REPORT DETAILS

1.00	EXPLAINING THE FORWARD WORK PROGRAMME
1.01	Items feed into a Committee's Forward Work Programme from a number of sources. Many items are standard every quarter, six months or annually, and Members can also suggest topics for review by the Committee. Items can also be referred by the Cabinet, County Council or Chief Officers.
1.02	<p>In identifying topics for future consideration, it is useful for a 'test of significance' to be applied. This can be achieved by asking a range of questions as follows:</p> <ol style="list-style-type: none">1. Will the review contribute to the Council's priorities and/or objectives?2. Is it an area of major change or risk?3. Are there issues of concern in governance, risk management or internal control?4. Is it relevant to the financial statements or financial affairs of the Council?5. Is there new government guidance or legislation?6. Is it prompted by the work carried out by Regulators/Internal Audit?
1.03	<p>Since the Audit Committee in September and following the Audit Committee Facilitation Workshop, two additional items have been included in the draft Forward Work Programme for November.</p> <ul style="list-style-type: none">• The first report on General Data Protection Regulations (GDPR) is to provide a detailed update to committee and support Appendix D of the Internal Audit Progress Report where following an audit on GDPR a Red/Limited assurance was given.• The second paper is to consider the revised Terms of Reference and Charter of the Audit Committee. <p>Appendix A details the draft Forward Work Programme.</p>
1.04	One paper, the Annual Report on External Assurance has been requested to defer until January's committee meeting. This will allow consideration of the Council's responses to the National recommendations report. Both the Chair and Vice Chair were consulted on the movement within the Forward Work Programme.
