

Key Performance Indicators

The following pages show the performance against the key performance indicators (KPIs) which have been agreed within Clwyd Pension Fund's Administration Strategy. They cover thirteen areas of work, and for each there is a KPI for each of the following:

- The legal timescale that must be met
- The overall timescale for the process (including any time taken by employers and/or scheme members)
- The timescale relating to the Clwyd Pension Fund administration team only

The KPIs are specific to each process (as set out in the Administration Strategy) and illustrated by the graphs are as follows:

		A	B	C
	Process	Legal Requirement	Overall	CPF Administration element target
1	To send a Notification of Joining the LGPS to a scheme member	2 months from date of joining (assuming notification received from the employer), or within 1 month of receiving jobholder information where the individual is being automatically enrolled / re-enrolled	46 working days from date of joining (i.e. 2 months)	30 working days from receipt of all information
2	To inform members who leave the scheme before retirement age of their leaver rights and options	As soon as practicable and no more than 2 months from date of initial notification (from employer or from scheme member)	46 working days from date of leaving	15 working days from receipt of all information

11	Calculate and Pay retirement lump sum	Not applicable	Not applicable	15 working days from receipt of all information
12	Calculate and Notify member of Deferred Benefits	Not applicable	76 working days from date of leaving	30 working days from receipt of all information
13	Initial letter acknowledging death of member	Not applicable	Not applicable	3 working days from receipt of all information

Interpretation of graphs

One graph has been provided for each KPI in the table above.

This is illustrated further below.

Each KPI shows the stats for the previous 3 months and the previous 12 months

Change in % completed within KPI	Change in number completed
1%	409
1%	409
1%	409
0%	0
0%	0
0%	0

This column tells you the change in % completed within the KPI target compared to either the 3 months before last or the 12 months before last.

This column tells you the change in number of tasks completed over either the 3 months before last or the 12 months before last.

Green bars represent total cases completed that were within the KPI target in the relevant period. Red bars represent the total number of cases completed that were not done within the KPI target in the relevant period.
