1	John Holliday	2:03 pm 9/3/2018	<p>As you are not doubt aware, despite considerable protests, FCC /Aura decided to close the squash courts at Mold. Brymbo Squash Club are building new courts and offered to purchase, dismantle and remove the glass back units from Mold. They never heard any more. It is now apparent that instead of salvaging this valuable asset, they were smashed and skipped. Bearing in mind that they cost £6000 each, this is a scandalous waste of £12000 when FCC are supposedly desperate for funds.</p> <p>In view of interest in making further use of court glass backs, why was this valuable resource smashed and thrown in a skip?</p>
