Opening times will apply from mid March to end of September - the Park is often too quiet to justify opening the shop at other times of the year.

Non standard timings. Where you intend to use the premises to be open to the members and guests at different times from those listed in the column on the left, list below

For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

May open later on bank holiday weekends when people are having barbeques or we have live music on.

#### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We will let customers know through signage outside the shop that we now sell alcohol. We do not want to promote it too much in the locality because it may raise the attraction for theft. We are not intending to be a shop for the community. There is Rhydymwyn shop and Halkyn stores for that. It will simply be something that guests become aware of when they visit. We plan to offer small / regular bottles of wine/popular beers & cider. Perhaps pre mixed g & t / pimm's etc. We do not intend to sell large bottles of whisky / vodka etc. We may mention that we sell alcohol on our website. Most customers bring alcohol with them but we would like to just add to our provision of customer satisfaction by adding this extra facility. People do not have a pub in walking distance and they have to drive to the nearest off licence. I think this will be a benefit to our customers.

b) The prevention of crime and disorder

Not promoting the fact that we sell alcohol to the local community - so youths etc do not try to come and buy it. We are not in a village anyway and have very few local neighbours - we are purely focusing on our visitors. However if a neighbour came to purchase a bottle of wine we would sell. We would follow all age id regulations - all teenagers are here visiting with parents anyway.

c) Public safety

The safety of the public is paramount. We have very few incidents involving the police thank goodness. We will not serve to anyone who already appears to be drunk.

d) The prevention of public nuisance

It is in our own interests to keep public nuisance to a minimum. We live on the same area as the Park and patrol / support the concept of enjoyment and a holiday atmosphere. Anti social behaviour is no good for our reputation. Behavioural rules are given out on arrival at the park and a 10.30 noise curfew is imposed. ( Any events taking place are scheduled to finish at 10.30pm but we've applied for 11pm. We have very few incidents involving the police thank goodness. We will not serve to anyone who already appears to be drunk.

e) The protection of children from harm

All children / teenagers who are on the Park are here visiting with their parents or in the care of an adult guardian. Both the
