Resources and Regulated Services (Intake and Reablement)	5.636	5.157	(0.479)	(0.470)	<p><u>Extra Care</u> projected underspend (£0.134m) due to timeframe for completion of Llys Jasmine, Mold.</p> <p><u>In-house Domiciliary Care</u> underspend (£0.288m) due to reduced pay costs from changes to service delivery and greater use of reablement and independent sector care providers.</p> <p><u>Client Transportation Service</u> underspend (£0.206m) mostly (£0.152m) on transport contracts that were re-tendered in January 2013. The balance (£0.054m) relates mostly to staff vacancies (£0.051m).</p> <p><u>Day Services</u> underspend (£0.044m) mostly due to vacancies within the Service (£0.026m) and reduced demand for Supplies and Services (£0.016m). These underspends are offset by a projected overspend within the <u>In-house Residential Service</u> (£0.112m) mostly due to the need to ensure adequate staff cover (£0.189m) and various premises costs (£0.028m) offset by additional client (£0.070m) and Health (£0.050m) income together with a shortfall against <u>Supporting People</u> funding (£0.080m).</p>	<p><u>Extra Care</u>The underspend against is one-off and non recurring and has arisen due to the opening of the facility being part way through the current year.</p> <p><u>Client Transportation Service</u> The underspend is expected to be on-going following contract re-tendering.</p> <p><u>In-house Residential Service</u> Review underspends within Services for Adults to identify budgets to be vired into this service to address additional costs for ensuring adequate staffing levels.</p> <p><u>Supporting People</u> This is an ongoing shortfall and will be addressed internally for month 4.</p>

Vulnerable Adults and Disability Services (Disability Services)	2.284	1.958	(0.326)	(0.500)	As part of the changes introduced in 2012/13 a review has been undertaken of all individuals within this service to determine what, if any, changes need to be reflected due to changes in their planned care packages. This work is continuing but the outturn reflects all changes known at June 2013.	Continue to keep under review particularly as further changes are possible in the period up to the start of the new college year in September/ October.  It remains a possibility that some changes will not be known until September/ October as individuals can be late making decisions around their future plans.

Budget Monitoring 2013/14 (Month 3)

Service	Revised Budget (£m)	Projected Outturn (£m)	Variance (£m)	Variance Last Month (£m)	Cause of Major Variance	Action Required
Resource and Regulated Services (Disability Services)	15.690	15.029	(0.661)		<p><u>Physical Disability Service</u> Overall this is underspending (£0.336m) mostly due to reduced emphasis on the purchase of independent sector residential care (£0.315) and increased use of direct payments.</p> <p><u>Learning Disability Service</u> &gt; Day Opportunities underspend (£0.081m) on staff costs (£0.131m) and transport costs (£0.075m) offset by overspends in premises costs (£0.024m), third party costs (£0.026m) and an underachievement of income (£0.085m). &gt; In-House Supported Living Team is underspending (£0.039m) mostly due to vacant posts (£0.036m). &gt; Within this Service is a budget to help offset the expected impact of a review of joint funded packages between FCC and Health. It is not expected that this will be resolved until November 2013 and that changes will be phased in, consequently, an underspend (£0.140m) is declared. The balance (£0.065m) is made up of smaller amounts in a number of areas.</p>	<p>Keep under review.</p> <p><u>PDSI</u> This underspend is likely to be ongoing due to changes in service delivery. However, it should be borne in mind that new service users within this area tend to have large care packages.</p> <p><u>LD</u> The underspend in relation to the negotiations with Health on jointly funded packages is based on current assumptions. These will be kept under review and adjusted if proven necessary.</p>

Budget Monitoring 2013/14 (Month 3)

Service	Revised Budget (£m)	Projected Outturn (£m)	Variance (£m)	Variance Last Month (£m)	Cause of Major Variance	Action Required
Administrative Support (Disability Services)	0.314	0.452	0.138		This is due to an overspend against staff pay costs (£0.138m).	Keep under review.
Residential and Domiciliary Service (Mental Health & Substance Misuse Service)	0.871	0.669	(0.202)		This underspend is based on current care packages. An additional £0.0259m budget has been added to this area in 2013 to reflect the expectation of the transfer from Health of an individual with a high cost transition package. The underspend within the service is reduced from what would be expected due to the delay relating to the transition client because of other additional clients, one of which has a high cost care package.	Keep under review.
Professional Support (Mental Health & Substance Misuse Service)	0.785	0.733	(0.052)		This is mostly (£0.047m) due to a one-off pay cost reduction following an agreed absence with no pay.	One-off.

Budget Monitoring 2013/14 (Month 3)

Service	Revised Budget (£m)	Projected Outturn (£m)	Variance (£m)	Variance Last Month (£m)	Cause of Major Variance	Action Required
Forensic Budget (Mental Health & Substance Misuse Service)	0.305	0.142	(0.163)		Reflects current care packages for 2013/14.	Keep under review - potential volatility due to changes in client numbers and demands at short notice from prison or courts. The possibility of re-aligning budget between the two services has been considered and dismissed for now as there are early indications of additional Mental Health clients although at this stage potential costs or start dates are unknown.
Forensic Budget (Learning Disability)	0.482	0.597	0.115		Reflects current care packages for 2013/14.	
Business Systems (Development & Resources)	1.142	1.083	(0.059)		The underspend within this area is mostly due to vacant posts.	
Family Placement (Children's Services)	1.977	2.296	0.319	0.250	The overspend is mainly as a result of an increase in the number of foster care placements within the service. It is also due to the increasing number of court orders for Residence and Special Guardianship orders which invariably attract an ongoing allowance for the carers.	A review of the Family Placement Team has been undertaken the outcome of which is being considered and will inform future planning and possible efficiencies.

Youth Offending Team (Children Services)	0.329	0.263	(0.066)		This is mostly due to an underspend on staff costs (£0.183m), mainly due to vacant posts and secondments, offset by overspends on staff travel (£0.025m), premises (£0.019m), Supplies and services (£0.015m), third party payments (£0.057m) with the balance made up of smaller variances.	It is currently expected that this will be one-off.

Out of County Pooled Budget (Children's Services)	3.178	2.834	(0.344)	(0.250)	Costs reflect existing placements up until March 2014. This reflects known reductions in payments to providers following re-negotiation of contracts. The movement from month 2 reflects further detailed work undertaken.	The focus of high cost placements is now a North Wales project and will continued to be reviewed.  The impact of these changes on the Children Services Fostering and Leaving Care budgets has not yet been quantified. Further details are awaited.
Homelessness Accommodation (Housing Services)	0.360	0.198	(0.162)	(0.060)	This reflects current position of the anticipated demand on the service this financial year. The movement from month 2 reflects further detailed work undertaken.	Keep under review. Variance is due to improvements in the service where methods have been put in place to reduce the cost of temporary accommodation.
Accommodation Support Team (Housing Services)	1.206	1.136	(0.070)	(0.100)	Service undergoing restructure which is not yet in place. The movement from month 2 reflects further detailed work undertaken.	Restructure to be implemented.
