29. MINUTES

The minutes of the meeting held on 24 January 2024 were submitted. The minutes were approved as a correct record by Councillor Ted Palmer and seconded by Councillor Mike Peers.

RESOLVED:

That the minutes be approved as a correct record.

30. FORWARD WORK PROGRAMME

The Democratic Services Manager presented the Forward Work Programme for consideration. He suggested that once the Schedule of Meetings had been approved by County Council at the next AGM to be held in May, a revised Forward Work Programme be brought back to the Committee in June with details of the further items proposed for consideration at meetings during the next 12 months.

The Democratic Services Manager responded to the comments and questions raised by Members.

The recommendations in the report were approved as moved by Councillor Ted Palmer and seconded by Councillor Arnold Woolley.

RESOLVED:

(a) That the Forward Work Programme be approved;

- (b) That following approval of the Schedule of Meetings by County Council at the AGM to be held in May, a revised Forward Work Programme be brought back to Committee in June with details of further items proposed for consideration at future meetings; and
- (c) That the Democratic Services Manager, in consultation with the Chair of the Committee be authorised to vary the Forward Work Programme between meetings, as the need arises.

31. MEMBER WORKSHOPS BRIEFINGS AND SEMINARS UPDATE

The Democratic Services Manager presented the report. He provided background information and referred to the draft Councillor Development Plan which was appended to the report and showed the proposed list of training sessions/workshops available to Members during 2024. The Democratic Services Manager explained that the Development Planit was split into two sections: Section 1 reflected the sessions/workshops identified as 'mandatory' and Section 2 those that are 'discretionary'.

The Democratic Services Manager responded to the questions and comments raised by Members on the need for regular updates on the calendar of events, Members' attendance, and feedback on sessions.

The recommendations within the report were approved as moved by Councillor Ian Hodge and seconded by Councillor Steve Cople.

RESOLVED:

- (a) That the training programme provided as Appendix 1 be noted; .
- (b) That if Members had any suggestions for future development 'topics', they contact the Democratic Services Manager to discuss them; and
- (c) That the Committee receives a quarterly report of attendance at each of the sessions delivered.

32. INDEPENDENT REMUNERATION PANEL FOR WALES (IRPW) ANNUAL REPORT, FEBRUARY 2024

The Democratic Services Manager presented the report to provide details of the final annual report from the IRPW for 2024-25. He provided background information and referred to the main considerations as detailed in the report. The final Annual Report was attached as Appendix 1 to the report.

The Democratic Services Manager advised that there were no material changes to the proposals in respect of the IRPW's determinations included in the draft report which was considered by the Committee in November 2023. This means the basic salary in 2024/25 for elected members of principal Councils will be increased with effect from 1st April 2024. Increases have also been made for

Cabinet Members, Council Leaders, and their deputies. The salary levels were summarised in Para. 1.06 of the report.

The Democratic Services Manager explained that as reported in section 1.05 of the report, the IRPW had introduced a new hourly rate of payment for co-opted members of Principal Councils, National Park Authorities and Fire and Rescue Authorities. The Panel had determined that it is for the relevant officer at each authority to decide the appropriate rate to apply. Work will be undertaken during the coming months to better understand the implications of this change. Until this is completed there are no proposals to change the current method of remunerating Flintshire County Council co-opted members. The Chief Officer suggested that a further report be brought to the Committee to provide an opportunity to review the current arrangements around the cost of payments to co-opted members and consider if change was required or not in view of the Authority’s budget position.

The Democratic Services Manager responded to the questions raised by Councillor Ted Palmer regarding the information in paragraph 1.07 of the report that any member, or co-opted member, may give notice if they elect to forgo any part of their entitlement to a payment under the determination of the Panel for that particular year (as relating to the Authority). The Democratic Services Manager emphasised that it was an individual’s personal choice whether he/she elected to forgo any part of their entitlement to a payment and they should not be influenced by other individuals or political groups. The Democratic Services Manager responded to the further comments made by Councillor Palmer regarding peer pressure and explained the process adopted by the Authority to mitigate any pressure on Members to accept or forgo their allowances which were set by the IRPW. The Chief Officer gave advice around the current legislation and the IRPW process.

RESOLVED

That the Determinations made by the Independent Remuneration Panel for Wales in their Annual Report for 2024/25 be noted.

33. MEMBERS OF THE PUBLIC AND PRESS IN ATTENDANCE

There were no members of the press or public present.

CONSTITUTION & DEMOCRATIC SERVICES COMMITTEE

Date of Meeting	Monday, 16 September 2024
Report Subject	Forward Work Programme
Report Author	Democratic Services Manager
Type of Report	Operational

EXECUTIVE SUMMARY

The Constitution & Democratic Services Committee fulfils a dual role within the Council. It undertakes the detailed consideration of changes to the constitution ahead of recommendation to Council for adoption and it fulfils the role of the statutory role of democratic services Committee with responsibility for examining the support provided to Councillors.

Having a Forward Work Programme presents an opportunity for Members of the Committee to formulate and influence the future work of the Committee. An effective Forward Work Programme will ensure it is Member-led and includes the right issues.

A copy of the draft Forward Work Programme is attached at Appendix 1 for Members' consideration which has been recently updated.

The Committee is asked to consider, and amend where necessary, the Forward Work Programme for the Constitution & Democratic Services Committee.

RECOMMENDATIONS

1	That the Committee considers the draft Forward Work Programme and approve/amend as necessary.
2	That the Democratic Services Manager, in consultation with the Chair of the Committee be authorised to vary the Forward Work Programme between meetings, as the need arises.

REPORT DETAILS

1.00	EXPLAINING THE FORWARD WORK PROGRAMME
1.01	<p>The work of the Committee can be defined as having two main areas of responsibility:</p> <ol style="list-style-type: none">1. The detailed consideration of proposed changes to the constitution prior to them being reported to Council for adoption.2. Statutory role to oversee the role of the Head of Democratic Services to support (non-executive) members and promote scrutiny.
1.02	<p>Items feed into a Committee's Forward Work Programme from a number of sources, but will broadly cover:</p> <ol style="list-style-type: none">1) Reviewing the programme of training and development of Members.2) Considering recommendations from the Independent Remuneration Panel for Wales.3) Issues pertaining to the support of Members in carrying out their duties, for example: adoption of parental leave rules, supply of equipment etc.4) Co-ordination of the work programmes of the five Overview and Scrutiny Committees (this is a nominal role only and has not been needed in recent years). <p>Members can also suggest topics for consideration by the Committee. Items can also be referred to the Committee by the Cabinet for consultation purposes, or by County Council or Chief Officers.</p>
1.03	<p>Once the Schedule of Meetings has been agreed at the AGM in May, the Forward Work Programme will be updated and brought back to Committee in June.</p>
1.04	<p>Members are encouraged to consider and propose items for inclusion on the FWP, noting the guidance at paragraph 1.05.</p>
1.05	<p>In identifying topics for future consideration, it is useful for a 'test of significance' to be applied. This can be achieved by asking a range of questions as follows:</p> <ol style="list-style-type: none">1. Will the review contribute to the Council's priorities and/or objectives?2. Is it an area of major change or risk?3. Are there issues of concern in performance?4. Is there new Government guidance of legislation?5. Is it prompted by the work carried out by Regulators/Internal Audit?6. Is the issue of public or Member concern?

CONSTITUTION & DEMOCRATIC SERVICES COMMITTEE

Date of Meeting	Monday, 16 September 2024
Report Subject	Meetings: Minutes & Hosting Arrangements
Report Author	Democratic Services Manager
Type of Report	Operational

EXECUTIVE SUMMARY

There is no definitive guidance nor statutory definition in how to produce minutes: it is for a local authority to determine its own preferred method.

Minutes of council and committee meetings have evolved over time to seemingly record verbatim the events and discussion of the meetings, often running into several pages. They are time consuming to produce, taking up to 5 hours per set of minutes depending on the meeting.

There is an expectation that more (if not all) Council meetings will be offered as 'hybrid' which will add significant pressure on the already stretched resource available in Democratic Services.

The format of the minutes for the Planning Committee was changed six years ago to a 'simplified' version. It has worked effectively since, with no issues or concerns arising.

It is proposed to follow a similar format for all committee meetings to free up resource to deliver meetings in 'hybrid' format.

RECOMMENDATIONS

1	That the Committee accept the change to the format of minutes as per the template attached as Appendix 1.
2	That following the change to the format of minutes is implemented, all council and committee meetings to be delivered in 'hybrid' format.

REPORT DETAILS

1.00	EXPLAINING THE MEETINGS: MINUTES & HOSTING ARRANGEMENTS
1.01	Minutes of meetings (with the exception of Planning Committee) have evolved over time to effectively become a transcription of the entire meeting.
1.02	<p>There is no definitive guidance nor statutory definition in how to produce minutes: it is for each local authority to determine its own preferred method. It is recognised that the purpose of minutes is:</p> <ul style="list-style-type: none">• To provide adequate information about the authority's business for the press and public.• To ensure the record is sufficiently self-explanatory to enable the council to make a decision.• To establish an accurate record of decisions taken. <p>They should be complete, with reference to every item of business dealt with at the meeting.</p>
1.03	<p>Minutes of council and committee meetings are produced by the Democratic Services team. They currently run into several pages and have evolved over time to seemingly record verbatim the events and discussion of the meetings.</p> <p>This worked well before meetings were recorded and made available on the council's website, but they are time consuming to produce, ranging from 2 to 5 hours per set of minutes. They then must be proofread and checked by Senior Officers, adding to the time before they can be put before the committee for agreement.</p> <p>Due to the level of detail and length of the minutes, spelling / typing errors occur; the style and phrasing also varies according to the member of the team producing the minutes – which in turn often results in additional queries.</p> <p>Due to the different writing styles, the more detail that is included in minutes invariably results in queries and requests for amendments when they are considered at a meeting, thereby adding additional time on to the meeting (and subsequent minutes).</p>
1.04	<p>The team have been placed under significant additional pressure to facilitate hybrid meetings, which are resource intensive to run.</p> <p>It is likely that all meetings will move to become 'hybrid', further stretching the limited resource within the team.</p>

1.05	<p>Before meetings were offered as 'hybrid' only 1 member of the team needed to be present at a meeting: i.e. the minute taker.</p> <p>With the introduction of 'hybrid' meetings this has increased to either 2 or 3 members of the team being present to operate the technology depending on the location used (2 in the Delyn Room versus 3 in the Lord Barry Jones Council Chamber).</p> <p>This has drained the resource and flexibility within the team, such that it is not physically possible to continue to offer 'hybrid' meetings <u>and</u> produce the same level of detail in minutes, as well as undertake the other duties across the team.</p>
1.06	<p>The format of the minutes for the Planning Committee was changed six years ago to a 'simplified' version. It has worked effectively since, with no issues or concerns arising.</p> <p>It is proposed to follow a similar format for all council and committee meetings. This will include the following:</p> <ul style="list-style-type: none"> ➤ <i>Name of committee meeting</i> ➤ <i>Date, time and location of meeting</i> ➤ <i>Attendees:</i> List the Members of the Committee who were present, including substitutes and non-committee members in attendance ➤ <i>Apologies:</i> List the Members of the Committee who had submitted apologies. ➤ <i>Contributors</i> ➤ <i>Declarations of Interest:</i> Note any Declarations of Interest that are declared at the meeting. ➤ <i>Minutes:</i> Note approval or otherwise of the previous minutes, including any typos. ➤ Start and end time of meeting. ➤ Link to the full webcast. ➤ <i>Title of item:</i> Use the title from the report being considered at the meeting. <p>A hyperlink to the relevant section of the recording where available could be included for ease of reference.</p> <ul style="list-style-type: none"> ➤ <i>Brief description of item for discussion.</i> ➤ <i>Action(s):</i> A brief note of the action agreed and the 'owner' of the action. ➤ <i>Decision(s):</i> Note the committee's decision(s). <p>It should also be recorded in the minutes if an officer provides advice that it is their duty to give, and the committee chooses to disregard it.</p> <p>An example of a template document that will be populated by the Officer recording the minutes is included as Appendix 1.</p>

	How this template then translates to an actual set of minutes of a Council meeting is included at Appendix 2. The original copy of the minutes of the same meeting are available for reference.
1.07	<p>The recording of each meeting is available on the council website. This gives a full and accurate record of the entire meeting, debate and discussion should there be a need to review proceedings.</p> <p>Recordings will be available online for as long as the council deems it necessary, currently indefinitely. If / When a recording is taken off-line it will be archived but can be retrieved if necessary.</p>
1.08	Links to the recording of the agenda points in the meeting to make it easier for the viewer to access the particular item of interest will be included in all minutes.
1.09	<p>There are a number of benefits that changing the format will deliver, including:</p> <ul style="list-style-type: none"> • Improved accuracy • Quicker production of minutes • Standardised, professional format for all council and committee meetings • Release resource within the Democratic Services team to provide more meetings in 'hybrid' format.
1.10	<p>Once the change is implemented, it is proposed to move to deliver all council and committee meetings in hybrid format.</p> <p>The move to hybrid format would therefore be expected take effect from October 2024.</p>

2.00	RESOURCE IMPLICATIONS
2.01	<p>There are not expected to be any resource implications (positive or negative) from changing the format of minutes.</p> <p>Producing minutes in the current way is resource intensive for the Committee Services team who are facing additional work pressures (e.g. hosting hybrid meetings and hosting more frequent meetings of some committees).</p> <p>By amending the format and reducing the content it will mitigate some of the additional workload that will be experienced by the team.</p> <p>Where hybrid meetings take place in the evening (beyond 7pm), there may be additional costs associated with caretakers staying later to close and secure the building.</p>

3.01	Group Leaders have been consulted. Each committee meeting in September has / will have received copies of minutes in the proposed format for comment.
