### **EXECUTIVE SUMMARY**

The Council Plan for 2017-23 was adopted by County Council to show the key priorities of the Council for the five year term of the new administration. The Plan is subject to annual review.

The content of the Council Plan for 2021/22 will continue to take into account continued recovery in addition to our longer-term strategic objectives.

The initial framework for Part One of the next version of the Council Plan is built around six themes:

- Economy
- Education and Skills
- Green Society and Environment
- Affordable and Accessible Housing
- Personal and Community Well-being
- Poverty

Each of these six themes is accompanied by a strategic statement. The statements lend themselves to being Well-being objectives.

The six themes will be mapped out against the respective lead portfolios for reporting to the Overview and Scrutiny Committees. Corporate Resources Overview and Scrutiny Committee have supported the timeline for the development of the plan.

Following Cabinet agreement the next stage of development for the Plan's outline content is for Scrutiny Committees to review and consider its contents. All comments and suggestions will then be collated and shared at Corporate Resources Overview and Scrutiny Committee.

## RECOMMENDATIONS

1	To review and agree the further developed themes of the Council Plan 2021-22 prior to sharing with Cabinet in March 2021.
