

## FLINTSHIRE COUNTY COUNCIL

**REPORT TO:**           **CABINET**  
**DATE:**                 **TUESDAY, 13 MAY 2013**  
**REPORT BY:**         **CHIEF EXECUTIVE**  
**SUBJECT:**            **IMPROVEMENT PLAN 2014/15**

### **1.00 PURPOSE OF REPORT**

1.01 To approve the draft Improvement Plan 2014/15 prior to Member consultation and final publication in June.

### **2.00 BACKGROUND**

2.01 It is a requirement of the Local Government (Wales) Measure 2009 to set Improvement Objectives and publish an Improvement Plan. It is a statutory requirement for the County Council to adopt the Improvement Plan.

2.02 Improvement Objectives and an accompanying Improvement Plan were first set and adopted by the Council in 2011. For 2013/14 the Council thoroughly reviewed the priorities to streamline them and reset them with clearer outcome based aims. A revised set of eight priorities supported by a structure of sub-priorities was adopted.

2.03 The Plan presentation also changed providing detail for each of the priorities which were to have the most impact during the year. This has helped the organisation to concentrate on the outcomes where most immediate attention was needed.

2.04 The refresh also took into account the comments of the Wales Audit Office (WAO) on:-

- the opportunity to present a plan which would engage the wider public
- the adoption of a smaller set of 'in-year' priorities
- the further development of outcome based objectives which identify the impact for each priority
- the need to ensure that any revisions of the Plan are updated on the public website.

2.05 The WAO in its letter of September 2013 said that the presentation and content of the Improvement Plan (2013/14) "enables public engagement with the Council priorities more effectively than in the

past". It also commented positively that "The Plan is much shorter than before and now communicates clearly and succinctly how each of the Improvement Objectives relates to the Council's eight medium-term corporate priorities and to those of partners in the Local Service Board".

### **3.00 CONSIDERATIONS**

3.01 For 2014/15 a review of the current priorities and sub-priorities has been undertaken to set: -

- priorities that continue into 2014/15 for sustained attention;
- priorities that can now be removed as completion of a time-limited piece of work e.g. Single Status;
- priorities which could be merged e.g. School Improvement and School Modernisation; and
- emerging priorities for 2014/15 e.g. People Change and Development.

3.02 For each sub-priority which continues to be high profile for 2014/15 there has been a review based on: -

- the reasoning for the priority status;
- what we will do and how we will measure achievement; and
- the risks that will need to be managed.

3.03 This working draft is presented for Member consultation by Overview and Scrutiny Committees prior to adoption in June. Any slight technical changes are to be delegated to the Chief Executive in consultation with the Leader.

3.04 Following Member consultation the Improvement Plan for 2014/15 will be presented to Cabinet and later the County Council, for formal adoption, in June. It will be accompanied by an appendix which details the specific targets for the measures and milestones on which achievement will be measured. This more detailed document will also have been considered by Overview and Scrutiny Committees.

3.05 The Improvement Plan 2014/15 will be distributed to Members in advance of the June County Council meeting.
