### REPORT DETAILS

<b>1.00</b>	<b>BACKGROUND OF THE FLINTSHIRE COMMUNITY SAFETY PARTNERSHIP</b>
1.01	The Flintshire Community Safety Partnership is required to formally report to this Committee on an annual basis to provide an overview of activities undertaken over the previous twelve months. This ensures that the Partnership meets its obligations under sections 19 and 20 of the Police and Criminal Justice Act 2006.
1.02	Flintshire County Council has a statutory duty under the Crime and Disorder

	Act 1998, and the subsequent amendments by the Police and Justice Act 2006, to work in partnership with the police, health service, probation and fire service as a community safety agenda partnership.
1.03	There has been a partnership in existence in Flintshire since 1999. To support the Partnership the County is served by a small team of local authority and police officers who work on shared priorities including domestic abuse, substance misuse and anti-social behaviour, along with the Neighbourhood Wardens.
1.04	In recent years the drive to rationalise the cost and bureaucracy of partnerships has led to significant changes in the Flintshire Community Safety Partnership's governance structure. In April 2013 the Partnership merged with the Local Service Board (which has since become the Public Service Board). This has had minimal impact on the operational delivery structure; however at a strategic level it has meant a greater consistency of approach. The statutory duties of the Community Safety Partnership continue to be fulfilled.
1.05	Considerable progress has also been made in the way community safety partnerships across the region have worked together. The establishment of the North Wales Safer Communities Board (SCB) in July 2012 has been the most significant development. This Board represents a partnership between all the statutory authorities across the region (as defined by the Crime and Disorder Act 1998), along with the voluntary sector. The overall aim of the Board is to introduce greater consistency in this area of work, whilst allowing opportunities to share expertise and work more effectively and efficiently.
1.06	The Flintshire Community Safety Partnership has set up a more specialist and operational 'People Are Safe' Board to oversee partnership work. The Board has a plan with priorities and outcomes, supported by performance measures. The Board reports into the Public Service Board on a quarterly basis.
1.07	The Plan reflects the recommendations contained within the regional Strategic Assessment, and also takes into account the Police and Crime Plan and the work of the Substance Misuse Area Planning Board. The SCB at a regional level concentrates on common regional issues such as counter terrorism, re-offending, and hidden crimes (as identified in the Strategic Assessment).
