| 1.04                                | <p><b>Streetscene and Transportation</b></p> <p>The overall overspend within Streetscene &amp; Transportation has decreased from a projected £0.975m overspend at Month 8 to £0.897m as at Month 9. The projected overspend within the service is due in part to the delay in the implementation of a number of efficiencies as reported to the Programme Board. In addition fluctuations in recycle sales due to a volatile market has led to an increased pressure on income projections which have resulted in a shortfall of £0.390m. Full details of movements are explained in Appendix 2.</p>   |                                     |                          |                                    |                          |                                    |  |           |           |           |           |                 |        |        |        |       |                        |        |        |        |                |                              |        |        |        |       |                        |       |       |       |       |                   |        |        |        |                |         |        |        |        |       |                    |       |       |       |                |            |       |       |       |       |                       |       |       |       |                |                 |       |       |       |                |                             |        |        |        |                |              |                |                |                |                |

| 1.05 | <p><b>Programme of Efficiencies</b></p> <p>The 2015/16 budget contains £12.874m of specific efficiencies which are being tracked.</p>   |
| 1.06 | <p>Appendix 3 provides detail on the latest position where there is a variation to the level of efficiency achievable compared to the budget.</p>   |
| 1.07 | <p>This shows that it is currently projected that £10.744m (83%) will be achieved resulting in a net underachievement of £2.130m. The underachieved efficiencies are included within the projected outturn figure. The position will continue to be monitored and reported throughout the monthly monitoring process.</p>   |
| 1.08 | <p><b>Inflation</b></p> <p>Included within the 2015/16 budget are provisions for pay (£1.304m), targeted price inflation (£0.421m), non-standard inflation (£0.102m) and income (£0.254m).</p>  |
| 1.09 | <p>For 2015/16 the amounts for non-standard inflation (NSI) include an allocation for food (£0.064m) and an allocation for Non Domestic Rates (£0.038m).</p>  |
| 1.10 | <p>There is an amount of £0.240m remaining from 2014/15 which is also being held centrally. Areas subject to NSI increases will be monitored throughout the year and allocations made to portfolio areas only where a critical funding need is evidenced.</p>   |
| 1.11 | <p>It is anticipated that the £0.064m for food inflation will not be required. In addition to this there is a surplus of £0.061m remaining from inflation set aside for pay. Therefore £0.125m is now projected to underspend. The balance of the 2014/15 inflation and £0.110m from the in-year inflation have been included as an efficiency within the 2016/17 budget.</p> |
|      | <p><b>Reserves and Balances</b></p>   |
| 1.12 | <p><b>Unearmarked Reserves</b></p> <p>The 2014/15 outturn reported to Cabinet on 14<sup>th</sup> July 2015 showed unearmarked reserves at 31 March 2015 (above the base level of £5.769m) of £4.746m.</p>   |
| 1.13 | <p>Taking into account previous allocations and the current underspend at Month 9 the balance on the contingency reserve at 31<sup>st</sup> March 2016 is projected to be £4.878m.</p>  |
| 1.14 | <p><b>Earmarked Reserves</b></p> <p>The Council has developed a reserves protocol which was considered by Audit Committee and approved by County Council on 24<sup>th</sup> September 2015. This sets out the principles around how the council will determine, manage and review the level of its reserves and includes reference to regular</p>                             |

|      | <b>Housing Revenue Account</b>  |  |   |
| 1.16 | On 17 February 2015 the Council approved a Housing Revenue Account (HRA) budget for 2015/16 of £30.776m. The budget provided for a closing balance of £1.396m.  |  |   |
| 1.17 | The 2014/15 Outturn Report to Cabinet on 14 July 2015 showed a closing balance at the end of 2014/15 of £1.510m.  |  |   |
| 1.18 | The Month 9 monitoring report for the HRA is projecting in year expenditure to be £0.082m lower than budget and a projected closing balance as at 31 March 2016 of £1.319m, which at 4.25% of total expenditure satisfies the |  |   |

| <b>4.00</b> | <b>RISK MANAGEMENT</b>  |
| 4.01        | <p><b>Municipal Mutual Insurance (MMI)</b><br/> MMI was the predominant insurer of public sector bodies prior to 1992 when it failed. To ensure an orderly “run off” Flintshire, along with other local authorities, was required to pay a levy of 15% of its share of claims paid previously and of any future claims. MMI’s administrator has recently published their 2015 accounts which shows that due to an increase in the number of claims generally, there will be a need to increase the levy in the future, affecting claims paid previously and future claims. A recommendation was approved to meet a significant liability which reflects a 20% increase in the levy however there remains a risk that the future provision may escalate further.<br/> Status: stable/green risk.</p> |
| 4.02        | <p><b>Recycling</b><br/> The recycling market (paper in particular) is going through a volatile period with fluctuating re-cycle sale values. This will impact on 2015/16 recycling income levels for the Council. The current impact is reflected in the Month 9 projections and continues to be monitored throughout the year. A budget pressure for this income has been included in the 2016/17 budget to help mitigate this risk for future years.<br/> Status: unstable/red risk.</p>   |
| 4.03        | <p><b>Car Parking</b><br/> Due to car parking charges being introduced in some Flintshire towns later than anticipated during 2015/16, there will be a shortfall in achieving the increased car park income targets. The full impact is built into the projected outturn position, and also reflected in the approved 2016/17 budget.<br/> Status: risk closed.</p>   |
| 4.04        | <p><b>Out of County Placements</b><br/> The risk is the volatility in demand and the impacts on service costs which cannot be predicted with any certainty. Therefore there is always a risk of significant variances occurring although this area continues to be closely</p>  |

| 4.05 | <b>Former Euticals Site</b><br>Monthly costs for ongoing security and maintenance of the site are in the region of £0.030m and will accumulate throughout the financial year until site disposal. A detailed site clearance plan with an agreed budget is now in place.<br>Status: risk closed. |

| <b>7.00</b> | <b>GLOSSARY OF TERMS</b>  |
| 7.01        | <b>Budget:</b> a statement expressing the Council's policies and service levels in financial terms for a particular financial year. In its broadest sense it includes both the revenue budget and capital programme and any authorised amendments to them.<br><br><b>Council Fund:</b> the fund to which all the Council's revenue expenditure is charged.<br><br><b>Financial Year:</b> the period of twelve months commencing on 1 April.<br><br><b>Housing Revenue Account:</b> the Housing Revenue Account (HRA) is a local authority account showing current income and expenditure on housing services related to its own housing stock. The account is separate from the Council Fund and trading accounts and is funded primarily from rents and government subsidy.<br><br><b>Projected Outturn:</b> projection of the expenditure to the end of the |

financial year, made on the basis of actual expenditure incurred to date.

**Reserves:** these are balances in hand that have accumulated over previous years and are held for defined (earmarked reserves) and general (general reserves) purposes. Councils are required to regularly review the level and purpose of their reserves and to take account of the advice of the Chief Finance Officer.

**Revenue:** a term used to describe the day-to-day costs of running Council services and income deriving from those services. It also includes charges for the repayment of debt, including interest, and may include direct financing of capital expenditure.

**Underspend:** when referring to expenditure the actual expenditure incurred is less than budget. Shown as a –ve. When referring to income the actual income achieved exceeds the budget. Shown as a –ve.

**Variance:** difference between latest budget and actual income or expenditure. Can be to date if reflecting the current or most up to date position or projected, for example projected to the end of the month or financial year.

**Virement:** the transfer of budget provision from one budget head to another. Virement decisions apply to both revenue and capital expenditure heads, and between expenditure and income, and may include transfers from contingency provisions. Virements may not however be approved between capital and revenue budget heads.
