Welcome to Horticulture Wales

We provide focused, expert support to enhance the efficiency of businesses involved in both edible and amenity horticulture supply chains within Wales.

We focus on these key areas:

- Supply chain information and links
- Branding and marketing
- Environmental best practice

Future Developments that Glyndŵr Flintshire needs

- Expanded environmental laboratories including advanced glasshouse facilities
- Extended classrooms
- Rural business centre for Flintshire
- Increase outdoor pursuit and heritage interpretation facilities involving the community
- Continue enhancement of biodiversity and habitat range
