau Coll - Bywydau Coll yn Venue Cymru ar 2 Tachwedd er mwyn cynyddu ymwybyddiaeth ac ennill cefnogaeth.

## Nalocson

Mae Nalocson yn wrthgyffur brys sy'n gwrthdroi iselder anadlol oherwydd gorddos o opioidau. Mae'n gweithio drwy lynu dros dro at dderbynyddion yr opioid yn yr ymennydd a'r corff ac yn gwrthweithio effeithiau'r opioid. Dros y flwyddyn ddiwethaf rwyf wedi gweithio'n agos gyda Heddlu Gogledd Cymru i sefydlu cynllun peilot i swyddogion heddlu gario Nalocson er mwyn lleihau'r nifer o farwolaethau yn gysylltiedig â chyffuriau yng Ngogledd Cymru.

Mae deuddeg o swyddogion Heddlu Gogledd Cymru a finnau wedi cael ein hyfforddi gan Uwch Nyrs o'r Uned Camdefnyddio Sylweddau a Lleihau Niwed ym Mwrdd Iechyd Prifysgol Betsi Cadwaladr. Mae darpariaeth o Nalocson Trwynol wedi cael eu rhannu i'w ddefnyddio yn y cynllun peilot yn Sir y Fflint. Gwnaed penderfyniad i oedi'r cynllun peilot oherwydd COVID 19. Roedd sawl ffactor yn gyfrifol am hyn. Mae'r rhain yn cynnwys gwarchod y gweithlu er mwyn cynnal y gwytnwch i ymdrin â'r galwadau na wyddom

dim amdanynt, yr angen i ddarparu ar gyfer ynysu mewnol/salwch a'r pwysau byddai rhai yn ei roi ar y sefydliad. Roedd cyngor meddygol yn newid yn barhaus yn y cyfnod hwn ac roedd cael gwybodaeth ynghylch y Cyfarpar Diogelu Personol digonol i swyddogion mewn cynllun peilot o'r fath yn anodd ar brydiau. Gwnaeth y ffactorau hyn i gyd greu senario wnaeth gynyddu'r lefel o risg i'n swyddogion i'r fath raddau nad oeddem yn gwbl ffyddiog y gallem ei reoli'n llwyr.

Ar yr adeg yr ysgrifennwyd hwn, rydym bellach, fodd bynnag, mewn sefyllfa lle rydym yn edrych ar adfer y cynllun peilot. Rydym wedi uwchraddio ein Cyfarpar Diogelu Personol ac mae lefelau staffio mewn lle da iawn. Nid oes angen hyfforddiant pellach ac mae penderfyniad ar ddyfod ynghylch amseru'r cynllun peilot er mwyn sicrhau ein bod mewn sefyllfa i symud ymlaen gyda chadw at gynlluniau adfer yr Heddlu.

## Canabis Meddyginiaethol

Ym mis Ionawr 2020 gwnaeth llys yn Cumbria ganfod nad oedd hi er budd y cyhoedd i erlyn unigolyn gyda Sglerosis Ymledol am dyfu canabis at ddibenion meddyginiaethol. Yn dilyn yr achos llys fe ysgrifennais at GEG i gwestiynau a oedd polisi wedi'i roi yn ei le i atal unigolion rhag cael eu herlyn mewn sefyllfaoedd tebyg. Yn anffodus nid oes polisi swyddogol wedi cael ei roi yn ei le. Mae unigolion sy'n methu cael mynediad at bresgripsiwn canabis meddyginiaethol ar y GIG yn parhau i fod mewn perygl o gael eu herlyn. Gwnaf barhau i ddangos fy nghefnogaeth i atal unigolion rhag cael eu herlyn am ddefnyddio canabis at ddibenion meddyginiaethol.

## Cyflawni Cymdogaethau Diogelach

Mae presenoldeb amlwg yr heddlu yn atal troseddau sy'n digwydd mewn lleoliadau cyhoeddus, tawelu meddwl y mwyafrif o'r cyhoedd ac yn atgyfnerthu eu cysylltiadau â'r heddlu. Fodd bynnag, fel rwyf yn dweud o fewn fy Nghynllun Heddlu a Throsedd, mae yna nawr fwy o droseddau'n cael eu cyflawni ar-lein nac ar y strydoedd. Yn unol â hynny, dylai ein hadnoddau sy'n lleihau canolbwyntio ar y meysydd o fygythiad, risg a niwed mwyaf.

Rwyf yn benderfynol bod rhaid i'n hadnoddau sy'n lleihau canolbwyntio ar feysydd troseddoldeb a bregusrwydd difrifol. Mae cyflawni amlygrwydd felly'n hynod heriol. Rhaid i ni wahaniaethu rhwng bod yn amlwg a bod yn hygyrch.

Bydd y cynnydd mewn nifer swyddogion drwy Ymgyrch Uplift wrth gwrs o gymorth. Ond dylai'r cyhoedd fod yn ymwybodol na fydd y swyddogion sy'n cael eu recriwtio dros y 3 blynedd nesaf ddim yn cymryd lle'r nifer a gollwyd dros ddegawd o doriadau a llymder.

Mae Heddlu Gogledd Cymru, o dan gyfarwyddyd y Prif Gwnstabl Carl Foulkes, arweinydd plismona digidol Prif Swyddogion Heddlu Cenedlaethol, yn parhau i ddatblygu ei bresenoldeb digidol ac ar-lein fel ffordd effeithiol o ymgysylltu. Rwyf yn edrych ymlaen at ddatblygiadau pellach yn y maes hwn dros y deuddeg mis nesaf.

## Camerâu Corff Personol

Ym mis Medi 2019 fe wnes i gymeradwyo'r cyllid a alluogodd Heddlu Gogledd Cymru i symud o Gamerâu Corff model cronfa i fodel personol, gan uwchraddio o 492 o declynnau i 1,185 o declynnau. Roedd hwn yn fuddsoddiad mawr i Heddlu Gogledd Cymru sef hanner miliwn o bunnoedd. Roedd y teclynnau a brynwyd o fanyleb uchel gyda llawer o welliannau o'u cymharu â'r darnau offer blaenorol.

## Teclynnau personol ar gyfer holl Swyddogion Heddlu rheng flaen

Cyhoeddwyd y Prosiect Swyddog Cysylltiedig ym mis Medi 2019 a byddai'n cyflwyno offer newydd

i swyddogion rheng flaen i'w galluogi i fod yn fwy hyblyg a gwneud mwy o waith cymhleth i ffwrdd o orsafoedd heddlu. Dechreuwyd cyflwyno'r teclynnau hyn ym mis Rhagfyr 2019 ar wasgaru treiglol ledled bob ardal un ar y tro. Mae gadael i swyddogion weithio i ffwrdd o'r swyddfa yn galluogi'r cyhoedd i weld mwy o'n swyddogion a staff. Mae'n caniatáu iddynt gwblhau gorchwylion heddlu penodol gyda dioddefwyr a thystion yn eu cartrefi, yn hytrach na gorfod ymweld â gorsafoedd heddlu'n gorfforol.

## Heddlu Gwirfoddol

Gallwn edrych yn ôl dros y flwyddyn 2019 / 2020 fel un heriol ond hynod gadarnhaol i Heddlu Gwirfoddol Heddlu Gogledd Cymru.

Er y gostyngiad cyson yn y nifer o Swyddogion Heddlu Gwirfoddol ledled Cymru a Lloegr, rydym wedi curo'r duedd yma yng Ngogledd Cymru. Nid yn unig yr ydym wedi cynnal ein niferoedd ond wedi recriwtio swyddogion ychwanegol i ddod â'n cyfanswm i uchafswm o 219 Swyddog Heddlu Gwirfoddol ledled Gogledd Cymru. Mae hyn yn gyfartaledd o 197 swyddog dros y flwyddyn.

Rhyngddynt mae'r swyddogion hyn wedi cyfrannu dros 48,000 awr i blismona, sy'n gyflawniad aruthrol. Mae hyn gyfwerth â chael 6,000 awr ychwanegol o amser swyddogion heddlu ar gael neu gyfwerth â 27 o swyddogion heddlu llawn amser ychwanegol.

Tra mae'r cyfrifoldebau creiddiol yn parhau o fewn Plismona Lleol a Phlismona Ymateb yn benodol, mae'r heddlu wedi mynd ati i gynyddu'r nifer o swyddogion Heddlu Gwirfoddol sy'n gweithio mewn ardaloedd mwy gwledig, er enghraifft yn Llangollen a De Gwynedd. Mae'r Heddlu hefyd wedi ychwanegu at feysydd arbenigol, er enghraifft drwy osod Rhingyll Heddlu Gwirfoddol o fewn yr Uned Caethwasiaeth Fodern i sicrhau orau eu bod yn gallu defnyddio cymorth y swyddogion Heddlu Gwirfoddol yn ôl yr angen.

## Trosedd Casineb

Ers 2016 mae cynnydd cyson wedi bod yn y nifer o droseddau casineb a gofnodwyd yng Ngogledd Cymru. Mae hyn wedi bod yn unol â chynnydd cenedlaethol. Gellir ei briodoli â nifer o ffactorau, gan gynnwys ymgyrch pellgyrhaeddol a pharhaus i godi ymwybyddiaeth am drosedd casineb.

Am y flwyddyn 2019/20 roedd ychydig o ostyngiad (2%) yn y nifer cyffredinol o droseddau casineb a gofnodwyd. Fodd bynnag gwelodd 2019/20 hefyd ostyngiad mewn lefelau boddhad ar gyfer trosedd casineb ledled holl fesurau, ond yn benodol o ran “dilyniad” a “boddhad cyffredinol” yr heddlu ynghylch sut wnaeth yr heddlu ymdrin â'r mater.

Mae Heddlu Gogledd Cymru bellach wedi cyflwyno mesurau i wella'r ansawdd gwasanaeth a dderbynnir gan ddioddefwyr trosedd casineb. Mae ymdrin â throseddau casineb yn effeithiol yn bwysig ac mae'n eistedd o fewn blaenoriaethau'r cynllun heddlu a throsedd gan fod dioddefwyr mor aml yn fregus iawn. Gwnaf barhau i fonitro lefelau boddhad drwy'r Bwrdd Gweithredol Strategol.

Mae SCHTh wedi cyflawni nifer o weithgareddau o fewn y flwyddyn ddiwethaf i hyrwyddo ymwybyddiaeth o droseddau casineb ac annog eu riportio. Gwelodd Ymgyrch Wythnos Ymwybyddiaeth Trosedd Casineb ymgyrch barhaus ar y cyfryngau cymdeithasol a oedd yn defnyddio deunyddiau rydym wedi'u datblygu dros flynyddoedd o ymgyrchoedd. Rydym hefyd wedi rhannu deunydd newydd wedi'i anelu at droseddwyr casineb, sydd wedi'i ddatblygu gan y Swyddfa Gartref. Yn ogystal gwnaethom rannu gwybodaeth a negeseuon am yr ymgyrch gyda phartneriaid sector cyhoeddus.

Mae'r SCHTh wedi cynorthwyo ac wedi mynychu digwyddiadau lleol fel y digwyddiad Ymwybyddiaeth Trosedd Casineb a gynhaliwyd gan Gydgysylltwyr Cydlyniant Cymunedol yn Nhŷ Pawb yn Wrecsam a hefyd gan NWAMI yng Ngholeg Llandrillo, Llandrillo yn Rhos.

### Trosedd Cyllyll

Yn ffodus yng Ngogledd Cymru nid yw trosedd cyllyll ar y lefel a welir mewn rhai ardaloedd trefol, ond nid yw hynny'n golygu ein bod yn hunanfodlon yn ei gylch.

Mae Heddlu Gogledd Cymru'n gweithio'n agos ag asiantaethau eraill i ymdrin â'r broblem hon, gan na ellir datrys hyn ond drwy arestiaidau. Mae Ymgyrch Sceptre, sy'n cael ei rhedeg ar y cyd gyda Safonau Masnach, wedi llwyddo i gael gwared ar lawer o arfau bygythiol o gylchrediad. Rydym yn codi ymwybyddiaeth yn rheolaidd drwy ymgyrchoedd cyfryngau cymdeithasol yn amlygu peryglon a chanlyniadau cario cyllyll. Mae ein Swyddogion Cyswllt Ysgolion wedi siarad â miloedd o ddisgyblion lleol mewn 'Cynulliadau Trosedd Cyllyll'. Mi wnes i roi cyllid i glybiau nos i brynu synwryddion er mwyn tawelu meddwl y cyhoedd.

Gogledd Cymru yw un o rannau mwyaf diogel y DU. Drwy ein cysylltiadau gydag asiantaethau statudol eraill a'r cyhoedd, rydym yn gweithio gyda'n gilydd i gynorthwyo i rwystro ac atal trosedd cyllyll, sy'n her diogelwch cymunedol ehangach.

Yn ddiweddar fe wnaeth Pentre Peryglon, sef y ganolfan ymwelwyr rhyngweithiol arobryn yn Nhalacre, ddatgelu nodwedd newydd wedi'i llunio'n benodol i ddysgu plant am beryglon trosedd cyllyll. Mae bwrdd arddangos yn rhoi'r cyfle i blant ddarganfod y canlyniadau gwahanol a all ddigwydd pan maent yn dewis cario cyllyll. Wedi'iariannugan Swyddfa'r Comisiynydd Heddlu a Throsedd, mae'r bwrdd yn ychwanegiad pwysig i'r weithgareddau hwyliog a rhyngweithiol lle mae ymwelwyr yn teithio o'r cartref i'r traeth, cefn gwlad, maes chwarae, fferm a phrifyrdd. Mae Heddlu Gogledd Cymru yn aelod gwreiddiol o'r sefydliad ac mae'r Prif Gwnstabl Carl Foulkes yn aelod o'r bwrdd ymddiriedolwyr.

## Crynodeb o Ganlyniadau

Mesurir cyflawniad drwy gymharu 2019/20 yn erbyn y flwyddyn flaenorol (oni bai y nodwyd) er mwyn nodi unrhyw feysydd sy'n achosi pryder, sydd hefyd yn fy nghynorthwyo i gyflawni fy nghraffu ar y Prif Gwnstabl a'i ddwyn i gyfrif wrth gyflawni fy Nghynllun.

## Canlyniadau Cam-drin Domestig

- Mae aildroseddu cam-drin domestig yn parhau ar lefel is

## Cam-drin domestig mynych yn parhau ar lefel is

Mae troseddwr sy'n troseddu deirgwaith neu fwy yn y 12 mis blaenorol yn parhau i aros yn is nag yn y blynyddoedd blaenorol, er mae hyn wedi dod yn norm newydd ac mae'n parhau'n gymharol sefydlog. Mae gostyngiad o **13.0%** wedi bod yn y nifer o droseddwr cam-drin domestig mynych deirgwaith neu'n fwy eleni.

### Mae troseddau domestig yn gyfran fwy o drosedd yng Ngogledd Cymru nag yn y mwyafrif o heddluoedd eraill

Ffig.5: Cyfran troseddau a drosbarthwyd fel cam-drin domestig 2018/19

### Gogledd Cymru

### Cymru a Lloegr

Mae troseddau domestig fel cyfran o gyfanswm troseddau yn parhau i fod yn gyfran fwy nag mewn llawer o heddluoedd eraill. Mae'n 19% o'i gymharu â lefel 14% ar gyfer Cymru a Lloegr.

Mae gan Ogledd Cymru un o'r cyfraddau uchaf am bob 1000 o'r boblogaeth ar gyfer troseddau cam-drin domestig, gan fod yn 16 ymhob 1000.

Dyrannwyd 51% o'r troseddau hyn i Ganlyniad 16 - nid yw'r dioddefwr o blaid gweithredu - yn y 12 mis tan fis Mawrth 2019.

### Mae cyfraddau boddhad ar gyfer dioddefwyr domestig yn parhau'n galonogol o uchel ar gyfer dioddefwyr risg uchel

**Data arolwg ym** mis Chwefror 2020. O'r **473** o bobl sydd wedi cymryd rhan yn yr arolwg hyd yma:

### Mae lefelau troseddau rhywiol a riportiwyd yn sefydlog ar hyn o bryd ac o dan y lefelau a ragwelwyd

Nid yw'r nifer o drosedd rhywiol a riportiwyd yn dangos dim newid sylweddol dros y 12 mis diwethaf, ond mae'n dangos gostyngiad o 4.7% ar y flwyddyn ddiwethaf.

**Mae gan Ogledd Cymru'r raddfa uchaf o hyd o droseddau rhywiol wedi'u cofnodi fesul 1000 o'r boblogaeth yng Nghymru a Lloegr.**

Yn y flwyddyn tan fis Ionawr 2020, gwnaeth Gogledd Cymru gofnodi 3.79 o droseddau rhywiol fesul 1000 o'r boblogaeth, sef y gyfradd uchaf yng Nghymru a Lloegr, er y gostyngiadau mwyaf mewn troseddau a gofnodwyd.

## Troseddau Rhywiol Cyffredinol

- Mae data cenedlaethol ar gael ar hyn o bryd tan fis Ionawr 2020, a dangosodd y data i Ogledd Cymru fod yr Heddlu sydd â'r cofnod uchaf.
- Er hyn, Gogledd Cymru sydd â'r gostyngiad mwyaf, wrth gymharu â'r holl Heddluoedd

Cyfraddau Troseddau Rhywiol Cofnodedig Cenedlaethol tan fis Ionawr 2019  
(Gwyrdd = HGC, Oren = Grŵp o heddluoedd tebycaf, Coch = heddluoedd eraill Cymru)

Troseddau Rhywiol Cofnodedig Cenedlaethol, % Newid o Un Flwyddyn i'r Llall (allwedd fel uchod)

## Troseddau treisio

- Wrth ystyried troseddau Treisio'n unig, mae Gogledd Cymru yn 26ain yn genedlaethol, gan ddangos nad hwn ydy'r prif faes o drosedd rhywiol i fod yn cymell y lefelau cenedlaethol uchel am droseddau rhywiol cyffredinol.
- Mae Gogledd Cymru yn dangos gostyngiadau mewn treisio yn groes i duedd y mwyafrif o Heddluoedd sydd â chynnydd

## Troseddau Rhywiol Eraill

- Troseddau rhywiol eraill yw'r grŵp o droseddau rhywiol lle mai Heddlu Gogledd Cymru sydd â'r nifer uchaf o achosion o bell ffordd o'i gymharu â heddluoedd eraill Cymru a Lloegr.
- Er hyn, Gogledd Cymru sydd â'r gostyngiad mwyaf yn y grŵp trosedd hwn o un flwyddyn i'r llall.
- Mae Gogledd Cymru wedi bod yn sylweddol uwch na chyfartaledd ei Heddlu Tebycaf am droseddau rhywiol eraill ers mis Mehefin 2017. Mae amseru hyn yn cyd-fynd â ffocws cynyddol yr Heddlu ar gofnodi trosedd, gan gynnwys THRIVE, riportio 3ydd parti a throseddau ychwanegol.
- Cofnodwyd 115 o droseddau rhwydo rhywiol

yn y 12 mis diwethaf, sy'n gynydd o 15.0% ar y flwyddyn flaenorol. Er ei fod yn gyfran eithaf bach o droseddau rhywiol cyffredinol (4.7%), mae'r maes hwn yn dangos y newid mwyaf sylweddol o fewn y categori o droseddau rhywiol.

- Nid yw'r newidiadau wedi'u neilltuo i ardal benodol o'r heddlu, gyda newidiadau llai ar lefel Ardaloedd Plismona Lleol (LPA) yn cyfuno i gynydd mawr ar y cyfan.
- Am y 12 mis presennol, mae'r trosedd o "Cyfathrebu'n rhywiol gyda phlentyn" yn ffurfio 96.5% o'r cyfanswm troseddau, ac roedd cyfran y flwyddyn flaenorol yn 96.0%. Mae'r troseddau hyn wedi cynyddu 15.6% o un flwyddyn i'r llall. Hyn ydy'r cymhellant tu ôl i'r cynnydd cyffredinol mewn troseddau Rhwydo Rhywiol. Mae'r cynnydd hwn yn awr yn dangos arwyddion go iawn o leihau.
- Mae'r tueddiadau ddechreuodd ym mis Ebrill 2017 yng Ngogledd Cymru yn cyfateb i'r rhai a welwyd yn genedlaethol, gan ddangos fod hyn oherwydd newid proses. Fodd bynnag, tra gwnaeth y cynnydd cenedlaethol leihau yn 2018, mae cofnodion Gogledd Cymru o rwydo rhywiol wedi parhau i gynyddu.
- Ymddengys fod y cynnydd, fodd bynnag, wedi lleihau rhywfaint yn y 6 mis diwethaf, ond gan godi eto ym mis Ionawr 2020.

## A ydym yn diogelu dioddefwyr cam-drin rhywiol yn effeithiol?

Mae'r nifer o gyflwyniadau cudd-wybodaeth Camfanteisio'n Rhywiol ar Blant wedi gweld cynnydd o 23.3% o un flwyddyn i'r llall.

Mae'r nifer o ddiodefwyr wedi'u fflagio ag achos o Gamfanteisio'n Rhywiol ar Blant wedi bod yn unol ag achosion cofnodedig yn y 7 mis cyn mis Chwefror 2020, ac wedi cysoni eto ym mis Mawrth 2020. Mae hyn yn arwydd da fod HGC wedi mynd ati i ddiogelu'r unigolyn a adnabuwyd.

## Canlyniadau Caethwasiaeth Fodern

Mae lefelau cofnodedig o Gaethwasiaeth Fodern yn parhau'n eithaf isel er bod cynnydd o 31% mewn troseddau cofnodedig yn ystod y cyfnod hwn. Ond nid yw hynny'n golygu nad yw'r troseddau hyn yn digwydd yng Ngogledd Cymru. Mae Caethwasiaeth Fodern yn parhau i fod yn faes blaenoriaeth sy'n cael ei adlewyrchu yn nhwf adnoddau Heddlu Gogledd Cymru wrth ymdrin â'r math penodol hwn o drosedd. Roeddwn hefyd yn un o'r CHTh cyntaf i fuddsoddi mewn swyddog cymorth ymroddedig i ddiodefwyr caethwasiaeth fodern.

## Troseddau Caethwasiaeth Fodern a Riportiwyd yn 2019/20 o'i gymharu â 2018/19

Fel y dangosir yn y tabl uchod, mae cynnydd wedi bod mewn troseddau cofnodedig yn ystod y cyfnod adrodd hwn. Mae'r math hwn o drosedd yn parhau'n drosedd cudd. Felly rwyf yn croesawu unrhyw gynnydd mewn troseddau sy'n cael eu riportio. Pryder mwy i mi yw bod canlyniadau bron iawn yn gyfan gwbl y tu allan i ganlyniadau 1-8 gydag anawsterau tystiolaethol y broblem fwyaf cyffredin. Ar nodyn mwy cadarnhaol, mae cyflwyniadau cudd-wybodaeth yn parhau ar raddfa gyson.

Mae hapsamplo ymchwiliadau wedi dechrau er mwyn ymdrin â'r broblem o gasglu tystiolaeth addas.

## Ariannu a Chyllid

### Cyllideb yr Heddlu

Fel y Comisiynydd Heddlu a Throsedd, rwyf yn gyfrifol am osod y gyllideb sy'n cael ei darparu i'r Prif Gwnstabl ar gyfer cyflawni plismona yng Ngogledd Cymru. Dyranwyd cyllideb net o £151.770m i'r Prif Gwnstabl ar gyfer 2019/20. Defnyddiwyd y £2.450m yn weddill ar gyfer fy Nghronfa'r Comisiynydd (sy'n ariannu mentrau fel diogelwch cymunedol, ymyrraeth cyffuriau a chyfiawnder ieuencid) a hefyd am gostau fy swyddfa.

Tra bod grantiau llywodraethau canolog, wedi eu penderfynu gan y Swyddfa Gartref, yn cyfrif am 47% o'r cyllid, ariannwyd 53% gan drethdalwyr lleol. Mae Datganiad y Cyfrifon ar gael ar fy ngwefan. Roedd blwyddyn ariannol 2019/20 yn heriol, gyda £2.832m o doriadau pellach wedi'u cyflawni. Ynghyd â thoriadau o £2.358m i'w cyflwyno yn 2020/21, a chan ystyried chwyddiant a phwysau eraill, mewn termau real mae'r gyllideb plismona yng Ngogledd Cymru ar hyn o bryd yn £36m yn llai na 2010/11. Er gwaethaf y rhagolwg mwy positif ers 2015, mae'r sefyllfa'n parhau i fod yn heriol, ac wrth ysgrifennu hyn mae ansicrwydd sylweddol dros ariannu ar gyfer 2021/22 a thu hwnt.

### Swyddfa'r Comisiynydd Heddlu a Throsedd

Gosodwyd cyllideb flynyddol ar gyfer 2019/20 ar £826,196 gyda chyllideb comisiynu o £1,624,126 yn ychwanegol. Yn ychwanegol, gweinyddodd y Swyddfa Grant Gwasanaethau'r Dioddefwyr o £804,262 ac mae'n gorff atebol ar gyfer grant VAWDASV o £419,200.

Mae'r Swyddfa hefyd yn gorff atebol i'r Rhaglen Ymyrraeth Cyffuriau, yn derbyn £478,140 o Wasanaeth Carchardai a Phrawf EM yn flynyddol tuag at y gost.

### Strategaeth Ystadau

Mae'r orsaf heddlu sydd wedi'i hail leoli yng nghanol tref Wrecsam yn awr wedi hen sefydlu mewn man amlwg a hygyrch ac mae wedi'i derbyn yn wresog. Mae hen safle'r Pencadlys Rhanbarthol ym Modhyfryd, Wrecsam yn cael ei werthu ar gyfer ei ailddatblygu. Mae'r enillion gwerthiant wedi cael eu buddsoddi yn adeilad Pencadlys Rhanbarthol y Dwyrain yn Llai sy'n ychwanegiad strategol pwysig i'r ystâd. Mae gweithredu Strategaeth Ystadau 2018-2028 yn parhau a bydd adeiladau nad ydynt yn cael eu defnyddio yn cael eu datgomisiynu yn y pen draw.

Mae cyflwyno teclynnau rhyngrwyd i Swyddogion Heddlu a'r cynnydd mewn gweithio hyblyg ledled yr Heddlu yn rhoi mwy o gyfleoedd i ddefnyddio'r ystâd yn fwy effeithlon ac mewn gwahanol ffyrdd. Mae buddsoddi yn yr ystâd yn parhau. Mae'r orsaf heddlu ym Mhwlheli yn mynd drwy waith moderneiddio sylweddol er mwyn sicrhau ei bod yn addas ar gyfer plismona modern. Mae cynigion hefyd i ddarparu gorsaf heddlu newydd yng Nghaergybi i ddisodli'r hen adeilad yng nghanol y dref.

### Y Rhagolwg Ariannol

Er bod tipyn mwy o sicrwydd wedi bod yn y blynyddoedd diweddar, mae'r sefyllfa wleidyddol gyfredol yn golygu ei bod hi'n anodd darogan y sefyllfa ariannol ar gyfer 2021/22 a'r blynyddoedd wedyn. Rydym wedi derbyn cadarnhad bod y grant a dderbyniwyd yn 2019/20 i wrthbwyso yn rhannol gost ychwanegol pensiynau'r heddlu yn cael ei dderbyn eto yn 2020/21. Serch hynny, nid yw'r sefyllfa barhaus wedi ei benderfynu eto.

Mae'r system Gorchymyn a Rheoli yn galw am ddiweddariad sylweddol o fewn y blynyddoedd nesaf. Mewn ymateb i hyn, rwyf wedi dyrannu £1.7m i'r gronfa gyfalaf wrth gefn at y diben hwn.

Mae pandemig COVID-19 yn cael effaith sylweddol ar ein trefniadau gweithio. Ac eithrio'r arian ychwanegol sy'n cael ei glustnodi ar gyfer gwasanaethau wedi'u comisiynu, hyd yma nid oes cyllid pellach wedi'i gynnig ar gyfer cyflawni plismona.

## Prosiect Menter Gwrthsefyll Trais (SAVI)

Yn ystod 2019/20 rhoddais gyllid tuag at Brosiect Ieuenctid Gorllewin Y Rhyl. Gwnaeth y prosiect arloesol adnabod pobl ifanc yn y Rhyl a oedd mewn perygl o gael eu heffeithio gan droseddau treisgar. Cydnabuwyd bregusrwydd pobl ifanc fel dioddefwyr a throseddwyr posibl.

Gwnaeth y prosiect ffurfio partneriaeth gydweithredol. Daeth y fenter gwrthsefyll trais (SAVI) â sefydliadau trydydd sector a grwpiau cymunedol gyda gwasanaethau statudol, gan gynnwys yr heddlu, cyfiawnder ieuenctid ac ysgolion, at ei gilydd. Gwneir hyn er mwyn rhannu gwybodaeth, syniadau ac adnoddau wrth ddatblygu a chyflawni datrysiadau lleol creadigol gydag ymdriniaeth holistaidd ar sut i fynd i'r afael â chymhellwyr trais difrifol. Gwnaeth y prosiect ganolbwyntio ar bryderon lleol a oedd yn alinio â blaenoriaethau rhanbarthol a chenedlaethol, fel y nodir yn y Cynllun Heddlu a Throsedd a 'Strategaeth Trais Difrifol' Llywodraeth EM.

## Dechrau Newydd

Mae Swyddfa'r Comisiynydd Heddlu a Throsedd, ynghyd â Gwasanaeth Carchardai a Phrawf Ei Mawrhydi, wedi tendro'n ddiweddar am gytundeb ymyrraeth cyffuriau newydd, o'r enw Dechrau Newydd. Mae'r gwasanaeth, sy'n cael ei gyflwyno gan Kaleidoscope, yn anelu at ymgysylltu â throseddwyr sy'n defnyddio sylweddau. Mae'n eu cynorthwyo i leihau troseddau, gwella iechyd a gweithredu'n gymdeithasol, ymgysylltu gyda chymorth amlasiantaeth a gwneud newidiadau cynaliadwy i'w ffordd o fyw.

Mae dalfeydd, llysoedd, swyddfeydd prawf a charchardai'n cynnig cyfleoedd allweddol i adnabod, rhoi gwybodaeth ac ymgysylltu â throseddwyr sy'n defnyddio sylweddau. Gall y rhain fod yn amgylcheddau heriol i gyflawni gwasanaethau triniaeth, yn enwedig wrth ymgysylltu gydag unigolion all o bosib fod yn arbennig o orbryderus, drwgdybus a bregus. Nod cyffredin y gwasanaeth yw darparu cymorth integredig di-dor i droseddwyr cyffuriau ac alcohol a fydd yn cael ei gyflawni drwy gyflwyno gwasanaeth sy'n cwmpasu darparu:

- Cymorth holistaidd wedi'i deilwra i'r rhai hynny a nodir fel defnyddwyr gwasanaeth gwirfoddol
- Cymorth priodol wedi'i deilwra i fodloni gofynion Rhybuddion Amodol
- Darparu profion cyffuriau, pecynnau cymorth therapiwtig a chofleidiol, a darparu gwybodaeth fel sy'n briodol ar gyfer cyflwyno gorchmynion Gofyniad Adsefydlu Cyffuriau (DRR) a Gofyniad Triniaeth Alcohol (ATR).

Dechreuodd y cytundeb newydd ar 1 Ebrill 2020.

## Gweithiwr Achos Twyll Canolfan Cymorth Dioddefwyr

Mewn ymateb i'r cynnydd mewn twyll, yn lleol ac yn genedlaethol, fe wnes i roi cyllid ychwanegol i'r Ganolfan Cymorth Dioddefwyr i recriwtio gweithiwr achos ymroddedig i gynorthwyo dioddefwyr twyll. Mae hyn yn unol â'm blaenoriaeth strategol o leihau camfanteisio'n droseddol ar bobl fregus. Bydd pob dioddefwr yn awr yn derbyn ymateb wedi'i deilwra'n benodol ar gyfer eu sefyllfa. Mae gan y Ganolfan Cymorth Dioddefwyr 5 gweithiwr achos arbenigol bellach sy'n darparu cymorth parhaus i ddiodeffwyr Caethwasiaeth Fodern, Trais Difrifol, Trosedd Casineb ac Iechyd a Lles Meddwl.

Rwyf yn gobeithio drwy ddarparu'r cyllid ymroddedig hwn i gynorthwyo dioddefwyr, bydd yn sicrhau nad yw pobl yn dod yn ddiodeffwyr mynych.

## Gwasanaeth Cyngtori Trais Domestig Rhanbarthol

Mewn ymateb i Ddeddf Trais yn Erbyn Merched, Cam-drin Domestig a Thrais Rhywiol (Cymru) 2015, mae Bwrdd Strategol Trais yn Erbyn Merched, Cam-drin Domestig a Thrais Rhywiol (VAWDASV) ac Is-grŵp Comisiynu ar y Cyd wedi'u sefydlu. Mae hyn er mwyn cynllunio a gweithredu a chomisiynu gwasanaethau VAWDASV ar y cyd ledled Gogledd Cymru. Mae'r strategaeth yn anelu i ddod â lefel uwch o gysondeb ac arfer da i holl ddarpariaeth ledled y rhanbarth.

Rhan gyntaf y strategaeth hon yw comisiynu darparu gwasanaethau IDVA ar y cyd, er mwyn cyflawni gwasanaeth rheng flaen yn gyson ac effeithiol i ddioddefwyr cam-drin domestig risg uchel a mynych. Mae Asesiad a Strategaeth Anghenion rhanbarthol wedi'u datblygu ac mae'r gwasanaeth IDVA isranbarthol yn rhan hanfodol o'r strategaeth. Mae'r data a'r dystiolaeth o angen wedi'u nodi'n glir drwy'r asesiad anghenion lleol ynghyd â data cenedlaethol. Mae'n ofyniad cydnabyddedig ledled y rhanbarth.

Gwnaeth Bwrdd Strategol Trais yn Erbyn Merched, Cam-drin Domestig a Thrais Rhywiol (VAWDASV) Gogledd Cymru, ynghyd â Swyddfa Comisiynydd Heddlu a Throsedd Gogledd Cymru, Cefnogi Pobl a'r Bwrdd Cynllunio Ardal (y Comisiynwyr) dendro ar gyfer comisiynu gwasanaeth IDVA Rhanbarthol newydd i ofalu am y chwe ardal awdurdod lleol yng Ngogledd Cymru. Daeth y broses hon i derfyn llwyddiannus ym mis Rhagfyr 2019 ac fe gafodd dau ddarparwr y cytundeb newydd a ddechreuodd ym mis Ebrill 2020. Bydd hyn yn sicrhau nad oes dyblygu gwasanaethau, bod cysondeb o ran cyflawni a bydd y rhanbarth yn gallu sicrhau cynllunio effeithiol ar gyfer darparu'r gwasanaethau hyn yn y dyfodol.

## Cronfa Ymyrraeth Gynnar 2019/20

## Adroddiad o Swyddfa Comisiynydd yr Heddlu a Throsedd

**Teitl:** Diweddariad ar Gyllideb 2020/21 (Ar 31 Awst 2020)  
**Cyfarfodydd:** Panel Heddlu a Throsedd Gogledd Cymru, 28 Medi 2020  
**Awdur:** Kate Jackson, Prif Swyddog Cyllid

### 1. Cyflwyniad

- 1.1 Pwrpas y papur hwn yw darparu aelodau'r panel â:
- chadarnhad am statws y Datganiad Cyfrifon am y flwyddyn ariannol a ddaeth i ben 31 Mawrth 2020;
  - diweddariad ar y gyllideb blismona ar gyfer Gogledd Cymru fel y saif ar 31 Awst 2020 (mis 5).

### 2. Argymhellion

- 2.1 Nodi'r adroddiad.

### 3. Diweddariad ar gyfrifon ac archwiliad 2019/20

Cafodd y cyfrifon drafft eu paratoi a'u llofnodi erbyn 31 Mai 2020 ac fe'u cyhoeddwyd ar wefan y Comisiynydd. Oherwydd Covid-19, cafodd dechrau'r archwiliad ei oedi, a bydd y cyfrifon wedi eu harchwilio yn cael eu cyflwyno i'r Cyd-bwyllgor Archwilio ar 5 Hydref 2020. Ar ddechrau ysgrifennu'r adroddiad hwn, roedd y canlyniad a'r cronfeydd wrth gefn y gellid eu defnyddio yr un fath â'r hyn a adroddwyd i Banel yr Heddlu a Throsedd ar 15 Mehefin 2020.

- 3.1 Ar ddechrau'r cyfarfod ar 5 Hydref 2020, bydd yr Archwilydd Cyffredinol yn cyhoeddi ei adroddiad archwilio ar ddatganiadau ariannol y Comisiynydd a'r Prif Gwnstabl. Pan fydd y cyfrifon wedi cael eu llofnodi gan bawb, bydd y cyfrifon terfynol wedi'u harchwilio yn disodli'r cyfrifon drafft ar wefan y Comisiynydd.
- 3.2 Gellir dod o hyd i fwy o wybodaeth yn yr [adran gyllid](#) ar wefan y Comisiynydd.

### 4. Diweddariad ar Gyllideb 2020/21

- 4.1 Cymeradwywyd y gyllideb net o £163.705m ym Mhanel yr Heddlu a Throsedd ar 31 Ionawr 2020. Mae hyn yn cynnwys £0.936m i'r OPCC a £1.620m ar gyfer y Gronfa Diogelwch Cymunedol. Gellir dod o hyd i ragor o wybodaeth ar [wefan](#) Comisiynydd yr Heddlu a Throsedd.
- 4.2 Ers cytuno ar y gyllideb, gwnaethpwyd nifer o drosglwyddiadau, i ymgorffori:
- Ymgyrch Uplift - dyrannwyd cyllid i gynyddu nifer y swyddogion o 62 (dyraniad Heddlu Gogledd Cymru yng ngham un y cynllun i gynyddu nifer swyddogion heddlu gan 20,000 yng Nghymru a Lloegr);

- Mae swyddfa'r Comisiynydd yn derbyn grantiau amrywiol ar gyfer comisiynu gwasanaethau; mae'r cyllidebau gwariant ac incwm bellach yn cael eu dangos fel rhai gros.

#### 4.3 Y ddau faes sydd ag amrywiannau sylweddol yw gweithwyr a chyflenwadau a gwasanaethau:

Roedd gweithredu OIP yn llawn a newidiadau eraill a weithredwyd gan feysydd gwasanaeth eisoes yn lleihau'r pwysau ar oramser. Arweiniodd y moratoriwm ar oramser, hyfforddiant a gwyliau a gyflwynwyd ar ddechrau'r cyfnod clo at argaeledd uwch swyddogion a staff dros y cyfnod hwn, gan arwain at danwariant rhagamcanol o £0.314m mewn goramser, a £0.100m arall oherwydd oedi mewn hyfforddi.

- Mae prisiau tanwydd is a milltiroedd ar gyfer cerbydau'r heddlu wedi cyfrannu at y tanwario mewn trafndiaeth, fel y mae llai o hawliadau teithio. Mae Covid-19 wedi gofyn am newidiadau i rai arferion gwaith (er enghraifft, mae mwy o gyfarfodydd yn cael eu cynnal ar-lein). Os daw'r hyn y norm, gallai hyn ddarparu rhai cyfleoedd ar gyfer arbedion cynaliadwy.

- 4.4 Yn gynwysedig yn yr uchod mae incwm a gwariant sy'n gysylltiedig â gweithgareddau comisiynu. Cyflwynir gwybodaeth am y rhain i'r Panel mewn adroddiad ar wahân oddi wrth y Rheolwr Comisiynu.
- 4.5 Hefyd wedi'i gynnwys uchod mae Swyddfa Comisiynydd yr Heddlu a Throsedd. Y gyllideb ddiwygiedig ar gyfer y flwyddyn yw £934,686, gan gynnwys cyfraniad o £21,000 i PACT. Ar 31 Awst, roedd y gwariant yn £349,901 a'r rhagamcaniad rhagamcanol oedd £887,588, tanwariant o £47,113. Mae hyn yn bennaf o ganlyniad i fod swydd y Dirprwy Gomisiynydd yr Heddlu a Throsedd yn wag ers mis Mai 2020.
- 4.6 Ariennir gwasanaeth Checkpoint Cymru gan Swyddfa Comisiynydd yr Heddlu a Throsedd, ac mae'n cael ei redeg ar y cyd â'r heddlu. Mae gan y cynllun dargyfeirio hwn gyllideb gros o £405,134. Y gwariant hyd at ddiwedd mis Awst yw £146,800, a rhagwelir y bydd y gwariant yn £398,238.
- 4.7 Er bod y rhagamcanion ar hyn o bryd yn rhagweld tanwariant bach ar ddiwedd y flwyddyn ariannol, mae'n bwysig cofio ei bod yn dal yn gynnar iawn yn y flwyddyn, a gall y sefyllfa hon newid. Mae eleni wedi bod yn anarferol iawn oherwydd pandemig Covid-19, gan arwain at ffyrdd newydd o weithio i lawer o staff a swyddogion. Er mai ymateb cychwynnol y llywodraeth fu ariannu costau ychwanegol, a bod ffyrdd newydd o weithio yn creu cyfleoedd ar gyfer arbedion cynaliadwy, nid yw effaith ariannol hirdymor y coronafeirws yn hysbys o hyd, ac mae cryn ansicrwydd ynghylch cyllid ar gyfer 2021/22 ymlaen.

## 5. Cyfalaf

- 5.1 Y rhaglen gyfalaf wreiddiol ar gyfer 2020/21 oedd £9.475m. Gan ystyried llithriad a rhai mân ychwanegiadau a dileu, mae hyn yn cynyddu i £12.277m. Mae gwaith pellach yn mynd rhagddo i gadarnhau'r proffil gwariant, a fydd yn debygol o arwain at ddyrannu peth o'r gyllideb hon i'r blynyddoedd i ddod. Nid oedd unrhyw brosiectau mawr wedi'u cwblhau'n rhannol ar ddechrau'r flwyddyn ariannol.

**Teitl:** Cymharu cost OPCC Gogledd Cymru ac eraill  
**Cyfarfod:** Panel Heddlu a Throsedd Gogledd Cymru, 28 Medi 2020

### 1. Cyflwyniad

- 1.1 Pwrpas y papur hwn yw darparu aelodau'r panel â chymhariaeth:
- o gyllideb 2019/20 Swyddfa'r Comisiynydd Heddlu a Throsedd (OPCCYr holl rai eraill yng Nghymru a Lloegr
  - Gyda'n grŵp mwyaf tebyg
  - Gydag eraill yng Nghymru

### 2. Argymhellion

- 2.1 Nodi'r adroddiad.

### 3. Methodoleg

- 3.1 Mae pob OPCC wedi'i drefnu yn ei ffordd ei hun, er mwyn diwallu anghenion pob PCC, a'r boblogaeth y mae pob un yn ei gwasanaethu orau. Bydd yr wybodaeth a gyhoeddir ar wefannau PCC yn adlewyrchu trefniadau lleol, ac nid yw cymariaethau uniongyrchol bob amser yn bosibl. Er mwyn gallu cymharu cyllidebau rhwng OPCC, mae angen defnyddio gwybodaeth sydd wedi'i pharatoi mewn modd mor debyg â phosibl. Felly, penderfynwyd defnyddio rhagamcanion Dadansoddiad Amcanion yr Heddlu CIPFA (POA) ar gyfer 2019/20 (y mwyaf diweddar sydd ar gael) i baratoi'r papur hwn. Gall hyn fod yn wahanol i wybodaeth ar wefannau PCC.
- 3.2 Mae Heddlu Trafnidiaeth Prydain a Heddlu Dinas Llundain wedi'u heithrio o'r dadansoddiad, gan fod yr wybodaeth ar gyfer y rhain yn anghyflawn neu ddim yn bodoli. Mae'r ddau heddlu hyn yn wahanol iawn ar lawer ystyr, felly ni ddylai eu gwahardd gael effaith sylweddol ar ganfyddiadau'r dadansoddiad hwn.
- 3.3 Er y dylid cwblhau ffurflenni POA CIPFA gan ddilyn yr un egwyddorion, wrth archwilio pob set o ddata yn unigol, mae'n amlwg bod rhai amrywiadau o hyd o ran sut y cyflwynwyd yr wybodaeth. Felly, mae'r dadansoddiad hwn yn cyfuno gwybodaeth i gymharu crynodebau, yn hytrach na cheisio cymharu ar lefel fanwl.
- 3.4 Mae tabl gyda chrynodeb o'r boblogaeth a data POA wedi'i gynnwys ar ddiwedd yr adroddiad hwn. Mae'n bwysig cofio bod pob OPCC wedi'i drefnu mewn modd sy'n darparu gwasanaethau yn y ffordd a ystyrir yn fwyaf priodol ar gyfer pob ardal. Felly, er ei bod yn ddefnyddiol gwneud cymariaethau, efallai na fydd y rhain yn debyg ym mhob achos, a rhaid bod yn ofalus wrth ddod i unrhyw gasgliadau pendant.

### 4.0 Cost absoliwt

4.1 Gan fynd o'r lleiaf i'r mwyaf, ardal Heddlu Ngogledd Cymru sydd â'r nawfed boblogaeth leiaf o'r holl ardaloedd heddlu wedi'u dadansoddi, ac felly byddai'n rhesymol disgwyl i OPCC Gogledd Cymru fod ymhlith y lleiaf drud o ran cyfanswm y gost. Roedd cyllidebau gwariant gros OPCC (ac eithrio gwasanaethau a gomisiynwyd) yn amrywio rhwng £0.812m a £68.826m yn 2019/20. Cyllideb OPCC Gogledd Cymru a gyfrifwyd ar yr un sail oedd £0.972m, sef y pumed isaf yng Nghymru a Lloegr.

4.2 Er bod yr uchod yn arwydd o gostau OPCC yn gymharol isel yng Ngogledd Cymru, mae angen dadansoddiad pellach er mwyn ffurfio barn fwy crwn.

## 5.0 Maint yr OPCC

5.1 Mae nifer y staff cyfwerth ag amser llawn (CALI) mewn OPCCs yn amrywio'n sylweddol, fel y byddai rhywun yn ei ddisgwyl. Gan gynnwys y PCC, Dirprwy PCC (os oes un), swyddogion statudol, staff comisiynu a staff eraill, mae'r niferoedd yn amrywio rhwng 8.30 a 157.00. Gyda 11.62 CALI wedi'u cyllidebu yn 2019/20, Gogledd Cymru oedd y pedwerydd lleiaf yn ôl CALI.

5.2 Unwaith eto, mae hyn yn dangos bod nifer y bobl yn OPCC Gogledd Cymru yn gymharol isel, wedi'i gymryd ar ei ben ei hun, nid yw'n ffurfio darlun llawn.

## 6.0 Cost a maint cymharol

6.1 Er mwyn cael argraff gyffredinol o ba mor fawr neu fach yw OPCC Gogledd Cymru, a faint mae'n ei gostio, gellir cynnal mwy o ddadansoddi. O amcangyfrifon poblogaeth CIPFA POA a HMIC, mae'n bosibl cyfrifo cost y pen o'r boblogaeth.

6.2 Er nad oes unrhyw beth o'i le yn y bôn â chymharu Gogledd Cymru â Chymru a Lloegr gyfan, mae pob OPCC yn wahanol, ac mae rhai cymariaethau'n fwy perthnasol nag eraill. Mae'r grwpiau HMIC yn gwthio i mewn i'r rhai y mae'n eu hystyried yn debyg (y Grŵp Mwyaf Tebyg - MSG). Yn ogystal, mae yna nifer o wahaniaethau rhwng Cymru a Lloegr, ac felly gallai cymhariaeth ag eraill yng Nghymru fod yn berthnasol hefyd.

6.3 Mae'r isod yn dangos Gogledd Cymru o'i gymharu â Chymru a Lloegr, yr MSG a gweddill Cymru, gan ddefnyddio gwybodaeth 2019/20:

	CALI fesul miliwn o'r boblogaeth	Cost fesul person (OPCC yn unig - ac eithrio gwasanaethau a gomisiynwyd)
Gogledd Cymru	16.60	£1.39
Cymru a Lloegr	18.50	£2.37
MSG	27.65	£1.68
Cymru	33.99	£1.89

- 6.4 Mae'r holl fesurau a ddefnyddir yn nodi bod OPCC Gogledd Cymru yn gymharol rhad yn seiliedig ar gyllideb 2019/20 ac amcangyfrifon poblogaeth. Er bod hyn, ar yr wyneb, yn beth da i breswylwyr, mae'n bwysig bod gan yr OPCC adnoddau priodol i ddarparu gwasanaethau i'r rhai sy'n byw yng Ngogledd Cymru. Yn 2020/21 sefydlwyd dwy swydd ychwanegol yn OPCC Gogledd Cymru, sy'n dod â'r swyddfa hon yn fwy unol â'r cyfartaledd cenedlaethol.
- 6.5 Rhaid ystyried hefyd bod pob Comisiynydd Heddlu a Throsedd yn gyfrifol am sicrhau bod gan ei swyddfa adnoddau priodol ar gyfer y gwaith y mae disgwyl iddo ei wneud. Lle gall maint neu gost gymharol OPCC roi argraff a oes ganddo adnoddau priodol ai peidio, bydd trefniadau gwahanol ym mhob OPCC yn arwain at gostau gwahanol. Felly, rhaid i unrhyw asesiad o werth am arian hefyd gynnwys elfen o effeithiolrwydd.

## **1. CRYNODEB A PHWYNTIAU ALLWEDDOL**

- 1.1 Darparu adroddiad monitro blynyddol i Banel Heddlu a Throsedd Gogledd Cymru ar y defnydd o grant a threuliau'r Panel Trosedd ac Anhrefn yn ystod y cyfnod 01/04/19 – 31/03/20.
- 1.2 Er mwyn caniatáu i'r cyhoedd graffu ar wariant y Panel mae gofyniad tryloywder wedi'i gynnwys fel amod i'r taliad grant sengl ac mae'n rhaid i'r Panel, fel isafswm, gyhoeddi manylion ei holl wariant ar ei wefan.
- 1.3 Fel rhan o'r gofynion ar gyfer gwybodaeth fonitro canol blwyddyn 2019/20, mae gofyn i'r Panel rwan adrodd ar gynnydd yn erbyn ffactorau llwyddiant hanfodol o ran cyflawni amcanion a chyrraedd targedau, ac amlygu sut y cyflawnir gwerth am arian (e.e. buddion, arbedion, arbedion effeithlonrwydd ac ati). Mae angen anfon yr adroddiadau hyn i'r Swyddfa Gartref, ynghyd â'r ffurflen gais am hawliad ar ddiwedd blwyddyn a datganiad canlyniad a gwblhawyd erbyn 31 Gorffennaf 2020.
- 1.4 Mae'r ffactorau llwyddiant hanfodol y dylid adrodd arnynt fel a ganlyn:
  - Nifer y cyfarfodydd cyhoeddus a gynhaliwyd.
  - Dogfennau craffu a chyhoeddiadau a gynhyrchwyd, gan gynnwys Adroddiad Blynyddol y Panel.
  - Ymgysylltiad aelodau o'r cyhoedd a Chomisiynydd Heddlu a Throsedd Gogledd Cymru â gwaith y Panel.

## **2. ARGYMHELLIAD/ARGYMHELLION**

- 2.1 Nodi'r adroddiad monitro blynyddol a chynnydd sydd wedi'i wneud yn erbyn y ffactorau llwyddiant hanfodol.
- 2.2. Bod y Panel yn cydnabod bod swyddogion yn monitro ac yn olrhain gwariant yn erbyn cyllidebau cytunedig ac i sicrhau gwerth am arian.
- 2.3 Bod y Panel yn cydnabod bod yr Awdurdod Cynnal wedi cynnal adolygiad blynyddol o ddiben y grant ac yn hapus i barhau â chytundeb y Panel.

## **3. MANYLION YR ADRODDIAD**

3.1 Mae'r Swyddfa Gartref yn darparu dyraniad grant o £70,975 i'r Awdurdod Cynnal ar gyfer cynnal Panel Heddlu a Throsedd i'w alluogi i gyflawni'r swyddogaethau a'r cyfrifoldebau, yn unol â Deddf Diwygio'r Heddlu a Chyfrifoldeb Cymdeithasol 2011.

3.2 Dyrennir y grant o dan dri phennawd:

- Costau Gweinyddu sy'n cynnwys costau ail-gofrestru Swyddogion a chostau sy'n gysylltiedig â rheolaeth gyffredinol y Panel, hyfforddiant a chofrestru.
- Costau Aelodau
- Costau cyfieithu

Mae rhwydd hynt i'r Awdurdod drosglwyddo unrhyw danwariant mewn treuliau aelodau i dalu costau gweinyddu, ar yr amod nad yw'n fwy na chyfanswm y grant.

3.3 Cyflwynir hawliadau i'r Swyddfa Gartref bob chwe mis, sy'n cynnwys gwariant gwirioneddol yn erbyn gwariant a ragwelir. Mae'r Awdurdod Cynnal yn cadw'r dystiolaeth berthnasol i gefnogi'r hawliadau.

3.4 Mae Atodiad 1 yn rhoi manylion yr hawliad ar gyfer 01/04/19 - 31/03/20.

3.5 Mae Atodiad 2 yn rhoi manylion lwfansau a threuliau a dalwyd i Aelodau ar gyfer 2019/20 ac mae hefyd yn cynnwys manylion treuliau eraill i gynnal swyddogaethau'r Panel, fel presenoldeb mewn cyfarfodydd gyda CLILC, digwyddiadau hyfforddiant ac ati.

3.5 Mae'r cynnydd o ran y ffactorau llwyddiant hanfodol rhwng 01/04/19 a 31/03/20 fel a ganlyn:

- Cynhaliwyd 3 o gyfarfodydd yn ystod 2019/20.
- O ran adroddiadau craffu, cyhoeddiadau ac ymgysylltu â'r cyhoedd a'r Comisiynydd Heddlu a Throsedd:
  - Mae'r Panel wedi cyhoeddi 4 adroddiad yn ystod y cyfnod adrodd yn ymwneud â: Treuliau a Lwfansau Aelodau; Adolygiad Blynyddol o'r Aelodaeth; Crynodeb o'r Cwynion a Dderbyniwyd ac Adroddiad Monitro'r Gyllideb Ebrill 2019 – Medi 2019.
  - Sefydlodd y Panel rolau ar gyfer 6 Aelod sy'n Gefnogwyr, i gyd-fynd â'r blaenoriaethau a nodir yn y Cynllun Heddlu a Throsedd ac i arolygu proses y gyllideb a'r praesept. Rôl Aelod sy'n Gefnogwr yw trafod materion gyda'r Prif Weithredwr neu'r Prif Swyddog Cyllid yn Swyddfa'r Comisiynydd Heddlu a Throsedd (nid Heddlu Gogledd Cymru) a darparu'r newyddion diweddaraf i'r Panel am weithgareddau, a hyrwyddo cylch gwaith y Panel yn gyffredinol.
  - Mae rôl yr Aelod sy'n Gefnogwr wedi bod yn offeryn effeithiol i gefnogi a chraffu ar benderfyniadau'r Panel, gydag aelodau'r Panel yn adrodd yn ôl ar lafar ymhob cyfarfod o'r Panel am y gwaith maent wedi'i wneud; mae'r adroddiadau hyn ar lafar yn cael eu cofnodi yn unol â hynny. Gall Aelod sy'n Gefnogwr siarad o blaid y gwaith a wneir gan y Comisiynydd Heddlu a Throsedd, yn ogystal â darparu sicrwydd i'r Panel bod cynnydd yn cael ei wneud o ran y blaenoriaethau a'r materion sy'n gysylltiedig â'r gyllideb. Mae hefyd yn helpu i wella gwybodaeth aelodau o'r Panel a datblygu'r perthynas rhwng y Panel a'r Comisiynydd.
  - Mae'r Panel hefyd wedi datblygu protocol ar gyfer cwestiynau i'r Comisiynydd, ac yn derbyn cwestiynau gan aelodau o'r cyhoedd neu aelodau o'r Panel, y mae modd eu cyflwyno i'r Panel yn ystod ei gyfarfodydd cyhoeddus. Mae Aelodau sy'n Gefnogwyr wedi manteisio ar y cyfle i gyflwyno cwestiynau i'r Panel ar sawl achlysur, gan eu bod mewn sefyllfa i nodi bregusrwydd posibl. Mae hyn wedi arwain at y Panel yn darparu ymatebion cynhwysfawr manwl, sydd wedi dangos fod yr Heddlu yn ymwybodol o'r materion a ble bo'n bosibl wedi delio â nhw. Ymddengys bod y trefniadau hyn yn cyflawni'r rôl sydd ynghlwm wrth graffu ar waith y Comisiynydd
  - Mae cyfarfodydd o'r Panel hefyd yn cael eu gweddarlledu, sydd yn offeryn ymgysylltu cyhoeddus defnyddiol ac yn hyrwyddo gwaith y Panel a'r Comisiynydd.

3.6 Yn nhermau arbedion effeithlonrwydd, mae'r Panel wedi gwerthuso'r angen i fynd i gyfarfodydd a digwyddiadau hyfforddiant. Pan fo'n bosib, cynhelir cyfarfodydd drwy Skype neu delegynadledda (sy'n golygu nad oes angen teithio i Gaerdydd) ac eir i ddigwyddiadau hyfforddiant sy'n berthnasol i banel yng Nghymru yn unig.

- 3.7 Mae gwariant ar gyfer y cyfnod adrodd 01/04/19 – 31/03/20 wedi'i amlinellu yn Atodiad 1:
- Costau gweinyddu: Oherwydd effaith y Coronafeirws, mae'r Panel wedi cynnal 3 chyfarfod yn unig yn ystod y flwyddyn, felly, nid yw'r rhan yma o'r grant wedi'i ddefnyddio'n llawn.
  - Costau aelodau: Oherwydd effaith y Coronafeirws, mae'r Panel wedi cynnal 3 chyfarfod yn unig yn ystod y flwyddyn ac nid oedd Aelodau'r Panel yn gallu mynychu hyfforddiant ym mis Mawrth 2020, felly, nid yw'r rhan yma o'r grant wedi'i ddefnyddio'n llawn.
  - Costau cyfieithu: Mae'r rhan yma o'r grant wedi'i ddefnyddio i gyd.
- 3.8 Mae'n rhaid i'r Swyddog Arweiniol awdurdodi'r holl dreuliau, er mwyn sicrhau eu bod yn darparu gwerth am arian a buddion i'r Panel cyfan.
- 3.9 Bydd holl gostau'r Swyddogion Cefnogi yn cael eu hawdurdodi gan yr Awdurdod Cynnal i sicrhau gwerth am arian.
- 3.10 Fel rhan o amodau grant y Panel, mae'n rhaid i'r Awdurdod adolygu Diben y Grant yn flynyddol, gan gymryd i ystyriaeth cyflawniadau'r Panel fel y mesurir yn erbyn y ffactorau llwyddiant hanfodol. Fel rhan o'r adolygiad blynyddol bydd yr Awdurdod yn ystyried yr adroddiadau a gynhyrchwyd gan y Panel, a fydd yn arwain at yr Awdurdod yn gwneud argymhelliad:
- a. Diben a Chytundeb yn parhau yn unol â chynlluniau presennol; neu*
  - b. Dylai Gwariant Cymwys yn daladwy ar gyfer y Cyfnod Cyllido dilynol gael ei adolygu (i fyny neu i lawr); neu*
  - c. Dylai ffactorau llwyddiant hanfodol gael eu haildiffinio a'u cymeradwyo; neu*
  - d. Dylid terfynu cytundeb.*
- 3.11 Mae'r Awdurdod wedi cynnal adolygiad ac mae'n argymhell parhau â'r Cytundeb.

#### **4. DEWISIADAU**

- 4.1 Bod y Panel yn cefnogi'r trefniadau sydd ar waith i fonitro gwariant y grant.
- 4.2 Bod y Panel yn awgrymu trefniadau amgen i fonitro'r gwariant.

#### **5. YMGYSYLLTU/YMGYNGHORI**

5.1 Ymgynghorwyd ag aelodau'r Panel i werthuso a yw mynd i ddigwyddiadau hyfforddiant/cynadleddau yn ffordd effeithiol o ddefnyddio'r adnoddau.

## **6. GOBLYGIADAU O RAN ADNODDAU**

6.1 Mae'r Swyddfa Gartref yn darparu £70,975 i'r Awdurdod Cynnal, ar gyfer gweinyddu Panel Heddlu a Throsedd.

6.2 Mae Atodiad 1 yn darparu manylion am y gwariant am y cyfnod 01/04/19 – 31/03/20.

## **7. DEDDF LLESIANT CENEDLAETHAU'R DYFODOL**

7.1 Mae trefniadau craffu effeithiol yn rhoi cyfle i aelodau weithredu'r egwyddor datblygu gynaliadwy ac ystyried y pum ffordd o weithio (tymor hir, ataliad, integreiddio, cydweithio, cynnwys).
