REPORT DETAILS

| 1.00 | THE ANNUAL IMPROVEMENT REPORT |
|------|--|
| 1.01 | The Auditor General under the Local Government (Wales) Measure 2009 (Measure) undertakes and publishes an annual improvement report for all Welsh Councils, Fire and Rescue Authorities and National Park Authorities. |

| 1.02 | This is the sixth such Annual Improvement Report for Flintshire. It includes the Appointed Auditor's Annual Audit Letter as previously reported to Audit Committee in January 2016. |
|------|---|
| 1.03 | It also includes an updated assessment of the review of the seven proposals for improvement which were incorporated within last year's Annual Improvement Report as part of the four year cycle of Corporate Assessments. |
| | The full report is appended at Appendix 1. |
| 1.04 | Overall the Auditor General has concluded that: |
| | "Despite increasing financial pressures, the Council has continued to improve performance within its priority areas and to strengthen its corporate arrangements." |
| 1.05 | The Auditor General has reached this conclusion as verified within the three sections of the report: |
| | Performance: |
| | a) despite increasing budget pressures the Council continues to make good progress against its priority areas and maintains compliance with the Local Government Measure 2009; |
| | Use of Resources |
| | b) the Council is strengthening its management of financial resources, but has made less consistent progress revising other resource management strategies; and |
| | Governance |
| | c) the Council has made good progress in addressing the governance related proposals for improvement arising from our 2015 corporate assessment report. |
| 1.06 | Of particular significance is the assessment made of the Council's own performance for 2014/15. |
| | "During 2014-15, the Council maintained or improved its performance for almost two-thirds (63 per cent) of national performance indicators. Although this was slightly below the 67 per cent achieved in 2013-14, it is still good performance, considering the significant financial pressures facing local government." |
| | "The Council's performance relative to other councils in Wales improved significantly. The proportion of indicators where performance was better than the national average improved from 51 per cent in 2013-14 to 62 per cent in 2014-15 and a higher proportion of national indicators were in the top half — 60 per cent in 2014-15 compared to 54 per cent in 2013-14." |

| 1.07 | The Auditor General has not made any statutory recommendations with which the Council must comply, nor any further advisory proposals for improvement. |
