ſ	И	М	Α	Use of Corporate frameworks is now mandatory as per the new CPR's. The use of Value Wales and Welsh Purchasing Consortium framework agreements continues in advance of National Procurement Service (NPS) arrangements coming on stream. The National Procurement Service is still finding its feet and the delivery of efficiencies is dependent on NPS implementation and work programme delivery. It's anticipated that that there may be slippage in efficiencies delivered as a result of the NPS not yet operational.	Μ	M	A	There are numerous collaborative tender processes currently being undertaken that will deliver the required efficiencies in the Q3/ Q4. The savings realised from these should cover any slippage from national arrangements.	Chief Officer - Governance	\leftrightarrow	L	Μ	G	Apr 15
