REPORT DETAILS

1.00	EXPLAINING THE INTERNAL AUDIT PROGRESS REPORT
1.01	Internal Audit gives a progress report to the Audit Committee every quarter as part of the usual reporting process. The report is divided into several parts.
1.02	The level of audit assurance for standard audit reviews is detailed within Appendix A. All reports finalised since the last committee meeting are shown in Appendix B.
1.03	Appendix C provides an oversight to Audit Committee on the cumulative assurance throughout the year; however, it should be noted this will be fluid. A footnote has been included to list those reports issued with a Red / Amber Red assurance.

1.04	<p>Since the last report on progress to committee in November, there have been no Red / Limited assurance report issued. Appendix D shows one report with an Amber Red / Some assurance given. Copies of all final reports are available for members if they wish to see them.</p>
1.05	<p>The automated tracking of actions is completed through the use of the integrated audit software. All actions are tracked automatically and the system allows Managers and Chief Officers to monitor their own teams' outstanding actions and confirm they are being implemented.</p> <p>E-mail alerts are generated by the system and sent to the responsible officer and their manager before the action is due. In the event an action is not completed within the agreed date, a follow up e-mail is sent to the responsible officer, their manager and copied to Chief Officer for awareness. Monthly reports are also sent to Chief Officers informing them of outstanding actions for their teams. The monthly report to Chief Officers now identifies the date of the last update provided (if any) for each action. Each Chief Officer is requested to review this.</p> <p>Appendix E shows the current situation. Of 1,317 actions entered into the system, 1,137 have been implemented and 180 remain live. There are 118 actions overdue. You will see this is higher than previously report however services have needed to prioritise their response to the emergency of the pandemic.</p> <p>As agreed, only those High or Medium priority actions are to be reported to Committee, of which there are 55. These are listed in Appendix F. Appendix G lists those actions that are six months and older from the original due date and where valid reasons have not been provided on progress or how risks are being managed in the interim.</p>
1.06	<p>Appendix H shows the status of current investigations into alleged fraud or irregularities. The table includes the start date of the investigations.</p>
1.07	<p>Appendix I shows the range of performance indicators for the department. Overall performance remains good. Where there has been movement this has been marginal. Particularly:</p> <ul style="list-style-type: none"> • Audit completed within planned time, this only applies to two reviews. • Productive days, slightly below target due to a phased return to work to full time following a staff absence.
1.08	<p>Appendix J shows the current position of work on the 2020/21 audit plan. The plan will continue to be reviewed on a regular basis and reprioritised to accommodate any new requests for work, or to respond to emerging issues. Since the last committee in November, there have been no new requests for additional work.</p>
