Procedural Note on the conduct of meetings

The Chair will open the meeting and introduce themselves.

The meeting will be attended by a number of Councillors. Officers will also be in attendance to present reports, with Democratic Services officers acting as hosts of the meeting.

All attendees are asked to ensure their mobile phones are switched off and that any background noise is kept to a minimum.

All microphones are to be kept muted during the meeting and should only be unmuted when invited to speak by the Chair. When invitees have finished speaking they should go back on mute.

To indicate to speak, Councillors will use the chat facility or use the electronic raise hand function. The chat function may also be used for questions, relevant comments and officer advice and updates.

The Chair will call the speakers, with elected Members addressed as 'Councillor' and officers addressed by their job title e.g. Chief Executive' or name. From time to time, the officer advising the Chair will explain procedural points or suggest alternative wording for proposals, to assist the Committee.

If and when a vote is taken, the Chair will explain that only those who oppose the proposal(s), or who wish to abstain will need to indicate, using the chat function. The officer advising the Chair will indicate whether the proposals are carried.

If a more formal vote is needed, this will be by roll call – where each Councillor will be asked in turn (alphabetically) how s/he wishes to vote.

At County Council and Planning Committee meetings, speakers' times are limited. A bell will be sounded to alert that the speaker has one minute remaining.

The meeting will be live streamed onto the Council's website. A recording of the meeting will also be available, shortly after the meeting at:
