### EXECUTIVE SUMMARY

Flintshire County Council Reporting Measures 2020/21 were identified by portfolios and approved by Cabinet in September 2020.

The Committee has both areas of corporate performance within its terms of reference, and this report presents a summary of performance at the mid-year point for 2020/21 relevant to the Corporate Resources Overview & Scrutiny Committee. As the Overview & Scrutiny Committee with overall responsibility for performance, the complete outturn report for all portfolios is attached at Appendix 1.

This mid-year performance monitoring report for the 2021/22 Council Plan shows that 70% of activities are making good progress with 73% likely to achieve their planned outcomes. 53% of the performance indicators have met or exceeded their targets, 2% are being closely monitored and 20% are currently not meeting target. The remaining 25% account for measures which are new and are being monitored as a baseline year.

This report is an exception-based report and concentrates on under-performance against target.

### RECOMMENDATIONS

1.	That the Committee consider the Mid-Year Performance Monitoring Report to monitor areas of under performance and request further information as appropriate.
2.	To be assured by explanations given for underperformance, which in the main are explained by the interruption of the pandemic.

There is a general upwards trend in the number of transactions. Last year however during the pandemic there was an unusually high spike in the number as people applied for assistance/relief on line. During the first half of 2021 there were 28,842 online transactions compared to 32,561 throughout the whole of the previous year. This year we have processed the same volume of NDR grant applications (2,530 in 2020) and Free School Meal Payments (2,762 in 2020) as we did in the same period last year during the peak of the pandemic.</p>
