

PROGRESS FOR PROVIDERS (SILVER & GOLD)

Outcome Focused Care Planning for Social Workers and Care Managers

The purpose of this training programme is to support the delivery of Outcome Focused Care Planning for care homes who have achieved Bronze accreditation through Progress for Providers and are now moving towards Silver and Gold accreditation.

The training will be delivered as three classroom training session (1 day each) interspersed with three Action Learning Sets.

Training Sessions

Day 1: What is an Outcome Based Approach?

The session aims to support participants to:

- identify how legislation changes the relationship between providers and individuals receiving services
- increase awareness and understanding of outcomes based approaches
- build on views, values and experiences of taking an outcome focused approach.

Day 2: Outcome Based Approaches in Practice

The session aims to support participants to:

- increase awareness and understanding of an outcome focussed approach to practice
- increase confidence for practising an outcome focused approach.

Day 3: Embedding Outcome Based Approaches

The session aims to support participants to:

- reflect on changes to thinking and practice in relation to outcome based approaches
- identify the impact of an outcome based approach on wellbeing and outcomes for citizens
- identify strategies that will be used to ensure outcome based practice is continually embedded.

Action Learning Sets

Three Action Learning Set Sessions will take place in between the training sessions. These will provide participants with the opportunity to bring real scenarios to the group to discuss how an outcome based approach can be put into practice.

1:1 Coaching

Finally, 1:1 coaching sessions will be held with each social care and provider manager. These dates will be arranged separately with the managers.
