## REPORT DETAILS

1.00	BACKGROUND
1.01	<p>Local authorities have responsibilities for safeguarding at three levels in the education services it provides directly or commissions:</p> <ul style="list-style-type: none"><li>• Strategic for example planning; co-ordinating delivery of services; allocating resources; and working in partnership with other agencies.</li><li>• Support for example ensuring education providers are aware of their responsibilities for child protection; monitoring their performance; provide appropriate training, model policies and procedures; provide advice and support; and facilitating links and co-operation with other agencies.</li><li>• Operational for example by taking responsibility for safeguarding children who are excluded from school, or who have not obtained a school place or who are educated in PRUs or EOTAS; involvement in dealing with allegations of professional abuse; and ensuring arrangements are in place to prevent unsuitable staff and volunteers from working with children.</li></ul>
1.02	<p>Estyn Inspectors discussed the Safeguarding Self-Evaluation information provided with key officers during the inspection in order to determine whether the local authority's arrangements for safeguarding pupils meet requirements and give no cause for concern, or do not meet requirements and give serious cause for concern.</p>
1.03	<p>Inspectors will have evaluated how well the local authority fulfils its statutory responsibilities relating to safeguarding, which will be published in the final report scheduled for mid-August 2019.</p>
1.04	<p>Estyn will send electronic copies of the final report to the Chief Executive of the local authority, the Chief Education Officer, the Council Leader, the elected member with main responsibility for education, and the Chair of Education Scrutiny. Estyn will also send a copy of the report to the Wales Audit Office and publish the report on the inspectorate's website.</p>
1.05	<p>As the outcome of the inspection has to remain confidential until the final report is published in August, the details of the findings on safeguarding cannot yet be shared.</p>
1.06	<p>As part of its own quality assurance procedures, the Chief Officer for Education and Youth requested that the portfolio's Self-Evaluation Report on Safeguarding and Child Protection be reviewed by a director with responsibility for safeguarding in a neighbouring authority.
