Dear Sirs,
 Regarding the application
 for a licence for the 11 Thornfield Rd,
 Cammeh's Quay, Deeside.
 For SAI
 food and wine shop.

We want
 to appeal against this application,
 on the grounds that in the past
 years when this shop was a
 wine shop.
 We of the above
 address, were ready to sell upward
 more because of the jobs

2

That hung around the shop area,
 they were noisy and abusive
 having broken bottles and cans,
 throwing them into our gardens
 and hedge and vandalising our
 gate coping stones and plants
 also throwing things at our lounge
 windows.

It was a full time job
 everyday picking up litter from the
 street and our front garden. We

used to complain to the Flint office
 nearly every week.

Since the wine
 shop and fast food shops closed
 things have improved, we get
 less trouble and litter.

Always attracts trouble, and these

and are entitled to live in this area with out stress and worry in their own area.

Will you please try to understand what we have had is not up with in the past, we just want a bit of peace and quiet.

Take the just food and alcohol licence from this area.

could you please let us know what SAI food is?

Thanking you
