

**Endorsement of Call in of Record of Decision No 4236 - The Council's Transition to a Restricted Capacity Residual Waste Collection Model**

Reasons for call-in:

1. We believe the financial figures for the saving are not reliable;
2. We believe that it is not possible to recover the amount of additional recycling projected through moving to a three weekly model;
3. We believe that the cabinet has not carried out the necessary consultation in line with Audit Wales' recent report into the council on incorporating service user feedback.
