

12 Number properties  
 Site layout conforms with space  
 around dwellings. Highways would  
 need consulting reference road  
 design.

The Contractor is responsible for checking all dimensions, tolerances and references. Any discrepancy is to be notified to jig before proceeding with the work.  
 Where an item is covered by drawings to different scales, the larger scale drawing is to take precedence.  
 Do not scale drawings, figured dimensions are to be worked to in all cases
