6.1.1.1 Develop and implement a renewed five year financial plan that reflects anticipated funding, costs and efficiencies to support strategic decision making over the life of the new Council.	Sara Dulson - Finance Manager	In Progress	01-Apr-2017	31-Mar-2018	50.00%	 GREEN	 AMBER
<p><b>ACTION PROGRESS COMMENTS:</b></p> <p>The financial forecast for 2018/19 has been updated regularly with latest intelligence pending the finalisation of the Local Government Settlement, announced in December. It is challenging to provide a meaningful Medium Term Financial Strategy for a 5 year period with such uncertainty over future national funding levels and given other variables including potential national pay awards. The concentration has been on the 2018/19 budget. Stages 1 and 2 of the three stage annual budget-setting process were completed prior to the end of December with several of the key budget efficiency proposals referred for further review by Overview and Scrutiny. Stage 3 will be concluded in February. The medium term forecast will be reviewed and updated in the first quarter of 2018/19.</p> <p>Last Updated: 22-Jan-2018</p>

Our learning and development offer has been reviewed and enhanced, at its heart is the development of coaching principles to support the introduction of a coaching management style and culture to improve performance management and build resilience across the management hierarchy. Supporting the transition into alternative delivery models remains a priority as does the development of the following work streams are being developed; Reward, Recognition and Well-being - a number of initiatives under this theme have been delivered including the introduction of an Employee Assistance Programme (EAP) via CareFirst and the launch of the Vectis Card, a discount/benefit card.</p> <p>Last Updated: 05-Feb-2018</p>

6.1.1.5 Delivery of key annualised objectives from the Digital Strategy and Customer Strategies	Rebecca Jones - Customer Services Team Leader	In Progress	01-Apr-2017	31-Mar-2018	20.00%	 AMBER	 AMBER

**ACTION PROGRESS COMMENTS:**

The Customer Service Strategy was approved by Cabinet in March 2017. A methodical approach has been taken to evaluate current customer access across the organisation which has identified a high volume of telephone contact and a strong link to the Digital Flintshire Strategy. The priority is to develop digital services to enable customers to do more for themselves which in turn will reduce telephone contact leading to a better customer experience and efficiencies. The intention is for Organisational Change to provide programme management support to ensure both strategies deliver at the required pace of change to realise efficiencies and service improvements.

This is an improvement when compared to the same period in 2016/17 which recorded 2.79 days lost. Improving attendance continues to be a high priority. The 2017/18 forecast figure is 8.35 days (FTE) lost. Should the forecast prove accurate, this will mean the 17/18 target of 9.00 (FTE) days lost will be achieved. **Lead Officer:** Sharon Carney - Lead Business Partner

**Reporting Officer:** Andrew Adams - Business Information and Compliance Adviser

**Aspirational Target:**

**Progress Comment:** The target completion rate of appraisals for eligible employees is 100%. However, the completion figure at the end of Quarter 3 was 63%. An annual appraisal report went to Corporate Resources Overview and Scrutiny Committee (CROSC) in January 2018 to explain this.

Workforce composition has recently changed including the transfer of Alternative Delivery Models (ADMs) Aura and NEWydd. Leisure and Libraries (now Aura) who previously had high completion rates of appraisals as part of the Council. However now this has a detrimental impact on the overall figure.

As part of an assurance process to ensure that all employees receive an appraisal, we have follow-up actions and support for all portfolios off target to improve performance markedly by 31.03.18.
