Financing & Funding (insurance, banking etc.)	2.365	2.333	(0.032)	(0.058)	There is additional windfall income of £0.081m, which takes account of the recent settlement by Welsh Government of the Council's claim for additional costs for staff time incurred on the Housing stock transfer consultation/ballot project. Windfall income levels will be monitored closely and reported on in future monitoring reports.	Levels of unbudgeted income will continue to be monitored closely and reported on in future monitoring reports.
					A saving of £0.061m has been identified due to a budget provision within an insurance fund (relating to a potential liability for historic asbestos issues) which is now not required	
					Additional windfall income of £0.090m had previously been anticipated in respect of settlement of an outstanding claim re. overpayment of VAT due to the impact of legal challenges to custom and practice elsewhere. A recent Tribunal decision found in favour of HMRC in respect of one of the outstanding cases, although it is considered that there are grounds for appeal. This remains one of several ongoing cases which may bring additional "windfall" income to the Council in the future, although it is now considered less likely that it will be in the current financial year.	A number of outstanding VAT claims which may result in "windfall" income will be kept under review pending legal determinations and possible appeals.
