

Notes

Figured dimensions are to be used in all cases. Dimensions should not be scaled from drawing. All existing dimensions should be checked on site before commencement of the work. Any discrepancies in dimensions should be clarified with the Architect prior to commencement of the work. No deviation from this drawing will be permitted without the prior written consent of the Architect. This drawing is to be read in conjunction with all the relevant Mechanical and Electrical drawings. This drawing is to be read in conjunction with the relevant Structural Engineer's drawings, structural calculations and recommendations. This drawing is to be read in conjunction with the relevant Fire Safety Strategy drawings.

This drawing is copyright and to be returned to the architect on completion of the contract.

1 Elevation 1

Scale: 1 : 100

2 Elevation 2

Scale: 1 : 100
