Foreword by Brian Harvey, Current Chair of the Governance and Audit Committee (Vice Chair as at 31st March 2024)

I am pleased to present the Annual Report of the Governance and Audit Committee which outlines the Committee's work and activities for the year ending 31st March 2024. Whilst I was not Chair of the Committee during 2023/24, I was the Vice Chair.

The Governance and Audit Committee is a key part in the Council's governance framework to provide independent oversight on the effectiveness of the Council's governance, risk, financial management, and internal control arrangements. This has continued throughout this financial year.

The Committee has continued to receive valued professional reports, support and advice from Accountancy, Treasury Management, Risk Management, Corporate Business and Communications, Internal Audit and External Audit (Audit Wales). Additionally, we have invited Chief Officers and Service Managers to attend Governance and Audit Committee to respond to concerns raised by members or through various reports, such as those presented by Internal and External Audit. In addition to formal meetings of the Committee, members have participated in a small number of workshops which have informed the work of the Committee. The Chair and Vice Chair attended training courses run by the Welsh Local Government Association.

The Committee has continued to be active again this year in ensuring that management actions following Internal Audit reviews are followed up and have been questioning relevant Officers where progress in taking action has been slow. Delays occurred have largely been due to the limited capacity / resources within the services. As the Council remains in a very challenging financial and operational environment it continues to be important that risk management and internal control arrangements are effective. The recent Audit Wales' report on the Council's Financial Sustainability has also echoed the challenges the Council is facing and there is an action plan in place to address the recommendations within the report. The Committee will continue with this approach in 2024/25 so as to provide the required assurance to the Council.

At each meeting we have reviewed our Forward Work Programme ensuring the work mirrors the level of risks and priorities of the Council. Any actions raised during previous Committee meetings are reviewed for completeness.

I would like to thank members and officers who have supported the work of this Committee by presenting, discussing, challenging, and debating solutions to the governance, risk, financial, and control environment of the Council. The Committee has been well attended throughout the year and where apologies have been given a trained substitute member has attended on the members' behalf. Finally, I would like to confirm that there are no areas of concern for the Committee to note or report back on which is reassuring for the Council.

Brian Harvey
Chair of Governance and Audit Committee

1 Introduction

The Governance and Audit Committee is a key part in the Council's Governance Framework. It provides independent governance assurance over the adequacy of the Council's governance and risk management frameworks, the internal control environment, and the integrity of the financial reporting. By overseeing internal and external audit and other regulators, the Committee makes an important contribution by ensuring effective assurance arrangements are in place.

How the Governance and Audit Committee fulfils this role is detailed within the Committee Terms of Reference (March 2021). It states that the Governance and Audit Committee's role and functions will be to:

- A** Review the effectiveness of the Authority's systems of corporate governance, internal control, complaints, performance (self-assessment and peer review) and risk management, and to make reports and recommendations to the County Council on the adequacy and effectiveness of these arrangements.
- B** Oversee the reporting of the statutory financial statements to ensure the balance, transparency, and integrity of published financial information, as well as the review of the financial statements prepared by the authority and recommended to County Council; and

Review and scrutinise the County Council's financial affairs, and to make reports and recommendations on them. The role of the Committee is to assure the budgetary control systems of the Council rather than the scrutiny of the use and value for money of expenditure which is the role of the respective Overview and Scrutiny Committees.
- C** Monitor the performance and effectiveness of the internal and external audit functions within the wider regulatory context.
- D** Report to the Council annually, summarising the Committee's activities and recommendations.

The full Terms of Reference for Governance and Audit Committee are detailed at Appendix A.

In supporting the Governance and Audit Committee deliver its terms of reference, there is a strong contribution from the independent members, the external advisors and regulators and the Internal Audit Service.

2. Work of the Governance and Audit Committee and its Effectiveness

The Committee has worked within its Terms of Reference, which includes the requirement to monitor and review governance, risk management, financial management and internal controls within the Council to ensure there is an appropriate and effective framework in place. This process is demonstrated in Graphic 1 below.

The Governance and Audit Committee provides the Council with an independent opinion of the effectiveness of the Governance arrangements within the Council including those of the internal and external audit function.

As referred to above, the Governance and Audit Committee’s Terms of Reference is split into four main areas referenced A-D. Within tables 1-4 below the Governance and Audit Committee demonstrates how it has met and fulfilled its Terms of Reference by receiving, reviewing, challenging, noting, and accepting the following reports.

Any actions raised by Governance and Audit Committee after reviewing and considering these reports are detailed at Appendix B. The level of review and requests for additional information has continued to significantly increase on previous year (63 actions in 2023/24; 38 actions in 202/23 and 15 actions in 2021/22) demonstrating the increased level of discussion taking place. Where actions remain open (4 out of 63), these are either ongoing or not due at the point of this report.

In many cases following review by the Committee, the Committee accepted the recommendations made in supporting reports. However, this frequently followed extensive exploration of an issue, detailed questioning and agreed actions. As Appendix B shows the increase in actions from the previous year (63 compared to 38); examples of this included ensuring clear arrangements for follow through after Red/Amber Internal Audit reports; requesting follow updates on Red reports, and external regulatory reports and challenging where actions overdue with key officers. The Chair and Vice Chair also attend a Chief Officers Team meeting to discuss how overdue actions can be progressed.

The Committee’s Forward Work programme for 2024/25 is detailed at Appendix C.

3 Internal Audit Opinion

The Internal Audit Service to Flintshire County Council is required to provide the Council (through the Governance and Audit Committee) with an opinion on the overall adequacy and effectiveness of the organisation’s framework of governance, risk management and control. In giving that opinion, it should be noted that assurance can never be absolute. The most that the Internal Audit Service can provide to the Council is a reasonable assurance that there are no major weaknesses in risk management, governance, and control processes.

The matters reported in the Internal Audit Annual Report are those which came to our attention during our Internal Audit work and are not necessarily a comprehensive statement.

There have been no limitations made on the scope of Internal Audit coverage during the year.

For the year ending 31 March 2024, based on the work the Internal Audit Service has undertaken my opinion is that Flintshire County Council has, overall, an adequate and effective framework of governance, risk management and internal control.

During 2023/24 two ‘Red / Limited assurance’ opinions were issued where an urgent system revision was required. The table provides a comparison of the level of individual audit assurances provided.

Whilst the overall assurance opinion remains, it has been noted that there is a reduction in the number of management actions implemented during the financial year to address control weaknesses and risks. This has also been noted in the Governance and Audit Committee’s Annual Report for 2022/23. This is largely due to the available resources.

It is important to note that the number of audits completed has reduced to reflect the available resources.

Overall 61% of assurance opinions issued during 2023/24 were either Green or Amber Green providing the Committee assurance that of the audits undertaken this year in the main there are effective arrangements in place for governance, risk management and internal control.

An analysis of the category of actions raised during 2023/24 shows the top four relate to policy / procedures, financial, operational matters, and risk management.

From the graph at the side comparing the last three years, during 2023/34 there has been an increase in financial actions raised whilst there has been a decrease in the number of actions relating to risk management and operational matters and a slight decrease in actions relation to policy procedures. The final chart provides an overview of all categories of actions raised during 2023/24.

In order for the Internal Audit team to be in position to undertake such work and deliver this audit opinion, it has an unfettered high profile role within the Council, and has developed and holds an excellent trusted working relationship with portfolios. The breadth of the work has grown in recent years seeing a significant increase in requests for advisory, consultancy and commissioned work.

4 Governance and Audit Committee Membership and Attendance

For the period of this report, and to comply with Local Government and Elections (Wales) Act 2021 the Council had determined that the membership of its Governance and Audit Committee will consist, from May 2022, of six elected Members and three Independent Lay Members. The Independent Lay Members are usually appointed for a period of five years and Council Members are reappointed annually. The first lay member was appointed in 2017, the second in September 2019 and third in May 2022. To provide some continuity and compliance with the Act it was agreed by Council in May 2023 to further extend the lay members term from May 2023 to 31 May 2026.

The Committee is serviced by Council Officers, principally the Chief Executive, the Chief Officer, Governance (Council’s Monitoring Officer), the Corporate Finance Manager (Section 151 Officer) and the Internal Audit, Performance and Risk Manager. Representatives from Corporate Finance, Performance and Risk, and Audit Wales also attend Audit Committee.

The Governance and Audit Committee met on six separate occasions during 2023/24. For each meeting, the Committee were quorate and there were sufficient Elected Members to generate an informed discussion on the matters raised. The attendance by members of 94.4%, whilst slightly less than previous years, demonstrates their commitment to the Governance and Audit Committee.

All members of the Committee, including any substitutes have received the required Governance and Audit Committee training prior to attending their first Governance and Audit Committee meeting. All meetings were held remotely, meetings were recorded, and papers are available on the Council’s website. Officers from the Council’s External Auditors, Audit Wales (AW) were present at most of the meetings

5 Self-Assessment, Training and Development

Governance and Audit Committee Self-Assessment

The last self-assessment was undertaken in February 2023 and considered CIPFA’s guidance for Governance and Audit Committees as part of this assessment. The online self-assessment session was interactive with a positive discussion taking place regarding the delivery of the Committee’s core role and function. Following the self-assessment an action plan was developed and approved and presented to Governance and Audit Committee in April 2024. This will be used to monitor performance.

In October 2019, an All-Wales Chair and Vice Chairs of Governance and Audit Committee Network was established and held in Llandrindod Wells. Since 2020 this has operated remotely. During 2023/24, one session has been held by the Network. Due to a clash in calendar commitments and location (mid Wales) the Chair and Vice Chair of the Governance and Audit Committee were unable to attend.

Areas were identified for strengthening the role of the Governance and Audit Committee during the 2023/24 Governance and Audit Committee's self-assessment review. As a means of gathering evidence as to the effectiveness of the Committee and to increase its effectiveness, the Committee approved on 10 April 2024 an action plan which addressed the findings of the previous self-assessment. This will be considered as part of the next self-assessment.

6 Future Priorities

The Committee's Forward Work Programme (Appendix C) will continue to be reviewed to ensure the contribution to governance, risk management, financial management and internal control is maximised.
