

EDUCATION & YOUTH OVERVIEW AND SCRUTINY COMMITTEE

Date of Meeting	Thursday, 26 th September 2019
Report Subject	Estyn Inspection of Flintshire's Education Services
Cabinet Member	Leader of the Council & Cabinet Member for Education
Report Author	Chief Officer (Education & Youth)
Type of Report	Strategic

EXECUTIVE SUMMARY

The education services of Flintshire County Council have recently been subject to a full inspection by Estyn, Her Majesty's Inspectorate for Education and Training in Wales under the national framework for the inspection of local government education services.

This report provides an overview of that process and the final inspection report is attached as an appendix.

The Education and Youth (E&Y) Portfolio is very pleased with the positive nature of this report and the significant areas of strength acknowledged by the Estyn team in its provision for the learners of Flintshire. It also confirms strong leadership of education services across the Council.

As to be expected, the report also acknowledges areas of improvement and these are noted as recommendations for the Council to address. It is worth noting that these had already been identified as priorities through the Portfolio's own self-evaluation processes prior to the inspection.

The recommendations will now be collated into an appendix of the E&Y Portfolio Business Plan, called a Post Inspection Action Plan and progress on these recommendations will be reported regularly to Cabinet and to the Education and Youth Overview and Scrutiny Committee.

RECOMMENDATIONS

1	That Cabinet/Scrutiny Committee receive the Estyn report on education services in Flintshire and acknowledge its findings.

REPORT DETAILS

1.00	INSPECTION OF LOCAL GOVERNMENT EDUCATION SERVICES
1.01	<p>From September 2017 a new framework was issued by Estyn for the Inspection of Local Government Education Services and this will be used for the inspection of education services within all local authorities in Wales on a five year cycle between 2018 and 2023.</p> <p>Flintshire County Council received notification that its education services would be inspected between 3rd and 7th June 2019 with some preliminary inspection activity being undertaken on 22nd and 23rd May. An online survey was also launched via the Estyn website to collate the public's view of education services in Flintshire.</p> <p>The inspection team was led by a Reporting Inspector from Estyn and the team comprised of 12 inspectors in total. The team included both of the Local Area Link Inspectors (LALI) who visit the local authority on a termly basis, two representatives of the Welsh Audit Office (WAO) and two senior officers from other local authorities acting in a peer inspector role.</p> <p>The Local Authority also has representation on the inspection team, in the form of a Nominee. This role was undertaken very effectively by Vicky Barlow, Senior Manager for School Improvement who acted as the link between the Estyn inspection team and the senior managers of the Education Portfolio.</p>
1.02	<p>On the 22nd and 23rd May the two senior inspectors made a preliminary visit to the LA and met with a range of stakeholders to gather evidence to support the development of their lines of enquiry for the week of inspection. This included headteachers, governors, diocesan representatives and leaders/managers from other council services and wider partner organisations. They also met with the Youth Council and representatives from School Councils.</p> <p>On the first day of the inspection week, 3rd June, the whole inspection team met with the Chief Executive, Chief Officer, Leader and Cabinet Member for Education, Chair of Scrutiny and the senior managers of the Education and Youth Portfolio. The Chief Executive and the Chief Officer for Education and Youth made a 30 minute presentation outlining the context of education services in Flintshire and the challenges currently being faced. The Senior Managers for School Improvement and for Inclusion then made individual presentation to nominated inspectors on the five local questions that Estyn had identified as the focus for the inspection of education services in Flintshire. In addition to the standard focus on Outcomes and on Leadership and Management, five local questions focused on the following areas:</p> <ul style="list-style-type: none">• How well does the local authority work with schools to improve attainment across key stage 4?• How well does the local authority ensure appropriate support for schools and settings causing concern?• How effective is the local authority's work to improve school attendance and reduce exclusions?• How well do the local authority's services ensure suitable support for pupils Educated Other Than At School (EOTAS)?• How effective is the local authority's work in identifying, providing and monitoring statutory support for pupils with special educational needs?

1.03	<p>Prior to the week of inspection the senior management team of the portfolio collated hundreds of pieces of evidence to demonstrate the effectiveness of the service and these were uploaded into Estyn's Virtual Inspection Room on a secure section of the Estyn website for the inspection team to access.</p> <p>During the week of the inspection itself, the Estyn team asked for further documentation to support their work.</p>
1.04	<p>During the full week of the inspection, small groups of inspectors interviewed a range of officers including the Chief Executive, Leader of the Council, Chair of Scrutiny, Chief Officer, GwE officers and the senior and middle managers of the portfolio to pursue their lines of enquiry and cross check evidence.</p> <p>Short feedback was given to the Chief Officer each evening and on the last day of the inspection, a verbal report outlining the first draft of the report was shared with the Council leadership, the Chief Officer and the senior managers of the portfolio.</p> <p>As the report is subsequently moderated by Estyn, its contents at that stage had to remain confidential until its final publication on 9th August 2019 on the Estyn website.</p>
1.05	<p>The full report is attached as an appendix to this report for Members' consideration.</p> <p>The report is positive with many strengths of the current educational provision identified. The local authority did not require any follow up Estyn activity. The local authority has also been asked to write a case study on its particularly effective practices in supporting the early language development of children and this will be published on the Estyn website to positively impact the work of other local authorities.</p> <p>Where Estyn felt improvements were necessary, these are reflected in the recommendations within the report. The recommendations were not a surprise to the Education Portfolio as they had mostly been identified as areas for improvement through its own self-evaluation processes and included as actions in the Portfolio Business Plan. The recommendations are:</p> <ul style="list-style-type: none"> R1 Improve outcomes for learners in key stage 4. R2 Reduce exclusions and increase attendance in both primary and secondary schools. R3 Improve the ongoing monitoring and evaluation of the few front line education services identified in the report in order to provide more accurate information about the impact of the local authority's work. R4 Manage the reduction in school budget deficits more effectively. <p>These recommendations will now be finalised into a Post Inspection Action Plan by the end of September and delivered through the work of the Portfolio. The plan will be regularly monitored and its impact evaluated with updates being shared routinely with Cabinet and the Education and Youth Scrutiny Committee.</p>

2.00	RESOURCE IMPLICATIONS
2.01	The implementation of the action plan will be resourced mostly through the existing resources of the Education and Youth Portfolio but in the current economic climate

	<p>the ongoing resilience of these core education services and of school budgets is increasingly threatened and could undermine its success.</p> <p>The addressing of the recommendation in relation to school deficit budgets has been escalated to a corporate level as it is beyond the resource of the Education Portfolio alone and is now the subject of a specific task group including the Chief Executive and the Leader of the Council.</p>
