Dear Sir

### Re Licencing Laws

At the last meeting of the Community Council a member referred that at one time Town and Community Councils were notified of all matters with regard to licencing, for example if there was an application for an extension of hours, if and when a public house changed licensee, occasional licenses etc.

As you will be aware this no longer happens I would question now what is the policy for consultation.

The discussion then lengthened as to whether there was any differential with regard to the licencing laws for clubs and public houses.

Furthermore reference was made to the fact that what was once called the Coed Llay Sports and Social Club, is now called The Kings Club. Can a club such as this change its name as a matter of course, or does an application have to be made to do this.

I look forward to hearing from you in due course.

Yours faithfully

G N I Jones
