Subject: Texaco Garage at Dobshill

Dear Mr Sharps,
I understand that an application for 24 hours opening times for the sale of alcohol has been requested by the Texaco garage at Dobshill.
As a resident in Dobshill, I am extremely unhappy at this prospect.
We have, in the past had trouble with youths drinking at the children's park and damage being done not only to the park, but also to the residents cars and property, which has involved the police being called.
We are a small community and have no need for this facility. It can only result in problems for us.
We have only a few pluses to living here, peace being the main one. Please do not take this away by granting this licence.
Yours sincerely
Joyce and Raymond Power
40 Chester Road
Dobshill
