# Developing our payment portal

- Subject to investment online payments to be developed to provide a professional portal to collect payment for all services.

The screenshot shows the 'Council Tax Payment' page. At the top, there is a 'New Accepting PayPal' badge and 'Page shortcuts' for 'Payment Entry' and 'Payment Review'. The main heading is 'Council Tax Payment' with a note: 'Please note - information on this page will time-out after 15 minutes of inactivity \* = Mandatory Field'. Below this is a table with two columns: 'Payment Type' and 'Payment Entry'. The 'Council Tax' row is highlighted in green and contains the text: 'Please enter the reference of the account you wish to pay.' Below this are input fields for 'Reference \*', 'Amount (£) \*', and 'Amount (£)'. There are also links for 'Add to List', 'Cancel', and 'Back To Top'. At the bottom, there are logos for PayPal, VISA, Mastercard, VISA Electron, and Maestro. A 'Back To Top' link is at the bottom right.

The screenshot shows the 'Shop Directory' page. It features a search bar with 'Showing All Items. Use the Shops, Categories and Search box below to refine your options.' Below the search bar are dropdown menus for 'All Shops' and 'All Categories', a search input field, and 'Search' and 'Reset' buttons. The page lists two items: 'Council Tax' and 'Council Housing Rent'. Each item has a house icon with a currency symbol (£ or R), a title, a description, and input fields for 'Reference \*' and 'Amount \*'. An 'Add To Basket' button is next to each item.

Chat/Sgwrs

- Live conversation between website users and staff.
- Avoidable contact by telephone.
- Supports people to use our web services.

- Short messages that are responded to quickly.
- Opportunity to develop Live Chat as digital services develop e.g. guiding customers through a housing triage.

# Key Decisions – early 2018

- Focus on Digital Customer building on ICT work completed.
- Go live with Customer Portal, Payment Portal, further development of Live Chat.
- Resource development of Web Content, Business Process Change and Back Office Systems (£550k).
- Agree one team to co-ordinate development and assure quality of Web Content.
- Agree one telephone Contact Centre at Ewloe.
- Connectivity between back systems in Streetscene, Planning and Environment, Housing, Revenue and Benefits, Social Services, Education.
- Long term work on links to Community Resilience and Customer Trends.
- Governance by COT and Cabinet work co-ordinated by IB/NC and championed by GO and CB.

# Approach to efficiencies

- Service improvements and digital access the priority.
- As a result savings associated with Contact Centres and Connects and back office processing will follow.
- Proposed initial requirement that these efficiencies payback the level of investment proposed (£550k).
- Proposed that these efficiencies are not budgeted for additionally as like ADMs much of the saving will be achieved through service changes that these support (Connects) or through other change projects (County Hall) e.g. Pension scheme move to self serve.
- Efficiency tracker developed and reported regularly to COT/Cabinet.

# Resourcing

- **Programme management and support**
  - Programme Manager £64K per annum – 3 years
  - Review existing Customer Services roles to incorporate web content and BPR – additional £15K per annum
  - New Digital Officer post (web content and BPR) £33K per annum – 3 years
- **Software licencing and integration costs**
  - Capital/one-off investment requirements - £135K

# Back office integration

- **Integration method procured from back office supplier**
  - Often Called SOAP or Web Services
  - Secure 2 way connection
  - Initial cost and ongoing revenue
  - Preferred option but can vary in quality from supplier to supplier
- **Integration method developed in house**
  - Variety of methods
  - Does not impose system based security
  - No Cost (other than development overhead)
  - Not preferred option but used when no supplier option available
