**EXECUTIVE SUMMARY**

This monthly report provides the latest detailed revenue budget monitoring position 2020/21 for the Council Fund and Housing Revenue Account for the financial year and presents the position, based on actual income and expenditure, as at Month 9. This report projects how the budget would stand at the close of the financial year if all things remain unchanged; it also takes into account the latest position on Welsh Government Emergency Grant Funding announcements.

The projected year end position, without new actions to reduce cost pressures and/or improve the financial return on efficiency planning and cost control is:

**Council Fund**

- An operating surplus of £0.372m (excluding the impact of the pay award which will be met by reserves), which is a favourable movement of £0.102m from the surplus figure of £0.270m reported at Month 8.
- A projected contingency reserve balance as at 31<sup>st</sup> March, 2021 of £1.787m

**Housing Revenue Account**

- Net in-year revenue expenditure forecast to be £1.641m lower than budget
- A projected closing balance as at 31<sup>st</sup> March, 2021 of £3.814m

As reported in previous reports and to assist with mitigating the overall projected overspend the following measures were introduced from Month 5:-

- 1) All non-essential spend be reviewed and challenged with a view to ceasing/delaying where able and
- 2) Further Portfolio Management Team challenge of recruitment to vacancies i.e. ceasing/delaying.

## RECOMMENDATIONS

1	To note the overall report and the projected Council Fund contingency sum as at 31 <sup>st</sup> March 2021.
2	To note the projected final level of balances on the Housing Revenue Account (HRA).
3	To approve the carry forward requests included in paragraph 1.22

The reasons for the favourable net movement of £0.102m from the previous month are shown in Appendix 1. The reasons for the overall projected variances are summarised within Appendix 2 showing the detail of all variances over £0.050m and a summary of minor variances for each portfolio.

Within the projected underspend position of £0.372m, there are COVID-19 related cost pressures and income shortfalls totalling £1.268m which are shown in a separate column in Appendix 2 (cost savings of £0.175m, cost pressures of £0.343m and income shortfalls of £1.100m). We will continue to look at legitimate funding opportunities from the Welsh Government Hardship Fund which if confirmed will have a positive impact on the overall position.

**Significant Movement from Month 8**

1.04

**Social Services £0.200m**

Due to a misinterpretation of the complex Financial Assessment Regulations a number of service users have been incorrectly charged with the estimated value required to be reimbursed being in the region of £0.750m-£0.800m. However, this is partly mitigated by an increase in Direct Payment funds which are due to be drawn back in line with the Direct

Payment Contract (£0.200m). In addition, there is a further positive movement following confirmation of further Welsh Government Hardship funding claimed to support the Council's in-house care provision (£0.360m-£0.400m) leaving a projected month on month movement of up to £0.200m.

Increased care service costs in Mental Health totaling £0.075m are mitigated by the delay in opening of Plas yr Ywen extra care facility (£0.039m) and additional funding contributing to a care package in Disability Services for (£0.035m).

#### **Out of County Placements £0.064m**

The aggregate impact of new placements and changes of placements forecast to the end of the financial year.

#### **Streetscene & Transportation (£0.310m)**

There has been a reduction in costs for January and early February due to school closures as school transport providers have been reimbursed at 75% of contracted price as per Welsh Government guidance.(£0.205m).

There has been a reduction in the projected costs of risks associated with the pandemic following a review of costs and an updated position on the Hardship Claims agreed by Welsh Government (£0.254m).

The above are offset by additional workforce costs in Waste Services and additional security costs at the Council's Household Recycling Centres (£0.108m), together with minor variances across the portfolio of £0.041m.

#### **Governance (£0.126m)**

Part of the positive movement relates to an increase to the projected surplus on the Council Tax Collection Fund (£0.025m).

The Revenues Service have received a number of Administration Grant awards for resourcing and disseminating Welsh Government Emergency Business Grants (£0.045m). There has also been an increase in income from fines, over and above previously anticipated levels (£0.038m).

#### **Education & Youth (£0.072m)**

The positive movement is due to delays in recruitment within Schools Inclusion and Progression Service (£0.027m); further reduction of costs at non maintained settings payments (£0.025m); and other minor variances across the service (£0.021m).

#### **Central & Corporate Finance £0.206m**

Due to the rising level of outstanding debt across the Council due to the impact of the pandemic and the current economic climate on business and service clients of the Council, a prudent approach has been adopted by increasing the overall bad debt provision by £0.250m. This is partly mitigated by other positive movements for the projected outturn on Apprentice Tax levy and Pensions Added Years contributions totaling (£0.044m).

1.05	<p><b>Key Financial Risks – Council Tax Income and Council Tax Reduction Scheme</b></p> <p>There have been significant impacts on Council Tax income and the Council Tax Reduction Scheme.</p> <p>The potential financial impact of these two areas is being reported separately due to 1) the difficulties in predicting the impacts of these risks and 2) the potential for these areas to be further supported by additional Welsh Government funding.</p> <p>An update on the latest position on each area is detailed below.</p>
1.06	<p><b>Council Tax Income</b></p> <p>As with all Councils the pandemic has significantly impacted on council tax collection. At this stage council tax income is 1.1% below target which equates to £1.1m. Income is expected to continue to recover now that recovery processes have resumed in full and when agreed payment deferrals are settled. Welsh Government have recently announced financial support of £22.6m across Wales as a contribution towards these potential losses.</p>
1.07	<p><b>Council Tax Reduction Scheme (CTRS)</b></p> <p>During the pandemic there has been a significant increase in demand with additional costs of £0.294m identified as at the second quarter. Welsh Government previously confirmed funding for the first two quarters totalling £0.147m and have also recently confirmed the final two quarters of the financial year will be supported by grant funding totalling £5.5m across Wales.</p>
1.08	<p><b>OPEN RISKS</b></p> <p>Members were made aware when setting the budget that there were a number of open risks that would need to be kept under close review. An update on these is provided below.</p>
1.09	<p><b>Pay Award</b></p> <p>The Teachers Pay Award which is effective from September 2020 has been set at 3.1% and the financial impact of this for 2020/21 is estimated to be £0.535m. Welsh Government have previously announced grant funding of £0.200m to part fund this increase. The remainder will need to be met from Schools delegated budgets.</p>
1.10	<p><b>Charging for Post 16 Transport</b></p> <p>The budget for 2020/21 provides for expected additional income of £0.449m based on the assumption that charging would be introduced from September 2020. This policy decision was reversed by Cabinet in May.</p>

	<p>The developing financial solution through effective partnership working with Coleg Cambria will assist with mitigating the financial risk for 2020/21. An agreement has been reached with the college that a level of the anticipated value of the journeys would be reimbursed to the Portfolio and that is now reflected in the projected outturn.</p>
1.11	<p><b>Out of County Placements</b></p> <p>Additional funding of £2.7m was included in the budget for 2020/21 to address the historic significant increase in demand. At this stage, based on current activity there is an overall net projected overspend of £0.631m (underspend of £0.156m within Education together with an overspend of £0.787m within Children's Services). The impact of this increase in demand will need to be considered as part of the budget considerations for 2021/22.</p>
1.12	<p><b>NEW EMERGING RISKS</b></p> <p><b>Free School Meals (FSM)</b></p> <p>Schools have a delegated budget for free school meals which is based on the number of pupils eligible. The budget for 2020/21 is £1.256m. Following the closure of schools in March, the Council made direct payments to families and there was a marked increase in the number of claims. Based on current free school meal claims and making projections for a range of take-up percentages in the remainder of the year, it is estimated that the budget could overspend by between £0.222m and £0.344m.</p>
1.13	<p><b>Severe Weather / Flood Risks</b></p> <p>The recent severe weather in January has impacted a number of services across the Council. As a result, there are likely to be significant costs being incurred, having both Revenue and Capital implications.</p> <p>Welsh Government have confirmed that the Emergency Financial Assistance Scheme (EFAS) threshold will not apply for the costs incurred.</p> <p>Welsh Government have advised with regard to revenue and capital funding which indicates that costs can be claimed for between 85% and 100% of expenditure incurred, subject to further confirmation. Costs at this stage are estimated to be in the region of £0.900m.</p>
1.14	<p><b>Achievement of Planned In-Year Efficiencies</b></p> <p>The 2020/21 budget contains £5.206m of specific efficiencies which are being tracked and monitored. The Council aims to achieve a 95% rate in 2020/21 as reflected in the MTFs KPI's.</p> <p>The current assessment of the efficiencies to be achieved in 2020/21 shows that £5.357m or 100% of the efficiencies will be achieved, with an over recovery of £0.151m on Discretionary Transport Review – Post 16 Transport.</p>

	Further details on the current status on efficiencies can be seen in Appendix 3 with the overall impact in relation to any impact for 2021/22 being reviewed as part of the ongoing work on the MTFS.																																								
1.15	<p><b>Reserves and Balances</b></p> <p><b>Un-earmarked Reserves</b></p> <p>The level of Council Fund Contingency Reserve brought forward into 2020/21 was £2.370m as detailed in the 2019/20 outturn report. This is the amount available for general purposes following the set-aside of £3.0m for Emergency Funding.</p>																																								
1.16	<p>Taking into account the above and, the current projected underspend at this stage, and previously agreed allocations, the balance on the Contingency Reserve at 31 March 2021 is projected to be £1.787m as detailed in Appendix 4.</p> <p>This assumes that the projected underspend of £0.372m increases the overall Reserve.</p> <p>The £3m emergency ring-fenced fund would have an amount of £2.377m remaining after allowing for currently known ineligible items, However, there are a number of holding items and Income Loss claims still being considered by the Grants Panel. Therefore, it is estimated that the final amount remaining will be in the range £1.5m to £2m.</p>																																								
1.17	A review of the Earmarked Balances and Reserves is on-going, balances are challenged and some identified as no longer required, which can then be returned to the Contingency Reserve.																																								
1.18	<p><b>Earmarked Reserves</b></p> <p>The table below gives a summary of earmarked reserves as at 1 April 2020 and provides an estimate of projected balances as at the end of the current financial year.</p> <p><b>Council Fund Earmarked Reserves 2020/21 Monitoring Summary Month 9</b></p> <table border="1"> <thead> <tr> <th>Reserve Type</th> <th>Balance as at 01/04/20</th> <th>Balance as at Month 9</th> <th>Balance as at 31/03/21</th> </tr> </thead> <tbody> <tr> <td>Service Balances</td> <td>1,614,705</td> <td>1,139,498</td> <td>1,219,850</td> </tr> <tr> <td>Specific Service Balances</td> <td>213,991</td> <td>213,991</td> <td>189,670</td> </tr> <tr> <td>Single Status/Equal Pay</td> <td>1,120,944</td> <td>1,120,944</td> <td>729,615</td> </tr> <tr> <td>Investment in Organisational Change</td> <td>1,693,937</td> <td>1,670,552</td> <td>1,355,815</td> </tr> <tr> <td>Benefits Equalisation</td> <td>132,822</td> <td>132,822</td> <td>132,822</td> </tr> <tr> <td>County Elections</td> <td>211,990</td> <td>211,990</td> <td>211,990</td> </tr> <tr> <td>Local Development Plan (LDP)</td> <td>180,000</td> <td>180,000</td> <td>180,000</td> </tr> <tr> <td>Waste Disposal</td> <td>82,648</td> <td>82,648</td> <td>22,806</td> </tr> <tr> <td>Enterprise Centres</td> <td>6,993</td> <td>6,993</td> <td>0</td> </tr> </tbody> </table>	Reserve Type	Balance as at 01/04/20	Balance as at Month 9	Balance as at 31/03/21	Service Balances	1,614,705	1,139,498	1,219,850	Specific Service Balances	213,991	213,991	189,670	Single Status/Equal Pay	1,120,944	1,120,944	729,615	Investment in Organisational Change	1,693,937	1,670,552	1,355,815	Benefits Equalisation	132,822	132,822	132,822	County Elections	211,990	211,990	211,990	Local Development Plan (LDP)	180,000	180,000	180,000	Waste Disposal	82,648	82,648	22,806	Enterprise Centres	6,993	6,993	0

The projected level of school balances are currently being reviewed in detail as we near the end of the financial year. At this stage however, there is a significant risk that overall balances could fall into an overall net negative position. However, in the past schools have benefitted from the notification of late in-year external grant funding opportunities which would positively impact on year end balances.

#### 1.19 **Request for Carry Forward of Funding**

##### Education & Schools

Transition of the Plas Derwen Pupil Referral Unit into the new build on the Queensferry site is due to open in September 2021. The service has a projected underspend of £0.020m in 2020/21 and approval is sought to carry forward this funding to support additional TLRs (Teaching and Learning Responsibilities) for staff to lead on curriculum development across the age ranges and to enable the purchase of resources to support the new curriculum.

##### Planning Environment & Economy

One off funding of £0.024m is currently being utilised to fund a short term contract Clerk of Works to assist the team in providing greater resilience to the Empty Homes Scheme and clearing a backlog and administration. The delay in acquiring additional resource due to the Pandemic means that this post will now be required to continue on into the 1<sup>st</sup> quarter of the new financial year. This is an area of work which appears in the Council Plan and is measured by a Public Accountability Measure (PAM). Approval is sought to carry forward this funding.

	<p><b><u>Streetscene &amp; Transportation</u></b></p> <p>Due to the amount of late Welsh Government grant funding being made available to the Council, some of the spend that is normally allocated to the capital programme via a revenue contribution on the Highways Asset Management Plan works is now not required because of the need to maximise this grant funding (£0.150m) Approval is sought to carry forward this funding to be utilised in full on Highways schemes during 2021/22.</p>
1.20	<p><b>Housing Revenue Account</b></p> <p>The 2019/20 Outturn Report to Cabinet on 16 June 2020 showed an un-earmarked closing balance at the end of 2019/20 of £2.009m and a closing balance of earmarked reserves of £0.437m.</p>
1.21	<p>The 2020/21 budget for the HRA is £36.672m which includes a movement of £0.164m to reserves.</p>
1.22	<p>The monitoring for the HRA is projecting in year expenditure to be £1.641m lower than budget and a closing un-earmarked balance as at 31 March 2021 of £3.650m, which at 10.48% of total expenditure satisfies the prudent approach of ensuring a minimum level of 3%. Appendix 5 attached refers.</p>
1.23	<p><b>Housing Revenue Account (£0.051m)</b></p> <p>Positive movement is in the main due to a reduction in court costs due to the suspension of action as a result of the pandemic (£0.030m); minor variances across the service (£0.021m).</p>
1.27	<p>The budget contribution towards capital expenditure (CERA) is £12.928m.</p>

<b>2.00</b>	<b>RESOURCE IMPLICATIONS</b>
2.01	As set out within the report.

<b>3.00</b>	<b>IMPACT ASSESSMENT AND RISK MANAGEMENT</b>
3.01	The financial impacts of the emergency as set out in the report are a combination of actual costs and losses to date and estimates of costs and losses for the future. There is the possibility that the estimates will change over time. The budget will be monitored closely and mitigation actions taken wherever possible.

Localities	19.218	18.656	-0.563		-0.579	The net cost of residential care is £0.488m underspent. This includes the cost of residential care placements net of income received such as property charges and contributions from health. There is a decline in the demand for residential care placements due to Covid 19. Day care is £0.058m under budget, this service is currently closed and will be reopened only when it is safe to do so. Domiciliary and Direct Payments are reporting a combined overspend of £0.215m and are projected based on recent levels of care provision. The Localities Team staff budget is underspending by £0.161m due to a number of staff not yet on top of scale, some temporary reduced hours and in-year savings on travel costs. The minor adaptations budget is £0.058m underspent based on expected activity and there is a small underspend on service level agreements paid to the third sector of £0.008m.	
Resources & Regulated Services	8.027	7.689	-0.337		-0.298	The Councils in-house care provision is reporting an underspend of £0.337m. Day care is reporting an overspend of £0.003m, day centres are currently closed and assumed to be so until it is safe to reopen. The day centre staff are deployed to residential care to assist in delivering care, however the staff costs are still recorded against the day-care budget. Homecare is underspent by £0.018m. Staff costs are incurred as a result of the amount of homecare delivered and projected forward based on estimated activity. Residential care is overspent by £0.007m due to a number of small variances. Extra care is underspending by £0.330m. Plas Yr Ywern in Holywell has not yet opened an a full compliment of staff is yet to be recruited. Care staff already recruited to Plas Yr Ywern are currently redeployed to alternate in-house care services and this has meant significant costs due to Covid 19 have been avoided. It is anticipated that Plas Yr Ywern will open in March 2021.

Residential Placements	1.297	2.090	0.793		0.720	This outturn is the cost of social care for people within the Mental Health service. These costs include nursing and residential care, domiciliary care and Direct Payments. <b>Children's Services</b>							
Family Placement	2.621	2.786	0.165		0.162	The overspend is due to current demands on the service from the number of fostering placements, which in some instances avoid making an Out of County placement which would be more expensive. The main pressure areas are payments for foster carers, foster agencies and special guardianship payments.	
Legal & Third Party	0.225	0.540	0.316		0.321	Legal costs are overspent due to the number of cases going through the courts and the use of external legal professionals. Direct Payments have also increased in demand.	
Professional Support	5.293	5.572	0.279		0.283	To support adequate levels of child protection, the established staffing structure needs to be at a sufficient level to meet mandatory safeguarding standards. Vacancies are therefore minimised and additional temporary posts are sometimes required.

Service	Approved Budget (£m)	Projected Outturn (£m)	Annual Variance (£m)	Impact of Covid-19 (£m)	Last Month Variance (£m)	Cause of Major Variances greater than £0.050m	Action Required
Service Delivery	8.911	9.271	0.360		0.230	The service has incurred additional revenue pressures from responding to and resolving previously reported security measures and remedial actions following vandalism at the Household Recycling Centres. This matter was widely reported during 2019-20 and has not abated. The monthly costs are now running at over £0.006m per month, mainly due to the introduction of a night time presence on the sites. This has resulted in a forecast pressure in the sum of £0.072m for the year. Further impacts for hire of transport, additional stores recharges and HRC site costs are reflected at Month 9.	
Highways Network	7.764	7.724	-0.040		-0.061	Following a stringent review of fuel costs and advice from market advisors, the fuel cost forecast for fleet vehicles has been reduced accordingly. In addition, updated projections on a number of services across Highways Network has resulted in reduced commitments.	
Transportation	9.366	8.915	-0.452		-0.246	Operators have been supported during school closures by receiving 75% of their contracted values, in addition a number of routes have been re-procured to reflect current arrangements for operation in the new school year. The forecast position for this service has now been clarified and accommodates both matters. It should be noted however that this improvement will only impact during 2020-21 and the underlying impact of the current circumstances. There are also risks around this position in that the updated forecast is based on the assumption that Colleges will honour their agreement to support Post 16 transport in the sum of £0.600m. However, if this income is not realised in full, the position will be impacted accordingly. Impact of 75% payable to School Transport providers from January due to school closures into February and reflects the projected 25% saving has been recognised at Month 9	
Regulatory Services	4.609	4.815	0.206		0.208	This service has experienced a downturn in the levels of income generated by sales of Electricity and this is currently anticipated to reach a level of some £0.120m during the year. There has also been a downturn in the rebate for co-mingled waste due to a considerable drop in the value of approximately £70-£80 per ton. The variance reflects the projected loss of car park income in Quarter 2 and 3 following amendments to WG Income Loss Funding eligibility criteria, with further car park income loss risks shown under the COVID-19 variances.

Impact of Covid-19	0.000	0.721	0.721	0.721	0.975	Following a full reconciliation and review of Streetscene expenditure and income loss relating to the Coronavirus Pandemic, all relevant details have now been consolidated to one code. This has been done in order to facilitate enhanced reporting and monitoring of the impact. All risks identified are now recorded in this forecast and at month 9 they include; £0.450m car parking income loss, £0.099m in relation to potential PCN and FPN revenues, £0.040m in relation to additional vehicles and fuel and £0.075m in relation to additional private contractors and plant hire. A level of additional disposal expenditure as a result of increased kerbside waste collections due to people working and remaining at or close to home up to October totalling £0.133m was approved by WG. A further £0.057m for the November to March period is now reflected in the Month 9 variance position.	It should also be noted that Welsh Government has approved 50% funding of the Grass Cutting contract, let due to all operatives being diverted to waste routes. An application has been made for the release of part of the £3m COVID-19 Contingency Reserve Funding to fund the other 50%. In addition, there has only been part funding approved of the free school meal transport provided to homes and hubs and submitted as a part of the COVID claim; the balance of funding will also need to be met from the £3m COVID-19 Contingency Reserve.

Development	0.023	0.175	0.153	0.228	0.190	Pressure within the Building Control service is due in the main, to delays sourcing core materials meaning that the construction industry is operating at a low level of capacity. This results in a projected reduced Building Control fee income. ### EXECUTIVE SUMMARY

The report summarises changes made to the Capital Programme 2020/21 since it was set in January 2020 to the end of Month 9 (December 2020), along with expenditure to date and projected outturn.

The Capital Programme has seen a net increase in budget of £0.506m during the period which comprises of:-

- Net budget increase in the programme of £0.423m (See Table 2 - Council Fund (CF) £0.821m, Housing Revenue Account (HRA) (£0.398m));
- Net Carry Forward to 2021/22, approved at Month 6 of £0.083m (all CF)

Actual expenditure was £35.853m (See Table 3).

The final outturn funding surplus from the 2019/20 – 2021/22 Capital Programme was £1.145m. The 2020/21 – 2022/23 Capital Programme was approved on the 28<sup>th</sup> January 2020, with a funding deficit of £2.264m. The surplus carried forward led to an opening funding position deficit of £1.119m.

The reported Month 6 funding position for the 3 year period ending in 2022/23 was a surplus of £0.403m. Capital receipts received in the third quarter of 2020/21, total £0.864m. This gives a revised projected surplus in the Capital Programme at Month 9 of £1.267m for the 2020/21 – 2022/23 Capital Programme, prior to the realisation of additional capital receipts and/or other funding sources.

## RECOMMENDATIONS

1	Cabinet are requested to approve the overall report.
2	Cabinet are requested to approve the carry forward adjustments set out at 1.17.
3	Cabinet are requested to approve the funding of schemes from the current 'headroom', as set out in 1.18.

## REPORT DETAILS

<b>1.00</b>	<b>EXPLAINING THE CAPITAL PROGRAMME MONITORING POSITION – MONTH 9 2020/21</b>
1.01	<b>Background</b>  The Council approved a Council Fund (CF) Capital Programme of £42.582m and a Housing Revenue Account (HRA) Capital Programme of £30.464m for 2020/21 at its meeting of 28 <sup>th</sup> January, 2020.
1.02	For presentational purposes the Capital Programme is shown as a whole, with sub-totals for the Council Fund and HRA. In reality the HRA programme is 'ring fenced' and can only be used for HRA purposes.
1.03	<b>Changes since Budget approval</b>  Table 1 below sets out how the programme has changed during 2020/21. More detailed cumulative information relating to each Portfolio is provided in Appendix A:-

1.06	Introduction of grant funding for the redevelopment of Theatr Clwyd. The grant is for the final design and technical stage of the project, before the commencement of construction. Total grant awarded is £3m, which is split over two financial years.
1.07	In addition to the above, Welsh Government (WG) funding has been introduced for improvement works at Standard Waste Transfer Station.
1.08	There has also been an introduction of grant funding from WG relating to school extension and improvement works at Ysgol Glanrafon, Mold.
1.09	Re-profiling of grant funding and Prudential Borrowing for two school modernisation programmes at the Queensferry Campus and Ysgol Croes Atti, Shotton. Works will be carried out over two financial years with budget being re-profiled to match projected actual expenditure in year.

1.10	Re-profiling of Local Transport Funding to match expenditure across financial years.
1.11	At the beginning of the financial year, budgets were re-profiled across all of the HRA programme. Works have progressed on the Welsh Housing Quality Standard (WHQS) resulting in bringing budget back in, to match projected actual expenditure.
1.12	As part of the Strategic Housing and Regeneration Programme (SHARP), the Council are building new social and affordable houses. The programme is currently developing the latest batch of sites for which expenditure will be incurred over two financial years. Re-profiling of Prudential Borrowing has been carried out to match projected actual expenditure.
1.13	<p><b>Capital Expenditure compared to Budget</b></p> <p>Expenditure as at Month 9, across the whole of the Capital Programme was £35.853m. The breakdown of expenditure is analysed in Table 3, along with the percentage spend against budget.</p> <p>This shows that 46.59% of the budget has been spent (CF 42.33%, HRA 61.65%). Corresponding figures for Month 9 2019/20 were 55.78% (CF 44.09%, HRA 75.09%).</p>
1.14	The table also shows a projected underspend (pending carry forward and other adjustments) of £4.352m on the Council Fund and a break even position on the HRA.

1.15 Details of the variances for individual programme areas are listed in Appendix B, which includes the reasons, and remedial actions which may be required, where those variances exceed +/- 10% of the revised budget. In addition, where carry forward into 2021/22 has been identified, this is also included in the narrative.

1.16 **Carry Forward into 2021/22**  
During the quarter, carry forward of £4.352m (all CF) has been identified which reflects reviewed spending plans across all programme areas; these committed amounts have been identified as now required to meet the cost of programme works and/or retention payments in 2021/22.

1.17 Information relating to each programme area is contained in Appendix B and summarised in Table 4 below:

**Additional Allocations**

Additional allocations have been identified in the programme in this quarter as follows:

- Brynford CP School - £0.050m. The capital programme has an allocation of £1.040m to invest in Brynford CP School, to bring the building up to Building Bulletin standards to deliver high quality services efficiently. An additional £0.050m is required for the scheme.
- Member IT Support - £0.014m. Provision of Council laptops to each Member who requires one, to support remote attendance of Member meetings and in order to reduce the costs of printing and postage which are being incurred.

Both can be funded from within the current 'headroom' provision.

Wepre Country Park

£0.080m has been allocated in the capital programme over two years to repair bridges at Wepre Country Park. Three of the four bridges have been completed and the costs of the fourth bridge are anticipated to be within budget, leaving an expected saving of £0.032m.

Severe weather conditions caused a landslip and path collapse at Red Rocks, a key route in the park. It is proposed that the expected underspend is used to repair the path at this location.

1.19

**Savings**

No savings have been identified in the programme in this quarter.

1.20

**Funding of 2020/21 Approved Schemes**

The position at Month 9 is summarised in Table 5 below for the three year Capital Programme between 2020/21 – 2022/23:-

1.21

The final outturn funding surplus from the 2019/20 – 2021/22 Capital Programme was £1.145m. The 2020/21 – 2022/23 Capital Programme was approved on the 28<sup>th</sup> January 2020, with a funding deficit of £2.264m. The surplus carried forward led to an opening funding position deficit of £1.119m.

The reported Month 6 funding position for the 3 year period ending in 2022/23 was a surplus of £0.403m. Capital receipts received in the third quarter of 2020/21, total £0.864m. This gives a revised projected surplus in the Capital Programme at Month 9 of £1.267m for the 2020/21 – 2022/23 Capital Programme, prior to the realisation of additional capital receipts and/or other funding sources.

1.22

**Update on Capital Programme 2021/22 – 2023/24**

The 2021/22 – 2023/24 Capital Programme was approved by Council on the 8<sup>th</sup> December 2020, with a funding deficit of £1.317m. On the 22<sup>nd</sup> December 2020, WG announced its provisional local government settlement for 2021-22.

This provides a net increase in 2021/22 of £1.526m compared with the estimated funding assumed in December's Capital Programme budget report. The Un-hypothecated Supported Borrowing (USB) has reduced by £0.033m and the General Capital Grant (GCG) has increased by £1.559m. Since 2018/19 WG have been providing additional GCG, with £50m allocated on an all Wales level in 2018/19, £30m in 2019/20, and £35m in 2020/21. The £35m additional capital funding has been continued into 2021/22.

Using the Provisional Settlement figures over the three year Capital Programme 2021/22 – 2023/24, reflecting the reduced USB figure and assuming that the GCG remains at the lower level, with no additional funding for the following two years (2022/23 and 2023/24), this gives an estimated funding increase of £1.460m over the approved three year period when compared with the December Capital Programme budget report.

This results in the programme being in a surplus position of £0.143m.

As it stands, the surplus carried forward will lead to an opening funding position surplus of £1.410m, in 2021/22.

**1.23 Investment in County Towns**

At its meeting on 12<sup>th</sup> December 2017, the Council approved a Notice of Motion relating to the reporting of investment in county towns. The extent and format of the reporting was agreed at the Corporate Resources Overview and Scrutiny Committee on 14<sup>th</sup> June 2018.

1.24 Table 6 below shows a summary of the 2019/20 actual expenditure, the 2020/21 revised budget and budgets for future years as approved by Council at its meeting of 28<sup>th</sup> January, 2020. Further detail can be found in Appendix C, including details of the 2020/21 spend to Month 9.

1.25 The inclusion of actuals for 2019/20 and approved schemes for future years allows a slightly fuller picture of investment plans. However, expenditure which has occurred in years' prior to 2019/20 has not be included, and the expenditure and budgets reported should be considered in that context.

1.26 There are two significant factors which increase allocations to particular areas, which are homes developed under SHARP, and new or remodelled

	schools. The impact of these can be seen in the detail shown in Appendix C.																											
1.27	Some expenditure cannot yet be allocated to specific towns as schemes are not yet fully developed or are generic in nature and not easily identifiable to one of the seven areas. As such schemes are identified the expenditure will be allocated to the relevant area.																											
1.28	Information on the split between internal and external funding can be found in Appendix C.																											
1.29	<p>In addition to the information contained in Appendix C, there is also considerable capital expenditure on the HRA Welsh Housing Quality Standard (WHQS), which was originally outside the scope of this analysis. A summary is provided in Table 7 below, albeit using a slightly different catchment area basis.</p> <p><b><u>Table 7</u></b></p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th colspan="3" style="text-align: left;"><b>WHQS Programme</b></th> </tr> <tr> <th></th> <th style="text-align: center;"><b>2019/20 Actual £m</b></th> <th style="text-align: center;"><b>2020/21 Budget £m</b></th> </tr> </thead> <tbody> <tr> <td>Holywell</td> <td style="text-align: center;">2.950</td> <td style="text-align: center;">0.300</td> </tr> <tr> <td>Flint</td> <td style="text-align: center;">2.110</td> <td style="text-align: center;">0.300</td> </tr> <tr> <td>Deeside &amp; Saltney</td> <td style="text-align: center;">0.420</td> <td style="text-align: center;">2.611</td> </tr> <tr> <td>Buckley</td> <td style="text-align: center;">0.600</td> <td style="text-align: center;">4.579</td> </tr> <tr> <td>Mold</td> <td style="text-align: center;">7.130</td> <td style="text-align: center;">1.432</td> </tr> <tr> <td>Connah's Quay &amp; Shotton</td> <td style="text-align: center;">0.480</td> <td style="text-align: center;">1.400</td> </tr> <tr> <td><b>Total</b></td> <td style="text-align: center;"><b>13.690</b></td> <td style="text-align: center;"><b>10.622</b></td> </tr> </tbody> </table>	<b>WHQS Programme</b>				<b>2019/20 Actual £m</b>	<b>2020/21 Budget £m</b>	Holywell	2.950	0.300	Flint	2.110	0.300	Deeside & Saltney	0.420	2.611	Buckley	0.600	4.579	Mold	7.130	1.432	Connah's Quay & Shotton	0.480	1.400	<b>Total</b>	<b>13.690</b>	<b>10.622</b>

<b>2.00</b>	<b>RESOURCE IMPLICATIONS</b>
2.01	Financial implications - As set out in the body of the report.
2.02	Personnel implications - None directly as a result of this report.

<b>3.00</b>	<b>IMPACT ASSESSMENT AND RISK MANAGEMENT</b>
3.01	The recent adverse weather has caused significant damage to the highway network. Assessments are ongoing but impacts are likely to be numerous and expensive. Bids for funding will be submitted to WG, with the outcome of these bids, determining the impact on the Council's programme. This will be monitored during the final quarter of the year.

	<p>The impact of the current pandemic will continue to be monitored closely during the final quarter. Any changes to the Government guidelines may have an adverse impact on the ability of Portfolios to deliver schemes before the end of the year. This may result in them being re-profiled into the next financial year.</p> <p>These delays could impact the delivery of the programme in 2021/22, which could result in future schemes being stalled in order to deliver the schemes carried forward from 2020/21. There is a risk around having resources available to manage and deliver schemes.</p> <p>Grants received in year will also continue to be closely monitored to ensure that expenditure is incurred within the terms and conditions of the grant. The capital team will work with project leads to report potential risks of achieving spend within timescales and assist in liaising with the grant provider.</p> <p>The Council has a prudent policy of allocating its own capital receipts to fund capital projects only when receipts are actually received rather than when it is anticipated the receipt will be received, and this position continues to be the case. Due to the pandemic there may be a delay in obtaining capital receipts as the timing of these receipts are also subject to market forces outside of the Council's control. In line with current policy no allowance has been made for these receipts in reporting the Council's capital funding position.</p>

8.00	<b>GLOSSARY OF TERMS</b>
8.01	<p><b>Budget Re-profiling:</b> Capital schemes are very dynamic and a number of factors can influence their timing and funding. Budget re-profiling assures that the correct resources are available in the correct accounting period to finance the actual level of expenditure.</p> <p><b>Capital Expenditure:</b> Expenditure on the acquisition of <b>non-current assets</b> or expenditure which extends the useful life of an existing asset</p> <p><b>Capital Programme:</b> The Council's financial plan covering capital schemes and expenditure proposals for the current year and a number of future years. It also includes estimates of the capital resources available to finance the programme.</p> <p><b>Capital Receipts:</b> Receipts (in excess of £10,000) realised from the disposal of assets.</p> <p><b>Carry Forward:</b> Carry forward occurs when schemes due to be completed in a given financial year are delayed until a subsequent year. In this case the relevant funding is carried forward to meet the delayed, contractually committed expenditure.</p> <p><b>CERA:</b> Capital Expenditure charged to Revenue Account. The Council is allowed to use its revenue resources to fund capital expenditure. However the opposite is not permissible.</p> <p><b>Council Fund (CF):</b> The fund to which all the Council's revenue and capital expenditure is charged.</p> <p><b>Housing Revenue Account (HRA):</b> The fund to which all the Council's revenue and capital expenditure relating to its housing stock is charged.</p> <p><b>MRA:</b> Major Repairs Allowance. A general capital grant from WG for HRA purposes.</p> <p><b>Non-current Asset:</b> A resource controlled (but not necessarily owned) by the Council, from which economic benefits or service potential are expected to flow to the Council for more than 12 months.</p> <p><b>Section 106:</b> Monies are received from developers/contractors pursuant to Section 106 of the Town &amp; Country Planning Act 1990. These sums are available for use once the relevant terms of the individual agreement have been met. The monies are most commonly used for educational enhancement, play areas, highways and affordable housing.</p> <p><b>Target Hardening:</b> Measures taken to prevent unauthorised access to Council sites.</p> <p><b>Unhypothecated Supported Borrowing (USB), commonly referred to as Supported Borrowing -</b> Each year Welsh Government provide Councils with a Supported Borrowing allocation. Councils borrow to fund capital expenditure equivalent to that annual allocation, Welsh Government then include funding to cover the revenue costs associated</p>

with the borrowing for future years within the Revenue Support Grant. The Council decides how this funding is spent.

**Unsupported (Prudential) Borrowing:** Borrowing administered under the Prudential Code, whereby Authorities can set their own policies on acceptable levels and types of borrowing. The Prudential Framework allows Authorities to take out loans in response to overall cash flow forecasts and other factors provided they can show that the borrowing is to meet planned capital expenditure in the current year or the next three years.
