The Committee is asked to consider, and amend where necessary, the Forward Work Programme for Audit Committee.

RECOMMENDATION

REPORT DETAILS

1.00	EXPLAINING THE FORWARD WORK PROGRAMME
1.01	Items feed into a Committee's Forward Work Programme from a number of sources. Many items are standard every quarter, six months or annually, and Members can also suggest topics for review by the Committee. Items can also be referred by the Cabinet, County Council or Chief Officers.

1.02	<p>In identifying topics for future consideration, it is useful for a 'test of significance' to be applied. This can be achieved by asking a range of questions as follows:</p> <ol style="list-style-type: none"> 1. Will the review contribute to the Council's priorities and/or objectives? 2. Is it an area of major change or risk? 3. Are there issues of concern in governance, risk management or internal control? 4. Is it relevant to the financial statements or financial affairs of the Council? 5. Is there new government guidance or legislation? 6. Is it prompted by the work carried out by Regulators/Internal Audit? 		
1.03	<p>Following the Committee meetings September, and in consultation with the Chair and the Vice Chair of the Committee, there has been the need for some movement within the Forward Work Programme. This is detailed within 1.04 of the report.</p>		
1.04	Report	Reason for Movement	New Report Date
